ASK US ABOUT OUR MENTAL HEALTH WELLNESS PROGRAM THROUGH STRENGTH IN SUPPORT!
DID YOU KNOW THAT YOU CAN GET GRANTS AND SCHOLARSHIPS ON TOP OF YOUR GI BILL BENEFITS???

More about Financial Aid: Apply at studentaid.gov. On top of your GI Bill®, you may be eligible for Federal & State Grants, which are free, and student loans which you will need to repay back. SAC's school code is 001284. Please follow up with the Financial Aid Office. Also, you can take advantage of Scholarships as well! Please visit the Scholarships Office for more information. Scholarships are usually open between November and February for the following academic year. These monies are in addition to your GI Bill® so don't miss out! Make sure you fill out the California College Promise Grant as well! The VA takes their time in sending tuition and fees for Chapter 33 students. To ensure your classes don't get dropped, have the state cover it instead! Most people qualify for this benefit either through the short form or through the FAFSA! We can help you with these forms in the VRC!
