SO CAL VETERANS UPWARD BOUND PROGRAM

VETERANS SUMMER AND FALL 2020 ORIENTATIONS

If you are a new or returning veteran planning to enroll at Santa Ana College for the Summer and Fall 2020 semesters, the So Cal Veterans Upward Bound (So Cal VUB) program can help you navigate the matriculation process.

The So Cal VUB is a program from the Department of Education which serves and provides veterans with college transition assistance, matriculation, and comprehensive academic support services at no cost.

Program Orientations begin in March. Call the Veterans Resource Center to schedule an orientation. If you can not attend a scheduled orientation you can call to schedule a one-on-one appointment or simply Walk-In.

Priority registration for the summer session is 5/6/2020, and Fall 4/14/2020.
