Santa Ana College Philosophy and Mission

Welcome to Santa Ana College! We are so happy that you are at our amazing institution, and we are here to provide you excellent services and high-quality education. Santa Ana College has been part of this community for over 100 years, and we have a rich tradition of academic excellence whether you want to learn English, earn a High School Diploma, learn Career or Technical Education, earn an Associate's or Bachelor's Degree, and/or Transfer. Here at Santa Ana College, we have a pathway for you! We recognize that you may be at different stages of your life, whether it is a recent high school graduate or you are a student returning to school after years in the workforce. We know that going to college is no small feat.

We are proud of your dedication, and the way you are able to balance work, family, life and school. We are here to help you thrive and meet your educational goals. Through our Guided Pathways framework, we work diligently to ensure students stay on their career or academic path towards completion of their goals.

Even though Santa Ana College has been part of this community for over 100 years, we continue to evolve meeting the needs of our students and growing community. Our new state of the art facilities are one facets of that growth, which will enable students to rise through education, helping to change their future and legacy for their families. We stand ready to inspire, transform, and empower you on your educational journey!

Welcome again,

Annebelle Nery, Ph.D., President

Santa Ana College Mission and Vision Statement

Santa Ana College Mission Statement

Santa Ana College inspires, transforms, and empowers a diverse community of learners.

Santa Ana College Vision Statement

Santa Ana College is the college of choice that empowers individuals and is committed to creating and strengthening a student-centered, diverse, and welcoming community . The innovative academic pathways and services that we provide inspire and motivate students to achieve educational excellence and economic advancement in a supportive environment.

Catalog Content

The Rancho Santiago Community College District and Santa Ana College have made every reasonable effort to determine that everything stated in this catalog is accurate. Courses and programs offered, together with other matters contained herein, are subject to change without notice by the administration of the district for reasons related to student enrollment, level of financial support, or for any other reason, at the discretion of the district and the colleges. The district and the college further reserve the right to add, amend, or repeal any of their rules, regulations, policies, and procedures.

Institutional Learning Outcomes (Core Competencies)

1. Communication Skills

Students will be able to communicate effectively.

- a. Interpreting and Conveying Information Students will be able to express and explain their ideas and feelings.
- b. Reading and Writing Students will be able to effectively read college materials to identify, define, and employ concepts. Students will be able to communicate effectively in writing.

2. Critical and Creative Thinking

Students will be able to identify and analyze information and develop, evaluate, and synthesize ideas while applying problem solving skills using creative thinking.

- a. Critical Thinking Students will be able to employ quantitative and scientific reasoning . Students will be able to solve problems; explain their

conclusions; and evaluate, support, or critique the thinking of others.

- b. Creative Thinking Students will be able to formulate original ideas and concepts integrating those of others in the creative process.
- c. Quantitative and Scientific Reasoning Students will be able to use college-level mathematical concepts and methods to analyze and explain issues in quantitative terms. Students will be able to interpret, calculate, analyze, and represent quantitative data. Students will be able to employ quantitative data to empirical data.
- d. Information Competency Students will be able to conduct research at a level that is necessary to achieve personal, professional, and educational success. They will be able to use print material and use digital resources technology to identify research needs as well as to seek, access, evaluate, and apply information effectively and responsibly. Students will be able to think of and/or transfer knowledge and skills across disciplines and contexts.

3. Diversity/Multicultural and Global Awareness

Students will be able to evaluate individual responsibility, personal integrity, and respect for racial, ethnic, sexual orientation, and other diverse groups of people and cultures of the world.

- a. Cultural Students will be able to respect, engage, and critically evaluate the beliefs and practices of diverse groups of people including those of different cultural and linguistic backgrounds and different abilities.
- b. Environmental Students will be able to evaluate ethical issues for making decisions about the environment.

4. Social Responsibility

Students will be able to account for their personal responsibilities in and outside of the classroom.

- a. Civic Responsibility Students will be able to evaluate personal responsibility for becoming informed, ethical, and active citizens of their community, their nation, and their world.
- b. Ethical Reasoning Students will be able to evaluate ethical issues that will enhance their capacity for making sound judgments and decisions.
- c. Social Students will be able to interact with individuals and within groups with integrity and awareness of others' opinions, feelings, and values.

5. Personal and Professional Development

Students will be able to demonstrate personal growth through the development and enhancement of specialized skills aimed at professional life and achievement.

- a. Aesthetic Appreciation Students will be able to evaluate artistic and creative expression.
- b. Creative Expression Students will be able to produce artistic and creative forms of expression.
- c. Personal Growth Students will be able to evaluate habits of intellectual exploration, personal responsibility, and practical and physical well-being.
- d. Interpersonal Skills Students will be able to evaluate their participation in teams, committees, task forces, and in other group efforts to facilitate decision making and to seek and achieve consensus.
- e. Careers Students will be able to evaluate the knowledge and skills necessary to select and compare and contrast careers.
- f. Technology Competency Students will be able to use technology learning tools and technology applications to achieve discipline-specific course requirements and standards.

Rancho Santiago Community College District Accreditation

Santa Ana College is accredited by the Accrediting Commission for Community and Junior Colleges ACCJC) of the Western Association of Schools and Colleges (WASC), an institutional accrediting body recognized by the Council for Higher Education Accreditation, the U.S.

Department of Education, and the Veterans Administration. The college holds membership in the Community College League of California and the American Association of Community and Junior Colleges.

In addition to the current ACCJC college-wide accreditation, specified programs at Santa Ana College is also accredited by external accrediting bodies:

1. Automotive Technology: National Automotive Technicians Education Foundation (NATEF)
2. Basic Fire Academy - Accredited CA Firefighter I (FFI) Training Academy (OSFM). Graduates earn CA FFI Certificate of Training with IFSAC and Pro Board seals.
3. Emergency Medical Technician: Orange County Emergency Medical Services (OCEMS)
4. Fire Technology Program - Accredited as a regional Training Program (ARTP) by the CA Office of the State Fire Marshal (OSFM)
5. International Business: National Association of Small Business International Trade Educators (NASBITE)
6. Occupational Therapy Assistant: Accreditation Council for Occupational Therapy Education (ACOTE)
7. Paralegal Studies: American Bar Association (ABA)
8. Pharmacy Technology: American Society of Health-System Pharmacists (ASHP)
9. Registered Nursing: Approved by the Board of Registered Nursing (BRN) and accredited by the Accreditation Commission for Education in Nursing (ACEN)
10. Basic Police Academy: CA Commission on Peace Officer Standards and Training
11. Sheriff Special Officer Academy: CA Commission on Peace Officer Standards and Training
12. Correctional Services Assistant Academy: CA Standards and Training for Corrections

Documents concerning the college's accreditation, licenses, and approvals are maintained in the Office of The President of Santa Ana College.

Students wishing to examine these documents may do so by contacting the Office of the President. Additional information about accreditation, including filing complaints against member institutions, can be found at:

www.accjc.org .

Rancho Santiago Community College District

Governed locally by a seven-member Board of Trustees elected by the citizens of the district, Rancho Santiago Community College District (RSCCD) is a part of the California community college system, one of the three segments of the public post-secondary educational systems in the state.

RSCCD, located in central Orange County, encompasses 193 square miles with a population of approximately 770,000. The district's boundaries include all of the K-12 schools within the Orange and Santa Ana Unified School Districts, as well as a portion of the Garden Grove Unified School District. RSCCD's boundaries extend from the eastern portion of the city of Garden Grove, around the perimeters of Santa Ana, Orange, Villa Park, and Anaheim Hills, and east to the Riverside County line.

Enrollment in district programs for fall 2023 totaled 80,024 with 53,742 enrolled in college credit courses and 26,282 enrolled in Continuing Education. The Community Education, formerly known as Community Services Program, serves 1,108 residents districtwide in not for credit, fee-supported classes.

Santa Ana College and Santiago Canyon College

Santa Ana College opened in 1915 as an upward extension of Santa Ana High School, and is the fourth oldest community college in California. Initially located on the campus of Santa Ana High School, it moved to downtown Santa Ana in 1933, and then to its current location in 1947. Santa Ana College serves the city of Santa Ana and portions of the cities of Tustin, Irvine, and Garden Grove.

Santiago Canyon College is among the newest community colleges in California and began offering classes in 1985 as the Orange Campus within the Rancho Santiago Canyon Community College District. Santiago Canyon College earned its independent accreditation in January 2000, and serves the communities of Orange, Villa Park, and Anaheim Hills.

In Fall of 2023, the total number of students at Santa Ana College was 42,011, with 25,429 students in college credit courses and 16,582 students in classes for Continuing Education. The Community Education Program serves another 1,209 residents in fee-based not for credit classes. Santa Ana College offers 298 degrees and certificates in credit programs that prepare students for transfer to 4-year universities or careers. In addition, over 1,000 classes are offered to students in a variety of noncredit programs including 60 certificates and an Adult High School Diploma program in Continuing Education programs.

District Facilities

Santa Ana College is located on approximately 74 acres at 1530 W. 17th Street in Santa Ana. The college was first opened in 1915 as an upward extension of Santa Ana High School. It is the fourth oldest community college in California. Located first on the high school campus, the college was moved to downtown Santa Ana and then to the present site in 1947. Santiago Canyon College is situated on 82 acres at 8045 E. Chapman Avenue in Orange. It opened its first phase of classrooms in fall 1985 under the name of the Orange Campus of Rancho Santiago College. The Child Development Center opened in fall 1991 to provide childcare services.

Centennial Education Center in Santa Ana and the Santiago Canyon College Orange Education Center house the college's extensive Continuing Education programs, which provide high school diplomas, English as a Second Language and older adults courses.

Opportunity

The Rancho Santiago Community College District provides opportunities for the pursuit of excellence through educational programs and services for local residents. The purpose of these programs and services is to enhance the quality of human life by providing public access to college education. A significant number of classes are scheduled off-campus each semester in order to enhance accessibility to students.

Policies

Nondiscrimination Policy

The Rancho Santiago Community College District is committed to equal opportunity in educational programs, employment, and all access to institutional programs and activities.

The District, and each individual who represents the District, shall provide access to its services, classes, and programs without regard to national origin, religion, age, gender, gender identity, gender expression, race or ethnicity, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy, or military and veteran status, or because he or she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.

The Chancellor shall establish administrative procedures that ensure all members of the college community can present complaints regarding alleged violations of this policy and have their complaints heard in accordance with the Title 5 and Title IX regulations and those of other agencies that administer state and federal laws regarding nondiscrimination.

No District funds shall ever be used for membership, or for any participation involving financial payment or contribution on behalf of the District or any individual employed by or associated with it, to any private organization whose membership practices are discriminatory on the basis of national origin, religion, age, gender, gender identity, gender expression, race, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy, or military and veteran status, or because he or she is perceived to have one or more of the foregoing characteristics, or because of his or her association with a person or group with one or more of these actual or perceived characteristics. Inquiries regarding compliance and/or grievance procedures may be directed to District's Title IX Coordinator and/or Section 504/ADA Coordinator.

RSCCD Section 504/ADA Coordinator and Title IX Coordinator:
Sil Han Jin, 2323 N . Broadway, Santa Ana, CA 92706, 714-480-7404.
SAC Deputy Title IX Coordinator:
Jennifer De La Rosa, 1530 W 17th, Santa Ana, CA . 92706,
714-564-6212.

Política de No Discriminación

El Distrito está comprometido a ofrecer la igualdad en oportunidades para programas educativos, empleos, y a todo acceso a los programas institucionales y actividades.

El Distrito, y cada persona que representa al Distrito, debe proveer acceso a sus servicios, clases y programas sin importar el lugar de nacimiento, religión, edad, sexo, identidad de género, expresión del género, raza o etnicidad, color, condición médica, información de genética, descendencia familiar, orientación sexual, estado civil, incapacidad física o mental, embarazo, categoría militar o de veterano, o por creer que él o ella tiene una o más de las características mencionadas, o en base a estar relacionado con una persona o grupo que se cree tenga algunas de estas características.

El Canciller debe establecer procedimientos administrativos para asegurarse que todos los miembros de la comunidad del colegio puedan presentar quejas sobre supuestas violaciones a esta política y que sus quejas sean escuchadas de acuerdo a los reglamentos señalados en el Título 5 y por aquellos de otras agencias que administran las leyes estatales y federales sobre la no discriminación.

Ningún fondo del Distrito debe ser utilizado para la membresía, o para la participación incluyendo pagos financieros o contribuciones hechas a organizaciones privadas de parte del Distrito o de cualquier

individuo empleado por el Distrito o con asociación, cuyas prácticas de membresía son discriminatorias en base a lugar de nacimiento, religión, edad, sexo, identidad de género, expresión del género, raza, color, condición médica, información de genética, descendencia familiar, orientación sexual, estado civil, incapacidad física o mental, embarazo, categoría militar o de veterano, o por creer que él o ella tiene una o más de las características mencionadas, o en base a estar relacionado con una persona o grupo que se cree tenga algunas de estas características. Las consultas relacionadas con los procedimientos de cumplimiento y/o queja pueden dirigirse al Coordinador del Título IX del Distrito y/o al Coordinador de la Sección 504/ADA.

RSCCD Sección 504/ADA Coordinadora and Título IX Coordinador:
Sil Han Jin,
2323 N . Broadway, Santa Ana, CA 92706, 714- 480-7404

Academic Freedom Policy

1. The teacher should be free to think and to express ideas, free to select and employ materials and methods of instruction, free from undue pressures of authority, and free to act within his/her professional group. Such freedom should be used judiciously and prudently to the end that it promotes the free exercise of intelligence and student learning . Academic freedom is not an absolute. It must be exercised within the law and the basic ethical responsibilities of the teaching profession. Those responsibilities include:

2. An understanding of our democratic tradition and its methods.
3. A concern for the welfare, growth, maturity, and development of students.
4. The method of scholarship.
5. Application of good taste and judgment in selecting and employing materials and methods of instruction.

(BP4201 Faculty)

Rates of Student Progress Student Right-To-Know Act

The rates below are placed here in accordance with the federally mandated Student Right-to-Know Act.

Santa Ana College: Student Right-to-Know Rates for Fall 2016 Cohort
Completion Rate: 26.74 % Transfer Rate: 7.39 %

In compliance with the Student Right-to-Know and Campus Security Act of 1990 (Public Law 101-542), it is the policy of our college district to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 2016, a cohort of all certificate-, degree-, and transfer-seeking first-time, full-time students were tracked over a six year period. Their completion and transfer rates are listed above. These rates do not represent the success rates of the entire student population at the College nor do they account for student outcomes occurring after this six year tracking period.

Based upon the cohort defined above, a Completer is a student who attained a certificate or degree or became 'transfer prepared' during a six year period, from Fall 2016 to Spring 2022. Students who have completed 60 transferable units with a GPA of 2.0 or better are considered 'transfer prepared'. Students who transferred to another post-secondary institution, prior to attaining a degree, certificate, or becoming 'transfer prepared' during a eleven semester period, from Spring 2017 to Spring 2022, are transfer students.

Student Consumer Information Right-To-Know Disclosure Information

Federal regulations require all campuses to provide specified information to prospective and current students, staff and the general public. Listed below are those items that must be available for review per federal regulation. The federal Higher Education Act, the federal Equity in Athletics Disclosure Act (EADA), and regulatory guidance provided in the Code of Federal Regulations (CFR) require direct individual notices of prescribed information to certain target audiences including prospective students; currently enrolled students; current employees; parents, coaches and counselors of prospective student athletes; and the general public. Disclosures are to include crime/security statistics, student completion/graduation rates, FERPA privacy/security rights, financial aid program information, and gender-specific information on athletic participation and financial support.

Family Education Rights and Privacy

As required under the provisions of the Family Education Rights and Privacy Act of 1974, the Rancho Santiago Community College District will make public without student consent only certain directory information. This information consists of the following: a student's name; city of residence; major field; participation in officially recognized activities and sports; weight, height, and age if a member of an athletic team; dates of attendance; degree and awards received; and the most recent previous educational institution or agency attended by the student. A student may request the Admissions and Records Office to withhold this information. Such request must be in writing and submitted each semester.

F.E.R.P.A. Family Education Rights and Privacy Notification

The Family Education Rights and Privacy Act of 1974 provides colleges the right to consent to disclose personally identifiable information contained in the student's education records to third party vendors who are identified as School Officials and who have legitimate educational

interests. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his/her professional responsibility.

A school official is a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including district safety personnel and health staff); a person or company with whom the College has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees, or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his/her tasks.

Santa Ana College contracts with the following School Officials:

- Auditors (Vicenti-Lloyd-Stutzman)
- CCCApply (Unicon)
- Parchment (Online transcript request)
- ECS Imaging (optical imaging)
- Ellucian Colleague
- Image Now (optical imaging)
- PointNClick Solutions and Quest (Health Center)
- National Student Clearinghouse
- SARS (Counseling Center)
- Xerox

Sexual Harassment, Sexual Misconduct, Intimate Partner Violence, and Stalking

Various federal and state law imposes obligations for the District to address and prohibit acts of sexual harassment, sexual misconduct, stalking, or domestic violence and dating violence ("intimate partner violence") and stalking. Any sexual misconduct or physical abuse as defined by California state and federal law, whether committed by an employee, student, or member of the public, that occurs on or off district property may be a violation of district policies and procedures, and is subject to all applicable punishment, including criminal procedures, civil litigation and employee or student discipline procedures. Students may face discipline at the District, up to and including suspension or expulsion. Employees may face sanctions up to and including dismissal from employment, pursuant to established policies and provisions of applicable collective bargaining unit agreements. Students, faculty, and staff who report sexual harassment, sexual misconduct, intimate partner violence, or stalking ("prohibited conduct") shall be treated with dignity and provided comprehensive assistance. The district encourages Complainants (those individuals reporting incidents of prohibited conduct) of sexual misconduct, intimate partner violence or stalking to talk to someone about what happened - so they can get the support they need, and so the district can respond appropriately. The District has established administrative procedures that ensure that students, faculty, and staff who are directly impacted by prohibited conduct receive appropriate information and treatment, and that educational information about preventing sexual violence is provided and publicized as required by law (please see Administrative Regulation 3540 and Interim Administrative Regulation 3425 for complete procedures). Under California law, any health practitioner employed in a health facility, clinic, physician's office, or local or state public health department or clinic is required to make a report to local law enforcement if they provide medical services for a physical condition to a patient/ Complainant who they know or reasonably suspects is suffering from (1) a wound or physical injury inflicted by a firearm; or (2) any wound or other physical injury inflicted upon a Complainant where the injury is the result of assaultive or abusive conduct (including sexual misconduct, domestic violence, and dating violence). This exception does not apply to sexual assault and domestic violence counselors and advocates. Health care practitioners should explain this limited exception to Complainants, if applicable. Additionally, under

California law, physicians, psychotherapists, professional counselors, licensed clinical social workers, clergy, and sexual assault and domestic violence counselors and advocates are mandatory child abuse and neglect reporters, and are required to report incidents involving Complainants under 18 years of age to local law enforcement. These professionals will explain this limited exception to Complainants, if applicable. Finally, some or all of these professionals may also have reporting obligations under California law to (1) local law enforcement in cases involving threats of immediate or imminent harm to self or others where disclosure of the information is necessary to prevent the threatened danger; (2) to the court if compelled by court order or subpoena in a criminal proceeding related to the sexual violence incident. If applicable, these professionals will explain this limited exception to Complainants. The use of alcohol or drugs never makes the Complainant at fault for reports of misconduct, intimate partner violence or stalking; therefore, Complainants should not be deterred from reporting incidents out of a concern that they might be disciplined for related violations of drug or alcohol policies. Except in extreme circumstances, Complainants shall not be subject to discipline for related violations of the Standards of Student Conduct. Santa Ana College has the resources to assist and refer students who experienced sexual misconduct, dating or domestic violence, and stalking. Immediate care and confidential counseling can be provided by the Health and Wellness Center, in The Johnson Center JSC-110 or call (714) 564-6216. When the Health and Wellness Center is closed, contact Campus Safety and Security (not a confidential resource) directly in the X building or call (714) 628-6330. If you have questions regarding an allegation, specific behavior or if you would like to discuss a concern with an administrator, please contact a member of the Title IX team below.

Sil Han Jin, Title IX Coordinator Rancho Santiago Community College District, 2323 N. Broadway, Santa Ana, California 92706-1640

Individuals may report to the Title IX Team, who will provide written and verbal information regarding applicable District complaint procedures for investigating and addressing the incident. The Title IX Team will also provide information regarding resources available to Complainants, as well as information regarding their rights and options. Furthermore, making a report means telling a member of the Title IX Team what happened—in person, by telephone, in writing, or by email. At the time a report is made, a reporting party does not have to request any particular course of action, nor does a reporting party need to know how

to label what happened. Choosing to make a report, and deciding how to proceed after making the report, can be a process that unfolds over time. Many resources and options are available on and off campus including confidential and privileged communication options. The Title IX Team is available to explain and discuss rights to file a criminal complaint and to assist in doing so; the District's relevant complaint process, and rights to receive assistance with that process, including the investigation and hearing process; how confidentiality is handled; available resources, both on and off campus; and other related matters. When an individual tells the Title IX Team or another non-confidential District employee about a sexual misconduct, dating violence, domestic violence, or stalking incident, or prohibited conduct, the Complainant has the right to expect the District to take immediate and appropriate steps to review the matter promptly and equitably. In all cases, the District strongly encourages Complainants to report prohibited conduct directly to the Title IX Team. To the extent possible, information reported to District employees will be kept private and shared only with individuals responsible for handling the District's response to the incident. The District will protect the privacy of individuals involved in a prohibited conduct incident except as otherwise required by law or District policy as required by state or federal law . A prohibited conduct report may result in the gathering of extremely sensitive information about individuals in the campus community. If a Complainant requests of the Title IX Team or another District employee that their identity remain completely confidential, the Title IX Team will explain that the District cannot always honor that request and guarantee complete confidentiality. If a Complainant wishes to remain confidential or request that no investigation be conducted or disciplinary action taken, the District must weigh that request against the District's obligation to provide a safe, non-discriminatory environment for all students, employees and third parties, including the victim. Under those circumstances, the Title IX Coordinator will determine whether the victim's request for complete confidentiality and/or no investigation can be honored under the facts and circumstances of the particular case, including whether the District has a legal obligation to report the incident, conduct an investigation or take other appropriate steps. Without information about a Complainant's identity, the District's ability to meaningfully investigate the incident and pursue disciplinary action against the perpetrator may be severely limited. The Title IX Team will inform the Complainant of the initiation of an investigation prior to starting an investigation and will, to the extent possible, only share information with people responsible for handling the District's response to the incident. The Title IX Team will remain mindful of the Complainant's well-being, and will take ongoing steps to protect the Complainant from retaliation or harm, and work with the Complainant to create a safety plan. Retaliation against the victim, whether by students, employees or third parties, will not be tolerated. The District and Title IX Team will also: Provide interim remedies requested by the Complainant, if they are reasonable, regardless of whether the Complainant chooses to report to campus or local police. Assist both Parties in accessing available advocacy, academic support, counseling, disability, medical/ health or mental health services, and legal assistance both on and off campus. Provide security and support for both Parties, which could include issuing a no-contact order, helping arrange a change of campus-based working arrangements or course schedules or adjustments for assignments, tests, or work duties; and Inform Complainants of their right to report a crime to District or local police – and provide Complainants with assistance if desired. The District will not require a Complainant to participate in any investigation or disciplinary proceeding if the Complainant does not wish to participate. The District will not generally notify parents or legal guardians of a sexual misconduct, dating violence, domestic violence, or stalking report unless the Complainant is under 18

years old or the Complainant provides the District with written permission to do so. Under California law, and pursuant to District policy, many District employees, including the Title IX Coordinator, are mandatory child abuse and neglect reporters and should explain to Complainants under 18 years of age that they are required to report the incident to the police. However, the identity of the person who reports and the report itself are confidential and disclosed only among appropriate agencies.

Harassment and Discrimination

Board Policy 3430 (BP 3430), Administrative Regulation 3435, and Interim Administrative Regulation 3425 prohibits all forms of harassment that are contrary to basic standards of conduct between individuals and are prohibited by state and federal law, as well as this policy, and will not be tolerated. Administrative Regulation 3435 and 3425 details the procedures for the resolution of such complaints. This policy is widely published and publicized to all employees and students, including incoming employees and students. The District is committed to providing an academic and work environment that respects the dignity of individuals and groups. The District shall be free of sexual harassment and all forms of sexual intimidation and exploitation, including acts of sexual misconduct, dating or domestic violence, and stalking. The District shall also be free of other unlawful harassment or discrimination, including that which is based on any of the following statuses: race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, or sexual orientation of any person, or military and veteran status, or because he or she is perceived to have one or more of the foregoing characteristics. The Title IX Coordinator is responsible for resolving reports of sexual misconduct, sex or gender-based discrimination or harassment, dating or domestic violence, and stalking. To report an incident or file a complaint, please contact:

Sil Han Jin Title IX Coordinator Rancho Santiago Community College
District 2323 N. Broadway, Santa Ana, California 92706-1640

Email: TitleIX@rsccd.edu

Phone: 714-480-7404 Web:

Jennifer De La Rosa Deputy Title IX Coordinator

Santa Ana College 1530 W 17th, Santa Ana, CA. 92706

Email: TitleIX@rsccd.edu

Phone: 714-564-6212

All students, staff and faculty may elect to follow formal complaint procedures. Formal complaints of unlawful discrimination or harassment must be filed in writing on a form prescribed by the State Chancellor. The required form may be found here: www.rsccd.edu/incidentreportingform. Upon receiving a formal written complaint, the District will determine whether the complaint has met the necessary requirements. The District will investigate properly filed complaints according to procedures prescribed in Board policy. The District will complete its investigation within 90 days of receiving the complaint and report its administrative determination. The District must provide written notice to both the complainant and the State Chancellor of whether there is probable cause to sustain the charges raised in the complaint; a description of the action taken, if any, to prevent similar problems from occurring in the future; the proposed resolution of the complaint; and the complainant's right to appeal to the District and the State Chancellor. The District seeks to foster an environment in which all employees and students feel free to report incidents of harassment without fear of retaliation or reprisal. Retaliation for exercising one's right of protection from discrimination and/or harassment or for participating in the investigation of a complaint is prohibited by law and this policy, and will not be tolerated. All allegations of retaliation will be swiftly and thoroughly investigated. If the District determines that discrimination, harassment, or retaliation has occurred,

it will take all reasonable steps within its power to stop such conduct. Students or employees who engage in discrimination, harassment, or retaliation are subject to disciplinary action, up to and including termination or expulsion.

Harassment

Hostile or offensive conduct based on a protected status can constitute prohibited harassment. Harassment comes in many forms, including but not limited to the following conduct:

Verbal: Inappropriate or offensive remarks, slurs, jokes or innuendos based on a person's race, gender, sexual orientation, or other legally protected status. **Visual or Written:** The display or circulation of visual or written material that degrades an individual or group based on gender, race, nationality, sexual orientation, or other legally protected status.

Environmental: A hostile academic or work environment exists where it is permeated by sexual innuendo; insults or abusive comments directed at an individual or group based on gender, race, nationality, sexual orientation or other legally protected status; or gratuitous comments regarding gender, race, nationality, sexual orientation or other legally protected status that are not relevant to the subject matter of the class or activities on the job.

Physical: Inappropriate or offensive touching, assault, or physical interference with free movement. This may include, but is not limited to, kissing, patting, lingering or intimate touches, grabbing, pinching, leering, staring, unnecessarily brushing against or blocking another person, whistling or sexual gestures. It also includes any physical assault or intimidation directed at an individual due to that person's gender, race, national origin, sexual orientation or other protected status. Physical sexual harassment includes acts of sexual violence, such as rape, sexual assault, sexual battery, and sexual coercion.

Sexual violence refers to physical sexual acts perpetrated against a person's will or where a person is incapable of giving consent due to the victim's use of drugs or alcohol. An individual also may be unable to give consent due to an intellectual or other disability.

In addition to the above, sexual harassment consists of unwelcome sexual advances, requests for sexual favors, and other conduct of a sexual nature when:

- Submission to the conduct is made a term or condition of an individual's employment, academic status, or progress.
- Submission to, or rejection of, the conduct by the individual is used as a basis of employment or academic decisions affecting the individual.
- The conduct has the purpose or effect of having a negative impact upon the individual's work or academic performance, or of creating an intimidating, hostile or offensive work or educational environment; or Submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the college.

This section doesn't cover sexual harassment under Title IX.

Duty to Report

Except for psychologists in the College's Student Health Center, any District employee who knows of or has reason to know of sexual misconduct, dating or domestic violence, and stalking shall promptly inform a member of the Title IX Team. These employees are considered responsible employees mandated reporters under Title IX and are required to disclose all information, including the names of the parties, even where the person has requested that their name remain confidential. Supervisors are mandated to report all incidents of harassment and retaliation that come to their attention.

The Title IX Coordinator or District Administrator of Title IX and all employees designated as "Officials with Authority" under Title IX will

determine whether confidentiality is appropriate given the circumstances of each such incident as the District must then take appropriate steps to eliminate any gender discrimination/harassment/ misconduct, prevent its recurrence, and remedy its effects. The District is required by the federal Clery Act to report certain types of crimes (including certain sex offenses) in statistical reports. However, while the District will report the type of incident in the annual crime statistics report known as the Annual Security Report, Complainant names/ identities will not be revealed.

BP 3430 and AR 3425 applies to all aspects of the academic environment, including but not limited to classroom conditions, grades, academic standing, employment opportunities, scholarships, recommendations, disciplinary actions, and participation in any community college activity. In addition, this policy applies to all terms and conditions of employment, including but not limited to hiring, placement, promotion, disciplinary action, layoff, recall, transfer, leave of absence, training opportunities and compensation.

Supportive Measures

The District will offer and implement appropriate and reasonable supportive measures to the Parties upon notice of alleged sexual harassment and/or retaliation. Supportive measures are non-disciplinary, non-punitive individualized services, offered as appropriate, as reasonably available and without fee or charge to the Parties, which are intended to restore or preserve equal access to the District's education program or activity, to protect the safety of all Parties or the District's educational environment, and/or deter sexual harassment and/ or retaliation.

The Title IX Coordinator will promptly make supportive measures available to the Parties upon receiving notice or a complaint, and will coordinate the effective implementation of such measures. At the time that supportive measures are offered, the District will inform the Complainant, in writing, that they may file a formal complaint with the District either at that time or in the future, if they have not done so already.

The District will maintain the privacy of the supportive measures, provided that privacy does not impair the District's ability to provide the supportive measures. The District will act to ensure as minimal an academic/ occupational impact on the Parties as possible. The District will implement measures in a way that does not unreasonably burden the other party.

Supportive measures may include, but are not limited to:

- Counseling and referral to medical and/or other healthcare services
- Referral to the Employee Assistance Program
- Referral to community-based service providers
- Student financial aid counseling
- Altered work arrangements for employees or student-employees
- Safety planning
- Campus safety escorts
- Implementing mutual contact limitations (no contact orders) between the Parties
- Academic support, extensions of deadlines, or other course/ program-related adjustments
- Trespass orders
- Class or work schedule modifications, withdrawals, or leaves of absence
- Increased security and monitoring of certain areas of the campus
- Any other actions deemed appropriate by the Title IX Coordinator
- Violations of no contact orders will be referred to appropriate student or employee conduct processes for enforcement.

Student Sanctions

In cases involving Respondents who are students, the hearing process detailed herein shall serve as the due process hearing outlined in Section IV of Board Policy 5500. The following are the usual sanctions that may be imposed upon students or organizations singly or in combination:

- **Warning:** A verbal statement that the conduct was unacceptable and that further violation of any District policy, procedure, or directive will result in more severe sanctions/responsive actions.
- **Reprimand:** A written statement, included in the student's disciplinary file that the conduct was unacceptable and that further misconduct will result in more severe sanctions/responsive actions.
- **Required Counseling:** A mandate to meet with and engage in either District-sponsored or external counseling to better comprehend the misconduct and its effects.
- **Probation:** Authorization for the Respondent to return to classes, but with an understanding of expected appropriate future behavior and terms that may include denial of specified social privileges, exclusion from co-curricular activities, exclusion from designated areas of campus, no-contact orders, and/or other measures deemed appropriate. Any violations of the Standards of Student Conduct during this probationary period will result in further, more serious disciplinary action against the Respondent.
- **Suspension:** Termination of student status for a definite period of time not to exceed two academic years.
- **Expulsion:** Permanent termination of student status and revocation of rights to be on campus for any reason or to attend District-sponsored events.
- **Withholding Diploma:** The District may withhold a student's diploma for a specified period of time and/or deny a student participation in commencement activities if the student has an allegation pending or as a sanction if the student is found responsible for an alleged violation.
- **Revocation of Degree:** The District reserves the right to revoke a degree previously awarded from the District for serious violations committed by a student prior to graduation.
- **Student Organizational Sanctions:** Deactivation, loss of recognition, loss of some or all privileges for a specified period of time.
- **Other Actions:** In addition to or in place of the above sanctions, the District may assign any other sanctions as deemed appropriate.
- **Employee Sanctions**
- Responsive actions for an employee who is found to have engaged in Prohibited Conduct, as defined herein include:
 - Warning – Verbal or Written
 - Performance Improvement Plan
 - Enhanced supervision, observation, or review
 - Required Counseling
 - Required Training or Education
 - Demotion
 - Transfer
 - Reassignment
 - Assignment to new supervisor
 - Restriction of stipends, research, and/or professional development resources
 - Suspension with pay
 - Suspension without pay
 - Termination
 - **Other Actions:** In addition to or in place of the above sanctions/ responsive actions, the District may assign any other responsive actions as deemed appropriate.

Employee Sanctions

Responsive actions for an employee who is found to have engaged in Prohibited Conduct, as defined herein include:

- Warning – Verbal or Written
- Performance Improvement Plan
- Enhanced supervision, observation, or review

- Required Counseling
- Required Training or Education
- Demotion
- Transfer
- Reassignment
- Assignment to new supervisor
- Restriction of stipends, research, and/or professional development resources
- Suspension with pay
- Suspension without pay
- Termination
- Other Actions: In addition to or in place of the above sanctions/responsive actions, the District may assign any other responsive actions as deemed appropriate.

Definitions

The District has adopted the following definitions so as to address the unique environment of an academic community.

Affirmative Consent means an affirmative, conscious, and voluntary agreement to engage in sexual activity. It is the responsibility of each person involved in sexual activity to ensure that they have the affirmative consent of the other or others to engage in the sexual activity. Lack of protest or resistance does not mean consent, nor does silence mean consent. Affirmative consent must be ongoing throughout a sexual activity and can be revoked at any time. The existence of a dating relationship between the persons involved, or the fact of past sexual relations between them, should never by itself be assumed to be an indicator of consent. In California, a minor (meaning a person under the age of 18) cannot consent to sexual activity. It shall not be a valid response to alleged lack of affirmative consent that the Respondent believed that the Complainant consented to the sexual activity under either of the following circumstances:

- The Respondent's belief in affirmative consent arose from the intoxication or recklessness of the Complainant Respondent. Any allegation that alcohol or other drugs were involved in an incident will be reviewed.
- The Respondent did not take reasonable steps, in the circumstances known to the Respondent at the time, to ascertain whether the complainant affirmatively consented.
- It shall not be a valid response that the Respondent believed that the Complainant affirmatively consented to the sexual activity if the Respondent knew or reasonably should have known that the Complainant was unable to consent to the sexual activity under any of the following circumstances:
- The Complainant was asleep or unconscious.
- The Complainant was incapacitated due to the influence of drugs, alcohol, or medication, so that the Complainant could not understand the fact, nature, or extent of the sexual activity.
- The Complainant was unable to communicate due to a mental or physical condition.

Complainant means an individual who is alleged to be the victim of conduct that could constitute Sexual Harassment, as defined herein, whether the notice/complaint is presented by the individual or someone on the individual's behalf, such as a report by one who learned of the conduct in his or her official capacity as a faculty member or administrator.

Formal Complaint means a document submitted or signed by a Complainant or signed by the Title IX Coordinator alleging Prohibited Conduct against a Respondent and requesting that the District investigate the allegation.

Notice means that an employee, student, or third-party informs the Title IX Coordinator or other Official with Authority of the alleged occurrence of

harassing, discriminatory, and/or retaliatory conduct.

Official with Authority (OWA) means an employee of the District explicitly vested with the responsibility to implement corrective measures for sexual harassment and/or retaliation on behalf of the District.

Prohibited Conduct means any sexual misconduct, gender or sex-based discrimination or harassment, dating violence, domestic violence, stalking, and retaliation. Remedies are actions taken to address safety, prevent recurrence of Prohibited Conduct, and restore equal access to the District's educational program.

Resolution Process refers broadly to the process for addressing Formal Complaints either by informal resolution or through a Formal Grievance Process that includes investigation, live hearing, and appeal.

Respondent means an individual who has been reported to be the perpetrator of Prohibited Conduct, as defined herein.

Sanction means a consequence imposed by the District on a Respondent who is found to have engaged in Prohibited Conduct under this interim administrative regulation.

Sexual Harassment means conduct on the basis of sex that satisfies one or more of the following:

A. Quid Pro Quo Sexual Harassment: When an employee of the district conditions (implicitly or explicitly) the provision of an aid, benefit, or service of the District on an individual's participation in unwelcome sexual conduct; or B. Hostile Environment Sexual Harassment: Unwelcome conduct determined by a reasonable person standing in the shoes of the Complainant to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's education program or activity; or C. Sexual assault, dating violence, domestic violence, or stalking, as defined herein.

1. **Sexual assault** means any sexual act (forcible or non-forcible), directed against another person, without the consent of the victim, including instances where the victim is incapable of giving consent. Sexual acts include the following:

(a) Rape, which is defined as the penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the Complainant.

(b) Sodomy, which is defined as oral or anal sexual intercourse with another person, forcibly committed and/or against that person's will (non-consensually) or not forcibly or against the person's will in instances in which the Complainant is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.

(c) Sexual Assault with an Object, which is defined as the use of an object or instrument to penetrate, however slightly, the genital or anal opening of the body of another person, forcibly and/or against that person's will (non-consensually) or not forcibly or against the person's will in instances in which the Complainant is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.

(d) Fondling, which is defined as the touching of the private parts of another person for the purposes of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.

(e) Incest, which is defined as sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

(f) Statutory Rape, which is defined as sexual intercourse with a person who is under the statutory age of consent.

2. **Dating violence** means violence committed, on the basis of sex, by a person who is or has been in a social relationship of a romantic or intimate nature with the Complainant. The existence of such a relationship shall be

determined based on a consideration of the following factors: the length of the relationship, the type of relationship and the frequency of interaction between the persons involved in the relationship. For the purposes of this definition, dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse. Dating violence does not include acts covered under the definition of domestic violence.

3. Domestic violence means conduct, on the basis of sex, which includes the requisite components of felony or misdemeanor crimes of violence committed by:

- (a) a current or former spouse or intimate partner of the victim;
- (b) a person with whom the victim shares a child in common;
- (c) a person who is cohabitating with or has cohabitated with the victim as a spouse;
- (d) a person similarly situated to a spouse of the victim under California law; or
- (e) any other person against an adult or youth victim who is protected from that person's acts under California law.

4. **Stalking** means a course of conduct directed at a specific person on the basis of sex that would cause a reasonable person to fear for the person's safety or the safety of others, or to suffer substantial emotional distress. For the purposes of this definition:

- (a) A course of conduct is two or more acts, including, but not limited to, acts in which the Respondent directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person's property;
- (b) Reasonable person means a reasonable person under similar circumstances and with similar identities to the Complainant; and (c) Substantial emotional distress means significant mental suffering or anguish that may but does not necessarily require medical or other professional treatment or counseling. Student/Students means any as any individual who has accepted an offer of admission, or who is registered or enrolled for credit or noncredit bearing coursework, and who maintains an ongoing relationship with the District.

Third Party means a person other than the Complainant and the Respondent. Any individual can submit a report by using the following link: www.rscdd.edu/report.

Applicable regulations, resources, and additional information can be found at or www.rscdd.edu/titleix or www.rscdd.edu/civilrights.

Smoking and Tobacco Use in District Facilities and Vehicles

Smoking is prohibited in all campus areas including all District owned, rented or leased properties and vehicles, except in designated parking lot areas and within 20 feet of entrances, exits, and operable windows.

Smoking is defined as the use of products containing tobacco and/ or nicotine, including but not limited to smokeless tobacco, clove cigarettes, or any other smoking products, and any and all electronic or "e-cigarettes", which are unapproved nicotine delivery devices, unregulated by the FDA.

Public performances in which smoking is an integral and necessary part of the production are excluded from these regulations.

These regulations apply to employees, students, visitors and all other persons who use District owned or rented/leased facilities and vehicles. Failure to comply with these regulations may result in disciplinary action.

It is the responsibility of every District employee to comply with these regulations and report violations to District Safety.

These regulations do not supersede more restrictive policies which may be in force under State and Federal regulations. (AR-3570)

Admissions and Registration

Admission Eligibility

You may attend Santa Ana College if you meet one of the conditions below:

You are a high school graduate

OR

You are a person in possession of a California high school proficiency certificate

OR

You are 18 years of age or older who can profit from instruction OR You are a high school student who would benefit from advanced scholastic or vocational work

OR

You are an international student with a valid Visa.

Application

New students and students returning after an absence of two consecutive semesters (not including summer) must file an application on-line for admission to the college. To complete the online application, please log on to and click on the "**ENROLL**" link on the title image of the page and then click on "**APPLY NOW**" to be redirected to the OpenCCCAApply website. You need to log in or create a CCCApply account and complete your college application. Within 24 – 72 hours of submitting your application, you will receive an email with your Single Sign-On Login which will allow you to go online, change your password, and use all functions of the student portal. If you are a returning student, your Single Sign-On Login and student ID will remain the same.

Application Dates

Online application submission for the next year opens as follows:

Interession/Spring 2025: Beginning September 1, 2024

Summer/Fall 2025: Beginning September 1, 2024

Click to apply sac.edu/apply

Residency

All students are classified as a resident of the State of California or non-resident when applying for admissions.

"**Resident students**" are those who have resided within California for at least one year prior to the residence determination date and have met the residency standards stipulated in Title 5 of the California Code of Regulations. The "residence determination date" is the day immediately preceding the opening day of instruction each semester or spring interession / summer session during which the student proposes to attend.

"**Nonresident students**" are those who have not established California residence status in the state for at least one year prior to the residence determination date or those who hold certain non-immigrant visas which preclude them from establishing residence. Foreign students admitted to the United States under student visas are classified as nonresidents.

1. Persons who are under 18 years of age (minors) establish residence in accordance with above "resident" definition and the following:

a. Married minors may establish their own residence.

b. The residence of the parent with whom an unmarried minor child maintains a place of abode is the residence of the unmarried minor child. When the minor lives with neither parent, residence is that of the parent with whom the minor last resided. The minor may establish residence when both parents are deceased and a legal guardian has not been appointed.

c. The residency of unmarried minors who have a parent living cannot be changed by their own acts, appointment of legal guardians, or relinquishment of a parent's right of control (EC 68062).

2. Persons who are 18 years of age or older (adults) establish residency in accordance with EC 68017 (see above). Adult residency begins after the 18th birthday.

3. A person's residency shall not be derived simply by being married. A man or a woman establishes his or her residency independent of his or her spouse. Many of the objective manifestations may be shared, but each may have some evidence of intent that is not shared.

4. If a student holds an Employment Authorization Card or a VISA including, but not limited to, any one of the following visas: B-1/B-2, C, O-1/O-2, F- 1/F-2, H-2/H-3, J-1/J-2, M-1/M-2, O-2, P- 1/P-2/P-3/P-4, Q, TN/TO, the students must present documentation to the Admissions and Records Office for review to determine residency status. 5. **Exceptions:** The California Education Code and provisions in state law allow certain non-residents the opportunity to pay in-state tuition. Eligibility criteria are noted below. Students who believe they are eligible for an exemption based on any one of the following criteria should consult the Office of Admissions and Records when they apply:

- a. Students who are members of the armed forces of the United States who are stationed in this state on active duty, except those assigned to California for educational purposes.
- b. Spouses and dependents (natural or adopted children or stepchildren) of active members of the armed forces.
- c. Students who are eligible as covered individuals as defined in the Veterans Access, Choice and Accountability Act of 2014 (VACA Act) who are taking advantage of their Chapter 31, 33, or 35 benefits.
- d. Parents who are federal civil service employees and have moved to California as a result of a military realignment action that involves the relocation of at least 100 employees. This exemption also applies to the natural or adopted children or stepchildren of such employees.
- e. Students who are under 20 years old and served by the California Foster Care System.
- f. Students who have completed at least three years of high school in California and have graduated from a California high school. Students must fill out and submit the "AB 540 Affidavit for Exemption" for consideration.
- g. Refugee applicants (Note: A refugee may be entitled to an immediate exemption from the nonresident tuition fee is upon entry to the United States, the refugee first settled in California pursuant to the provisions of Education Code section 68075

6. This exemption is only for the length of time he or she lives in this state up to the minimum time necessary to become a resident (one year and one day).

7.. Specific residency problems and questions will be answered by the Admissions and Records Office.

AB 540

Any student, other than one with United States Citizenship and Immigration Services (USCIS) nonimmigrant visa status (see exception below for students who have been granted T or U visa status), who satisfies the four requirements (below), shall be exempt from paying nonresident tuition at the California Community Colleges, the University of California, and the California State University (all public colleges and universities in California).

Eligibility Requirements:

1. The student must have: .

- Attended a combination of California high school, adult school, and California Community College for the equivalent of three years or more.
- Or attained credits earned in California from a California high school equivalent to three or more years of full-time high school course work and attended a combination of elementary, middle and/or high schools in California for a total of three or more years.

The student must have: .

2. Graduated from a California high school or attained the equivalent prior to the start of the term (for example, passing the GED or California High School Proficiency exam).

- Or completed an associate degree from a California Community College.
- Or completed the minimum requirements at a California Community College for transfer to the California State University or the University of California.

3. The student must register as an entering student at, or current enrollment at, an accredited institution of higher education in California.

4. The student must file an affidavit with the college or university stating that if the student is a non-citizen without current or valid immigration status, the student has filed an application to legalize immigration status or will file an application as soon as the student is eligible to do so.

Additional Information:

- Students who are nonimmigrants who are victims of trafficking, domestic violence, and other serious crimes who have been granted T or U visa status, under Title 8 of the United States Code, sections 1101(a)(15)(T) or (U) are eligible for this exemption.
- Students who are nonimmigrants, other than those with T or U visa status as noted above, [for example, those who hold F (student) visas, B (visitor) visas, etc.] are not eligible for this exemption.
- A year's equivalence at a California Community College is a minimum of 24 semester units of credit or 36 quarter units of credit. For noncredit courses, a year's attendance is a minimum of 420 hours, 210 hours for a semester, and 140 hours a quarter.
- The accumulation of credit and/or non-credit in any academic year shall be calculated in reference to a year's equivalence. Partial completion in an academic year is allowed. (Example: 12 units of credit courses in an academic year is equal to a semester for purposes of determining eligibility.)
- There is no cap on the number of years of attendance in credit courses at a California Community College counted towards the attendance requirements.
- The student must file an exemption request including a signed affidavit with the college that indicates the student has met all applicable conditions described above. Student information obtained in this process is strictly confidential unless disclosure is required under law.
- Returning applicants who have previously been approved as exempt under AB 540 at Santa Ana College will automatically have a reinstated exemption status.
- Students eligible for this exemption who are transferring to another California public college or university must submit a new request (and documentation if required) to each college under consideration.
- Nonresident students meeting the criteria will be exempted from the payment of nonresident tuition, but they will not be classified as California residents. They continue to be "nonresidents".
- The California Dream Act extends Cal Grant A and B Entitlement awards, Cal Grant C awards, the California Promise Grant (formerly known as the BOG fee waiver), Chaffee grants, and institutional financial aid to students that meet these criteria as well as the applicable criteria for eligibility for specific types of financial aid.
- AB540 does not provide federal student financial aid eligibility for undocumented students. These students remain ineligible for federal financial aid.

International Student Admissions

International students are eligible for admission to the college. Eligibility requirements are listed here: Admission Information
International students may apply for admission online: International Application for Admission to College (openccapply.net), pay the application fee, and submit required documentation for admission. Admitted International students will receive a letter of acceptance and an I-20 with instructions on how to apply for the F-1 visa. Application deadlines are July 15 for the Fall semester, December 15 for the Spring semester, and April 15 for the Summer session. It is recommended to apply early enough (roughly 4 months prior to the semester start date) to allow time for visa applications to be processed. Find out more about the International Student Program online at www.sac.edu/ISP or call (714) 564-6047 for any questions regarding the admissions or visa application process.

Admission Policy of International Students on F-1 Visa Status

1. The international student must submit a complete, official academic transcript of all high school and previous college work attempted. Transcripts must be officially translated into English, bear the school seal, and be signed by the registrar or another appropriate official. Applicants are considered for admission only if their course grades are above average (C+ or higher).
2. International students must have sufficient knowledge of English to enable them to profit from instruction at the college level. Adequacy of English proficiency is determined by a satisfactory score (450+) on the Test of English as a Foreign Language (TOEFL), administered worldwide by the Educational Testing Service, Box 899, Princeton, New Jersey 05840. Santa Ana College's TOEFL DI Code is D638. Equivalent test scores or successful completion of at least one year of English-taught coursework may be considered.
3. International students must be at least 18 years of age and they must provide proof of high school completion.
4. Students on the F-1 Visa must present evidence that they have financial resources to support themselves during the period of attendance at the college. Approximate annual costs for a student enrolled in 12 units each semester are: a nonresident tuition fee of \$9,888; health insurance, \$1,842; textbooks and supplies, \$800; living expenses, \$12,000, enrollment fee \$1,128, other fees up to \$244 for a total of \$25,902. This figure does not include travel costs or summer school tuition.
5. Personal Statement (optional).
6. The colleges in the Rancho Santiago Community College District do not provide housing for their students. The International Student Program Office will provide information on housing options.
7. International students are expected to enroll in English or English as a Second Language/English for Multi-Lingual students during their first semester.

International Transcripts - Evaluation Practices

Santa Ana College may grant credit for college coursework completed outside of the United States. Students must submit their records to a Santa Ana College recognized evaluating agency, in order to obtain an equivalency/evaluation report (contact the Admissions Office or Counseling Division for listings of evaluating agencies). Once the Admissions Office at Santa Ana College receives the equivalency/evaluation report, an official evaluation will be conducted to determine course applicability. The following guidelines apply to coursework completed outside of the United States.

1. There is no transfer credit limit a student may be granted for coursework completed outside of the United States. However, Santa Ana College may only grant credit for lower division classes.
2. College credit may be granted toward Santa Ana College baccalaureate degree, associate degree and certificate programs.
3. Coursework may not be used to fulfill the following General Education Requirements: English Composition, American Institutions, Reading, and Oral Communication. Courses intended to fulfill major requirements must be submitted to the major department for approval.
4. Coursework may not be used to fulfill General Education Certification requirements for CSU-GE or IGETC (with the exception of Area 6- Languages Other Than English).
5. Santa Ana College may not determine course transferability to other colleges and universities.
6. Students who have completed coursework outside of the United States are encouraged to meet with a counselor to determine course and program applicability.

Guided Pathways

Find out more about Guided Pathways at Santa Ana College:

sac.edu/guidedpathways

Since 2017 Santa Ana College has participated in the California Guided Pathways Project. Guided Pathways focuses on implementing an integrated, institution-wide approach to student success by creating structured educational experiences that support each student from point of entry to attainment of high-quality postsecondary credentials and careers. The Guided Pathways framework creates a highly structured approach to student success that provides all students with a set of clear course taking patterns to promote better enrollment decisions and prepare students for future success. Guided Pathways is aimed at helping students reach their career and educational goals by creating highly structured, unambiguous road maps that will lead to a defined objective. As an ongoing project of self-evaluation and institutional improvement our college uses the Guided Pathways framework to improve student achievement and transfer, cut down on the total number of units while earning a degree, increase career certifications and eliminate achievement gaps.

The Guided Pathways framework rests on four pillars:

Pillar I: Clarify the Path

Provide clear curricular pathways to employment and future education. Establish transfer pathways through alignment of pathway courses and expected learning outcomes with transfer institutions to optimize the applicability of community college credits to university majors.

Pillar II: Enter the Path

Help students choose and enter their pathway by offering onboarding experiences for incoming students, such as Early Decision and SACDAYS. Provide comprehensive educational plans through the counseling department and academic support courses for transfer-level Math and English.

Pillar III: Stay on the Path

Help students stay on their path by providing academic and non-academic support throughout their programs to promote student learning and persistence.

Pillar IV:

Ensure Learning Ensure that learning is happening with intentional outcomes. Establish program-level learning outcomes aligned with the requirements for success in employment and further education in each field. Apply the results of learning outcomes assessment to improve the effectiveness of instruction across programs. Career & Academic Pathways: Santa Ana College (SAC)'s academic programs are organized into eight pathways. provide clear steps to achieve your goals at SAC.

Each path includes a curated educational plan and access to support services, making it easier to get the help you need throughout your SAC experience.

1. **Creating Our World: Art, Media & Performance**
Careers: Graphic Designer, Filmmaker, Performer
2. **Design, Make & Move: Automotive, Manufacturing & Engineering Technology**
Careers: Automotive Technician, Manufacturing Engineer
3. **Money Matters: Business & Paralegal**
Careers: Business Manager, Accountant, Paralegal
4. **Future Educators: Child Development, Teaching & Library Technology**
Careers: Early Childhood Educator, Teacher, Librarian
5. **STEM: Computers, Math & Science**
Careers: Software Developer, Biologist, Chemist
6. **People, Ideas & Culture: Humanities, Social Sciences & Languages**
Careers: Social Worker, Psychologist, Historian
7. **Helping Others: Public Health & Safety Services**
Careers: Nurse, Firefighter, Police Officer
8. **Building Bridges: Continuing Education**
English as a Second Language (ESL): Learn English for work, school, and everyday communication!
 - High School Programs: Earn your High School Diploma or GED/ HiSET Equivalency Certificate.
 - American Citizenship: Prepare for your citizenship exam and interview.

Assembly Bill AB 705: The Law and Your Rights

The Governor of California signed the bill, AB 705, on October 13, 2017 to take effect on January 1, 2018. This bill changes the way in which California Community Colleges place students into English, Math, and English for Multilingual Students courses. This is based on statistical evidence that U.S. high school coursework, high school grades and high school grade point average are better indicators of appropriate placement than the previously used standardized tests.

Under AB 705, we are also required to use multiple measures, which can include other academic experiences, work history, military training, specialized licenses, certificates, and a Guided Self Placement. Students that do not have access to U.S. High School transcripts can complete the Guided Self Placement, please visit the Assessment Center website at for additional information. Based on the passages of Assembly Bill 1705, Santa Ana College does not offer the following basic skills courses: MATH N06, N48, 082, 083 and 084. If any of these MATH courses were listed on an Educational Plan or you have other questions, please contact the Assessment Center at assessmentcenter@sac.edu or 714-564-6148 and request to speak with Counselor/Coordinator.

Placement data disaggregated by race and ethnicity is available for all students to access by visiting the qrqo.page.link/ETG9y link.

New Student Registration Orientation

Registration Orientation is done in a small group (up to 20 students) and is led by a counselor. During the first 40 minutes students will be provided with an overview of Santa Ana College, the English and Math placement process, cost, financial aid information, and the registration process. Students will also have the opportunity to briefly meet one-on-one with a counseling faculty for academic advisement and to develop a two- semester abbreviated education plan. Students will be seen using the following order:

- Students planning to enroll just for one semester.
- New students that have never attended SAC or any other Community College or University.

- Students that have taken classes at other Community Colleges or Universities. We recommend students bring a copy of their college and/or university transcripts.
- What services could I receive during the New Student Registration Orientation?
- Discuss your placement options based on your Career and Academic Pathway.
- Get help selection your Career and Academic Pathway (major) and clarify your education goals.
- Learn about the various options SAC has to assist you in paying for your classes
- Choose the best courses for you.
- Receive assistance in registering for classes.

Questions? Contact the Assessment Center at: (714) 564-6148 or visit L-223.

Assessment via College Application? Students who have graduated from a U.S. high school will receive the placement levels based upon high school performance information that is provided on the application for admission. The new college application (OpenCCC) will identify English and math courses that students can enroll in using prior high school history. Students will report cumulative, unweighted high school GPA, and courses completed.

What if English is not my first language? We offer English for Multilingual Students (EMLS) courses. If English is not your first language and you want to develop your reading, writing, grammar, and speaking skills you should:

STEP 1: Complete Guided Self-Placement online by going to the Assessment Center webpage
STEP 2: Speak with a Counselor to determine which course is the appropriate option for you based on your academic goal. You can contact the Counseling Center at 714-564-6103 or stop by the Administration Building, Room S-112.

Registration

Continuing Students A continuing student is a student who has not missed two consecutive full semesters (Spring and Fall). The student may check online via Self-Service for a registration date and time and may register any time thereafter until the day prior to the start of the course. Students are encouraged to see a counselor each semester in order to review their academic progress before completing registration.

New and Returning Students

New or returning students who complete an Admission application on-line will receive registration information by email within 1–3 business days.

Priority Registration Santa Ana College will provide priority registration for students who enroll in a community college for the purpose of degree or certificate attainment, transfer to a four-year college or university, or career advancement. These enrollment priorities were established Fall Semester, 2013. Students who have completed orientation, assessment, and developed student education plans and are eligible as a member of the armed forces or a veteran pursuant to Education Code section 66025 .8 or as a foster youth or former foster youth pursuant to Education Code section 66025 .9.

- Students who have completed orientation, assessment, and developed student education plans and are eligible and receiving services through Disabled Student Programs and Services or Extended Opportunity Programs and Services.
- Student parent/guardian of minors.
- CalWORKs students.
- Athletes who have completed orientation, assessment, and developed education plans.
- Online Degree Pathways students.

- Honors students (except CAP Students) and ASG Leaders.
- First time students participating in the Early Decision/Early Welcome programs who have completed orientation, assessment, and developed student education plans.
- Continuing students, not on academic or progress probation for two consecutive terms as defined in these policies and procedures.
- New matriculating students with educational plan.
- New non-matriculating students, Probationary students (academic and progress), & students with 100+ degree applicable units.
- Career Advance Placement (CAP) – concurrently enrolled high school students.

Late Registration Instructor signature or online add authorization is required on all adds after the start of each course through the end of the designated add period.

Schedule of Classes

The Schedule of Classes is prepared each semester and is available online. It includes general information, courses offered, hours, location, and instructor names.

Student Photo Identification Card

All Santa Ana College students are provided with a photo identification card as part of the college registration and matriculation process. The card will be required for use of the college Library, Health & Wellness Center, academic support services, and more beginning January 2017. Photo ID is located in the Student Business Office in the Johnson Student Center, JSC 202.

Full-Time – Part-Time Definition

Full-time students (Fall and Spring) = 12 or more units

Part-time students (Fall and Spring) = Less than 12 units

Full-time students (Summer) = 6 units

Part-time students (Summer) = Less than 6 units

Students receiving social security benefits or satisfying the requirements of insurance companies must be carrying 12 or more units to be eligible.

Veterans Administration eligibility uses the following definition:

Full-time = 12 or more units Three-fourth benefits = 9 through 11 units

One-half benefits = 6 through 8 units Any change in veteran status, whether it be increase, decrease, or complete withdrawal, must be brought to the attention of the Veteran's Office immediately. Housing eligibility must be more than half time status.

Classification of Students

Special Admit / DUAL Enrollment Student: one who has not graduated from high school.

Freshman: one who has completed 0-29 units.

Sophomore: one who has completed 30 or more units.

Graduate: one who has received an associate degree or higher.

Summer Session The colleges offer a four-, six- and eight-week summer program of morning and evening courses. Summer courses can remove high school or college deficiencies and advance the students toward an educational goal.

Weekend College Classes are offered on Friday evenings and Saturdays and Sundays so that students can earn units applicable to the associate degree, acquire occupational skills, earn units for transfer to four-year schools, or gain personal enrichment.

Special Admit Students (formerly known as CAP)

K-12 students wanting to take college credit courses are considered Special Admit (formerly known as CAP) students. This is a unique opportunity that is geared toward educational enrichment, not remediation.

1. Student must completely fill out the SAC Special Admit form and have all the appropriate signatures of parent/guardian and school principal/counselor.
2. Final approval rests with Santa Ana College.
3. It is recommended for students who plan to take English or Math courses to meet with a Counselor to review high school transcripts for appropriate course recommendation. For additional information and to find out about drop-in counseling services, contact the Assessment Center at (714) 564-6148.
4. The Enrollment Fee will be waived for students who are enrolled in 15 units or less for fall or spring semesters. If the student enrolls in 15.1 units or more during fall and spring semesters, the student will be charged the current enrollment fee for all units. Further, during summer sessions, Enrollment Fee will be waived for students enrolled in 9 units or less. If the student enrolls in 9.1 units or more, the student will be charged for all units enrolled. For intersession, Enrollment Fee will be waived for students enrolled in 6 units or less. If the student enrolls in 6.1 units or more, the student will be charged for all units enrolled.
5. RSCCD shall charge a tuition fee to nonresident students who hold an F1 or F2 visa. F1/F2 students are not exempt.
6. The parent or guardian signature grants permission for their son/daughter to enroll in college courses at Santa Ana College. The parent or guardian acknowledges that Santa Ana College is an adult environment and assumes responsibility for their young student's conduct while on campus. Additionally, in compliance with federal privacy law, the parent or guardian will need their student's written permission to gain access to any non-directory information.

Special Admit students will be receiving college credit for this class whether or not the units are used toward high school graduation. This means a college transcript is generated listing the class or classes and the grades earned. This establishes a permanent record with the college. Grades recorded for these classes are permanent and create a college transcript. The transcript information is confidential and is only accessible by the student. All college information is confidential and not accessible to parents or guardians.

Special Admit students are required to attend class until the end of the semester unless the student decides to drop the class online prior to the deadline identified in the schedule of classes. The drop deadline is set when 75% of the course has been completed. The student will receive a "W" when the student drops after the first two weeks of a full semester or after the first week of the summer session. Please read class section details listed in Self Service for important refund and drop deadlines. Special Admit students must attend all classes. Material covered in college courses is at a faster pace than high school classes. Expect to spend twice as much time outside of class as in class completing assignments and homework.

Santa Ana College maintains open campuses. Students function under Standards of Student Conduct (Board Policy 5201), and there is an expectation that adult behavior will be displayed by students on campus. Academic honesty is a requirement, and sanctions are identified in course overviews, which are distributed by faculty on the first day of class. Students are responsible for their own transportation and materials on campus. Special Admit students by law do not have priority registration. Under the California Code of Regulations, Title 5, Section 58108, a district

may establish a priority registration system which would accord adult students higher registration priority.

Prerequisites, Corequisites and Recommended Preparation for Courses

The colleges of the Rancho Santiago Community College District have adopted a policy on course prerequisites, corequisites, and advisories in order to provide for the establishing, reviewing, and challenging of prerequisites, corequisites on recommended preparation, and certain limitations on enrollment in a manner consistent with law and good practice. The policy, which is specified for implementation as an administrative regulation, is established pursuant to regulations contained in Article 2.5 (commencing with Section 55200) of Sub Chapter 1 of Chapter 6 of Title 5 of the California Code of Regulations. The RSCCD Board of Trustees recognizes that if these prerequisites, corequisites, and limitations are established unnecessarily or inappropriately, they constitute unjustifiable obstacles to student access and success and, therefore, the Board adopts this policy which calls for caution and careful scrutiny in establishing them. Nonetheless, the board also recognizes that it is as important to have prerequisites in place where they are a vital factor in maintaining academic standards and in assuring the health and safety of students as it is to avoid establishing prerequisites where they are not needed. For these reasons, the Board has sought to establish a policy that fosters the appropriate balance between these two concerns.

Important Definitions If a student should see the words **Prerequisite** or **Corequisite** in the catalog, it is important to understand the definitions of these terms. Note that prerequisites and corequisites can be challenged. See Prerequisite Challenge Policy, for more information.

- **Prerequisite** indicates a condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program. A prerequisite represents a set of skills or a body of knowledge that a student must possess prior to enrollment and without which the student is highly unlikely to succeed in the course or program. Students will not be permitted to enroll in such courses and programs without the appropriate prerequisite.
- **Corequisite** indicates a condition of enrollment consisting of a course that a student is required to simultaneously take in order to enroll in another course. A corequisite represents a set of skills or a body of knowledge that a student must acquire through concurrent enrollment in another course and without which the student is highly unlikely to succeed. Students must concurrently enroll in the corequisite course.

Recommended Preparation indicates that while a course is not required prior to enrollment, it is highly advised in order to strengthen the likelihood of success in subsequent courses.

Prerequisite Challenge Policy and Procedures Course Prerequisite Policy

Prerequisite means the preparation or previous course work considered necessary for success in the course. The College requires students to complete prerequisites as pre-enrollment preparation. Prerequisites which are listed in the College Catalog include:

- Courses for which specific prerequisites have been established;
- Sequential course work in a degree-applicable program, and;
- Courses in which an equivalent prerequisite exists at a four-year transfer college or university.

Questions about prerequisites are best resolved with a counselor prior to the first day of class.

Prerequisite Challenge Process

A prerequisite challenge requires written documentation, explanation of alternative course work, background or abilities which adequately prepare the student for the course. A Prerequisite Challenge Form can be obtained from the appropriate instructional office. Prerequisites may be challenged for one or more of the following reasons:

1. The college has not developed the prerequisite according to its established procedures or has not developed the prerequisite in accord with existing statutes.
2. The prerequisite is discriminatory or is being applied in a discriminatory fashion.
3. The college has not made the prerequisite course reasonably available.
4. The student has documented knowledge and abilities equivalent to those specified in the prerequisite course.

The challenge will be reviewed by a committee consisting of the dean, or designee, department chair, or designee, and one department or division representative or designee. If space is available in a course when a student files a challenge to the prerequisite or corequisite, the district shall reserve a seat for the student and resolve the challenge in a timely manner. If no space is available in the course when a challenge is filed, the challenge shall be resolved prior to the beginning or registration for the next term and, if the challenge is upheld, the student shall be permitted to enroll if space is available when the student registers for that subsequent term. NOTE: Students who are challenging a course which is a requirement for a degree or certificate may wish to use the Credit by Examination process to receive credit for the challenged course. Specific regulations and procedures relating to course prerequisites, corequisites, and advisories are on file in the office of the Vice President of Academic Affairs at Santa Ana College.

Multiple and Overlapping Enrollments (BP4226)

1. Students may only enroll in two or more sections of the same credit course during the same term if the length of the course provides that the student is not enrolled in more than one section at any given time.
2. Students may only enroll in two or more courses where the meeting times overlap under the conditions specified in Title 5, Section 55007.

Fees, Tuition, and Expenses

1. All students are required to pay enrollment fees of \$46 per unit.
2. A health fee of \$23 per semester (\$20 for summer and \$20 for intersession) is charged to all students whether or not they choose to use health services. Health Fee Exemptions (Education Code 76355): (1) Any student who depends exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization, provided that the student presents documentary evidence of an affiliation with such a bona fide religious sect, denomination, or organization. (2) Any student enrolled in an approved Apprenticeship Program. A request for an exemption may be filed at the Admissions and Records Office.
3. A parking permit is required at all times to park on campus. Day permits are available through the parking lot meters and are \$2.00 a day. Students can purchase term permits through Self-Service, Spring and Fall permits are \$30.00 and Intersession and Summer are \$10.00.
4. A College Student Life and Leadership fee of \$10.00 and a Student Representation fee of \$2.00 is payable at registration for classes. These fees are optional. Students who do not wish to pay these fees may request a refund by calling (714) 564-6965 or by visiting the Student Business Office in the Johnson Student Center, JSC 202. Refunds must be requested before your drop for non-payment date.

5. A transportation fee of \$6.75 for full time students (12+units) and \$5.75 for part time students (.5–11 units) is charged to all students whether or not they choose to use the transportation discount service (OCTA ride program).
6. Student ID cards are FREE of charge and available at the Campus Cashiers Office.

Loss of Registration Priority

The state of California has adopted Title 5 Regulation 58108 (j), establishing enrollment priorities for students attending California Community Colleges. The regulation will affect the date/time in which students are allowed to register for classes. This policy was established Fall Semester, 2013. Continuing students at Santa Ana College will lose their enrollment priority for the following reasons:

- Student has attempted 12 units and their RSCCD cumulative GPA has fallen below 2.0 for two consecutive semesters.
- Student has attempted 12 units and the percentage of all coursework at SAC/SCC has an entry of "W," "I," "NP," and "NC" which reaches or exceeds fifty percent (50%) § 55031.

IMPORTANT NOTE: Registration priority shall be lost at the first registration opportunity after a student is placed on academic or progress probation or any combination thereof for two consecutive terms.

- Student has earned 100 or more degree applicable units from Santa Ana and Santiago Canyon Colleges.
- Students who have SAC as their home campus can submit a petition for appeal to the Admissions Office at SAC for the following reasons:
 - (1) there were extenuating circumstances (verified cases of accident, illness) and can provide documentation.
 - (2) students with disabilities who applied for but did not receive accommodation in a timely manner.
 - (3) can demonstrate SIGNIFICANT academic improvement in a subsequent term.
- Students may also regain registration priority by sitting out two consecutive semesters.
- Students who have earned 100 or more degree applicable units can appeal if they have declared a high unit major and are currently working toward a degree.

Forms for these appeals can be obtained in Admissions and Records or downloaded from the college website.

Non-resident Tuition

\$412 per unit in addition to the per enrollment fee for out of state residents and for students who are a citizen of a foreign country. Refer residency questions to the Admissions Office. Visa or MasterCard, American Express and Discover are accepted for all fees. All tuition, fees, and expenses are subject to change with new state legislation.

Textbooks and Supplies

Textbooks, supplies, and athletic equipment must be purchased by the student. Special fees required for certain courses are indicated in the class schedule. Fees and tuition are subject to change by the state legislature, Community College Board of Governors, or District Board of Trustees.

Drop for Non-payment Policy:

Enrollment fees must be paid in full within 3 days of registration (including weekends and holidays) or unpaid classes may be dropped and released to other students. The day you register is counted as day 1.

In addition to the 3-day non-payment drop policy, there is a final outstanding balance drop date. **All fees must be paid in full by the Friday before the start of the semester.** No balance will be carried over into the start of the semester. **It is the student's responsibility to drop by the refund deadline to avoid any fees for late adds.**

Refund of Tuition and Enrollment Fees

Students are eligible for full refunds of fees provided they have officially

dropped from classes prior to the refund deadline or their classes have been canceled by the college. There is no refund for classes added after the refund deadline date. Please refer to section details via Self-Service for refund deadline. Students who withdraw from class(es) through the first two weeks of instruction or 10% of the class may request a 100% refund. Students withdrawing after the second week of instruction or after 10% of the class are not eligible for a refund. Refunds are based upon the date the student withdraws from the course online. No refund will be processed until assurance has been given that any check in payment for tuition has been cleared. Enrollment Fee refunds are granted in accordance with established provisions of the community college education code. Contact the Student Business Office or refer to the current class schedule for details of the refund policy and procedures. There is no refund for variable units not completed.

Withholding of Student Records

Students or former students who have been provided with written notice that they have failed to pay a proper financial obligation shall have registration privileges withheld.

Financial Aid

Financial Aid is intended to help students who might not otherwise be able to attend school. Although the primary responsibility for meeting college costs rests with the student and his or her family, it is recognized that many families have limited resources and are unable to meet the cost of a college education. Federal and State financial aid programs have been established to provide assistance for students with documented financial need.

The application process for financial aid begins with the completion of the Free Application for Federal Student Aid (FAFSA), which is available in October for the following fall semester. AB 540 Students and DACA students should complete the California Dream act instead of the FAFSA. In order to qualify for financial aid, a student must be enrolled in an eligible program of study leading to completion of an AA/AS degree, transfer requirements or a certificate program; maintain satisfactory academic progress; for most programs, have demonstrated financial need; be a U. S . citizen or eligible non-citizen; not be in default on any loan or owe a refund on any grant made under any Title IV program; have a high school diploma or GED.

For additional information stop by the Financial Aid Office at Santa Ana College, call 714-564-6242 or visit our web page at <https://www.sac.edu/StudentServices/FinancialAid>.

Withdrawals and Repayment of Financial Aid Funds

Federal aid recipients who withdraw or are dropped from all classes by the instructor are subject to regulations regarding the Return of Title IV funds. Students who withdraw or are dropped from all classes prior to completing more than 60% of the enrollment period are subject to these rules. See the Financial Aid Office for this 60% date. Based on the date of the complete withdrawal or drop, the Financial Aid Office will determine the amount, if any, of "unearned" federal financial aid received by the student. If the student received more financial aid than the amount entitled to, the student will be billed for the overpayment. To avoid repayment, financial aid recipients are cautioned to:

- Avoid total withdrawal from all classes, successfully complete at least one class during the semester,
- Repay any "unearned" financial aid as soon as possible to regain eligibility for financial aid.

Federal PELL Grant

This is a grant and does not have to be repaid. PELL is a federally funded program designed to be the foundation of financial aid for undergraduates who demonstrate need. The amount of the PELL Grant is based on the cost of attendance, the estimated family contribution (EFC), and the student's enrollment status at the time of payment. Award amounts vary based on EFC and the number of units attending.

Federal Supplemental Educational Opportunity Grant (FSEOG)

FSEOG is another federally funded nonrepayable grant that is available to undergraduate students who demonstrate financial need. Priority in awarding FSEOG funds must be given to PELL Grant recipients with an EFC of \$0. The award amount at Santa Ana College is \$400 per academic year.

Federal Work-Study (FWS)

This federally funded program provides employment opportunities to students with financial need. Students awarded FWS receive an allocation of funds earned through part-time jobs on campus. FWS is also a learning opportunity through on-the-job training.

Priority Deadline for FSEOG and FWS Programs

These programs have limited funds and are generally awarded only to those eligible students who meet the Priority Deadline, which is usually during July each year.

Direct Loan Programs Stafford Loan (Subsidized)

The federal government pays the interest on this need-based loan while the student is enrolled at least half-time (6 units) and during the six month grace period after graduation, withdrawal or enrollment below half-time status. Money is borrowed directly from the federal government. The maximum loan is \$3,500 a year for students with fewer than 30 units. Students who have completed 30 units or more are eligible to borrow up to \$4,500. Students enrolled only in preparatory coursework are eligible to borrow up to \$2,625.

Stafford Loan (Unsubsidized)

The Unsubsidized Stafford Loan is available to students who do not have demonstrated need. The total of a subsidized and unsubsidized Stafford Loan may not exceed the loan limits above. There is no interest subsidy on this loan, and interest begins to accrue when the loan is disbursed.

Chafee Grant

This grant program is available to former foster youth. Awards are \$5,000 per year. Apply using the FAFSA and the separate Chafee Grant application at chafee.csac.ca.gov.

California State Programs

California College Promise Grant (CCPG) The CCPG (Previously known as the Board of Governor's Fee Waiver or "BOGW") is a state program for California residents and AB 540 students which waives the enrollment fees for qualified students at community colleges. There are three ways to qualify for a CCPG:

1. The student demonstrates financial need according to the federal methodology based on completion of the Free Application for Federal Student Aid (FAFSA) or the California Dream Act Application.

- OR -

2. The student or his/her family is receiving CalWORKs, formerly TANF/AFDC, or SSI (Supplemental Security Income) or General Assistance/General Relief, or the student is a disabled veteran or a dependent of a deceased or disabled veteran as certified by the California Department of Veterans Affairs.

- OR -

3. The student meets specific income standards based on family size. Pursuant to Title 5, section 58621, students with two consecutive semesters (fall/spring semesters) of academic or progress probation will lose eligibility for the CCPG fee waiver. Foster youth under the age of 25 years old are exempt from this regulation. Definitions of academic and progress probation can be found of [page 60](#) of this catalog.

A student may appeal the loss of the CCPG fee waiver if the student has been unable to meet academic and progress requirements due to one or more of the following reasons:

1. Verified cases of accidents, illnesses, or other circumstances beyond the student's control.
2. Student with disabilities who applied for but did not receive accommodation in a timely manner
3. Significant academic improvement
4. Changes to the student's economic situation
5. The student was unable to obtain essential support services
6. Special consideration of factors for CalWORKs, EOPS, DSPS, and Veteran students.

Appeal forms are available in the Financial Aid and Admissions & Records offices.

Cal Grants

To qualify for a Cal Grant a student must be a U. S . citizen, a permanent resident or an eligible non-citizen who is a California resident, or be registered as an AB540 student with Admissions and Records. The student must be attending an eligible college located in California and be making satisfactory academic progress. For all Cal Grants, apply between October 1 and March 2 each year using the FAFSA or California Dream Act Application, and GPA verification form.

Cal Grant A

Cal Grant A assists low and middle income students with tuition and fee costs at four-year institutions. Eligibility is based on academic achievement and financial need. If a student qualifies for a Cal Grant A and plans to attend a public community college, the Student Aid Commission will put the tuition/ fee award on reserve until the student transfers to a four-year college, provided that the student continues to qualify financially.

Cal Grant B

Cal Grant B provides money for books and supplies, housing costs and transportation. Eligibility is based on demonstration of substantial financial need.

Cal Grant C

Cal Grant C assists vocational students with tuition and related training costs such as special clothing, tools, equipment, books and supplies, and transportation. Recipients must be enrolled in a vocational program at a community college, independent college of vocational school, in a program of study from four months to two years in length. Three-year hospital based nursing students are also eligible for this program.

Solomon Amendment for Military Recruiters

The Solomon Amendment is a federal law that allows personally identifiable student information to be released to recruiters that would have been denied them under FERPA. This law mandates that institutions receiving federal financial aid must fulfill military recruitment requests for access to campus and lists of students. If Santa Ana College fails to comply with these requests from military recruiters, the college will lose federal financial aid funding. Santa Ana College releases only directory information to military recruiters.

Open Educational Resources (OER)

Open Educational Resources (OER) refers to textbooks or online materials that are in the public domain or have a Creative Commons license. Classes listed with an OER symbol use free course materials unless noted in the course schedule comments.

Zero Textbook Cost (ZTC)

Zero Textbook Cost (ZTC) refers to courses that eliminate conventional textbook costs by using alternative instructional materials and methodologies, including freely usable Open Educational Resources. Classes listed with a ZTC symbol use free course materials.

Degrees (AA/AS/ADT), Certificates and Transfer Planning

Associate Degrees (AA/AS)

The associate degree is a certification of the student's satisfactory completion of a program of study with a specific major or area of specialization. The associate degree is normally completed in two years and may be compared with the baccalaureate degree which is normally completed in four years.

Associate degrees are commonly conferred by community colleges. They are usually of two types, the associate of arts and the associate in science. The distinction between the associate of arts and the associate in science degrees lies in the majors. If the major is in the fields of engineering, physical or biological science, or occupational curricula, the degree conferred is usually the associate in science. Otherwise the associate of arts degree is conferred.

Ordinarily associate degrees have one of two major purposes. Either the program of study prepares the individual for transfer to a four-year college or university, or the program of study is intended to prepare the student for immediate employment.

The requirements for the associate degree include the specific courses in the major and what is called a general education or breadth requirement. The specific details concerning both the major and the general education requirements are described in .

Certificates of Achievement

A Certificate of Achievement (16 or more units or state approved under 16 units) is a verification of achievement in a particular academic or occupational area, and it will be included on the official transcript. Certificate programs normally include only those courses which have a direct bearing upon specialized occupational competency since the certificate has the sole objective of immediate employment in a specialized

area. For this reason there is no general education requirement in a certificate program. Santa Ana College certificate of achievement programs are described in the catalog section on College Credit Instructional Programs. To qualify for a certificate, a candidate must meet the following requirements:

Courses:

Courses are designated for the specific certificate.

Grades: At least a C grade in each course required for the certificate, unless otherwise specified. Credit by Examination may also be used to gain credit for required courses.

Pass/No Pass: A pass/no pass course is acceptable toward the certificate if it is required for the certificate and (a) offered on a pass/ no pass basis only or (b) if the pass/no pass is earned on the basis of credit by examination.

Residency: At least 20% of the total units required for the certificate must be completed at Santa Ana College. Twelve units completed at Santa Ana College.

Petition: Petition for certificate filed by the student with the Office of Admissions and Records at Santa Ana College.

Certificates of Proficiency

A Certificate of Proficiency is under 18 units and/or is not a state approved program. A certificate is verification of completion in a particular subject matter. A certificate will NOT be included on the official transcript.

Certificate programs include only those courses which focus on vocational skills. The certificate has the sole objective of employment in a specialized area, and for this reason there are no general education requirements in a certificate program. Santa Ana College certificate programs are described in the catalog section on College Credit Instructional Programs. At least 20% of the total units required for the certificate must be completed at Santa Ana College.

Certificate and Associate Degrees Offered at SAC

For each of the Programs of Study identified below, Santa Ana College currently offers the number of degrees and certificates as noted. For further information regarding the specific type of degree or certificate, please refer to the "Instructional Programs" section of this catalog.

BS = Bachelor of Science Degree

AA = Associate of Arts Degree

AA-T = Associate of Arts for Transfer

AS = Associate of Science Degree

AS-T = Associate of Science for Transfer

CA = Certificate of Achievement

CP = Certificate of Proficiency

Online Degree Pathway Program

The Online Degree Pathway Program is a program offered through Distance Education which allows students to learn and study collaboratively in a student cohort that completes prescribed coursework in an accelerated 8-week course structure. There are currently five online degree pathways:

1. Associate in Science in Business Administration for Transfer (AS-T in Business Administration); this degree is for transfer to CSU and can be completed in 2 years
2. Associate in Arts in Communication Studies for Transfer (AA-T in Communication Studies); this degree is for transfer to CSU and can be completed in 2 years
3. Associate in Arts, in Liberal Arts Degree, 2-year completion; this degree prepares the student for transfer and can be completed in 2 years
4. Associate in Arts in Political Science for Transfer (AA-T in Psychology); this degree is for transfer to CSU and can be completed in 2 years
5. Associate in Arts in Psychology for Transfer (AA-T in Psychology); this degree is for transfer to CSU and can be completed in 2 years
6. Associate in Arts in Sociology for Transfer (AA-T in Sociology); this degree is for transfer to CSU and can be completed in 2 years Business Administration Major Preparation for CSU, 1 year completion Psychology Major Preparation for CSU, 1 year completion

For Online Degree Pathway information, please visit our [website](#) or call (714) 564-6725 or email us at DistanceEd@sac.edu

Distance Education

Distance education courses are Santa Ana College credit courses that include lectures, discussions, assignments and tests delivered via the Internet with opportunities for regular and substantive interaction between the instructor(s) and students and among students. The courses are academically equivalent to on-campus courses and support our district mission to provide quality educational programs and services that address the needs of our diverse students and communities. Distance Education courses require students to have a computer and Internet access. Students may also use computers in some on-campus facilities.

- **Online Courses:** Fully Online Instruction classes meet 100% online with no scheduled meeting days. Students Logon to Canvas at sac.edu/canvas and complete work regularly throughout the week. Canvas and other technologies will be required to complete coursework.
- **Fully Online Live:** Fully Online Live Instruction classes meet only in scheduled live streaming Zoom meetings. Students logon to Canvas at sac.edu/canvas to attend class virtually on zoom during the published course times. Canvas and other technologies will be required to complete coursework.
- **Hybrid: On-Campus** Hybrid Instruction classes combine scheduled on-campus meetings and online instruction. Students will attend class on-campus during the published course times and will logon to Canvas at sac.edu/canvas and complete work regularly throughout the week. Canvas and other technologies will be required to complete coursework.
- **Virtual Hybrid:** Virtual Hybrid Instruction classes combine scheduled live streaming Zoom meetings and online instruction. Students will attend class virtually on Zoom during the published course times and will logon to Canvas at sac.edu/canvas and complete work regularly throughout the week. Canvas and other technologies will be required to complete coursework.

- **On-Campus with Virtual:** On-Campus with Virtual Instruction classes combine scheduled on-campus and scheduled Zoom meetings. Students will attend class on-campus and will attend class virtually on zoom during the published course times and will logon to Canvas at sac.edu/canvas and other technologies will be required to complete coursework.

Associate Degree for Transfer (ADT) Requirements

In addition to traditional associate degrees (AA or AS), California Community Colleges offer Associate Degrees for Transfer (ADT) to the CSU. These may include Associate in Arts (AA-T) or Associate in Science (AS-T) degrees. These degrees are designed to provide a clear pathway to a CSU major and baccalaureate degree. California community college students who are awarded an AA-T or AS-T degree are guaranteed admission with junior standing somewhere in the CSU system and given priority admission consideration to their local CSU campus or to a program that is deemed similar to their community college major. This priority does not guarantee admission to specific majors or campuses. Students who have been awarded an AA-T or AS-T are able to complete their remaining requirements for the 120-unit baccalaureate degree within 60 semester or 90 quarter units. Santa Ana College offers numerous AA-T and AS-T degrees. Meet with a SAC counselor to find out which CSU campuses accept each degree [sac.edu/campuscolleges](#) provides additional information. Many [private California colleges and universities](#) also accept these degrees. **An AA-T or AS-T degree may not always be the best option for students intending to transfer to a particular CSU campus, or to a university or college that is not part of the CSU system.** Current and prospective community college students are encouraged to meet with a counselor to review their options for transfer and to develop an educational plan that best meets their goals and needs.

Requirements

Student completion requirements for the associate degree for transfer:

1. 60 semester or 90 quarter CSU transferable units. At least 12 of the units must be earned at Santa Ana College.
2. A minimum of 18 semester or 27 quarter units in the major or area of emphasis as determined by the community college district (see Instructional Programs portion of the catalog).
3. Obtainment of a minimum grade point average (GPA) of 2.0. (Some majors may require a higher GPA)
4. Earn a grade of C or better (C minus is not acceptable) or Pass in all courses required for the major or area of emphasis.
5. The California State University General Education-Breadth pattern (); OR the Intersegmental General Education Transfer Curriculum () pattern. Note: The ADT can be awarded to students completing the UC version of IGETC, but completion of this pattern will not satisfy CSU admission requirements.

Students pursuing an ADT in Chemistry or Biology, should complete CSU GE for STEM or IGETC for STEM as specified.

CSU GE Breadth for STEM for students earning an AS-T in Biology only

Note: Students who began attending SAC or another California Community College or California State University prior to Fall 2021 will be permitted to complete the old CSU GE Breadth for STEM if they maintain CSU continuous enrollment. Please consult a counselor for additional information.

Complete the following CSU-GE courses before transfer:

- All courses in Areas A, B, E, and F; and
- One course in Area C1 Arts and one course in Area C2 Humanities; and
- One course in Area D. Complete the following courses after transfer:
- One remaining lower-division GE course in Area C*; and
- One remaining lower-division GE course in Area D*.

*These deferred lower division courses must be replaced with calculus and/or science courses required by the major before transfer. **CSU GE Breadth for STEM completion does not qualify students for the CSU-GE Certificate of Achievement.**

IGETC for STEM for students earning an AS-T in Biology or

Chemistry only NOTE: Students who began attending SAC or another California Community College or California State University prior to Fall 2023 may have an additional option. Please see a counselor for more information.

Complete the following IGETC courses before transfer:

- All courses in Areas 1 (except 1C for UC-bound students), Area 2, Area 5, and Area 7; and
- One course in Area 3A; one course in Area 3B; and one course in Area 4 (the second course will eventually need to be from a different discipline). Complete the following courses after transfer:
- One remaining lower-division GE course in Area 3; *
- One remaining lower-division GE course in Area 4; (in a different discipline from the first Area 4 course); * and
- One course in Area 6 for UC-bound students who have not satisfied it through proficiency.*

*These deferred lower division courses must be replaced with calculus and/or science courses required by the major before transfer

IGETC for STEM completion does not qualify students for the IGETC Certificate of Achievement

Santa Ana College currently offers the following Associate in Arts and Associate in Science for Transfer Degrees:

- Administration of Justice
- Anthropology
- Art History
- Biology
- Business Administration 2.0
- Chemistry
- Communication Studies 2.0
- Computer Science
- Early Childhood Education
- Economics
- Elementary Teacher Education
- English
- Film, Television and Electronic Media
- Geography
- Geology
- History
- Hospitality Management
- Journalism
- Kinesiology
- Law, Public Policy, and Society

- Mathematics
- Music
- Nutrition and Dietetics
- Philosophy
- Physics
- Political Science
- Psychology
- Public Health Science (prior to F '24)
- Sociology
- Spanish
- Studio Arts
- Theatre Arts

See the Instructional Programs Section in this catalog for major requirements.

Course Substitutions and Reciprocity, Policy and Procedures

Students who have completed courses at another California community college, a regionally accredited institution and/or completed an external exam such as AP, CLEP, or IB may apply the coursework or exam results toward AA-T/AS-T major requirements as follows:

1. A course with a designation which is completed at another California community college will be substituted for a SAC course that meets an Associate Degree for Transfer (ADT) major requirement designated with the same C-ID number. SAC departmental approval is not required.
2. A course without a C-ID designation which is completed at a regionally accredited institution, other than a California community college, will be reviewed by SAC discipline faculty. Course-to-course substitution will be granted based on discipline faculty determination of comparability to a SAC course with the approved C-ID designation for the given ADT. Course-to-course substitution will be granted in accordance with the state-wide C-ID descriptor when the SAC course does not have an approved C-ID designation, but a statewide C-ID descriptor exists. When no such descriptor exists, course substitution will be based on discipline faculty determination of comparability to a SAC course included on the ADT.
3. Students who have completed an external examination such as AP, CLEP, and IB are granted course credit toward ADT major requirements as listed in the SAC catalog. (Students should be aware that AP credit may be awarded/counted differently by the transfer institution.)
4. A course completed at another California community college that is approved as part of an associate degree for transfer will be applied to the corresponding Santa Ana College Associate Degree for Transfer (ADT) in the corresponding SAC ADT area. Courses completed at other California community colleges must be part of the ADT at the time the student completed the course. Courses completed at other CCCs prior to ADT approval will be "grandfathered".
5. A course with a C-ID designation which is completed at another California Community College, but does not meet an Associate Degree for Transfer (ADT) major requirement at the college where completed or match a SAC C-ID number, can be applied to the ADT if the C-ID number is included in the statewide Transfer Model Curriculum (TMC) template. The course will be applied to the degree based on the location of the C-ID number on the TMC. SAC departmental approval is not required.

Associate Degree Requirements (AA/AS)

General Education Philosophy General Education requirements at Santa Ana College reflect the conviction that those who receive degrees must possess in common certain basic principles, concepts, and methodologies, both unique to and shared by various disciplines. Recognizing the need for students to embrace and adapt to increasingly and rapidly changing local, national and global conditions, the college seeks to ensure that students develop the necessary skills, knowledge, and curiosity to better themselves and their communities. The subject matter of General Education courses is designed to be general, broad and introductory rather than specialized, narrow, or advanced. General Education courses form a pattern of learning experiences designed to provide educational opportunities that lead to the following learning outcomes for students:

- The ability to comprehend and communicate ideas logically, creatively, correctly, and effectively in speaking and writing.
- Skills in creative and critical thinking, including analysis, synthesis, evaluation, problem-solving, decision-making, and quantitative reasoning.
- The skills necessary to identify informational needs; to seek, to access, to evaluate and to apply information effectively, using print materials and technology creatively, effectively and responsibly.
- An understanding of the complexities presented by the cultural, social, and environmental diversity of the world.
- Responsibility for ethical and active participation in a diverse society.
- The basic skills necessary for lifelong learning, fitness, creative expression, aesthetic appreciation, personal growth, interpersonal skills, and development of intellectual curiosity.
- Acquisition of the knowledge and skills necessary in chosen disciplines and careers.

NOTE: See [Plan A](#) for specific course requirements.

General Education Categories

A. Natural Sciences

Courses in the natural sciences examine the physical universe, its life forms, and its natural phenomena. They assist in developing an appreciation and understanding of the scientific method and encourage an understanding of the relationships between science and other human activities. This category includes introductory or integrative courses in astronomy, biology, chemistry, general physical science, geology, physics, physical geography, physical anthropology, and other scientific disciplines.

B. Social and Behavioral Sciences

Courses in the social and behavioral sciences focus on people as members of society. They assist in developing an awareness of the methods of inquiry used by the social and behavioral sciences. Critical thinking is stimulated about the ways people act and have acted in response to their societies, and appreciation is developed of how societies and social groups operate. This category includes introductory or integrative survey courses in cultural anthropology, economics, history, political science, psychology, sociology, cultural geography, and related disciplines.

C. Humanities

Courses in humanities study the cultural activities and artistic expressions of human beings. They assist in developing an awareness of the ways in which people throughout the ages and in different cultures have responded to themselves and the world around them in artistic and cultural creation, and in developing aesthetic understanding and an ability to make value judgments. This category includes introductory or integrative courses in the arts, foreign languages, literature, philosophy and religion.

D. Cultural Breadth

Courses meeting the cultural breadth requirement represent both global and national perspectives and recognize the value of systemic historical and cross-cultural examinations of race, ethnicity, gender, and global issues.

Ethnic Studies/Women's Studies

Courses meeting the Ethnic Studies/Women's Studies requirement focus on the cultural perspectives of the African American, the Asian American, the Chicano/Latino, and the Native American and women in the United States. They assist students to deal constructively with issues of difficult differences and to develop respect for and become aware of the views, interactions, and contributions of these ethnic groups and women to U.S. society and culture. This category is interdisciplinary and includes introductory courses that incorporate the voices of these historically excluded groups.

International Perspective

Courses in International Perspective include an emphasis on global perspectives in a cultural context. All courses need to address not just specific aspects of culture but also a component addressing the basic concepts of culture including how culture influences environment, behavior, structure, and function of society. These courses also include a multi-country perspective.

E. Language and Rationality

Courses in language and rationality develop the principles and applications of language toward logical thought, clear and precise expression, and critical evaluation of communication in whatever symbol system the student uses.

F. Lifelong Understanding and Self-Development

The courses in this category are designed to equip human beings for lifelong understanding and development of themselves as integrated physiological and psychological entities. In a social context, students will benefit from study about themselves and how they function at different stages of life. Instruction is intended to include consideration of such matters as human behavior, sexuality, nutrition, health, stress, key relationships of humankind to the social and physical environment, and implications of death and dying. Physical activity courses could be included, provided that they include some components of the above listed topics.

NOTE: This plan does not apply to Associate Degrees for Transfer (AA-T and AS-T).

See [requirements for Associate Degrees for Transfer \(AA-T and AS-T\)](#).

I. Unit and Residency Requirements

60 UNITS, with at least a 2.0 grade point average. At least 12 of the units must be earned at the college. At least 6 of those units must be in courses required for the major unless students are earning an Associate Degree for Transfer.

II. General Education Requirements

24 semester units of general education which include one course or more as indicated in group requirements A, B, C, D, E, and F. See [Plan A](#), page 24 for specific course requirements. Non degree applicable courses may not be used for graduation requirements.

Courses from the major may be used to satisfy areas A-F.

NOTE: The requirements in parts II, IV, and V may also be met by CSU general education certification*, IGETC certification, or by submitting a transcript showing completion of a bachelor's degree from a regionally accredited institution. The requirements in parts II, IV, and V may also be met by submitting a transcript showing completion of an Associate of Arts or Associate of Science degree from a regionally accredited California institution within a ten-year period of finishing major requirements (III) at the college.

*** If Business 130 is used to meet CSU-GE Area B4-Mathematics/ Quantitative Reasoning, then the associate degree math proficiency may not be met. Students must meet one of the math proficiency requirements in section IV below.**

III. Major Requirements

Each degree and certificate program specifies courses required for the major (a minimum of 18 units). Students must complete these courses with a grade of C or better. See Instructional Programs Section. Courses in the student's major may not be taken under the Pass/No Pass policy except for major courses for Associate Degrees for Transfer, courses for which Pass/No Pass is the only grading option, and units earned through credit by examination or assessment.

IV. Required Proficiencies

Note: The proficiencies and requirements listed in IV. Required Proficiencies and V. Oral Communication Requirement may also be used to meet General Education Requirements in groups A through F where appropriate. Courses taken to meet proficiencies must be completed with a grade of C or better.

A. Reading

The Reading Proficiency will be considered met by earning a C or better in English 101 or English 101H,

B. Mathematics

Completion of Mathematics 082, 083/084, or any other Mathematics course of 3 or more units, numbered above the level of 083/084, or Psychology 210,

OR

Recommended placement into Math 140, Math 150, Math 162, Math 180, or Math 219, and without the recommendation of taking a course that provides additional support, based on the Santa Ana College Mathematics Department multiple measures placement criteria,

OR

A score of 3 or better on the following AP exams: Statistics, Calculus AB, Calculus BC, Computer Science Principles (Note: Meets Area B4 on CSU-GE plan).

V. Oral Communication Requirement

Completion of 3 units with a grade of "C" or better from the following:

- Communication Studies 100 (Introduction to Communication Studies)
- Communication Studies 101 or 101H (Interpersonal Communication)
- Communication Studies 102 or 102H (Public Speaking)
- Communication Studies 113 (Introduction to Storytelling)
- Communication Studies 140 (Argumentation and Debate)
- Communication Studies 145 (Group Dynamics)
- Communication Studies 150 (Organizational Communication)
- Communication Studies 152 (Oral Interpretation)

Petition for Graduation and Catalog Rights

Petitions for graduation should be filed in the Office of Admissions and Records during the semester the student expects to graduate. Students who maintain continuous enrollment in at least one regular semester or session of a catalog year (fall, intersession, spring, or summer) at Santa Ana College or Santiago Canyon College may elect to meet the associate degree or certificate requirements in the SAC Catalog in effect at the time of first enrollment, or may choose the catalog requirements from any one year of subsequent continuous enrollment. **A student who has an interruption of attendance must use the catalog at the time of readmission or one of subsequent continuous enrollment.** Commencement exercises are held once a year at the end of the spring semester for those students who complete the requirements for graduation during the year or the summer session.

NOTE: Official Transcripts from all colleges attended must be on file in the Admissions and Records office.

General Education Requirements for Associate Degrees (AA/AS) PLAN A: 2024-2025

NOTE: This plan does not apply to Associate Degrees for Transfer (AA-T and AS-T). NOTE: See specific requirements for the following:

IV. A. Reading Proficiency

B. Mathematics Proficiency

V Oral Communication Requirement

Courses taken to meet these proficiencies/requirement must be completed with a grade of "C" or better.

Note: A single course may be used to meet only one category requirement (A-F) in Section II. However, a course may be used to meet both a required proficiency (IV) or requirement (V), as well as one of the categories of General Education Courses on Plan A (II). Courses which meet the requirements for Part II of Plan A at Santiago Canyon College will automatically meet the identical requirements for Part II of Plan A at Santa Ana College.

II. Required General Education Courses

A. Natural Sciences

(minimum 3 semester units)

Anthropology 101, 101L

Astronomy 109, 110, 140

Biology 109 or 109H/109L, 111, 115, 149, 177, 190, 190L, 200, 211, 239, 259, 275

Chemistry 109, 115, 119, 209, 210, 219 or 219H

Earth Science 110 or 110H, 115, 150 or 150H

Environmental Studies 140, 200, 259

Geography 101, 101L, 130

Geology 101, 101L, 140, 150 or 150H, 201

Physical Science 115, 117, 118

Physics 109, 210, 217, 279

Psychology 201 (Numbered 200 prior to Fall 2023)

B. Social and Behavioral Sciences

(Minimum 6 semester units)

1. American Institutions (minimum 3 semester units)

History 118, 120 or 120H, 121 or 121H

Political Science 101 or 101H

2. Social Science Elective

(minimum 3 units)

Anthropology 100 or 100H

E. Language and Rationality

(Minimum 6 semester units)

1. English Composition

(minimum 3 semester units) Courses fulfilling the written composition requirement include both expository and argumentative writing. The English composition requirement may be met by completing English 101 or 101H with a grade of "C" or better.

2. Communication and Analytical Thinking

(Minimum 3 semester units) Includes mathematics, logic, statistics, computer languages and programming and related disciplines.

Business 130

Communication Studies 102 or 102H, 140, 145, 150

Computer Science 100, 105

Counseling 144

Critical and Academic Reading 101, 102, 150

Mathematics 082, 083, 084, 105, 140, 140S, 145, 150, 162, 170, 180, 185, 204, 219 or 219H or 219S, 221, 280, 287

Philosophy 110 or 110H, 111

Psychology 210

F. Lifelong Understanding and Self-Development

(Minimum 3 semester units)

Note: Take one course from each group. No more than one semester unit may be counted from F2. Three semester units for Health Education and one semester unit for Kinesiology may be granted on the basis of military service.

1. Completion of one of the following:

Child Development 107

Counseling 100, 116, 124, 125, 128

Entrepreneurship 100

Fashion Design Merchandising 103

Interdisciplinary Studies 155

Information Studies 100

Kinesiology, Health Education 101 or 101H, 102, 103, 104, 108

Kinesiology, Professional 125, 160

Mathematics 030

Nutrition 115 or 115H

Philosophy 111

Psychology 140, 160, 230

Sociology 112

Study Skills 109

2. Completion of one of the following:

Dance 102, 122A, 122B, 125A, 125A, 125B, 201A, 201B, 206A, 206B, 219A, 219B

Kinesiology, Activities 107A, 107B, 107C, 123, 140A, 150A, 155A, 160A, 169A, 169B, 170A, 200A, 200B, 200C, 211A, 211B, 220A, 220B, 220C, 226A, 230A, 260A, 260B, 260C, 265A, 265B, 265C, 270A, 290A, 290B
Kinesiology, Adapted Activities 201A, 202A, 202B, 205A, 208A, 208B, 211A, 211B

Kinesiology, Aerobic Fitness 140A, 143A, 144A, 146A, 146B, 150A, 156A, 156B, 157A

Kinesiology, Aquatics 201A, 201B

Kinesiology, Fitness 112A, 112B, 112C, 114A, 114B, 115A, 115B, 115C, 147A, 147B

Kinesiology, Intercollegiate Athletics 125, 128, 133, 171, 201, 202, 204, 206, 209, 210, 211, 212, 213, 216, 217, 218, 219, 220, 221, 223, 227, 230, 231, 232, 235, 240, 261, 262, 270, 271, 281, 291, 293

Kinesiology, Professional 155, 165, 175, 195, 200, 275

This requirement (F) is met for Fire Technology (as long as Fire Technology 121 and 121L are taken as part of the program), Nursing, and Occupational Therapy Assistant by completion of the major.

California State University General Education Breadth (CSU GE) Plan B: 2024-2025

Significant changes were made to this general education (GE) pattern effective Fall 2021. Area D, Social Sciences was reduced from nine units to six units. Area F, Ethnic Studies, is a new three unit requirement. Students who began at SAC in Fall 2021 or later should follow the course pattern below. However, students who began attending SAC (or another CCC or CSU) prior to Fall 2021 will be permitted to complete the previous CSU GE pattern if they maintain CSU continuous enrollment. Please consult a SAC counselor for additional information.

NOTE: These requirements apply to all students. Students planning to graduate from one of the 23 campuses of the California State University must complete 48 semester units in general education breadth courses. A student may complete 39-40 units of general education at Santa Ana College prior to transfer. Nine semester units of general education coursework must be completed at the upper division level after transfer.

CERTIFICATION OF GENERAL EDUCATION

1. Santa Ana College is authorized to certify a maximum of 39-40 general education units.
2. CSU-GE Certification indicates that a transfer student has met CSU lower division GE requirements. Students may earn full or subject area certification.
3. Pass/No Pass grades are accepted for certification in all areas; however, they are not recommended for transfer credit in basic skill areas. (A. English language, Communication and Critical Thinking, A1, A2, and A3; and B4. Mathematics/Quantitative Reasoning.) In addition, letter grades may be recommended or required for specific courses in a given major. Each CSU campus may also limit the total number of units graded credit.
4. A single course may not meet more than one general education requirement.
5. Requests for certification should be made to the Office of Admissions and Records during the semester prior to the last term of attendance. Please consult the class schedule or the Counseling Department for deadline information.
6. Certification of coursework from other colleges will be granted to students whose last community college of attendance prior to transfer is Santa Ana.
7. Courses taken at other California Community Colleges will be applied to the subject areas in which they were listed by the institution where the course was completed.
8. Courses taken at other regionally accredited private/out of state institutions (which do not maintain a CSU certification list) will be placed in the subject areas for which Santa Ana College has equivalent courses. In some cases, non-equivalent courses may also be considered. Consult a counselor for additional information. Courses completed at foreign institutions are not acceptable for certification.

Students earning an AS-T in Biology should complete CSU-GE Breadth for STEM. See [Associate Degree for Transfer](#) for additional information.

IMPORTANT NOTE: The list of certifiable courses will be subject to change year by year, but students are assured that courses taken to meet general education-breadth requirements will be honored **if they are approved for the academic year in which they are taken.**

Courses on this list are approved beginning Fall 2024 and are valid through Summer 2025.

TRANSFER CREDIT

Students may transfer up to 70 semester units to the CSU system. Sixty transferable units are needed for junior standing. All courses used for CSU transfer credit must be numbered 100 or above in the Santa Ana College catalog.

A. English Language Communication and Critical Thinking

(Minimum 9 semester/12 quarter units) The 9 units selected from this area must include at least one course each from A1, A2, and A3. Each course must be completed with a grade of "C" or better (C - is acceptable).

A1: Oral Communication

Communication Studies 100, 101 or 101H, 102 or 102H, 103 or 103H, 140, 145, 150

A2: Written Communication English 101 or 101H

A3: Critical Thinking Communication Studies 140 Counseling 144 Critical and Academic Reading 150 English 102 or 102H (102 and 102H not accepted in A3 if completed prior to Fall 2011), 103 or 103H Philosophy 110 or 110H, 111 B.

B. Scientific Inquiry and Quantitative Reasoning

(Minimum 9 semester/12 quarter units) The 9 units selected from this area must include at least one course each from B1, B2, and B4. The 9 units must also include a corresponding lab component. (Lab classes are in **BOLD**.) Courses in B4 must be completed with a grade of "C" or better.

B1: Physical Science

Astronomy **109, 110**

Chemistry **109, 115, 119, 209, 210, 219 or 219H, 229**

Earth Science 110 or 110H, 115, 150 or 150H

Environmental Studies 140

Geography 101, 130

Kinesiology, Intercollegiate Athletics 125, 128, 133, 171, 201, 202, 204, 206, 209, 210, 211, 212, 213, 216, 217, 218, 219, 220, 221, 223, 227, 235, 240, 261, 262, 270, 271, 281, 291, 293

F Ethnic Studies (Minimum 3 semester/4 quarter units) Note: All courses below must have been completed Fall 2021 or later in order to fulfill Area F. Asian American Studies 150* Black Studies 150* Chicano Studies 150* Ethnic Studies 102 or 102H, 150* or 150H

* Numbered 101 prior to Fall 2022

Intersegmental General Education Transfer Curriculum (IGETC) Plan C: 2024-2025

Significant changes were made to this general education (GE) pattern effective Fall 2023. Area 4, Social and Behavioral Sciences, was reduced from nine units to six. Area 7, Ethnic Studies, is a new three unit requirement. Students who began at SAC in Fall 2023 or later should follow the course pattern below. However, students who began attending SAC or another California Community College or a California State University prior to Fall 2023 should consult a SAC counselor for additional information.

Completion of all the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from Santa Ana College to a campus in either the CALIFORNIA STATE UNIVERSITY or the UNIVERSITY OF CALIFORNIA system without the need, after transfer, to take additional lower-division, general education courses to satisfy campus general education requirements.

1. It is generally recommended that students complete all the listed requirements for IGETC prior to transferring. Students may obtain partial certification, however, by completing all but 1-2 courses. Consult a counselor for additional information.
2. **Complete all courses used for IGETC certification with a minimum grade of C (C minus is not acceptable.)** A "pass" is acceptable providing it is equivalent to a grade of C or higher. The catalog must reflect this policy.
3. Request certification from the last California community college attended prior to transfer to CSU or UC. Requests should be made to the Office of Admissions and Records during the semester prior to the last term of attendance. Please consult the class schedule or a counselor for deadline information.
4. Prior to requesting certification, have all official transcripts on file from every high school and college attended.
5. Courses taken at other California community colleges will be applied to the subject areas in which they are listed by the institution where the work was completed.
6. Courses taken at other regionally accredited private/out of state institutions (which do not maintain an IGETC certification list) will be placed in the subject areas for which Santa Ana College has equivalent courses. Equivalency is determined by Santa Ana College faculty. Petitions are available from the Counseling Division and must be accompanied by the appropriate documentation. In some cases non-equivalent courses may also be considered. Consult a counselor for additional information.
7. Courses completed at foreign institutions (without US regional accreditation) are not acceptable except for certification of competence in a language other than English.
8. Students earning an AS-T in Biology or Chemistry must complete IGETC for STEM. for additional information.

IMPORTANT NOTE: The list of certifiable courses will be subject to change year by year, but students are assured that courses taken to meet IGETC requirements will be honored **if they are approved for the academic year in which they are taken. Courses on this list are approved beginning Fall 2024 and are valid through Summer 2025.**

TRANSFER CREDIT Students may transfer up to 70 semester units to the UC or CSU system. Sixty transferable units are needed for junior standing. All courses used for CSU transfer credit must be numbered 100 or above in the Santa Ana College catalog. All courses used for UC transfer credit can be found on the (UC TCA). Courses must be included on the UC TCA during the academic year the course was completed.

AREA 1 - ENGLISH COMMUNICATION

C.S.U.: 3 courses required, one from each group.

U.C.: 2 courses required, one each from Group A and B.

Group A: English Composition 1 course, minimum 3 semester/4-5 quarter units. English 101** or 101H**

Group B: Critical Thinking-English Composition

1 course, 3 semester/4-5 quarter units. English 102** or 102H** (102 and 102H not accepted in 1B if completed prior to Fall 2011) English 103** or 103H** Philosophy 110** or 110H**

Group C: Oral Communication (CSU ONLY)

1 course, 3 semester/4-5 quarter units. Communication Studies 100, 102** or 102H**, 103** or 103H**, 140, 145, 150

AREA 2A - MATHEMATICAL CONCEPTS AND QUANTITATIVE

REASONING 1 course, 3 semester/4-5 quarter units. Math 105, 140**, 140S**, 145, 150**, 170**, 180**, 185, 219**, 219S**, 221**, 280, 287; Psychology 210

AREA 3 - ARTS AND HUMANITIES

3 courses, 9 semester/12-15 quarter units, with at least one course from Group A and one course from Group B.

Group A: Arts (minimum 1 course)

Art 100** or 100H**, 101, 102, 103, 104, 105, 106, 108

Dance 100** or 100H**, 101 (Fall 2022 or later completion), 102, 104, 105

Digital Media 102 (Fall 2022 or later completion), 103, 104, 107

 Physical Science 115, 117**
 Physics 109**, 210**, 211**, 217**, 227**, 237**, 279**, 289**

Group B: Biological Science (1 course)

Anthropology 101
 Biology 109** or 109H**, 111, 115, 139**, 149 (Fall 2017 or later completion), 177, 190, 211**, 212, 214, 229**, 239, 249, 259
 Environmental Studies 259
 Psychology 201 (Fall 2017 or later completion) (Numbered 200 prior to Fall 2023)

Group C: Laboratory Activity

Anthropology 101L
 Astronomy 140
 Biology 109L, 111, 115, 139**, 149 (Fall 2017 or later completion), 190L, 211**, 212, 214, 229**, 239, 249, 259 Chemistry 109**, 115, 119**, 209**, 210, 219** or 219H**, 229
 Earth Science 115**
 Environmental Studies 259
 Geography 101L
 Geology 101L, 201
 Physical Science 115, 118**
 Physics 109**, 210**, 211**, 217**, 227**, 237**, 279**, 289**
 Psychology 201

AREA 6A - LANGUAGE OTHER THAN ENGLISH (U.C. ONLY)

Satisfactory completion of two years of high school coursework in one language other than English with grades of "C" or better**. OR Completion of one of the following: American Sign Language 110, 111, 112;
 Chinese 101;
 French 101, 102, 201, 201H, 202, 202H;
 Italian 120;
 Japanese 101, 102;
 Spanish 101, 101H, 102, 102H, 201, 201H, 202, 202H;
 Vietnamese 101, 102.

OR

Satisfactory completion, with "C" grades or better, of two years of formal schooling at the sixth-grade level or higher in an institution where the language of instruction is not English; OR Satisfactory score in examinations of languages other than English as follows: 3 or higher on College Board Advanced Placement Examination, 5 or higher on International Baccalaureate Higher Level Examination; SAT II: Subject Tests (see counselor for required scores); A, B, or C on "0" Level exam; 5, 6, 7 or A, B, or C on "A" Level exam. OR Satisfactory completion of an achievement test administered by a college in language other than English equivalent to two years of high school language. If an achievement test is not available, a SAC faculty member may verify competency.

AREA 7 - ETHNIC STUDIES 1 course, 3 semester/4 quarter units Note: All courses below must have been completed Fall 2023 or later in order to fulfill Area 7.

Asian American Studies 150

Black Studies 150

Chicano Studies 150

Ethnic Studies 102 or 102H, 150 or 150H

Reduction of units in Area 4 and inclusion of Area 7 takes effect for students matriculating at a California community college in Fall 2023.

AMERICAN INSTITUTIONS REQUIREMENT (Not part of IGETC).

May be completed prior to transfer.) CSU has an American Institutions graduation requirement that is separate from IGETC. Courses used to meet the CSU requirement can usually also be used in Area 3 or 4. (This is at the discretion of each CSU campus.) To meet the CSU requirement, students should take Political Science 101** or 101H** AND one of the following courses: History 118, 120**, 120H**, 121**, 121H**, 123, 124**, 124H**, 127, 146. UC requires the completion of a college course or courses with a grade of "C" or better OR a one-year course in high school in U. S . History or a half-year course in U. S . History and a half-year course in American Government with grades of "C" or better (UCLA requires grades of "B"). UCSB requires the completion of a college course. If you are using college coursework to satisfy this requirement, check the appropriate UC catalog to determine which course(s) to take.

* Courses designated with an asterisk may be counted in one area only.
 ** Indicates that transfer or CSU or both. *** High School transcript must be on file in the admissions office. Please consult with a counselor for additional information.

Certification of General Education for transfer to the California State University (CSU) or University of California (UC)

Upon a student's request Santa Ana College will officially verify ("certify") the completion (full or partial) of lower division general education requirements for transfer to the University of California (, Plan C) or the California State University (either or IGETC, Plan B or Plan C). IGETC for STEM or CSUGE for STEM is recommended for students earning an associate degree for transfer in Biology or Chemistry. Students who transfer without certification will be required to meet the general education requirements of the specific UC or CSU campus to which they are transferring. Meeting these requirements usually necessitates taking additional courses. Students who have taken courses at other colleges can have these courses used in the certification process. Santa Ana College will certify (guarantee) courses taken at other California community colleges in the IGETC or CSU GE Breadth areas designated by the offering college. Courses taken at regionally accredited California four-year colleges or out-of-state two-year or four-year colleges will be certified for IGETC or CSU GE Breadth if they are equivalent to courses on the Santa Ana College IGETC or CSU GE Breadth list respectively. In some cases, non- equivalent courses may also be considered. Consult a SAC counselor for additional information. Courses from foreign institutions (without U. S. regional accreditation) cannot be used in either the CSU GE Breadth or IGETC certification process. Students should request IGETC certification from the last California Community College they attend prior to transfer to UC or CSU. CSU GE Breadth Certification of course work from other colleges will only be granted to students whose last community college of attendance prior to transfer is Santa Ana. A SAC must be submitted in order to receive certification on the student transcript. Additional information is available from the SAC Graduation Office.

Advanced Placement (AP) Policies

Per the following chart students at Santa Ana College may be awarded units of credit for Advanced Placement exams passed with a score of 3, 4, or 5. Although credit awarded through advanced placement may be used to satisfy Santa Ana College graduation requirements, it cannot be used to satisfy the twelve unit residency requirement. Students who have earned credit from an AP exam should not take a comparable college course since credit will not be granted for both. Students should submit official copies of Advanced Placement Examination test scores to the Admissions and Records office for evaluation. Students are strongly advised to check with a SAC counselor and/or the Admissions Office of their transfer campus to determine how the AP exam will be used to meet requirements at their transfer institution as policies may differ from SAC's.

Advanced Placement Exam	SAC Courses(s)/ Units Awarded (Can also be used On Plan A)	CSU-GE (Plan B) Certification Area/ Semester Units Awarded ¹	CSU Minimum Semester Units Granted ²	Certification Area/ Semester Units Awarded ³	UC Minimum Semester Units Granted ⁴

- All CSU campuses will accept toward fulfillment of the minimum units of the designated general education breadth area if the examination is included in full or subject area certification; individual CSU campuses may choose to accept more units than those specified towards completion of general education breadth requirements.
- This column reflects the number of units each campus systemwide will minimally grant for each exam. These units count toward eligibility for admission. (Not all of these units may apply toward certification of the corresponding GE-Breadth area. See CSU Executive Orders 1036 and 1100 for details. The units may not apply towards Associate Degrees for Transfer (AD-T) or the CSU baccalaureate degree.) Some CSU campuses may award more than the minimum units listed in this column. That information can be found in each CSU catalog.
- Each AP exam may be applied to one IGETC area as satisfying only one course requirement, with the exception of Language Other Than English. Exams may be used regardless of when the exam was taken.
- This column reflects the number of units each campus system-wide will grant for each exam. These units count toward eligibility for admission.
- AP exam may be used in either area regardless of where the SAC discipline is located.
- Latin Literature 6 units if passed prior to F '09. Latin: Vergil 3 units if passed prior to F '12.
- This examination only partially fulfills the CSU US History, Constitution, and American Ideals graduation requirement but can be used toward the requirement. (Please note that no AP exam fulfills the California State and Local Government portion, US-3.). See a counselor for more information.
- If a student passes more than one AP exam in Physics, only six units of credit may be applied to the baccalaureate, and only four units of credit may be applied to certification of CSU GE.

College Examination (CLEP) Policies

Santa Ana College will grant credit to currently enrolled students for CLEP examinations passed with a score of 50 or higher (level II languages require a higher score). Although credit awarded through CLEP may be used to satisfy Santa Ana College graduation requirements, it cannot be used to satisfy the twelve-unit residency requirement. Students who have earned credit from a CLEP exam should not take a comparable college course since credit will not be granted for both. Credit for some exams may be applied toward general education requirements for plans A and B per the following chart; however, credit may not be applied toward plan C. UC does not grant credit for CLEP examinations at this time. Use of exams for SAC prerequisite clearance and major requirements is granted according to the determination of the appropriate SAC area dean in consultation with the department. Students should see a counselor for more information and submit official copies of CLEP test scores to the SAC Admissions and Records Office. Students are strongly advised to check with a SAC counselor or their transfer campus to determine how CLEP exams will be used to meet requirements at their transfer institution as policies may differ from SAC's.

- All CSU campuses will accept the minimum units toward fulfillment of the designated general education breadth area if the examination is included in full or toward fulfillment subject area certification; individual CSU campuses may choose to accept more units than those specified towards completion of general education breadth requirements.
- This column reflects the number of units each campus system-wide will minimally grant for each exam. These units count toward eligibility for admission. Some CSU campuses may award more than the minimum units listed in this column. That information can be found in each CSU catalog.
- If a student passes more than one CLEP test in the same language other than English (e. g. , two exams in French), then only one examination may be applied to the associate degree or to the baccalaureate . For each test in a language other than English, a passing score of 50 is considered "Level I" and earns six units of credit; the higher score listed for each test is considered "Level II" and earns additional units of credit and placement in Plan A, Area C and Plan B, Area C2, as noted.
- CLEP exam may be used in either area regardless of where SAC discipline is located.
- This examination only partially fulfills the CSU US History, Constitution, and American Ideals graduation requirement but can be used toward the requirement. (Please note that no CLEP exam fulfills the California State and Local Government portion, US-3.) See a counselor for more information.
- Also fulfills Santa Ana College Math Proficiency.

International Baccalaureate (IB) Policies

Per the following chart students at Santa Ana College may be awarded units of credit for International Baccalaureate Exams passed with a score of 5 or higher, unless otherwise noted. Although credit awarded through IB may be used to satisfy Santa Ana College graduation requirements, it cannot be used to satisfy the twelve-unit residency requirement. Students who have earned credit from an IB exam should not take a comparable college course since credit will not be granted for both. Students should submit official copies of International Baccalaureate Examination test scores to the Admissions and Records office. Students are strongly advised to check with a SAC counselor and/or the Admissions Office of their transfer campus to determine how the IB exam will be used to meet requirements at their transfer institution as policies may differ from SAC.

- All CSU campuses will accept the minimum units toward fulfillment of the designated General Education-Breadth area if the examination is included in full or subject area certification; individual CSU campuses may choose to accept more units than those specified towards completion of general education breadth requirements.
- This column reflects the number of units each campus system-wide will minimally grant for each exam. These units count toward eligibility for admission. **Some CSU campuses may award more than the minimum units listed in this column.** That information can be found in each CSU catalog. The units may not apply towards Associate Degrees for Transfer (AD-T) or the baccalaureate degree. The units may not apply toward certification of the corresponding GE-Breadth area. See CSU Executive Orders 1036 and 1100 for details.
- Each IB exam may be applied to one IGETC area as satisfying only one course requirement, with the exception of Language Other Than English.
- This column reflects the minimum number of units each campus system-wide will grant for each exam. These units count toward eligibility for admission.
- IB exam may be used in either area regardless of where the SAC discipline is located.
- Score of 4 or higher required for CSU Credit.
- The IB curriculum offers language at various levels for native and non-native speakers. Language B courses are offered at the intermediate level for non-natives. Language A1 and A2 are advanced courses in literature for native and non-native speakers, respectively.
- Also fulfills Math Proficiency.
- Score of 4 or higher required.
- 2021 or later.
- Add 6A for any language except English
- May not be at all UCs

Transfer To Other Colleges

This section of the catalog is designed to help students plan an academic program for transfer to a four-year college or university. It includes information about the transfer process and requirements. Universities often make changes to their requirements. Information listed in this section was up to date at the time of publication; however, changes may have occurred after publication.

There are four segments of higher education in California. They are:

1. The University of California (UC) system with 10 campuses.
2. The California State University (CSU) system with 23 campuses.
3. Independent colleges and universities; and
4. California Community Colleges with 116 campuses.

Santa Ana College provides the freshman and sophomore years of a four-year college or university program. SAC students can complete most or all of their lower division general education and major requirements before transferring. Students who are planning to transfer should meet with a counselor in the Counseling Center or in the University Transfer Center to develop a Student Educational Plan to ensure a smooth transition to the transfer institution of their choice.

Note: Transfer students may also want to complete an associate degree or an Associate Degree for Transfer. While not always a requirement for transfer, the associate degree or Associate Degree for Transfer is generally recommended, and proper planning should enable students to satisfy both requirements for graduation from SAC and for transfer.

University Transfer Center, which is located in S-110 at Santa Ana College provides information and assistance to students who are preparing to transfer to a four-year university of their choice. UTC has designated counseling appointments and services for transfer bound students.

During the fall and spring semesters, the University Transfer Center hosts College Fairs with representatives from California and out-of-state colleges and universities who provide admissions information to potential students. University representative appointments are also available for students, as well as transfer orientations and transfer application workshops offered during priority filing periods. In addition, field trips to various university campuses are planned throughout the academic school year. For more information call 714-564-6165 or email transfer_center@sac.edu.

Transferability of Courses Students can transfer a maximum of 70 units to a UC or CSU campus. Many courses offered by Santa Ana College will transfer to meet general education and/or major requirements. However, some courses may transfer only as electives units.

All courses numbered 100 or above will transfer to CALIFORNIA STATE UNIVERSITY campuses. These are indicated in the catalog by a "CSU" at the end of the course description.

Courses which are transferable to UNIVERSITY OF CALIFORNIA campuses are indicated in the catalog by a "UC" at the end of the course description. Some of the courses that are transferable to University of California campuses have credit limitations. Check to determine these limitations. Courses must be UC transferable in the academic year they were completed in order to earn UC transferable credit. INDEPENDENT AND OUT-OF-STATE COLLEGES AND UNIVERSITIES usually accept most courses that are transferable to University of California campuses and many of the courses acceptable at California State University campuses.

Course Requirements for Transfer Students A student can transfer from Santa Ana College as a junior without loss of time or credits by completing the following: Lower Division Major Requirements Most university majors require the completion of one or more lower division courses as preparation for the upper division. Santa Ana College offers courses to meet the lower division requirements for most transfer majors.

General Education Requirements These are the courses required of everyone to obtain a degree regardless of major. Courses in writing, critical thinking, mathematics, sciences, arts and humanities, and the social sciences are included in general education. The general education options for transfer students at SAC are (Plan B) and (Plan C). Courses must be included on these patterns in the academic year they were completed in order to earn GE credit.

Electives These are courses of choice taken in addition to courses for the major and general education requirements. Honors Program Transfer Agreements Santa Ana College Honors Program students may opt to enter into honors transfer agreements with those participating four-year colleges and universities. Each agreement is specific to the four-year institutions but most offer, at least, "priority consideration for admission" to their honors program. While Santa Ana College continues to add to the honors transfer agreement list, SAC currently has agreements with:

California State Polytechnic University, Pomona Kellogg Honors College
California State University, Bakersfield Helen Louise Hawk Honors Program
California State University, Fullerton University Honors Program
California State University, Fullerton, Mihaylo Business Honors Program
California State University, San Diego Weber Honors Program
University of California, Irvine
University of California, Los Angeles
University of California, Riverside Honors Program
Amherst College
Azusa Pacific Honors College
Brandeis University
Carleton College
Chapman University
Colorado State University, Global Campus
Concordia University
Connecticut College
Gonzaga University
Illinois Institute of Technology
La Sierra University Honors Program
Loyola Marymount University
Occidental College
Pitzer College
Pomona College
Scripps at Claremont
Smith College
Trinity College (Connecticut)
Tufts University
University of Arizona
University of La Verne
University of Michigan, College LSU
University of San Diego Honors Program
University of San Diego
University of San Francisco
Wheaton College (Massachusetts)
Whittier College
Williams College

New transfer agreements are added every year. For details regarding specific agreements, students may email the program at SAC_honors@sac.edu, visit the [Humanities and Social Sciences Division Webpage](#), or refer to the honorstransfercouncil.org.

Begin A Transfer Major At Santa Ana College

In order to earn a bachelor's degree, students need to select a subject area in which to specialize. This subject area is called a major. Almost every major requires that certain courses be completed during the freshman and/or sophomore years of college. These are called lower division major requirements. Many of these can be completed at SAC prior to transferring. (The highly specific courses in the major are called upper division requirements, and these are completed after transfer.) In developing a program for transfer, first consideration in most cases should be given to completing the courses required in the transfer major or as preparation for the major. Note that these requirements may differ from major requirements for the associate degree.

Below is a partial listing of majors one might choose to begin at SAC. Visit the [Transfer](#) or [Counseling](#) Centers or make an appointment with a counselor to discuss which courses should be completed at SAC to begin preparation in the chosen transfer major. In addition, [assist.org](#) lists required courses for many UC and CSU majors. SAC also has articulation agreements with many private colleges and universities. Other resources include [UC Transfer Preparation Pathways](#), and [Associate Degrees for Transfer](#).

* These are primarily graduate programs for which undergraduate majors can vary. Students should see a counselor to determine what undergraduate major might be appropriate.

** Undergraduate majors for those planning to teach K-12 can vary widely depending upon the subject and grade level to be taught. Students should see a counselor to determine what undergraduate major might be appropriate. The above list is a sampling and does not represent all transfer majors at all colleges/universities.

California State University (CSU) Transfer

The California State University has 23 campuses located throughout the state. While each campus within the system has its own unique geographic and curricular character, all campuses offer undergraduate and graduate instruction for professional and occupational goals as well as a broad liberal education. The CSU offers more than 1,500 bachelor's and master's degrees in some 200 subject areas. Campuses are Bakersfield, Channel Islands, Chico, Dominguez Hills, East Bay, Fresno, Fullerton, Humboldt (Cal Poly), Long Beach, Los Angeles, Monterey Bay, Northridge, Pomona (Cal Poly), Sacramento, San Bernardino, San Diego, San Francisco, San Jose, San Luis Obispo (Cal Poly), San Marcos, Sonoma, Stanislaus, and California Maritime.

To obtain a bachelor's degree from the CSU system, a student must usually complete a minimum of 120 or more semester units. A maximum of 70 units of CSU transferable credit will be accepted for courses completed at a community college. Community college coursework completed above the 70 units may be used to meet general education, elective units, or major preparation requirements even if the units will not count toward the baccalaureate degree.

The key to a successful transfer is early planning to ensure that students complete courses that meet the admission, general education, and lower division major preparation requirements.

California State University – Admission Requirements For Transfer:

I. Lower Division Transfer

An applicant who completes fewer than 60 semester (90 quarter) units of college credit is considered a lower-division transfer student. Having fewer than 60 semester (90 quarter) units at the point of transfer may affect eligibility for registration priority at CSU campuses and may affect the student's financial aid status. California resident transfer applicants with fewer than 60 semester or 90 quarter units must:

- have a cumulative grade point average of 2.0 (C) or better in all transferable units attempted.
- have completed, with a grade of C- or better, a course in written communication and a course in mathematics or quantitative reasoning at a level satisfying CSU General Breadth Area A2 and B4 requirements respectively.
- be in good standing at the last institution attended; and
- meet any one of the following eligibility standards:

1. Transfer Based on Current Admission Criteria The applicant meets the freshman admission requirements in effect for the term for which the application is filed

- OR -

2. Transfer Based on High School Eligibility The applicant was eligible as a freshman at the time of high school graduation and has been in continuous attendance in an accredited college since high school graduation.

- OR -

3. Transfer Based on Making Up Missing Subjects The applicant had a qualifying GPA at the time of high school graduation, has made up any missing college preparatory subject requirements with a grade of C- or better, and has been in continuous attendance in an accredited college since high school graduation. One baccalaureate level course of at least 3 semester (4 quarter) units is usually considered equivalent to one year of high school study. Note: Due to enrollment pressures, most CSU campuses do not admit lower division transfers. Some campuses may require lower-division transfer students to complete specific college coursework as part of their admission criteria.

II Upper Division Transfer

- To qualify for admission as an upper division transfer, applicants must complete 60 or more semester (90 or more quarter) transferable units and have met the following requirements:

- The applicant must complete at least 30 semester (45 quarter) units of general education courses. You may visit for a full listing of courses at each CCC that meet CSU general education requirements.
- The applicant must complete transferable courses (CSU GE category A) with grades of C- or better in written communication, oral communication and critical thinking.
- The applicant must complete one transferable course (CSU GE category B4) with a grade of C- or better in mathematics or quantitative reasoning.
- The applicant must have achieved a cumulative grade point average of 2.0 or better in all CSU transferable college units attempted.

The applicant is expected to be in good standing at the last college or university attended (i. e . eligible to re-enroll at that college or university).

Note: Campuses and/or programs and class levels that are designated as being impacted have additional admission criteria. For example, a 2.0 GPA may not be high enough for campuses and majors in high demand. See for additional information on impacted programs.

The CSU gives priority admission consideration to California Community College (CCC) students who meet the CSU upper-division transfer admission requirements. However, the highest admission priority is given to students who have earned an Associate Degree for Transfer (ADT).

California State University General Education Requirements

To earn a bachelor's degree from the California State University, each student must complete a program of general education. Santa Ana College offers two general education programs that will enable students to meet the lower division general education requirements for all CSU campuses prior to transfer. Students can complete either the (SAC Plan B) or the (IGETC, SAC Plan C). Students can also meet the general education requirements of a specific CSU campus. A few majors, such as Nursing, Engineering, Science, and other technical majors recommend students complete very specific course-work to meet general education. Consult a counselor for additional information.

Certification of General Education for Transfer to CSU See certification of General Education on page 38. Associate Degree for Transfer: A Pathway to the CSU Degree The Student Transfer Achievement Reform Act (SB1440) established an . The AA-T or AS-T degrees are designed to provide a clear pathway to the California State University (CSU) degree major. Students who are awarded an Associate Degree for Transfer and meet the CSU minimum admission requirements are guaranteed admission with junior standing and are given priority admission consideration when applying to a program that has been deemed similar to the degree earned at SAC.

Transfer Success Pathway

The program is the CSU's comprehensive dual admission program with the California Community Colleges. The program offers guaranteed admission (if all requirements are met) to eligible students who enter into an agreement with one university of their choice. The agreement indicates the student's intention to transfer from a community college to that CSU within three years.

University of California (UC) Transfer

The has ten campuses located throughout the state. Each campus within the system has its own unique geographic and academic character. The University offers bachelor's, master's and doctoral degrees in a variety of subject areas. Campuses of the University are located in Berkeley, Davis, Irvine, Los Angeles, Merced, Riverside, San Diego, San Francisco (Schools of Medicine, Dentistry, Nursing, and Pharmacy), Santa Barbara and Santa Cruz.

To obtain a baccalaureate degree from the UC system, a student must complete a minimum of 120 semester units (180 quarter units). A maximum of 70 units of transferable credit will be accepted for courses completed at a community college.

The key to a successful transfer is early planning to ensure that students complete courses that meet the admission, general education, and lower division major preparation requirements.

University of California – Admission Requirements for Transfer:

I. Lower Division Transfer

While all UC campuses welcome a large pool of junior-level transfers, most admit only a limited number (if any) of lower division transfers. However, it can happen. Here's how:

- If a student met the minimum requirements for admission to UC when they graduated from high school, they are eligible for transfer if they have a 2.0 GPA (2 .8 for nonresidents) in UC transferable college coursework.
- If a student met the minimum required GPA in high school but did not satisfy the 15 Course Subject Requirement, the student must take transferable college courses in the missing subjects, earn a C or better in each required course and maintain an overall 2.0 GPA (2 .8 for nonresidents) in all transferable coursework to be eligible to transfer.

II. Upper Division Transfer

The majority of transfer students come to the University at the junior level from California Community Colleges. To be eligible for admission as a junior transfer student, a student must fulfill the following criteria:

1. Complete 60 semester (90 quarter) units of UC transferable college credit with a GPA of at least 2.4 (2.8 for nonresidents). No more than 14 semester (21 quarter) units may be taken Pass/Not Pass.
2. Be in good academic standing (2.0 GPA or better) at the last institution of attendance and at any previous UC campus where the student was enrolled in a regular term.
3. Complete the following seven course pattern, earning a grade of C or better (or Pass) in each course:
 - Two UC transferable college courses (3 semester or 4–5 quarter units each) in English composition.
 - One UC transferable college course (3 semester or 4–5 quarter units) in mathematical concepts and quantitative reasoning.
 - Four UC transferable college courses (3 semester or 4-5 quarter units each) chosen from at least two of the following subject areas: arts and humanities, social and behavioral sciences, and physical and biological sciences.

If a student satisfies the Intersegmental General Education Transfer Curriculum (IGETC) prior to transferring, the student may meet the seven-course pattern. Meeting these requirements does not guarantee admission to the campus or major of your choice. Often, admission to UC campuses or programs is extremely competitive and requires students to satisfy more demanding standards.

University of California General Education Requirements

To earn a bachelor's degree from the University of California, each student must complete a program of general education. To meet the general education requirements of the University, students can complete either the [Intersegmental General Education Transfer Curriculum](#) (Plan C) or individual campus general education requirements. Santa Ana College generally recommends that students follow the IGETC rather than the individual campus requirements as this will provide more flexibility when applying to transfer. **However, IGETC should generally not be used for the following:** The colleges of Engineering, Chemistry, and the Haas School of Business at **UCB**; any student preparing for a selective major should prioritize required major preparation and selection of criteria at **UCD**; the School of Engineering at **UCLA**; the School of Engineering (strongly discouraged) and the School of Natural Sciences (not recommended), students are encouraged to instead focus on major preparation at **UCM**; the College of Natural and Agricultural Sciences, the College of Engineering may require additional coursework after enrollment, at **UCR**; Revelle College may require coursework after enrollment at

UCSD; students in the College of Engineering are encouraged to focus on major preparation rather than GE but may use IGETC at **UCSB**; Majors in the physical or biological sciences or any major in the School of Engineering at **UCSC**.

NOTE: Students who began at a UC campus and who intend to transfer back to the same campus cannot use IGETC. UC campuses do allow students who began at another UC campus to use IGETC. Consult a counselor for additional information. Students who intend to transfer into majors that require extensive preparation, such as engineering or the biological, physical and natural sciences, should first concentrate on completing the prerequisites for the major.

Associate Degree for Transfer and the University of California

If you're working toward an AA-T or AS-T (also known as an ADT), you should choose courses that align with the requirements at the UC campuses you're interested in. Treat the ADT as your early roadmap to UC. You can use [assist.org](#) or [UC Transfer Pathways](#) to guide you in choosing the right courses. Although earning an ADT does not guarantee admission to UC, some campuses consider it in the comprehensive review process.

Transfer Admission Guarantee (TAG)

Six UC campuses offer [guaranteed admission](#) in particular majors to California Community College students who meet specific requirements, which may include completion of certain major preparatory courses and attaining a minimum GPA for the chosen major. Visit the [SAC Transfer Center](#) for more information.

UC Transfer Pathways identify a single set of lower-division pre-major preparation courses for common majors.

