

## ONLINE and HYBRID CLASSES - SPRING 2020

### ONLINE CLASSES

Students enrolling in online classes will have the opportunity to complete their course work outside of the classroom, although some classes combine on-site testing with online instruction. Students may access course materials via the Internet either at home or using an on campus computer.

### HYBRID (BLENDED) CLASSES

Hybrid (blended) classes are classes that combine face-to-face classroom instruction with online learning. Students will have required instructional on-campus meetings.

On campus required meeting dates, time and place, and instructor contact information can be found on WebAdvisor. [sac.edu/webadvisor](http://sac.edu/webadvisor)

Important notes for both Online/Hybrid classes:
