GREETINGS FROM THE CHANCELLOR

To the Class of 2024,

Congratulations on this amazing day in your academic career! I understand the number of hours that are required and that you have committed to your studies in order to graduate with a degree or certificate. Many of you have done so while working one or more jobs, maintaining family obligations, or experiencing hardship. However, despite those obstacles, you have accomplished your goal and are here today!

It is my honor to celebrate you during commencement. Your academic excellence is noteworthy and a demonstration of your commitment to your education and your future. You didn't let anything stop you!

We are proud of you and honored to include you on the list of alumni of Santa Ana College.

We hope that you valued your time at SAC and continue to feel a part of the SAC family.

We know that there is a bright future for you as you begin the next chapter in your life. As you venture forward, remember fondly your time with us and know that you made a difference here at SAC.

On behalf of the Board of Trustees and all of us at the Rancho Santiago Community College District – Congratulations class of 2024!

Chancellor

GREETINGS FROM THE PRESIDENT

Welcome to Santa Ana Stadium, and on behalf of Santa Ana College, it is an honor to extend my congratulations to the graduating class of 2024! We are so proud of the work you have completed to achieve your diploma, certificate, or degree. The sacrifice you have committed to achieve higher education, coupled with the support of your family and friends, will change your life and is commendable.

You're graduating from a nationally ranked college with esteemed and award-winning faculty, staff, programs, and services.

As you move forward, please know that you will forever be an alum of an academically rigorous and student-centered institution. We are so proud of you and wish you well in your future endeavors! From the administration, faculty, and staff at Santa Ana College, we congratulate all of you, class of 2024!

Dr. Annabelle Nery

Santa Ana College President

LAND ACKNOWLEDGEMENT

The Juaneno Band of Mission Indians, Acjachemen Nation, are the original inhabitants of what is now Orange County. This acknowledgement was affirmed on August 19, 1993 by the state of California in Assembly Joint Resolution number 48 and on March 7, 2006 by Orange County Resolution number 06-028. We are and continue to be the stewards of this land for time immemorial. The unceded Acjachemen traditional tribal territory extends from the Pacific Ocean to the West including the Southern Channel Islands of Catalina, San Nicholas, and San Clemente, to parts of Los Angeles County to the North including the village of Puvungna at California State University, Long Beach, to parts of Riverside County to the East, and to parts of Camp Pendleton to the South including the villages of Panhe and Uchme. The Acjachemen would also like to acknowledge our surrounding tribal relatives that have been and continue to be caretakers of the lands of Southern California. The Chumash, Gabrielino, Serrano, Tataviam, Cahuilla, Luiseno, Cupeño, Chemehuevi and the Kumeyaay. Our Acjachemen ancestors and their descendants provided the original manpower for the construction of some of the earliest key landmarks in Orange County, including the Mission San Juan Capistrano. Many of our ancestors have played key roles in the development of Orange County and the legacy that it brings to all of us.

Education is a key part of the legacy we bring to Orange County and a value the Acjachemen hold in high esteem. Santa Ana College graduates, you are now part of the legacy of Orange County. We continue to encourage you on your path of higher education for your generation and seven generations to come. Congratulations, Santa Ana College Graduates.

COMMENCEMENT STUDENT SPEAKERS

Baccalaureate Program Student Speaker Lenka Capkova

Lenka Capkova was born and grew up in a small town in the Czech Republic. After graduating college, where she received a degree in linguistics and foreign language teaching, she taught English and Spanish at a local middle and high school. She met her husband Jindra, who has been her life and dance partner for over 20 years, while enjoying ballroom dancing at their local studio. When Jindra got a job offer from a company in the United States, they were excited to embark on another adventure together. They moved to California in 2006. Lenka worked at a corporate office job, and then had the privilege of being a full-time parent to their three wonderful children.

Lenka was looking to reinvent herself in California, to dive into a new, exciting field and build a solid career path for herself. She discovered the field of occupational therapy and was immediately intrigued. After fulfilling all prerequisites, she applied to the Occupational Therapy Assistant Program at Santa Ana College. She started classes in the fall of 2020. Four years later, she is a proud graduate with a Bachelor of Science Degree in Occupational Studies at our great college. She has also been working as a Certified Occupational Therapy Assistant (COTA) in the inpatient acute care and acute rehab units at Providence Mission Hospital in the city of Mission Viejo, where her family lives. She is very grateful to Santa Ana College for paving the way for her new career.