The **UC Transfer Pathways guide** provides a listing of California Community Colleges courses that meet the course expectations for each of the pathways. It is very important to use this guide in conjunction with ASSIST [assist.org](#) for the most up-to-date information.

Pathways+ combines the most attractive aspects of both TAG and Transfer Pathways: the security of an admissions guarantee to one of six TAG campuses, plus strong major preparation for any campus offering the Pathways major.

UC Transfer Admission Planner

The [UC Transfer Admissions Planner](#) is an on-line tool to help prospective California Community College transfer students track and plan their coursework.

UC Dual Admission

The [UC Dual Admission pilot program](#) is a transfer pathway for select California students. Each spring, UC will invite select freshman applicants to the program. Upon completion of program requirements, students will be guaranteed admission to their selected campus or major from their California Community College.

University of California (UC) Transfer Course Agreement

This agreement lists 2024-2025 approved Santa Ana College courses transferable for unit credit at all UC campuses and explains UC credit provisions. These courses are also indicated in the SAC catalog course listings by a "UC" at the end of the course description. Additional courses for 2024–2025 may be approved after this catalog publication date. Please see a SAC counselor for more information. Courses must be UC transferable in the academic year they were completed in order to earn UC transferable credit. UC transferable course lists for additional years can be found at assist.org

Independent and Out-Of-State College and University Transfer

In addition to state-supported colleges and universities in California, there are many independent institutions in the state. There are also many colleges, both private and public, located throughout the United States to which Santa Ana College students can transfer. Each of these institutions has its own unique requirements for admission. In order to determine eligibility, students should consult with the college of their choice along with a Santa Ana College counselor. The is part of the sector's commitment to serve all types of California students. Transfer pathways include campus articulation agreements, and the Associate Degree for Transfer (ADT) program** Financial aid may be a primary factor in making it possible for a student to attend an independent college or university. There are many forms of financial assistance available, such as federal, state, institutional, and private aid. Students should apply for scholarships, grants, loans, and work-study awards from all possible sources. The and the may be submitted in October for the following academic year. Further details and assistance are available in the Financial Aid Office.

California's private, non-profit, WASC-accredited colleges and universities include:

- American Film Institute Conservatory
- American Jewish University
- Antioch University Los Angeles
- ArtCenter College of Design
- Azusa Pacific University**
- Biola University**
- California Baptist University**
- California College of the Arts
- California Institute for Human Science
- California Institute of the Arts
- California Institute of Integral Studies**
- California Institute of Technology
- California Lutheran University**
- Chapman University
- Charles R. Drew University of Medicine and Science
- The Chicago School**
- Claremont Lincoln University
- Claremont McKenna College

**ADT Participating Institution

Associate Degrees for Transfer and Independent California Colleges and Universities. Students can receive transfer benefits with this degree at **. General Education Requirements for Independent And Out- Of-State Colleges And Universities Santa Ana College has articulated general education requirements with a number of independent institutions such as Chapman University, Loma Linda University, the University of Southern California, and Pepperdine University. In addition, some independent and out-of-state colleges and universities will accept full IGETC and/or CSU-GE breadth certification in lieu of their own lower division general education requirements. Students transferring to independent or out-of-state institutions should meet with a counselor to review courses in order to determine appropriate general education requirements.

Historically Black Colleges And Universities (HBCUs)

California community college transfer students with a GPA of 2.0 or higher (certain partner HBCUs will require a higher GPA) are guaranteed admission to using either of the following two options: (1) complete a minimum of 30 UC or CSU transferable units (2) complete an Associate Degree for Transfer (ADT). ADTs may provide to HBCU bachelors degree programs. Most HBCUs accept the on-line Common Black College Application. Fee waivers may be available. Additional program benefits for students under the agreement include priority consideration for housing, consideration for transfer scholarships for students with a 3.2 or higher GPA, and pre-admission advising.

Student Resources

Academic Computing Center

The Santa Ana College Academic Computing Center (ACC) is located at Santa Ana College in room A-106. The ACC serves students currently registered at the college who are doing college related projects. These projects can be completed by accessing an ample variety of application software. The software packages run on IBM compatible computers or Macintosh computers.

Asian Pacific Student Program and Center

The Asian Pacific Student Program (APSP) and Center empowers Asian, Pacific Islander, and Desi American (APIDA) students by fostering connections to their cultural roots and communities. We offer immersive cultural and educational experiences to help students thrive academically, personally, and as community advocates. Our programs encompass academic counseling, wellness support, financial guidance, career readiness, and enriching cultural events.

Visit our APSP Center, located in VL-107, for a welcoming space where you can connect with cultural resources, find community, and participate in events that celebrate the richness of APIDA cultures. Whether you're seeking academic support, personal growth, or a sense of belonging, APSP is here to support your journey at Santa Ana College. No applications or appointments necessary—drop by to relax in our lounge and join a welcoming community where you belong.

Location: VL-107

Email: apsp@sac.edu

Phone: (714) 564-6369

Webpage: www.sac.edu/apsp

Assessment Center

The Assessment Center is located on the second floor of the Santa Ana College library, room 223. We provide the following services:

- English, Reading, English for Multilingual Students, and Math Placement Recommendations using multiple measures
- Registration Orientations
- Proctor make-up testing for all SAC classes
- Test accommodation services for students with disabilities
- Facilitate career assessments (i. e . Super Strong & MBTI)
- Placement for Chemistry

For more information about our services, you can call 714-564-6148 or go to our webpage .

CalWORKs

The California Work Opportunity and Responsibility to Kids (CalWORKs) program is funded by the state to work with students who are approved by County Social Services to complete an educational program that helps them transition from public assistance to employment and economic self-sufficiency. SAC's CalWORKs program offers the following types of assistance to eligible students: help with application and matriculation steps; academic, career and personal counseling; individualized student educational plans; priority registration; verification of monthly activity reports to Social Services; educational supplies; work-study placement (when available); workshops and networking activities; and referrals to other campus resources and opportunities. For more info, visit: sac.edu/CalWORKs, drop by Johnson Student Center JSC 212, or call 714-564-6232.

Campus Store

The Campus Store at Santa Ana College provides a complete selection of books, supplies, and specialty items.

Career Center

The Career Center provides a variety of services and workshops to assist students in navigating The Career & Academic Pathways including Career Development, Employment Services, Service Learning Internships, and Counseling appointments for students in Career Education disciplines and

Undecided Majors. Classes and individual students utilize the Center's resources. For more information, visit or L-222 (Library Building 2nd Floor) or contact email: CareerCTECenter@sac.edu or (714) 564-6254.

Career Education and Workforce Development High School Articulation - CTE Transitions

High school articulation is a process by which high school CTE courses are deemed equivalent to college CTE courses through a formal agreement. College credit can be awarded to students through Credit by Exam if they successfully complete an articulated course with a letter grade of A or B both semesters and are enrolled at SAC or SCC during the same semester they are petitioning for credit. High school articulation prevents students from needing to repeat coursework in college and facilitates a smooth transition between high school/college/work. Students wanting to claim credit for articulated course(s) need to visit our website at: sac.edu/hsarticulation for a full list of active articulation agreements and forms needed to process their course credit. All forms should be emailed to the Student Services Coordinator for Articulation and Dual Enrollment at villalpando_rosa@sac.edu. Our office can also be reached by phone at (714) 564-6936.

College Advancement/Foundation

The Santa Ana College Foundation is a 501(c) 3 non-profit organization serves a diverse college community and was created to expand and develop resources for Santa Ana College students and programs. The Foundation Board of Directors represents a broad-based group of community volunteers, corporate partners, and alumni. The Santa Ana College Foundation leads and supports fundraising activities, campaigns, and initiatives that ensure educational opportunities are possible for all students. It assists in direct philanthropy on multiple fronts. This includes large-scale campaigns, scholarships, local and national grants, program support, which includes our Associate Groups. To this end, the college foundation solicits the support of the community and donors by receiving tax-deductible donations of cash gifts, bequests, trusts, endowments, corporate grants, life insurance benefits, and personal or real property. If you are interested in more information about the Foundation and how to participate in supporting our many programs, please contact the Foundation Office directly by calling 714-564-6091 or visit our website at sac.edu/foundation.

Community Education Program

Community Education Program offers a full spectrum of low cost, fee-based educational opportunities that include professional growth, personal enrichment, and recreational activities. A variety of classes and seminars are available including animal care, arts and crafts, business and careers, computers, home and garden, language, dance, health and fitness, money matters, personal enrichment, and real estate. Also available are "College For Kids" programs, special interest classes, online classes, and travel tours. For additional information call the Community Education Program at 714-564-6594 or visit us at sac.edu/cms.

Counseling Services

The Counseling Center at Santa Ana College offers academic advising and personal counseling, education plan development, career planning, orientation services, and counseling courses that support students' personal and academic development in the achievement of their educational goals. Counseling services are provided at SAC through a variety of specialized academic support programs, housed both within and outside of the Counseling Division. Please refer to the Student Services page of our website for a complete listing of SAC student support programs at sac.edu/StudentServices.

Centers and Programs Within the Counseling Division Students who are interested in transferring to a university, looking for specific career paths such as education, science and engineering, or certificates in career education can access counseling through specific programs in these areas.

For more information, visit our Counseling page at sac.edu/Counseling.

Orientations and Workshops Counseling can be accessed through a variety of service modalities. New student and career specific orientations are available to help students learn college procedures and requirements and gain information on career and transfer pathways. In an effort to support student success, workshops are offered in educational planning, how to transfer to a university, and strategies for students who are experiencing academic challenges. Counseling courses are an additional way to access services.

Santa Ana College Counseling Center Counselors are available to meet with students during drop-in times, both in person and via our on-line drop-in counseling service at to answer brief questions. Individual appointments for in-depth career, academic or personal counseling are also available. The Counseling Center can be reached at 714-564-6103.

Child Development Centers

Rancho Santiago Community College District maintains six child development centers to serve students' needs for childcare and/or train students seeking a career in Human Development. Students' children between the ages of 6 months and five years are eligible to attend the educational environment provided. Fees are based on a sliding scale according to the parents' income. Students eligible for the CalWORKs program can receive child care services both on and off campus. Contact individual centers for hours of operation and information.

Centennial Center

(2. to 5 years old) 2900 W. Edinger, Santa Ana, 714-564-5090

Santa Ana College Infant/Toddler/Preschool Center

(6 months to 5 years old) 1720 W. 17th St., Santa Ana, 714-564-6894

Santa Ana College Child Development -Center East Campus

(2.9 to 5 years old) 1510 N. Parton St., Santa Ana, 714-564-6952

Digital Dons and Student Help Desk

Digital Dons is a program designed to meet student's technology needs and achieve more equitable course completion. Through this program, eligible students may borrow a laptop. Through this program students will receive technical assistance through our Digital Dons and the Student Help Desk are located in the Academic Computing Center (ACC) A-106 For more information, please contact 714-564-6039 or visit <https://www.sac.edu/StudentServices/studentaffairs/digital-dons/Pages/default.aspx>

Disabled Students Program & Services (DSPS)

The Disabled Students Program & Services (DSPS) team facilitates access to educational courses and programs, while also nurturing independence, self-advocacy, and inclusion for students with verified disabilities. DSPS is also committed to collaboratively supporting staff and faculty in fostering inclusive learning environments for students at Santa Ana College and School of Continuing Education.

DSPS serves as a partner for students to ensure opportunities to participate in, and benefit from, college programs, services, and activities. Whether students are experiencing impacts of physical, mental, or other disabilities, DSPS works to individualize supports for each student. Based upon students' experiences, DSPS supports may include disability and academic counseling, reasonable accommodations, and advocacy for eligible students with disabilities.

Recognizing students experience learning challenges, but disability documentation may not be available, the DSPS team encourages reaching out to discuss potential options for support. Student experiences matter, DSPS can be a partner on the academic journey.

For more information about our services, or to schedule an appointment, students may visit the DSPS office on the SAC campus in Johnson Student Center, JSC-108, call (714) 564-6295, video phone (657) 235-2999, email DSPS@sac.edu, or visit our webpage at www.sac.edu/dsps.

English Language Academy

The English Language Academy (ELA) is not in operation for the 2024-2025 academic year at the college.

Extended Opportunity Programs and Services (EOPS)

The Extended Opportunity Programs and Services program is funded by the state to work with eligible students whose educational and socioeconomic backgrounds might limit their access to higher education or hinder their ability to be academically successful in their college-level studies. Eligible students are provided "over and above" services to help ensure their timely academic progress and completion, including assistance with application and matriculation steps; academic, career and personal counseling; individualized student educational plans; priority registration, book services; help with financial aid, scholarship and transfer applications; program-dedicated tutors and resource center; referrals to other campus resources and opportunities; and as budget permits, school supplies and subsidized program fees. An ancillary program called CARE offers additional support and benefits to EOPS-eligible students who are single parents with at least one child under age 18. For more info, visit sac.edu/EOPS, drop by Johnson Student Center J212, or call 714-564-6232.

Fainburg Chase Thrive Center

At the Fainburg Chase Thrive Center, our mission is to provide holistic resources that alleviate challenges related to basic needs, advocating for this cause to create a just and inclusive environment where every student not only just survive, but THRIVE. Our programming is designed to address every element of basic needs insecurity on campus, which includes the following:

- Thrive Center Food Pantry
- CalFresh Application Assistance
- Housing Navigation
- Basic Needs Emergency Fund
- Hygiene Support
- Diaper Program... and more!

Location: VL-206/208 Email: Phone: (714) 564-6458 Webpage:

Gender Neutral Restrooms

Unisex/Gender Neutral Restrooms locations:

Health and Wellness Center

The Health and Wellness Center supports student success by recognizing that total wellness is essential to academic success. The Center strives to provide optimum physical and mental health services to the college community in a confidential environment with sensitivity to individual needs. Quality clinical services, innovative health, wellness promotion activities, and outside referrals to low-cost providers in the area are provided in a caring, confidential, cost-effective, and convenient manner.

Eligibility Full-time and part-time students currently enrolled in SAC credit classes are eligible for services.

Cost Students pay a health fee every term to have access to the Health and Wellness Center; therefore, most services are provided at no cost to the student. A nominal fee may be charged for certain laboratory tests, prescriptive medications, and some medical procedures.

Services Physical health and wellness services are provided by registered nurses and a physician and Mental Health and Wellness Services are provided by licensed psychologists and therapists in the center by appointment or on a walk-in basis during service hours for the following:

- Blood pressure checks
- Crisis services are available on a walk in basis
- Diagnosis and treatment of acute short-term illnesses
- Family planning: information, pap tests, birth control, condoms, and pregnancy tests
- First aid

- Free health literature
- Laboratory testing
- Personal counseling
- Referrals to physicians and other health agencies
- Screening and treatment for sexually transmitted infections
- T.B. risk assessment or skin test
- Vaccinations

Treatment of a Minor Any student under the age of 18 is required to have a parental consent form signed prior to receiving treatment, except in emergencies or cases exempted by state law. The student's parent must sign permission for treatment at time of service.

Accident Insurance Accident insurance is included in the student health fee and provides on-campus accident coverage while attending college or college sponsored activities. It is recommended that each student carry voluntary insurance coverage for off-campus emergencies and illnesses. For additional information visit: , Johnson Center, J-110, call 714-564-6216.

High School and Community Outreach

The High School and Community Outreach department serves as an integral part of the campus and community. Outreach staff provide detailed information regarding the quality programs that are offered to prospective students. Parents, students, and community agencies are connected to campus life via the efforts of Outreach personnel. Special arrangements can be made for campus tours, presentations, and special meetings to discuss interests about college life and academic departments. For more information, call 714-564-6141 at Santa Ana College.

Honors Societies

Phi Theta Kappa

Phi Theta Kappa is an international honors society that recognizes academic excellence and achievement of students enrolled in two-year colleges. The society offers a myriad of opportunities for scholarship, intellectual enrichment, personal development, and academic recognition. The Alpha Beta Chapter of Phi Theta Kappa was organized at Santa Ana College in 1929. Membership in Phi Theta Kappa is extended each semester by the local chapter to students who have completed a minimum of 12 degree units with a minimum grade point average of 3.5. Members receive special recognition when they graduate.

Alpha Gamma Sigma

Alpha Gamma Sigma is the statewide California Community College Honor Society. Santa Ana College has one of the oldest chapters in the state, organized in 1922. This is the Omicron chapter. To be eligible for initial membership a student must attain a 3.0 GPA in 12 or more units of work in the semester prior to membership or be a high school graduate with 3.5 GPA. A student who has earned 25 service points and has completed 60 or more units with an overall GPA of 3.5 or better and active membership of one semester or a GPA of 3.25 and more than one semester of membership may become a permanent member of Alpha Gamma Sigma upon application and verification of eligibility by the chapter advisor. Permanent members are announced each year in May at the Honors Awards Program, and AGS members receive special recognition at commencement.

Alpha Beta Gamma

Alpha Beta Gamma is the National Business and Professional Curriculum Honor Society for accredited two-year colleges. The Iota Lambda chapter at Santa Ana College is chartering in 2022; students must have a 3.0 cumulative GPA in at least 12 units and be pursuing a major in one of the Business or Professional areas. Members receive special recognition at commencement.

Delta Psi Omega

Delta Psi Omega is the National Theatre Honor Society open to students active in the SAC Theatre Programs with a minimum GPA of 3.0 and 12 units of theatre classwork. Members receive special recognition at commencement.

Lambda Epsilon Chi

Lambda Epsilon Chi (LEX) is a national academic honor society for paralegal students. Sponsored by the American Association for Paralegal Education (AAPE), the society offers students national scholarship opportunities, participation in regional, state and local conferences, and networking opportunities with other legal professionals. Candidates for membership in Lambda Epsilon Chi must be in good academic standing at SAC and have completed at least two-thirds of their paralegal coursework. Candidates also must have a cumulative GPA of 3.5 or higher in their paralegal coursework.

Psi Beta

Psi Beta is the National Honor Society for Psychology at Community and Junior Colleges. Santa Ana College has held a Psi Beta chapter since 2001. To be eligible for initial membership a student must 1) attain a 3.25 GPA in 12 or more units of work in the semester prior to membership and 2) have completed at least one psychology course with a B or better. Members are eligible for national scholarships and academic competitions. Members are inducted every year and receive special recognition at the commencement ceremony.

Sigma Chi Eta

Sigma Chi Eta is the National Honor Society for Communication Studies, and Santa Ana College hosts the Alpha Tau chapter. Students must have an overall GPA of 3.0 with a 3.25 GPA in at least 9 units of Communication Studies courses. Students receive special recognition at the commencement ceremony.

Sigma Kappa Delta

Sigma Kappa Delta is the National Honor Society for English at Community and Junior Colleges. Santa Ana College chartered the Iota Zeta chapter in 2017. To be eligible, a student must 1) attain a 3.0 or higher cumulative GPA in 12 or more units of college coursework, 2) have completed at least one non-developmental English course with a grade of B or better, and 3) have no grades below a B in English courses. Members are eligible for national scholarships and academic competitions. Members are inducted every year and receive special recognition at the commencement ceremony.

Honors Transfer Program and Honors Courses

The Honors Transfer Program at Santa Ana College welcomes students who want to challenge themselves and offers honors sections of transferable general education courses, combined "stacked" classes, and contracts. The honors experience is characterized by close interaction with Honors Transfer Program faculty, small class size, and special projects and activities. The major benefits for members of the program include:

- Honors transfer agreements with several four-year institutions that offer minimally "priority consideration for admission to honors programs," and in some instances guaranteed admission with additional GPA requirements. These Honors Transfer Program institutions include, among others: California State University Fullerton, Chapman University, Gonzaga University, La Sierra University, Occidental College, Pitzer College, Pomona College, Tufts University, UCI, UCLA, and Whittier College. Changes are noted on the website.
- Recognition of program completion on the Santa Ana College transcript and diploma.
- Designation as a President's Scholar (for those students who qualify).
- Recommendation by the Coordinator of the Honors Program.
- Library privileges at some of the transfer institutions.

- Scholarship eligibility
- Access to a counselor specializing in honors transfer requirements.

NOTE: No association/affiliation with outside honor societies will be posted to the academic transcript or diploma.

Any student wishing to become a member of the Honors Transfer Program must submit a completed application packet (available online at the SAC website or in the Honors Program Coordinator's office in D-428 at Santa Ana College). The following are considered minimum for acceptance into the program:

- Minimum cumulative GPA of 3.0 (in 6 transferable units for students already in college) or a minimum cumulative high school GPA of 3.0 for entering first term college students.
- Home school designation of Santa Ana College.
- Two academic references to be listed on the application.
- The philosophy of honors studies at Santa Ana College is that honors courses are not more work than non-honors courses. Instead, honors courses are enriched and creative. Students may take honors courses without being in the Honors Transfer Program, as long as they meet the following guidelines:
 - Students have a minimum cumulative 3.0 GPA, and
 - Students meet the prerequisites of the honors course as stated in the schedule of classes.

All honors courses taught at either college within the Rancho Santiago Community College District are to be taken for a letter grade only, not P/NP.

NOTE: To earn program completion, no more than six units of honors coursework from a college other than Santa Ana College will be considered. That includes Santiago Canyon College honors coursework. For the purposes of articulation, course repeatability, and academic renewal, honors courses are equated with their non-honors counterparts. For example, English 101 and English 101H are equated courses, so if students received a passing grade of "C" or better, they cannot take English 101H just to get "H" credit. Likewise, if students received a non-passing grade in English 101H, they could take English 101 and, if a passing grade is earned in that course, petition to have the English 101H non-satisfactory grade replaced through academic renewal with course repetition.

Honors Transfer Program members who are enrolled in the HTP and who have gone through an Honors Orientation may also earn up to twelve units within no more than three contracts through honors project contracts. Students may do more than three contracts, but only three will count toward completion of the Honors Program's requirements. Contracts will earn honors credit only when both the work for the contract and the regular coursework in the UC- transferable course tied to the contract have been completed and have earned an average grade of "B" or better. Contracts require the approval of the instructor of record for the course, the area division dean, and the HTP Coordinator. Contracts may only be completed at SAC though SCC honors courses may help fulfill the SAC Honors Program students' completion requirements. Contract forms are available on the website and by request through email. For more information, contact the Honors Transfer Program Coordinator at Santa Ana College, Christina Axtell at 714-564-6265, or email sac_honorstransferprogram@sac.edu

Instructional Locations

The district's major instructional locations are at Santa Ana College, Santiago Canyon College, Orange Center, and the Centennial Education Center. In addition to these major instructional sites, the district offers classes at over 100 convenient off-campus locations in the community.

Intercollegiate Athletics

Santa Ana College offers a winning tradition with an established national reputation, outstanding teaching and coaching, and an excellent system of assistance in transferring students to four-year colleges and universities with athletic scholarships. The college offers a full range of intercollegiate athletic competition in the sports of football, basketball, baseball, cross country, track, swimming, water polo, volleyball, sand volleyball, soccer, softball, and wrestling. All prospective student-athletes with questions about eligibility for intercollegiate athletics are encouraged to contact the Kinesiology, Health and Athletics Division at 714-564-6900.

Lactation Room

Per AB2785 the lactation room is available for students and employees. To reserve a time to use the lactation room go to JSC-110 or call 714- 564-6216 and reserve with the office staff.

Learning Center

The Learning Center is located in Dunlap Hall (room D-307) at Santa Ana College. The Center offers a wide selection of resources providing students with skills and strategies to promote their academic success. Services include supplemental learning assistance (DOTAs), tutoring in many different subjects, conversation circles, and workshops. Academic support is free for all Santa Ana and Centennial Education Center students. Tutors are available for a variety of subjects including English, writing, English for the Multilingual Student (EMLS), reading, foreign languages, communication studies, biology, chemistry, physics, math, social sciences and Career and Technical Education. The Center also provides a TEAS Prep and remediation program for pre-nursing students. The Learning Center is staffed with instructors, trained tutors, and learning assistants. For further information, please call 714-564-6542.

Library Services

The Nealley Library of Santa Ana College, one of two libraries in the District, is centrally located on the first floor of the L building. The library supplies the resources, services and facilities that support student learning and the mission of the College. The Library's collection is composed of books, ebooks, audiobooks, periodical subscriptions, close-captioned videos and DVDs, CDs, microforms and a variety of periodical databases providing students and staff with 24/7 remote access to over 20,000 full-text periodicals and 24,000 e-books. To borrow library materials students and staff must show a picture ID. The Library's Reserve collection of more than 2,700 items provides students with library-use access to many textbooks and other course-related material. Distance students may also request a PDF scan of one chapter, per textbooks each semester. Students and staff may use either of the two District libraries and may request inter-campus delivery of circulating books. The Internet is available to all patrons at all public access workstations. Currently enrolled students can conduct library research using library wireless laptops or their own laptops using Wi-Fi access. Library instruction is available for students. Visit the Library Workshops guide for details: Check the library website: , or call 714-564-6700 for general library information, or 714-564-6708 for research assistance.

Math Center

The Math Center is a resource center that provides individual and group assistance in mathematics. The Math Center also facilitates Directed Learning Activities. Faculty instructors, instructional assistants, and student tutors are available to assist students with challenging topics, answer questions, encourage understanding, and provide support for all math students. Students also have access to textbooks, graphing calculators, instructional videos, and computer programs. It is located in the Library building, room L-204. For further information, please call 714-564-6678 or go to sac.edu/MathCenter .

MESA

MESA (Math, Engineering, Science Achievement) is an academic program designed to support educationally and economically disadvantaged students preparing to transfer into STEM (science, technology, engineering, and math) majors at the university. Services include tutoring, advising, dedicated study center and support, academic success workshops, industry and university exposure, assistance with choosing and applying to universities, scholarships, internships, and research experiences. Travel to professional and leadership conferences and other opportunities as budget permits.

Public Affairs

Information and publicity regarding Santa Ana College programs and activities are disseminated to the news media and community through the SAC Office of Public Affairs/Governmental Relations, located on the second floor of the "S" Building.

Puente

Puente is a learning communities program providing transfer support to educationally disadvantaged students. The learning communities model links English and Counseling instruction (English 101-Composition & English 103-Critical Thinking) for one academic year. Academic counseling, a variety of out of class activities, and mentoring is embedded to assist and prepare students for a successful transfer.

SAC Promise

Santa Ana College (SAC) Promise is an initiative of the Santa Ana Partnership and has expanded to serve all first-time freshmen. The goal of the program is to support students who would like to attain a certificate, AA degree and/or transfer to a four-year university by providing free tuition for your first two years. Additionally, SAUSD graduates receive guaranteed admission to CSU Fullerton. Students have access to the SAC Promise Center which is located in S-107. For more information call (714) 564-6067 or email sacpromise.edu.

Scholarships

Scholarships are a critical component to student success. Many alum, community patrons and organizations establish scholarship awards as a means of expressing confidence in Santa Ana College and its students. Santa Ana College scholarships are awarded to deserving students who represent and demonstrate great academic merit, achievement, leadership skills, and financial need. Open to incoming freshmen, continuing, and transferring students enrolled in a minimum of 6 units or more each semester (Fall 2022 & Spring 2023) at SAC with a minimum GPA of 2.0. In the 2023-2024 academic year, the SAC Scholarship Program will award \$764,330 in scholarship awards, due to the support of our generous donors. Scholarship opportunities are also available to students enrolled in the SAC Fire Academy, Fire Prevention Officer Program, along with students who have 9 units or less left towards certificate completion. The Scholarship Program offers a series of workshops to provide students with an overview of the online application process, guidelines on writing a personal statement, and requesting letters of recommendation. Applications and a schedule of workshops available here: For more information, contact the scholarship office at (714) 564-6478 or scholarship@sac.edu, or visit the office located in Building "S", Room 201.

School of Continuing Education

The School of Continuing Education helps students reach their professional and academic goals. Our academic programs include:

- Adult Basic Education
- Adult Secondary Education
- Career Education
- Citizenship Preparation
- English as a Second Language
- Older Adults Program
- Parent Education Program

All classes are non-credit and 100% tuition-free to adults living in California. Classes are offered online or in-person at locations in and around Santa Ana, California. Counseling and educational planning are free to students.

To learn more and register, visit our website:

sac.edu/go - English

sac.edu/vamos - Spanish

sac.edu/goviet - Vietnamese

Student Activities

Student Activities are planned with sufficient variety and frequency to provide an opportunity for all students to participate. For additional information, please call 714-564-6208.

TRiO Student Support Services Program

TRiO-SSSP is a federally-funded program that provides supplementary academic services to eligible low income and/or first generation college students. The program services are highly personalized and is limited to 175 students. Services include: academic, career and personal advising; priority registration; help with financial aid, scholarship and transfer applications; program dedicated tutors to assist with Math/ English; computer/resource study center; referrals to other campus resources and opportunities; and as budget permits, school supplies and a competitive grant. Applications are available year-round as space permits. The goal of TRiO-SSSP is to increase the college retention and graduation rates of its participants and help students make the transition from one level of higher education to the next.

For more info, visit sac.edu/sssp, drop by the second floor of the Johnson Student Center, or call 714-564-6843.

U2 (Umoja/Ujima) Scholars Program and Umoja Village

The Umoja Village serves as a center for Black cultures, resources, and a home away from home, providing a vibrant, culturally supportive, and inclusive environment where Black students can thrive, and allies can connect. Our support program, U2 Scholars, provides educational resources and services to foster personal, professional, and academic success. No applications or appointments — just drop by VL-108 to relax and recharge or use one of our open services, including study/lounge space, computers, and academic counseling. Want additional benefits? Join our program! For more information, contact 714-564-6215 or visit www.sac.edu/StudentServices/U2Scholars.

Undocu-Scholars Program and Center

The Undocu-Scholars Center is a space open to Undocumented students, Mix-Status students, and Allies seeking academic, social, and emotional support and resources contributing to increased retention, graduation rates, personal growth, collective healing, and a sense of community with those impacted by the U.S. immigration system.

The Undocu-Scholars Program prioritizes services and resources to currently enrolled Santa Ana College students who are Undocumented or Mix-Status students. Our goal is to support students impacted directly or indirectly by the U.S. Immigration System to graduate and transfer to a four-year university. For more information, contact 714-564-6282 or undocuscholars@sac.edu

Student Life at Santa Ana College

Campus Information

The Student Handbook is an official student guide which provides a reference on how to take full advantage of the College and its services and also answers questions students may have about Student Life. Handbooks are available online at [under the Student Life page](#).

el Don

The campus' award-winning multimedia news outlet, prepared by journalism students, is distributed to various locations on and off the campus.

Associated Student Government (ASG)

ASG encourages all qualified students to serve in a variety of elected and appointed student government positions and provides student representation for the entire district. Interested students should contact their representatives in the student government office for more information at 714-564-6208.

Student Life

The Associated Student Government (ASG), Inter-Club Council (ICC), and Student Life Offices sponsor various educational and social programs, campus activities, and services to encourage student leadership and create a vibrant student life environment on campus. ASG plans multicultural events, health awareness events, holiday and themed events, panel discussions, and services for the community. The Inter-Club Council sponsors special events designed for club involvement. The Student Life Office, in addition to coordinating events, provides information regarding student government, clubs, organizations, and the student lounge "The Spot." For more information, call us at 714-564-6214.

Clubs, Organizations, and Inter-Club Council (ICC)

Numerous student interest groups are active throughout the year. Representatives from each club participate in the Inter-Club Council (ICC), a coordinating body functioning to promote participation in Student Life. For additional information, you can call 714-564-6217.

LGBTQIA+ Liaison

Lance Lockwood (lockwood_lance@sac.edu), professor of Communication Studies, is the designated LGBTQIA+ liaison for students and staff. Lance will provide support, explain the process, and assist with reporting incidents of bullying, harassment, or intimidation based on a person's real or perceived sexual orientation or gender identity.

Student Placement

The Student Placement Office assists currently enrolled students in obtaining student assistant/work study employment on-campus and at approved community locations. Students are encouraged to take advantage of this excellent opportunity to gain work skills while attending Santa Ana College. For more information visit the office located in JSC-203, call 714-564-6201, or email jobplacement@sac.edu.

Center for Teacher Education

The Center for Teacher Education (CFTE) is a resource center for students interested in pursuing careers in education including teachers, librarians, counselors, and other school personnel, as well as students in the Future Educators Career & Academic Pathway. CFTE offers information, specialized counseling and academic advisement, and support services such as transfer assistance and career preparation, a textbook loan program, field trips and university campus visits, conferences and workshops, and opportunities to network with other future educators. Contact us to learn more about our activities and services, get your questions answered about becoming an educator, or make a counseling appointment to develop an education plan.

U-Link

University Link (ULink) is a transfer success program where first-year students participate in a learning community focused on establishing academic and social support networks at Santa Ana College.

ULink students benefit from dedicated counselors for educational planning, college tours, and will be guided throughout the transfer process. This program is open to all students who are interested in transferring to any 4-year university and meet program eligibility.

University Transfer Center

The University Transfer Center (UTC), which is located in S-110 at Santa Ana College, provides information and assistance to students who are preparing to transfer to a four-year university of their choice. UTC has designated counseling appointments and services for transfer bound students. During the fall and spring semesters, the University Transfer Center hosts College Fairs with representatives from California and out-of-state colleges and universities who provide admissions information to potential students. University representative appointments are also available for students as well as an up-to-date resource library and other information about transfer programs. The University Transfer Center also hosts transfer application workshops which are offered during priority filing periods. In addition, field trips to various university campuses are offered throughout the academic school year. For more information call 714-564-6165 or email transfer_center@sac.edu.

Veterans Resource Center

The Veterans Resource Center is dedicated to supporting veterans and military connected students as they transition from military service to college and civilian life. The VRC services include the following: Assistance with accessing VA Education Benefits, specialized orientations and workshops, college preparation and retention through Department of Education TRiO grants, through the Southern California Veterans Upward Bound program (SoCalVUB), and Veteran Student Support Services (VSSS), academic counseling, a dedicated space to study and use computers, mentorship opportunities, dedicated campus tours, and referrals to on and off campus veterans programs and resources, VA work-study opportunities, and opportunities to meet and socialize with other veterans at the college. For additional information or assistance, call the VRC at 714-564-6050, visit the website at www.sac.edu/vrc, or come to our office at SAC in the west side of the Planetarium building, M-120.

Veteran Education Benefits Veterans and eligible persons who wish to utilize their education benefits must notify the VRC prior to the beginning of each semester by completing a Certification Request Form after having completely registered in courses required for their program. Courses must apply towards the approved degree or certificate offered at Santa Ana College. Other documentation such as Educational Plans, DD-214s, and Certificates of Eligibility will be needed for new students. Satisfactory academic progress must be maintained by all VA applicants. All those collecting VA educational benefits are required to immediately report any changes of classes, both adds and drops, to the VRC as this may cause overpayments. Veterans and eligible dependents/spouse who are on academic probation [below 2.0 grade point average (GPA)], or progress probation [percentage of coursework at SAC/SCC that has an entry of "W", "I", "NP", and "NC" reaches or exceeds 50% of course work attempted], must show a continued improvement in GPA or course completion with each semester after the deficiency. A student who is on academic probation shall have VA educational benefits certification suspended after showing two semesters without satisfactory progress towards graduation requirement of 2.0 GPA. In such instances, a student will not be certified for a third semester and must petition for recertification. The student must show a counselor-approved program indicating what course of action must be completed to maintain satisfactory progress towards graduation or completion requirements.

Types of Benefits That Can Be Utilized

Veterans who qualify to receive benefits under the Montgomery Bill-Active Duty (Chapter 30), Montgomery Bill-Selected Active Reserve (Chapter 1606), and eligible persons under the Survivors' and Dependents' Educational Assistance Program (Chapter 35) are encouraged to take advantage of their educational entitlement. Veterans with aggregate active duty after 9/10/01 may be eligible for the Post 9/11 Bill (Chapter 33). This program includes a basic allowance for housing (BAH), book stipend, and tuition/fees which are all based on the percentage of eligibility. Dependents of Service members who died in the line of duty after September 10, 2001 could also use Chapter 33 benefits under the Marine Gunnery Sergeant John David Fry Scholarship. Veterans with a service-connected disability may be eligible for Veterans Readiness & Employment (Chapter 31). This program provides eligible veterans with a monthly allowance or BAH as well as payment for tuition, most fees, and necessary books and supplies. War orphans, dependents, and survivors of veterans considered 100% disabled as the result of a service-connected disability, who died from those conditions, or who died while on active duty, may be eligible for benefits. Applicants should seek information regarding eligibility and payments from the VA Regional Office in OK -1-888-442-4551. The VRC Staff can assist with the paperwork needed to initiate the certification of the courses for the eligible student.

Applying for Benefits Each veteran and eligible person who wishes to enter Santa Ana College must follow the admissions procedures. See index for details on enrolling. Assistance is available in the VRC for those applying for the VA education benefits for the first time. For detailed information on the application process, please visit the GI Bill® website at www.gibill.gov. Please call or visit the VRC for details on the paperwork needed to initiate the certification process of the education benefits. Information can also be found on the VRC website: www.sac.edu/vrc.

Veterans Priority Registration Veterans eligible for Priority Registration under the California Education Code 66025.8 will need to fill out the form in the VRC to determine eligibility. Course protection Guarantee under the Veterans Benefits & Transition Act of 2018.

Transcripts and Program Approval VA regulations require that prior credit from other educational institutions attended be evaluated and applied in the students' approved program. Therefore, evaluation of all prior credit must be done at the end of the first semester of attendance. If the required transcripts are not on file, the VRC will not be able to certify payment beyond the first semester. To avoid any delay in payments, the VRC requests that all official transcripts be on file with the Admissions Office at the beginning of the first semester of attendance. Veterans and eligible persons must have each course approved prior to registering for each semester. The VA requires that the VRC monitor progress towards a specific degree plan or approved certificate. Therefore, for payment purposes, students must select a major and take only those courses on the student educational plan specifically required for that major. Academic Counselors are available to provide comprehensive counseling services within the VRC. If the students have attended previous schools, official transcripts must be on file before a college program can be approved by the counselor.

Course Protection Guarantee under the Veterans Benefits & Transition Act of 2018 Effective August 1st, 2019, Santa Ana College will allow Veterans under Chapter 33, Chapter 31 and dependents under Chapter 33 TOE & Fry Scholarship upon meeting matriculation requirements to register in their courses without being dropped until the VA pays for their mandatory Tuition and Fees. In order to receive this benefit, the student MUST request to use their benefits by filling out the Certification Request Form and provide a copy of their Certificate of Eligibility or approval for for Chapter 31 Vocational Rehabilitation students. These forms are available at the VRC in M-120. It will be the student's responsibility to pay the school any

remaining balance should the student register in courses that is not in their approved plan, or if the student is not in the 100% level of entitled GI Bill® benefits.

Military Service Credit Three units for health education and one unit for exercise science may be granted on the basis of military service when a DD-214 is submitted to Admissions and Records. A copy of the student's DD-214 will be forwarded to Admissions for proper credit if it is given directly to the VRC. The credit granted can be used in area F under Plan A. Under Plan B, three units of credit are granted in area E. Military credit is not accepted under Plan C.

Joint Service Transcripts Joint Service Transcripts are currently being accepted and evaluated in Admissions and Records. They may be applied towards electives or actual course equivalency. Official Academic Transcripts are required to be submitted during the first term the student attends the college.

College Policies and Standards

Absence/Non-Participation/Drop

It is the student's responsibility to withdraw officially from a course via Self-Service. A student may be dropped by the instructor when not appearing at the first class meeting or not participating in the first course activity designated to account for active enrollment. A student may be dropped for non-participation if he/she has missed in excess of 10% of the total course activities including but not limited to class attendance, discussions, assessments, etc. Under extenuating circumstances, a student may be reinstated by the instructor. Note: Only those drops completed prior to the refund deadline are eligible for refund consideration.

Attendance

Students are expected to attend all sessions of the classes in which they are enrolled. Students should report absences due to illness to the instructor immediately upon returning to class. Rancho Santiago Community College District coursework and all transfer work will be computed in the Honor designated GPA.

Auditing

Santa Ana College does not permit auditing of classes. Only students who are officially enrolled in a course may attend class.

Study Load

In order to meet the graduation requirements in four semesters, students should carry an average of 15 units each semester. Students will ordinarily not be allowed to register for more than 18 units. When individual circumstances may require additional unit demand, an overload program in excess of 18 units may be approved for students who have maintained a B average or have satisfactory test scores on SCAT, SAT, ACT, or other similar measures that predict success, including the counselor's assessment of the difficulty of the program. Approval for such overloads may be secured from college counselors or the Dean of Counseling. A summer session load should not exceed the equivalent of one unit per week or approximately nine units for an 8-week session. If over 9 units for summer or over 6 units for intersession, an overload petition is required.

Academic Honesty Policy Information

Introduction Students at Santa Ana College are expected to be honest and forthright in their academic endeavors. To falsify the results of one's research, to steal the words or ideas of another, or to cheat on an examination corrupts the essential process by which knowledge is advanced.

Academic dishonesty is seen as an intentional act of fraud in which a student seeks to claim credit for the work or efforts of another without authorization or uses unauthorized materials or fabricated information in any academic exercise. As institutions, we also consider academic dishonesty to include forgery of academic documents, intentionally impeding or damaging the academic work of others, assisting other students in acts of dishonesty, or coercing students into acts of dishonesty. Procedures In cases where a violation of academic honesty is discovered, the faculty member is encouraged to notify their appropriate supervisor and file a Maxient Incident Report. There are two categories of sanctions: Limited and College-wide. Limited sanctions include an academic action such as assigning a lower grade or a grade of "F" for the assignment, project, or test. College-wide sanctions include any sanction that will affect a student's standing with the college-at-large, up to and including suspension or expulsion from the College. The primary responsibility for academic action rests with the instructor and the academic division where the violation allegedly occurred. The Director of Student Accountability will assist in all College-wide sanctions.

Academic Honors

Academic Honors at Graduation Academic honors are awarded to students who do outstanding coursework leading to graduation from Santa Ana College. No association/affiliation with outside honor societies will be posted to the academic transcript or diploma. Graduation honors are awarded as follows:

President's Scholar The President's Scholar designation is placed on the transcript and diploma of the graduate who has achieved an overall grade point average (GPA) of 3.5 while completing the SAC Honors Transfer Program requirements. In addition, the President's Scholar graduate must have completed at least 30 units of coursework within the Rancho Santiago Community College District colleges. Fifteen units or more must be honors; no more than 6 of those 15 honors units may come from schools other than SAC. All letter grades must be C or better. Rancho Santiago Community College District coursework and all transfer work will be computed in the Honor designated GPA.

With Highest Honors The highest honors designation is placed on the transcript and diploma of the graduate who has achieved an overall grade point average (GPA) of 4.0. The highest honors graduate must have completed at least 30 units of coursework within the Rancho Santiago Community College District colleges of which 18 units or more must be letter grades. All letter grades must be A. Rancho Santiago Community College District coursework and all transfer work will be computed in the Honor designated GPA.

With High Honors The high honors designation is placed on the transcript and diploma of the graduate who has achieved an overall grade point average (GPA) of 3.8. The high honors graduate must have completed at least 30 units of coursework within the Rancho Santiago Community College District colleges of which 18 units or more must be letter grades of A, B, or C.

With Honors The honors designation is placed on the transcript and diploma of the graduate who has achieved an overall grade point average (GPA) of 3.5. The honors graduate must have completed at least 30 units of coursework within the Rancho Santiago Community College District colleges of which 18 units or more must be letter grades of A, B, or C. Rancho Santiago Community College District coursework and all transfer work will be computed in the Honor designated GPA.

Departmental Honors Honors are awarded to students who do outstanding work in their departments. Eligibility is determined by inclusion in the honors categories listed above. Selection is made by departmental faculty with the division dean's approval.

Completion of Honors Transfer Program Completion of Honors Transfer Program designation is placed on the transcript of the graduate who has achieved an overall grade point average (GPA) of 3.0 while completing the SAC Honors Transfer Program requirements. In addition, the Completion of Honors Transfer Program graduate must have completed at least 30 units of coursework within the Rancho Santiago Community College District colleges; 15 units or more of those 30 units must be honors courses, with no more than 6 units from schools other than SAC.

Semester Academic Honors An honors list is issued each semester from the President's Office. Students are eligible by completing twelve or more units with a grade point average of 3.5 or better. Pass/no pass units are not considered in the twelve-unit requirement. Overall GPA must also be a 3.5 or better.

Academic Renewal

In as much as past performance does not always reflect accurately a student's actual ability, Santa Ana College has established a policy of academic renewal. Students may petition to have their academic record reviewed for academic renewal of substandard academic performance.

1. To be eligible, the student must have completed at least 15 units with a 3.0 GPA or 24 units with a 2.0 GPA or higher in sessions subsequent to the substandard work being petitioned. All lower division units from all colleges attended will be counted from the semester immediately following the substandard work.
2. The substandard academic renewal work will not count toward graduation or certification, and the permanent academic record shall be annotated in such a manner that all work remains legible. Up to 30 units combined of below "C" work from the Colleges may be disregarded in the computation of the grade point average. The student may choose the 30 units of substandard grades to disregard.
3. After an associate degree, or general education certification is posted, academic renewal without course repetition is not accepted.
4. Academic Renewal Without Course Repetition is solely the policy of the Rancho Santiago Community College District and may not necessarily be followed by other institutions.
5. Academic Renewal Without Course Repetition may be granted multiple times by Santa Ana College and/or Santiago Canyon College but is limited to a total of 30 units.
6. As a result of AB705, a student may seek grade alleviation without course repetition when the substandard work occurred in an English or Mathematics course that is part of a remedial (pre-transfer level) sequence OR in an ACE or EMLS course that is part of the sequence leading to transfer-level English (CSU GE area A2 or IGETC GE area 1A) once the student has successfully passed the transfer-level course, regardless of the student's overall academic record since the semester in which the "D", "F" or "NP" was earned.
 - A student seeking alleviation under this scenario will be eligible for alleviation subject to these limitations: If a student received a grade of "C" or better or "P" in a transfer-level English course (CSU GE area A2 or IGETC GE area 1A APPROVED course), the highest grade earned shall be used when computing the student's cumulative grade point average. Grades earned in courses in a remedial English sequence pre-requisite to a transfer-level course may only be alleviated once the student earns a satisfactory grade ("C" or better or "P") in the transfer-level course. Neither the student's academic record since earning the "D", "F" or "NP" grade nor the time elapsed since earning the "D", "F" or "NP" is relevant to this scenario. The units alleviated in this scenario shall not be counted as part of the maximum 30 units of substandard work allowed under the first provision of AR 4240.
 - A student seeking alleviation under this scenario will be eligible for alleviation subject to these limitations: If a student received a grade of "C" or better or "P" in a transfer-level Mathematics or Quantitative Reasoning course (CSU GE Area B4 or IGETC GE 2A approved course), the highest grade earned shall be used when computing the student's cumulative grade point average. Grades earned in courses in a remedial Math sequence pre-requisite to a transfer-level Mathematic or Quantitative Reasoning course may only be alleviated once the student earns a satisfactory grade ("C" or better or "P") in the transfer-level course. Neither the student's academic record since earning the "D", "F" or "NP" grade nor the time elapsed since earning the "D", "F" or "NP" is relevant to this scenario. The units alleviated in this scenario shall not be counted as part of the maximum 30 units of substandard work allowed under the first provision of AR 4240.
 - A student seeking alleviation under this scenario will be eligible for

alleviation subject to these limitations: If a student received a grade of "C" or better or "P" in a transfer-level English course (CSU GE area A2 or IGETC GE area 1A APPROVED course), the highest grade earned shall be used when computing the student's cumulative grade point average. Grades earned in the ACE or EMLS sequence pre-requisite to the transfer-level English course (CSU GE area A2 or IGETC GE area 1A APPROVED course) may only be alleviated once the student earns a satisfactory grade ("C" or better or "P") in the transfer-level course. Neither the student's academic record since earning the "D", "F" or "NP" grade nor the time elapsed since earning the "D", "F" or "NP" is relevant to this scenario. The units alleviated in this scenario shall not be counted as part of the maximum 30 units of substandard work allowed under the first provision of AR 4240.

When Academic Renewal Without Course Repetition occurs under this section, the student's permanent academic record shall be annotated in such a manner that all work remains legible, ensuring a true and complete academic history. This petition is submitted to Admissions and Records. Campus Regulations

7. The Rancho Santiago Community College District supports liberal policies regarding free speech for individual students, college staff, nonofficial college groups, and visiting speakers.
8. Publicity for off-campus activities and organizations must be stamped by the Student Life office located in the Johnson Student Center, JSC-102.
9. Posting flyers to promote campus events must be stamped by the Student Life office.
10. Santa Ana College is an alcohol and drug free campus; smoking is prohibited on campus except in designated areas. California Code A.B.846, Chapter 342-New Law (2004) prohibits smoking within 20 feet of main entrances or exits of buildings of California Community Colleges.

These regulations are available to all students and staff in the Student Life office, located in the Johnson Student Center, JSC-102. Please refer to Administrative Regulation 3900 Speech: Time, Place and Manner for specific policies.

Course Repetition

A student who earns a D, F, W, or NP grade may repeat the course up to two times to improve the grade of the substandard work. Withdrawals (notations of W) will count toward the two allowable repeats. A student may not repeat a course more than two times to alleviate substandard work (total of three attempts). A student may not repeat a course to change a grade of C or above. (Note this same procedure may be followed in case of grades UF and WF which appear on some older transcripts.) Courses repeated under the provisions of this section will be indicated as repeated on the permanent academic record of the student. Course repetition at Santa Ana College does not guarantee that other institutions will approve such action. This determination will be made by the respective transfer institutions.

Work Experience Education

The Work Experience Education Program represents a joint educational venture between the student, a college in Santa Ana College, and a participating employer. Under terms of the program, qualified students may earn up to four units per semester on a Pass/ No Pass basis for educational experiences on the job and coordinated coursework at Santa Ana College. Further information will be found in the course section of the catalog. Call the appropriate division for further information.

Repeatability of Courses

Courses may be repeated under the following circumstances:

Substandard Work: A student has up to three enrollments in the same course (SAC and SCC combined) to receive a passing grade. After two attempts, the student loses the ability to register for the class online. A

repeat form must be completed and submitted to the Admissions Office. **After three attempts, the student can no longer register for the course within this college district.**

Non Repeatable Course: A student who earns a D, F, NP or W grade may repeat the course twice to improve the grade of the substandard work.

The last grade earned will count in the GPA calculation. Courses repeated under the provisions of this section will be indicated as repeated on the permanent academic record of the student. A student may not repeat a course to change a grade of C or better. **After three enrollments, the class must be completed outside the Rancho Santiago Community College District.**

Significant Lapse of Time: Students may be permitted to repeat the course no less than 36 months since the most recent grade was obtained AND an institution of higher education to which a student wishes to transfer has established a recency requirement that the student cannot satisfy without repeating the course (Title 5, §55043). Students may submit a Petition for Course Repetition Exception Form to repeat the course. Grades awarded for courses repeated under this provision shall replace the original grade. Only one repetition may be used for significant lapse of time (W grade counts towards repetition).

Legally Mandated Training: Repetition of courses for which the student is legally mandated by statute or regulation. Pursuant to Title 5 Section 55040, of the California Code of Regulations, Santa Ana College has adopted the following policy with regard to repeating courses for which the student has certified or documented that course repetition is legally mandated. Student may submit a Petition for Course Repetition Exception Form to repeat a course.

Course repetition shall be permitted in cases where such repetition is necessary for a student to meet a legally mandated training requirement as a condition of continued paid or volunteer employment. Such courses may be repeated for credit, any number of times, regardless of whether or not substandard work was previously recorded, and the grade and units received each time shall be included for purposes of calculating the student's grade point average. Santa Ana College reserves the right to require a student to certify or document in writing that course repetition is necessary to complete legally mandated training pursuant to this section.

Variable Unit Courses: When a course is designated as repeatable and is also variable unit, the number of repeats dictates how many times the course may be enrolled in for credit. A variable unit course which is not designated as repeatable may be registered for until the maximum number of units has been attempted. No portion of the class may be repeated to improve grade point average.

Courses Related in Content (commonly referred to as a Families of Courses) Regulations governing the repetition of credit courses in the California Community College system effective Fall 2013 have eliminated repeatability in the Art, Dance, Digital Media, Music, Kinesiology (activity courses), and Theatre Arts departments. While students will not, in most cases, be allowed to repeat active participatory courses in these departments, students will still be allowed to enroll in each class within a grouping of active participatory courses that are related in content (commonly referred to as a family of courses) a maximum of four times. A family of courses may include more than four courses, but students are limited to a maximum of four courses in any family. Further, all grades, including Ws, will count toward the four-course enrollment limitation and for computing the grade point average (GPA). Students can repeat Art, Dance, Digital Media, Music, Kinesiology (activity courses), and Theatre Arts courses that are included in Families of Courses in which a NP, D, F grade was earned, or W was assigned; however, all enrollments count toward the 4-enrollment maximum for each family of courses. Santa Ana College has developed 62 families of courses which can be accessed at sac.edu/curriculum. For further information regarding enrollment into a family of courses, visit the link above or contact the Admissions and Records office.

Chosen Name

Many people use names that differ from their legal names. These kinds of names are often referred to as preferred names, chosen names, or nicknames. Santa Ana College and the Rancho Santiago Community College District recognize that for many people, these chosen, or preferred, names represent an important component of their identity. Chosen Name allows all students to select the first, middle, and last names they would like to be called within the District community, where such usage is currently supported. Students are encouraged to choose this name carefully as the name selected will appear in most systems throughout the District, including role sheets and academic applications, such as Canvas. Students can select and/or change their Chosen Name through Self-Service in their individual User Profile. A student's legal name will also remain stored in the system and will continue to be used on all official documents, such as transcripts or graduation documents.

Credit for Prior Learning (CPL)**AR 4235 Credit for Prior Learning (rscdd.edu)**

Reference(s): Education Code Section 66025.71, 66700, 70901, Sections 70901 and 70902 Title 5 Section 55002, 55023, 55021, 55025, 55052 Students may demonstrate proficiency in a course eligible for Credit for Prior Learning and receive college credit through the approved alternative methods for awarding credit listed below:

- Achievement of a satisfactory score on an Advanced Placement (AP) examination,
- Achievement of a satisfactory score on a high level International Baccalaureate (IB) examination,
- Achievement of a satisfactory score on the College Level Examination Program (CLEP),
- Evaluation of Joint Service Transcripts (JST),
- Achievement of an examination administered by other agencies approved by the District,
- Evaluation of industry recognized credential documentation,
- Evaluation of student-created portfolios, and/or
- Satisfactory completion of an institutional examination, known as Credit by Examination, administered by the college in lieu of completion of an active course listed in the current college catalog.

Determination of Eligibility for Credit for Prior Learning

- The student must be in good standing in the District.
- The student must have previously earned credit or noncredit from the District or be currently registered in the District.
- Current students must have an education plan on file.
- The course is listed in either the current Santa Ana College or Santiago Canyon College Catalog.
- The student is not currently enrolled in the course to be challenged.
- Credit by Examination: The student is registered in the District and not currently enrolled in nor received credit for a more advanced course in a sequence in the same subject (may be waived by department).

Credits acquired by examination are not applicable to meeting of such unit load requirements as Selective Service deferment, Veterans, or Social Security benefits. Credits acquired by examination shall not be counted in determining the 12 semester hours of credit in residence required for an Associate degree.

Prior Learning Assessment Grading Policy

- Grading shall be according to the regular grading system in accordance with Administrative Regulation (AR) 4230 Grading and Academic Record Symbols.
- Students shall be offered a "Pass/No Pass" option, in accordance with Administrative Regulation (AR) 4232 Pass/No Pass Grading Option if that option is ordinarily available for the course.
- Students shall be given the opportunity to accept, decline, or appeal the grade assigned by the faculty, and in cases of Credit by Examination, pursuant to AR 4230 Grading and Academic Record Symbols and AR 4231 Grade Changes.

Transcription of Credit for Prior Learning

- The student's academic record shall be clearly annotated to reflect that credit was earned by assessment of prior learning.

Credit By Examination

1. Applications for credit by examination may be obtained in the Admissions and Records Office at Santa Ana College. The student will be advised whether a testing fee is to be charged and where it should be paid. Applicants must be currently enrolled at Santa Ana College and be in good standing.
2. The list of courses which may be challenged for credit by examination is available in the division offices at Santa Ana College.
3. Except in the case of Registered Nursing courses, the student must not enroll in a course which is to be challenged. In the event a student decides to challenge a course in which he or she is already enrolled, he or she must withdraw from that course prior to the end of the second week of instruction.
4. Credit may be earned only for courses that are:
 - 1) currently listed in the catalog, and
 - 2) specifically designated by the appropriate dean as courses that are eligible for credit by examination. A student may attempt credit by examination only once in a particular course.
5. Students should be aware that some divisions offer credit by examination only on specific dates; therefore, students should obtain examination schedules from the appropriate offices as early in the semester as possible. The dean, in consultation with the department involved, will determine whether a departmental or a standardized examination is to be administered and when and where it will be administered. At this same time, the student will be given a course outline and any other pertinent information detailing subject matter requirements of the course being challenged.
6. Students may apply for credit by examination in sequential courses, but may take examinations for the courses having prerequisites in the sequence only if credit has been earned by examination or coursework in the earlier course(s) of the sequence.
7. Grading of the examination is on a Pass/No Pass basis. Pass represents a grade of "C" or better and will be shown on the transcript as "credit by examination". Grades less than "C" will be reported to the college Admissions and Records Office but not recorded on the transcript. "Pass" grades will be computed as units earned but will not be counted in the grade point average. The examiner shall transmit examination results to the Santa Ana College division office. The division dean will review the examination results and will transmit this information to the Admissions and Records Office. Units for which P is given in this category will not be counted in determining the 12 semester hours of credit in residence required for a certificate or an associate degree.

Examinations It is expected that the instructor will give at least two evaluations of student performance prior to the issuance of mid-term grades and at least one other evaluation before the final examination. Final examinations are required in all courses.

Right To Review and Challenge Records

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

- The right to inspect and review the student's education records within 30 days of the day the college receives a request for access. Students should submit to the Registrar, or Dean of Admissions, written requests that identify the record(s) they wish to inspect. The College official will make arrangements for access and notify the student of the time and place where the records may be inspected.
- The right to request the amendment of the student's education records that the student believes is inaccurate. Students may ask the college to amend a record that they believe is inaccurate. They should write

the college official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate.

- If the college decides not to amend the record as requested by the student, the college will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
- The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.
- One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the college in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the university has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the college discloses education records without consent to officials of another school in which a student seeks or intends to enroll. [NOTE: FERPA requires an institution to make a reasonable attempt to notify the student of the records request unless the institution states in its annual notification that it intends to forward records on request.] The right to file a complaint with the U.S. Department of Education concerning alleged failures by Santa Ana College to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:
 - Family Policy Compliance Office U.S. Department of Education 400 Maryland Avenue, SW Washington, DC 20202-5901

If students wish, copies of materials contained in the files subject to their review will be provided at a cost of \$1 per page.

Pass/No Pass Petition

Pass/No Pass encourages students to explore academic areas outside a major field.

1. Courses in the student's major field may not be taken under the Pass/No Pass policy except for major courses for associate degrees for transfer, courses for which Pass/No Pass is the only grading option, and units earned through credit by examination or assessment.
2. Every university has a limitation on the number of courses/units that can be taken for Pass/No Pass and applied to graduation and may require General Education taken Pass/No Pass to be retaken for a letter grade. Universities sometimes prefer that students have letter grades in English, mathematics, speech, and critical thinking courses. Courses that meet major requirements at a university (other than major requirements for ADTs) typically must be taken for a letter grade. Also, Pass/No Pass grades could have a negative effect on scholarships and international students. In addition, students who plan to pursue graduate or professional studies later are advised to be selective in opting for courses on a Pass/No Pass basis. Students are required to meet with a counselor and receive counselor approval before a Pass/No Pass option can be elected.
3. Pass/No Pass petitions must be submitted to the Admissions and Records office.
4. Pass/No Pass status cannot be changed back to a letter grade.
5. Pass indicates a "C" or better.
6. The deadline to submit a completed P/NP Petition is the last day of instruction for that class section.

Withdrawal From Class

Students who cannot continue in a course have an obligation to withdraw officially. Students are encouraged to consult with instructors concerning class withdrawals. Students must officially withdraw using Self-Service through 75 percent of a course and receive a transcript symbol of "W". All instructor-initiated drops "EA" (Excessive Absence) through 75 percent of the class will be assigned a "W". The academic record of a student who remains in a class beyond the time allowed by district policy must reflect a symbol other than a "W", except under extenuating circumstances. A student who has a withdrawal (grade of "W") in the same course two or more times loses the privilege of online registration for that course and must submit a course repetition form to the Admissions Office to enroll in the same course.

For specific course withdrawal dates, refer to the course section details on Self-Service.

Extenuating Circumstances

Excused Withdrawal (EW) A student may petition for an Excused Withdrawal due to extenuating circumstances (reasons beyond the student's control). If approved, the petitioned classes will be designated with an "EW" (Excused Withdrawal) on the transcript. An "EW" will not be counted in progress probation or dismissal calculations, nor will it be counted towards the permitted number of withdrawals or counted as an enrollment attempt. The deadline to submit a Petition for Excused Withdrawals is the last day of instruction for that class section.

Military Withdrawal (MW) A student who is a member of an active or reserve U.S. military service and has received orders compelling a withdrawal from courses may request a military withdrawal. If approved, an "MW" will appear on the transcript for each course. "MW" shall not be counted in the permitted number of withdrawals, nor shall it be counted in progress and dismissal calculations. Students should file the petitions as soon as possible. The petition must be filed no later than one year following the awarding of the original grade.

Incomplete Work When a student has attended regularly but because of illness or other unavoidable circumstances is unable to complete coursework or take the final examination, a grade of "I" may be given. If an "I" is issued, the instructor completes the Incomplete Grade Form which includes the condition(s) for removal of the "I", and the grade to be assigned if the condition(s) are not completed. A student may not register in some classes if an incomplete grade is pending. The work thus missed must be made up no later than one year following the end of the term in which it was assigned. A student may petition for a time extension due to unusual circumstances. It is the student's responsibility to contact the college Admissions and Records Office in such cases. A final grade will be assigned when the work stipulated has been completed and evaluated according to the conditions set forth by the instructor or when the time limit for completing the work has passed.

Grades and Grade Point Average

Grades are based upon the quality of work completed, that is, upon actual accomplishment in courses offered for credit. Credit by examination, Pass/No Pass, "Ws," "MWs," "IPs" and "Is" are not figured into grade point averages. The grade point average is computed by dividing all other units attempted into all grade points received. The meaning of each grade and its value in grade points is as follows:

Grade	Grade Point
A – Excellent	4 per unit earned
B – Good	3 per unit earned
C – Satisfactory	2 per unit earned
D – Passing, less than satisfactory	1 per unit earned
F – Failing	0 per unit attempted
P – Pass	0 per unit earned
NP – No Pass	0 (no units earned)

EW – Excused Withdrawal	0 (no units earned)
MW – Military Withdrawal	0 (no units earned)
I - Incomplete	0 (no units earned)
IP – In Progress	0 (no units earned)
RD – Report Delayed	0 (no units earned)
UF – Unauthorized Withdrawal	0 (no units earned)
WF – Withdrawal, Failing	0 (no units earned)

Transcripts

Students may obtain an official transcript of records by filing in person, [online](#), or mailing a request to the Admissions and Records Office, Santa Ana College, 1530 W. 17th Street, Santa Ana, CA 92706. The first two transcripts will be issued without charge in person only, thereafter, a \$3 charge will be assessed for each additional transcript. An \$8 special handling fee will be charged for express transcripts. FedEx Next Day Delivery is available for an additional cost. All official transcripts are copies of the student's permanent record in the Office of Admissions and Records at the college. Only records prepared and issued directly from Admissions and Records will be considered official or certified for accuracy. Transcripts from other institutions are property of the college and will not be released. Admissions and Records does not hold transcripts for final grades. It is the student's responsibility to verify that all grades have been posted via Single Sign-On before requesting transcripts.

Discrimination Complaints

Rancho Santiago Community College District does not discriminate based on national origin, religion, age, gender, gender identity, gender expression, race or ethnicity, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy, or military and veteran status; the perception that they have one or more of the foregoing characteristics; or an association with a person or group with one or more of these actual or perceived characteristics. Students may file a discrimination complaint when they believe they have been deprived of a right granted to students by the Board of Trustees in any of the policies or regulations of the Rancho Santiago Community College District. These complaint procedures aim to resolve differences as fairly and expeditiously as possible while preserving the rights of students and staff members. The following administrator has been designated to handle inquiries and address student reports or complaints regarding the District's non-discrimination policies:

Deputy Title IX Coordinator

Jennifer De La Rosa, Dean of Student Development
Telephone: (714) 564-6211

The procedures for filing and investigating a discrimination complaint can be found at [. Complaints involving administration, departments, faculty, or staff should contact the District office to address their concerns:](#)

District Title IX Coordinator

2323 N Broadway Santa Ana, CA 92706
Telephone Number (714) 480-7489

Grievance Procedures For Students

Students may file a grievance when they believe they have been deprived of a right granted to students by the Board of Trustees in any of the policies or regulations of the Rancho Santiago Community College District by employees, students, or others. Discrimination and Harassment complaints will be addressed via the procedures outlined in Administrative Regulation 3435 (see above). The purpose of these grievance procedures is to resolve differences as fairly and expeditiously as possible while preserving the rights of students and staff members.

Procedure

1. Students shall first confer with the person who took the action or made the ruling to which they object no later than 10 days following the event which prompted the grievance. The appropriate administrator will assist

the student in arranging an appointment between the student and the staff member

2. If the difference is not satisfactorily resolved, the student shall confer with the person's immediate supervisor. The appropriate administrator will assist in arranging the appointment between the student and the employee's supervisor.
3. If the grievance is still unresolved, the student may file a written statement setting forth the nature of the grievance on the Student Grievance Form with the Vice President of Student Services (or their designee) no later than thirty (30) days after conferring with the person's supervisor. The form should contain a description of the grievance including dates, times, pertinent facts, and the remedy sought by the student.
4. Upon receipt of the form, the Vice President of Student Services (or their designee) will send a Student Grievance Staff Response Form to both the staff member and the supervisor for completion within ten (10) days.
5. The Vice President of Student Services (or their designee) shall select a Student Grievance Panel*. The responsible administrator shall then forward the completed forms to the panel chair for review and recommendation. The panel shall have the power to make an appropriate investigation of the grievance and shall state its findings and make a recommendation.
6. If the grievance is sustained by the panel, it will recommend appropriate action for relief of the grievance and communicate this in writing to the person(s) to whom the grievance was directed. If the findings of the panel do not sustain the grievance, the panel shall communicate this finding in writing to the student who filed the grievance. The ruling of the Student Grievance Panel is final.

Student Grievance Panel Structure

- One non-voting chair (except in situations of a tie vote)
- One student representative
- One classified representative
- One faculty representative
- One administrative representative

NOTE: In addition to the college-specific Student Grievance Procedures outlined above, the Rancho Santiago Community College District has adopted a process for the resolution of grievances which are outlined in Administrative Regulation 3435. This regulation provides a process that can be used by any member of the RSCCD community to resolve a discrimination concern. Details about this process are located at [.rsccd.edu/discrimination](http://rsccd.edu/discrimination) For assistance with any portion of this process, please feel free to contact the Office of the Vice President of Student Services at 714-564- 6085 or the Deputy Title IX Coordinator at 714-564-6211 during regular business hours.

Independent Study

Independent Study credit may be earned in any discipline. Transfer credit is designated as Independent Study 199; non-transfer credit is designated as Independent Study 099. These courses are offered on a credit/no credit basis. Independent Study projects are normally for one unit of credit and require a minimum of 54 hours of directed work per unit of credit. Within the 54-hour minimum, the instructor meets with each student on a weekly basis for at least one hour or a minimum of 18 hours for each one unit project. Independent Study may be repeated for credit for a maximum of three units. Recommended projects of more than one unit must have prior approval from the Vice President of Academic Affairs. The proposal is subject to prior approval by the supervising instructor and the division dean in order for the student to enroll in Independent Study 099 or 199. To be eligible for Independent Study, a student must be concurrently enrolled in at least one other class in the Rancho Santiago Community College District, with the exception of summer sessions. The student must also show evidence of competence in the academic major as well as the area in which independent study is proposed.

Open Enrollment

The policy of this district is that, unless specifically exempted by statute or regulation, every course, course section, or class, reported for state aid, wherever offered and maintained by the district, shall be fully open to enrollment and participation by any person who has been admitted to the college and who meets such prerequisites as may be established pursuant to regulations contained in Article 2.5 (commencing with Section 55200) of Sub Chapter 1 of Chapter 6 of Title 5 of the California Code of Regulations.

