Through a partnership with the School of Continuing Education, Santa Ana College obtained the Digital Divide grant to expand access to technology to Santa Ana College students. Through the grant, we purchased 400 laptops for Santa Ana College credit and SCE students to check-out through Digital Dons. Thus, ample inventory meant the elimination of a wait list as laptops are available for all students interested in borrowing from Digital Dons

Spring 2025 (1/6/25 – 4/30/25)

1/6: First day of merge with the school of SAC School of Continuing Education

1/13: First day of SAC intersession distribution for both campuses

- No waitlist for either campus
- Transitioned to Dynamic Forms

Summer and Fall 2025 – No Waitlist
