Student: Student, Test

The Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act mandate that colleges provide reasonable accommodations to students with disabilities.

The student named above has qualified for DSPS services under the Title 5 regulations which govern California Community Colleges. The following academic accommodations have been authorized to ensure this student an equal opportunity to complete your course requirements. The student is responsible for making prior arrangements for testing accommodations with the instructor and/or the Assessment Center, L-223 (714-564-6147).

All disability related information is confidential. Students are encouraged by our office to discuss their accommodations with instructors; however, students are not required to disclose or discuss specific disability-related information.

If you have any questions or concerns about these authorized accommodations, please contact the DSPS Office at 714-564-6295.

Thank you for your cooperation and support.