Military/Veteran

Dropping Classes and Accruing Debt If a student veteran or dependent who is using benefits under Chapter 33 drops a class, it can have adverse consequences on the student's record. When the student drops a class after having attended and after the college already processes the VA payments, the college is responsible for paying the VA back for tuition and fees. Therefore, the student veteran will accrue a debt with Santa Ana College. If it is not settled with Cashiers, there will be a hold and the student will not be able to register for further classes until the debt is paid in full to Santa Ana College.

Military Withdrawals

- Withdrawals due to military orders will not have adverse consequences. Admissions will use the following procedures:
- "MW" grade for compelled military withdrawal with annotated comment on transcript. (Military Withdrawal)
- Refund of enrollment, parking, and health fees.
- "MW" grade would not count in the progress probation calculation.
- Priority registration granted the first semester upon return.

Southern California Veterans Upwards Bound (SoCalVUB) & Veteran Student Support Services Program (VSSS) Veterans Upward Bound (VUB) at Santa Ana College is a free U.S. Department of Education TRIO program designed to help eligible U.S. military veterans and reservists enter and succeed in the postsecondary school of their choosing. VUB at Santa Ana College offers an 8 week refresher course in Math and English 5 times a year. Feel free to stop by our office in M-120 or call us at 714-564-6288.

Photography

Santa Ana College/Santiago Canyon -College, a non-profit California Community College, reserves the right to use photography and video images of students and visitors, age 18 and older, taken on our property and at college-sponsored events for marketing and promotional purposes. Objection to the use of an individual's photograph may be made in writing to Public Affairs and Publications, RSCCD District Office, 2323 N. Broadway, Suite 408, Santa Ana, CA 92706.

Probation

Probation – Dismissal A student's academic standing is calculated and reviewed at the end of each fall and spring semester, based only on his/her SAC/SCC cumulative GPA. There are three categories of academic standing: probation, subject to dismissal, and dismissal.

Academic probation. After attempting twelve or more units, a student is placed on probation when the SAC/SCC cumulative grade point average for all work attempted falls below 2.0. (W's are counted in the attempted units).

Progress probation. A student who has attempted a total of twelve units will be placed on progress probation when the percentage of all units in which a student has enrolled and for which entries of "W", "I", and/or "NP" are recorded reaches or exceeds fifty percent.

Academic/Progress Probation Intervention Students placed on academic/progress probation are informed by email and strongly recommended to connect with a counselor to create a strategy to resolve the probationary status.

Loss of Priority Registration

Academic probation. Students who have two consecutive semesters with a Cumulative GPA below 2.0 will lose priority registration for the next registration period. Their registration date will be after all new applicants.

Progress probation. Students are placed on progress probation when the percentage of coursework at SAC/SCC that has an entry of "W", "I", "NP", and

"NC" reaches or exceeds fifty percent (50%) of the coursework attempted.

IMPORTANT NOTE: Registration priority shall be lost at the first registration opportunity after a student is placed on academic or progress probation or any combination thereof for two consecutive terms.

Student Right to Appeal A student has the right to appeal an exception to a current Santa Ana College academic policy, including academic probation and progress probation. Student must complete and submit a Priority Registration & California College Promise Grant Appeal form. Appeal forms are available in the Admissions & Records office.

Removal From Probation Academic probation. A student on academic/progress probation shall be removed from probation when the student's cumulative grade point average reaches 2.0 or higher.

Progress probation: A student who has been placed on progress probation shall be removed from probation when the percentage of units for which entries of "W", "I", and/or "NP" falls below 50%.

Subject To Dismissal

A student's academic standing is calculated and reviewed at the end of fall and spring semester, based upon a SAC/SCC cumulative grade point average. Summer is not counted as it is considered a session because it is not a full semester. A student who is on academic probation shall be subject to dismissal if the student earned a SAC/SCC cumulative grade point average (GPA) of less than 2.0 in all units attempted in each of 2 consecutive semesters.

Dismissal

1. **Academic dismissal.** A student's academic standing is calculated and reviewed at the end of fall and spring semester, based upon a SAC/SCC cumulative grade point average. Summer is not counted as it is considered a session because it is not a full semester. A student who is on academic probation shall be dismissed if the student earned a SAC/SCC cumulative grade point average (GPA) of less than 2.0 in all units attempted in each of 3 consecutive semesters.

2. **Progress dismissal.** A student who has been placed on progress dismissal shall be dismissed when the percentage of units in which the student has enrolled and for which entries of "W", "I", and/or "NP" are recorded reaches or exceeds 50% for three consecutive semesters.

3. **Dismissal after fall semester.** A student may be given the academic standing of "Subject to Dismissal" at the end of fall semester when his/her SAC/SCC cumulative GPA falls below 2.0 after three consecutive semesters. The student is given the grace period of spring semester to remain in school. However, an academic hold is placed on the student record in April to prevent any further registrations until all grades have been reviewed at the end of spring semester. If the student achieves a 2.0 GPA for the spring semester, the student is allowed to remain at the college on probationary status, despite a SAC/SCC cumulative GPA of less than 2.0. If the 2.0 GPA for spring is NOT achieved, the student is academically dismissed. Students who are academically dismissed have a HOLD placed on their record and receive an email notifying them of their academically dismissed status (AD).

4. **Petition for reinstatement after dismissal.** A student may initiate the process at the end of the semester/session once final grades are posted by completing the Priority Registration & California Promise Grant Appeal Form. This form is available in the Admissions & Records Office and online on the Admissions & Records forms page. If the semester/session GPA is a 2.0 or better the student can appeal for Significant Academic Improvement. If the semester/session GPA is less than 2.0, the student should meet with a counselor and can submit a Petition for Exception to Academic Regulations to request reinstatement. A student may make alternative plans in cases involving a denied petition.

5. **Consequence of academic dismissal.** A student cannot register for classes at SAC or SCC for one full semester. When the student returns to SAC or SCC after "sitting out" out one semester, the student returns on academic probation. In order to remain at SAC or SCC, the student must achieve a 2.0 semester GPA in the spring and fall semesters.

When a student is academically dismissed and the last semester GPA is less

than 2.0, the student is denied reinstatement and may not enroll at SAC or SCC for one semester before enrolling to either college.

Remedial Course Limit A student may complete a maximum of 30 semester units of basic skills remedial courses. Remedial courses include non-degree or pre-collegiate basic skills classes in math, English, reading, learning and study skills. A waiver is required beyond 30 units. Students must show a "C" or better or a 2.0 GPA in remedial courses to qualify for a waiver. Waiver forms are available in counseling.

Standards of Student Conduct

Guidelines for Student Conduct are set forth in the California Education Code, California Administrative Code, Title V, policies of the Board of Trustees (including BP/AR 3430 Prohibition of Harassment, and AR 3425 Title IX (9) Sexual Harassment), and all civil and criminal codes. Students enrolling in district educational programs assume an obligation to obey state law and district rules and regulations governing the conduct of students. Students who enroll in those instructional programs in which the college has affiliations with various outside associations must comply with the college's policies and procedures and also with the outside associations' policies and procedures. This includes but is not limited to students enrolled in the programs of Fire Academies, Criminal Justice Academies and Nursing.

Guidelines For Student Conduct

The following conduct shall constitute good cause for discipline, including but not limited to the removal, suspension, or expulsion of a student, except for conduct that constitutes sexual harassment under Title IX, which shall be addressed under Interim AR 3425 Title IX (9) Sexual Harassment (Interim).

- A. Dishonesty, cheating, plagiarism, lying, or knowingly furnishing false information to the district or a college official performing their duties.
- B. Forgery, alteration, or misuse of district documents, records, or identification.
- C. Causing or attempting to cause damage to any real or personal property owned by the district or district employees (damage includes, but not limited to vandalism, such as cutting, defacing, breaking, etc.)
- D. Obstruction or disruption of pedestrian or vehicular traffic or of teaching, research, administration, or of other district activities on or off district premises. This includes obstruction or disruption of administration, disciplinary procedures or authorized college activities.
- E. Causing, attempting to cause, or threatening to cause physical injury to another person. Or any threat of force or violence upon a student, college personnel, or campus visitor.
- F. Willful misconduct which results in injury or death to a student, college personnel or campus visitor or which results in cutting, defacing, or other injury to any real or personal property owned by the district. This includes fighting on district property or at a district sponsored event, on or off district premises.
- G. Detention of any person on district-owned or controlled property or at district-sponsored or supervised functions or other conduct which threatens or endangers the health or safety of another.
- H. Stealing or attempting to steal district property or private property on campus, or knowingly receiving stolen district or private property on campus.
- I. Unauthorized entry into or unauthorized use of district property, supplies, equipment, and/or facilities.
- J. Misrepresentation of oneself or of an organization to be an agent of the district or failure to identify oneself to, or comply with the directions of a district official, policy, or other public official when requested to do so; or resisting or obstructing such district or other officials in the performance of, or the attempt to, perform their duties.
- K. Sexual assault or physical abuse, including rape, forced sodomy, forced oral copulation, rape by a foreign object, sexual battery, sexual coercion, or threat or assault, of any conduct that threatens the health and safety of the alleged victim, which includes students, college personnel or campus visitors.
- L. Dating violence, defined as violence committed, on the basis of sex, by a person who is or has been in a social relationship of a romantic or intimate nature with the Complainant. The existence of such a relationship shall be

determined based on a consideration of the following factors: length of the relationship, the type of relationship and the frequency of interaction between the persons involved in the relationship. For the purposes of this definition, dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse. Dating violence does not include acts covered under the definition of domestic violence.

M. Domestic violence, defined as conduct, on the basis of sex, that includes the requisite components of felony or misdemeanor crimes of violence committed by (a) a current or former spouse or intimate partner of the victim; (b) a person with whom the victim shares a child in common; (c) a person who is cohabitating with or has cohabitated with the victim as a spouse; (d) a person similarly situated to a spouse of the victim under California law; or (e) any other person against an adult or youth victim who is protected from that person's acts under California law.

N. Stalking, defined as a course of conduct directed at a specific person on the basis of sex that would cause a reasonable person to fear for the person's safety or the safety of others, or to suffer substantial emotional distress. For the purposes of this definition: (a) a course of conduct is two or more acts, including, but not limited to, acts in which the Respondent directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person's property; (b) reasonable person means a reasonable person under similar circumstances and with similar identities to the Complainant; and (c) substantial emotional distress means significant mental suffering or anguish that may but does not necessarily require medical or other professional treatment or counseling. Page 3 of 5 AR 5500

O. Sexual exploitation defined as an act or acts committed through non-consensual abuse or exploitation of another person's sexuality for the purpose of sexual gratification, financial gain, personal benefit or advantage, or any other nonlegitimate purpose. Some examples are prostituting another person; recording images; viewing or distributing images of an individual's sexual activity, body parts, or nakedness; and inducing incapacitation for the purpose of making another person vulnerable to non-consensual sexual activity.

P. Use, unlawful possession, distribution, furnishing or being under the influence of alcoholic beverage or an intoxicant of any kind on district property or at any district sponsored event.

Q. Use, unlawful possession, distribution, furnishing, or being under the influence of any controlled substance listed in California Health and Safety Code Sections 11053 et seq. or unlawful possession of, or offering, arranging or negotiating the sale of any drug paraphernalia, as defined in California Health and Safety Code Sections 11014.5.

R. Engaging in expression which is libelous, slanderous, obscene (according to current legal standards) or which incites students so as to create a clear and present danger of commission of unlawful acts on district premises, or violation of district regulations, or the substantial disruption of the orderly operation of the college.

S. Possession, sale, use or otherwise furnishing any firearm, knife, explosive, or other dangerous object, including but not limited to any facsimile firearms, knife or explosive. Exceptions include those participating in a criminal justice educational program who are authorized such possession or those who are enrolled in a course which authorizes such possession.

T. Unauthorized preparation, giving, selling, transfer, distribution, or publication, for any commercial purpose, of any contemporaneous recording of an academic presentation in a classroom or equivalent site of instruction, including but not limited to handwritten or typewritten class notes, except as permitted by any district policy or administrative regulation.

U. Engaging in harassing or discriminatory behavior based on disability, gender, gender identity, gender expression, nationality, race, ethnicity, religion, age, sexual orientation or any other status protected by law. Harassment does not include conduct protected by the First Amendment.

V. Disruptive behavior, willful disobedience, harassment, stalking, habitual

profanity or vulgarity, open and persistent abuse of college personnel, or open and persistent defiance of the authority of college personnel.

W. Willful or persistent smoking in any area where smoking has been prohibited by law or by regulation of the Board of Trustees.

X. Violation of the Computer Usage Policy applies to students using computer classrooms, computer labs, the wireless network or other locations on and off district property. A violation is considered any of the following:

a. Accessing with or without permission, or causing to be accessed without authorization, altering, damaging, deleting, hacking, destroying, or otherwise using any data, computer, computer system, computer software and programs, or computer network belonging to or used by the college or any member of the district.

b. Accessing with or without permission, taking, copying, or making use of any data from a computer, computer system, or computer network, or taking or copying any supporting documentation, whether existing or residing internal or external to a computer, computer system, or computer network belonging to or used by the college or district.

c. Using or causing to be used, computer services without permission.

d. Disrupting or causing the disruption of computer services or denying or causing the denial of computer services to an authorized user of a computer, computer system or computer network belonging to or used by the college or district.

e. Introducing any computer contaminant or virus into any computer, computer system or computer network belonging to the college or district.

f. Sending any message using any computer system or network without authorization or sending any message in the name of another person or entity.

g. Using any account or password without authorization.

h. Allowing or causing an account number or password to be used by any other person without authorization.

i. Accessing or causing to be accessed, downloading or causing to be downloaded, pornographic or obscene materials except when accessing such material which is part of the instruction process or assignment for a class in which the student is currently enrolled.

j. Use of systems or networks for personal commercial purposes.

k. "Cyberstalking" which is to be understood as any use of the college or district computer system, computer network, or computer programs to stalk another person via excessive messages or inquiries, inappropriate or threatening messages, racially motivated communications, photos or other means of communication.

Y. Deliberately making false and/or malicious accusations against a member of the campus community. This does not include allegations that are made in good faith but are ultimately shown to be erroneous or do not result in a policy violation determination. Page 5 of 5 AR 5500

Z. Any act constituting good cause for suspension, expulsion or violation of district policies or campus regulations, including AR 3425 Title IX (9) Sexual Harassment. Students who engage in any of the above are subject to the procedures outlined in AR 5520 Student Discipline Procedures.

To view the entire Administrative Regulation 5500 Standards of Student Conduct, please view it at: <https://rsccd.edu/Trustees/Documents/Board%20Policies/BPs-Chapter%205/BP%205500%20Standards%20of%20Student%20Conduct.pdf>

Procedures for Student Grievances Regarding Grades

Education Code 76224 states: (a) When grades are given for any course of instruction taught in a community college district, the grade given to each student shall be the grade determined by the instructor of the course and the determination of the student's grade by the instructor, in the absence of mistake, fraud, bad faith, or incompetency, shall be final.

Procedure

1. Student shall meet with the instructor to discuss the grade.
2. If the issue is not resolved and the student believes that the grade is based on a mistake, fraud, bad faith, or incompetency, (EC 76224), he/she may appeal in writing to the Division Dean. Such an appeal must be made within a one year period following the semester which the grade was assigned.
3. Forms for the written appeal may be found in any divisional Dean's office.
4. The student may be requested to set-up an appointment with the appropriate Division Dean to discuss the written grievance.
5. The appropriate Division Dean will review the allegations and consult with the instructor.
6. The Division Dean will review the issue and will notify the student and instructor in writing of his/her decision.
7. The decision of the Division Dean is final.

Transportation

Some classes may be conducted off campus. Unless students are specifically advised otherwise, they are responsible for arranging their own transportation to and from the class site. I understand that although the District may recommend travel time and/or routes to and/or from this event, that such recommendations are not mandatory and do not in any way constitute District sponsorship of the transportation. The district assumes no liability or responsibility for the transportation and persons driving personal vehicles are not acting as agents of or on behalf of the District.

Transfer Credit

Santa Ana College will give credit for college units earned at another regionally accredited college or university. In order for transfer units to be applied towards a petition for degree or transfer certification, all official transcripts from other colleges must be on file in Admissions office.

Unit of Credit

A unit of college credit represents three hours of student time each week for a semester; one hour of scheduled classroom lecture and two hours in outside preparation. A longer time is scheduled for laboratory courses since more of the work is done in the classroom. One full quarter unit is equal to two-thirds of a semester unit.

Registered Sex Offender Information

Sex offenders are required to register with the police in the jurisdiction in which they reside. If they are students at institutions of higher learning or if they work there as employees, contractors, or volunteers, the registrant must register with the local law enforcement agency having jurisdiction over the campus/institution. Sex offenders who are required to register should do so at the Santa Ana Police Department if attending Santa Ana College or Centennial Education Center and at the Orange Police Department if attending Santiago Canyon College or Orange Education Center." Members of the general public may request community notification flyers for information concerning sexually violent predators in a particular community by visiting the office of local law enforcement in their community. Local police may be contacted at:

Santa Ana Police Department, 60 Civic Center Plaza, Santa Ana, CA 92701 714-245-8665
Orange Police Department, 107 N. Batavia Street, Orange, CA 92867 714-744-7444

Registered sex offender information is available at the Megan's Law website:

Wait List Policy

You are not able to Wait List more than one section per course. You cannot Wait List a course that will conflict with another course. As seats become available, eligible students will be moved into an open seat. You will be notified by email (it is your responsibility to make sure that your e-mail is up-to-date) and will have 3 calendar days to pay for the course or you may be dropped. If your name remains on the Wait List, you must obtain the instructor's add authorization to add the course during the add period (Log in to Self-Service often to check your status on the waitlist).

Course Identification Numbering System

C-ID Number	SAC Prefix/Number	SAC Course Name
ACCT 110	ACCT 101	Financial Accounting
ACCT 120	ACCT 102	Managerial Accounting
AJ 110	CJ 101 or CJ 101H	Introduction to Criminal Justice or Honors Introduction to Criminal Justice

College Credit Instructional Programs

Baccalaureate Degree

Graduation Requirements for a Baccalaureate Degree

Graduation requirements for a Baccalaureate Degree are prescribed by the California Community Colleges Board of Governors, Accrediting Commission for Community and Junior Colleges, Title 5, and the Rancho Santiago Community College District Board of Trustees. Specifications are based upon recommendations by the Academic Senate of California Community Colleges. A Baccalaureate Degree may be earned upon satisfactory completion of all of the following:

A. Total Unit Degree Requirement

Complete a combination of lower-division and upper-division coursework totaling a minimum of 120 semester units to include the following:

a. A minimum of twenty-four (24) units of lower-division-major courses. Lower-division courses acceptable toward a baccalaureate degree are designated as CSU or UC transferable or determined to be at the baccalaureate level.

Lower-division courses from other U.S. regionally accredited institutions will be reviewed by a Career Education counselor and graduation specialist to determine baccalaureate credit based on course description, comparable content, appropriate prerequisites, or C-ID number.

All lower-division requirements must be met before the baccalaureate degree is granted.

International courses will be evaluated for baccalaureate major requirements only when course descriptions are submitted in English, along with a transcript evaluated by an approved foreign transcript service.

b. A minimum of forty (40) units of upper-division-major courses. Rancho Santiago Community College District courses designated as upper-division are applicable only to a baccalaureate degree and may not be used to satisfy associate degree requirements.

Upper-division courses from other U.S. regionally accredited institutions will NOT be accepted for upper-division major, general education, or elective baccalaureate degree credit.

B. General Education Requirements

All students are required to complete General Education.

Students may choose to complete:

- a. California State University (CSU) GE Breadth (Plan B) or
- b. Intersegmental General Education Transfer Curriculum (IGETC) (Plan C) (either CSU or UC Version) and
- c. A minimum of nine (9) units of upper-division general education coursework

Previously completed lower-division general education courses will be evaluated according to the CSU-GE or IGETC certification guidelines. Students enrolled in the baccalaureate program who have not completed the CSU-GE or IGETC pattern must complete any remaining CSU-GE or IGETC Areas.

C. Residence Requirement

At least 24 units of upper division coursework must be completed at Santa Ana College

D. Major Requirement

All students must take required major courses as specified by the major department and earn a grade of "C" or better in each course. Students should review specific major admissions requirements and prerequisites in the program descriptions area of the catalog for more detail.

Occupational Studies: B.S. Degree

The baccalaureate degree in Occupational Studies will create a more highly skilled occupational therapy assistant (OTA) who is better able to understand and utilize research-based evidence for best practice and take on a leadership role. As an additional benefit, it will prepare an OTA for entry into an Occupational Therapy (OT) Master's degree program. The upper division course work will provide more in-depth training in specific areas of OT practice, including neurologic rehabilitation, musculoskeletal rehabilitation, pediatrics, geriatrics, and key practice areas identified by the American Occupational Therapy Association. These courses, together with a capstone project, will also provide increased opportunities for critical analysis, research methods, and clinical reasoning. To complete the Bachelor of Science in Occupational Studies, students must complete: (1) complete all upper division course requirements with a grade of "C" or better; (2) complete IGETC lower division general education coursework or CSU GE Breadth lower division general education coursework.

Prerequisite:

Associate Degree from an ACOTE and regionally accredited OTA program and OTA Certification/License

Learning Outcome(s):

1. Students will demonstrate advanced mastery of Occupational Therapy Assistant (OTA) clinical skills, including clinical reasoning, that follow the guidelines established in the Occupational Therapy Practice Framework: Domain and Process.
2. Students will relate theory and research to clinical practice areas.
3. Students will provide OTA services that meet the community needs of diverse populations demonstrating sensitivity and empathy.
4. Students will participate in advocacy for clients in clinical and community settings.

Required lower division courses specific to the BS Degree **Units:**

14-14.5			
PSYC 210	Statistics for the Behavioral Sciences	4	
	–or–		
MATH 219H	Honors Statistics and Probability	4	
	–or–		
MATH 219S	Statistics and Probability with Support	4.5	
PHYS 109	Survey of General Physics	4	
SOC 100	Introduction to Sociology	3	
	–or–		
SOC 100H	Honors Introduction to Sociology	3	
PHIL 108	Ethics	3	

Required upper division major courses **Units: 30**

OS 301	Therapeutic Approaches to the Older Adult	3	
OS 304	Movement Theory & Analysis	3	
OS 312	Advanced Practice Areas in Occupational Therapy (OT)	3	
OS 403	Leadership for the Occupational Therapy Assistant (OTA)	2	
OS 310	Community-Based Occupational Therapy Practice	3	
OS 305	Advanced Pediatric Practice for the Occupational Therapy Assistant (OTA)	3	
OS 325	Applying Research to Occupational Therapy Intervention	3	
OS 402	Neurological Principles in Human Performance	4	
OS 410	Healthcare Systems	3	
OS 412	Capstone Seminar	3	

Required upper division general education courses **Units: 10**

MATH 319	Quantitative Research Methods for Healthcare Professionals	4	
CMST 307	Health Communication	3	
SOC 401	The Sociology of Health, Illness, and Healing	3	

Total: 54-54.5

College Credit Instructional Programs

Programs of study leading to the certificate or the associate degree or certification in specialized vocational areas are alphabetically arranged. Programs which lead to transfer to universities and four-year colleges do not necessarily reflect the transfer requirements of specific schools. If the student wishes to receive an associate degree in a specific discipline, the requirements as set forth must be met. However, in planning a program for transfer, it should be noted that the transfer requirements for both the major and general education vary widely. Hence it is recommended that the student review the catalog of the school of transfer and consult with the counseling staff of Santa Ana College in planning transfer objectives. Required sequences and frequency of course offerings as well as length of time required to obtain a degree or certificate can be found on the college website at:

sac.edu/academicaffairs/Pages/default.aspx

ACCOUNTING Accounting: A.S. Degree

Program Code: SAC.ACCT.AS

Program Control Number: 04187

The associate degree in accounting prepares students for entry-level positions and promotional opportunities in accounting, taxation, and administrative departments of businesses in areas such as manufacturing, merchandising, financial service, wholesale trades, and government. Specialized training in accounting enables students to maintain accounting records and develop financial reports and make effective use of financial information for analysis and decision-making. Entry-level employment opportunities include positions in accounts receivable and accounts payable, payroll, income tax preparation, and cost accounting. Promotional opportunities include higher-level responsibilities in these areas and the areas of general ledger, financial statement preparation, and financial statement analysis.

Learning Outcome(s):

- communicate business and financial information in a clear, concise, and well organized manner.
- apply accounting knowledge to measure financial information and communicate through financial statements.
- analyze business and accounting information to solve problems.

Core Courses for the associate in science degree: Units: 21

ACCT 101	Financial Accounting	4
ACCT 102	Managerial Accounting	4
ACCT 104	Federal and California Taxes	4
ACCT 210	Accounting Information Systems	3
BUS 150	Introduction to Information Systems and Applications	3
MGMT 122	Business Communications	3
	–or–	
BUS 222	Business Writing	3

Select a minimum of 3 units from the following electives: Units: 3-4

ACCT 108	Tax Practices and Procedures	3
ACCT 113	Intermediate Income Taxes – Corporations	2
ACCT 114	Intermediate Income Taxes - Partnerships and LLCs	2
ACCT 124	Computerized Income Tax Preparation	2
ACCT 125	Volunteer Income Tax Assistance (VITA) I	2
ACCT 204	Managerial Cost Accounting	3
ACCT 205	Intermediate Accounting I	3
ACCT 206	Intermediate Accounting II	3
ACCT 211	Auditing	3
ACCT 212	Accountants' Ethics and Responsibilities	4

Total: 24-25

Accounting: Certificate of Achievement (Transcripted)

Program Code: sac.acctn.ca

Program Control Number: 21748

A certificate in accounting prepares students for entry-level positions and promotional opportunities in accounting, taxation, and administrative departments of businesses in public and private sector areas such as manufacturing, merchandising, financial service, wholesale trades, and government. Specialized training in accounting and finance principles and practices enables students to maintain accounting records and develop financial reports and make effective use of financial information for analysis and decision-making. Entry-level employment opportunities include positions in accounts receivable/payable, payroll, income tax preparation, cost accounting, and a number of trainee positions. Promotional opportunities include higher-level responsibilities in these areas and the areas of general ledger, financial statement preparation, and financial statement analysis.

Learning Outcome(s):

- Acquire adequate knowledge of accounting to enter into a business environment as an entry level clerk.

Core Requirements: Units: 15-16

ACCT 101	Financial Accounting	4
ACCT 102	Managerial Accounting	4
BUS 222	Business Writing	3
	–or–	
MGMT 122	Business Communications	3
ACCT 210	Accounting Information Systems	3
	–or–	
BA 188	Microsoft Excel	2
	–and–	
BA 189	Advanced Microsoft Excel	2

Select a minimum of 6 units from the following: Units: 6-8

ACCT 032	Payroll Accounting	2
ACCT 035	QuickBooks I	2
ACCT 036	QuickBooks II	2
ACCT 104	Federal and California Taxes	4
ACCT 108	Tax Practices and Procedures	3
ACCT 113	Intermediate Income Taxes – Corporations	2
ACCT 114	Intermediate Income Taxes - Partnerships and LLCs	2
ACCT 124	Computerized Income Tax Preparation	2
ACCT 204	Managerial Cost Accounting	3
ACCT 205	Intermediate Accounting I	3
ACCT 206	Intermediate Accounting II	3
ACCT 211	Auditing	3
ACCT 212	Accountants' Ethics and Responsibilities	4

Total: 21-24

Banking Skills for the 21st Century: Certificate of Achievement (Transcripted)

Program Code: SAC.ACT21.CA

Program Control Number: 40503

This program is designed to address the changes and advances in banking regulations, technology and other factors. The courses in this certificate will help provide the skills necessary to prepare students for entry-level banking positions in the new fast-moving environment of banking in the 21st century. Students that complete this certificate will be competitive applicants for entry-level positions in the modern banking environment.

Learning Outcome(s):

1. be familiar with banking products and services.
2. understand basic banking computer systems.
3. define customer and personal service skills.

Take all of the following courses:

	Units: 11
BANK 010 Training for Entry Level Bankers	2
BUS 100 Fundamentals of Business	3
BA 102 Professional Skills & Career Readiness	3
BUS 130 Personal Finance	3
Select one of the following courses:	Units: 2-3
ACCT 035 QuickBooks I	2
–or–	
ACCT 010 Accounting Procedures	3

Total:13-14

Certificate of Professional Accounting - Accounting Study & Ethics: Certificate of Achievement (Transcripted)

Program Code: SAC.ACTSE.CA

Program Control Number: 35675

This certificate is designed for an individual that has a bachelor's degree other than in accounting that wishes to be licensed as Certified Public Accountant (CPA). This certificate in conjunction with Certificate of Professional Accounting – Accounting Subjects and Certificate of Professional Accounting – Business Subjects will prepare an individual for the CPA exam as well as meet the educational requirements for licensure. Alternatively, a student that already possesses a bachelor's degree in Accounting from a major College or University may solely complete this certificate to fulfill the educational requirements for licensure. The courses contained in this certificate meet the specific course requirements set forth by the California Board of Accountancy (CBA) including the requirements of SB 773. Upon successful completion of this certificate along with the Certificate of Professional Accounting – Accounting Subjects and Certificate of Professional Accounting – Business Subjects, a student will have taken all the necessary Accounting, Business and Ethics courses required for licensure (license granted upon successful passing of the Uniform CPA exam). CPA licensure affords promotional opportunities in public accounting, taxation, as well as administrative departments of businesses in public and private sector areas such as manufacturing, merchandising, financial service, wholesale trades, and government. This certificate covers accounting and ethical principles necessary for financial reporting, analysis and critical review of accounting information. Entry-level employment opportunities include professional positions in financial statement auditing, income tax preparation, cost accounting, financial reporting and a number of trainee positions. Promotional opportunities include higher-level responsibilities in these same areas.

Note 1: Some of the courses listed in this certificate overlap with courses listed in the Certificate of Professional Accounting – Accounting Subjects and/or the Certificate of Professional Accounting – Business Subjects. It is imperative that an individual does not take any courses for this certificate that have already counted towards either the Certificate of Professional Accounting – Accounting Subjects or the Certificate of Professional Accounting – Business Subjects. Additionally, a student must understand the requirements for “Accounting Study” set forth by the CBA and listed below:

Minimum 6 semester units in accounting subjects

- Maximum 14 semester units in business-related subjects
- Maximum 9 semester units in other academic work relevant to business and accounting (maximum 3 units from any one area):
 - Skills-based courses – Courses completed in the following disciplines: English, Communications, Journalism, and the Physical, Life, Natural, & Social Sciences
 - Foreign Languages/Cultural & Ethnic Studies – Courses in foreign languages (including sign language) and courses with the terms “culture, cultural, or ethnic” in the titles
 - Industry-based courses – Courses with the words “industry” or “administration” in the title or courses completed in the following disciplines: Engineering, Architecture, and Real Estate
- Maximum 4 semester units in internships/independent studies in accounting and/or business-related subjects

For more information regarding the “Accounting Study” educational requirements set forth by the CBA please refer to: <http://www.dca.ca.gov/cba/applicants/ed-requirements.shtml>

Note 2: While a bachelor's degree is not a prerequisite to obtain this certificate, the student needs to obtain a bachelor's degree for CPA exam eligibility (may occur concurrently). In addition to passing the Uniform CPA exam and meeting the educational requirements, an individual must also meet general accounting and business work experience as required by the CBA for licensure. Please refer to <http://www.dca.ca.gov/cba/index.shtml> for a complete list of all requirements and options for licensure requirements for a CPA.

Note 3: A student may be eligible to sit for the CPA exam concurrent with obtaining this certificate. To qualify and sit for the Uniform CPA exam one will need a bachelor's degree and evidence of at least 24 semester units of business-related subjects and 24 semester units of accounting subjects. For more information regarding this requirement, please refer to:

<http://www.dca.ca.gov/cba/applicants/ed-requirements.shtml>

Learning Outcome(s):

1. Demonstrate accounting and business concepts in the certificate classes through examination and practical exercises.
2. Prepare accounting and business reports based upon relevant accounting and business principles.

Ethics - Required Courses - 10 Units:

	Units: 10
ACCT 212 Accountants' Ethics and Responsibilities	4
BUS 101 Business Law	3
–or–	
BUS 105 Legal Environment of Business	3
PHIL 108 Ethics	3

ACCT 104	Federal and California Taxes	4
BUS 130	Personal Finance	3
BUS 160	Introduction to Stock and Bond Investments	3

Select one of the following courses:

ACCT 102	Managerial Accounting	4
BUS 140	Principles of Finance	3

Total: 17-18**Enrolled Agent: Certificate of Proficiency (Untranscribed)**

Program Code: SAC.ACCTEA.CERT

The Enrolled Agent certificate curriculum prepares students for the three-part IRS Special Enrollment Examination. Specialized training in individual and business taxation increases students marketability, career mobility and earning potential in the field of taxation and accounting.

Enrolled Agent (or EA) is a tax advisor, who is a federally authorized tax practitioner empowered by the U.S. Department of the Treasury. Enrolled Agent status is the highest credential awarded by the IRS. Enrolled agents, like attorneys and certified public accountants (CPAs), have unlimited practice rights before the IRS. This means they may represent taxpayers before the IRS for tax issues that include audits, collections and appeals.

An enrolled agent designation is earned by passing a three-part comprehensive IRS test covering individual and business tax returns.

Learning Outcome(s):

- prepare basic tax returns for taxable and flow- through entities using commercially available tax software.
- develop a fundamental understanding of the components of taxable income determination across taxable entities, so that the student builds a foundation for effectively learning future tax laws.
- understand the basic rights and responsibilities of taxable entities in the U.S.

Core Courses for the certificate:

ACCT 101	Financial Accounting	4
ACCT 104	Federal and California Taxes	4
ACCT 108	Tax Practices and Procedures	3
ACCT 113	Intermediate Income Taxes – Corporations	2
ACCT 114	Intermediate Income Taxes - Partnerships and LLCs	2

Total: 15**Tax Preparer: Certificate of Proficiency (Untranscribed)**

Program Code: SAC.TAXPR.CERT

A tax preparer certificate prepares a student with knowledge and practical experience for individual income tax preparation and receive the qualifying education required by the California Tax Education Council (CTEC) to become a California Registered Tax Preparer (CRTP).

California law requires anyone who prepares (or assists with) tax returns for a fee, and is not an attorney, certified public accountant (CPA) or enrolled agent (EA), to register as a tax preparer with CTEC.

All CTEC Registered Tax Preparers (CRTP) must...

- *First* complete qualifying tax education from a CTEC-Approved Provider
- *Obtain* a PTIN (Preparer Tax Identification Number) from the IRS
- *Purchase* a \$5,000 tax preparer bond
- * CTEC now requires all new applicants to pass a background check and fingerprinting procedure (Live Scan) in order to become registered with CTEC.
- *Register* with CTEC within 18 months from the completion date on the certificate of completion
- *CTEC requires a Registration Fee* (amount varies by year)

Upon completion of this certificate program, a student would fulfill the education requirement to become a CRTP.

Entry-level employment opportunities include tax specialist and tax practitioner.

Growth potentials include management-level positions and self-employment opportunities.

Learning Outcome(s):

- process and file an individual federal tax return.

Total: 10-14**AMERICAN SIGN LANGUAGE****Introduction to ASL-English Interpreting: A.A. Degree**

Program Code: SAC.ASLEI.AA

Program Control Number: 42818

The Associate in Arts in Introduction to ASL-English Interpreting prepares students for paraprofessional careers and for a baccalaureate degree in American Sign Language (ASL)-English Interpreting from a four-year college or university. Career opportunities exist in many industries such as education, medical, business, and government. Upon completion of the AA in Introduction to ASL-English Interpreting, students will have skills in communicating via ASL, knowledge of Deaf culture, and an introductory awareness of ASL-English Interpreting and other professions within the Deaf community.

Learning Outcome(s):

- Apply receptive and expressive skills in maintaining an ongoing dialogue in American Sign Language with fluent users.
- Identify and explain the Deaf experience from cultural, educational, linguistic, sociological, psychological, and multicultural perspectives.
- Describe the requirements, roles, and responsibilities of an ASL/ English interpreter for the deaf, the skills and further education and training necessary to be a member of the profession.
- Interpret a brief passage in American Sign Language to English and in English to American Sign Language that accurately reflects the meaning of the passage.

American Sign Language: Certificate of Achievement (Transcribed)

Program Code: SAC.SIGN.CA

Program Control Number: 08710

The Certificate of Achievement in American Sign Language (ASL) is offered as preparation for developing linguistic competency in ASL and readiness for entering a formal Interpreter Training Program or as an added skill as a direct service provider: instructional assistant, social work, speech pathology, etc. The certificate indicates skill in the use of ASL for personal communication, knowledge of American Deaf Culture and an introductory awareness of Sign Language Interpreting and other professions working within the American Deaf community.

Learning Outcome(s):

1. Maintain an ongoing dialogue in ASL at an intermediate conversational level.

Requirements for the certificate:

	Units: 28
ASL 110 American Sign Language I	4
ASL 111 American Sign Language II	4
ASL 113 Introduction to Interpreting for the Deaf	3
ASL 114 Classifiers, Fingerspelling, and Numbering	3
ASL 116 Introduction to Deaf Studies	3
ASL 210 American Sign Language III	4
ASL 211 American Sign Language IV	4
THEA 110 Acting Fundamentals	3

Program Code: SAC.ANTH.AAT

Program Control Number: 33057

The Associate in Arts in Anthropology for Transfer (A.A.-T in Anthropology) is designed to prepare students for transfer into the CSU system to complete a baccalaureate degree in Anthropology. Please consult a counselor regarding specific course requirements for your transfer institution. Completion of the Associate in Arts in Anthropology for Transfer (A.A.-T in Anthropology) degree also provides guaranteed admission with junior status to the CSU system, although does not guarantee admission to a specific campus or major. **See Associate Degrees for Transfer for a list of additional requirements for all Associate of Arts for Transfer (AA-T) and Associate of Science for Transfer (AS-T) degrees.** Upon completion of the Associate in Arts in Anthropology for Transfer (A.A.-T in Anthropology) students will have an understanding of both the breadth and depth of the Anthropology discipline. This knowledge will be grounded in the comprehension of Anthropology principles, concepts, ideas, theories, research, and terminology. Students will also have the capacity to write and think in a critical and analytical way about issues pertaining to Anthropology and its application.

Learning Outcome(s):

1. Students will recognize and analyze the complex diversity of humans and their ancestors by examining our biological, cultural, and evolutionary adaptation utilizing the scientific method.

Anthropology: A.A. Degree

Program Code: SAC.ANTH.AA

Program Control Number: 04254

The associate degree curriculum in anthropology is designed as a program of basic courses for students considering professional careers as archeologists, ethnographers, linguists, physical anthropologists; for those preparing to become social science teachers in elementary or secondary schools; for such diverse fields as psychology, medicine, law, political science, international relations, economics, or history; and for individuals who plan public service careers in social work, health and welfare programs, foreign service. Students should consult with faculty members for advice in selecting course offerings best suited to the individual's particular career objectives. The associate of arts degree prepares the student to move into a curriculum at a four-year institution leading to a baccalaureate degree in these careers.

Learning Outcome(s):

- Students will be able to recognize and analyze the complex diversity of humans and their ancestors by examining our biological, cultural, and evolutionary adaptation utilizing the scientific method.

Course		Units: 12
ANTH 100	Introduction to Cultural Anthropology	3

ART**Art History: A.A.-T Degree for Transfer**

Program Code: SAC.ARTH.AAT

Program Control Number: 32146

The Associate in Arts in Art History for Transfer (AA-T) prepares students to move into a curriculum at a four-year institution leading to a baccalaureate degree in Art History, and then into careers in fine arts include art education, interior design, gallery operation, art merchandising, studio artist, illustration, art criticism, computer graphics and animation and related fields. Please consult a counselor regarding specific course requirements for your transfer institution. Completion of the AA-T degree also provides guaranteed admission with junior status to the CSU system, although does not guarantee admission to a specific campus or major. **See Associate Degrees for Transfer for a list of additional requirements for all Associate in Arts for Transfer (AA-T) and Associate in Science for Transfer (AS-T) degrees.** Upon completion of the AA-T in Art History, students will be able to recognize specific styles of art, apply vocabulary pertinent to the discussion of art both in and out of the classroom, and demonstrate an understanding of the technical processes of various art media by developing an art portfolio that demonstrates a broad knowledge of subject matter. Furthermore, students will be able to demonstrate an understanding of the principles of design and the elements of art, as well as identify relationships between art and society in which it is created, and apply criteria for viewing and judging art.

Learning Outcome(s):

- Demonstrate a working knowledge of the vocabulary of art, its materials, tools, and techniques.
- Demonstrate skills in formal analysis and comparison/contrast of art works, artistic theory and criticism in oral and written form.
- Demonstrate a general knowledge of history, its themes and chronology that are reflected in world art of the various periods of time.

Required Core Courses (9 units) Units: 9

Total: 32-34.5**Graphic Design: A.A. Degree**

Program Code: SAC.ARTGD.AA

Program Control Number: 10665

The associate degree curriculum in Graphic Design prepares students for entry into the broad field of visual communication, with an emphasis on the development of problem solving in the practical application of graphic design. These applications include design for the print media, advertising, architectural and environmental graphics, packaging, logos, corporate identity, the web and other electronic media, using both digital media tools as well as traditional hand skills. Completion of this associate degree provides for entry into a profession in a variety of areas: e.g., advertising agency, printing house, design studio, freelance work and related businesses.

This program plan is designed with transfer preparation to a 4-year university in mind.

Please consult www.assist.org and meet with a counselor for information about courses for specific universities.

Learning Outcome(s):

- Express through written research an understanding of the history of graphic design.
- Create for an audience unique conceptual graphics that carry messages and meaning through visual symbolism.
- Utilize professional software to design graphics with destination output in mind, addressing issues of file types, resolution, color profiles, and multiple media applications.

Total: 23-30**Crafts Certificate in Jewelry: Certificate of Achievement (Transcribed)**

Program Code: SAC.ARTJW.CA

Program Control Number: 08726

The certificate program in crafts offers courses that provide the aesthetic, technical knowledge and special skills necessary to design and produce hand crafted objects. Whether the interest is in exhibiting crafts as an art form or producing work with more commercial applications, the program provides for study in two areas, jewelry/crafts and glass/crafts. This program is primarily designed to prepare art students as freelance artists/craftsmen.

Learning Outcome(s):

- Demonstrate visual literacy, including competency in the nonverbal languages of art and design.
- Demonstrate competency in critical analysis and verbal and written responses to visual phenomena.
- Acquire the aesthetic knowledge and technical skills (including stone-setting and enameling) necessary to become a freelance artist/craftsman who creates hand-crafted jewelry.

Public and Community Art - Mural Painting: Certificate of Achievement (Transcripted)

Program Code: SAC.ARTMU.CA

Program Control Number: 35672

1. The certificate program in Public and Community Art – Mural Painting is designed to prepare students for employment in both the designing and painting of large-scale public art murals. These murals are in demand by communities (such as city governments, schools, parks) to enhance and beautify public and private sites and to combat blight and graffiti. Public and private institutions use murals to brand their visual logos and promote specific messages on their public sites. Private businesses also want to brand their locations with large paintings or murals that include visual images and graphic signage. Students in this program will utilize both digital and traditional techniques from visual composition, illustration, sign painting, and fine art painting while integrating historical, traditional and contemporary mural painting styles. Students will also gain the specialized training needed (including how to prepare exterior walls for murals, specialized paints and protective coatings, safety measures and specialized equipment, and composing designs digitally for large application) to confidently seek employment in the above areas.

Career opportunities include being the fine artist who creates, designs and paints murals, and/or using the acquired skills to be hired for mural restoration, as a fine arts painter, illustrator or the creation of hand-painted graphics; set and exhibit designer and creator, and also painter for construction and maintenance purposes.

Learning Outcome(s):

1. Increase and develop skills in both digital and traditional techniques including visual composition, illustration, sign painting, and fine art painting while integrating historical, traditional and contemporary mural painting styles.
2. Apply the mural creation process, from concept and composition through drawing, transferring design to site-specific locations or portable panels, painting, and post-production.
3. Utilize training specific to mural painting including composing designs digitally for large application, how to prepare exterior walls for murals, specialized paints and protective coatings, safety measures and specialized equipment.

Complete Core Required Courses:

ART 110	Two-Dimensional Design	3
ART 130	Introduction to Drawing	3
	–or–

AUTOMOTIVE TECHNOLOGY

Automotive Technology: A.S. Degree

Program Code: SAC.AUTO.AS

Program Control Number: 04209

In addition to the general education requirements, the associate degree in automotive technology is designed to prepare students for employment in modern automotive service and repair. Technical instruction includes lecture and lab experiences in a variety of automotive subjects which students may select according to their interests. Employment opportunities are available at dealerships, independent shops, and fleet services for both domestic and import vehicles.

Learning Outcome(s):

1. Demonstrate skills in locating service information and procedures on automotive systems.
2. Explain the eight areas of automotive as divided by Automotive Service Excellence (ASE).
3. Summarize how the vehicle systems work together to propel the vehicle.
4. Develop the skills to properly make measurements and analyze vehicle concerns.

Core course

AUTO 102 Introduction to Automotive **Units: 3**

Plus 25 units selected from the following:

AUTO 111	Engine Repair	5
AUTO 112	Automatic Transmissions and Transaxles	4.5
AUTO 113	Manual Drive Train and Axles	4.5
AUTO 114	Suspension and Steering	4.5

Total: 28

Mopar Automotive Technician: A.S. Degree

Program Code: SAC.AUMAT.AS

Program Control Number: 42819

The Mopar Automotive Technician Associate of Science degree is designed to prepare students for employment at a Chrysler, Dodge, Jeep, Ram, and Alfa-Romeo dealership. Technical instruction includes lecture and lab experiences in a specific Mopar content which focuses on Mopar concepts such as electrical circuits, gasoline engine repair, suspension, steering, tires, alignment, brakes, transmissions, diesel engines, engine diagnostics, high voltage systems, air conditioning, heating, and work experience at a Mopar dealership. Students will be prepared for employment at a Mopar dealership as an entry-level technician, lube technician, or apprentice. This degree requires the completion of general education in addition to the automotive courses. Students are required to complete 10 units of AUTO-299, Automotive Cooperative Work Experience (repeatable course) as part of the degree.

Learning Outcome(s):

1. Explain the eight areas of a vehicle as determined by Automotive Service Excellence (ASE).
2. Identify the minimum requirements for becoming a master Mopar technician employed at a dealership.
3. Use the proper tools and equipment to perform routine maintenance on a Mopar vehicle.

Required Courses

	Units: 42
AUTO 220 Introduction to Mopar Career Automotive Program	2
AUTO 221 Mopar Electrical Phase 1	3
AUTO 222 Mopar Engine Repair & Maintenance	3
AUTO 223 Mopar Chassis Systems	3
AUTO 224 Mopar Brakes and Driveline	3
AUTO 225 Mopar Transmissions	3
AUTO 226 Mopar Electrical Phase 2	3
AUTO 227 Mopar Diesel Engines	3
AUTO 228 Mopar Engine Controls	3
AUTO 229 Mopar High Voltage and NVH	3
AUTO 230 Mopar Air Conditioning Systems	3
AUTO 299 Automotive Cooperative Work Experience*	1-4

*Must complete 10 units of AUTO-299 (repeatable course).

Total: 42**Alternative Powertrain Technology: Certificate of Achievement (Transcripted)**

Program Code: SAC.AUAPT.CA

Program Control Number: 40506

This certificate is designed for students seeking training in alternative powertrains and high voltage systems. Students will learn about various vehicle manufacturers and municipalities which require specific training for non-gasoline powered vehicles. Furthermore, the certificate coursework focuses on safe practices when working on alternative powertrains and high voltage systems. Students can find suitable employment at new car dealerships and fleet services or municipalities.

Learning Outcome(s):

1. Explain the various types of fuels available to propel modern vehicles and the advantages/disadvantages of each fuel.
2. Demonstrate safe handling practices and procedures when working with high voltage systems.

AUTO 102 Introduction to Automotive	3
AUTO 119 Light Vehicle Diesel Engines	3
AUTO 260 Introduction to Hybrid/Electric Vehicles	5
AUTO 284 Automotive Emerging Technologies	3

Total: 14**Automotive Applied Skills: Certificate of Achievement (Transcripted)**

Program Code: SAC.AUTAS.CA

Program Control Number: 43824

This certificate is for students seeking hands-on applications and skill building. Courses in the certificate are aimed at providing students with applied skills in four major automotive topics.

Learning Outcome(s):

1. Explain the differences between disc and drum brake systems.
2. Explain the threealignment angles.
3. Use tire machines to unmount, mount, and balance a tire and wheel.
4. Use a digital multimeter to measure voltage, resistance, and amperage.

Required Courses (Must complete 4 units of AUTO-299) Units: 9

AUTO 114B Suspension and Steering Lab	1.5
AUTO 115B Brakes Lab	1.5
AUTO 116B Electrical Fundamentals Lab	1
AUTO 118B Engine Performance Lab	1
AUTO 299 Work Experience - Automotive	0.5-4

Total: 9**Automotive Essentials: Certificate of Achievement (Transcripted)**

Program Code: SAC.AUTOE.CA

Program Control Number: 43816

The certificate in Automotive Essentials provides students with theoretical knowledge and understanding of the operations and functions of four major automotive areas. This certificate is designed for students seeking knowledge without hands-on applications. Students completing this certificate may find employment in non-technical automotive areas.

Learning Outcome(s):

1. Explain the brake hydraulic system operation.
2. Explain tire sizes, temperatures ratings, speed ratings, load index, and wear ratings.
3. Explain the conventional electrical theory.
4. Explain how the fuel and ignition systems work together to create engine power.

Required Courses

AUTO 114A Suspension and Steering Lecture	3
AUTO 115A Brakes Lecture	3
AUTO 116A Electrical Fundamentals Lecture	4
AUTO 118A Engine Performance Lecture	4

Total: 14**Automotive Fundamentals: Certificate of Achievement (Transcripted)**

Program Code: SAC.AUTF.CA

Program Control Number: 32750

The certificate in Automotive Fundamentals is designed to prepare the student to better understand the basic concepts of automotive technology. Students would be qualified for entry-level, non-technical positions as automotive service advisors in dealerships, service establishments, and automotive centers in the auto industry. Through the completion of this program, an individual would be better aware of the foundational aspects of the automotive operation.

Learning Outcome(s):

1. Explain basic mechanical and electrical vehicle operation.
2. Explain new technologies in the automotive industry.

Core Courses

AUTO 101A Automotive Mechanical Operation	3
AUTO 101B Automotive Electrical Operation	3
AUTO 284 Automotive Emerging Technologies	3

Total: 9

Automotive Manufacturer Exploration: Certificate of Achievement (Transcripted)

Program Code: SAC AUME CA

Program Control Number: 40487

This certificate is designed for students seeking manufacturer-specific training for employment at a new car dealership. The coursework provides a foundation for introductory aspects of automotive systems but focuses on specific training and information for a select vehicle manufacturer.

Students will complete training similar to that of service technicians employed at dealerships.

Learning Outcome(s):

1. Use a manufacturer specific scan tool to retrieve diagnostic trouble codes and use manufacturer service information to diagnosis code.
2. Demonstrate the ability to use manufacturer specialty tools to disassemble and reassemble a manufacturer specific components.
3. Use manufacturer service information to find repair and maintenance procedures.

AUTO 102	Introduction to Automotive	3
AUTO 190	Automotive Manufacturer Exploration	3
AUTO 284	Automotive Emerging Technologies	3

Total: 9**Chassis Service Option: Certificate of Achievement (Transcripted)**

Program Code: SAC.AUTCS.CA

Program Control Number: 08713

The certificate in chassis service is designed to prepare the student for entry into the specialized field of brake, wheel, tire, alignment, front/rear suspension, and steering service on both import and domestic vehicles.

Learning Outcome(s):

1. Identify chassis and brake components on modern vehicles
2. Explain the function and operation of steering systems
3. Compare alignment measurements for modern vehicles
4. Express brake principles and function

Core courses	Units: 3	
AUTO 102	Introduction to Automotive	3

Required courses	Units: 14	
AUTO 114	Suspension and Steering	4.5

-or-

AUTO 114A	Suspension and Steering Lecture	3
AUTO 114B	Suspension and Steering Lab	1.5
AUTO 115	Brakes	4.5

-or-

AUTO 115A	Brakes Lecture	3
AUTO 115B	Brakes Lab	1.5
AUTO 116	Electrical Fundamentals	5

-or-

AUTO 116A	Electrical Fundamentals Lecture	4
AUTO 116B	Electrical Fundamentals Lab	1

Elective - choose one course (Complete 3.0 units of AUTO 299 if chosen as elective.)

Units: 3		
AUTO 190	Automotive Manufacturer Exploration	3

-or-

AUTO 284	Automotive Emerging Technologies	3
----------	----------------------------------	---

-or-

AUTO 299	Work Experience - Automotive	0.5-4
----------	------------------------------	-------

Total: 20**Drive Train Service Option: Certificate of Achievement (Transcripted)**

Program Code: SAC.AUTDT.CA

Program Control Number: 17343

The certificate in drive train service is designed to prepare the student for entry into the specialized field of standard and automatic transmissions, driveline, and differential service and repair on both import and domestic vehicles.

Learning Outcome(s):

1. Explain the purpose and function of transmission and drivetrain systems
2. Identify the different types of transmissions used in modern automobiles
3. Demonstrate proper disassembly and reassembly procedures of drivetrain components

Course	Units: 17	
AUTO 102	Introduction to Automotive	3
AUTO 116	Electrical Fundamentals	5
AUTO 112	Automatic Transmissions and Transaxles	4.5
AUTO 113	Manual Drive Train and Axles	4.5
Total: 17		

Electric/Hybrid Vehicle Technician: Certificate of Achievement (Transcripted)

Program Code: SAC.AUEHT.CA

Program Control Number: 39571

This program focuses on electrical theory, diagnosis, and application with a concentration on electric and hybrid vehicles. The courses in the program are designed to give students experience with the electrical systems and electric propulsion systems found on modern automobiles. Once students complete the program, they may seek employment at new car dealerships, municipality service centers, or with specific electric vehicle manufacturers.

Learning Outcome(s):

1. Apply watts law and ohms law to diagnose an automotive electrical system fault.
2. Explain the operation of alternating and direct current as used in an electric vehicle.
3. Describe the safety procedures and required safety equipment when working with electric and hybrid vehicles.

Required Courses	Units: 18	
AUTO 102	Introduction to Automotive	3
AUTO 116	Electrical Fundamentals	5
AUTO 216	Electrical Systems	5
AUTO 260	Introduction to Hybrid/Electric Vehicles	5
Total: 18		

Engine Performance and Electrical Option: Certificate of Achievement (Transcripted)

Program Code: SAC.AUTEP.CA

Program Control Number: 08714

The curriculum in engine performance and electrical service engine performance certificate is designed to prepare students for entry into the specialized field of domestic and import automotive engine performance, electrical and air conditioning service. Advances in electronics have increased the demand for technical skills and knowledge in these specialized areas.

Learning Outcome(s):

1. Use service information and diagnosis procedures to find electrical and engine performance related faults.
2. Use an automotive scantool to retrieve trouble codes and activate various outputs.
3. Explain how electronically controlled components are used by the engine control module and climate control system.

Course	Units: 20
AUTO 116 Electrical Fundamentals	5
AUTO 117 Heating and Air Conditioning	5
AUTO 118 Engine Performance	5
AUTO 216 Electrical Systems	5
Total: 20	

Engine Performance Option: Certificate of Achievement (Transcripted)

Program Code: SAC.AUEPO.CA

Program Control Number: 13462

The certificate in engine performance is designed to prepare students for entry into the specialized field of diagnosing, testing, and repairing computer-controlled ignition, fuel, and emission systems. Students will focus on modern computer-controlled vehicles, emphasizing diagnosing faulty sensors, emission control devices, electrical systems, and scan tool usage.

Learning Outcome(s):

1. Explain modern vehicle on-board diagnostic systems.
2. Apply diagnostic repair procedures on modern vehicles.
3. Describe the function and operation of vehicle computer networking systems.
4. Demonstrate skills in locating service information and procedures related to advanced engine performance systems.

Engine Service Option: Certificate of Achievement (Transcripted)

Program Code: SAC.AUTES.CA

Program Control Number: 08715

The certificate curriculum in engine service is designed to prepare students as engine service helpers and apprentices. Course content includes engine diagnostic skills, measurement, engine tear-down, and assembly. Timing belts, variable cam timing, turbochargers, and other engine components are covered. The program will enable those already employed in the field to upgrade their skills in engine maintenance and service.

Learning Outcome(s):

1. Identify the different types of engine designs
2. Demonstrate engine assembly procedures
3. Explain engine maintenance requirements for modern gasoline engines

Mopar Advanced Systems: Certificate of Achievement (Transcripted)

Program Code: SAC.AUMAS.CA

Program Control Number: 42834

The Mopar Advanced Systems certificate of achievement is designed to prepare students for employment at a Chrysler, Dodge, Jeep, Ram, and Alfa-Romeo dealership. Technical instruction includes lecture and lab experiences in a specific Mopar content which focuses on Mopar advanced concepts such as hybrid and electric vehicles, Mopar 4xe system, noise, vibration, and harness diagnosis, air conditioning systems, heating systems, and diagnosis of related components. Students will be prepared for employment at a Mopar dealership as an entry-level technician, lube technician, or apprentice. Students are required to complete 10 units of AUTO-299, Automotive Cooperative Work Experience (repeatable course) as part of the certificate.

Learning Outcome(s):

1. Explain the proper safety procedures and precautions when working with high voltage systems.
2. Identify the major high voltage components of a hybrid and electric vehicle.
3. Use an air conditioning recover and recharge machine to perform an A/C service on a Mopar vehicle.
4. Demonstrate the necessary requirements to obtain employment at a Mopar dealership.

Required Courses

AUTO 229 Mopar High Voltage and NVH	3
-------------------------------------	---

AUTO 230 Mopar Air Conditioning Systems	3
---	---

AUTO 299 Automotive Cooperative Work Experience*	1-4
--	-----

*Must complete 10 units of AUTO-299 (repeatable course).

Total: 16

Mopar Drivability Systems: Certificate of Achievement (Transcripted)

Program Code: SAC.AUMDS.CA

Program Control Number: 42833

The Mopar Drivability Systems certificate of achievement is designed to prepare students for employment at a Chrysler, Dodge, Jeep, Ram, and Alfa-Romeo dealership. Technical instruction includes lecture and lab experiences in a specific Mopar content which focuses on Mopar drivability concepts such as sensors, computers, diesel engines, advanced electrical, network communication, emission control devices, emission regulations, scantool usage, and on-board diagnosis. Students will be prepared for employment at a Mopar dealership as an entry-level technician, lube technician, or apprentice.

Learning Outcome(s):

1. Use Mopar service information and electrical testing tools to find a short-to-ground and high resistance electrical faults.
2. Use the Mopar wiTECH to retrieve diagnostic trouble codes and find data stream inputs for a gasoline and diesel engine.
3. Explain engine control module interpretation of inputs and outputs to obtain a desired air/fuel ratio.
4. Identify the major components of a Mopar diesel engine.

Required Courses

AUTO 226	Mopar Electrical Phase 2	Units: 9	3
AUTO 227	Mopar Diesel Engines		3
AUTO 228	Mopar Engine Controls		3
		Total: 9	

Mopar Fundamentals: Certificate of Achievement (Transcripted)

Program Code: SAC.AUMF.CA

Program Control Number: 42832

The Mopar Fundamentals certificate of achievement is designed to prepare students for employment at a Chrysler, Dodge, Jeep, Ram, and AlfaRomeo dealership. Technical instruction includes lecture and lab experiences in a specific Mopar content which focuses on Mopar fundamental concepts such as basic diagnosis, training requirements, engine design, vehicle maintenance, and chassis systems. Students will be prepared for employment at a Mopar dealership as an entry-level technician, lube technician, or apprentice.

Learning Outcome(s):

1. Explain Mopar vehicle maintenance standards and requirements.
2. Employ the Mopar WiTech and Micropod to perform basic diagnostics on a vehicle.
3. Describe the process and requirements to become a Mopar Master Technician.

Required Courses

AUTO 220	Introduction to Mopar Career Automotive Program	Units: 8	2
AUTO 221	Mopar Electrical Phase 1		3
AUTO 222	Mopar Engine Repair & Maintenance		3
		Total: 8	

Mopar Mechanical Systems: Certificate of Achievement (Transcripted)

Program Code: SAC.AUMMS.CA

Program Control Number: 42831

The Mopar Mechanical Systems certificate of achievement is designed to prepare students for employment at a Chrysler, Dodge, Jeep, Ram, and Alfa-Romeo dealership. Technical instruction includes lecture and lab experiences in a specific Mopar content which focuses on Mopar mechanical concepts such as suspension, steering, wheels, tires, alignment, brakes, power brakes, driveline, automatic transmissions, manual transmissions, and diagnosis of related components. Students will be prepared for employment at a Mopar dealership as an entry-level technician, lube technician, or apprentice.

Learning Outcome(s):

1. Identify the major components of the steering and suspension systems on modern Mopar vehicles.
2. Explain the operation and purpose of the brake hydraulic system on modern vehicles.
3. Use service library and Mopar specific tools to disassemble and assemble a transmission.

Required Courses

AUTO 223	Mopar Chassis Systems	Units: 9	3
AUTO 224	Mopar Brakes and Driveline		3
AUTO 225	Mopar Transmissions		3
		Total: 9	

Mopar Service Technician: Certificate of Achievement (Transcripted)

Program Code: SAC.AUMSE.CA

Program Control Number: 42830

The Mopar Service Technician certificate of achievement is designed to prepare students for employment at a Chrysler, Dodge, Jeep, Ram, and Alfa-Romeo dealership. Technical instruction includes lecture and lab experiences in a specific Mopar content which focuses on Mopar concepts such as electrical circuits, gasoline engine repair, suspension, steering, tires, alignment, brakes, transmissions, diesel engines, engine diagnostics, high voltage systems, air conditioning, heating, and work experience at a Mopar dealership. Students will be prepared for employment at a Mopar dealership as an entry-level technician, lube technician, or apprentice. Students are required to complete 10 units of AUTO-299, Automotive Cooperative Work Experience (repeatable course) as part of the certificate.

Learning Outcome(s):

1. Explain the eight areas of a vehicle as determined by Automotive Service Excellence (ASE).
2. Identify the minimum requirements for becoming a master Mopar technician employed at a dealership.
3. Use the proper tools and equipment to perform routine maintenance on a Mopar vehicle.

Required Courses

AUTO 220	Introduction to Mopar Career Automotive Program	Units: 42	2
AUTO 221	Mopar Electrical Phase 1		3
AUTO 222	Mopar Engine Repair & Maintenance		3
AUTO 223	Mopar Chassis Systems		3
AUTO 224	Mopar Brakes and Driveline		3
AUTO 225	Mopar Transmissions		3
AUTO 226	Mopar Electrical Phase 2		3
AUTO 227	Mopar Diesel Engines		3
AUTO 228	Mopar Engine Controls		3
AUTO 229	Mopar High Voltage and NVH		3
AUTO 230	Mopar Air Conditioning Systems		3
AUTO 299	Automotive Cooperative Work Experience*		1-4

*Must complete 10 units of AUTO-299 (repeatable course).

Total: 42

BIOLOGY

Biology: A.S.-T Degree for Transfer

Program Code: SAC.BIOL.AST

Program Control Number: 35134

The Biology Associate in Science for Transfer degree (AS-T) prepares students for coursework leading to a baccalaureate degree in Biology at the CSU system. Please, consult a counselor regarding specific course requirements for your transfer institution. Completion of the AS-T degree also provides guaranteed admission with junior standing to the CSU system, although does not guarantee admission to a specific campus or major. Students earning a Biology AS-T should select either IGETC for STEM or CSU-GE for STEM to complete the general education requirement. **See Associate Degrees for Transfer for IGETC for STEM and CSU-GE for STEM requirements.** Upon completion of the Biology AS-T degree, students will have the necessary foundation for upper division coursework as biology majors. The Biology AS-T is a starting point for students who are preparing for careers in biological sciences, biomedical sciences and related fields including research, consulting and government work, where scientific and technical skills are in high demand. NOTE: Completion of IGETC for STEM or CSU-GE for STEM is recommended for the general education portion of this degree. For those completing IGETC for STEM and planning to meet the CSU admission requirement an oral communication course, IGETC Area 1A, must be included.

Requirements

Student completion requirements for the associate degree for transfer:

- 60 semester or 90 quarter CSU transferable units
- the California State University General Education-Breadth pattern (CSU GE Breadth); OR the Intersegmental General Education TransferCurriculum (IGETC) pattern
- a minimum of 18 semester or 27 quarter units in the major or area of emphasis as determined by the community college district
- obtainment of a minimum grade point average (GPA) of 2.0
- earn a grade of "C" or better, (or "P") in all courses required for the major or area of emphasis

Learning Outcome(s):

- Students will successfully complete the sequence of biology courses needed for transfer (Biology 211 and 212, or Biology 211 and 214).
- Students will successfully transfer to universities.

Required Core

BIOL 211	Cellular and Molecular Biology	5
	–and–	
BIOL 212	Animal Diversity and Ecology	5
	–and–

Total: 37

Biological Science: A.S. Degree

Program Code: SAC.BIOL.AS

Program Control Number: 04185

The associate degree in biological science prepares students for preprofessional careers and a curriculum in a four-year institution leading to a baccalaureate degree in such areas as microbiology, botany, zoology, molecular biology and teaching. The biologist is also prepared to enter graduate or professional programs of specialized study such as medicine, dentistry, medical technology, osteopathy, veterinary medicine, agriculture, forestry, optometry, cell biology, molecular biology and dental hygiene. See counseling for transfer requirements. This is a sample map based on the 21-22 catalog. Please meet with a counselor to confirm the requirements for achieving your educational goals.

Learning Outcome(s):

- Students will successfully complete the sequence of biology courses needed for transfer (Biology 211 and 212)
- Students will successfully transfer to universities.

Course

BIOL 211	Cellular and Molecular Biology	5
BIOL 212	Animal Diversity and Ecology	5
BIOL 214	Plant Diversity and Evolution	5

–or–

BIOL 290	Biochemistry and Molecular Biology	5
CHEM 229	General Chemistry and Qualitative Analysis	5

Select a minimum of 3 units from the following electives: Units: 3-5

BIOL 127	Ecology	1
BIOL 128	Natural History of the California Coast	1
BIOL 132	Natural History of Death Valley	1
BIOL 133	Desert Biology	1

BIOL 229	General Microbiology	5
BIOL 239	General Human Anatomy	4
BIOL 249	Human Physiology	4
BIOL 259	Environmental Biology	4
BIOL 129	Ecology of Southern California	1
BIOL 131	Natural History of the Southwest	3

Total: 23-25

Biotechnology: A.S. Degree

Program Code: SAC.BIOT.AS

Program Control Number: 33690

The associate degree in biotechnology prepares students for careers in a wide variety of industry or for curriculum at a four-year institutions leading to a baccalaureate degree in such areas as molecular biology, biochemistry, cell biology and biomanufacturing. These fields provide career opportunities in biotechnology, biomanufacturing, research and development, and teaching. See counseling for transfer requirements.

Learning Outcome(s):

- Students will know how genetically engineer a gene, subclone and express it to obtain a purified sample of a genetically engineered protein.

Required	Units: 30
BIOL 191 Biotech A: Basic Skills	4
BIOL 192 Biotech B: Proteins	4
BIOL 193 Biotech C: Nucleic Acids	4
BIOL 194 Quality and Regulatory Compliance in Biosciences	2
BIOL 202 Cell Culture Techniques	2
BIOL 211 Cellular and Molecular Biology	5
CHEM 219 General Chemistry	5
–or–	
CHEM 219HHonors General Chemistry	5
MATH 219 Statistics and Probability	4

MATH 219H Honors Statistics and Probability	4
Total: 30	

Biotechnology Biomanufacturing Technician: Certificate of Achievement (Transcribed)

Program Code: SAC.BTMFT.CA

Program Control Number: 32998

This certificate program in biotechnology biomanufacturing is designed to prepare students for entry level positions in the biomanufacturing industry in fields requiring basic laboratory skills such as aseptic technique, solution preparation, standard equipment utilization as well as knowledge of protein expression and purification.

Learning Outcome(s):

- Students will know how to obtain a purified sample of a genetically engineered protein.

Required Courses	Units: 11
BIOL 192 Biotech B: Proteins	4
BIOL 194 Quality and Regulatory Compliance in Biosciences	2
CHEM 219 General Chemistry	5
–or–	
CHEM 219HHonors General Chemistry	5
Total: 11	

Biotechnology Lab Assistant: Certificate of Achievement (Transcribed)

Program Code: SAC.BIOLA.CA

Program Control Number: 41874

This certificate program is designed to prepare students for entry level jobs as laboratory assistants in biotechnology and related fields in the bioscience industry or academia.