Valedictorian Daniela Derramadero

Daniela Derramadero started Santa Ana College in 2020 during the pandemic, and it has been a transformative experience for her. She is a first-generation Hispanic student with Oaxacan immigrant parents. Her parents are only Spanish speakers, so she had to figure out the college system alone. On reflection, she acknowledges that SAC has provided her with an enormous amount of opportunity to grow with the resources she continues to utilize on campus and her involvement at school. She works in the Outreach office at SAC. She started as a Student Ambassador and is now a Student Services Specialist. She has been working in outreach since 2021. This job led her to find her passion for wanting a career in the higher education field to help other students like herself. Additionally, she is the multimedia editor for the school newspaper, El Don News. She is responsible for creating weekly videos, producing podcasts, and managing all of El Don's social media accounts. She has won several awards for journalism, such as a first-place award for best news and information video and a first-place podcast award. As a student journalist, she strives to advocate for students on campus and highlight their voices. In December, she proudly earned two associate degrees for transfer in journalism and liberal arts. Additionally, she will be receiving another associate degree for transfer in

psychology in June. She will be transferring to UCLA in the fall semester. Throughout her higher education academic journey, she has continued to face many obstacles, such as doing school online due to the pandemic and familial challenges. However, she continues to persevere and has learned how to adapt to difficult environments that have taught her to gain better study skills and time management. Daniela is excited for the opportunities ahead and is eager to continue her higher education goals and personal journey.

School of Continuing Education Student Speaker Jillian Gonzalez

Jillian Gonzalez, generally known to people as Ms. Jill, born in Northern California but is a Southern California transplant. She is a wife, a mother, a hairdresser, and an educator. She currently teaches cosmetology in Garden Grove and runs a successful salon business. She successfully graduated from the HiSET (High School Equivalency) program, at Santa Ana College this year. Her next goal is to earn an Associate Degree in cosmetology instruction to further her teaching career.

Walt Disney once said “All our dreams can come true if we have the courage to pursue them.” Graduating with her HiSET Degree from the School of Continuing Education gives Jillian that courage to pursue her dreams.

2024 Distinguished Faculty and Classified Employee of the Year

DISTINGUISHED FACULTY AWARD

The Distinguished Faculty Award is the highest honor bestowed upon a full-time faculty member of Santa Ana College and is awarded for teaching excellence. Nominations are requested from SAC faculty, staff, and students. Nominees are judged based on activities that demonstrate a commitment to teaching excellence, awards and honors, writing and publications, civic and industry involvement, leadership experiences, and other activities both on and off campus.

Donato Martinez

Donato Martinez was born in a small pueblo in Zacatecas, Mexico, and immigrated to the USA at six years old.

Martinez graduated with a bachelor's degree in Humanities and a minor in Chicano Studies at Cal Poly Pomona. With no plans and little idea of what to do with a major in Humanities, Martinez pursued a master's degree in Comparative Literature at California State University, Fullerton. During the summer breaks he started to teach for various programs such as Summer Bridge, Upward Bound, and Migrant Education. These early experiences proved to be pivotal as he started to see himself as an instrument of change. After finishing his master's degree, he started teaching in the Chicano Studies Department. Shortly thereafter, he became an adjunct professor in the English Department at Santa Ana College.

Martinez has presented professional development sessions and writing workshops at both the regional and state level. He has spoken at many motivational and educational conferences about the topics like finding one's writing voice, healing through journaling, the poetics of hip hop music, writing about trauma and multi-cultural literacy.

He has a self-published collection, *Tacos de Lengua*, with three other Inland Empire poets. His work has been published in online and print magazines. His full-length collection of poetry, *Touch the Sky*, was published in 2023 by El Martillo Press. He loves the outdoors and is inspired by music and books and

other artistic expressions, and his children, Gabriel and Abigail.

Martinez loves teaching and has been at Santa Ana College for 28 years. He is passionate about working with low-income, first-generation community college students. He loves to witness their growth and be a positive influence on their journey. Martinez teaches about the power of writing and the power of tapping into emotions to heal past trauma. He shares this important message to students – “No one will read it if you do not write it.” It has been the key to his teaching for so many years.

CLASSIFIED EMPLOYEE AWARD

The Classified Employee Award is the highest recognition for an exceptional permanent, full-time employee that exhibits exemplary skills and traits, and a commitment to excellent work performance.

Stacey Shaffer

Stacey Shaffer has worked as a Financial Aid Technician in the Santa Ana College Financial Aid office since 2022. Originally from Pennsylvania, Stacy moved to California in 1987. She married her high school sweetheart Dennis in 1994 and they lived in Silverdale, Washington where Dennis served in the United States Navy. She earned her bachelor's degree in General Science from Seattle University in 1999. Dennis and Stacy relocated back to Orange County in 2001 to raise their two sons, Dylan and Gavin. Her first job in financial aid was as a Financial Aid Officer for Bryman College in SeaTac, Washington. Helping students apply for financial aid and finding ways to fund their educational goals left an everlasting impact on Stacy. So, when an opportunity to work in financial aid at SAC became available, Stacy jumped at the chance where she could once again help students. In her own time, Stacy enjoys traveling with her friends and family. Her most memorable trip was to Italy in 2018 when she visited the cities of Florence, Pisa, and Rome. Stacy is extremely honored to have received the Classified Employee of the Year Award for 2024, and looks forward to continue to work hard for the students at SAC.

BACHELOR OF SCIENCE DEGREE

OCCUPATIONAL STUDIES

Occupational Therapy is a discipline that focuses on function as well as quality of life. Occupational Therapy Assistants provide service to individuals with physical, mental, or developmental disabilities, across life phases, who need to remediate skills of everyday tasks for work, self-care, and leisure.

The baccalaureate degree in Occupational Studies creates a more highly skilled occupational therapy assistant (OTA) who is better able to understand and utilize research-based evidence for best practice and take on a leadership role. As an additional benefit, it prepares an OTA for entry into an Occupational Therapy (OT) master’s degree program. The upper division course work will provide more in-depth training in specific areas of OT practice, including neurologic rehabilitation, musculoskeletal rehabilitation, pediatrics, geriatrics,

and key practice areas identified by the American Occupational Therapy Association. These courses, together with a capstone project, also provide increased opportunities for critical analysis, research methods, and clinical reasoning.

The program is designed to meet the needs of our community and our students in several ways:

- Current Certified Occupational Therapy Assistants (COTA) completing the program will have advanced clinical training and hold a bachelor’s degree that can open opportunities for career advancement.
- COTAs will be able to work in settings that require a minimum of a bachelor’s degree.
- COTAs are prepared to move to a graduate degree in OT or related field of study.

HONORS TRANSFER PROGRAM COMPLETERS

The Honors Transfer Program offers honors sections of transferable general education courses to students with a 3.0 cumulative GPA. These seminar type classes are characterized by close interaction with Honors Program faculty, small size, special projects and activities. Program members are eligible to take advantage of transfer agreements with several four-year institutions that offer, at the least, priority consideration and at best, scholarships to students who complete the Honors Program. In order to complete the program, students must maintain a 3.0 cumulative GPA and complete at least fifteen honors courses with a letter grade of “C” or better. The following students have completed the Honors Transfer Program:

Katherine Alderete
Keyla Desiree Bautista Ponce
Daniel Calvillo
Maryanne Casas-Perez

CERTIFICATES OF ACHIEVEMENT

A Certificate of Achievement is a verification of achievement in a particular academic or occupational area, and is included on the official transcript. Certificate programs normally include only those courses which have a direct bearing upon specialized occupational competency since the certificate has the sole objective of immediate employment in a specialized area.

On behalf of the RSCCD Board of Trustees, Chancellor, President of Santa Ana College, and the administration, we would like to extend our sincere appreciation for the collaborative efforts of so many individuals that participated in the creation of this amazing event and celebration for our students. We also extend a special thank you to the city of Santa Ana.

Without all of YOU, this would not be possible.
