### Non-Tax Filer Income —Independent Student

- Student (and spouse) who did not file taxes in 2019 **must each submit an IRS Verification of Non-Filing Letter (see instructions on page 2)**. If the student and/or spouse attempt to obtain the verification letter but cannot obtain it, they need to certify this below. Also, Spouses without an SSN, ITIN, or EIN would need to certify this below instead of submitting the Non-Filing Letter. Students (spouses) must also submit a copy of their 2019 W-2 statement(s) to the Financial Aid Office for each source of employment income in 2019 and complete this form showing the sources and amounts of the student’s and spouse’s **income earned from work**. If the student/spouse was not provided a W-2, he/she must explain why not. If the student and/or spouse have no income from work, put “None” under Source of Income from Work and “\$0” under Total amount for 2019. If you (or your spouse) have lost or were not provided a W-2, you must either obtain a new copy from your employer \*or\* get a Wage Transcript from the IRS.