Learning Outcome(s):

- Students will be able to operate and maintain standard equipment within a Biotechnology laboratory.

Required courses.	Units: 12-13
BIOL 190 Introduction to Biotechnology	3
–and–	
BIOL 190L Introductory Biotech Lab	1
–or–	
BIOL 139 Health Microbiology	4
–or–	
BIOL 211 Cellular and Molecular Biology	5
–or–	
BIOL 229 General Microbiology	5
BIOL 191 Biotech A: Basic Skills	4
CHEM 209 Introductory Chemistry	4
Total: 12-13	

Biotechnology Laboratory Technician: Certificate of Achievement (Transcribed)

Program Code: SAC.BTLT.CA

Program Control Number: 32959

This certificate curriculum is designed to prepare students with the skills they need to work in the upstream processing area of a biotechnology company or provide them with the foundation necessary to transfer to a 4 year university to continue their studies in biotechnology.

Learning Outcome(s):

- Students will know how to subclone a gene into a cloning vector.

Required Courses	Units: 6
BIOL 193 Biotech C: Nucleic Acids	4
BIOL 202 Cell Culture Techniques	2
at least 8 units from the following list	Units: 28-43
BIOL 177 Human Genetics	3
BIOL 211 Cellular and Molecular Biology	5
BIOL 290 Biochemistry and Molecular Biology	5
BIOL 229 General Microbiology	5
BIOL 139 Health Microbiology	4
CHEM 229 General Chemistry and Qualitative Analysis	5
BIOL 197 STEM Internship/Work Experience	1-16
Total: 34-49	

QC/QA Microbiology Technician: Certificate of Achievement (Transcribed)

Program Code: sac.btlqc.ca

Program Control Number: 32999

This certificate curriculum in quality assurance and quality control microbiology and biology is designed to prepare students for careers in fields such as biotechnology, medical devices, pharmaceuticals, biologicals, food safety, biomanufacturing, and testing laboratories.

Learning Outcome(s):

- Demonstrate knowledge of quality assurance and regulatory compliance.
- Students will be able to keep an industry standard notebook.
- Students will be able to perform industry standard quality control testing.

Required	Units: 13
BIOL 229 General Microbiology	5
BIOL 195 Biotech: QC Microbiology	2
BIOL 191 Biotech A: Basic Skills	4
BIOL 194 Quality and Regulatory Compliance in Biosciences	2

BUSINESS ADMINISTRATION

Business Administration 2.0: A.S.-T Degree for Transfer

Program Code: SAC.BUS2.AST

Program Control Number: 41816

The Associate in Science in Business Administration for Transfer (AS-T) prepares students to move into a curriculum at a four-year institution leading to a baccalaureate degree in Business Administration. Please consult a counselor regarding specific course requirements for your transfer institution. Completion of the AS-T degree also provides guaranteed admission with junior status to the CSU system, although does not guarantee admission to a specific campus or major. **See Associate Degrees for Transfer for a list of additional requirements for all Associate in Arts for Transfer (AA-T) and Associate in Science for Transfer (AS-T) degrees.**

Upon completion of the AS-T degree in Business Administration, students will have a general understanding of business fundamentals, including the areas of accounting, economics, and computer information systems. In addition, they will have an understanding of the legal environment of business, and will have a sufficient understanding of mathematical concepts to enable them to successfully pursue a business degree at a four-year institution.

The AS-T degree in Business Administration is appropriate for students whose vocational plans include careers in business fields such as accounting, computer information systems, finance, management, marketing, or other business fields.

NOTE: This degree was revised effective Fall 2022. Students who begin this program at SAC prior to Fall 2022 may have catalog rights to the previous version. Please see a counselor for additional information.

Learning Outcome(s):

- communicate business and financial information in a clear, concise, and well organized manner.
- apply financial, accounting, and business knowledge to collaborate with others toward a common goal.
- integrate core concepts and theories across functional areas of business.

Required Core:

Units: 28-29.5

ACCT 101	Financial Accounting	4
ACCT 102	Managerial Accounting	4
ECON 120	Principles/Macro	3
ECON 121	Principles/Micro	3
BUS 101	Business Law	3
	–or–	
BUS 105	Legal Environment of Business	3
	–or–	
LAW 105	The Legal Environment of Business	3
MATH 219	Statistics and Probability	4
	–or–	
MATH 219H	Honors Statistics and Probability	4
	–or–	
MATH 219S	Statistics and Probability with Support	4.5
	–or–	
PSYC 210	Statistics for the Behavioral Sciences	4
MATH 145	Finite Mathematics	4
	–or–	
MATH 150	Calculus for Biological, Management and Social Sciences	5
BUS 100	Fundamentals of Business	3
	–or–	
BUS 222	Business Writing	3

Total: 28-29.5

Business Administration: A.A. Degree

Program Code: SAC.BUS.AA

Program Control Number: 10565

The associate degree curriculum in business administration enables students to move into a curriculum at a four-year institution leading to a baccalaureate degree. Career opportunities exist in many areas of business administration such as accounting, financial planning and analysis, financial service specialties, management, marketing and sales, production and logistics, and systems and technology development.

Learning Outcome(s):

- Students will create clear, concise, well organized written business documents such as memos, reports, and executive summaries including financial information that can be used in an effective manner to communicate.
- Students will possess adequate technical knowledge to create financial information to be used in the accounting and related business environment.
- Students will be able to transfer to a 4 year university as a business administration major.

Core courses for the associate in arts or science degree: Units: 23

ACCT 101	Financial Accounting	4
ACCT 102	Managerial Accounting	4
ECON 120	Principles/Macro	3
ECON 121	Principles/Micro	3
BUS 150	Introduction to Information Systems and Applications	3
BUS 222	Business Writing	3

Select ONE of the following:

BUS 101	Business Law	3

	Units: 1-4
PARA 100 Law and Society	3
LAW 100 Law and Society	3
MA 051A Beginning Medical Terminology	3
BA 102 Professional Skills & Career Readiness	3
PARA 105 Cooperative Work Experience Education - Occupational	1-4
PARA 299 Cooperative Work Experience Education	1-4
LAW 299 Cooperative Work Experience Education - Occupational	1-4
BUS 103 Cooperative Work Experience-Occupational	1-4
SPAN 195A Advanced Conversational Spanish	3

Total: 29-33**Vietnamese / English Interpretation and Translation: Certificate of Achievement (Transcripted)**

Program Code: SAC.BAVE.CA

Program Control Number: 40726

The Vietnamese / English Interpretation and Translation certificate program provides proper bilingual skills training by professional interpreters and translators. Learn about careers that employ bilingual skills and how to provide interpreting and translating services for a variety of industries including business, medical, education, government, and legal. Bilingual employment requires language proficiency in both Vietnamese and English (written and verbal), knowledge of industry terminology, technology skills for in-person and remote services, customer service skills, and an understanding cultural and social communication. Must be fluent in Vietnamese and English to successfully complete this program.

Learning Outcome(s):

1. Identify interpreter and translator career opportunities and the requirements to succeed in related careers.
2. Demonstrate proper grammatical use of business, legal, medical, education, and government terminology in both English and Vietnamese interpretations and translations.
3. Understand and identify the responsibilities of interpreters and translators related to conduct, civic duties, and code of ethics.

Required courses:

	Units: 24
BA 140 Introduction to Vietnamese Bilingual Interpreting	3
BA 141 Business Interpretation and Translation - Vietnamese / English	3
BA 142 Medical Interpretation and Translation - Vietnamese / English	3
BA 143 Legal Interpretation and Translation - Vietnamese / English	3

CALIFORNIA STATE UNIVERSITY GENERAL EDUCATION BREADTH

California State University General Education Breadth (CSU-GE): Certificate of Achievement (Transcripted)

Program Code: SAC.CSU.CA

The California State University General Education Breadth (CSU-GE) is a set of courses designed to fulfill all lower-division general education requirements for California State University campuses, as well as lead to a certificate of achievement at Santa Ana College. To acquire a certificate of achievement it is necessary to complete the CSU General Education Breadth requirements listed in this catalog (Plan B). Courses must have been approved for the CSU-GE area during the term in which the course was completed (approval dates can be verified on www.assist.org). A grade of "C-" or better is required for courses taken in areas A1, A2, A3, and B4.

CHEMISTRY

Chemistry: A.S.-T Degree for Transfer

Program Code: SAC.CHEM.AST

Program Control Number: 35021

The Associate in Science in Chemistry for Transfer (A.S.-T in Chemistry) prepares students to transfer into the CSU system leading to a Baccalaureate degree in Chemistry. Students with this degree also have a foundation in science to pursue other science-related fields or engineering. Please consult a counselor regarding specific course requirements for your transfer institution. Successful completion of the A.S.-T in Chemistry degree also provides guaranteed admission with junior status to the CSU system, although does not guarantee admission to a specific campus or major. Students earning a Chemistry AS-T should select IGETC for STEM to complete the general education requirement. **See Associate Degrees for Transfer for a list of additional requirements for all Associate in Arts for Transfer (A.A.-T.) and Associate in Science for Transfer (A.S.-T.) degrees.** Upon completion of the A.S.-T in Chemistry degree, students will gain a foundation in general and organic chemistry which is necessary in many fields of science and engineering.

NOTE: Completion of IGETC for STEM is recommended for the general education portion of this degree. For those planning to meet the CSU admission requirement an oral communication course, IGETC Area 1C, must be included.

Learning Outcome(s):

- Students will develop proficiency and knowledge of chemistry concepts, laboratory techniques and experimental data collection/analysis.

Major courses

CHEM 219	General Chemistry	5
CHEM 219HHonors	General Chemistry	5
CHEM 229	General Chemistry and Qualitative Analysis	5
CHEM 249	Organic Chemistry I	5
CHEM 259	Organic Chemistry II	5
MATH 180	Single Variable Calculus I	4

MATH 180H	Honors Single Variable Calculus I	4
MATH 185	Single Variable Calculus II	4
PHYS 217	Engineering Physics I	4
PHYS 227	Engineering Physics II	4

Total: 36

Chemistry: A.S. Degree

Program Code: SAC.CHEM.AS

Program Control Number: 04245

The associate degree curriculum in chemistry provides basic courses for a wide variety of occupations or prepares the student to enter a curriculum in a four-year institution leading to a baccalaureate degree. The major fields of chemistry are inorganic and organic chemistry, biochemistry, and chemical engineering. These fields provide career opportunities in industry, research, and teaching, and also entry into graduate or professional programs such as medicine, pharmacy and other related health fields. Please see a counselor for specific course requirements for your transfer university.

Learning Outcome(s):

- Students will develop proficiency and knowledge of chemistry concepts, laboratory techniques and experimental data collection/analysis.

CHILD DEVELOPMENT

Early Childhood Education: A.S.-T Degree for Transfer

Program Code: SAC.ECE.AST

Program Control Number: 32063

The Associate in Science in Early Childhood Education for Transfer (AS-T) prepares students to move into a curriculum at a four year institution leading to a baccalaureate degree in Child Development, Human Development, Early Childhood Education or Child and Adolescent Studies. Please consult a counselor regarding specific course requirements for your transfer institution. Completion of the AS-T degree also provides guaranteed admission with junior status to the CSU system although does not guarantee admission to a specific campus or major. Upon completion of the AS-T in Early Childhood Education, students will have general understanding of the main developmental theories as they pertain to the development, care, and education of young children. Additionally, students will have the capacity to evaluate and plan curriculum and environments for children based on observation of their physical, cognitive, emotional, social and creative characteristics.

Requirements

Student completion requirements for the associate degree for transfer:

- 60 semester or 90 quarter CSU transferable units
- the California State University General Education-Breadth pattern (CSU GE Breadth); OR the Intersegmental General Education Transfer Curriculum (IGETC) pattern
- a minimum of 18 semester or 27 quarter units in the major or area of emphasis as determined by the community college district
- obtainment of a minimum grade point average (GPA) of 2.0
- earn a grade of "C" or better, (or "P") in all courses required for the major or area of emphasis

Learning Outcome(s):

- Demonstrate a knowledge base of early childhood and development of young children 3-5 years old.
- Apply the knowledge base of theory to practice through thoughtful reflections on classroom observations.
- Evaluate main philosophical and sociological ideas and trends that have influenced education as well as be able to analyze their application and importance for teaching today.

Required Core (24.5 units)		Units: 24.5

Child Development - Emphasis in Infant/Toddler Care and Development: A.A. Degree

Program Code: SAC CDIT AA

Program Control Number: 04235

The Associate in Arts in Child Development - Infant/Toddler Teacher degree program provides students with a specialized focus on the strengths and needs of infants and toddlers. Students will study the comprehensive development of the young child, birth to three years, with a focus on understanding current research-based practices and best caregiving practices. The practicum component of the program will support the students as they transfer their learning to their work with young children. The program is available for early childhood educators, parents, administrators, and health care professionals.

In addition to the 36.5 units of Child Development coursework, students must also complete the general education requirements. This degree prepares students for transfer to a 4-year university to obtain a bachelor's degree. Refer to the Graduation Requirements or the CSU-GE and IGETC patterns in this catalog for specific courses that meet the general education requirement. Contact Career Technical Education (CTE) counselors at SAC for additional assistance in planning your early childhood profession (714-564-6254).

Students who earn this degree should apply for the Early Childhood Infant/Toddler Teacher Certificate and the California Teacher's Permit. To qualify for the degree, certificate and permit, a student must also have work experience with young children (175 days of 3 hours per day within 4 years). See Child Development faculty members for assistance.

Learning Outcome(s):

1. Demonstrate knowledge of early childhood curriculum, program practices, and the development of young children.

Course		Units: 36.5

Child Development - Emphasis in Preschool Age Care and Development: A.A. Degree

Program Code: SAC.CDPC.AA

Program Control Number: 08743

The Associate in Arts in Child Development - Emphasis in Preschool Care and Development provides students with knowledge about the comprehensive development of young children ages 3 to 5 years old. Students will focus on understanding developmentally appropriate practice, effective learning strategies, and creating and implementing a high-quality classroom for young children. The practicum component of the program will support the students as they transfer their learning to their work with young children. The program is available for early childhood educators, parents, administrators, and health care professionals.

In addition to the 30.5 units of Child Development coursework, students must also complete the general education requirements. This degree prepares students for transfer to a 4-year university to obtain a bachelor's degree. Refer to the Graduation Requirements or the CSU-GE and IGETC patterns in this catalog for specific courses which meet the general education requirement. Contact Career Technical Education (CTE) counselors at SAC for additional assistance in planning your early childhood profession (714-564-6254).

Child Development - Emphasis in School-Age Care and Recreation: A.A. Degree

Program Code: SAC.CDSA.AA

Program Control Number: 04250

The Associate in Arts in Child Development - Emphasis in School Age Care and Recreation is designed to prepare instructional and classroom master teachers to serve as paraprofessional members of the teaching team and/or teachers in school-age child care. Students are offered knowledge about the development of the school age child and the role of the adult in helping to integrate skills and aid classroom learning.

In addition to the Child Development coursework, students must also complete the general education requirements and complete work experience with young children (175 days of 3 hours per day within 4 years). See Child Development faculty members for assistance.

This degree prepares students for transfer to a 4-year university to obtain a bachelor's degree. Students who earn this degree should apply for the Certificate of Achievement in School Age Care and Recreation and the California Teacher's Permit (see Child Development faculty members for assistance).

Learning Outcome(s):

1. Demonstrate knowledge of early childhood curriculum, program practices, and the development of young children.

Developmentally Appropriate Discipline & Behavior Guidance for Young Children: Certificate of Achievement (Transcripted)

Program Code: SAC.CDADB.CA

Program Control Number: 41698

The Developmentally Appropriate Discipline & Behavior Guidance for the Young Child Certificate is designed for early childhood educators, teachers, parents, community stakeholders, and caregivers who work with children from birth to eight years of age. Based on current brain research, child development, and developmentally appropriate practices, this certificate provides a foundation for developmentally appropriate discipline and guidance practices for young children. The certificate curriculum integrates all domains of learning (social, emotional, physical, cultural and cognitive) and aligns to research-based teaching strategies and practices in the discipline and guidance of young children. This certification program has been specifically designed for the adult learner who desires to positively change the lives of children through developmentally appropriate teaching, discipline and guidance practices in the classroom.

Learning Outcome(s):

1. Develop skills to understand neurodiversity, how the brain functions, and how the environment and learning can be managed to encourage appropriate classroom behaviors.
2. Analyze developmentally appropriate teaching practices grounded in current brain research, human, child and brain development known to be best practice in the field of education.
3. Apply the principles and tools of brain-based learning strategies to teach new ways of approaching learning while working with groups of young children.

Courses in Block

Total: 10

Early Childcare Administration and Leadership: Certificate of Achievement (Transcripted)

Program Code: SAC.CDECA.CA

Program Control Number: 41687

The Early Childcare Administration and Leadership Certificate provides educational coursework that will prepare directors, supervisors, and managers for childcare work settings serving children from infancy through age eight. Topics include communication, curriculum, documentation and interpretation along with culturally relevant approaches to teaching and learning focusing on developmentally appropriate, respectful, and supportive relationships with children and families, management and leadership, marketing related to the operation of center-based early childhood education programs. Fieldwork or field-based assignments may be required. Updated immunizations per state regulations are required.

Learning Outcome(s):

1. Demonstrate knowledge of developmentally appropriate curriculum planning, environments, observation techniques in working with young children in order to implement diversity and equity in quality care for young children in a group setting.
2. Demonstrate basic knowledge of staffing, professional development, budgets, leadership, program planning, communication, marketing for programs and enrollment for the programs of young children (birth-8).

Core Courses in Block

CDEV 215	Administration I: Programs in Early Childhood Education (DS6)	3

Units: 12**Units: 6****Total: 18****Early Childhood Assistant Teacher: Certificate of Achievement (Transcripted)**

Program Code: SAC.ECAT.CA

Program Control Number: 41699

This Early Childhood Assistant Teacher Certificate is the first step to building a career working with children and families. Introductory coursework will provide students with knowledge about the comprehensive development of young children. Students will have the opportunity to observe preschool children and learn about the important resources available to children and families.

This certificate is available for early childhood educators, parents, administrators and health care professionals.

These courses and requirements will also qualify students to apply for the California Assistant Teacher Permit, which is used in federal and state early childhood programs as well as licensing regulations for private and faith based programs.

After completing this certificate, students should consider completing the general education requirements for the AA Degree in Child Development with an Emphasis in Preschool-Age Care and Development.

Learning Outcome(s):

1. Demonstrate skill and mastery of child development theories and proficiency in application in a simulated/real infant/toddler setting or scenario.
2. Develop a portfolio of developmentally appropriate activities, programming, and assessment strategies for infants and toddlers in the cognitive, psychosocial, and biosocial domains.

CDEV 107	Child Growth and Development (DS1)	3

Program Code: SAC.CDECT.CA

Program Control Number: 21793

This Early Childhood Teacher Certificate provides students with knowledge about the comprehensive development of young children ages 3 to 5 years old. Students will focus on understanding developmentally appropriate practice, effective learning strategies, and how to create and implement a high quality classroom for young children. The practicum component of the program will support the students as they transfer their learning to their work with young children. The program is available for early childhood educators, parents, administrators and health care professionals.

To earn the certificate, students must complete the following:

- 16 units of general education, specifically a class in each of the following areas: English, Science or Math, Social Science, and Humanities/Fine Arts.
- Additional work experience with young children (175 days of 3 hours per day within 4 years).

These two requirements will also qualify the students to earn a California Teacher Permit, which is used in federal and state early childhood programs and licensing regulations for private and faith based programs. In addition to the 30.5 units of Child Development coursework and 16 units of general education, students should consider completing the general education requirements for the AA Degree in Child Development with an Emphasis in Preschool-Age Care and Development.

Contact Career Technical Education (CTE) counselors at SAC for additional assistance in planning your early childhood profession (714-564-6254).

Learning Outcome(s):

1. Demonstrate skill and mastery of child development themes, theories, curriculum, and assessment strategies by applying knowledge and skills in a simulated/real preschool setting or scenarios.
2. Develop a portfolio of developmentally appropriate curriculum, programming, and assessment strategies for preschoolers in the cognitive, psychosocial, and biosocial domains.

Program Control Number: 41701

The purpose of the STEAM (Science, Technology, Engineering, Arts, Math) Certificate for Early Childhood Educators is to empower teachers to employ a project-based learning approach that crosses all of these disciplines in solving everyday problems. This approach aligns with Common Core Standards and has been shown to engage students and allow them to use both left and right-brained thinking in the same exercise. This certificate provides a strong researched-based curricular foundation with immediate practical classroom applications. Additionally, the STEAM certificate can be used towards earning professional growth hours for the child development permit.

Learning Outcome(s):

1. Demonstrate a knowledge basis of STEAM (Science, Technology, Engineering, Art, and Mathematics) within early childhood.
2. Recognize current knowledge, skills, and resources related to STEAM and apply those skills in a classroom setting.

CDEV 200	Introduction to Technology in Early Childhood Education	2
CDEV 229	Brain Development and Learning	2
CDEV 210	Creative Music Experiences for Young Children	2
CDEV 231	Developing Language and Literacy in Young Children	3
CDEV 214	Creative Art Experiences for Children	2
CDEV 232	Math and Science Methods for Early Learning Environments	2

Total: 13**Support for Students with Special Needs: Certificate of Achievement (Transcripted)**

Program Code: SAC.CDSSS.CA

Program Control Number: 41703

The Support for Students with Special Needs Certificate is designed to prepare students with knowledge, skills, and resources to address the diverse needs of children and adolescents with special needs. Students are offered intervention strategies, adaptive curriculum, and tools to both support and empower educators and families in both natural and/or inclusive education settings.

Learning Outcome(s):

1. Demonstrate analysis and knowledge of the personal and team roles and responsibilities of the special education provider in the public school which includes diagnosis and implementation strategies for students with special needs.

		Units: 9
CDEV 205	Introduction to Children with Special Needs	3
	–or–	
EDUC 203	Introduction to Children with Special Needs	3
CDEV 206	Curriculum and Intervention Strategies for Children with Special Needs	3
CDEV 207	Supporting and Empowering Families of Children with Special Needs	3

Total: 9

Trauma Informed Practices in Education: Certificate of Achievement (Transcripted)

Program Code: SAC.CDTIP.CA

Program Control Number: 41700

The Trauma Informed Practices in Education Certificate is designed to prepare students to support and promote social-emotional competence in young children. Students acquire knowledge to integrate developmentally appropriate cognitive and social-emotional support strategies and skills to meet children's diverse mental health needs. They are taught culturally responsive behavior and discipline techniques, practical prevention and intervention strategies, and brain-appropriate curriculum. Students will identify mental health community resources to help create and build respectful, reciprocal relationships that support children's mental health and the families they serve.

Learning Outcome(s):

1. Demonstrate and apply their knowledge of developmentally appropriate cognitive and social-emotional support skills, strategies, and resources to promote social and emotional competence in young children in the educational setting.
2. Define how discipline and stress affect learning and the mental health of young children.
3. Describe how child abuse, culture, ability, self-concept, and a child's experiences impact brain development.
4. Examine the integration of child development theory and practice within the fields of early education and mental health.
5. Analyze current research in children's mental health topics and practices in provider and family support and strategies to provide mental health support.

COMMUNICATION STUDIES

Communication Studies 2.0: A.A.-T Degree for Transfer

Program Code: SAC.CMST2.AAT

Program Control Number: 43224

The Associate in Arts Degree in Communication Studies 2.0 for Transfer prepares students to move into a curriculum at a four-year institution, leading to a baccalaureate degree in communication studies. Please consult a counselor regarding specific course requirements for your transfer institution. Completion of the Associate in Arts Degree in Communication Studies 2.0 for Transfer also provides guaranteed admission with junior status to the CSU system, although it does not guarantee admission to a specific major or campus. Upon completion of the Associate in Arts Degree in Communication Studies 2.0 for Transfer, students will have a general understanding of the main communication studies theories.

Students will have the capacity to write and think in a critically analytical way about issues pertaining to the process of human communication.

Requirements

Student completion requirements for the associate degree for transfer:

1. Completion of 60 semester units or 90 quarter units of degree-applicable courses,
2. Minimum overall grade point average of 2.0
3. Minimum grade of "C" (or "P") for each course in the major, and
4. Completion of IGETC and/or CSU GE-Breadth.

Learning Outcome(s):

1. Use messages to generate meanings within and across various contexts.
2. Employ communication theories, perspectives, principles, and concepts.
3. Create messages appropriate to the audience, purpose, and context.
4. Demonstrate the ability to accomplish communicative goals.
5. Apply ethical communication principles and practices.

Required Courses:

CMST 102	Public Speaking	3
	–or–	
CMST 102H	Honors Public Speaking	3
CMST 101	Introduction to Interpersonal Communication	3
	–or–	
CMST 101H	Honors Introduction to Interpersonal Communication	3

Units: 6

List A Select three (9 units)

CMST 140	Argumentation and Debate	3
CMST 145	Group Dynamics	3
CMST 103	Introduction to Intercultural Communication	3
	–or–	
CMST 103H	Honors Introduction to Intercultural Communication	3
CMST 100	Introduction to Communication Studies	3
JAMS 105	Mass Media and Society	3
CMST 150	Organizational Communication	3

Units: 9

List B (3 units) Select one course below or select any list A course not already used

ANTH 100	Introduction to Cultural Anthropology	3
	–or–	
ANTH 100H	Honors Introduction to Cultural Anthropology	3
SOC 100	Introduction to Sociology	3
	–or–	
SOC 100H	Honors Introduction to Sociology	3
PSYC 100	Introduction to Psychology	3
	–or–	
PSYC 100H	Honors Introduction to Psychology	3
ENGL 102	Literature and Composition	4
	–or–	
ENGL 102H	Honors Literature and Composition	4
	–or–	
ENGL 103	Critical Thinking and Writing	4
	–or–	
ENGL 103H	Honors Critical Thinking and Writing	4
JAMS 121	Reporting and Writing the News	3
CMST 151	Voice and Diction for Effective Communication	3
CMST 206	Gender Communication	3
	–or–	
CMST 206H	Honors Gender Communication	3

Total: 18-19

Communication Studies: A.A. Degree

Program Code: SAC.CMST.AA

Program Control Number: 04239

The associate degree curriculum in communication studies provides training for communicating and dealing with people. Completion of the associate in arts degree prepares students to move into a curriculum at a four-year institution leading to a baccalaureate degree, and then into careers in the field of business, industry, government, or education in such areas as teaching, public speaking, announcing, and public relations.

Learning Outcome(s):

1. Recognize and explain characteristics of competent communication.
2. Construct messages that demonstrate communication competency.

Course **Units: 15**

CMST 101 Introduction to Interpersonal Communication 3
–or–

CMST 101H Honors Introduction to Interpersonal Communication 3

CMST 102 Public Speaking 3
–or–

CMST 102H Honors Public Speaking 3

CMST 103 Introduction to Intercultural Communication 3
–or–

CMST 103H Honors Introduction to Intercultural Communication 3

CMST 140 Argumentation and Debate 3

CMST 145 Group Dynamics 3

One additional elective from the following: **Units: 3**

CMST 151 Voice and Diction for Effective Communication 3

CMST 152 Oral Interpretation 3

CMST 170 Introduction to Phonetics 3

CMST 206 Gender Communication 3
–or–

CMST 206H Honors Gender Communication 3

CMST 150 Organizational Communication 3

Total: 18**Communication Studies: Certificate of Achievement (Transcripted)**

Program Code: SAC.CMST.CA

Program Control Number: 40382

By successfully completing the courses for a Certificate of Achievement in Communication Studies, students will gain breadth and depth of communication competence to significantly impact future employment and promotion. Students will build practical and theoretical understanding for future Communication Studies work.

Learning Outcome(s):

1. Gain breadth and depth of communication competence to impact future employment and promotion.
2. Build practical and theoretical understanding for future Communication Studies work.

Required Courses **Units: 9**

CMST 102 Public Speaking 3
–or–

CMST 102H Honors Public Speaking 3
–and–

CMST 101 Introduction to Interpersonal Communication 3
–or–

CMST 101H Honors Introduction to Interpersonal Communication 3
–and–

CMST 103 Introduction to Intercultural Communication 3
–or–

CMST 103H Honors Introduction to Intercultural Communication 3
–and–

Electives: Select one course:**Units: 3**

CMST 140 Argumentation and Debate 3
–or–

CMST 145 Group Dynamics 3
–or–

CMST 150 Organizational Communication 3
–or–

CMST 151 Voice and Diction for Effective Communication 3
–or–

CMST 152 Oral Interpretation 3
–or–

CMST 206 Gender Communication 3
–or–

CMST 206H Honors Gender Communication 3

Total: 12**COMMUNITY SOCIAL SERVICES****Community Social Services: A.A. Degree**

Program Code: SAC.CSS.AA

Program Control Number: 30752

The major course requirements for the associate degree in Community Social Services enable students to move into a transfer curriculum at a four-year university that can lead to a baccalaureate degree in Human Services. The baccalaureate degree in Human Services prepares students for graduate programs in Counseling, Social Work, and Marriage and Family Therapy. Please see a counselor for specific course requirements for your transfer university.

Learning Outcome(s):

1. Students will think critically and communicate effectively about community social service issues using written and oral communication.
2. Students will demonstrate the effective use of empathic listening and interviewing skills.
3. Students will evaluate and integrate information to draw reasonable conclusions based on evidence.

Required Core Courses:**Units: 12**

CNSL 150 Introduction to Human Services 3

CNSL 155 Skills for the Helping Professions 3

CDEV 107 Child Growth and Development (DS1) 3
–or–

PSYC 157 Introduction to Child Psychology 3

PSYC 100 Introduction to Psychology 3
–or–

PSYC 100H Honors Introduction to Psychology 3
–or–

SOC 112 Relationships, Marriages, and Family Dynamics 3

Select a minimum of SIX units from the electives below: Units: 6-8.5

ANTH 100	Introduction to Cultural Anthropology	3
	–or–	
ANTH 100H	Honors Introduction to Cultural Anthropology	3
BIOL 149	Human Anatomy and Physiology	4
CDEV 110	Child, Family, and Community (DS2)	3
CDEV 116A	Infant/Toddler Growth and Development (DS4)	3
CDEV 205	Introduction to Children with Special Needs	3
CDEV 220	The Child as a Victim	3
	–or–	
CNSL 220	The Child as a Victim	3
CNSL 116	Career/Life Planning and Personal Exploration	3
EDUC 201	Introduction to Education	3
EDUC 210	The Teaching Experience: Secondary Education	3
MATH 219	Statistics and Probability	4
	–or–	
MATH 219S	Statistics and Probability with Support	4.5
	–or–	
MATH 219H	Honors Statistics and Probability	4
MATH 105	Mathematics for Liberal Arts Students	4
PSYC 210	Statistics for the Behavioral Sciences	4
PSYC 250	Introduction to Abnormal Psychology	3

	–or–	
SOC 100H	Honors Introduction to Sociology	3
CNSL 170	Human Services/Social Work Related Field Experience Seminar	1
CNSL 175	Human Services/Social Work Related Field Experience	1-4
PSYC 100	Introduction to Psychology	3
PSYC 100H	Honors Introduction to Psychology	3
SOC 112	Relationships, Marriages, and Family Dynamics	3
	Total: 18-20.5	

COMPUTER SCIENCE**Computer Science: A.S.-T Degree for Transfer**

Program Code: SAC.CMPR.AST

Program Control Number: 32396

The Associate in Science in Computer Science for Transfer (A.S.-T Computer Science) prepares students to transfer into the CSU system. Please consult a counselor regarding specific course requirements for your transfer institution. Completion of the Associate in Science in Computer Science for Transfer (A.S.-T Computer Science) also provides guaranteed admission with junior status to the CSU system, although does not guarantee acceptance to a specific campus or major. **See Associate Degrees for Transfer for a list of additional requirements for all Associate in Arts for Transfer (A.A.-T) and Associate in Science for Transfer (A.S.-T) degrees.**

Upon completion of the A.S.-T in Computer Science (A.S.-T Computer Science), students will be well-versed in the use of standard computer control structures to solve problems and develop algorithms. They will have developed skills in writing programs that utilize functions as a method of program organization and control. Additional areas of emphasis will include objects, object-oriented programming, data structures, and abstract data types. Computer science students will also obtain knowledge of computer architecture and organization. The Computer Science curriculum also requires the student to have significant skills in mathematics and the applications of those skills to real world problem solving.

NOTE: Completion of IGETC is recommended for the general education portion of this degree. For those planning to meet the CSU admission requirement an Oral Communication course, IGETC 1C, must be included.

Learning Outcome(s):

1.	Students will know how to use computer science software.	
CMPR 121	Programming Concepts	3
CMPR 131	Data Structures Concepts	3
CMPR 129	Introduction to Computer Organization	4
CMPR 140	Discrete Structures for Computer Science	3
MATH 180	Single Variable Calculus I	4
MATH 185	Single Variable Calculus II	4
PHYS 217	Engineering Physics I	4
PHYS 227	Engineering Physics II	4
	Total: 29	

Computer Information Systems: A.S. Degree

Program Code: SAC.CIS.AS

Program Control Number: 04196

Computer Information Systems (CIS) is a program for students interested in the application of computer hardware, and software to business. CIS courses prepare students for entry-level positions in information technology, networking, web and application development, networking, or database administration. These courses may be used for job advancement, an associate degree or certificate of achievement, or transfer to a four-year institution. CIS courses cover major programming languages (Visual BASIC, C++, Java) as well as software used in business for database management, spreadsheets, and networking.

Students intending to obtain a bachelor's degree in Computer Information Systems should consult the major requirements for upper division standing listed under the Business Administration major at the school of their choice.

Learning Outcome(s):

1. Describe ethical, professional, and legal challenges that confront computer information systems and information technology.
2. Design, implement, manage and administer secure computer information systems and information technology operations.
3. Evaluate best practices in implementing hardware, software, networking, information technology management and security to enhance business processes and competitive advantages.
4. Develop written documentation and presentations, individually and in collaborative environments, that provide solutions to computer information systems and information technology challenges.

Take ALL of the following courses:**Units: 20**

BA 189	Advanced Microsoft Excel	2
CMPR 105	Visual BASIC Programming	3
CMPR 134	Microsoft Windows Operating System	3
CMPR 138	CompTIA Network+ Guide to Networks	3
CMPR 167	Microsoft Access	3
CMPR 205	Advanced Visual Basic	3
CMPR 247	Windows Server Operating System	3

Select ONE course from the following:**Units: 3**

BUS 150	Introduction to Information Systems and Applications	3
	–or–	
CMPR 100	The Computer and Society	3

Select a minimum of THREE units from the following:	Units: 3-4
ACCT 101 Financial Accounting	4
ACCT 102 Managerial Accounting	4
CMPR 104 Cooperative Work Experience Education-Occupational	1-4
CMPR 112 Java Programming	3
CMPR 118 JavaScript Programming	3
CMPR 120 Introduction to Programming	3
CMPR 121 Programming Concepts	3
CMPR 125 Help Desk Fundamentals	3
CMPR 152 HTML	3
CMPR 153 A+ Essentials Hardware	3
CMPR 154 A+ Essentials Software	3
CMPR 169 Structured Query Language (SQL)	3
CMPR 175 CompTIA Security+ Guide to Network Security	3
CMPR 248 Microsoft SQL Server	3

Total: 26-27**Computer Science: A.S. Degree**

Program Code: SAC.CMPR.AS

Program Control Number: 04197

The associate degree curriculum in computer science leads to entry-level employment in computer science, engineering and other areas where high aptitude in computer programming is recognized. The program prepares students for careers as engineering aides, scientific computing technicians and junior programmers. The program also prepares students to transfer to a university with a major in Computer Science.

Learning Outcome(s):

1. Students will know how to use computer science software.

Take ALL of the following courses:

Units: 16	
CMPR 100 The Computer and Society	3
CMPR 120 Introduction to Programming	3
CMPR 121 Programming Concepts	3
CMPR 129 Introduction to Computer Organization	4
CMPR 131 Data Structures Concepts	3

Select ONE course from the following:

Units: 3	
CMPR 112 Java Programming	3
CMPR 205 Advanced Visual Basic	3
CMPR 213 C# Programming	3

Select an additional SIX units from the following:

Units: 6-8	
CMPR 112 Java Programming	3
CMPR 117 Perl Programming and CGI	3
CMPR 118 JavaScript Programming	3
CMPR 134 Microsoft Windows Operating System	3
CMPR 135 Software Deployment Mechanisms	1.5
CMPR 139 Configuration and Administration of Local Area Networks	1.5
CMPR 140 Discrete Structures for Computer Science	3
CMPR 141 UNIX Operating System	3
CMPR 142 Advanced Unix	3
CMPR 205 Advanced Visual Basic	3
CMPR 213 C# Programming	3
CMPR 243 UNIX System Programming	3
CMPR 247 Windows Server Operating System	3
CMPR 249 Microsoft Internet Information Server (IIS)	3
CMPR 248 Microsoft SQL Server	3

Total: 25-27**Data Analytics: Certificate of Achievement (Transcripted)**

Program Code: SAC.CMPDA.CA

Program Control Number: 41686

The Certificate of Achievement for Data Analytics is designed for students who have an interest in working with datasets, database systems, SQL (Structured Query Language), Pandas, Jupyter, and other related DA tools. The program is also tailored for working professionals who might want to change careers in BIG DATA or Data Analytics.

Learning Outcome(s):

1. Demonstrate writing SQL scripts for Data Analytics.
2. Demonstrate using libraries for SQL and Pandas.
3. Demonstrate analyzing statistical information.

Required Courses:**Units: 15-15.5**

CMPR 114	Python Programming	3
CMPR 115	Python for Data Analytics	3
CMPR 167	Microsoft Access	3
MATH 219	Statistics and Probability	4
	–or–	
MATH 219H	Honors Statistics and Probability	4
	–or–	
MATH 219S	Statistics and Probability with Support	4.5
BA 188	Microsoft Excel	2

Total: 15-15.5**IT Desktop and Server Operations: Certificate of Achievement (Transcripted)**

Program Code: SAC.CMITD.CA

Program Control Number: 39840

The IT Desktop and Server Operations certificate is designed to prepare students in the technical field of desktop and server management. Technical background in LAN infrastructure, networking, virtualization, operating systems, Microsoft and Linux server & client technologies, email platforms, mobile device management, cloud-based solutions, supporting technology solutions following industry best practices and all relevant standards and practices.

Learning Outcome(s):

1. Describe ethical, professional, and legal challenges that confront an IT professional.
2. Demonstrate knowledge of the fundamental concepts of operating systems, networks, and cloud computing.
3. Design, implement, manage and administer a secured, local area network consisting of desktop clients and servers.

Take ALL of the following courses:**Units: 15**

CMPR 134	Microsoft Windows Operating System	3
CMPR 138	CompTIA Network+ Guide to Networks	3
CMPR 153	A+ Essentials Hardware	3
CMPR 155	A+ Essentials Software	3
CMPR 247	Windows Server Operating System	3

Total: 15**IT Network and Security Operations: Certificate of Achievement (Transcripted)**

Program Code: SAC.CMITN.CA

Program Control Number: 39836

The IT Network and Security Operations certificate is a mid-level certification for network technicians and information security analysts. This certification is designed to test the competency of a mid-level network technician in supporting and configuring TCP/IP clients in terms of network design, cabling, hardware setup, configuration, installation, support, and troubleshooting and best practices in network defense, vulnerability risk assessment, and cybersecurity.

Learning Outcome(s):

1. Describe ethical, professional, and legal challenges that confront an IT professional in network security.
2. Design, implement, manage and administer a secured network environment.
3. Evaluate best practices in networking, information technology management and security to enhance business processes.
4. Develop written documentation and presentations, individually and in collaborative environments, that provide solutions networking and security management challenges.

Take ALL of the following courses:**Units: 15**

CMPR 138	CompTIA Network+ Guide to Networks	3
CMPR 153	A+ Essentials Hardware	3
CMPR 154	A+ Essentials Software	3
CMPR 175	CompTIA Security+ Guide to Network Security	3
CMPR 247	Windows Server Operating System	3

Total: 15

IT Support Specialist: Certificate of Achievement (Transcribed)

Program Code: SAC.CMITS.CA

Program Control Number: 39839

The IT Support Specialist certificate of achievement is based on the learning objectives from the CompTIA IT Fundamentals (ITF+) and CompTIA A+ certifications. Also, the certificate of achievement includes help desk “soft skills” such as effective communication, analytical and critical thinking, diplomacy, problem solving, leadership, team building, and listening skills. The IT Support Specialist certificate provides the required competencies to be employed in high demand, high wage jobs and careers in information technology.

Learning Outcome(s):

1. Identify features and functions of common operating systems and establishing network connectivity
2. Identifying, using, and connecting hardware components and devices
3. Achieve hands-on experience installing and using help desk issue tracking software.
4. Know how to set up and install common peripheral devices to a laptop/PC or secure a basic wireless network
5. Install and configure laptops and other mobile devices
6. Comprehend notational systems, illustrate the basics of computing and explain the value of data and troubleshooting
7. Troubleshoot PC and mobile device issues including application security support

Take ALL of the following courses: Units: 16-19

CMPR 100	The Computer and Society	3
CMPR 104	Cooperative Work Experience Education-Occupational	1-4
CMPR 125	IT Help Desk Fundamentals	3
CMPR 134	Microsoft Windows Operating System	3
CMPR 153	A+ Essentials Hardware	3
CMPR 155	A+ Essentials Software	3

Total: 16-19**Database: Certificate of Proficiency (Untranscribed)**

Program Code: SAC.CISDB.CERT

Databases are essentially central to all businesses. They are the means by which large quantities of information can be stored, organized and retrieved, and are used to support an organization’s operations, such as payroll and time sheets, project management, inventory and health records. This certificate is designed to prepare students in the career as an entry-level database analyst/administrator or those information technology professionals who would like to concentrate in developing and supporting database management systems. This certificate provides training in creating and maintaining databases based on fundamentals of relational database and Structured Query Language (SQL), and training in generating queries for ad-hoc reporting, stored procedures and functions using the latest database management system (DBMS) software such as Microsoft SQL Server, Oracle and MS Access.

Learning Outcome(s):

1. Use Microsoft Access to create a professional and user-friendly working database, to create effective queries in retrieving data, to create effective reports based on given criteria, and to create useful and professional mainform/subforms
2. Manage, update and retrievedata from DBMS (Database Management System) using the SQL Language commands
3. Design database by applying normalization rules and create E-R (Entity Relationship) and UML (Unified Modeling Language) diagrams for a given database scenario
4. Create applications using appropriate Visual Basic or Java programming language to update database table data

Take ALL of the following: Units: 9

CMPR 167	Microsoft Access	3
CMPR 168	Microsoft Access - Visual Basic for Applications	3
CMPR 169	Structured Query Language (SQL)	3

Select ONE group of the following courses: Units: 6

CMPR 105	Visual BASIC Programming	3
	–and–	
CMPR 205	Advanced Visual Basic	3
	–or–	
CMPR 112	Java Programming	3
	–and–	
CMPR 113	Advanced Java	3

Total: 15**Enterprise Systems: Certificate of Proficiency (Untranscribed)**

Program Code: SAC.CMPRES.CERT

Prepares students to be involved with running Enterprise (large-scale) computer systems. Students will learn how to design and configure multicomputer networking systems, configure, administrate, and maintain servers, and manage related issues such as reliability, safety and security.

Learning Outcome(s):

1. Students will know how to use web programming software.

Take ALL of the following courses: Units: 12

CMPR 173	Introduction to Networking Technology	3
CMPR 247	Windows Server Operating System	3
CMPR 248	Microsoft SQL Server	3
CMPR 249	Microsoft Internet Information Server (IIS)	3

Total: 12**Programming: Certificate of Proficiency (Untranscribed)**

Program Code: SAC.CMRP.CERT

The associate degree and certificate curriculum in computer science leads to entry-level employment in computer science, engineering and other areas where high aptitude in computer programming is recognized. The program prepares students for careers as engineering aides, scientific computing technicians and junior programmers. The program also prepares students to transfer to a university with a major in Computer Science.

Learning Outcome(s):

1. Students will know how to use web programming software.

Take ALL of the following courses: Units: 9

CMPR 131	Data Structures Concepts	3
----------	--------------------------	---

Select ONE course from the following: Units: 3

CMPR 112	Java Programming	3
CMPR 205	Advanced Visual Basic	3
CMPR 213	C# Programming	3

Total: 12**Web Site Development: Certificate of Proficiency (Untranscribed)**

Program Code: SAC.CISWP.CERT

Web Site Development gives students the skills to design, implement, and publish content (pages) on the World Wide Web.

Take the following 3 courses: Units: 6

CMPR 152	HTML	3
CMPR 118	JavaScript Programming	3

Select ONE course from the following Units: 3

CMPR 112	Java Programming	3
	–or–	
CMPR 113	Advanced Java	3

Total: 9

CRIMINAL JUSTICE**Administration of Justice: A.S.-T Degree for Transfer**

Program Code: SAC.CJ.AST

Program Control Number: 32255

The Associate in Science in Administration of Justice for Transfer (A.S.-T) prepares students to move into the CSU system to complete a baccalaureate degree in Criminal Justice. Please consult a counselor regarding specific course requirements for your transfer institution. Completion of the AS-T degree also provides guaranteed admission with junior status to the CSU system, although does not guarantee admission to a specific campus or major. Upon completion of the AS-T in Administration of Justice students will have a greater understanding of illegal behavior and how their behavior interacts with the criminal justice system. The student will also learn the operation of the criminal justice system from arrest, trial, corrections and release into the community. Upon completion of the A.S.-T degree in Administration of Justice, students may pursue careers with the following types of criminal justice agencies: (a) law enforcement, (b) probation, (c) corrections, (d) courts, and (e) agencies with legal authority of specific criminal offenses, such as alcohol beverage control or fraud.

Requirements

Student completion requirements for the associate degree for transfer:

- 60 semester or 90 quarter CSU transferable units
- the California State University General Education-Breadth pattern (CSU GE Breadth); OR the Intersegmental General Education Transfer Curriculum (IGETC) pattern
- a minimum of 18 semester or 27 quarter units in the major or area of emphasis as determined by the community college district
- obtainment of a minimum grade point average (GPA) of 2.0
- earn a grade of "C" or better, (or "P") in all courses required for the major or area of emphasis

Learning Outcome(s):

- Develop critical thinking and ethical reasoning regarding criminal justice issues.
- Evaluate career opportunities in the criminal justice field.

Required Core**Units: 6**

CJ 101	Introduction to Criminal Justice	3
	–or–	
CJ 101H	Honors Introduction to Criminal Justice	3
CJ 103H	Honors Concepts of Criminal Law	3
	–or–	
CJ 103	Concepts of Criminal Law	3

List A - Select two courses**Units: 6**

CJ 102	Introduction to Corrections	3
CJ 105	Legal Aspects of Evidence	
CJ 107	Principles and Procedures in the Criminal Justice System	
	–or–	

PARA 107	Principles and Procedures in the Criminal Justice System	3
CJ 108	Crime Scene Investigation	3
CJ 109	Community Interaction	3
	–or–	

CJ 109H	Honors Community Interaction	3
CJ 205	Criminal Investigation Principles	3
CJ 220	Juvenile Delinquency and Control	3

List B – select two course**Units: 6-8.5**

CJ 106	Coroner Death Investigations	3
CJ 210	Drug Abuse and Criminal Justice	3
MATH 219	Statistics and Probability	4
	–or–	
MATH 219H	Honors Statistics and Probability	4

SOC 100	Introduction to Sociology	3
	–or–	
SOC 100H	Honors Introduction to Sociology	3
CJ 120	Cooperative Work Experience - Occupational	1-4

Total: 18-20.5**Criminal Justice Option: A.S. Degree**

Program Code: SAC.CJ.AS

Program Control Number: 04249

The Criminal Justice Option Degree curriculum is designed to prepare students for entry-level employment in local, state, federal, or private sector criminal justice agencies that do not require bachelor's degrees, and to provide students who wish to transfer to a four-year academic institution with 27 units of criminal justice course work. This degree prepares students for careers in the fields of law enforcement, probation, corrections, courts, and private security. Elective course CJ-120 is a Cooperative Work Experience course that has variable units 1-4, but students who wish to use this course as an elective must complete 3 units to meet the elective section requirements.

Learning Outcome(s):

- develop in students pursuing Criminal Justice careers the skills to evaluate career opportunities.
- develop critical thinking and ethical reasoning in students interested in the criminal justice field.

Course		Units: 21
CJ 101	Introduction to Criminal Justice	3
	–or–	
CJ 101H	Honors Introduction to Criminal Justice	3

Law Enforcement Option: Certificate of Achievement (Transcripted)

Program Code: SAC.CJLE.CA

Program Control Number: 21796

The Law Enforcement Option Certificate is designed to meet or exceed the minimum P.O.S.T. requirements for entry-level employment as peace officers. This certificate requires successful completion of the Basic Police Academy (CJA 099A). Students interested in this certificate should contact an academic counselor, the Criminal Justice Academies, and the Criminal Justice Department for details.

Learning Outcome(s):

- develop critical thinking and ethical reasoning in students interested in the law enforcement field.
- appraise the responsibilities of the law enforcement profession.

Course	Units: 46-48
CJA 010	Pre-Employment Preparation for Law Enforcement 1.5
CJA 099A	Basic Police Academy 29.5-31.5
CJ 101	Introduction to Criminal Justice 3
	–or–
CJ 101H	Honors Introduction to Criminal Justice 3
CJ 103	Concepts of Criminal Law 3
	–or–
CJ 103H	Honors Concepts of Criminal Law 3
CJ 105	Legal Aspects of Evidence 3
CJ 107	Principles and Procedures in the Criminal Justice System 3
	–or–
PARA 107	Principles and Procedures in the Criminal Justice System 3
CJ 109	Community Interaction 3

	Total: 46-48

Corrections Officer Program: Certificate of Proficiency (Untranscripted)

Program Code: SAC.CJCO.CERT

The Corrections Officer Certificate is designed to upgrade the skills and knowledge that criminal justice professionals require, and it provides knowledge of new procedures, policies, and judicial rulings to anyone interested in the criminal justice system, particularly in the field of corrections. This certificate consists of course work that is fundamental for working in the fields of law enforcement, probation, corrections, courts, and private security, and leads to completion of the Criminal Justice Option Degree.

Learning Outcome(s):

- develop critical thinking and ethical reasoning in students interested in the criminal justice field.
- develop in students pursuing Criminal Justice careers the skills to evaluate career opportunities.

Course	Units: 15
CJ 101	Introduction to Criminal Justice 3
	–or–
CJ 101H	Honors Introduction to Criminal Justice 3
CJ 102	Introduction to Corrections 3
CJ 103	Concepts of Criminal Law 3
	–or–
CJ 103H	Honors Concepts of Criminal Law 3
CJ 105	Legal Aspects of Evidence 3
CJ 205	Criminal Investigation Principles 3
	Total: 15

CRIMINAL JUSTICE ACADEMIES

Basic Law Enforcement Academy: Certificate of Achievement (Transcripted)

Program Code: SAC.CJBLE.CA

Program Control Number: 40815

Students will receive instruction in all areas of criminal justice, as required by P.O.S.T., for entry-level law enforcement officers. This program is offered in cooperation with the Orange County Sheriff's Department.

Learning Outcome(s):

- Develop the knowledge and skills to safely fulfill the duties and responsibilities of California peace officers.
- Develop the knowledge and skills necessary to respond to emergency situations and legally use force to include the proficient use of firearms.

CJA 099A	Basic Police Academy	29.5-31.5
CJA 099	OCSD Basic Pre-Academy	2.5

DANCE

Dance: A.A. Degree

Program Code: SAC.DNCE.AA

Program Control Number: 04222

The Associate in Arts Degree program in dance provides training in three areas of technique: ballet, modern, and jazz. Integral parts of the curriculum are practical experience in concert performance and production work, as well as a theoretical background in choreography, somatic practices, and dance history. Completion of the Associate in Arts Degree prepares the student to enter a four-year institution leading to a baccalaureate degree. Please consult a SAC counselor for information about course requirements for specific four-year institutions. The dance program provides training for careers and employment in the performing arts, education, choreography, movement therapy, arts consultancy, dance criticism, and related fields.

Learning Outcome(s):

- Summarize the history of classic and contemporary dance forms.
- Demonstrate a clear understanding of the interaction between choreographer, performer, and audience, and recognize the production components of lighting, costume, and set design through the creation and presentation of dance in public performances.
- Execute proficiency in performance and technical skills in modern, ballet, and jazz dance and apply somatic approaches to dance training.

Required Courses	Units: 41
DNCE 100H Honors Dance History and Appreciation	3
	–or–
DNCE 100 Dance History and Appreciation	3
DNCE 201A Ballet I	2
DNCE 201B Ballet II	2

Dance: Certificate of Achievement (Transcripted)

Program Code: SAC.DNCE.CA

Program Control Number: 21786

The certificate program in dance combines comprehensive advanced courses in dance technique with courses of a specialized nature to provide a complete program of study and training in technique and performance.

This program is designed to develop skills necessary for a career as a dance performer and to provide extensive pre-professional performance experience. Employment opportunities exist in a variety of areas: dance companies; instructor in private dance studios; dancer for commercial stage, television, and film; choreographer/performer in music videos; and production choreographer.

Learning Outcome(s):

1. Demonstrate competency in the creation and presentation of dance in public performances.
2. Execute proficiency in performance and technical skills in modern, ballet, jazz, hip-hop and contemporary dance styles, to audition for commercial performance venues.
3. Demonstrate a clear understanding of the interaction between choreographer, performer and audience, and the production components of lighting, costume and set design, through the creation and presentation of dance in public performances.

Screendance: Certificate of Achievement (Transcripted)

Program Code: SAC.DNCES.CA

Program Control Number: 41541

The Screendance Certificate program is an interdisciplinary collaboration between the SAC Dance Department and the SAC Digital Media Department. This program provides Digital Media production courses with state-of-the-art equipment, as well as dance movement and theory courses designed for those who want to develop necessary skills in a current and demanding working field and industry of screendance and film production.

Learning Outcome(s):

1. Demonstrate competency in the creation and presentation of choreography for the camera.
2. Demonstrate competency in communication and interaction between choreographer, performer(s), film production member(s).
3. Execute proficiency in the process of organizing, directing, and producing screendance.

Required Courses**Units: 16.5**

DM 112	Introduction to Video Editing and Postproduction	3
DM 115A	Single-Camera Production and Editing	3
DM 140	Cinematography	3
DM 171	Drone Pilot Training	1.5
DNCE 290	Choreography for the Camera	3
DNCE 291	Dance Film Production	3

Plus 5 to 6 units from the following electives**Units: 5-6**

DNCE 201A	Ballet I	2
	–or–	
DNCE 201B	Ballet II	2
	–or–	
DNCE 213	Ballet III	2

	–or–	
DNCE 124	Intermediate Salsa Dance	1
	–or–	
DNCE 202B	Choreography for Dance Majors	3

Total: 21.5-22.5**DIESEL****Heavy Duty Chassis Service: Certificate of Proficiency (Untranscripted)**

Program Code: SAC.DSLHD.CERT

Heavy duty chassis service is designed to prepare the student for employment in the trucking industry. Within this certificate, there will be an emphasis on serviceability of suspension, steering, air brakes, and chassis components. This program of study will also help prepare the student for national ASEs T3 Drive Train, T4 Brakes, and T5 Suspension and Steering certification.

Learning Outcome(s):

1. Evaluate and inspect heavy duty chassis components found on heavy duty equipment and vehicles.
2. Discuss and diagnosis concerns on brakes, steering, and chassis systems on heavy duty equipment.
3. Measure and replace brake, steering, and chassis components on heavy duty equipment.

DSL 131	Drive Train	4.5
DSL 141	Brakes	4.5
DSL 151	Suspension and Steering	4.5

Total: 13.5**DIESEL ELECTRIC TRANSPORTATION TECHNOLOGY****Electric Heavy-Duty Vehicles: A.S. Degree**

Program Code: SAC.DETEH.AS

Program Control Number: 08712

In addition to the general education requirements, the associate degree in electric heavy-duty vehicles technology is designed to prepare students with the knowledge and skills applicable to medium/heavy-duty electric vehicles and equipment in the zero emissions industry. Experience will be acquired on domestic and foreign vehicles. This degree will assist students with the transition from diesel-fuel powered medium/heavy-duty vehicles to electric-powered medium/heavy-duty vehicles.

Learning Outcome(s):

1. Demonstrate proper safety procedures when working with high voltage heavy-duty vehicles.
2. Identify mid-heavy-duty electric drive train configurations.
3. Demonstrate proper techniques for maintenance, service, troubleshooting, and repair of electric heavy-duty vehicles.

Required Courses**Units: 27.5**

DETT 131	Transmissions and Drive Train	4.5
DETT 141	Medium/Heavy Duty Chassis Systems	4.5
DETT 161	Electrical/Electronic Systems	5
DETT 165	Diesel-Electric Transport Refrigeration	5
DETT 168	High Voltage and Electrical Systems	5
DETT 171	Heating, Ventilation, and Air Conditioning	3.5

Total: 27.5

Medium/Heavy Truck Technology: A.S. Degree

Program Code: SAC.DSL.AS

Program Control Number: 04207

In addition to the general education requirements, the associate degree in medium/heavy truck technology is designed to successfully prepare students to enter the diesel-electric medium and heavy-duty transportation industry as an apprentice or helper technician or provide supplementary knowledge for equipment operators and truck drivers. The program provides lecture and lab activities related to heavy-duty vehicle engines, power-train units, steering and suspension components, brakes, electrical, air conditioning, and preventative maintenance inspections. Those working in the industry will be able to improve their competencies in each subject area.

Learning Outcome(s):

1. Recognize safety procedures when working with diesel-electric vehicles.
2. Identify medium/heavy-duty vehicle systems and operations.
3. Demonstrate effective procedures for inspecting, servicing, troubleshooting and repairing medium/heavy-duty vehicles.

DETT 115	Heavy Duty Mobile Hydraulics	5
DETT 121	Diesel Engines	4.5
DETT 132	Alternative Fuels, Diesel, Emissions, and Zero Emissions Systems	5
DETT 141	Medium/Heavy Duty Chassis Systems	4.5
DETT 161	Electrical/Electronic Systems	5
DETT 181	Introduction to Preventative Maintenance Inspection	5

Total: 29**Electric Heavy-Duty Vehicle Service: Certificate of Achievement (Transcripted)**

Program Code: SAC.DETES.CA

Program Control Number: 21770

The certificate of achievement in electric heavy-duty vehicles technology will prepare students with the knowledge and skills for entry level positions working on medium/heavy-duty electric vehicles and equipment in the zero emissions industry. This certificate prepares students who are currently working with diesel medium/heavy-duty systems to transition into the new labor force for zero emissions transportation technologies.

Learning Outcome(s):

1. Demonstrate proper safety procedures when working with high voltage heavy-duty vehicles.
2. Identify mid-heavy-duty electric drive train configurations.
3. Demonstrate proper techniques for maintenance, service, troubleshooting, and repair of electric heavy-duty vehicles.

Required Courses		Units: 19
DETT 131	Transmissions and Drive Train	4.5
DETT 141	Medium/Heavy Duty Chassis Systems	4.5
DETT 161	Electrical/Electronic Systems	5
DETT 168	High Voltage and Electrical Systems	5

Total: 19**Medium/Heavy Truck Service: Certificate of Achievement (Transcripted)**

Program Code: SAC.DSL.CA

Program Control Number: 21772

The certificate of achievement in medium/heavy truck service is designed to successfully prepare students to enter the diesel-electric medium and heavy-duty transportation industry as an apprentice or helper technician or provide supplementary knowledge for equipment operators and truck drivers. The program provides lecture and lab activities related to heavy-duty vehicle engines, power-train units, steering and suspension components, brakes, electrical, air conditioning, and preventative maintenance inspections. Those working in the industry will be able to improve their competencies in each subject area.

Learning Outcome(s):

1. Demonstrate effective procedures for inspecting, servicing, troubleshooting and repairing medium/heavy duty vehicles.
2. Develop skills in properly measuring and analyzing medium/heavy duty vehicle concerns.
3. Recognize safety procedure for Diesel-Electric vehicles.
4. Identify medium/heavy-duty vehicles systems and operations.

Required Courses		Units: 19.5
DETT 115	Heavy Duty Mobile Hydraulics	5
DETT 121	Diesel Engines	4.5
DETT 132	Alternative Fuels, Diesel, Emissions, and Zero Emissions Systems	5
DETT 181	Introduction to Preventative Maintenance Inspection	5

Total: 19.5**Transit Bus Maintenance: Certificate of Proficiency (Untranscripted)**

Program Code: SAC.DSLTB.CERT

The Transit Bus Maintenance Certificate is designed to train students in the field of transit bus service, repair, and troubleshooting. Completion of courses CERT1 through CERT10 prepares the student for industry. Safety, theory of operation, diagnosis, and service procedures are emphasized. The student must furnish approved safety equipment for the first meeting of the DETT 201 course. This equipment includes approved ANSI safety glasses, reflective safety vest, and steel-toed shoes.

Learning Outcome(s):

1. Explain basic safety operation concerns when operating a transit bus on assigned route.
2. Explain proper steps in completing a transit bus pre-trip inspection.

Required Courses		Units: 9.8
DETT 201	Introduction to Transit Systems	0.3
DETT 202	Transit Preventative Maintenance	0.5
DETT 203	Transit Vehicle Electrical Systems	2.5
DETT 205	Transit Vehicle Air Brake Systems	1
DETT 206	Transit Vehicle Automatic Transmissions	1
DETT 207	Transit Vehicle Engines	2

DETT 209	Transit Vehicle Drive Train Suspension	1
DETT 210	Transit Vehicle Wheelchair Lifts	0.5

Total: 9.8

Transport Refrigeration/Temperature Control: Certificate of Proficiency (Untranscribed)

Program Code: SAC.DSLTR.CERT

The certificate curriculum in transport refrigeration is designed to prepare students to enter the field as an apprentice or helper service technician. The course work provides training in the service, repair, and troubleshooting techniques of Carrier Transicold and Thermo King truck and trailer refrigeration units. The course work is made up of lecture and lab performances on current production units, covering the refrigeration and electrical systems used to control the unit's operation to maintain the desired product temperature to protect the consumer's health. Employment opportunities for all individuals exist in this rapidly expanding field.

Learning Outcome(s):

1. Demonstrate proper pre-trip inspection procedures prior to transport refrigeration operation.
2. Describe the maintenance schedule of a basic and hybrid transportation refrigeration unit.
3. Explain refrigeration units cycles and service procedures.

Required Courses

DETT 161	Electrical/Electronic Systems	5	Units: 13.5
DETT 165	Diesel-Electric Transport Refrigeration	5	
DETT 171	Heating, Ventilation, and Air Conditioning	3.5

DIGITAL MEDIA

Film, Television and Electronic Media: A.S.-T Degree for Transfer

Program Code: SAC.FTEM.AST

Program Control Number: 35698

The Associate in Science in Film, Television and Electronic Media for Transfer (A.S.-T in Film, Television and Electronic Media) is designed to prepare students for transfer into the CSU system to complete a baccalaureate degree in Film, Television and Electronic Media, as well as to prepare them for work in those industries. Please consult a counselor regarding specific course requirements for your transfer institution. Completion of the Associate in Science in Film, Television and Electronic Media for Transfer also provides guaranteed admission to the CSU system, although not to a particular campus or major. Upon completion of the A.S.-T in Film, Television and Electronic Media, students will have an understanding of the various aspects associated with the production and post production of films, television and electronic media. Students will also possess the knowledge and technical skills required for academic and professional success in related areas.

Requirements

Student completion requirements for the associate degree for transfer:

1. 60 semester or 90 quarter CSU transferable units
2. the California State University General Education-Breadth pattern (CSU GE Breadth); OR the Intersegmental General Education TransferCurriculum (IGETC) pattern
3. a minimum of 18 semester or 27 quarter units in the major or area of emphasis as determined by the community college district
4. obtainment of a minimum grade point average (GPA) of 2.0
5. earn a grade of "C" or better, (or "P") in all courses required for the major or area of emphasis

Learning Outcome(s):

1. Upon completion of the AS-T in Film, Television and Electronic Media, students will demonstrate the various skills associated with the production, and post production of films, television and digital media.
2. Students will acquire the knowledge and technical skills required for academic and professional success in related areas.

Required Core Courses: Select two: 6 units Units: 6

DM 100 Introduction to Electronic Media: TV, Radio, Film, and the Internet 3

DM 120 Beginning Screenwriting for Digital Media 3

List A: Area 1: Audio (Select One: 3 units) Units: 3

DM 130 Broadcasting for News & Sports 3
-or-

DM 152 Beginning Audio Production 3

List A: Area 2 Video or Film Production (Select One: 3 units) Units: 3

DM 110 Introduction to Television Production 3
-or-

DM 115A Single-Camera Production & Editing 3

List B: Select one: 3 units (or any course not already used above) Units: 3

DM 150 Producing and Directing 3

List C: Select one: 3 units (or any course not already used above) (Max 3 units for DM 125) Units: 3

DM 102 History of Global Cinema 3
-or-

DM 103 History of Film to 1945 3
-or-

DM 104 History of Film from 1945 to Present 3
-or-

DM 105 History of Latin American Cinema 3
-or-

DM 112 Introduction to Video Editing and Postproduction 3
-or-

DM 125 Cooperative Work Experience- Occupational 1-6
-or-

DM 140 Cinematography 3
-or-

DM 193 Motion Graphics with Adobe After Effects 3
-or-

DM 255 Motion Picture Technical Production 3
Total: 18

Digital Media: A.A. Degree

Program Code: SAC.DM.AA

Program Control Number: 04195

Completion of the associate degree prepares students to move into a four-year program leading to a baccalaureate degree. Please consult a SAC counselor for information about course requirements for particular four-year institutions. The associate degree also trains students to assume entry-level positions in broadcasting, cable TV, corporate video, and advertising.

Learning Outcome(s):

1. Students will demonstrate basic knowledge and operational skills associated with various technologies and equipment utilized in the production and post production of professional video programs.
2. Students will acquire sufficient knowledge and understanding of the various aspects and crew positions associated with producing professional television programs, so as to be able to effectively assess the technical and personnel requirements for a production, coordinate the necessary resources and successfully execute the plan as either an individual or a member of a production team.
3. Students will demonstrate critical thinking by reviewing and critiquing past and current movies and TV shows to assess their strengths and weakness from the point of view of the media consumer.

Required Core Courses: 12 units		Units: 12
DM 100	Introduction to Electronic Media: TV, Radio, Film, and the Internet	3
DM 110	Introduction to Television Production	3
DM 112	Introduction to Video Editing and Postproduction	3

Digital Media Arts: A.A. Degree

Program Code: SAC.ARTDM.AA

Program Control Number: 04223

The Digital Media Arts program focuses on a rigorous program of design and media coursework in preparation for a career in digital media, digital design, design development and media publishing. The program develops visual communication skills in print, web and media development.

Learning Outcome(s):

1. Practice creative self-improvement through critical evaluation, application of design vocabulary and personal creative application.
2. Create unique visual communication packages in print, web and media design.
3. Create unique graphics for application across multiple media platforms.
4. Practice all aspects of the design production process in a professional manner, through client-based interactions, project management, and observation of deadlines.

Basic Foundations

	Units: 9
DM 195	Introduction to Digital Media Arts
DM 121A	Fundamentals of Typography
DM 113	Introduction to Digital Media Design Principles
	–or–
ART 110	Two-Dimensional Design
	–or–
ART 111	Three-Dimensional Design

Digital Design Development

	Units: 9
DM 121B	Advanced Typography
DM 122	Principles of Graphic Design
DM 168	Agency Graphic Design Production
DM 164	Web Design

DM 191A	Layout Design	3
DM 124	Cooperative Work Experience - Occupational	1-4
Electives Units: 6-7

Agency Film Production: Certificate of Achievement (Transcripted)

Program Code: SAC.TVAFP.CA

Program Control Number: 38701

This certificate will introduce and develop core single-camera production skills including producing, directing, filming, and editing videos for clients. Students will use the same production process used for narrative and documentary filmmaking, but learn how to do so to meet client business needs for marketing and training. Upon completion of this certificate program, students will be eligible for entry-level employment as Producers, Production Assistants, Editors, Videographers, Assistant Directors, and Project Managers.

Learning Outcome(s):

1. The core competencies for an agency filmmaker include: communication skills: writing, interpersonal, business and organizational; digital visual acumen to visualize, compose, and film a scene; digital organizational and assembly of storytelling images and sounds; technical acumen for both digital cameras and editing software. The Student Learning Outcomes include: an ability to communicate with clients and determine a visual and aural product that meets the clients' goals and objectives. Concepting a finished product that will meet the clients' needs and budget, and will meaningfully convey the intended message. The student will also be able to operate professional digital cameras and be able to compose shots and film scenes that meet all professional standards for: focus, white balance, composition, color and texture. The student will also be able to operate professional video software so that they can ingest digital footage, arrange files on a timeline to tell a meaningful story, and export the finished product to common digital file for playback.

CORE COURSES: 12 Units

	Units: 12
DM 112	Introduction to Video Editing and Postproduction
DM 115A	Single-Camera Production & Editing
DM 120	Beginning Screenwriting for Digital Media
DM 140	Cinematography

REQUIRED COURSES: 6 Units

DM 240	Agency Film Production –and–	3
DM 150	Producing and Directing –or–	3
DM 168	Agency Graphic Design Production	3

Units: 6**Total: 18****Animation for Commercial Applications: Certificate of Achievement (Transcripted)**

Program Code: SAC.ARTAC.CA

Program Control Number: 08734

Earn your certificate in animation and choose your focus within the fields of 3D modeling, character animation, multimedia production and interactive design. Choosing this priority sector field, with projected job growth and high earning potential, will make you an asset in the future and in today's digital media market. Make your creativity work for you!

Learning Outcome(s):

1. Create dynamic animation & interactive media for commercial and creative applications for the entertainment industry.
2. Apply industry-standard software to modeling, animation and interactive design.
3. Solve digital media design problems related to the entertainment industry using product design platforms for animation and interactive media development.

Foundation

DM 195	Introduction to Digital Media Arts	3
DM 113	Introduction to Digital Media Design Principles	3
DM 107	History of Animation	3

Units: 9**Coursework**

DM 196A	3D Modeling: The Fundamentals	3
DM 196B	3D Modeling Intermediate	3
DM 197A	3D Animation Fundamentals	3
DM 165	3D Character Animation	3

Units: 12**Electives**

DM 124	Cooperative Work Experience - Occupational	1-4
DM 169	Game Design & Development Team	1.5
MUS 153	Introduction to Game Audio	2
DM 193	Motion Graphics with Adobe After Effects	3

Units: 1-4**Total: 22-25****Broadcast Journalism: Certificate of Achievement (Transcripted)**

Program Code: SAC.DMBJ.CA

Program Control Number: 10659

Emphasis on preparing students for work in television news and sports programming. Students will gain practical experience producing and staffing a weekly news show aired on YouTube.

Learning Outcome(s):

1. Students will demonstrate basic knowledge and operational skills associated with various technologies and equipment utilized in the production and post-production of professional newscasts.
2. Students will acquire sufficient knowledge and understanding of the various aspects and crew positions associated with producing professional news programs, so as to be able to effectively assess the technical and personnel requirements for a production, coordinate the necessary resources and successfully execute the plan as either an individual or a member of a news team.
3. Students will demonstrate critical thinking by reviewing and critiquing past and current newscasts to assess their strengths and weakness from the point of view of the newsconsumer.

CORE COURSES: 9 units

DM 112	Introduction to Video Editing and Postproduction	3
DM 115A	Single-Camera Production & Editing	3
DM 140	Cinematography	3
Required Courses		Units: 9
DM 130	Broadcasting for News & Sports	3
DM 230A	Beginning News & Sports Production	3
JAMS 121	Reporting and Writing the News	3

Units: 9**Total: 18****Digital Media Arts - Production Artist: Certificate of Achievement (Transcripted)**

Program Code: SAC.DMAPA.CA

Program Control Number: 21756

The Production Artist certificate reflects the rapidly changing industry skills for entry into the broad field of graphic design. Graduates of this program will find entry into the profession at various levels, with employment opportunities in the fields of advertising, graphic design, social media, printing industry, and e-commerce. Skills developed include options in digital print and media design.

Learning Outcome(s):

1. Create unique professional graphics based on client requests and business outcomes.
2. Create unique professional layouts for a variety of media projects and formats.
3. Identify and develop creative briefs to support design proposals that address client needs.
4. Develop graphic packages for multiple platform launch.

Required Courses

DM 195	Introduction to Digital Media Arts	3
DM 121A	Fundamentals of Typography	3
DM 122	Graphic Design I	3
DM 168	Graphic Design II: Branding and Identity	2

Units: 11**Design Coursework**

DM 191A	Layout Design	3
DM 162	Digital Illustration I	3
DM 192A	Digital Illustration II: Advanced Topics	3

Units: 3**Media Coursework**

DM 164	Web Design	3
DM 193	Motion Graphics with Adobe After Effects	3
DM 113	Introduction to Digital Media Design Principles	3

Units: 3**Total: 17****Digital Media Arts - UX Design: Certificate of Achievement (Transcripted)**

Program Code: SAC.DMBUX.CA

Program Control Number: 21754

The UX Design program is designed to address technical skills and creativity in the areas of digital imaging, online page layout, graphic principles of web design, responsive design and interactive design elements for multimedia presentation. Students have options for developing additional skills through work experience, business marketing, or computer programming.

Learning Outcome(s):

1. Design unique professional graphics for use on the web.
2. Design unique professional page layouts for interactive use in web applications and online communications.
3. Test design outcomes and effectiveness through focused client testing.
4. Address responsive design concerns for client needs and desired outcomes.

Required Courses

DM 195	Introduction to Digital Media Arts	3
DM 121A	Fundamentals of Typography	3
DM 164	Web Design	3

Electives

DM 124	Cooperative Work Experience - Occupational	1-4
DM 122	Graphic Design I	3
ENTR 105	Social Media, Bootstrapping, and Market Validation	2
CMPR 118	JavaScript Programming	3

Total: 15-16**Drone Cinematography: Certificate of Achievement (Transcripted)**

Program Code: SAC.DMDC.CA

Program Control Number: 41746

Drone cinematography has grown into a thriving industry, with many trained pilots who offer the service. Drone cinematography is a lucrative field that's perfect for those who want to work in filmmaking and content creation. Aerial videos captured by drones have become a standard element of modern film, television productions, corporate videos, weddings videos, real estate marketing, news, commercial productions, and more. Drone cinematographers have a chance to land high-income jobs capturing aerial footage. Completion of this certificate will allow students to move directly into the workforce with the industry-standard skills and portfolio work they need to attain employment or become their own job creators.

Learning Outcome(s):

1. Develop specialized filming skills as a drone camera imaging operator for multiple career applications in cinematography.
2. Gain experience with drone operations, maneuverability, safety rules, FAA regulations, and actual flight operations.

Core Classes

DM 112	Introduction to Video Editing and Postproduction	3
DM 115A	Single-Camera Production and Editing	3
DM 120	Beginning Screenwriting for Digital Media	3
DM 140	Cinematography	3

Required Classes

DM 170	Drone Pilot License Test Prep	0.5
DM 171	Drone Pilot Training	1.5
DM 175	Drone Cinematography & Editing	3

Total: 17**Narrative Film Production: Certificate of Achievement (Transcripted)**

Program Code: SAC.DMNFP.CA

Program Control Number: 41747

This certificate will introduce and develop core single-camera production skills including producing, directing, filming, and editing videos for narrative short form and feature film productions. Upon completion of this certificate program, students will be eligible for entry-level employment as production assistants, editors, videographers, assistant directors, and project managers.

Learning Outcome(s):

1. Identify individual roles of a production crew and demonstrate the ability to work and communicate in a production crew environment.
2. Demonstrable ability to set up, run, and breakdown professional cameras, audio gear, lights, and other equipment associated with a film production.
3. Write visually for scripts.

Core Courses

DM 112	Introduction to Video Editing and Postproduction	3
DM 115A	Single-Camera Production and Editing	3
DM 120	Beginning Screenwriting for Digital Media	3
DM 140	Cinematography	3

Units: 12**Required Courses**

DM 157	Directing for Single-Camera Production	3
DM 255	Motion Picture Technical Production	3

Total: 18**Screenwriting: Certificate of Achievement (Transcripted)**

Program Code: SAC.DMSW.CA

Program Control Number: 10660

Emphasis on learning writing skills for the development of such television programming as sitcoms, talk shows, news and documentaries, musical variety shows, game shows and soaps, as well as commercials, corporate videos and web programs.

Learning Outcome(s):

1. Students will demonstrate basic knowledge and operational skills associated with various technologies and software utilized in screenwriting.
2. Students will acquire sufficient knowledge and understanding of a writers' room and positions associated with producing professional television scripts as either an individual or a member of a writing team.
3. Students will demonstrate critical thinking by reviewing and critiquing past and current movies and TV scripts to assess their strengths and weakness from the point of view of the writer.

CORE COURSES: 12 units

DM 112	Introduction to Video Editing and Postproduction	3
	–and–	
DM 115A	Single-Camera Production & Editing	3
	–and–

Graphic Arts: Certificate of Proficiency (Untranscribed)

Program Code: SAC.ARTGA.CERT

An express (untranscribed) certificate program introducing students to major components of Graphic Design and Digital Media. The program prepares students for entry-level positions in the field of graphic arts and design related office work. The courses in this certificate are required for the AA degrees in Graphic Design and Digital Media Arts.

Learning Outcome(s):

1. Competently create digital designs using industry-standard design software and theories.
2. Demonstrate creative problem-solving skills.
3. Apply design knowledge to basic industry problems in multiple media applications; including web, print, and communication graphics.
4. Develop a digital media-based portfolio for application in entry-level design careers.

Required Foundation Courses

DM 195	Introduction to Digital Media Arts	Units: 6	3
DM 113	Introduction to Digital Media Design Principles		3
	–or–		
ART 110	Two-Dimensional Design		3

Advanced Design Topics

DM 121A	Fundamentals of Typography	Units: 3	3
	–or–		

DM 122	Graphic Design I		3

ART 100H	Honors Introduction to Art Concepts		3
	–or–		

ART 105	History of Modern Art		3
---------	-----------------------	--	---

Total: 12**EARTH SCIENCE****Earth Science: A.A. Degree**

Program Code: SAC.ES.AA

Program Control Number: 31980

The Associate degree curriculum in Earth Science prepares students to transfer to a four-year institution leading to a baccalaureate degree in Earth Sciences or Geology. Please consult a SAC counselor for information about course requirements for particular four-year institutions. A baccalaureate degree in Earth Sciences may provide the recommended content preparation for students interested in teaching science at the middle school level or are planning to go to law school in the area of Environmental Law or Public Policy. Students may also gain necessary opportunities with Geotechnical or Environmental consulting firms or with government agencies such as the National Park Service.

Learning Outcome(s):

1. Students will demonstrate proficiency and knowledge with regards to the physical structure of the Earth through the paradigm of plate tectonics.
2. Students will demonstrate proficiency and knowledge regarding the operations and interrelations of Earth systems.

Required Core Courses

ASTR 110	Introduction to Stars and Galaxies	Units: 22	3
ASTR 140	Astronomy Laboratory		1
CHEM 209	Introductory Chemistry		4
	–or–		
PSC 115	Concepts in Physical Sciences for Educators *		4
	–or–

Total: 24**ECONOMICS****Economics: A.A.-T Degree for Transfer**

Program Code: SAC.ECON.AAT

Program Control Number: 35555

The Associate in Arts in Economics for Transfer (A.A.-T in Economics) prepares students to move into the CSU system leading to a baccalaureate degree in Economics. Please consult a counselor regarding specific course requirements for your transfer institution. Completion of the Associate in Arts in Economics for Transfer (A.A.-T in Economics) also provides guaranteed admission with junior status to the CSU system, although does not guarantee admission to a specific campus or major. **See Associate Degrees for Transfer for a list of additional requirements for all Associate in Arts for Transfer (AA-T) and Associate in Science for Transfer (AS-T) degrees.**

Learning Outcome(s):

1. Students who complete an AAT in Economics will: Utilize microeconomic or macroeconomic theory to analyze a specific economic scenario. Utilize data to gain insight into a specific economic relationship. Utilize economic history and/or the history of economic ideas to inform a comprehensive understanding of a current economic perspective or event.

REQUIRED CORE: (14-14.5 units)

ECON 120	Principles/Macro –and–	3
ECON 121	Principles/Micro	3
MATH 219	Statistics and Probability –or–	4
MATH 219H	Honors Statistics and Probability –or–	4
MATH 219S	Statistics and Probability with Support –or–	4.5
PSYC 210	Statistics for the Behavioral Sciences	4
MATH 150	Calculus for Biological, Management and Social Sciences –or–	5
MATH 180	Single Variable Calculus I	4

Total: 20-24		

Units: 14 Economics: A.A. Degree

Program Code: sac.econ.aa
Program Control Number: 04256
The associate degree curriculum in economics is a program of basic courses which enable students to move into a curriculum in a four-year institution leading to a baccalaureate degree. Economics prepares the student for a number of career opportunities such as accounting and marketing in the areas of business, government and teaching.

Learning Outcome(s):

1. Students will communicate using basic economic terminology, interpret relevant economic data, and follow and construct fundamental economic arguments
2. Students will define and explain the fundamental economic problem of scarcity and its consequences relating to opportunity cost and marginal decision-making of individuals, firms, and society
3. Students will use the basic tools of economic modeling and graphing to evaluate the market system, to increase the efficiency of resource allocation, and to predict changes within the market and economy.

Course	Units: 21-22

EDUCATION**Elementary Teacher Education: A.A.-T Degree for Transfer**

Program Code: SAC.ETED.AAT
Program Control Number: 31887
The Associate of Arts in Elementary Teacher Education for Transfer (A.A.-T in Elementary Teacher Education) prepares students to transfer into the CSU system to complete a baccalaureate degree in Liberal Studies and into a multiple subject teaching credential program. Please consult a counselor regarding specific course requirements for your transfer institution. Completion of the Associate of Arts in Elementary Teacher Education for Transfer (A.A.-T in Elementary Teacher Education) degree also provides guaranteed admission with junior status to the CSU system, although does not guarantee admission to a specific campus or major. See page Associate Degrees for Transfer for a list of additional requirements for all Associate of Arts for Transfer (A.A.-T) and Associate of Science for Transfer (A.S.-T) degrees. Upon completion of the Associate of Arts in Elementary Teacher Education for Transfer (A.A.-T in Elementary Teacher Education), students will have a strong foundation in introductory content area subject matter requirements for teaching at the elementary school level. Students will also have the opportunity to participate in supervised fieldwork in K-12 settings.

Learning Outcome(s):

1. Identify elements of diversity and diverse learning styles in student populations and discover how teachers and schools can promote learning for all students.
2. Demonstrate proficiency in 14 content areas required for subject matter competency for elementary teachers.

Units: 44-45**Total: 51-52****Elementary Education (Pre-Professional): A.A. Degree**

Program Code: SAC.EDUPP.AA
 Program Control Number: 17761
 The Associate of Arts degree in Elementary Education (Pre-Professional) is designed to prepare students for transfer to a four-year university to obtain a bachelor's degree and multiple subject teaching credential. Completion of the courses in this degree will partially satisfy the requirements for the California State University integrated and traditional teacher preparation programs. The courses are part of the curriculum that can be started at the community college and completed at the university. The curriculum is designed for students who seek the preprofessional subject matter preparation for elementary school teaching consistent with the standards established by the California Commission on Teacher Credentialing. Additionally, the degree curriculum may serve as preparation for paraprofessional positions in the K-12 classroom by satisfying unit requirements established by law. Students interested in becoming a K-12 teacher should visit the Center for Teacher Education at SAC (Located in the Counseling Center - Room S-110).

Learning Outcome(s):

1. Identify elements of diversity and diverse learning styles in student populations and discover how teachers and schools can promote learning for all students.
2. Demonstrate proficiency in 14 content areas required for subject matter competency for elementary teachers.

After School Program Assistant: Certificate of Achievement (Transcripted)

Program Code: SAC.EDUCA.CA

Program Control Number: 41702

The After School Program Assistant Certificate is intended to prepare a student in the position requiring practical skills and knowledge to work with K-12 children in an after school care, tutoring, or mentoring program. It will also orient students toward further opportunities in higher education.

Learning Outcome(s):

1. Demonstrate knowledge of the practical skills and requirements to work in an entry-level position with children, assisting a teacher, in an after-school care, tutoring, or mentoring program.

After School Program Associate Teacher: Certificate of Achievement (Transcripted)

Program Code: SAC.EDUCT.CA

Program Control Number: 41704

The After School Program Associate Teacher Certificate is intended to provide students with skills necessary to work with K-12 students in an after-school setting, provide tutoring or homework assistance, or assist in academic enrichment programs.

Completion of the required courses for this certificate plus 50 days of field experience (minimum of 3 hours per day) can qualify you for the California Child Development Associate Teacher Permit with a school-age emphasis. Contact Career Technical Education (CTE) or Center for Teacher Education counselors at SAC for additional assistance in planning your School-Age profession.

Learning Outcome(s):

1. Demonstrate the advanced skills necessary to work with students in an after-school program that includes knowledge of academic support/enrichment and activity programming.

ENGINEERING**Engineering: A.S. Degree**

Program Code: SAC.ENGR.AS

Program Control Number: 04201

This program provides a basic program of engineering coursework for students planning to transfer to a university engineering program. Students are also advised to communicate with their desired university to determine the specific required coursework to transfer with upperdivision status at their school of choice.

Transfer students are also advised to take job skills courses to improve their employability. Examples include: ENGR 133, 114, 158 (for mechanical majors); 184, 118 (for civil majors); and 131, 133 (for electrical majors).

Students should select courses from the "engineering or engineering-related courses" block based on major:

Mechanical and aerospace engineering majors: ENGR 235, 240, 250, 250L, 280, 125, 103

Civil and environmental engineering majors: ENGR 235, 240, 280, 125, 183; Electrical and computer engineering majors: ENGR 250, 250L, 183; CMPR 120, 121

Learning Outcome(s):

1. apply math and science concepts and techniques to engineering problems
2. solve engineering problems of common lower division engineering courses

The associate degree also requires completion of general education coursework per Plans A, B, or C of the college catalog (at least ~ 30 units).

Engineering and engineering-related courses**(take at least 9 units):**

ENGR 100A Introduction to Engineering	3	Units: 9-11
ENGR 125 Engineering Graphics	3	
ENGR 103 Solidworks Beginning Solid Modeling	3	
ENGR 183 AutoCAD I	4	
ENGR 235 Statics	3	
ENGR 240 Dynamics	3	
ENGR 250 Electric Circuits	3	
ENGR 250L Electric Circuits Laboratory	1	
ENGR 280 Strength of Materials	3	
CMPR 120 Introduction to Programming	3	
CMPR 121 Programming Concepts	3	Units: 21
Science and math courses:		
MATH 180 Single Variable Calculus I	4	
MATH 185 Single Variable Calculus II	4	
PHYS 217 Engineering Physics I	4	
PHYS 227 Engineering Physics II	4	
–or–		
PHYS 237 Engineering Physics III	4	
CHEM 219 General Chemistry	5	
–or–		
CHEM 219HHonors General Chemistry	5	Total: 30-32

Engineering CAD Drafting: A.S. Degree

Program Code: SAC.ENRCA.AS

Program Control Number: 08720

This program prepares students for employment as a MECHANICAL or CIVIL ENGINEERING COMPUTER-AIDED DESIGN (CAD) DRAFTER, and has a strong focus on teaching industry-standard CAD software in the respective areas. Students select one of two options: (1) MECHANICAL, which focuses on 3D solid modeling CAD, or (2) CIVIL, which focuses on AutoCAD, Civil 3D, and REVIT.

If more units are needed to complete the associates degree, it is suggested students also select from the following list: For mechanical drafting (Engr 114), for civil drafting (Engr 118, 119).

Learning Outcome(s):

1. use CAD software to produce industry-standard models
2. use CAD software to produce industry-standard technical drawings

The associate degree also requires completion of general education coursework per the college catalog.

Required core courses:

ENGR 100A Introduction to Engineering	3	Units: 9-10
–or–		
ENGR 100B Introduction to Civil Engineering	2	
ENGR 122 Engineering Drawing	3	
–or–		
ENGR 125 Engineering Graphics	3	
ENGR 183 AutoCAD I	4	

Mechanical Option

ENGR 103 Solidworks Beginning Solid Modeling	3
–or–	
MNFG 103 Solidworks Beginning Solid Modeling	3
ENGR 104 Solidworks Intermediate Solid Modeling	3
–or–	
MNFG 104 Solidworks Intermediate Solid Modeling	3
ENGR 105 Solidworks Advanced Solid Modeling	3
–or–	
MNFG 105 Solidworks Advanced Solid Modeling	3
MNFG 106 Solidworks Drawings	3

Civil Option

ENGR 012 Civil/Architectural Blueprint Reading	2
ENGR 184 AutoCAD II	4
ENGR 185 Civil 3D	4
ENGR 154 Revit and Civil Drafting	4

Total: 21-24**Engineering Civil Drafting and Design: A.S. Degree**

Program Code: SAC.ENRCE.AS

Program Control Number: 04212

This program prepares students for employment as a DRAFTER or DESIGNER in the CIVIL ENGINEERING, architecture, or construction fields. Civil drafters create detailed technical drawings of buildings, structures, and various construction projects designed by architects and civil engineers. Civil drafters must be proficient in industry-standard CAD software (AutoCAD, Civil 3D, REVIT) and have knowledge of industry standard drafting practices. Employment is available in private industry and at local and county government agencies.

This program also develops essential job skills for ENGINEERS. Many university engineering programs may not include these job skill courses as part of their curriculum. Other courses in this program may transfer to the university.

If more units are needed to complete the associate degree, it is suggested students also take: Engr 118, 119 (surveying).

Learning Outcome(s):

1. select and develop engineering careers
 2. read and produce industry-standard civil engineering drawings.
 3. use a variety of CAD software standard for the civil engineering field
- The associates degree also requires completion of general education coursework per the college catalog

Required core courses:

ENGR 100A Introduction to Engineering	3
–or–	
ENGR 100B Introduction to Civil Engineering	2
ENGR 012 Civil/Architectural Blueprint Reading	2
ENGR 122 Engineering Drawing	3
–or–	
ENGR 125 Engineering Graphics	3
ENGR 183 AutoCAD I	4
ENGR 184 AutoCAD II	4
ENGR 185 Civil 3D	4
ENGR 154 Revit and Civil Drafting	4
Total: 23-24	

Engineering Civil Technology: A.S. Degree

Program Code: SAC.ENRCT.AS

Program Control Number: 04202

This program prepares students for employment as a CIVIL ENGINEERING TECHNICIAN. Civil engineering technicians assist civil engineers and surveyors to plan, design, and build various infrastructure projects (e.g., highways, bridges, utilities, etc.) as well as commercial, industrial, and residential projects.

This program also develops essential job skills for ENGINEERS. Many university engineering programs may not include these job skill courses as part of their curriculum. Other courses in this program may transfer to the university.

Learning Outcome(s):

1. select and develop engineering careers
2. use CAD software to produce industry-standard models and technical drawings.
3. use common land surveying instruments

The associates degree also requires completion of general education coursework per the college catalog.

Required core courses:

ENGR 100A Introduction to Engineering	3
–or–	
ENGR 100B Introduction to Civil Engineering	2
ENGR 122 Engineering Drawing	3
–or–	
ENGR 125 Engineering Graphics	3
ENGR 183 AutoCAD I	4
ENGR 184 AutoCAD II	4
ENGR 185 Civil 3D	4
ENGR 118 Surveying	3
ENGR 119 Advanced Plane Surveying	3
GEOL 101 Introduction to Geology	3
GEOL 101L Introduction to Geology Laboratory	1
MATH 162 Trigonometry	4
Total: 31-32	

Engineering Mechanical Drafting and Design: A.S. Degree

Program Code: SAC.ENRDD.AS

Program Control Number: 04203

This program prepares students for employment as a MECHANICAL ENGINEERING DRAFTER or DESIGNER. Mechanical drafters use MCAD (mechanical computer-aided drafting/design) software to create solid models and then detailed technical drawings of machinery or mechanical devices produced by engineers. Mechanical drafters must be proficient in parametric MCAD software and have knowledge of current industry drafting practices. Designers are typically drafters with additional industry experience and training. Designers take generic designs from engineers and add detail to them (e.g., material and fastener selection) using MCAD. Employment is primarily in the private industries such as aerospace, biomedical, industrial, and other manufacturing industries. This program also develops essential job skills for ENGINEERS. Many university engineering programs may not include these job skill courses as part of their curriculum. Other courses in this program may transfer to the university.

If more units are needed to complete the associate degree, it is suggested students also select courses from the following list: Engr 184, 131, 133, or trigonometry.

Learning Outcome(s):

1. apply the rules of orthographic projection to create multi-view drawings
 2. produce industry-standard models and engineering drawings.
 3. effectively use CAD software to produce models and drawings
- The associate degree also requires completion of general education coursework per the college catalog.

Required core courses:

ENGR 100A Introduction to Engineering	3
ENGR 122 Engineering Drawing	3
–or–	
ENGR 125 Engineering Graphics	3
ENGR 183 AutoCAD I	4
ENGR 103 Solidworks Beginning Solid Modeling	3
–or–	
MNFG 103 Solidworks Beginning Solid Modeling	3
ENGR 104 Solidworks Intermediate Solid Modeling	3
–or–	
MNFG 104 Solidworks Intermediate Solid Modeling	3
ENGR 105 Solidworks Advanced Solid Modeling	3
–or–	
MNFG 105 Solidworks Advanced Solid Modeling	3
MNFG 106 Solidworks Drawings	3
ENGR 114 Geometric Dimensioning and Tolerancing	3
–or–	
MNFG 114 Geometric Dimensioning and Tolerancing	3
ENGR 158 Basic Machining Concepts and Operations	3
–or–	
MNFG 158 Basic Machining Concepts and Operations	3
Total: 28	

Engineering Mechatronics: A.S. Degree

Program Code: SAC.ENMT.AS

Program Control Number: 08711

This program prepares students for employment as a MECHANICAL ENGINEERING TECHNICIAN or as an engineering technician in the related areas of electro-mechanical, aerospace, biomedical, industrial, or manufacturing. The program focuses on mechatronics – mechanical systems controlled with electronics or computer technology. The program emphasizes hands-on learning and covers: robotics, automation, PLC (programmable logic control), rapid prototyping, micro-controllers like Arduino, sensors, actuators, control systems, testing, measurement, programming, and basic circuits.

Employment is mainly in private manufacturing industries such as the mechanical, aerospace, biomedical, or industrial areas.

This program also develops essential job skills for ENGINEERS. Many university engineering programs may not include these job skill courses as part of their curriculum. Other courses in this program may transfer to the university.

If more units are needed to complete the associate degree (~ 60 units), it is suggested students also select from the following list: Cmpr 120 (C programming), Cmpr 121 (C programming), Engr 250L (circuits lab), Engr 131, 104, and Weld 101.

Learning Outcome(s):

1. design, fabricate, program, and operate mechatronics systems
2. program and operate micro-controllers to obtain sensor data and to control various actuators
3. use various rapid prototyping and/or automation equipment

The associate degree also requires completion of general education coursework (~30 units) per Plans A, B, or C of the college catalog.

Required core courses:

ENGR 100A Introduction to Engineering	3	Units: 20
ENGR 122 Engineering Drawing	3	
–or–		
ENGR 125 Engineering Graphics	3	
ENGR 103 Solidworks Beginning Solid Modeling	3	
–or–		
MNFG 103 Solidworks Beginning Solid Modeling	3	
ENGR 132 Introduction to Robotics	2	
ENGR 133 Mechatronics I	3	
ENGR 134 Mechatronics II	3	
ENGR 158 Basic Machining Concepts and Operations	3	
–or–		
MNFG 158 Basic Machining Concepts and Operations	3	
Total:	20

Program Code: SAC.ENRSC.CA

Program Control Number: 41540

This program provides a basic program of engineering coursework for students planning to transfer to a university engineering program. For the elective block, students should select based on major:

Mechanical and aerospace engineering majors: ENGR 235, 240, 103

Civil and environmental engineering majors: ENGR 235, 240, 183

Electrical and computer engineering majors: ENGR 250, CMPR 120, CMPR 121

Learning Outcome(s):

1. apply math and science concepts and techniques to engineering problems
2. solve problems of common lower division engineering courses

Science and math courses

Units: 15-16

MATH 180	Single Variable Calculus I	4
MATH 185	Single Variable Calculus II	4
PHYS 217	Engineering Physics I	4
CHEM 209	Introductory Chemistry	4

–or–

CMPR 120	Introduction to Programming	3
----------	-----------------------------	---

Elective courses (engineering and related) (select 1)

Units: 3-5

ENGR 235	Statics	3
ENGR 240	Dynamics	3
ENGR 250	Electric Circuits	3
ENGR 183	AutoCAD I	4
ENGR 103	Solidworks Beginning Solid Modeling	3
CHEM 219	General Chemistry	5
CMPR 121	Programming Concepts	3

Total: 18-21

Engineering AutoCAD 2D Basics: Certificate of Proficiency (Untranscribed)

Program Code: SAC.CAD2D.CERT

This program prepares students for entry level DRAFTER positions that require knowledge of AutoCAD, typically in the architectural, civil, construction, and industrial fields. Students will learn to create and edit technical drawings and annotate designs. The program may be completed in less than one year, and it provides a good first step to more advanced drafting technology coursework and programs.

Learning Outcome(s):

1. Effectively use AutoCAD software

Required core courses:

Units: 10-11

ENGR 100A	Introduction to Engineering	3
–or–		
ENGR 100B	Introduction to Civil Engineering	2
ENGR 183	AutoCAD I	4
ENGR 184	AutoCAD II	4

Total: 10-11

Engineering Mechanical 3D Solid Modeling CAD: Certificate of Proficiency (Untranscripted)

Program Code: SAC.ENGR3D.CERT

This program prepares students for employment as a MECHANICAL ENGINEERING DRAFTER or DESIGNER. Mechanical drafters use MCAD (mechanical computer-aided drafting/design) software to create solid models and then detailed technical drawings of machinery or mechanical devices designed by engineers. The program focuses on training students on industry-standard MCAD software that is used heavily in the mechanical, aerospace, automotive, industrial, & biomedical engineering fields. Students learn to use the parametric nature of MCAD software to produce changeable models incorporating "design intent" and to produce drawings that conform to industry standards. The skills learned are applicable to drafters, designers, engineering technicians, and engineers in these fields.

Employment is primarily in the private manufacturing industries such as aerospace, biomedical, industrial, and many other manufacturing industries.

This program also develops essential job skills for ENGINEERS. Many university engineering programs may not include these job skill courses as part of their curriculum. Other courses in this program may transfer to the university.

Learning Outcome(s):

1. apply rules of orthographic projection to create multi-view drawings
2. produce industry-standard models and technical drawings
3. effectively use 3D solid modeling CAD software

Required Core Courses:

ENGR 103	Solidworks Beginning Solid Modeling	3
ENGR 104	Solidworks Intermediate Solid Modeling	3
ENGR 105	Solidworks Advanced Solid Modeling	3
MNFG 106	Solidworks Drawings	3
ENGR 122	Engineering Drawing	3
	–or–	
ENGR 125	Engineering Graphics	3

Units: 15

Total: 15

ENGLISH

English: A.A.-T Degree for Transfer

Program Code: sac.engl.aat

Program Control Number: 32436

The Associate in Arts in English for Transfer (A.A.-T in English) prepares students to move into the CSU system leading to a baccalaureate degree in English. Please consult a counselor regarding specific course requirements for your transfer institution. Completion of the A.A.-T degree in English also provides guaranteed admission with junior status to the CSU system, although does not guarantee admission to a specific campus or major. **See Associate Degrees for Transfer for a list of additional requirements for all Associate in Arts for Transfer (A.A.-T) and Associate in Science for Transfer (A.S.-T) degrees.** Upon completion of the A.A.-T in English, students will have demonstrated an general understanding of the academic standards expected of readers and writers of the English language. They will be able to apply critical thinking skills in order to evaluate literary works for their artistic and literary merits as well as analyze them according to various interpretive theories and for the use of literary devices. Students will be able to produce correctly formatted, documented, and cited academic essays that utilize appropriately chosen sources in support of their arguments.

Learning Outcome(s):

1. demonstrate the ability to read and analyze a text, not limited to written fiction.
2. produce a college-level essay addressing the concerns of a given assignment.
3. use appropriately chosen research material that is documented and cited correctly in MLA format.

CORE COURSES Option One (8 units) Option Two (4 units) Units: 4-8

Option 1: Select two (8 units)

ENGL 103	Critical Thinking and Writing	4
	–or–	
ENGL 103H	Honors Critical Thinking and Writing	4
	–and–	
ENGL 102	Literature and Composition	4
	–or–	

ENGL 102H	Honors Literature and Composition	4
-----------	-----------------------------------	---

Option 2: Select one (4 units)

ENGL 102	Literature and Composition	4
	–or–	
ENGL 102H	Honors Literature and Composition	4

List A: Select two (6 units)

Units: 6

ENGL 231	Survey of English Literature I	3
	–or–	
ENGL 232	Survey of English Literature II	3
	–or–	
ENGL 241	Survey of American Literature 1600-1865	3
	–or–	
ENGL 242	Survey of American Literature, 1865-Present	3
	–or–	
ENGL 271	Survey of World Literature I	3
	–or–	
ENGL 272	Survey of World Literature II	3

LIST B: Select courses based on option chosen in CORE COURSES:

Option 1: 3 units Option 2: 6 units Units: 6

Any courses from LIST A not already used. Any English course articulated as lower division preparation in the English major at a CSU.		
ENGL 213	Creative Writing	3
	–or–	
ENGL 220	Survey of the Bible as Literature	3
	–or–	
ENGL 233A	Shakespeare's Comedies and Romances	3
	–or–	
ENGL 233B	Shakespeare's Tragedies and History Plays	3
	–or–	
ENGL 233C	Shakespeare's Theatre	3
	–or–	
ENGL 243	The Modern American Novel	3
	–or–	
ENGL 245	The Image of African Americans in Literature and Films	3
	–or–	
ENGL 246	Survey of Chicano Literature	3
	–or–	
ENGL 270	Children's Literature	3
	–or–	
ENGL 278	Survey of Literature by Women	3

LIST C: Select one (3-5 units)**Units: 3-5**

Any course from LIST A or B not already used. Any CSU transferable English course.

Any language course other than English that is articulated to fulfill CSU-GE Area C or IGETC Area 3B.

Total: 19-25**English: A.A. Degree**

Program Code: SAC.ENGL.AA

Program Control Number: 04238

The associate degree curriculum in English is designed to develop proficiency in written communication and in the understanding of human nature through the study of language and literature. Completion of the A.A. degree in English prepares students to pursue upperdivision studies as an English major focusing on literature, writing, criticism or other related fields. Students wanting to pursue a career in law, politics, education, or communications often choose the A.A. degree in English because of the emphasis on close reading of texts, strategic employment of language, and strengthened writing skills the program promotes. Because the critical thinking and analytical skills developed as an English major are so versatile, students who may not be sure of their career and/or academic goals might want to consider it.

Learning Outcome(s):

1. employ active reading and critical thinking skills to analyze, respond to, and evaluate various texts.
2. use the writing process to develop polished compositions that align with the intended purpose and audience.
3. use language, sentence structure, and punctuation effectively to convey the intended meaning and tone.
4. locate both primary and secondary sources of information (using the web, the library, and the library databases) and evaluate them for credibility and accuracy.
5. correctly integrate and document sources in MLA format to avoid plagiarism.
6. demonstrate familiarity with major authors, works, genres, literary styles, and literary critical paradigms.

Major requirements for the Associate in Arts degree: Course:Units: 4

ENGL 102	Literature and Composition	4
	-or-	

ENGL 102H	Honors Literature and Composition	4
-----------	-----------------------------------	---

Choose six units from these survey courses: Units: 6

ENGL 231	Survey of English Literature I	3
	-or-	

ENGL 232	Survey of English Literature II	3

ENTREPRENEURSHIP

Entrepreneurship and Innovation: A.A. Degree

Program Code: SAC.ENTE.IAA

Program Control Number: 08692

The associate degree in Entrepreneurship and Innovation is designed to give students a thorough understanding of the process of entrepreneurship. It is designed for those who have thought about starting their own ventures, as well as for those new to business. Students learn to develop and commercialize ideas for new ventures. Small business owners learn to develop resources to be more profitable and sustainable. Classes are practical and hands on. They provide real-world exposure to cutting-edge innovation and entrepreneurship. Specialized topics include: building a team, bootstrap marketing, finances and resources, opportunity assessment, design techniques, powerful presentations and more.

Learning Outcome(s):

1. Demonstrate the necessary knowledge to start their own businesses either as entrepreneurs or freelance independent contractors.

Core Requirement Units: 8

ENTR 100 Introduction to Innovation and Entrepreneurship	3
ENTR 105 Social Media, Bootstrapping, and Market Validation	2
BUS 170 Principles of Small Business Management	3

Freelancing for Entrepreneurs (6 Units) Units: 6

ENTR 120 Introduction to Working as a Freelance Independent Contractor	1
ENTR 121 People Skills for the Freelancer	1
ENTR 122 Opportunities in Freelance Industries and Trades	1
ENTR 123 Marketing to Attract Customers and Grow Your Freelance Business	1
ENTR 124 Survival Finance and Accounting for the Freelancer- Show Me the Money	1
ENTR 125 Launch Your Freelance Business	1

Specialty Area of Focus - Choose 3 Units: 9

MKTG 113 Principles of Marketing	3
MKTG 116 Global Marketing: Selling Around the World	3
-or-	
BUS 116 Global Marketing: Selling Around the World	3
MKTG 127 Introduction to E-Commerce	3
BUS 118 Importing: Global Sourcing and Markets	3
BUS 125 Introduction to International Business	3
BUS 120 Principles of Management	3
MGMT 120 Principles of Management	3

Capstone - Choose 1 (3 Units) Units: 3

ENTR 110 Capstone Business Simulations	3
-or-	
ENTR 111 Capstone Entrepreneurial Case Studies	3

Entrepreneurship and Innovation: Certificate of Achievement (Transcripted)

Program Code: SAC.ENTE.IA Program Control Number: 21749

The certificate in Entrepreneurship and Innovation is designed to give students a thorough understanding of the process of entrepreneurship. It is designed for those who have thought about starting their own ventures, as well as for those new to business. Students learn to develop and commercialize ideas for new ventures. Small business owners learn to develop resources to be more profitable and sustainable. Classes are practical and hands on. They provide real-world exposure to cutting-edge innovation and entrepreneurship.

Learning Outcome(s):

1. Start their own businesses either as entrepreneurs or freelance independent contractors.

Core Course Requirements: Units: 5

ENTR 100 Introduction to Innovation and Entrepreneurship	3
ENTR 105 Social Media, Bootstrapping, and Market Validation	2

Freelancing for Entrepreneurs Units: 6

ENTR 120 Introduction to Working as a Freelance Independent Contractor	1
ENTR 121 People Skills for the Freelancer	1
ENTR 122 Opportunities in Freelance Industries and Trades	1
ENTR 123 Marketing to Attract Customers and Grow Your Freelance Business	1
ENTR 124 Survival Finance and Accounting for the Freelancer- Show Me the Money	1
ENTR 125 Launch Your Freelance Business	1

Capstone: Choose 1 Units: 3

ENTR 110 Capstone Business Simulations	3
ENTR 111 Capstone Entrepreneurial Case Studies	3
BUS 170 Principles of Small Business Management	3

Total: 14

Freelancer: Certificate of Proficiency (Untranscripted)

Program Code: SAC.FRLAN.CERT

The Freelancer certificate is designed to give all students, but especially non-business majors, a boot-camp understanding of business as applied to a freelance independent contractor. It is designed for new grads who want to freelance to start their careers, full-time workers who want to freelance to earn extra money or transition to a new career, laid-off workers, workers leaving full-time jobs, parents who want to freelance for a flexible schedule, people who want turn their hobbies into profitable freelance ventures, and seniors who freelance to supplement their incomes.

In the classes students learn how to plan and get started, personal and people skills, different business trades and industries, networking and opportunities, how to get and develop customers, where to get money, how to get paid and how to launch a new freelance business. Classes are short one-unit classes. The goal of the certificate is to teach, as quickly as possible, just what someone needs to know to survive in business as a freelancer.

Learning Outcome(s):

1. Students will demonstrate an understanding of the basic requirements to successfully start and run a small business as well as the ability to apply planning methods to business and entrepreneurial situations

Course Units: 6

ENTR 120 Introduction to Working as a Freelance Independent Contractor	1
ENTR 121 People Skills for the Freelancer	1
ENTR 122 Opportunities in Freelance Industries and Trades	1
ENTR 123 Marketing to Attract Customers and Grow Your Freelance Business	1

ETHNIC STUDIES

Black Studies: A.A. Degree

Program Code: SAC.BLST.AA

Program Control Number: 08754

The Associate in Arts Degree in Black Studies is intended to provide students with a comparative, trans-disciplinary, multisectoral, and multidimensional analysis of the experiences of persons of African descent in the United States. Students will analyze issues relating to the African/Black American community while developing a critical understanding of American society's African/Black American communities.

Students study the social, cultural, political, economic, and historical narrative of African/Black American communities in the United States to critically analyze issues distinct to race, ethnicity, class, gender, sexuality, religion, spirituality, national origin, immigration status, ability, and/or age while developing a consciousness of the cultural pluralism in American society. This degree's primary purpose is to present the African/Black American narrative due to being excluded from the overall American experience, American identity, and American definition. The degree provides insight into how African/Black American endured the "American Experience" based on hierarchy, oppression, racialization, ethnocentrism, Eurocentrism, and White supremacy and their continued resistance, social justice, liberation, progression, evolution, healing, resiliency, emphasizing agency and self-affirmation.

Learning Outcome(s):

1. Students will apply a trans-disciplinary approach to the study of African/Black Americans.
2. Students shall analyze and evaluate the social, cultural, and political concepts central to the experiences of African/Black Americans.
3. Students will assess the historical, literary, and artistic contributions of African/Black Americans to American society and culture.
4. Students shall compare and contrast the various approaches and methodologies employed to study the experiences of African/Black Americans.
5. Students will analyze the concepts of economic empowerment and self-determination in relation to the African/Black American community.
6. Students shall analyze the impact of public policy on the African/Black American family, past and present.
7. Students will examine trends in the organization of Black Studies, patterns in courses on the Black experience, African American Studies, the African American experience, issues of Afro-centricity, Africology, Black Power, et cetera.
8. Students shall develop and foster research techniques founded on anti-oppressive, anti-racist, anti-colonial, anti-suppressive, and anti-repressive methodologies for participatory research within the African/Black American communities.
9. Students will actively engage with anti-oppressive, anti-racist, anti-colonial, anti-suppressive, anti-repressive, self-determination, liberation, decolonization, sovereignty, and resiliency issues to create practices and movements founded on these ideals within the African/Black American communities.
10. Students shall develop an awareness of resistance, social justice, liberation, progression, evolution, healing, resiliency, emphasizing agency, and self-affirmation.

Course	Units: 18
BLST 150 Introduction to African/Black American Studies	3
ANTH 100 Introduction to Cultural Anthropology	3
–or–	
ANTH 100H Honors Introduction to Cultural Anthropology	3
HIST 123 African American History to 1865	3
HIST 146 African American History from 1863 to the Present	3

ENGL 245 The Image of African Americans in Literature and Films	3
Total: 18	

Chicana/Chicano Studies: A.A. Degree

Program Code: SAC.CHST.AA

Program Control Number: 08755

The Associate in Arts Degree in Chicana/Chicano Studies provides a unique opportunity to serve and understand the Chicana/Chicano/Chican@/Chicanx/Xicana/Xicano/Xicanx community.

The degree offers a curriculum that focuses on the Chicana/Chicano/Chican@/Chicanx/Xicana/Xicano/Xicanx experience through critically analyzing issues distinct to race, ethnicity, class, gender, sexuality, religion, spirituality, national origin, immigration status, ability, and/or age, and cultural expression within the historical and contemporary experiences of Chicanas/Chicanos/Chican@s/Chicanxs/Xicanas/Xicanos/Xicanxs in the United States proper, United States lower, and the Americas.

This Associate in Arts Degree in Chicana/Chicano Studies introduces the field of Chicana/Chicano/Chican@/Chicanx/Xicana/Xicano/Xicanx Studies. It is designed to acquaint students with the most significant social, political, economic, and historical aspects of the Chicana/Chicano/Chican@/Chicanx/Xicana/Xicano/Xicanx experience in the United States.

A trans-disciplinary, multisectoral, and multidimensional approach will be employed to study Chicanas/Chicanos/Chican@s/Chicanxs/Xicanas/Xicanos/Xicanxs various experiences and their contributions to American society and culture. This degree will critically analyze the societal context in which the Chicana/Chicano/Chican@/Chicanx/Xicana/Xicano/Xicanx have sought to maintain their culture and identity.

This Associate in Arts Degree in Chicana/Chicano Studies primary purpose is to present the Chicanas/Chicanos/Chican@s/Chicanxs/Xicanas/Xicanos/Xicanxs narratives due to being excluded from the overall American experience, American identity, and American definition.

The degree provides insight into how Chicanas/Chicanos/Chican@s/Chicanxs/Xicanas/Xicanos/Xicanxs endured the "American Experience" based on hierarchy, oppression, racialization, ethnocentrism, Eurocentrism, and White supremacy and their continued resistance, social justice, liberation, progression, evolution, healing, resiliency, emphasizing agency and self-affirmation.

This Associate in Arts Degree in Chicana/Chicano Studies establishes a foundation in Chicana/Chicano/Chican@/Chicanx/Xicana/Xicano/Xicanx Studies.

Learning Outcome(s):

1. Students will apply a trans-disciplinary approach to the study of Chicana/Chicano communities.
2. Students shall demonstrate knowledge of the history and contemporary developments in the field of Chicana/Chicano Studies.
3. Students will compare and contrast the various approaches and methodologies employed to study the experiences of the Chicana/Chicano community to correlate shortcomings and successes.
4. Students shall learn key roles the Chicana/Chicano community has played in creating and shaping the United States from inception to present day.
5. Students will unpack, dissect, comprehend, and apply the differences between cultural identifiers (i.e., Chicana/Chicano, American Mexican, Mexican American, Hispanic, et cetera).
6. Students shall analyze the impact of public policy on the Chicana/Chicano family, past and present.
7. Students will analyze and evaluate the social, cultural, and political concepts central to the experiences of the Chicana/Chicano community.
8. Students shall develop and foster research techniques founded on anti-oppressive, anti-racist, anti-colonial, anti-suppressive, and anti-repressive methodologies for participatory research within Chicana/Chicano communities.
9. Students will actively engage with anti-oppressive, anti-racist, anti-colonial, anti-suppressive, anti-repressive, self-determination, liberation, decolonization, sovereignty, and resiliency issues to create practices and movements founded on these ideals within Chicana/Chicano communities.
10. Students shall develop an awareness of resistance, social justice, liberation, progression, evolution, healing, resiliency, emphasizing agency, and self-affirmation.

Ethnic Studies: A.A. Degree

Program Code: SAC.ETHN.AA

Program Control Number: 04255

The Associate in Arts Degree in Ethnic Studies is intended to provide students with a comparative, trans-disciplinary, multisectoral, and multidimensional interpretation of the experiences of Native/First People/Indigenous/American Indian/First Nation American, African/Black American, Chicana/Chicano/Chican@/Chicanx/Xicana/Xicano/Xicanx/Xican@/Latin/Latina/Latino/Latine/Latinx American, and Asian American.

Students study the social, cultural, political, economic, and historical narrative of communities of color in the United States to critically analyze issues distinct to race, ethnicity, class, gender, sexuality, religion, spirituality, national origin, immigration status, ability, and/or age while developing a consciousness of the cultural pluralism in American society.

This degree's primary purpose is to present these four groups' narratives due to being excluded from the overall American experience, American identity, and American definition. The degree provides insight into how these four groups endured the "American Experience" based on hierarchy, oppression, racialization, ethnocentrism, Eurocentrism, and White supremacy and their continued resistance, social justice, liberation, progression, evolution, healing, resiliency, emphasizing agency and self-affirmation.

Learning Outcome(s):

- Students will gain the ability to work effectively with increasingly diverse populations.
- Students shall learn to analyze the societal, institutional, and systemic racial impacts of law, politics, culture, and public policy.
- Students will gain knowledge about diverse human behavior and communities.
- Students shall develop cultural competency, central to living in and understanding the surrounding world.
- Students will critically engage with the cultural and intellectual contributions of people of color.
- Students shall actively critically analyze Ethnic Studies perspectives, theories, and themes.
- Students will analyze and evaluate the social, cultural, and political concepts central to the experiences of communities of color.
- Students shall develop and foster research techniques founded on anti-oppressive, anti-racist, anti-colonial, anti-suppressive, and antirepressive methodologies for participatory research with communities of color.
- Students will actively engage with anti-oppressive, anti-racist, anti-colonial, anti-suppressive, anti-repressive, self-determination, liberation, decolonization, sovereignty, and resiliency issues to create practices and movements founded on these ideals within communities of color.
- Students shall develop an awareness of resistance, social justice, liberation, progression, evolution, healing, resiliency, emphasizing agency and self-affirmation.

FASHION DESIGN AND MERCHANDISING

Apparel Product Development and Technical Design: A.A. Degree

Program Code: SAC.FDCAP.AA

Program Control Number: 08742

In addition to the general education requirements, this vocational program provides the technical skills and product background necessary to work in apparel jobs such as pattern making, product development, and technical design in ready-to-wear or theater costumes. Emphasis is placed on developing vocational skills including computer applications current to fashion design manufacturing.

Learning Outcome(s):

- Apply their creative abilities to support their future design careers.
- Determine the manufacturing process to the appropriate design process.
- Solve problems at all levels of the design process.

Courses	Units: 34-37
FDM 108 RTW Apparel Quality and Construction Analysis	3
FDM 109 Flat Pattern Techniques	3
FDM 111A Fashion Illustration Techniques	3
FDM 112 Intermediate Flat Pattern Making	3
FDM 114 3D Design	3
FDM 215 Computer Fashion Illustration	3
FDM 100 Introduction to the Fashion Industry	3
FDM 104 Textile Fibers and Fabrics	3
FDM 105A Beginning Sewing	3
FDM 113 Fashion Draping	3
FDM 216 Computerized Garment Pattern Drafting	3
FDM 299 Work Experience - Fashion Design	1-4
Select six units from the following elective courses:	Units: 6
FDM 105B Intermediate Sewing	3
FDM 106 Couture Sewing	3
FDM 114C 3D Design- Swimwear	1
FDM 114D 3D Design- Denim	1

	Total: 40-43

Fashion Design: A.A. Degree

Program Code: SAC.FDC.AA

Program Control Number: 08739

In addition to the general education requirements, the associate degree curriculum in fashion design provides the basic aesthetic concepts and technical skills necessary for immediate employment in the fashion related fields of design or to transfer to a university program. The program prepares students for entry-level positions in apparel design for custom clients, theater costuming, and manufacturer's operations. Completion of the degree enhances ability to obtain a position and advance in the fashion design field.

Learning Outcome(s):

1. Apply their creative abilities to support their future design careers.
2. Formulate design ideas verbally, visually, and digitally.
3. Utilize various techniques related to drafting, draping, and constructing garments.
4. Design visual materials in both physical and digital formats.

FDM 103	Fashion Selection	3

Total: 34-37**Fashion Merchandising: A.A. Degree**

Program Code: SAC.FDM.AA

Program Control Number: 08740

In addition to the general education requirements, the associate degree curriculum in fashion merchandising is designed to prepare students for a career in the fashion industry or to transfer to a university program. The program places emphasis on preparing students for entry-level positions in such areas as sales, buying, merchandising, promotion, retail management, styling, and fashion forecasting.

Learning Outcome(s):

1. Apply their creative abilities to support their future design careers.
2. Summarize and relate fashion design to a broader socioeconomic context.

Courses**Units: 21-24**

FDM 100	Introduction to the Fashion Industry	3
FDM 108	RTW Apparel Quality and Construction Analysis	3
FDM 104	Textile Fibers and Fabrics	3
FDM 105A	Beginning Sewing	3

FDM 111A	Fashion Illustration Techniques	3
FDM 216	Computerized Garment Pattern Drafting	3

Total: 20

Apparel Product Development and Technical Design: Certificate of Achievement (Transcripted)

Program Code: SAC.FDCAP.CA

Program Control Number: 21792

This certificate program provides the technical skills and product background necessary to work in apparel jobs such as pattern making, product development, and technical design in ready-to-wear or theater costumes.

Emphasis is placed on developing vocational skills including computer applications current to fashion design manufacturing.

Learning Outcome(s):

1. Apply their creative abilities to support their future design careers.
2. Determine the manufacturing process to the appropriate design process.
3. Solve problems at all levels of the design process.

Courses:

FDM 100 Introduction to the Fashion Industry		Units: 34-37
FDM 104	Textile Fibers and Fabrics	3
FDM 105A	Beginning Sewing	3
FDM 108	RTW Apparel Quality and Construction Analysis	3
FDM 109	Flat Pattern Techniques	3
FDM 111A	Fashion Illustration Techniques	3
FDM 112	Intermediate Flat Pattern Making	3
FDM 114	3D Design	3
FDM 215	Computer Fashion Illustration	3
FDM 113	Fashion Draping	3
FDM 216	Computerized Garment Pattern Drafting	3

FDM 081	Screen Printing	1.5
FDM 107	Custom Tailoring	2
		Total: 40-43

Dressmaking and Alterations Option: Certificate of Achievement (Transcripted)

Program Code: SAC.FDCDA.CA

Program Control Number: 10667

The certificate in Dressmaking and Alteration prepares students for employment in the alterations department of department stores or for the operation of their own business in dressmaking, tailoring, and alterations. **Learning Outcome(s):**

1. Apply their creative abilities to support their future design careers.
2. Create garments utilizing various techniques related to drafting, draping, and constructing garments.

Required Courses:

		Units: 31
FDM 104	Textile Fibers and Fabrics	3
FDM 105A	Beginning Sewing	3
FDM 107	Custom Tailoring	2
FDM 110	Corset Construction	3
FDM 113	Fashion Draping	3
FDM 212	Advanced Draping	2
FDM 105B	Intermediate Sewing	3
FDM 106	Couture Sewing	3
FDM 109	Flat Pattern Techniques	3
FDM 112	Intermediate Flat Pattern Making	3
FDM 052	Knit and Swim Suit Sewing	3

Fashion Design: Certificate of Achievement (Transcripted)

Program Code: SAC.FDC.CA

Program Control Number: 21790

The certificate curriculum in fashion design provides the basic aesthetic concepts and technical skills necessary for immediate employment in the fashion related fields of design. The program prepares students for entry-level positions in apparel design for custom clients, theater costuming, and manufacturer's operations. Completion of the certificate enhances ability to obtain a position and advance in the fashion design field.

Requirements for the certificate:

Learning Outcome(s):

1. Apply their creative abilities to support their future design careers.
2. Formulate design ideas verbally, visually, and digitally.
3. Utilize various techniques related to drafting, draping, and constructing garments.
4. Design visual materials in both physical and digital formats.

Courses

		Units: 31.5-36.5

Fashion Assistant: Certificate of Proficiency (Untranscripted)

Program Code: SAC.FDFA.CERT

This certificate curriculum is designed to prepare students for entry level design assistant positions in the apparel industry. All classes offer sections available online.

Learning Outcome(s):

1. Apply their creative abilities to support their future design careers.
2. Utilize various software related to designing garments.

Courses Units: 16-21

FDM 100	Introduction to Fashion	3
FDM 104	Textile Fibers and Fabrics	3
FDM 105A	Beginning Sewing	3
FDM 111A	Fashion Illustration Techniques	3
FDM 215	Computer Fashion Illustration	3
FDM 299	Cooperative Work Experience Education	1-6
Total: 16-21		

Screen Printing and Embroidery: Certificate of Proficiency (Untranscripted)

Program Code: SAC.FDSPE.CERT

This certificate curriculum is designed to prepare students for entry level positions in screen printing and embroidery shops.

Learning Outcome(s):

1. Apply their creative abilities to support their future design careers.
2. Create screen printed and embroidered garments in the physical format.
3. Utilize various equipment and software related to screen printing and embroidery.

Courses Units: 13.5

FDM 111A	Fashion Illustration Techniques	3
FDM 215	Computer Fashion Illustration	3
FDM 080	Embroidery	1.5
FDM 081	Screen Printing	3
FDM 082	Screen Printing Advanced Techniques	3
Total: 13.5		

Swimwear Design: Certificate of Proficiency (Untranscripted)

Program Code: SAC.FDSD.CERT

This certificate curriculum is designed to prepare students for entry level design and product development positions in southern California's swimwear industry.

Learning Outcome(s):

1. Apply their creative abilities to support their future design careers.
2. Design knit garments in both physical and digital formats

Courses Units: 15

FDM 105A	Beginning Sewing	3
FDM 111A	Fashion Illustration Techniques	3
FDM 052	Knit and Swim Suit Sewing	3
FDM 114	3D Design	3
FDM 215	Computer Fashion Illustration	3

FIRE ACADEMY

Administrative Fire Services Chief Officer: A.S. Degree

Program Code: SAC.FTCO.AS

Program Control Number: 10549

The Administrative Fire Services Chief Officer Degree is designed to prepare students for careers as chief officers. This program meets the requirements of the California Fire Chiefs' Association and the Chief Fire Officer Certification track of the California State Fire Marshal. Transcript evaluation may allow up to a maximum of 18 units of credit for previous fire service education. If Fire Technology 121 is completed as an elective with a "C" or better grade and FTC 121L is completed with a "pass," it may be used to satisfy the requirements for section F of the general education requirements for graduation.

Student must complete the general education requirements as outlined in the appropriate catalog.

Learning Outcome(s):

1. Meet the occupational standards for California State Fire Training's Chief Fire Officer Certification.
2. Carry out the job performance requirements as listed in NFPA 1021 Standard for Fire Officer Professional Qualifications (2014).
3. Perform the job performance requirements of NFPA 1051 Standard for Wildland Fire Fighter Professional Qualifications (2016)

Core Course Requirements

Units: 10

FOT 032	ICS-300 Intermediate ICS	0.5
FOT 150A	Company Officer 2A: Human Resource Management for Company Officers	1
FOT 150B	Company Officer 2B: General Administration Functions for Company Officers	0.5
FOT 150C	Company Officer 2C: Fire Inspections and Investigations	1.5
FOT 150D	Company Officer 2D: All-Risk Command Operations for Company Officers	1.5
FOT 150E	Company Officer 2E: Wildland Incident Operations for Company Officers	1.5
FOT 205	Instructor I: Instructional Methodology	1
FOT 273A	Chief Fire Officer 3A: Human Resource Management for Chief Fire Officers	0.5
FOT 273B	Chief Fire Officer 3B: Budget and Fiscal Responsibilities for Chief Fire Officers	0.5
FOT 273C	Chief Fire Officer 3C: General Administration Functions	0.5
FOT 273D	Chief Fire Officer 3D: Emergency Service Delivery Responsibilities for Chief Fire Officers	1

Electives- In addition, select a minimum of 3.5-13 units from the following list (classes in this area may be substituted with similar classes).

Units: 3.5-13

FOT 008A	S-339 Division/Group Supervisor All Risk	0.5
FOT 033	ICS-400 Incident Command	0.5
FOT 044	Fire Investigation 1A: Fire Origin and Cause Determination	0.5
FAC 060A	Basic Fire Academy- Fire Fighter 1A Structure	10
FAC 060B	Firefighter 1B - Hazardous Materials / WMD	1
FAC 060C	Firefighter 1C - Wildland Firefighter 1	2
FTC 102	Fire Behavior and Combustion	3
FTC 103	Principles of Fire and Emergency Services Safety and Survival	3
FTC 104	Fire Prevention	3
FTC 105	Building Construction for Fire Protection	3
FTC 106	Fire Protection Systems	3
FTC 121L	Physical Fitness for Public Safety Personnel - Performance and Assessment	0.3
FTC 121	Physical Fitness for Public Safety Personnel	3
FOT 130A	Fire Inspector 1A: Duties and Administration	1.5
FOT 130B	Fire Inspector 1B: Introduction to Fire and Life Safety	1.5
FOT 130C	Fire Inspector 1C: Field Inspection	1.5
FOT 206	Instructor II: Instructional Development	1

Total: 13.5-23

Fire Administration Option: A.S. Degree

Program Code: SAC.FTFA.AS

Program Control Number: 08747

The degree program in fire administration is designed to prepare students for careers as fire service officers. The program meets requirements of the California State Board of Fire Services Certified Company Officer and college or university preparation. Transcript evaluation may allow up to a maximum of 18 units of credit for previous fire service education. If Fire Technology 121 is completed as an elective with a "C" or better grade and FTC 121L is completed with a "pass," it may be used to satisfy the requirements of section F of the general education requirements for graduation.

Student must complete the general education requirements as outlined in the appropriate catalog.

Learning Outcome(s):

1. Demonstrate the ability to manage all-risk emergency incidents at the Fire Officer level.
2. Apply leadership and management theories and decision-making models as they relate to the local, state and federal standards and practices.
3. Analyze complex emergency response scenarios and effectively identify strategies and tactics for successful mitigation.

Core Courses- Complete all courses listed below.

Units: 10.8

FOT 016	CSFA Terrorism	0.3
FOT 032	ICS-300 Intermediate ICS	0.5
FOT 033	ICS-400 Incident Command	0.5
FOT 150A	Company Officer 2A: Human Resource Management for Company Officers	1
FOT 150B	Company Officer 2B: General Administration Functions for Company Officers	0.5
FOT 150C	Company Officer 2C: Fire Inspections and Investigations	1.5
FOT 150D	Company Officer 2D: All-Risk Command Operations for Company Officers	1.5
FOT 150E	Company Officer 2E: Wildland Incident Operations for Company Officers	1.5
FOT 205	Instructor I: Instructional Methodology	1
FOT 273A	Chief Fire Officer 3A: Human Resource Management for Chief Fire Officers	0.5
FOT 273B	Chief Fire Officer 3B: Budget and Fiscal Responsibilities for Chief Fire Officers	0.5
FOT 273C	Chief Fire Officer 3C: General Administration Functions	0.5
FOT 273D	Chief Fire Officer 3D: Emergency Service Delivery Responsibilities for Chief Fire Officers	1

Core Electives- In addition, select a minimum of 9 units from the following list (classes in this area may be substituted with similar classes).

Units: 9-10

FTC 102	Fire Behavior and Combustion	3
FTC 103	Principles of Fire and Emergency Services Safety and Survival	3
FTC 104	Fire Prevention	3
FTC 105	Building Construction for Fire Protection	3
FTC 106	Fire Protection Systems	3
FTC 121	Physical Fitness for Public Safety Personnel	3
FTC 121L	Physical Fitness for Public Safety Personnel - Performance and Assessment	0.3
FAC 060A	Basic Fire Academy- Fire Fighter 1A Structure	10
FAC 060B	Firefighter 1B - Hazardous Materials / WMD	1
FAC 060C	Firefighter 1C - Wildland Firefighter 1	2

Total: 19.8-20.8

Fire Prevention Officer: A.S. Degree

Program Code: SAC.FTPO.AS

Program Control Number: 08749

The Fire Prevention Officer Degree is designed to prepare students as Fire Protection Engineering Technicians and as staff assistants to Fire Protection Engineers; to enable fire department personnel to upgrade skills in the area of fire prevention; to give architects, engineers and persons from other disciplines an opportunity to expand their knowledge of building, life safety and fire protection. Student must complete the general education requirements as outlined in the appropriate catalog.

Learning Outcome(s):

1. Perform skills that meet National Fire Protection Association Standard 1031 for Fire Inspector, California State Fire Marshal Standards for Fire Inspector and International Code Council- Fire Inspector.
2. Analyze, evaluate, and develop mitigation plans for emergency and hazardous conditions that are inherent to Fire Prevention.
3. Demonstrate written and verbal communication skills, basic math skills, public relations skills and ethical decision making skills required for the occupation of Fire Inspector.

Fire Technology Courses. Complete all of the courses listed below.

		Units: 15
FTC 101	Fire Protection Organization	3
FTC 102	Fire Behavior and Combustion	3
FTC 104	Fire Prevention	3
FTC 105	Building Construction for Fire Protection	3
FTC 106	Fire Protection Systems	3

Fire Officer Courses. Complete all of the courses listed below. Units: 11

FOT 130A	Fire Inspector 1A: Duties and Administration	1.5
FOT 130B	Fire Inspector 1B: Introduction to Fire and Life Safety	1.5
FOT 130C	Fire Inspector 1C: Field Inspection	1.5
FOT 130D	Fire Inspector 1D: Field Inspector	1
FOT 136	Fire Inspector 2A: Fire Prevention Administration	1
FOT 137	Fire Inspector 2B: Fire and Life Safety Requirements	1.5
FOT 138	Fire Inspector 2C: Inspecting Fire & Life Safety Systems and Equip.	1
FOT 139	Fire Inspector 2D: Hazardous Materials, Operations, and Processes	2
Total: 26		

Public Fire Service Option: A.S. Degree

Program Code: SAC.FTPFS.AS

Program Control Number: 08752

Students completing the Public Service Option Degree are prepared for employment as volunteer, paid-on-call, part-time, or full-time firefighters. Through a combination of professional education and technical training, students develop the knowledge and skills needed to perform essential and advanced fireground tasks. Students learn to use, inspect, and maintain fire fighting and rescue equipment; and perform basic rescue operations and fire prevention and investigation tasks. As they advance through the program students are provided with numerous opportunities to earn professional certificates and industry-recognized credentials. Students successfully completing the program receive state, national, and international Firefighter 1 Certification through the California Office of the State Fire Marshal, IFSAC (International Fire Service Accreditation Congress) and Pro Board accrediting agencies.

Major Requirements for A.S. Degree

1. Meet all of the pre-academy requirements listed. Copies of documentation must be submitted to the Fire Technology Office.

1. CPR/First Aid- current certification
2. NREMT- current certification
3. Biddle Physical Ability Test- certificate of completion
4. NFPA 1582 Medical Clearance - dated within 2 years of academy participation

2. Complete all Fire Technology coursework listed below with a grade of C or better
3. Complete the Fire Academy: FAC 007 and FAC 060A-C with grades of 80% or better.
4. Pass the National Firefighter I Exams.
5. Complete all General Education Coursework.

Learning Outcome(s):

1. Demonstrate the occupational knowledge and technical skills needed to perform the duties of a Firefighter I which is based upon NFPA 1001: Standard for Fire Fighter Professional Qualifications (2019) and California State Fire Training's Fire Fighter 1 (2019).
2. Demonstrate the occupational knowledge and technical skills required to carry out the duties of a Wildland Firefighter, based upon NFPA 1051: Standard for Wildland Firefighting Personnel Professional Qualifications (2016).
3. Demonstrate the occupational knowledge and technical skills needed to carry out the duties of Haz Mat/WMD Emergency Responder based upon NFPA 1072: Standard for Hazardous Materials/Weapons of Mass Destruction Emergency Response Personnel Professional Qualifications (2017).

Pre-Academy Requirements**Units: 0.1**

Current Public Safety First Aid and CPR (minimum) as defined by California Health and Safety Code, Section 1797.182
 FAC 008 Biddle Physical Ability Test (PAT) 0.1
 Current National Registry Emergency Medical Technician (NREMT) Certification
 NFPA 1582 Medical Clearance from a qualified physician dated within 2 years of Fire Academy participation.

Fire Technology Courses**Units: 21.3**

FTC 101	Fire Protection Organization	3
FTC 102	Fire Behavior and Combustion	3
FTC 103	Principles of Fire and Emergency Services Safety and Survival	3
FTC 104	Fire Prevention	3
FTC 105	Building Construction for Fire Protection	3
FTC 106	Fire Protection Systems	3
FTC 121	Physical Fitness for Public Safety Personnel –and–	3
FTC 121L	Physical Fitness for Public Safety Personnel - Performance and Assessment	0.3

Fire Academy Courses**Units: 15**

FAC 007	Strength and Conditioning for the Fire Service	2
FAC 060A	Basic Fire Academy- Fire Fighter 1A Structure –and–	10
FAC 060B	Firefighter 1B - Hazardous Materials / WMD –and–	1
FAC 060C	Firefighter 1C - Wildland Firefighter 1	2

Total: 36.4

Fire Administration Option: Certificate of Achievement (Transcripted)

Program Code: SAC.FTFA.CA

Program Control Number: 21797

The certificate program in fire administration is designed to prepare students for careers as fire service officers. The program meets requirements of the California State Board of Fire Services Company Officer and college or university preparation. Transcript evaluation may allow up to a maximum of 18 units of credit for previous fire service education.

Learning Outcome(s):

1. Demonstrate the ability to manage all-risk emergency incidents at the Fire Officer level.
2. Apply leadership and management theories and decision-making models as they relate to the local, state and federal standards and practices.
3. Analyze complex emergency response scenarios and effectively identify strategies and tactics for successful mitigation.

Fire Prevention Officer: Certificate of Achievement (Transcripted)

Program Code: SAC.FTPO.CA

Program Control Number: 17350

The Fire Prevention Officer Certificate is designed to prepare students as Fire Inspectors and as staff assistants to Fire Protection Engineers; to enable fire department personnel to upgrade skills in the area of prevention; and to give architects, engineers and persons from other disciplines an opportunity to expand their knowledge of building, life safety, and fire protection. This certificate program meets the partial requirements of the California State Board of Fire Services Certified Fire Inspector I and college or university preparation.

Learning Outcome(s):

1. Demonstrate written and verbal communication skills, basic math skills, public relations skills and ethical decision making skills required for the occupation of Fire Inspector.
2. Analyze, evaluate, and develop mitigation plans for emergency and hazardous conditions that are inherent to Fire Prevention.
3. Perform skills that meet National Fire Protection Association Standard 1031 for Fire Inspector, California State Fire Marshal Standards for Fire Inspector and International Code Council- Fire Inspector

Fire Technology Courses: Complete all courses listed below. Units: 15

FTC 101	Fire Protection Organization	3
FTC 102	Fire Behavior and Combustion	3
FTC 104	Fire Prevention	3
FTC 105	Building Construction for Fire Protection	3
FTC 106	Fire Protection Systems	3

Fire Officer Courses: Complete all courses listed below. Units: 5.5

FOT 130A	Fire Inspector 1A: Duties and Administration	1.5
FOT 130B	Fire Inspector 1B: Introduction to Fire and Life Safety	1.5
FOT 130C	Fire Inspector 1C: Field Inspection	1.5
FOT 130D	Fire Inspector 1D: Field Inspector	1

Total: 20.5

Public Fire Service Option: Certificate of Achievement (Transcripted)

Program Code: SAC.FTPFS.CA

Program Control Number: 21798

Students completing the Public Service Option Certificate are prepared for employment as volunteer, paid-on-call, part-time, or full-time firefighters.

Through a combination of professional education and technical training, students develop the knowledge and skills needed to perform essential and advanced fireground tasks. Students learn to use, inspect, and maintain firefighting and rescue equipment; and perform basic rescue operations and fire prevention and investigation tasks. As they advance through the program students are provided with numerous opportunities to earn professional certificates and industry-recognized credentials.

Students successfully completing the program receive state and national Fire Fighter 1 Certification through the California Office of the State Fire Marshal, IFSAC (*International Fire Service Accreditation Congress*) and Pro Board accrediting agencies.

Major Requirements for Certificate

Fire Academy registration requires the approval of the Fire Technology Office. Prior to registering for the Fire Academy (FAC 060A, 060B or 060C), a student must

1. Open a Student File in the Fire Technology Office after completing FTC 101 and FTC 102 with a grade of C or better.
2. Meet all of the pre-academy requirements listed including. Copies of documentation must be submitted to the Fire Technology Office.
 1. CPR/First Aid- current certification
 2. NREMT- current certification
 3. Biddle Physical Ability Test- certificate of completion
 4. NFPA 1582 Medical Clearance - dated within 2 years of academy participation
3. Complete all Fire Technology coursework listed below with a grade of C or better.

Learning Outcome(s):

1. Demonstrate the occupational knowledge and technical skills needed to perform the duties of a Fire Fighter I which is based upon NFPA 1001: Standard for Fire Fighter Professional Qualifications (2019) and California State Fire Training's Fire Fighter 1 (2019).
2. Demonstrate the occupational knowledge and technical skills required to carry out the duties of a Wildland Firefighter, based upon NFPA 1051: Standard for Wildland Firefighting Personnel Professional Qualifications (2016).
3. Demonstrate the occupational knowledge and technical skills needed to carry out the duties of Haz Mat/WMD Emergency Responder based upon NFPA 1072: Standard for Hazardous Materials/Weapons of Mass Destruction Emergency Response Personnel Professional Qualifications (2017).

Pre-Academy Requirements**Units: 0.1**

Current Public Safety First Aid and CPR (minimum) as defined by California Health and Safety Code, Section 1797.182

Current National Registry Emergency Medical Technician (NREMT) Certification

NFPA 1582 Medical Clearance from a qualified physician dated within 2 years of Fire Academy participation.

FAC 008 Biddle Physical Ability Test (PAT) 0.1

Fire Technology Courses**Units: 21.3**

FTC 101 Fire Protection Organization 3

FTC 102 Fire Behavior and Combustion 3

FTC 103 Principles of Fire and Emergency Services Safety and Survival 3

FTC 104 Fire Prevention 3

FTC 105 Building Construction for Fire Protection 3

FTC 106 Fire Protection Systems 3

FTC 121 Physical Fitness for Public Safety Personnel –and– 3

FTC 121L Physical Fitness for Public Safety Personnel - Performance and Assessment 0.3

Fire Academy Courses**Units: 15.5**

FAC 007 Strength and Conditioning for the Fire Service 2.5

FAC 060A Basic Fire Academy- Fire Fighter 1A Structure –and– 10

FAC 060B Firefighter 1B - Hazardous Materials / WMD –and– 1

FAC 060C Firefighter 1C - Wildland Firefighter 1 2

Total: 36.9**Fire Service Core Competencies: Certificate of Proficiency (Untranscripted)**

Program Code: SAC.FTFS.CERT

This certificate documents extensive coursework on the part of the recipient in fire and emergency services organization, fire behavior, fire prevention, building construction, and fire protection systems and equipment. Completion of this curriculum provides students with fundamental knowledge of fire department operations, organization and basic fire prevention methods and techniques.

Learning Outcome(s):

- Define fire department organization, culture, and methods of communication of entry level fire department personnel.
- Describe fire chemistry and behavior for the purpose of predicting fire dynamics and flame spread characteristics.
- Demonstrate knowledge of the types of construction. Identify the components and hazards related to each type.
- Identify components of built-in and portable fire protection systems and alarm and notification devices.
- Demonstrate knowledge of fire prevention codes and standards, fire safety protection system methods, procedures and building codes, and fire code requirements as they relate to construction for fire protection and fire apparatus access.

Course

FTC 101	Fire Protection Organization	3
FTC 102	Fire Behavior and Combustion	3
FTC 104	Fire Prevention	3
FTC 105	Building Construction for Fire Protection	3
FTC 106	Fire Protection Systems	3

Total: 15**GEOGRAPHY****Geography: A.A.-T Degree for Transfer**

Program Code: SAC.GEOG.AAT

Program Control Number: 32343

The Associate in Arts in Geography for Transfer (AA-T) prepares students to move into a curriculum at a 4-year institution leading to a baccalaureate degree in Geography. Please consult a counselor regarding specific course requirements for your transfer institution. Completion of the AA-T degree also provides guaranteed admission with junior status to the CSU system, although does not guarantee admission to a specific campus or major. **See Associate Degrees for Transfer for a list of additional requirements for all Associate in Arts for Transfer (AA-T) and Associate in Science for Transfer (AS-T) degrees.** Upon completion of the AA-T in Geography, students will have an understanding of both the breadth and depth of the spatial perspective that is central to geographic study. This knowledge will be grounded in the comprehension of geographic principles, concepts, ideas, theories, research, terminology, and relationships. Students will also have the capacity to write and think in a critical and analytical way about issues pertaining to earth surface study, human/environment interaction and impact, and local, regional, and global relationships and associations.

Learning Outcome(s):

1. Students will recognize the interrelatedness of the components of the earth system, processes, and human characteristics found on the planet and analyze these from a spatial perspective and through the use of the scientific method.

Required Core (6 units)**Units: 6**

GEOLOGY**Geology: A.S.-T Degree for Transfer**

Program Code: SAC.GEOL.AST

Program Control Number: 32144

The Associate in Science in Geology for Transfer (A.S.-T in Geology) prepares students to move into a curriculum at a four-year institution leading to a baccalaureate degree in Geology. Please consult a counselor regarding specific course requirements for your transfer institution. Completion of the Associate in Science in Geology for Transfer (A.S.-T in Geology) degree also provides guaranteed admission with junior status to the CSU system, although does not guarantee admission to a specific campus or major. See page Associate Degrees for Transfer for a list of additional requirements for all Associate in Arts for Transfer (AA-T) and Associate in Science for Transfer (AS-T) degrees. Upon completion of the Associate in Science in Geology for Transfer (A.S.-T in Geology), students will have a foundation necessary for continued training at the upper division level for geology majors. It is a starting point for students who are preparing for careers in education, geoscience research, and government, where scientific and technical skills are in great demand.

Learning Outcome(s):

- Students will demonstrate proficiency and knowledge with regards to the physical structure of the Earth and the materials that make up the Earth through the paradigm of plate tectonics.

Geology: A.S. Degree

Program Code: SAC.GEOL.AS

Program Control Number: 04246

The associate degree curriculum in geology prepares students for transfer to a four-year institution leading to a baccalaureate degree in geoscience majors. Geoscientists find employment with environmental companies that clean up and monitor pollution problems. Geotechnical companies also employ geoscientists to evaluate risk from earthquakes, landslides, and other geological hazards. Oil and mining companies employ geoscientists to find new resources. The federal, state, county, and city governments also employ geoscientists for many of the same functions, as well as geoscience research, and to monitor compliance with environmental regulations. Universities, colleges, and museums offer opportunities for teaching and/or research.

Please see a counselor for specific course requirements for your transfer university.

Learning Outcome(s):

1. Students will demonstrate proficiency and knowledge with regards to the physical structure of the Earth and the materials that make up the Earth through the paradigm of plate tectonics.

Required Courses

Total: 21**INTERNATIONAL BUSINESS****International Business: A.A. Degree**

Program Code: SAC.IB.AA

Program Control Number: 09209

The Associate Degree In International Business is designed to provide students and business practitioners, including those already involved in International Business, with practical "hands' on" exposure to the world of international business. Classes focus on businesses that import and export. Students learn the fundamentals of international business, culture, marketing, finance, law and logistics. Different countries and cultures are explored.

Specialized topic areas (for example, marketing, financing, law and logistics) are a sequence of short classes that should be taken in order.

The program prepares students to take the NASBITE Certified Global Business (CGBP) Credential Exam.

Learning Outcome(s):

- The goal of the International Business degree program is to prepare students for careers in the global trade marketplace by combining a basic academic foundation in import, and export global logistics, international management, international marketing and regional business studies combined with the benefit of experiential learning by using practical tools in use by industry and commerce.

Program Code: SAC.GBE.CERT

The Global Business and Entrepreneurship Certificate is designed to provide students with a general overview of four areas of business including management, marketing, international, and entrepreneurship. In business today, knowledge of how functional areas work together is deemed critical by employers. It is no longer sufficient to understand only one part of how a business operates. This certificate provides students with a well-rounded overview of the concepts, techniques, and technologies required to succeed in today’s global and entrepreneurial business environments.

Learning Outcome(s):

- Students will demonstrate an understanding of and successfully adapt to a multicultural business environment.
- Students will be able to create a marketing plan for a business to compete successfully in the global marketplace.
- Students will be able to start, run, or manage an international business operation for a small or mid-size company (SME).

Survey of International Business: Certificate of Proficiency (Untranscribed)

Program Code: SAC.SIB.CERT

The Survey of International Business Certificate provides students with a short practical introduction to the exciting world of international trade. This is a stackable certificate which requires completion of the core courses that are required for the International Business Certificate and the Associate Degree.

Learning Outcome(s):

- Students will be aware of the key terminology required to conduct international trade. Students will understand how the functional areas of business are effected by the global economy and the career opportunities available in international business.

Complete the following 3 core courses:

	Units: 9
BUS 100 Fundamentals of Business	3
BUS 125 Introduction to International Business	3
BUS 106 Culture and International Business - Kiss, Bow or Shake Hands	3
Total:	9

INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM

Intersegmental General Education Transfer Curriculum (IGETC): Certificate of Achievement (Transcribed)

Program Code: SAC.IGETC.CA

The Intersegmental General Education Transfer Curriculum (IGETC) is a set of courses designed to fulfill all lower-division general education requirements for California State University and University of California campuses, as well as lead to a certificate of achievement at Santa Ana College. To acquire a certificate of achievement it is necessary to complete the Intersegmental General Education Transfer Curriculum requirements listed in this catalog (Plan C) with a grade of "C" or better. Courses must have been approved for the IGETC area during the term in which the course was completed (approval dates can be verified on www.assist.org).

JOURNALISM AND MEDIA STUDIES

Journalism: A.A.-T Degree for Transfer

Program Code: SAC.CMSD.AAT

Program Control Number: 32148

The Associate in Arts in Journalism for Transfer (A.A.-T in Journalism) prepares students to move into the CSU system leading to a baccalaureate degree in Journalism, and then into careers in daily reporting, media editing, writing, Web-based multimedia reporting, visual reporting, photography, print and digital design, public relations, advertising, radio, digital media, and television writing and production. Please consult a counselor regarding specific course requirements for your transfer institution. Completion of the Associate in Arts in Journalism for Transfer (A.A.-T in Journalism) degree also provides guaranteed admission with junior status to the CSU system, although does not guarantee admission to a specific campus or major. Upon completion of the Associate in Arts in Journalism for Transfer, students will be able to define and execute newsgathering strategies; write articles under deadline; edit their own and others' articles for proper spelling, grammar, and AP style; define relevant news content; gather news information weekly; and assess legal and ethical media issues at the final level of a traditional lower division Journalism sequence. Through news production, students will demonstrate proficiency in developing effective designs and layouts for story presentation; develop news stories through written, visual, audio, video or other multimedia formats; determine the best format—print, multimedia, visual—for telling basic news stories; build a portfolio that demonstrates a range of storytelling formats and styles; and navigate content management software used to create online publications.

Student completion requirements for the associate degree for transfer:

- 60 semester or 90 quarter CSU transferable units. At least 12 of the units must be earned at Santa Ana College.
- A minimum of 18 semester or 27 quarter units in the major or area of emphasis as determined by the community college district (see Instructional Programs portion of the catalog).
- Obtainment of a minimum grade point average (GPA) of 2.0. (Some majors may require a higher GPA for transfer)
- Earn a grade of C or better (C minus is not acceptable) or Pass in all courses required for the major or area of emphasis.
- The California State University General Education-Breadth pattern (CSU GE Breadth); OR the Intersegmental General Education Transfer Curriculum (IGETC) pattern. Note: The ADT can be awarded to students completing the UC version of IGETC, but completion of this pattern will not satisfy CSU admission requirements.

Learning Outcome(s):

- Students will apply the basic principles of journalism such as accuracy, fairness, and public service
- Students will demonstrate an understanding of the history and role of professionals and institutions in shaping communications and be able to discuss the legal and ethical underpinnings of U.S. Mass Media
- Students will research news stories using a variety of sources and evaluate the accuracy of information sources.

Required Core Courses:

	Units: 10
JAMS 105 Mass Media and Society	3
JAMS 121 Reporting and Writing the News	3
JAMS 123A Multimedia News Production	4

List A: select 1 course from the following:

	Units: 3-4
JAMS 102 Multimedia Storytelling	3
JAMS 210 Public Affairs Reporting	3
JAMS 103 Introduction to Visual Communications	3
JAMS 150 Introduction to Public Relations	3
JAMS 160 Introduction to Photojournalism	3

JAMS 111	Media, Race and Gender	3

Total: 19-22.5**Broadcast Journalism: A.A. Degree**

Program Code: SAC.JAMSB.AA

Program Control Number: 16974

The Associate in Arts in Broadcast Journalism introduces students to the theory and practice of broadcast media. The program provides critical and cultural analysis of media and communications in conjunction with a hands-on production sequence in reporting, writing and producing news media across radio, TV and social media platforms. Students gain experience creating impactful video and audio packages while building broadcast production skills as staff members at campus media. Completion of the degree prepares students to move into a four-year program leading to a baccalaureate degree and potential careers in digital media, broadcast journalism, social media reporting, editing, public relations, advertising, writing and production, teaching, and communications research. Please consult a SAC counselor for information about course requirements for particular four-year institutions.

Learning Outcome(s):

1. Apply the basic principles of journalism such as accuracy, fairness, and public service.
2. Demonstrate an understanding of the history and role of professionals and institutions in shaping broadcast communications and media.
3. Practice the principles of communicating clearly through broadcast media platforms

Core Courses**Units: 15**

JAMS 105	Mass Media and Society	3
JAMS 121	Reporting and Writing the News	3
DM 115A	Single-Camera Production & Editing	3
DM 130	Broadcasting for News & Sports	3
DM 230A	Beginning News & Sports Production	3

Choose 3 courses from the following:**Units: 9-12**

JAMS 123A	Multimedia News Production	4
JAMS 123B	Intermediate Multimedia News Production	4
JAMS 210	Public Affairs Reporting	3
DM 100	Introduction to Electronic Media: TV, Radio, Film, and the Internet	3
CMST 140	Argumentation and Debate	3
DM 230B	Intermediate News & Sports Production	3
DM 112	Introduction to Video Editing and Postproduction	3
DM 120	Beginning Screenwriting for Digital Media	3
DM 121	Intermediate Screenwriting for Digital Media	3
DM 150	Producing and Directing	3
POLT 101	American Government and Politics	3

Total: 24-27**Journalism and Media Studies: A.A. Degree**

Program Code: SAC.JAMS.AA

Program Control Number: 04194

The Associate in Arts in Journalism and Media Studies introduces students to the theory and practice of media. The program provides critical and cultural analysis of media and communications while affording students comprehensive study in reporting, writing, visual reporting, photojournalism, design, and editing across media platforms. Students build media production skills while working at the college's nationally acclaimed publications el Don and eldonnews.org, where they learn to work in a data-rich environment to find and tell important stories. Completion of the degree prepares students to move into a four-year program leading to a baccalaureate degree and potential careers in digital media, multimedia and social media reporting, editing, photography, design, public relations, advertising, writing and production, teaching, and communication research. Please consult a SAC counselor for information about course requirements for particular four-year institutions.

Learning Outcome(s):

1. Apply the basic principles of journalism such as accuracy, fairness, and public service.
2. Demonstrate an understanding of the history and role of professionals and institutions in shaping communications and media.
3. Discuss the legal and ethical underpinnings of U.S. Mass Media.
4. Research news and other media stories using a variety of sources and evaluate the accuracy of information sources.

Units: 17**Total: 17****KINESIOLOGY****Kinesiology: A.A.-T Degree for Transfer**

Program Code: SAC.KIN.AAT

Program Control Number: 32096

The Associate of Arts in Kinesiology for Transfer prepares students to move into a curriculum at a four-year institution leading to a baccalaureate degree in Kinesiology or similar major. Please consult a counselor regarding specific course requirements for your transfer institution. This degree provides guaranteed admission with junior status to the CSU system, although does not guarantee admission to a specific campus or major. Upon completion of the A.A.-T in Kinesiology degree students will be able to articulate understanding of scientific foundations of Kinesiology, distinguish between Kinesiology-related careers, and demonstrate movement skills competence. Students will gain knowledge and movement-based experience which prepares them in pursuit of a bachelor's or master's degree and or professional certificate in exercise science, nutrition, health promotion, sports medicine or athletic training, physical therapy, and coaching or fitness related fields.

Requirements for all Associate Degrees for Transfer:

1. Completion of 60 semester or 90 quarter CSU transferable units
2. Completion of CSU-GE and/or IGETC
3. Obtainment of a minimum grade point average of 2.0
4. Minimum grade of "C" (or "P") for each course in the major
5. Completion of a minimum of 18 semester units or 27 quarter units in the major or area of emphasis

Learning Outcome(s):

1. Students will apply scientific foundations to understanding human movement.
2. Students will discuss the importance of physical activity in daily life and the implications for Kinesiology-related careers.
3. Students will demonstrate competence in 3 areas of physical activity experience.
4. Students will be able to compare and contrast the many sub-disciplines of Kinesiology.
5. Students will be able to express the nature and demands of Kinesiology-related occupations.

Required Courses

KNPR 101	Introduction to Kinesiology	3
BIOL 239	General Human Anatomy	4
BIOL 249	Human Physiology	4

Units: 11**Required Movement Based Courses (3 units).****Units: 3**

Select a maximum of 1 course from at least 3 different physical activity areas. Kinesiology majors must complete a 1-unit section of the physical activity courses.

Select a maximum of one (1) course from the Aquatics area:

KNAQ 201A	Beginning Swimming	0.5-1
KNAQ 201B	Lap Swimming	0.5-1
KNAC 226A	Beginning Water Polo	0.5-1

Select a maximum of one (1) course from the Combatives area:

KNAC 140A	Beginning Karate	0.5-1
KNAC 155A	Beginning Self-Defense	0.5-1
KNAC 169A	Beginning Wrestling	0.5-1
KNAC 169B	Intermediate Wrestling	1
KNAF 156A	Beginning Cardio Kickboxing	0.5-1
KNAF 156B	Intermediate Cardio Kickboxing	0.5-1

Select a maximum of one (1) course from the Dance area:

DNCE 106A	Introduction to Modern Dance	1
DNCE 106B	Introduction to Modern Dance	1
DNCE 108A	Introduction to Ballet	1
DNCE 108B	Introduction to Ballet	1
DNCE 110	Beginning Mexican Folk Dance	1
DNCE 111	Intermediate Mexican Folk Dance	1
DNCE 112	Ethnic Dance	1

Total: 21-23.5**Kinesiology: A.A. Degree**

Program Code: sac.kin.aa

Program Control Number: 4200

This program is designed to prepare students for transfer into baccalaureate degree programs in Kinesiology or entry-level health, sports, and fitness-related jobs. The focus is on preparing students to be able to articulate understanding of scientific foundations of Kinesiology, distinguish between Kinesiology-related careers, and demonstrate movement skills competence. Students receive exposure to the sources of knowledge in Kinesiology through scholarly study of physical activity and physical activity experience. The student is introduced to courses that promote healthy lifestyle choices and an active mind and body. Curriculum content may include the introduction to Kinesiology, nutrition, health awareness, sports medicine, physiology of exercise, and activity courses. The following classes can lead to obtaining a degree in the areas of exercise science, sports medicine-athletic training, physical therapy, kinesiology, sports management, coaching, or allied health-related and fitness-related vocations.

TRANSFER PLAN

Courses required to complete an associate degree at Santa Ana College in Kinesiology may not fulfill courses required by four-year universities to complete a baccalaureate degree. The Kinesiology Department at Santa Ana College recommends that students interested in transferring to a four-year institution consult with a counselor prior to beginning their courses of study.

Learning Outcome(s):

1. Students will be able to describe the role of Kinesiology/Physical Education in health promotion and disease prevention.
2. Students will be able to demonstrate competence in several physical activities and proficiency in at least 1 physical activity.
3. Students will be able to examine personal health-related behavioral patterns, select goals, and formulate appropriate health and fitness strategies.
4. Students will be able to synthesize knowledge of the 6 dimensions of well being to discriminate between healthy and detrimental lifestyle choices.

Required Courses**Units: 15**

KNPR 101 Introduction to Kinesiology	3
KNHE 101 Healthful Living	3
–or–	
KNHE 101H Honors Healthful Living	3
–or–

Total: 29-33

Fitness Specialist: Certificate of Achievement (Transcribed)

Program Code: SAC.KNFS.CA

Program Control Number: 33169

The Fitness Specialist Certificate program prepares students for employment in the fitness industry by combining a science-based academic foundation with an abundance of experiential learning. Students gain knowledge of Kinesiology principles while developing fitness assessment, exercise leadership, and individual & group exercise programming skills. The program is designed to get students into the industry as soon as possible but includes transferrable coursework for students seeking to further their education in Kinesiology-related fields.

Learning Outcome(s):

1. Students will select, execute, interpret, and communicate results from various fitness assessment field tests based upon age, gender, fitness level, and cultural differences.
2. Students will design a health-related or performance related program for apparently healthy individuals and several special populations.
3. Students will lead personal training sessions as well as a variety of small and large group exercise activities.

Required Courses

	Units: 13-14
KNPR 101 Introduction to Kinesiology	3
KNPR 202 Introduction to Personal Training	3
KNPR 205 Techniques of Exercise Leadership	1
KNPR 110 Kinesiology-related Occupational Work Experience	1

Total: 15-16	

Kinesiology Sports Medicine: Certificate of Proficiency (Untranscribed)

Program Code: SAC.KNM.CERT

This program is designed to provide students with knowledge and skills that help them understand all aspects of sports medicine/athletic training field and to prepare associate degree students for transfer into Athletic Training.

Learning Outcome(s):

1. Students will be able to assess sport injury related information, then interpret and articulate that information to players, coaches, Athletic Trainers, and medical personnel.
2. Students will be able to recognize and select appropriate athletic injury management response.

Required Core Courses

	Units: 15
KNSM 101 Introduction to Sports Medicine	3
KNPR 110 Kinesiology-related Occupational Work Experience	1
KNPR 125 Sport Psychology	3
KNHE 101 Healthful Living	3
-or-	
KNHE 101H Honors Healthful Living	3
KNHE 104 Nutrition and Fitness	2
KNHE 106 Cardiopulmonary Resuscitation and First Aid	3
Total: 15	

LEGAL STUDIES**Law, Public Policy and Society: A.A.-T Degree for Transfer**

Program Code: SAC.LAWPS.AAT

Program Control Number: 39987

This Associate in Arts in Law, Public Policy and Society for Transfer Degree (AA-T) prepares students to transfer to a four-year institution leading to a baccalaureate degree in a variety of majors. This interdisciplinary degree highlights coursework that is appropriate for a student considering law school as it emphasizes the development of various skills, introduces students to the legal field, and prepares students for further study in a variety of majors. Students who opt to pursue this course of study are encouraged to engage in further exploration of one or more specific majors as they select electives for degree completion. Please consult a counselor regarding specific course requirements for your transfer institution. This degree is designed to provide a clear pathway to a CSU and guarantee admission to a CSU. Although students are guaranteed admission, it is not to any particular campus or program in the CSU system. Students will be encouraged to meet with a counselor for specific university major preparation at the college of their choice in order to facilitate a seamless transition. This coursework will satisfy the lower division Law, Public Policy and Society requirements at some of the CSU campuses. **See Associate Degrees for Transfer for a list of additional requirements for all Associate in Arts for Transfer (AA-T) and Associate in Science for Transfer (AS-T) degrees.**

Requirements

Student completion requirements for the associate degree for transfer:

- 60 semester or 90 quarter CSU transferable units
- The California State University General Education-Breadth pattern (CSU GE Breadth); OR the Intersegmental General Education Transfer Curriculum (IGETC) pattern
- A minimum of 18 semester or 27 quarter units in the major or area of emphasis as determined by the community college district
- Obtainment of a minimum grade point average (GPA) of 2.0
- Earn a grade of C or better in all courses required for the major or area of emphasis

Learning Outcome(s):

- Analyze social science concepts and theories
- Evaluate diverse viewpoints related to the human experience
- Produce evidence-based arguments

Pathway to Law School: Certificate of Achievement (Transcribed)

Program Code: SAC.LAW.CA

Program Control Number: 33855

Any student with a goal to enter law school should complete the Pathway to Law School program. This program is recognized as part of the California State Bar and California Community College State Chancellor's office initiative "Pathway to Law School."

Students interested in a career in law should also complete their Associate's Degree in an academic major leading to transfer to a four-year institution. The Pathway to Law School certificate provides students with an opportunity to major in the subject of their choice while improving their abilities in areas that are associated with success in law school and the practice of law.

Participation in this program does not guarantee admission to any participating university or law school.

Learning Outcome(s):

- Understand the requirements to successfully enroll in Law School
- Understand career opportunities in the legal profession.

Total: 31-35.5**LIBERAL ARTS****Liberal Arts American Studies Emphasis: A.A. Degree**

Program Code: SAC.LAAS.AA

Program Control Number: 18580

This is a diversified degree designed for students desiring a broad knowledge of liberal arts and sciences plus additional coursework in an "Area of Emphasis". The degree allows students to develop an appreciation and understanding of the beauty and values that have shaped and enriched our culture. The program of study also enables students to develop intellectual maturity, and a deeper understanding of themselves and the American heritage.

This program provides excellent preparation for a variety of personal and professional goals. Please consult a counselor for educational planning and information regarding specific goals.

I. Requirements:

- Complete general education Plan A (associate degree only, nontransfer), B (CSU-GE Breadth, CSU transfer), or C (IGETC, UC or CSU transfer) as related to your educational goal.
- Complete a minimum of 18 units from a single Area of Emphasis listed below. For depth of study, students are strongly encouraged to complete two or more courses in a single discipline as part of their 18 units. (Note: Courses in the chosen "Area of Emphasis" may also be applied toward general education areas on Plan A, B, and C.) Note: Although a course may be listed in more than one area of emphasis of the Liberal Arts degree, it may only be used to meet a requirement for a single emphasis.
- Complete all other associate degree requirements for Santa Ana College.

II. Areas of Emphasis:

- American Studies Emphasis
- Arts, Humanities and Communications Emphasis
- Business and Technology Emphasis
- Kinesiology and Wellness Emphasis
- Mathematics and Science Emphasis
- Social And Behavioral Sciences Emphasis

1 . American Studies (sac.laas.aa)

These courses emphasize the peoples, cultures, institutions, and cultural trends of the United States. Students will examine American culture as a whole from various perspectives. Students will also learn how this country has been shaped by a variety of disciplines while recognizing the diversity of our culture. This emphasis may be of interest to those planning to pursue careers in business, communications, government service, law, social services, and teaching.

NOTE: Although a course may be listed in more than one area of emphasis of the Liberal Arts degree, it may only be used to meet a requirement for a single emphasis.

Learning Outcome(s):

1. Students will study American culture as a whole from various perspectives.
2. Students will examine the formation of our country while recognizing the diversity of our culture.

Liberal Arts Arts, Humanities and Communications Emphasis:**A.A. Degree**

Program Code: SAC.LAAHC.AA

Program Control Number: 18581

2. Arts, Humanities and Communications (sac.laahc.aa)

These courses emphasize the study of cultural, literary, humanistic activities and artistic expression of human beings. Students will evaluate and interpret the ways in which people through the ages in different cultures have responded to themselves and the world around them in artistic and cultural creation. Students will learn to value aesthetic understanding and incorporate these concepts when constructing value judgments. A course from each of the three areas, Arts, Humanities, and Communications must be included in the 18 units selected for this emphasis. This emphasis may be of interest to those planning to pursue careers in art history, communications, dance, deaf studies, English, languages, music, philosophy, studio art, teaching, and theatre arts.

Note: Although a course may be listed in more than one area of emphasis of the Liberal Arts degree, it may only be used to meet a requirement for a single emphasis.

Learning Outcome(s):

1. Students will evaluate and interpret the ways in which people through the ages and in different cultures have expressed their experiences and interpretations of the world around them through artistic and cultural creation.
2. Students will appraise aesthetic understanding and formulate these concepts when constructing value judgements.

Liberal Arts Kinesiology and Wellness Emphasis: A.A. Degree

Program Code: SAC.LAKW.AA

Program Control Number: 19268

4. Kinesiology and Wellness

These courses provide an understanding of kinesiology, the mechanics of the human body, and the integration of behavior and communication in the promotion of a healthy lifestyle. Students will also demonstrate knowledge of a range of physical activities. This emphasis may be of interest to those planning to pursue careers in teaching, athletic training, coaching, nutrition, and dance.

Note: Although a course may be listed in more than one area of emphasis of the Liberal Arts degree, it may only be used to meet a requirement for a single emphasis.

Learning Outcome(s):

- Students will develop and demonstrate an understanding of the mechanics of the human body as it relates to the promotion of a healthy lifestyle.
- Students will demonstrate knowledge of a range of physical activities.

6. Social and Behavioral Sciences (sac.lasbs.aa)

These courses emphasize the perspective, concepts, theories and methodologies of the disciplines typically found in the vast variety of disciplines that comprise study in the Social and Behavioral Sciences. Students will study about themselves and others as members of a larger society. Topics and discussion to stimulate critical thinking about ways people have acted in response to their societies will allow students to evaluate how societies and social subgroups operate. This emphasis may be of interest to those planning to pursue careers in anthropology, child development, criminal justice, ethnic studies, government service, law, history, marriage and family therapy, political science, psychology, social work, sociology, teaching, and urban planning.

Note: Although a course may be listed in more than one area of emphasis of the Liberal Arts degree, it may only be used to meet a requirement for a single emphasis.

Learning Outcome(s):

- Students will evaluate how individuals, societies, and social subgroups operate.
- Students will apply the principles, methodologies, value systems, ethics, and thought processes employed by human inquiry.

LIBRARY TECHNOLOGY**Library Technology: A.A. Degree**

Program Code: SAC.LIBR.AA

Program Control Number: 04241

The associate degree curriculum in library technology is designed to successfully prepare students for employment above the beginning clerk level as paraprofessionals in school, public, special, or academic libraries. Course content covers terminology, organization, procedures, standards, and practices. Entry-level positions are available in this field as library technical assistants, library assistants, library technicians, and library media technicians.

To receive an AA degree in Library Technology, a grade of "C," or better is required for each major course.

Learning Outcome(s):

1. Apply knowledge and skills gained through all required courses to perform library technician level tasks in various types of libraries and settings.
2. Identify and differentiate library technician roles and be able to perform the job duties of technicians in a library or information management organization.
3. Prepare for employment above the beginning level as paraprofessionals in school, public, special, or academic libraries.

Core courses for Library Technology**Units: 18-21**

LIBR 101	Introduction to Library Technology*	3
LIBR 054	Children's Library Services*	3
LIBR 102	Information Sources for Paraprofessionals: Tools and Techniques*	3
LIBR 110	Library Technical Services*	3
LIBR 122	Library Public Services*	3
DM 164	Web Design	3
	–or–

Total: 18-21**MANAGEMENT****Management: A.S. Degree**

Program Code: SAC.MGT.AS

Program Control Number: 04188

The associate degree curriculum in management is designed to prepare students for various management positions in business, government, and public organizations; to aid existing managers in upgrading their skills; and to assist employees for promotion to management/supervision positions.

The core of the degree program provides the student with managerial skills and theory including communicating, decision-making, organizing, motivating, and human relations.

Learning Outcome(s):

1. Demonstrate an understanding of the core management functions of planning, organizing, leading, and controlling.
2. Demonstrate a thorough understanding of behavioral theories as they apply to organizations and be able to apply that theory to real world situations.
3. Demonstrate an ability to apply planning methods to business and organizational situations.

General Management Degree (sac.mgt.aa) Course		Units: 15
BUS 100	Fundamentals of Business	3
BUS 120	Principles of Management	3

Retail Management: A.S. Degree

Program Code: SAC.MGTRE.AS

Program Control Number: 16525

The Associate Degree program is approved by the Western Association of Food Chains and persons completing the prescribed courses are eligible to receive both the ECC Certificate of Competence and the WAFC Retail Management Certificate.

The WAFC Retail Management Degree is a specially recognized program designed to prepare individuals for the fast-paced retail industry. This program is also intended to help students develop an understanding of the retail manager's job and the requirements for success in the retail environment.

Learning Outcome(s):

- Students will have a working knowledge of Management, Human Relations, Computer Technology, Marketing, and Budgeting as it applies to the retail industry.

Complete the following courses:		Units: 25
ACCT 101	Financial Accounting	4
BUS 120	Principles of Management	3
	–or–	
MGMT 120	Principles of Management	3
BUS 121	Human Relations and Organizational Behavior	3

Leadership: Certificate of Achievement (Transcripted)

Program Code: SAC.MGTL.CA

Program Control Number: 41697

The Leadership Certificate is designed to prepare students for various supervisory positions in business, government, and public organizations; to aid existing managers in upgrading their skills; and to assist employees for promotion to management/supervision positions. The certificate program provides practical skills for the student to use on the job.

Learning Outcome(s):

- Demonstrate the practical and theoretical skills for a successful career as a supervisor or manager in any specialized business field.

Complete the Courses below:		Units: 12
MGMT 120	Principles of Management	3
	–or–	
BUS 120	Principles of Management	3
MGMT 121	Human Relations and Organizational Behavior	3
	–or–

MANUFACTURING TECHNOLOGY**CNC Lathe Set Up and Operation: A.S. Degree**

Program Code: SAC.MNGLA.AS

Program Control Number: 16619

In addition to the general education requirements, the associate degree curriculum in manufacturing technology computer numerical control machine set up and operation is designed to prepare the student for entry or advancement in the CNC Machine Operator Specialty of manufacturing technology.

Learning Outcome(s):

- Setup and operate CNC lathe to industrial standards.

Required Courses Manufacturing Technology Core Courses Units: 15

MNFG 111 Basic Mechanical Blueprint Reading	2
MNFG 114 Geometric Dimensioning and Tolerancing	3
MNFG 153 Technical Mathematics	3
MNFG 158 Basic Machining Concepts and Operations	3
MNFG 171 CNC Program Writing	4

Specific Major Course Requirements: Units: 12.5-16

MNFG 096 Manufacturing Technology Lab	0.5-4
MNFG 159 Advanced Turning Concepts and Operations	3
MNFG 176 CNC Turning Center Set Up and Operation	3
MNFG 178 Mastercam Lathe	3
MNFG 186 Advanced CNC Lathe Programming, Setup and Operation	3

Select nine units from the following electives: Units: 9

MNFG 103 Solidworks Beginning Solid Modeling	3
MNFG 104 Solidworks Intermediate Solid Modeling	3
MNFG 105 Solidworks Advanced Solid Modeling	3
MNFG 106 Solidworks Drawings	3
MNFG 128 Basic Metals Technology	3
MNFG 173 Mastercam - 2D Geometry, 2D Toolpaths	3
MNFG 174 CNC Milling Center Set Up and Operation	3
MNFG 175 Mastercam - 3D Geometry, 3D Surfaces	3
MNFG 177 Mastercam - 3D Toolpath and CAM Applications	3
MNFG 184 Advanced CNC Mill Set Up and Operation	3
MNFG 194 CNC Horizontal Mill Setup and Operation	3

Total: 36.5-40

CNC Machine Set Up and Operation: A.S. Degree

Program Code: SAC.MNGMA.AS

Program Control Number: 04213

In addition to the general education requirements, the associate degree curriculum in manufacturing technology computer numerical control machine set up and operation is designed to prepare the student for entry or advancement in the CNC Machine Operator Specialty of manufacturing technology.

Learning Outcome(s):

1. Set up and operate a CNC Mill and CNC Lathe to industrial standards.

Required Courses Manufacturing Technology Core Courses Units: 15

MNFG 106	Solidworks Drawings	3
MNFG 128	Basic Metals Technology	3
MNFG 173	Mastercam - 2D Geometry, 2D Toolpaths	3
MNFG 174	CNC Milling Center Set Up and Operation	3
MNFG 176	CNC Turning Center Set Up and Operation	3
MNFG 177	Mastercam - 3D Toolpath and CAM Applications	3
MNFG 178	Mastercam Lathe	3
MNFG 184	Advanced CNC Mill Set Up and Operation	3
MNFG 186	Advanced CNC Lathe Programming, Setup and Operation	3
MNFG 194	CNC Horizontal Mill Setup and Operation	3

Total: 30.5-33**CNC Lathe Set Up and Operation: Certificate of Achievement (Transcripted)**

Program Code: SAC.MNGLA.CA

Program Control Number: 21778

The certificate of achievement curriculum in manufacturing technology, computer numerical control lathe set up and operation is designed to prepare the student for entry or advancement in the CNC Machining Industry.

Learning Outcome(s):

1. Setup and operate CNC lathe to industrial standards.

Manufacturing Technology Core Requirements: Units: 15

MNFG 111	Basic Mechanical Blueprint Reading	2
MNFG 114	Geometric Dimensioning and Tolerancing	3
MNFG 153	Technical Mathematics	3
MNFG 158	Basic Machining Concepts and Operations	3
MNFG 171	CNC Program Writing	4

Specific Major Course Requirements: Units: 12.5-16

MNFG 176	CNC Turning Center Set Up and Operation	3
MNFG 159	Advanced Turning Concepts and Operations	3
MNFG 096	Manufacturing Technology Lab	0.5-4
MNFG 178	Mastercam Lathe	3
MNFG 186	Advanced CNC Lathe Programming, Setup and Operation	3

Select nine units from the following electives: Units: 9

MNFG 103	Solidworks Beginning Solid Modeling	3
MNFG 104	Solidworks Intermediate Solid Modeling	3
MNFG 105	Solidworks Advanced Solid Modeling	3
MNFG 106	Solidworks Drawings	3
MNFG 128	Basic Metals Technology	3
MNFG 173	Mastercam - 2D Geometry, 2D Toolpaths	3
MNFG 174	CNC Milling Center Set Up and Operation	3
MNFG 175	Mastercam - 3D Geometry, 3D Surfaces	3
MNFG 177	Mastercam - 3D Toolpath and CAM Applications	3
MNFG 184	Advanced CNC Mill Set Up and Operation	3
MNFG 194	CNC Horizontal Mill Setup and Operation	3

Total: 36.5-40**CNC Machine Set Up and Operation: Certificate of Achievement (Transcripted)**

Program Code: SAC.MNGMA.CA

Program Control Number: 21779

The certificate of achievement curriculum in manufacturing technology, computer numerical control machine set up and operation is designed to prepare the student for entry or advancement in the CNC Machine Operator Specialty of manufacturing technology.

Learning Outcome(s):

1. Set up and operate CNC machines to the industrial standards.

Manufacturing Technology Core Requirements: Units: 15

MNFG 111	Basic Mechanical Blueprint Reading	2
MNFG 114	Geometric Dimensioning and Tolerancing	3
MNFG 153	Technical Mathematics	3
MNFG 158	Basic Machining Concepts and Operations	3
MNFG 171	CNC Program Writing	4

Specific Major Course Requirements Units: 15.5-19

MNFG 096	Manufacturing Technology Lab	0.5-4
MNFG 159	Advanced Turning Concepts and Operations	3
MNFG 168	Advanced Milling Concepts and Operations	3
MNFG 174	CNC Milling Center Set Up and Operation	3
MNFG 176	CNC Turning Center Set Up and Operation	3
MNFG 194	CNC Horizontal Mill Setup and Operation	3

Select six units from the following electives:		Units: 6
MNFG 103	Solidworks Beginning Solid Modeling	3
	–or–

		Total: 36.5-40

CNC Programmer Mastercam: Certificate of Achievement (Transcripted)

Program Code: SAC.MNGPA.CA

Program Control Number: 21783

The certificate of achievement curriculum in manufacturing technology computer numerical control programmer (Mastercam) is designed to prepare the student for entry or advancement in the CNC programming specialty of Manufacturing Technology.

Learning Outcome(s):

1. Create CNC program using Mastercam software

Required courses Manufacturing Technology Core Courses Units: 15

MNFG 111	Basic Mechanical Blueprint Reading	2
MNFG 114	Geometric Dimensioning and Tolerancing	3
MNFG 153	Technical Mathematics	3
MNFG 158	Basic Machining Concepts and Operations	3
MNFG 171	CNC Program Writing	4

Specific Major Course Requirements: Units: 21.5-25

MNFG 096	Manufacturing Technology Lab	0.5-4
MNFG 173	Mastercam - 2D Geometry, 2D Toolpaths	3
MNFG 174	CNC Milling Center Set Up and Operation	3
MNFG 175	Mastercam - 3D Geometry, 3D Surfaces	3
MNFG 176	CNC Turning Center Set Up and Operation	3
MNFG 177	Mastercam - 3D Toolpath and CAM Applications	3
MNFG 178	Mastercam Lathe	3
MNFG 195	Mastercam 5 Axis Mill Toolpath and Application	3

Select three units from the following electives: Units: 3

MNFG 103	Beginning Solid Modeling	3
MNFG 106	Solidworks Drawings	3
MNFG 128	Basic Metals Technology	3
MNFG 159	Advanced Turning Concepts and Operations	3
MNFG 168	Advanced Milling Concepts and Operations	3
MNFG 184	Advanced CNC Mill Set Up and Operation	3
MNFG 186	Advanced CNC Lathe Programming, Setup and Operation	3
MNFG 194	CNC Horizontal Mill Setup and Operation	3
MNFG 130ACATIA	Beginning Solid Modeling	3
MNFG 130BCATIA	Intermediate Solid Modeling	3
		Total: 39.5-43

Conventional Machining Option: Certificate of Achievement (Transcripted)

Program Code: SAC.MNGCM.CA

Program Control Number: 21784

The certificate of achievement curriculum in manufacturing technology, conventional machining, is designed to prepare the student for entry or advancement in the conventional machine tool operation field.

Learning Outcome(s):

1. Set up and operate conventional machines to industrial standards.

Manufacturing Technology Core Requirements: Units: 15

MNFG 158	Basic Machining Concepts and Operations	3
	–or–	
ENGR 158	Basic Machining Concepts and Operations	3
	–and–	
MNFG 111	Basic Mechanical Blueprint Reading	2
	–or–	
ENGR 111	Basic Mechanical Blueprint Reading	2
	–and–	
MNFG 114	Geometric Dimensioning and Tolerancing	3

		Total: 30.5-33

Medical Device Quality Assurance: Certificate of Achievement (Transcripted)

Program Code: SAC.MNGMD.CA

Program Control Number: 36454

A certificate in the Medical Device Quality Assurance program prepares students for prospective careers in the manufacturing, development, and/or design of medical devices, depending on work experiences and academic skill sets. Students will gain knowledge of FDA requirements for Good Manufacturing Practice (GMP) and Good Laboratory Practice (GLP) enhanced by experienced lecture materials, in-class workshops, presentation exercises, laboratory demonstrations, and exposure to other manufacturing technology disciplines. Students will have hands-on lessons to develop skills needed in the production or laboratory setting. Students will be prepared for entry level positions in medical device repairs, and medical device preparations, such as Medical Device Assembler, Medical Device Inspector, and Medical Equipment Repairer.

Learning Outcome(s):

1. Practice in the field of medical device industry as a medical device assembler and amedical device inspector.

MNFG 111	Basic Mechanical Blueprint Reading	2
MNFG 114	Geometric Dimensioning and Tolerancing	3
MNFG 116	QC Operations with Verisurf Software	3
MNFG 117	QC Operations with PC-DMIS CMM-1	3
MNFG 120	Introduction to Medical Device Quality	2
MNFG 121	Quality Control for Medical Devices	2
MNFG 153	Technical Mathematics	3
		Total: 18

Quality Control and Inspection: Certificate of Achievement (Transcripted)

Program Code: SAC.MNGQC.CA

Program Control Number: 36411

A certificate in Quality Control and Inspection prepares students for various quality inspector positions, as well as an introduction to various quality concepts that support inspection positions, such as inspection planning, calibration systems, sampling, quality tools including SPC, and their implementation, auditing, corrective, and preventive action, and customer, and supplier relationships.

Program includes the operation of PC-DMIS CMM software.

Learning Outcome(s):

1. Practice in the area of inspection planning, calibration systems, and sampling.

MNFG 111	Basic Mechanical Blueprint Reading	2
MNFG 114	Geometric Dimensioning and Tolerancing	3
MNFG 115	QC1 Quality Inspection	3
MNFG 116	QC Operations with Verisurf Software	3
MNFG 117	QC Operations with PC-DMIS CMM-1	3
MNFG 118	QC Operations with PC-DMIS CMM-2	3
MNFG 119	QC2: Quality Theory	3
MNFG 128	Basic Metals Technology	3
MNFG 153	Technical Mathematics	3
		Total: 26

3D Solid Modeling for Manufacturing: Certificate of Proficiency (Untranscripted)

Program Code: SAC.MNG3D.CERT

This certificate is designed for students who would like to earn a CP in the use of Solidworks 3D Solid Modeling software.

Learning Outcome(s):

1. Create computer 3D solid models using the Solidworks software.

Required Courses	Units: 12
ENGR 103 Solidworks Beginning Solid Modeling –or–	3
MNFG 103 Solidworks Beginning Solid Modeling –and–	3
ENGR 104 Solidworks Intermediate Solid Modeling –or–	3
MNFG 104 Solidworks Intermediate Solid Modeling –and–	3
ENGR 105 Solidworks Advanced Solid Modeling –or–	3
MNFG 105 Solidworks Advanced Solid Modeling –and–	3
MNFG 106 Solidworks Drawings	3
Total: 12	

MARKETING

Marketing: A.A. Degree

Program Code: SAC.MKTG.AA

Program Control Number: 04190

The Marketing Degree program is designed to prepare students for careers in today's marketing field. New career opportunities in marketing will be highlighted throughout the program. The courses include the latest concepts, techniques and technology used to successfully develop, price, promote and distribute products and services in a global economy. The program provides students with cutting-edge marketing skills for New Media Marketing opportunities.

Learning Outcome(s):

1. Perform the practical skills needed to work with businesses that have marketing functions.
2. Analyze given products or services for marketing decisions.
3. Describe marketing distribution channels.
4. Make pricing decisions based on market research.
5. Create marketing plans for product promotion and advertising.

Core Courses

MKTG 113	Principles of Marketing	3	Units: 20
BUS 222	Business Writing	3	
BUS 100	Fundamentals of Business	3	
	–or–		
ENTR 100	Introduction to Innovation and Entrepreneurship	3	
ENTR 105	Social Media, Bootstrapping, and Market Validation	2	
MKTG 116	Global Marketing: Selling Around the World	3	
MKTG 128	Advertising and Distribution	3	
MKTG 129	Sales, Negotiation, and Consumer Behavior	3	
	Select TWO courses from the following:	Units: 6	
BUS 125	Introduction to International Business	3	
	–or–		
BUS 127	Introduction to E-Commerce	3	
	–or–		
MKTG 127	Introduction to E-Commerce	3	
ENTR 110	Capstone Business Simulations	3	
	–or–		
ENTR 140	Fashion E-Commerce	3	
	Total: 26		

Digital Marketing Specialist: Certificate of Achievement (Transcripted)

Program Code: SAC.MKTGD.CA

Program Control Number: 42867

Professional training in using innovative marketing techniques and strategies to promote a business with a focus on social media applications. Topics include social media marketing, branding, promotion, advertising, analytics, and reporting. how to improve the quality and effectiveness of your social media presence. Learn proactive techniques in handling reviewer comments. Live stream videos on social media including from drones. Hands-on instruction in social media apps including LinkedIn, Facebook, Instagram, Twitter, YouTube, Yelp, Google, Pinterest, and Snapchat.

Learning Outcome(s):

1. Understand how to use innovative marketing techniques and strategies using current SEO and SEM applications to promote a business.
2. Identify current trends in using social media for effective marketing.
3. Use analytics and statistics applications such as Google Analytics for developing effective social media and web marketing.

Required Courses

MKTG 113	Principles of Marketing	3	Units: 14
MKTG 123	Marketing and Technology - Trends and Cutting Edges	1	
MKTG 130	Business Writing for Social Media	1	
	–or–		
ENTR 130	Business Writing for Social Media	1	
BA 164	Adobe Photoshop	3	
BA 170	Adobe InDesign	3	
BA 153	Social Media Apps for Employment and Business	1.5	
BA 154	Search Engine Optimization and Web Statistics Apps for Business	1.5	
	Select 2 Elective Courses:	Units: 3.5-6	
MKTG 128	Advertising and Distribution	3	
MKTG 129	Sales, Negotiation, and Consumer Behavior	3	
BUS 222	Business Writing	3	
	–or–		
MGMT 122	Business Communications	3	
BA 163	Adobe Acrobat	3	
BA 155	WordPress	2	
BA 171	Adobe Premiere Pro	3	
BA 172	Adobe After Effects	3	
BA 166	Adobe Illustrator	3	
BA 169	Adobe Dreamweaver	3	
BA 158	Introduction to Drones	1.5	
	Total: 17.5-20		

Marketing: Certificate of Achievement (Transcripted)

Program Code: SAC.MKTG.CA

Program Control Number: 41236

The Marketing Certificate program is designed to prepare students for careers in today's marketing field. New career opportunities in marketing will be highlighted throughout the program. The courses include the latest concepts, techniques and technology used to successfully develop, price, promote and distribute products and services in a global economy. The program provides students with cutting-edge applicable marketing skills for New Media Marketing opportunities.

Learning Outcome(s):

1. Perform the practical skills needed to work with businesses that have marketing functions.
2. Analyze given products or services for marketing decisions.
3. Describe marketing distribution channels.
4. Make pricing decisions based on market research.
5. Create marketing plans for product promotion and advertising.

Core Course:

MKTG 113	Principles of Marketing	Units: 9	3
BUS 222	Business Writing		3
BUS 100	Fundamentals of Business		3
	–or–		
ENTR 100	Introduction to Innovation and Entrepreneurship		3

Total: 20**MATHEMATICS****Mathematics: A.S.-T Degree for Transfer**

Program Code: SAC.MATH.AST

Program Control Number: 32062

The Associate in Science in Mathematics for Transfer (AS-T) prepares students to move into a curriculum at a four-year institution, leading to a baccalaureate degree in Mathematics. Employment opportunities are available as mathematicians in government, industry, education, technology, gaming, and healthcare. Successful completion of the AS-T degree also provides guaranteed admission with junior status to the CSU system, although does not guarantee admission to a specific campus or major. Please consult a counselor regarding specific course requirements for your transfer institution.

Upon completion of the AS-T in Mathematics, students will gain a strong foundation in the mathematical field. This knowledge base will be grounded in quantitative and analytical reasoning. Additionally, students will have the capacity to write and communicate with mathematical models and apply appropriate problem-solving techniques to real world phenomena.

Student completion requirements for the associate degree for transfer:

1. 60 semester or 90 quarter CSU transferable units. At least 12 of the units must be earned at Santa Ana College.
2. A minimum of 18 semester or 27 quarter units in the major or area of emphasis as determined by the community college district (see Instructional Programs portion of the catalog).
3. Obtainment of a minimum grade point average (GPA) of 2.0. (Some majors may require a higher GPA for transfer)
4. Earn a grade of C or better (C minus is not acceptable) or Pass in all courses required for the major or area of emphasis.
5. The California State University General Education-Breadth pattern (CSU GE Breadth); OR the Intersegmental General Education Transfer Curriculum (IGETC) pattern. Note: The ADT can be awarded to students completing the UC version of IGETC, but completion of this pattern will not satisfy CSU admission requirements.

Learning Outcome(s):

1. Students will apply concepts and principles of Calculus to perform computations and solve problems.
2. Students will create, use and analyze graphical representations of mathematical relationships.
3. Students will communicate their mathematical knowledge and understanding of mathematical concepts.

Required Core Courses

MATH 180	Single Variable Calculus I	Units: 12	4
MATH 185	Single Variable Calculus II		4
MATH 280	Intermediate Calculus		4

List A: Select one course from the following.

MATH 287	Introduction to Linear Algebra and Differential Equations	Units: 5	5
----------	---	-----------------	---

List B: Select one course from the following:

CMPR 105	Visual BASIC Programming	Units: 3-4.5	3
----------	--------------------------	---------------------	---

–or–

CMPR 112	Java Programming		3
----------	------------------	--	---

MEDICAL ASSISTANT**Medical Assistant - Administrative / Clinical: A.S. Degree**

Program Code: SAC.MA.AS

Program Control Number: 04227

The associate degree of science curriculum for medical assistant administrative/clinical is designed to prepare a student for employment in a medical office, hospital business office, ambulatory clinic, or allied health facility. Allied health careers for medical assistants function in the front and back office, as health insurance specialists, admission representatives, medical records specialists and receptionists in all medical facilities.

Course content includes medical terminology; medical data entry, computer skills; medical documents, electronic health records, reports and charts; medical insurance and coding, billing and collections, bookkeeping; effective human relations and communication as related to a medical office; clinical procedures such as medical and surgical asepsis, measuring vital signs, documenting health histories, medication administration, sterilizing instruments, assisting with minor surgery, instrument identification; laboratory procedures; and professional ethics, legal and scope of practice.

Graduates will be qualified to assist providers, doctors, physician assistants, nurse practitioners, nurses and medical assistants in clinical

situations and function under the direct supervision of a medical doctor or podiatrist. Graduates will also be qualified to perform all administrative duties normally required in the medical office, hospital business office, clinics, and allied health facilities.

Learning Outcome(s):

1. Upon completion of an Associate Degree of Science, graduates will demonstrate proficiency in speaking, reading, and writing when communicating with patients and healthcare team, critically think and adapt, and logically problem-solve administrative and clinical issues in healthcare settings, and exhibit workforce preparation as a Medical Assistant for an entry-level healthcare career.
2. Communication Skills: Medical Assistant proficiency in speaking, reading, and writing communication for healthcare team, co-workers, and patients.
3. Think and Reasoning: Medical Assistant logical problem-solving for administrative and clinical issues in the health care environment, demonstrating professionalism, creativity, and equitable analysis.
4. Information Management: Medical Assistant positive adaptation to change and technology in healthcare systems and delivery of care.
5. Diversity: Medical Assistant inter-relational model for the multicultural healthcare system with respect, compassion, and empathy in the provision of services for people of many cultures.
6. Civic Responsibility: Medical Assistant engagement in activities that promote awareness, health, and safety, such as CPR and First Aid Training.
7. Life Skills: Medical Assistant responsibility for personal health and well-being and ability to collaborate within the health / illness continuum effectively.
8. Careers: Medical Assistant employability for entry-level Medical Assistant healthcare career upon completion of the certificate and/or degree option.

Major requirements for the Associate Degree in Science: Units: 15

MA 051A	Beginning Medical Terminology	3
MA 051B	Advanced Medical Terminology	3
MA 053	Medical Assistant - Administrative Front Office	3
MA 054	Medical Insurance Billing and Coding	3
MA 055	Medical Assistant - Clinical Back Office	3

Elective must be 6 units selected from the following courses: Units: 6

MA 001	Work Experience - Medical Assistant	0.5-4
MA 020	Bloodborne and Airborne Pathogen Standards	0.5
MA 030	Phlebotomy	1
MA 056	Computer Applications for the Medical Office	3
BUS 103	Work Experience - Business	1-4
BA 125	Microsoft Word	2
BA 132	Medical Interpretation and Translation - Spanish / English	3
BA 142	Medical Interpretation and Translation - Vietnamese / English	3
BA 179	Microsoft Office (Word, Excel, PowerPoint)	3

Total: 21

Medical Assistant - Administrative / Clinical: Certificate of Achievement (Transcribed)

Program Code: SAC.MA.CA

Program Control Number: 19447

The certificate of achievement in medical assistant administrative/clinical is designed to prepare a student for employment in a medical office, hospital business office, ambulatory clinic, or allied health facility. Allied health careers for medical assistants function in the front and back medical office, as health insurance specialists, admission representatives, medical records specialists and receptionists.

Course content and student learning outcomes focus on medical terminology; medical data entry, computer skills; medical documents, electronic health records, reports and charts; medical insurance and coding, billing and collections, bookkeeping; effective human relations and communication as related to a medical office; clinical procedures such as medical and surgical asepsis, measuring vital signs, documenting health histories, medication administration, sterilizing instruments, assisting with minor surgery, instrument identification; laboratory procedures; and professional ethics, legal and scope of practice.

Graduates will be qualified to assist providers, doctors, physician assistants, nurse practitioners, nurses and medical assistants in clinical situations and function under the direct supervision of a medical doctor or podiatrist. Graduates will also be qualified to perform all administrative duties normally required in the medical office, hospital business office, clinics, and allied health facilities.

Learning Outcome(s):

1. Communication Skills: Medical Assistant proficiency in speaking, reading, and writing communication for healthcare team, co-workers, and patients.
2. Think and Reasoning: Medical Assistant logical problem-solving for administrative and clinical issues in the health care environment, demonstrating professionalism, creativity, and equitable analysis.
3. Information Management: Medical Assistant positive adaptation to change and technology in healthcare systems and delivery of care.
4. Diversity: Medical Assistant inter-relational model for the multicultural healthcare system with respect, compassion, and empathy in the provision of services for people of many cultures.
5. Civic Responsibility: Medical Assistant engagement in activities that promote awareness, health, and safety, such as CPR and First Aid Training.
6. Life Skills: Medical Assistant responsibility for personal health and well-being and ability to collaborate within the health / illness continuum effectively.
7. Careers: Medical Assistant employability for entry-level Medical Assistant healthcare career upon completion of the certificate and/or degree option.

Requirements for the Certificate of Achievement:	Units: 15
MA 051A Beginning Medical Terminology	3
MA 051B Advanced Medical Terminology	3
MA 053 Medical Assistant - Administrative Front Office	3
MA 054 Medical Insurance Billing and Coding	3
MA 055 Medical Assistant - Clinical Back Office	3
Total: 15	

MODERN LANGUAGES

Modern Languages: A.A. Degree

Program Code: sac.ml.aa

Program Control Number: 04225

The associate degree curriculum in modern languages is designed to meet the needs of both the student who wishes to transfer to a four-year institution and the student who wishes to achieve basic conversational ability in the language. Completion of the associate of arts degree prepares students to move into a curriculum at a four-year institution leading to a baccalaureate degree and then to possible careers requiring modern languages proficiency.

Note: Presently, the associate degree is offered in French and Spanish. The degree requires 26 units, which includes a minimum of 13 units in the major language with completion of both courses numbered 201 and 202.

Learning Outcome(s):

1. Develop all levels of proficiency in comprehending, speaking, reading, and writing in the current modern language classes while developing an understanding of the literary and cultural context of each language.

Required courses for the concentration in Spanish:		23 units
SPAN 101	Elementary Spanish I	5
	–or–	
SPAN 101H	Honors Elementary Spanish I	5
	–and–	
SPAN 102	Elementary Spanish II	5
	–or–	
SPAN 102H	Honors Elementary Spanish II	5
	–and–	
SPAN 201	Intermediate Spanish I	5
	–or–	
SPAN 201H	Honors Intermediate Spanish I	5
	–and–	
SPAN 202	Intermediate Spanish II	5
	–or–	
SPAN 202H	Honors Intermediate Spanish II	5
	–and–	
SPAN 212	College Business Spanish	3
	–or–	
SPAN 213	College Spanish Composition	3
Required courses for the concentration in French:		24 units
FREN 101	Elementary French I	5
	–and–	
FREN 102	Elementary French II	5
	–and–	
FREN 201	Intermediate French I	5
	–or–	
FREN 201H	Honors Intermediate French I	5
	–and–	
FREN 202	Intermediate French II	5
	–or–	
FREN 202H	Honors Intermediate French II	5
	–and–	
FREN 211	Intermediate Conversation and Composition I	2
	–and–	
FREN 214	Intermediate Conversation and Composition II	2

Students who have received credit for the first two semesters must take ten (10) units in a second language other than the major: Units: 10

CHNS 101	Elementary Chinese I	5
	-or-	
CHNS 102	Elementary Chinese II	5
	-or-	
FREN 101	Elementary French I	5
	-or-	
FREN 102	Elementary French II	5
	-or-	
JAPN 101	Elementary Japanese I	5
	-or-	
JAPN 102	Elementary Japanese II	5
	-or-	
SPAN 101	Elementary Spanish I	5
	-or-	
SPAN 101H	Honors Elementary Spanish I	5
	-or-	
SPAN 102	Elementary Spanish II	5
	-or-	
SPAN 102H	Honors Elementary Spanish II	5
	-or-	
ITAL 120	Elementary Italian I	5
	-or-	
ITAL 121	Elementary Italian II	5
	-or-	
VIET 101	Elementary Vietnamese I	5
	-or-	
VIET 102	Elementary Vietnamese II	5

Plus three (3) units of electives from the following: Units: 3-5

SPAN 195A	Advanced Conversational Spanish	3
	-or-	
SPAN 195B	Advanced Conversational Spanish	3
	-or-	
A third language		
ANTH 100	Introduction to Cultural Anthropology	3
	-or-	
ANTH 100H	Honors Introduction to Cultural Anthropology	3
	-or-	
ANTH 104	Language and Culture	3

MUSIC

Music: A.A.-T Degree for Transfer

Program Code: SAC.MUS.AAT

Program Control Number: 32050

The Associate in Arts in Music for Transfer (AA-T) prepares students to move into a curriculum at a four-year institution leading to a baccalaureate degree in music, and then into careers in public and private teaching, professional performance, church music, music therapy, composition, arranging and orchestration. Please consult a counselor regarding specific course requirements for your transfer institution. Completion of the AA-T degree also provides guaranteed admission with junior status to the CSU system, although does not guarantee admission to a specific campus or major. **See Associate Degrees for Transfer for a list of additional requirements for all Associate in Arts for Transfer (AA-T) and Associate in Science for Transfer (AA-S) degrees.** Upon completion of the AA-T in Music, students will be able to demonstrate an understanding of music theory, harmony, and musicianship at the final level of a traditional lower division music sequence. Through public performance, students will demonstrate proficiency on their primary instrument (or voice) that will allow them to perform accurately and musically within a large ensemble and in a solo setting. Upon application to music programs at four year institutions, students will need to pass an audition for acceptance as well as pass skills tests for placement into music theory, musicianship and piano classes.

Note: Although this Transfer Curriculum may provide sufficient preparation for some general Bachelor of Arts programs in Music, it is recommended that students supplement these degree requirements with four semesters of piano (MUS 161, 162, 163, 164), one music appreciation class (MUS 101), and one technology class (MUS 142 or MUS 152) if they intend to transfer into Bachelor of Music programs in Performance, History and Literature, Music Education, or Composition. Please consult a SAC counselor for course requirements for particular four-year institutions.

Learning Outcome(s):

1. Display competency and artistry, through experience, in the creation and presentation of public performances of music.
2. Perform proficiently (at the sophomore level) on their primary instrument in a 20-minute public recital. They will pass placement tests on their primary instrument, and be accepted at Cal State, UC, or other four-year institutions.
3. Demonstrate an understanding of music theory, piano, harmony and musicianship at the final level of a traditional lower division music sequence. They will pass placement tests in the areas of music theory and musicianship and be placed at the junior level upon transfer to the Cal State, UC, or other four-year institutions.
4. Demonstrate, through public performance, a proficiency, at the sophomore level, on their primary instrument that allows them to perform, accurately and musically, within a large ensemble.
5. Demonstrate proficiency performing in a vocal, or instrumental ensemble, to be able to continue their involvement in music, in a performance ensemble, within the greater community.

Required Core Courses: 21-22 units		Units: 21-22	Course	Units: 20-22
MUS 111	Basic Music Theory and Musicianship I	4	Ensemble, 1 unit required for each of 4 semesters*	
MUS 112	Music Theory and Musicianship II	4	Applied Music, 1 course required for each of 4 semesters*	
MUS 114A	Musicianship	1	MUS 101 Music Appreciation	3
MUS 114B	Musicianship	1	–or–	3
Music 114B is strongly recommended but not required.			MUS 101H Honors Music Appreciation	3
MUS 115A	Applied Music (Private Instruction)	1.5	MUS 111 Basic Music Theory and Musicianship I	4
MUS 115B	Applied Music (Private Instruction)	1.5	MUS 112 Music Theory and Musicianship II	4
MUS 115C	Applied Music (Private Instruction)	1.5	MUS 114A Musicianship	1
MUS 115D	Applied Music (Private Instruction)	1.5	MUS 114B Musicianship	1
MUS 214	Theory 4	3	MUS 142 Creating Music on the Digital Audio Workstation	1
MUS 213	Theory 3	3	–or–	
Ensembles, 1 unit required for each of 4 semesters*			MUS 152 Beginning Audio Production	3
*The ensemble course units may be chosen from the following list			MUS 213 Theory 3	3
(take one ensemble four times or select different ensembles to meet			MUS 214 Theory 4	3
this requirement):				
MUS 135	Concert Chorale			
	–or–	1		
MUS 137	Chamber Choir			
	–or–	1		
MUS 171	Concert Band			
	–or–	1		
MUS 175	Jazz Ensemble			
	–or–	1		
MUS 181	Chamber Orchestra			
	–or–	1		
MUS 271	Symphonic Band	1		
		Total: 25-26		

Music: A.A. Degree

Program Code: SAC.MUS.AA

Program Control Number: 04219

The associate degree curriculum in music is formulated to meet the needs of the student who wishes to make music the major subject of concentration. Completion of the associate in arts degree prepares a student to move into a curriculum at a four-year institution leading to a baccalaureate degree, and then into careers in public and private teaching, professional performance areas, church music, music therapy, recreational music, composition, arranging and orchestration, and music copying. Please consult a SAC counselor for information about course requirements for particular four-year institutions.

Learning Outcome(s):

1. Display competency and artistry, through experience, in the creation and presentation of public performances of music.
2. Perform proficiently (at the sophomore level) on their primary instrument in a 20-minute public recital. They will pass placement tests on their primary instrument, and be accepted at Cal State, UC, or other four-year institutions
3. Demonstrate an understanding of music theory, piano, harmony and musicianship at the final level of a traditional lower division music sequence. They will pass placement tests in the areas of music theory and musicianship and be placed at the junior level upon transfer to the Cal State, UC, or other four-year institutions.
4. Demonstrate, through public performance, a proficiency, at the sophomore level, on their primary instrument that allows them to perform, accurately and musically, within a large ensemble.
5. Demonstrate proficiency performing in a vocal, or instrumental ensemble, to be able to continue their involvement in music, in a performance ensemble, within the greater community.

*Courses which have an "N" preceding the number may be required for the major, but are not applicable to the 60 units required for the degree.

The ensemble course units may be chosen from the following list (take one ensemble four times or select different ensembles to meet this requirement):

	Units: 4
MUS 135 Concert Chorale	1
MUS 136 Collegiate Choir	1
MUS 137 Chamber Choir	1
MUS 141 Instrumental Ensembles	1
MUS 171 Concert Band	1
MUS 175 Jazz Ensemble	1
MUS 176 Jazz Band	1
MUS 178 Mariachi	1
MUS 181 Chamber Orchestra	1
MUS 189 Guitar Ensemble	1
MUS 241 Chamber Music Ensemble	1
MUS 271 Symphonic Band	1

The applied music courses may be chosen from:

	Units: 4-6
MUS 115A Applied Music (Private Instruction)	1.5
MUS 115B Applied Music (Private Instruction)	1.5
MUS 115C Applied Music (Private Instruction)	1.5
MUS 115D Applied Music (Private Instruction)	1.5
MUS 121 Beginning Voice	1
MUS 122 Intermediate Voice	1
MUS 123 Advanced Voice	1
MUS 124 Advanced Vocal Production and Repertoire	1
MUS 140 Instrumental Methods for Winds and Percussion	1
MUS 161 Class Piano I	1
MUS 162 Class Piano II	1
MUS 163 Class Piano III	1
MUS 164A Intermediate Piano Repertoire I	1
MUS 164B Intermediate Piano Repertoire II	1
MUS 168 Stylistic Interpretation of Piano Repertoire	1
MUS 169 Harmonization at the Keyboard	1
MUS 173 Beginning Rhythms in Percussion and Drums	1
MUS 180A String Methods	1
MUS 180B Intermediate String Methods	1
MUS 185 Beginning Classical Guitar	1
MUS 186 Intermediate Classical Guitar	1
MUS 187 Advanced Classical Guitar	1
MUS 188 Advanced Classical Guitar Technique and Repertoire	1
MUS 215A Applied Music (Advanced Private Instruction)	1.5
MUS 268 Intermediate Keyboard Repertoire	1
MUS 269 Intermediate Harmonization at the Keyboard	1

Total: 28-32

Digital Music Production: Certificate of Achievement (Transcripted)

Program Code: SAC.MUSDM.CA

Program Control Number: 16536

The program provides students with hands on experience, and a working knowledge of the creative and technical issues surrounding the production of digital audio and its application and synchronization with other media.

Students will study various means of computer assisted digital audio production including sequencing, digital recording, recording studio techniques, mixdown, and synchronization to video. The business of music as well as current and emerging technologies, such as video game music and sound design will also be covered. A variety of music electives are available to help students gain experience in other musical skills including instruction on an instrument, ensemble playing, and music theory.

Learning Outcome(s):

1. Demonstrate a working knowledge of the creative and technical issues necessary for the production of digital audio and its application and synchronization with other media.
2. Demonstrate a working knowledge of computer assisted digital audio production including sequencing, digital recording, recording studio techniques, mix down and synchronization to video.
3. Demonstrate competency in the skills necessary for an entry level position in careers including audio technician in a studio, audio specialist for web design, independent audio technician in a project studio, audio technician/music specialist in a video post-production unit or company, retail specialist in a music store, music producer/composer for film, TV, radio or audio specialist for computer game company
4. Demonstrate an understanding of the business of music and current and emerging technologies for audio design.

Course		Units: 15-16
MUS 110	Music Fundamentals and Culture	3
	–or–	
MUS 111	Music Theory and Musicianship I	4
MUS 142	Creating Music on the Digital Audio Workstation	1
MUS 143	Intermediate Techniques on the Digital Audio Workstation	1
MUS 147	Digital Recording Studio Sound Design	2
	–or–	
MUS 153	Video Game Music and Sound Design	2
MUS 148	Music Scoring for Film and Multimedia	2
MUS 149	The Business of Music	2
MUS 152	Beginning Audio Production	3
MUS 144	Projects in Electronic Music	1
Electives must be chosen from the following courses		Units: 2
MUS 112	Music Theory and Musicianship II	4
MUS 109	Reading and Making Music	2
MUS 121	Beginning Voice	1
MUS 122	Intermediate Voice	1
MUS 123	Advanced Voice	1
MUS 124	Advanced Vocal Production and Repertoire	1
MUS 140	Instrumental Methods for Winds and Percussion	1
MUS 146	Digital Recording Studio Techniques I	2
MUS 161	Class Piano I	1
MUS 162	Class Piano II	1
MUS 163	Class Piano III	1
MUS 164A	Intermediate Piano Repertoire I	1
MUS 164B	Intermediate Piano Repertoire II	1
MUS 173	Beginning Rhythms in Percussion and Drums	1
MUS 178	Mariachi	1
MUS 185	Beginning Classical Guitar	1
MUS 186	Intermediate Classical Guitar	1
MUS 187	Advanced Classical Guitar	1
MUS 188	Advanced Classical Guitar Technique and Repertoire	1
MUS 190	Introduction to ProTools	1.5
ENTR 120	Introduction to Working as a Freelance Independent Contractor	1
		Total: 17-18

NURSING

Nursing Degree Pre-Nursing for the Bachelor's Degree in Nursing: A.S. Degree

Program Code: SAC.NRSPR.AS

Program Control Number: 08737

Courses recommended for upper division standing (check with the Division Counselor and the transfer school to verify current courses):

California State University, Long Beach; California State University, Fullerton; and California State University, Dominguez Hills.

Learning Outcome(s):

1. Students will meet the non-nursing prerequisites for transfer to a baccalaureate program.
2. Students will distinguish the non-nursing prerequisites necessary for transfer to a baccalaureate program.

Course	Units: 24-25
CHEM 209 Introductory Chemistry	4
–or–	
CHEM 210 General, Organic and Biochemistry	5
–or–	
CHEM 219 General Chemistry	5
–or–	
CHEM 219H Honors General Chemistry	5
BIOL 239 General Human Anatomy	4
BIOL 249 Human Physiology	4
BIOL 229 General Microbiology	5
PSYC 100 Introduction to Psychology	3
–or–	3
PSYC 100H Honors Introduction to Psychology	3
–or–	
ENGL 101 Freshman Composition	4
ENGL 101H Honors Freshman Composition	4

Total: 24-25

Nursing-Registered Nursing: A.S. Degree

Program Code: SAC.NRSRG.AS

Program Control Number: 04226

The Associate Degree Nursing (ADN) program is approved by the California Board of Registered Nursing (BRN) and accredited by the Accreditation Commission for Education in Nursing (ACEN). It is designed to qualify the graduate for the licensure examination and entry into practice as a Registered Nurse (RN). Additionally, completion of the Associate in Science Degree in Nursing prepares a graduate to transfer to a four-year institution for completion of a baccalaureate degree (see a counselor for requirements). The curriculum follows the Santa Ana College Conceptual Framework for Nursing.

Completion of a Nursing Orientation (call Santa Ana College Counseling at 714-564-6103 for dates) is strongly advised. Advance placement in the program may be granted to those students with certain prior experience, vocational nursing, registered nursing education or equivalent. Advanced-Placed/Transfer/Challenge applicants require an individual appointment with the Program Director or designee. SAC reserves the right to designate a certain number of spaces for contract agreements and/or meet grant designated requirements.

Program Learning Outcome:

Graduates will function knowledgeably, safely, and effectively in nursing practice within a variety of health care settings and will be qualified for the licensing examination.

End-Of-Program Student Learning Outcomes-The student will:

- a. Modify the nursing process to meet the patient's needs
- b. Select theories for nursing practice to provide individualized care
- c. Design health care teaching
- d. Utilize effective verbal and non-verbal communication
- e. Delegate appropriately
- f. Practice accountability and responsibility
- g. Grow in professional development, and
- h. Operate as a patient advocate.

Please refer to www.sac.edu/nursing for current and updated information.

Learning Outcome(s):

1. The Program Learning Outcome is that graduates will function knowledgeably, safely, and effectively in nursing practice within a variety of health care settings and will be qualified for the Registered Nursing (RN) licensing examination.
2. The End-Of-Program Student Learning Outcomes - The student will:
 - a. Modify the nursing process to meet the patient's needs
 - b. Select theories for nursing practice to provide individualized care
 - c. Design health care teaching
 - d. Utilize effective verbal and non-verbal communication
 - e. Delegate appropriately
 - f. Practice accountability and responsibility
 - g. Grow in professional development, and
 - h. Operate as a patient advocate.

Admission Prerequisites:

The following prerequisites are required for entry into the program and first semester. Nursing students must meet current departmental catalog requirements.

1. Apply to Santa Ana College, obtain a Student Identification Number, and submit all official college transcripts to Santa Ana College, Admissions Office, 1530 W. 17th Street, Santa Ana, CA. 92706-3398. Please alert the college to possible name changes (e.g. maiden name). It is the student's responsibility to follow up and make sure transcripts have been received.
2. Complete high school/equivalency or have a college degree, verified by submitting official transcripts of high school or college graduation, passing the GED, or passing the California High School Proficiency Examination.
3. Complete courses or equivalents (units are semester units)

Units: 16-17

BIOL 239	General Human Anatomy	4
BIOL 249	Human Physiology	4
BIOL 139	Health Microbiology	4
–or–		
BIOL 229	General Microbiology	5
ENGL 101	Freshman Composition	4
–or–		

ENGL 101H Honors Freshman Composition 4
The science prerequisites must be completed within seven (7) years of applying to the Nursing Program.

Assessment Technology Institute's Test of Essential Academic Skills (ATI TEAS): All students, including Advanced-Placed/Transfer/Challenge applicants, are required to successfully complete the diagnostic assessment of preparation, ATI TEAS, prior to entry into the Nursing Program. Remediation is required if this test is not passed. Please see www.sac.edu/nursing for TEAS remediation information.

Admission Procedures:**For Students Entering the First Semester:**

A multi-criteria admission selection process is being used to select students to enter the first semester. The multi-criteria admission selection process is based on points given for the science prerequisites' GPA, completion of English and general education courses, previous degrees, recent work in healthcare, life experiences, fluency in specific languages, and results on the Assessment Technology Institute's Test of Essential Academic Skills (ATI TEAS) test. Please refer to www.sac.edu/nursing for the specific point breakdown of the multi-criteria. The multi-criteria applications for first semester are accepted from February 1st through February 15th for fall admissions and from September 1st through September 15th for spring admissions. The science prerequisites require a grade of "C" or higher with an overall Grade Point Average (GPA) of 2.5 or higher.

For Advanced-Placed Students:

There is an entry wait list for second, third, and fourth semesters. Please refer to www.sac.edu/nursing for information. An individual appointment with the Program Director or designee is required to determine placement except for LVNs who enter the third semester. All the prerequisites require a grade of "C" or higher with an overall Grade Point Average (GPA) of 2.5 or higher. After completing the prerequisites for advanced placement, students must submit a Prerequisite Verification Form (obtained in the Health Sciences/Nursing Office, R-213, 714564-6825 or at www.sac.edu/nursing). After prerequisite verification, students are placed on the entry wait list for the appropriate semester, in the order in which the Prerequisite Verification Form was received. Students are admitted after successfully completing NRN 200 Role Transition, and successfully passing the Assessment Technology Institute's Test of Essential Academic Skills (ATI TEAS) test. Students on the entry wait lists are admitted on a space available basis, alternating reentry students and advanced-placed/LVN students. It is the student's responsibility to contact the Health Sciences/Nursing office at 714-564-6825 when a change of address, change in email address, or change in phone number has occurred. If mail is returned due to a wrong address or a student does not respond to an electronic acceptance letter, the student's name will be removed from the entry list. Students may turn down entry to the NRN 200 Role Transition course and/or the program once. A second refusal will result in the student's name being removed from the list.

Upon acceptance to all semesters:

1. Evidence of a physical examination by an M.D., Physician Assistant, or Nurse Practitioner will be required prior to entry in the program and on an annual basis. Evidence of a physical exam and immunizations must be submitted on the Nursing Program's form upon entry into the program verifying the applicant's health and physical ability to perform the academic and clinical requirements of an RN student. Examinations, including immunization status, must have been performed within 4 months prior to beginning the Nursing Program.
2. A cleared background check is required of all Nursing students after acceptance into the Nursing Program.
3. A cleared drug test is required of Nursing students after acceptance into the program.
4. A current (within one year of issue date) American Heart Association Basic Life Support BLS Provider Card is required upon entry to the Nursing Program and renewed every year.
5. Malpractice insurance must be maintained throughout the Nursing Program. Students with incomplete physical information, CPR, malpractice insurance, background check, and drug testing will not be allowed into the clinical setting because of mandatory hospital and program requirements. If a student reenters the program after one or more semester(s) absence, a new background check and drug testing must be provided.

PROGRAM INFORMATION

The program is four semesters (fall and spring). Students are required to have transportation to off-campus clinical sites. There are 1-2 clinical days per week. These clinical days may be day, evening, or night shifts including weekends in eight or twelve-hour configurations. Theory courses meet 1 to 2 days per week. Please refer to the website at www.sac.edu/nursing for further information. Please note that this is considered a full-time program. Students are advised to limit outside employment to 12 hours/week. Excessive work schedules combined with family and school commitments may contribute to being unsuccessful in the program. It is the student's responsibility to contact the Health Sciences/Nursing office at 714-564-6825 when a change of address, change in email address, or change in phone number has occurred. Approximate cost for the supplies/fees can be obtained at www.sac.edu/nursing. Students who are a "NO SHOW" for the first day of class will be dropped and replaced by an alternate.

The BRN requires all licensure applicants to provide a valid Social Security number.

A Concept-Based Curriculum was implemented and has been phased into all four semesters. A Concept-Based Curriculum allows students to learn nursing concepts in depth with greater emphasis on nursing implementations and exemplars to showcase specific diseases.

The RN program has three options:

Option I - Generic RN academic program of two years. Applicants interested in this option must: a. Complete the admission prerequisites and b. Be admitted into the Santa Ana College RN program at the first semester of the program or be advanced-placed.

Option II - LVN to RN, academic program of one year. Licensed Vocational Nurses (LVNs) are admitted at the beginning of the second year of the program. To apply for entry into Option II, one must be licensed in California as a Vocational Nurse and:

- a. Complete the admission prerequisites,
- b. Be admitted into the Santa Ana College RN program in the beginning of the second year of the program (third semester) with college credit granted for 19.5 units of LVN courses,
- c. Complete the NRN 200 Role Transition course, 2 units, with a grade of "Pass" before entering the program, and
- d. Be placed into the third semester which is dependent upon space availability in the program.

Option III - Thirty (30) Unit LVN Option - (BRN regulation 1429), academic program of one year.

Information on the Thirty (30) Unit LVN Option is available in the Health Sciences/Nursing Office. Applicants interested in this option are required to meet with the Program Director or designee regarding this option being a non-degree option and:

- a. Must be licensed in California as a Vocational Nurse,
- b. Complete the admission prerequisites required for the 30 Unit LVN Option, c. Complete the NRN 200 Role Transition course with a grade of "Pass" before entering into the program
- d. Be admitted into the Santa Ana College RN program in the beginning of the second year of the program (third semester), and
- e. Be placed into the third semester which is dependent upon space availability in the program.

NOTE: NRN 200 Role Transition is only required of advanced-placed students or if required for remediation and must be completed prior to entering the nursing program; not required for generic students unless assigned as part of remediation.

Major nursing requirements for the Associate Degree in Nursing:**First Year Requirements**

NRN 170	Pharmacological Concepts of Nursing	2	
	–and–		
NRN 171	Principles of Nursing Practice and Simple Concepts	4.5	
	–and–		
NRN 171L	Principles of Nursing Practice and Simple Concepts Lab	4.5	

Second Semester

NRN 172	Family Health and Illness Concepts	4	
	–and–		
NRN 172L	Family Health and Illness Concepts Lab	4.5	
	–and–		

Second Year Requirements

NRN 271	Mental Health and Acute Concepts	4	
	–and–		
NRN 271L	Mental Health and Acute Concepts Lab	4.5	

Fourth Semester

NRN 272	Complex Concepts	3.5	
	–and–		
NRN 272L	Complex Concepts and Preceptorship Lab	4.5	
	–and–		
NRN 200	Role Transition	2	

NOTE: NRN 200 Role Transition is required for advanced-placed students only and must be completed prior to entering the nursing program; not required for generic students unless assigned as part of remediation.

Graduation requirements for the Associate Degree in Nursing (See Counseling regarding catalog rights for graduation requirements):

Total nursing units required if entered as generic student into first semester = 36. Total nursing units required if entered as LVN or advanced-placed student = 38 (This includes the NRN 200 Role Transition course units).

Select one course from the Associate Degree Plan A, Social and Behavioral Science category, American Institutions - 3 Units

Select one course from the Associate Degree Plan A, Humanities category (Suggested course: English 102. It meets Humanities and Reading proficiency for Plan A and Critical Thinking for Baccalaureate of Science in Nursing at the CSUs)

3 Units

Total = 67 units for generic students. For the LVN-RN option and advanced-placed students, there is a total of 69 units (This includes NRN 200 Role Transition course).

NOTE: For Option III - 30 Unit Option LVN students - Only Biol 249 and Biol 139 are required, in addition to NRN 200 Role Transition and second

year nursing courses.

Cultural Breadth and Lifelong Understanding/Self-Development graduation requirements are met for nursing students with completion of the Nursing major. Math proficiency for graduation: Successful completion of math proficiency is required for graduation. Reading proficiency for graduation: Successful completion of reading proficiency is required for graduation. The California BRN stipulates that RN students must complete sixteen (16) units of natural, behavioral, and social sciences as well as six (6) units of communications skills, in addition to the approved nursing units, to qualify for examination and licensure. There are no required electives for the degree. If desired, these courses are recommended: Biology 217; Chemistry 209, 210, 219, 219(H); Medical Assisting 051A; Medical Assisting 051B; Math 219; Nursing Registered 098, 106A, 106B, 106C 198, 206A, 206B, 206C.

Challenge Credit The student with previous nursing education/experience, or the veteran with previous military healthcare education/experience, may challenge any Nursing course per the BRN. Application for "Credit by Examination" may be obtained in the Admissions Office. The application must be completed by the student, processed by the Admissions Office, and submitted to the Health Sciences/Nursing Office. The application to challenge must be submitted within the first two weeks of the course. Challenge courses require registration fees. The student will be directed to the appropriate faculty and will be given objectives for the course. An appointment will be made to take the examination(s). The student must be currently enrolled in the course. The theory course must be successfully passed before challenging the concurrent clinical course. The student must meet all clinical requirements. Students may attempt "Credit by Examination" only once in a particular course. If a course has been failed, credit by examination will not be allowed. Grading for the "Credit by Examination" is on a pass/no pass basis. Please see www.sac.edu/nursing for the veterans with military healthcare experience process.

Re-Admission to Program After Withdrawal/Failure A student may re-enter the Nursing Program once after withdrawal or failure. No student shall be re-admitted after two (2) withdrawals or failures of SAC Nursing Program courses. In cases of grave or extenuating circumstances, a consideration for re-admittance after two withdrawals or failures may be made by the Program Director.

Record of Conviction(s) Please note: The California Board of Registered Nursing (BRN) requires California Department of Justice and Federal Bureau of Investigation review prior to licensure (upon completion of the program). Section 480 (a) (1) of the Business and Professions Code, authorizes the BRN to deny licensure to applicants convicted of crimes substantially related to nursing. Anyone who wishes clarification may contact:

The Board of Registered Nursing
P.O. Box 944210 Sacramento, CA. 94244-2100
Website: www.rn.ca.gov
Telephone: (916) 322-3350

Educational Concerns: Students or concerned parties have the right to contact the California Board of Registered Nursing (BRN) and/or the Accreditation Commission for Education in Nursing (ACEN) regarding concerns about the educational program. It is recommended that this is done after all college means for resolving problems/issues have been exhausted.

NUTRITION & FOODS

Hospitality Management: A.S.-T Degree for Transfer

Program Code: SAC.NUTHM.AST

Program Control Number: 40653

The Associate in Science for transfer in Hospitality Management (A.S.-T in Hospitality Management) is designed to provide students a clear pathway to transfer into the CSU system leading to a baccalaureate degree in Hospitality Management. Please consult a counselor regarding specific course requirements for your transfer institution. Completion of the A.S.-T in Hospitality Management degree also provides guaranteed admission to the CSU system, although not to a specific campus or major. Earn a grade of "C" or better, (or "P") in all courses required for the major or area of emphasis. **See Associate Degrees for Transfer for a list of additional requirements for all Associate in Arts for Transfer (AA-T) and Associate in Science for Transfer (AS-T) degrees.**

The Hospitality Management major also offers a comprehensive educational approach to a career in the hospitality industry. The curriculum is designed to prepare students with both management theories and occupational job skills required to enter any segment of the industry. Students take classes specific to the industry including introduction to hospitality, introduction to the hotel industry, and hospitality law.

Learning Outcome(s):

1. Create favorable guest experiences by using professional service management techniques in a hospitality business environment.
2. Demonstrate clear and logical decisions by organizing, analyzing, and interpreting information and formulating rational solutions in a hospitality business environment.
3. Demonstrate the behaviors of effective, ethical leaders by demonstrating the fundamental principles of leadership in a hospitality business environment.
4. Describe how hotels and restaurants are organized, with the roles and responsibilities of the various departments and job positions.

Required Core Course:

Nutrition and Dietetics: A.S.-T Degree for Transfer

Program Code: SAC.NUT.AST

Program Control Number: 35983

The Associate in Science in Nutrition/Dietetics (A.S.-T in Nutrition/Dietetics) prepares students to transfer into the CSU system leading to a baccalaureate degree in Nutrition and Dietetics. Please consult a counselor regarding specific course requirements for your transfer institution.

Completion of the Associate in Science in Nutrition/Dietetics (A.S.-T in Nutrition/Dietetics) degree also provides guaranteed admission to the

CSU system, although does not guarantee admission to a specific campus or major. In addition to the Associate in Science in Nutrition/Dietetics (A.S.-T in Nutrition/Dietetics) degree requirements, students are encouraged to complete additional courses that may be articulated as major preparation, prior to transfer. Earn a grade of "C" or better, (or "P") in all courses required for the major or area of emphasis. Some typical courses that may be articulated are Nutrition 110, Nutrition 118, Communication Studies 102, 140, Political Science 101, 101H, Sociology 100, 100H, 240, Anthropology 100, 100H, Chemistry 119, 209, and Psychology 157, 230. While these additional courses are not required for this degree, they will better prepare students for upper-division nutrition and dietetics coursework at a CSU.

Upon completion of the Associate in Science in Nutrition/Dietetics (A.S.-T in Nutrition/Dietetics), students will understand scientific concepts of nutrition related to the function of nutrients in basic life processes, explain current health issues with emphasis on individual needs, and apply food science principles related to ingredient function and interaction, food preparation techniques, sensory evaluation standards, food safety and sanitation, and nutrient composition of food.

Requirements

Student completion requirements for the associate degree for transfer:

1. 60 semester or 90 quarter CSU transferable units.
2. The California State University General Education-Breadth pattern (CSU GE Breadth); OR the Intersegmental General Education Transfer Curriculum (IGETC) pattern.
3. A minimum of 18 semester or 27 quarter units in the major or area of emphasis as determined by the community college district.
4. Obtainment of a minimum grade point average (GPA) of 2.0.
5. Earn a grade of C or better in all courses required for the major or area of emphasis.

Learning Outcome(s):

1. Identify components of a healthy diet and lifestyle that lead to optimal health and chronic disease prevention.
2. Analyze an individual's nutritional status and make appropriate dietary recommendations.
3. Identify and analyze credible research on nutrition-related topics.

Required Core Courses:

NUTR 115	Nutrition	Units: 15-16

Nutrition and Dietetics: A.S. Degree

Program Code: SAC.NUT.AS

Program Control Number: 04236

The associate degree curriculum in nutrition and dietetics prepares students to transfer into a curriculum at a four-year institution leading to a baccalaureate degree. Opportunities in the field include positions in management in hospitals, schools, hotels, and restaurants; clinical dietetics in acute care hospitals, clinics, and convalescent homes; community nutrition at all levels - international, federal, state, and local; research, product development, and testing; teaching, and promotion of food in the business.

Learning Outcome(s):

1. Identify characteristics of a healthy diet and lifestyle that lead to optimal health and chronic disease prevention.
2. Demonstrate skills in basic food safety and preparation.
3. Determine nutrient needs for individuals and groups across the lifespan, in diverse cultures and religions, and for different income levels.

Advanced Culinary Arts: Certificate of Achievement (Transcripted)

Program Code: SAC.NUTAC.CA

Program Control Number: 40412

The Advanced Certificate in Culinary Arts is designed for students interested in gaining technical skills for skilled-level positions in hotels, restaurants, and institutions. It offers students the opportunity to apply and practice skills learned in all aspects of culinary arts in a real-world environment.

Learning Outcome(s):

1. Apply skills in knife, tool and equipment handling to produce a variety of food products.
2. Apply the fundamentals of baking science to the preparation of a variety of products.
3. Design recipes for a menu while balancing nutrition, the use of fresh products, and the final product's texture, color, and flavor.
4. Practice standards in behavior, grooming and dress that reflect the mature work attitude expected of industry professionals.

Required core courses:**Units: 8**

CULN 100	Introduction to Culinary Arts and Hospitality	3
CULN 110	Food Safety and Sanitation	2
	–or–	
NUTR 110	Food Safety and Sanitation	2
CULN 120	Introduction to Culinary Skills & Principles	3
		Units: 7-8
Select a minimum of 7 units from the courses below:		
CULN 130	International Cuisine	3
	–or–

CULN 160	Principles of Beverage Service	2
		Units: 2

Select a minimum of 2 units from the courses below:**Units: 2**

CULN 230	Healthy American Cuisine	2
	–or–	
CULN 240	Vegetarian Cuisine	2
	–or–	
CULN 250	Modern Food: Style, Design, Theory And Production	2
		Units: 0.5-4
Select one of the following courses:		
CULN 299	Work Experience - Culinary	0.5-4
	–or–	
CULN 190	Food & Beverage Production Management	2
		Total: 17.5-22

Culinary Arts Foundation: Certificate of Achievement (Transcripted)

Program Code: SAC.CULN.CA

Program Control Number: 08745

The Culinary Arts Foundation Certificate is designed to prepare students with the knowledge and skills necessary to begin their own culinary arts business, for professional improvement and retraining, or for a wide variety of employment opportunities in the profession.

Learning Outcome(s):

1. Demonstrate fundamental skills in food handling, dining room, beverage service, baking and food service, and use of kitchen equipment and tools.
2. Define classic cooking terminology and methods, apply health and safety standards.
3. Evaluate information, solving problems, and making decisions related to food preparation and food service.
4. Describe career opportunities within the food industry and strategize own career pathway.

Course	Units: 11.5-15
CULN 110 Food Safety and Sanitation –or–	2
NUTR 110 Food Safety and Sanitation	2
CULN 120 Introduction to Culinary Skills & Principles	3
CULN 130 International Cuisine	3

OCCUPATIONAL THERAPY ASSISTANT

Occupational Therapy Assistant: A.S. Degree

Program Code: SAC.OTAAS

Program Control Number: 07485

The Occupational Therapy Assistant Program provides a strong foundation in the skills and knowledge necessary for entry-level occupational therapy assistant competencies.

Occupational therapy is a discipline that focuses on function as well as quality of life. Occupational therapy assistants provide service to individuals with physical, mental or developmental disabilities, across life phases that need to remediate skills of everyday tasks of self-care, home management, community skills, work, and leisure. The major requires general education courses including biological, social, and behavioral science, in addition to, occupational therapy courses. The program utilizes classroom instruction, online classes and fieldwork experiences to prepare the student to meet certification and employment standards.

The associate-degree-level occupational therapy assistant program is accredited by the Accreditation Council for Occupational Therapy Education (ACOTE) of the American Occupational Therapy Association (AOTA), located at 6116 Executive Boulevard, Suite 200, North Bethesda, MD 20852-4929. ACOTE's telephone number c/o AOTA is (301) 652-AOTA and its web address is www.acoteonline.org. Graduates of the program will be eligible to sit for the national certification examination for the occupational therapy assistant administered by the National Board for Certification in Occupational Therapy (NBCOT), One Bank Street, Suite 300, Gaithersburg, MD 20877, phone number (301) 990-7979 and web address www.nbcot.org. After successful completion of this exam, the individual will be a Certified Occupational Therapy Assistant (COTA). In addition, all states require licensure in order to practice; however, state licenses are usually based on the results of the NBCOT Certification Examination. Students who have completed all requirements will also need to apply for a license to practice in the State of California through the California Board of Occupational Therapy, 2005 Evergreen Street, Suite 2250, Sacramento, CA 95815, phone number (916) 263-2294, and web address www.bot.ca.gov. Note that a felony conviction may affect a graduate's ability to sit for the NBCOT certification examination or attain state licensure.

Finger printing is a requirement to apply for state licensure with the California Board of Occupational Therapy (BOT) and for placement in most level II fieldwork sites. For information about limitations based on felonies, students are advised to contact NBCOT and BOT any time prior to the application process. Students must complete 16 weeks of Level II Fieldwork within 18 months following the completion of the didactic portion of the program.

REQUIREMENTS/PREREQUISITES:

Satisfactory completion of all prerequisite courses, or their equivalents, with a grade of "C" or higher posted to the official transcript. Applicants with AP Exam taken in lieu of a prerequisite course must have a score of at least a 3.

- Biology 149, Human Anatomy & Physiology (can be taken as a part of a combined course or separately) This course has to be taken within the last 10 years. *Courses without a lab component are not equivalent to this prerequisite*
- Communication Studies 101 or 101H, Introduction to Interpersonal Communication or Communication Studies 102, Public
- Speaking or Communication Studies 103 or 103H, Introduction to Intercultural Communication or Communication Studies 140, Argumentation and Debate or Communication Studies 145, Group Dynamics
- English 101 or 101H, Freshman Composition
- Psychology 100 or 100H, Introduction to Psychology

APPLICATION PROCEDURES:

Each semester has a separate application period. Check the website for the dates as they become available. For questions regarding the application process, please attend an information session. Completed applications will be accepted in the following format:

SPRING semester — a randomization selection process (lottery).

FALL semester — an Associate's degree in OTA to a Bachelor's degree in Occupational Studies (OS). Students will earn both degrees. The selection for this program will be criterion base. This program is for applicants without a Bachelor's Degree awarded from another college/university.

1. Apply to Santa Ana College to obtain a student ID #.
2. Download and complete the OTA application from our website. Incomplete application will not be reviewed and will be returned.
3. Obtain official high school transcripts (for applicants without an AA/AS or BA/BS degree awarded from an accredited United States Institution).
4. Ensure satisfactory completion of all prerequisite courses, or their equivalents, with a grade of "C" or better. A letter grade of "C-" is not acceptable. Applicants must have completed all prerequisite courses and the grades must be posted to the official transcripts before submitting an application.
 - a. Applicant with AP Exam taken in lieu of a prerequisite course must have a score of 3, 4 or 5 on the AP test. Submit a sealed copy of the official AP Score Report from the College Board with the application.
5. Obtain official college transcripts from every college attended and include them in the application packet. DO NOT send the transcripts directly to Admissions & Records and DO NOT submit unofficial transcripts in the packet. Transcripts must be in sealed envelope from the college.
6. Deliver the application materials in one sealed envelope to the OTA program by the deadline.

7. This is only for students who have been selected to begin the enrollment process. Approximately 2 months prior to starting the program, students will be sent information for completion of the following:

- Background check via CastleBranch
- Provide CPR (BLS for Healthcare Providers)
- Certification from American Heart Association
- Obtain professional liability insurance
- Report of Medical Screening
- Provide documentation of various medical immunizations:
 - Measles, Mumps, Rubella (MMR)
 - Varicella (Chicken Pox)
 - Hepatitis B
 - TB Skin Test, –or– quantiFERON Gold blood test, –or– clear chest X-Ray
- Completed DTP (Tdap) Series
- Influenza Shot

Learning Outcome(s):

Be prepared for employment as Occupational Therapy Assistants. Pass the National Board for Certification in Occupational Therapy (NBCOT) certification examination for occupational therapy assistants within 1 year of graduation.

PARALEGAL

Paralegal: A.A. Degree

Program Code: SAC.PARA.AA

Program Control Number: 10629

This American Bar Association (ABA) approved program is designed to qualify students to work as a Paralegal/Legal Assistant as defined by section **6450 of the California Business and Professions Code**, who are qualified by education, who either contracts with or is employed by an attorney, law firm, corporation, governmental agency, or other entity, and who performs substantial legal work under the direction and supervision of an active member of the State Bar of California, as defined in Section 6060, or an attorney practicing law in the federal courts of this state, that has been specifically delegated by the attorney to him or her.

This program is not designed to prepare students for the practice of law.

Upon successful completion of the program students will be able to:

1. Make ethical decisions in the workplace
 1. Students will complete the PARA 121 Ethics class
 2. Students will incorporate ethical standards in the Law Office Management class through problem solving and discussion board discussions.
2. Understand legal concepts
 1. Students will demonstrate legal concepts in the legal specialty classes through examination and practical exercises.
 2. Students will draft law office memorandum and appellate briefs in the Advanced Legal writing class incorporating analysis of legal concepts.
3. Communicate effectively orally and in writing
 1. Students will draft law office memorandum.
 2. Students will use proper grammar, punctuation, and spelling.
 3. Students will create client correspondence.
4. Be proficient in using legal technology
 1. Students will demonstrate the use of the Microsoft suite (Word, PowerPoint and Excel) in their completion of assignments.
 2. Students will complete assignments using legal specific software.
5. Have the tools necessary to obtain employment in their field of study in a timely manner.

All courses must be passed with a C grade or better with the exception of PARA 297, which is pass/no pass.

Paralegal Degree (sac.para.aa)

Specific General Education Requirements for the degree:

The ABA additionally specifies that a student must complete a minimum of 18 semester units of ABA approved general education courses from at least 3 disciplines in the areas of language and composition, mathematics, social science and behavioral sciences, natural sciences, humanities and the arts. This excludes courses in kinesiology, counseling, performing arts, accounting, computer science, technical writing, business mathematics, keyboarding, and business law. Students are urged to seek counseling prior to enrollment to insure that college general education choices satisfy this requirement.

Major requirements for students seeking the degree:

Students must complete the program within 5 years or repeat any legal specialty courses which were completed more than 5 years prior to graduation. Legal specialty courses subject to these requirements are marked with an asterisk (*). The ABA requires the degree to have a minimum of 60 semester units. In addition to meeting the ABA general education and unit requirements, students are required to meet the AA degree requirements as set forth in the current catalog.

Learning Outcome(s):

1. Make ethical decisions in the workplace Students will complete the PARA 121 Ethics class Students will incorporate ethical standards in the Law Office Management class through problem solving and discussion board discussions.
2. Understand legal concepts Students will demonstrate legal concepts in the legal specialty classes through examination and practical exercises. Students will draft law office memorandum and appellate briefs in the Advanced Legal writing class incorporating analysis of legal concepts.
3. Communicate effectively orally and in writing Students will draft law office memorandum. Students will use proper grammar, punctuation, and spelling. Students will create client correspondence.
4. Be proficient in using legal technology Students will demonstrate the use of the Microsoft suite (Word, PowerPoint and Excel) in their completion of assignments. Students will complete assignments using legal specific software.
5. Have the tools necessary to obtain employment in their field of study in a timely manner.

Students should take PARA 100 or LAW 100 prior to or concurrently with other legal specialty courses. Units: 37

Students must pass PARA 246 with a C or better prior to taking PARA 248 and PARA 297. PARA 297 is intended to be taken in the final semester of the program. Students must complete the program within 5 years or repeat any legal specialty courses which were completed more than 5 years prior to graduation. Legal specialty courses subject to these requirements are marked with an asterisk (*).

Paralegal: Certificate of Achievement (Transcripted)

Program Code: sac.para.ca

Program Control Number: 04237

This American Bar Association (ABA) approved program is designed to prepare students to work as a Paralegal/Legal Assistant as defined by section 6450 of the California Business and Professions Code, who are qualified by education, who either contracts with or is employed by an attorney, law firm, corporation, governmental agency, or other entity, and who performs substantial legal work under the direction and supervision of an active member of the State Bar of California, as defined in Section 6060, or an attorney practicing law in the federal courts of this state, that has been specifically delegated by the attorney to him or her.

This program is not designed to prepare students for the practice of law. Upon successful completion of the program students will be able to:

1. Make ethical decisions in the workplace
 1. Students will complete the PARA 121 Ethics class
 2. Students will incorporate ethical standards in the Law Office Management class through problem solving and discussion board discussions.
2. Understand legal concepts
 1. Students will demonstrate legal concepts in the legal specialty classes through examination and practical exercises.
 2. Students will draft law office memorandum and appellate briefs in the Advanced Legal writing class incorporating analysis of legal concepts.
3. Communicate effectively orally and in writing
 1. Students will draft law office memorandum.
 2. Students will use proper grammar, punctuation, and spelling.
 3. Students will create client correspondence.
4. Be proficient in using legal technology
 1. Students will demonstrate the use of the Microsoft suite (Word, PowerPoint and Excel) in their completion of assignments.
 2. Students will complete assignments using legal specific software.
5. Have the tools necessary to obtain employment in their field of study in a timely manner.

All courses must be passed with a C grade or better with the exception of PARA 297, which is pass/no pass.

Paralegal Certificate (sac.para.ca)

Specific General Education Requirements for the Certificate:

The ABA additionally specifies that a student must complete a minimum of 18 semester units of ABA approved general education courses from at least 3 disciplines in the areas of language and composition, mathematics, social science and behavioral sciences, natural sciences, humanities and the arts. This excludes courses in kinesiology, counseling, performing arts, accounting, computer science, technical writing, business mathematics, keyboarding, and business law. Students are urged to seek counseling

prior to enrollment to insure that college general education choices satisfy this requirement.

Major requirements for students seeking the certificate:

Note: Students must complete the program within 5 years or repeat any legal specialty courses which were completed more than 5 years prior to graduation. Legal specialty courses subject to these requirements are marked with an asterisk (*).

Learning Outcome(s):

1. Make ethical decisions in the workplace Students will complete the PARA 121 Ethics class Students will incorporate ethical standards in the Law Office Management class through problem solving and discussion board discussions.
2. Understand legal concepts Students will demonstrate legal concepts in the legal specialty classes through examination and practical exercises. Students will draft law office memorandum and appellate briefs in the Advanced Legal writing class incorporating analysis of legal concepts.
3. Communicate effectively orally and in writing Students will draft law office memorandum. Students will use proper grammar, punctuation, and spelling. Students will create client correspondence.
4. Be proficient in using legal technology Students will demonstrate the use of the Microsoft suite (Word, PowerPoint and Excel) in their completion of assignments. Students will complete assignments using legal specific software.
5. Have the tools necessary to obtain employment in their field of study in a timely manner.

Students should take PARA 100 or Law 100 prior to or concurrently with other legal specialty courses.

Units: 37

Students must pass PARA 246 with a C or better prior to taking PARA 248 and PARA 297. PARA 297 is intended to be taken in the final semester of the program. Students must complete the program within 5 years or repeat any legal specialty courses which were completed more than 5 years prior to graduation. Legal specialty courses subject to these requirements are marked with an asterisk (*).

PHARMACY TECHNOLOGY

Pharmacy Technology: A.S. Degree

Program Code: SAC.PHAR.AS

Program Control Number: 04230

In addition to the general education requirement, the associate degree includes the full-spectrum training required for employment in all pharmacy practice settings. Upon completion of the associate degree, graduates will meet the academic training requirements for licensing with the California State Board of Pharmacy. Graduates will also be well prepared for the Pharmacy Technician Certification Board exam.

The major course requirements for the associate degree consists of the same 20.0 units of coursework listed in the Basic Certificate option, including the 2.0 units outpatient externship rotation. In addition to completing two additional academic courses (PHAR 057 and PHAR 060), students choosing the associate degree must perform 200 additional hours (3 additional units) of externship, involving rotations in inpatient and sterile products pharmacy services. Students will be placed in the hospital and/or home infusion setting to complete these rotations. Background checks, health screenings, and/or drug testing will be required prior to lab classes. Any required investigations are done at the student's expense. Students are expected to understand and agree to abide by the Program Guidelines, which include technician standards and essential functions for pharmacy technicians.

The associate degree is accredited by the American Society of Health-System Pharmacists (ASHP). Students must complete each required course with a grade of "C" or better (0.5 unit of PHAR 060L or other L-series lab classes and externship with a grade of "P") to qualify for the the degree option.

All courses are required to be completed within a 3-year period to be eligible for Pharmacy Technology program enrollment and certificate/degree.

Learning Outcome(s):

1. Apply for the California Board of Pharmacy licensing as a Pharmacy Technician in a timely manner.
2. Construct an effective resume for Pharmacy Technician job interviews, highlighting your advanced technical skills and Associates of Science in Pharmacy Technology.
3. Apply for the Pharmacy Technician Certification Board Exam and complete successfully.

Required Course: 28-32 units

Pharmacy Technology Basic Option: Certificate of Achievement (Transcripted)

Program Code: SAC.PHARB.CA

Program Control Number: 18780

The Basic Certificate option prepares students for entry-level employment as pharmacy technicians in the retail pharmacy sector. By completing the Basic Certificate option, students will meet the minimum academic training requirements for licensing as specified by the California State Board of Pharmacy.

Students who intend to complete only the Basic Certificate option will be placed for a minimum of 120 hours of externship in an outpatient (drug store or ambulatory care clinic) pharmacy site to gain workplace experience.

Background checks, health screenings, and/or drug testing will be required prior to lab classes. Any required investigations are done at the student's expense. Students are expected to understand and agree to abide by the Program Guidelines, which include technician standards and essential functions for pharmacy technicians.

The Basic Certificate option is not accredited by the American Society of Health-Systems Pharmacists (ASHP). Students who earn the Basic Certificate and then continue through the Advanced Certificate will be designated as having completed an ASHP-accredited program. Students must complete each required course with a grade of "C" or better (Externship with a grade of "P") to qualify for the Basic Certificate.

All courses are required to be completed within a 3-year period to be eligible for Pharmacy Technology program enrollment and certificate/degree.

Learning Outcome(s):

1. Construct an effective resume for Pharmacy Technician job interviews.
2. Apply for licensing as a Pharmacy Technician with the California Board of Pharmacy in a timely manner.
3. Apply for the Pharmacy Technician Certification Board Exam.

Required Courses: 16.5 - 20.5 units

PHILOSOPHY

Philosophy: A.A.-T Degree for Transfer

Program Code: SAC.PHIL.AAT

Program Control Number: 33220

The Associate in Arts in Philosophy for Transfer (A.A.-T in Philosophy) is designed to prepare students for transfer into the CSU system to complete a baccalaureate degree in Philosophy. Please consult a counselor regarding specific course requirements for your transfer institution.

Completion of the A.A.-T degree also provides guaranteed admission with junior status to the CSU system, although does not guarantee admission to a specific campus or major. **See Associate Degrees for Transfer for a list of additional requirements for all Associate in Arts for Transfer (A.A.-T) and Associate in Science for Transfer (AS-T) degrees.** Upon completion of the A.A.-T in Philosophy students will have an understanding of the core historical and contemporary ideas central to the discipline of philosophy. Students will also have the critical thinking, logical analysis, and analytical writing skills instrumental for success across academic disciplines.

Learning Outcome(s):

1. demonstrate strong skills in critical thinking, logical analysis, and analytical writing
2. demonstrate an understanding of the core historical and contemporary ideas central to the discipline

Required Core Courses: Select Two

	Units: 7
PHIL 111 Introductory Logic	4
PHIL 106 Introduction to Philosophy	3
–or–	
PHIL 106H Honors Introduction to Philosophy	3
–or–	
PHIL 108 Ethics	3

List A: Select one Required Core course not already used or one of the following: **Units: 3-4**

PHIL 110 Critical Thinking	4
–or–	
PHIL 110H Honors Critical Thinking	4
–or–	
PHIL 112 World Religions	3
–or–	
PHIL 118 History of Philosophy	3

List B: Select any two courses from List A not already used **Units: 6-7**

List C: Select course from List A or List B not already used or one of the following: **Units: 3-4**

HIST 101 World Civilizations to the 16th Century	3
–or–	
HIST 101H Honors World Civilizations to the 16th Century	3
–or–	
HIST 102 World Civilizations Since the 16th Century	3
–or–	
HIST 102H Honors World Civilizations Since the 16th Century	3

Total: 19-22

Philosophy: A.A. Degree

Program Code: SAC.PHIL.AA

Program Control Number: 04240

The associate degree curriculum in philosophy prepares students to move into a curriculum at a four-year institution leading to a baccalaureate degree. The baccalaureate degree is intended for those students who plan to teach philosophy, or for pre-professional students in such areas as theology and law, and as a foundation for graduate studies in the areas of library science, diplomacy, theoretical physical science, and specialized historical studies.

Learning Outcome(s):

1. demonstrate strong skills in critical thinking, logical analysis, and analytical writing
2. demonstrate an understanding of the core historical and contemporary ideas central to the discipline

Required Core Courses

	Units: 16
PHIL 106 Introduction to Philosophy	3
–or–	
PHIL 106H Honors Introduction to Philosophy	3
PHIL 108 Ethics	3
PHIL 110 Critical Thinking	4
–or–	
PHIL 110H Honors Critical Thinking	4
–or–	
PHIL 111 Introductory Logic	4
PHIL 112 World Religions	3
PHIL 118 History of Philosophy	3

Electives: Select any two of the following courses: **Units: 6**

ART 101 Survey of Western Art History I: Prehistory through the Middle Ages	3
ART 102 Survey of Western Art History II: Renaissance to Today	3
ENGL 233A Shakespeare's Comedies and Romances	3

Total: 22

PHOTOGRAPHY**Photography: A.A. Degree**

Program Code: SAC.PHOT.AA

Program Control Number: 04224

The associate in arts degree in photography provides a foundation in basic photography processes combined with a high level of creative opportunity and individual expression. Enrollment in this program prepares transfer students to enter advanced degree programs at four-year institutions as well as to enter the field of photography in positions such as studio photographer, fashion photographer, museum/gallery photographer, photo journalist, and free lance photographer. Please consult a SAC counselor for information about course requirements for particular four-year institutions.

Learning Outcome(s):

1. Demonstrate visual literacy, including competency in the nonverbal languages of art and design.
2. Demonstrate competency in critical analysis and verbal and written responses to visual phenomena.
3. Possess general knowledge of the monuments, movements and principal artists of major art periods of the past and contemporary thinking on art, design and photography.

Core Courses:**Units: 29.5**

ART 102	Survey of Western Art History II: Renaissance to Today	3
	–or–	
PHOT 150	History of Photography	3
ART 110	Two-Dimensional Design	3
ART 124	Gallery Production	2
PHOT 009	Photography Lab	0.5
PHOT 180	Beginning Photography	3
PHOT 185A	Landscape Photography	3
PHOT 191	Commercial Studio Practices	3
PHOT 194	Digital Workflow	3
PHOT 196	Commercial Photography	3
PHOT 291	Wedding and Quinceañera Photography	3
PHOT 292	Portrait Photography	3

Plus 3 units from the following courses:**Units: 3**

ART 162	Digital Illustration I	3
ART 195	Introduction to Digital Media Arts	3
PHOT 185B	Landscape Photography	3
PHOT 197	Intermediate Commercial Photography	3
PHOT 294	Color Photographic Expression	3

Total: 32.5**Commercial Photography: Certificate of Achievement (Transcripted)**

Program Code: SAC.PHOT.CA

Program Control Number: 21787

The digital photography certificate program is an intensive course of study focused on providing the student with a broad base of technical skills with additional emphasis on visual communication. Career positions include production printer, studio photographer and freelance photographer.

Learning Outcome(s):

1. Demonstrate visual literacy, including competency in the nonverbal languages of art and design.
2. Demonstrate competency in critical analysis and verbal and written responses to visual phenomena.
3. Possess the aesthetic knowledge and technical skills necessary in digital photography, including wedding, quinceañera and commercial, to begin a career as a production printer, studio photographer or freelance photographer.

Course**Units: 18.5-19.5**

PHOT 009	Photography Lab	0.5-1.5
PHOT 180	Beginning Photography	3
PHOT 185A	Landscape Photography	3
PHOT 191	Commercial Studio Practices	3
PHOT 194	Digital Workflow	3
PHOT 196	Commercial Photography	3
PHOT 291	Wedding and Quinceañera Photography	3
Electives 3 units must be chosen from the following courses:Units: 3		
ART 124	Gallery Production	2
ART 129	Introduction to Web Design	3
ART 162	Digital Design with Photoshop-I	3
BUS 170	Principles of Small Business Management	3
PHOT 150	History of Photography	3
PHOT 292	Portrait Photography	3

Total: 21.5-22.5**Photojournalism: Certificate of Achievement (Transcripted)**

Program Code: SAC.PHOT.CA

Program Control Number: 43717

The Certificate in Photojournalism provides students with the fundamentals of storytelling for visual media from a technical, theoretical and professional standpoint. Industry-level photojournalistic practices, experience with photographic equipment and editing processes, and exposure to contemporary storytelling techniques for multiple news platforms will give students the necessary career skills to effectively produce news in a 21st-century information environment. Students build a portfolio of work and publish their photography, video and design as a staff member of SAC's nationally recognized student media outlet el Don.

Learning Outcome(s):

1. Demonstrate the fundamentals of digital SLR and mirrorless camera photography using manual functions to manage light.
2. Create impactful news photographs to be published on a deadline and apply professional editing processes.
3. Understand the cultural and social impact of photography in the contemporary media landscape.
4. Produce narrative photographs and recognize the essential components of storytelling for media.
5. Communicate legal issues at stake in photojournalism today such as copyright.

Required courses**Units: 16**

PHOT 180	Beginning Photography	3
JAMS 160	Introduction to Photojournalism	3
	–or–	
PHOT 160	Introduction to Photojournalism	3
PHOT 291	Wedding and Quinceañera Photography	3
JAMS 103	Introduction to Visual Communications	3
JAMS 123A	Multimedia News Production	4

PHYSICS**Physics: A.S.-T Degree for Transfer**

Program Code: SAC.PHYS.AST

Program Control Number: 32989

The Associate in Science in Physics for Transfer (A.S.-T) prepares students to transfer in to the CSU system leading to a baccalaureate degree in Physics. Please consult a counselor regarding specific course requirements for your transfer institution. Completion of the A.S.-T degree also provides guaranteed admission to the CSU system, although does not guarantee admission to a specific campus or major. **See Associate Degrees for Transfer for a list of additional requirements for all associate in arts for transfer (A.A.-T) and associate in science for transfer (A.S.-T) degrees.** In addition to the A.S.-T degree requirements, students are encouraged to complete additional courses, that may be articulated as major preparation, prior to transfer. Some typical courses that may be articulated are Mathematics 287, Mathematics 290, Chemistry 219, and Computer Science 120. While these additional courses are not required for this degree, they will better prepare students for upper-division Physics coursework at a CSU. Upon completion of the A.S.-T, students will become grounded in the fundamental physical laws as well as quantitative and analytical reasoning. Upon completion of the baccalaureate degree in Physics, students may then move in to careers in applied physics, education, and/or as assistant research scientists.

Learning Outcome(s):

- Students will develop communication via coherent and succinct scientific writing, creative and critical thought for problem solving, and technological competence in the use of computerized sensors, software, and programming for scientific purposes.

PHYS 217	Engineering Physics I	4
PHYS 227	Engineering Physics II	4
PHYS 237	Engineering Physics III	4
MATH 180	Single Variable Calculus I	4
	–or–

POLITICAL SCIENCE**Political Science: A.A.-T Degree for Transfer**

Program Code: SAC.POLT.AAT

Program Control Number: 31859

The Associate in Arts in Political Science for Transfer (AA-T) prepares students to transfer into the CSU system. Please consult a counselor regarding specific course requirements for your transfer institution. Completion of the AA-T degree also provides guaranteed admission to the CSU system, although does not guarantee admission to a specific campus or major. Upon completion of the AA-T in Political Science students will have an understanding of both the breadth and depth of the political science discipline. This knowledge will be grounded in the comprehension of political science principles, concepts, ideas, theories, research, and terminology. Students will also have the capacity to write and think in a critical and analytical way about issues pertaining to politics, government, and society.

Requirements

- Student completion requirements for the associate degree for transfer:
- 60 semester or 90 quarter CSU transferable units
- the California State University General Education-Breadth pattern (CSU GE Breadth); OR the Intersegmental General Education Transfer Curriculum (IGETC) pattern
- a minimum of 18 semester or 27 quarter units in the major or area of emphasis as determined by the community college district
- obtainment of a minimum grade point average (GPA) of 2.0
- earn a grade of "C" or better, (or "P") in all courses required for the major or area of emphasis

Learning Outcome(s):

- Students who complete an AA/AAT in Political Science will demonstrate an understanding of American and international political institutions

Required Core: Select 9 units	Units: 9	
POLT 101	American Government and Politics	3
	–or–	
POLT 101H	Honors American Government and Politics	3
POLT 200	American Political Thought	3
	–or–

ECON 121	Principles/Micro	3

Total: 18-19.5

Political Science: A.A. Degree

Program Code: SAC.POLT.AA

Program Control Number: 04259

The associate degree curriculum in political science prepares students to move into a curriculum at a four-year institution leading to a baccalaureate degree. The baccalaureate degree prepares students for law school, teaching, public relations, journalism, government service on the local, state and national levels, and private employment where government institutions are involved.

Learning Outcome(s):

- Students who complete an A.A./A.A.T. in Political Science will demonstrate an understanding of American and international political institutions.

Total: 25**PSYCHOLOGY****Psychology: A.A.-T Degree for Transfer**

Program Code: SAC.PSYC.AAT

Program Control Number: 30670

The Associate in Arts in Psychology for Transfer (AA-T) prepares students to move into a curriculum at a four-year institution leading to a baccalaureate degree in psychology. Please consult a counselor regarding specific course requirements for your transfer institution. Completion of the AA-T degree also provides guaranteed admission to the CSU system, although does not guarantee admission to a specific campus or major. Upon completion of the AA-T in Psychology, students will have a general understanding of main psychological theories as they pertain to development, personality, psychological disorders, learning, memory, and social dynamics as well as an understanding of the physiological basis of human behavior. This knowledge base will be grounded in the understanding of basic research methodology. Additionally, students will have the capacity to write and think in a critically analytical way about issues pertaining to human behavior and mental processes.

Completion of the AA-T is appropriate for students whose career plans include helping people, i.e., teaching, social welfare, probation, criminology, nursing, law, or personnel work.

Requirements

- Student completion requirements for the associate degree for transfer:
- 60 semester or 90 quarter CSU transferable units
- the California State University General Education-Breadth pattern (CSU GE Breadth); OR the Intersegmental General Education Transfer Curriculum (IGETC) pattern
- a minimum of 18 semester or 27 quarter units in the major or area of emphasis as determined by the community college district
- obtainment of a minimum grade point average (GPA) of 2.0
- earn a grade of "C" or better, (or "P") in all courses required for the major or area of emphasis

Learning Outcome(s):

- Demonstrate familiarity with the major concepts, theoretical perspectives, research methods, core empirical findings, career pathways, and historic trends in psychology.
- Understand the impact of diversity on psychological research, theory and application, including (but not limited to): age, race, ethnicity, culture, gender, socio-economic status, disability, and sexual orientation.
- Have an understanding of the relationship between biology and psychological processes as it relates to typical, atypical, and psychopathological behavior and mental processes.
- Be able to think critically and objectively, problem-solve, and employ the scientific method of inquiry to address psychological questions.
- Be able to conduct academic research, understand the logic of statistical methods, and determine the validity and relevance of the research literature.
- Be able to conduct descriptive and inferential statistics on data sets, understand the logic of hypothesis testing and apply this logic to the evaluation and interpretation of research data and findings.
- Have an understanding of the logic of hypothesis testing and apply this logic to the evaluation and interpretation of research data and findings
- Be able adequately distinguishing between primary and secondary sources and communicate in writing using the standards and conventions of the American Psychological Association.

Total: 20**Psychology: A.A. Degree**

Program Code: SAC.PSYC.AA

Program Control Number: 04247

The associate degree in psychology prepares students to move into a curriculum at a four-year institution leading to a baccalaureate degree for specialization in any of more than twenty branches of psychology including child, clinical, personal, vocational and marriage counseling, industrial, mental health, and college teaching. Completion of the two-year program is appropriate for students whose career plans include helping people, e.g., teaching, social welfare, probation, criminology, nursing, law, or personnel work. Consult a counselor for information about course requirements for specific universities.

Learning Outcome(s):

1. Demonstrate familiarity with the major concepts, theoretical perspectives, research methods, core empirical findings, career pathways, and historic trends in psychology.
2. Understand the impact of diversity on psychological research, theory and application, including (but not limited to): age, race, ethnicity, culture, gender, socio-economic status, disability, and sexual orientation.
3. Have an understanding of the relationship between biology and psychological processes as it relates to typical, atypical, and psychopathological behavior and mental processes.
4. Be able to think critically and objectively, problem-solve, and employ the scientific method of inquiry to address psychological questions.
5. Be able to conduct academic research, understand the logic of statistical methods, and determine the validity and relevance of the

research literature.

6. Be able to conduct descriptive and inferential statistics on data sets, understand the logic of hypothesis testing and apply this logic to the evaluation and interpretation of research data and findings.
7. Have an understanding of the logic of hypothesis testing and apply this logic to the evaluation and interpretation of research data and findings.
8. Be able adequately distinguishing between primary and secondary sources and communicate in writing using the standards and conventions of the American Psychological Association.

SCIENCE**Science Degree - Astronomy Emphasis: A.S. Degree**

Program Code: sac.sci.as

Program Control Number: 04264

The associate degree in science is designed to provide students with a foundation in science that will allow transfer to a four-year college or university to complete a baccalaureate science degree in disciplines such as astronomy, biology, biochemistry, chemistry, geology, geophysics, meteorology, oceanography, or physics.

For transfer with upper division standing, most four-year institutions require a minimum of one year of calculus and one year of general chemistry in addition to the courses required in the science major. Check with the Santiago Canyon College/Santa Ana College Transfer Center or counselor for specific transfer requirements.

Units used to satisfy the Santiago Canyon College/Santa Ana College general education requirements may also be used to satisfy the Science Degree requirements.

Learning Outcome(s):

- Students will understand the influence that the acquisition of scientific knowledge has on the development of the world's civilizations.

Required Core Courses

MATH 180	Single Variable Calculus I	Units: 9	4
	–or–		

MATH 180H	Honors Single Variable Calculus I	4
CHEM 219	General Chemistry ^B	5
	–or–	

CHEM 219H	Honors General Chemistry	5
-----------	--------------------------	---

^B Astronomy Emphasis students may substitute Physics 217 for Chemistry 219.

Required Courses - Astronomy Emphasis

ASTR 109	Introduction to the Solar System	Units: 11	3
ASTR 110	Introduction to Stars and Galaxies	3	
	–or–		

ASTR 110H	Honors Introduction to Stars and Galaxies	3
-----------	---	---

ASTR 140	Astronomy Laboratory	1
----------	----------------------	---

MATH 185	Single Variable Calculus II	4
----------	-----------------------------	---

Electives

A. Electives for any emphasis of the Science Degree must be selected from the following courses: Any course numbered 100 or higher in Astronomy, Biology, Chemistry, Earth Science, Environmental Studies, Geology, Physical

Science or Physics and Mathematics 185, 280.

C. Completion of Physics 217/227/237 and /or Mathematics 280 highly recommended.

Total: 26**Science Degree - Biology Emphasis: A.S. Degree**

Total: 26**SOCIOLOGY****Sociology: A.A.-T Degree for Transfer**

Program Code: SAC.SOC.AAT

Program Control Number: 30640

The Associate in Arts in Sociology for Transfer (A.A.-T) prepares students to move into a curriculum at a four-year institution, leading to a baccalaureate degree in sociology. Please consult a counselor regarding specific course requirements for your transfer institution. Completion of the AA-T degree also provides guaranteed admission to the CSU system, although does not guarantee admission to a specific campus or major. Upon completion of this degree, students will accurately apply key sociological concepts when assessing their own and other societies, and distinguish between personal/group opinions and scientific conclusions when analyzing and evaluating social issues. Students will be able to clearly communicate historical, social and cultural awareness in oral and written assignments, including an awareness of the variety and relative severity of social issues impacting people differently due to their particular place within the social structure.

Requirements

Student completion requirements for the associate degree for transfer:

1. 60 semester or 90 quarter CSU transferable units
2. the California State University General Education-Breadth pattern (CSU GE Breadth); OR the Intersegmental General Education Transfer Curriculum (IGETC) pattern
3. a minimum of 18 semester or 27 quarter units in the major or area of emphasis as determined by the community college district
4. obtainment of a minimum grade point average (GPA) of 2.0
5. earn a grade of "C" or better, (or "P") in all courses required for the major or area of emphasis

Learning Outcome(s):

1. Students will identify, contrast and apply the methods and theoretical perspectives in sociology utilized to explain social interaction and social structure, including the analysis of social problems.

Required Core Courses (10 - 10.5 units)**Units: 6**

SOC 100	Introduction to Sociology	3

Sociology: A.A. Degree

Program Code: SAC.SOC.AA

Program Control Number: 04260

The associate degree curriculum in sociology is an interdisciplinary social science program providing students an understanding of interpersonal behavior and social structure, a critical appreciation of contemporary social life, and a frame of reference for an analysis of human behavior. Completion of the associate in arts degree prepares students to move into a curriculum at a four-year institution leading to a baccalaureate degree.

Learning Outcome(s):

- Students will be able to identify, contrast and apply the methods and theoretical perspectives in sociology utilized to explain social interaction and social structure, including the analysis of social problems.

SPANISH**Spanish: A.A.-T Degree for Transfer**

Program Code: SAC.SPAN.AAT

Program Control Number: 32533

The Associate in Arts in Spanish for Transfer (A.A.-T in Spanish) prepares students to move into the CSU system leading to a baccalaureate degree in Spanish. Please consult a counselor regarding specific course requirements for your transfer institution. Completion of the AA-T in Spanish degree also provides guaranteed admission with junior status to the CSU system, although does not guarantee admission to a specific campus or major. Upon completion of the Associate in Arts in Spanish for Transfer (A.A.-T in Spanish), students will have demonstrated success in introductory courses in Spanish including speaking, listening, writing, and reading. This knowledge will be evidenced by a wider understanding of basic historical and cultural aspects of Spanish speaking countries. In addition, students will have the capacity to write and think in a critically analytical way about issues pertaining to the diverse manifestation of the Spanish language throughout the world.

Requirements

Student completion requirements for the associate degree for transfer:

- 60 semester or 90 quarter CSU transferable units
- the California State University General Education-Breadth pattern (CSU GE Breadth); OR the Intersegmental General Education Transfer Curriculum (IGETC) pattern
- a minimum of 18 semester or 27 quarter units in the major or area of emphasis as determined by the community college district
- obtainment of a minimum grade point average (GPA) of 2.0
- earn a grade of "C" or better, (or "P") in all courses required for the major or area of emphasis

Learning Outcome(s):

- In addition to transfer preparation, upon completion of this major students will be able to: Utilize the language for basic and advanced communication. Integrate grammatical structures in academic Spanish reading and writing. Understand the historical and cultural context of language development. Demonstrate knowledge of general social and economic factors affecting language development. Demonstrate familiarity with major contemporary dialectical diversity. Interpret literary historical periods and develop skills in literary analysis.

Required Courses:

	Units: 20
SPAN 101 Elementary Spanish I –or–	5
SPAN 101H Honors Elementary Spanish I –and–	5
SPAN 102 Elementary Spanish II –or–	5
SPAN 102H Honors Elementary Spanish II –and–	5
SPAN 201 Intermediate Spanish I –or–	5
SPAN 201H Honors Intermediate Spanish I –and–	5
SPAN 202 Intermediate Spanish II –or–	5
SPAN 202H Honors Intermediate Spanish II	5

NOTE: Students who come to SAC with credit for Spanish 101 and 102 (or 2 and 3 years of high school Spanish respectively) must take the equivalent of 10 units from the following list of possible substitution courses, including another language at the 101 or 102 level.

Substitution Courses:

ANTH 100 Introduction to Cultural Anthropology –or–	3
ANTH 100H Honors Introduction to Cultural Anthropology –or–	3

ANTH 104	Language and Culture	3

SPEECH-LANGUAGE THERAPY ASSISTANT**Speech-Language Pathology Assistant: A.S. Degree**

Program Code: SAC.SLPA.AS

Program Control Number: 12242

The Speech-Language Pathology Assistant Program is designed to prepare students for employment assisting speech-language pathologists working with communicatively disordered children and adults. Students will be trained to administer treatment as prescribed by the speechlanguage pathologist, conduct screenings for speech-language and hearing disorders, and to provide general support assistance to the speechlanguage pathologist. The Associate of Science program offers an intensive course of study in the area of speech and language disorders, including supervised treatment and field experience in a variety of settings such as educational, clinical, and/or medical.

Further, there is a high probability that students will be required to complete immunizations, fingerprinting and/or have a drug test and criminal background check (at the student's expense). Problems with fingerprinting and background checks could result in a delay of placement or failure of program completion.

Upon completion of the A.S. Degree program, the graduate is eligible for registration as a Speech-Language Pathology Assistant by the Department of Consumer Affairs, Speech-Language Pathology & Audiology & Hearing Aid Dispensers Board. Prior to obtaining employment, students who have completed all A.S. degree requirements will need to apply for registration to practice in the State of California through the Department of Consumer Affairs, Speech-Language Pathology & Audiology & Hearing Aid Dispensers Board, 1601 Response Road, Suite 260, Sacramento, CA 95815, phone number 916-287-7915. When applying for registration with the California board, applicants will be asked to answer questions regarding prior felony arrests and convictions. In addition, applicants must submit fingerprints for a Department of Justice and Federal Bureau of Investigation background check, to be done at the applicant's expense, and possess a valid social security number. For information about limitations based on criminal history, applicants are advised to call the Board directly anytime prior to the application process. Registration application and complete information on necessary documents can be obtained through the Department of Consumer Affairs, Speech-Language Pathology & Audiology & Hearing Aid Dispensers Board website at www.speechandhearing.ca.gov.

Major requirements for the associate degree:

All A.S. degree requirements must be completed with a grade of C or better at the conclusion of the program.

Learning Outcome(s):

1. Students will be prepared for employment as Speech-Language Pathology Assistants.
2. Students will meet the State of California registration requirements for Speech-Language Pathology Assistant.

Course	Units: 38.5
SLPA 118 Introduction to Speech-Language Pathology Assisting	1

To complete the A.S. degree requirements, students need to fulfill the requirements for the Math and Reading proficiencies, American Institutions, Communication and Analytical Thinking, and Lifelong Understanding and Self-Development from Section F2.

Total: 61.5

THEATRE ARTS

Theatre Arts: A.A.-T Degree for Transfer

Program Code: SAC.TAPER.AAT

Program Control Number: 31137

The Associate in Arts in Theatre Arts for Transfer (AA-T) prepares students to move into a curriculum at a four-year institution leading to a baccalaureate degree in theatre arts which can lead to careers in teaching, design, technical theatre, theatre management, professional performance, stage direction, stage management, and related areas. Please consult a counselor regarding specific course requirements for your transfer institution. Completion of the AA-T degree also provides guaranteed admission to the CSU system, although does not guarantee admission to a specific campus or major. Upon completion of the AA-T in Theatre Arts, students will understand and be able to demonstrate the fundamental performance and technical production processes for Theatre Arts, demonstrate knowledge of the historical and cultural dimensions of theatre, and understand the interaction between script, actor, and audience and the areas of scenery, lighting, sound, and costume.

Requirements

1. Student completion requirements for the associate degree for transfer:
2. 60 semester or 90 quarter CSU transferable units
3. The California State University General Education-Breadth pattern (CSU GE Breadth); OR the Intersegmental General Education Transfer Curriculum (IGETC) pattern
4. A minimum of 18 semester or 27 quarter units in the major or area of emphasis as determined by the community college district
5. Obtainment of a minimum grade point average (GPA) of 2.0
6. Earn a grade of "C" or better, (or "P") in all courses required for the major or area of emphasis

Learning Outcome(s):

1. Pass the audition or interview process in the areas of performance or technical theatre and be placed at the junior level upon transfer to California State University Fullerton, California State University Long Beach, or other four-year institutions.
2. Participate in the creation and presentation of public performances of theatre to gain an understanding of the processes and collaborative nature of the art form.
3. Develop an understanding of the interaction between script, actor, audience, and the areas of scenery, lighting, sound, and costuming.

Required Core Courses

THEA 100	Introduction to Theatre	3	Units: 6
	–or–		
THEA 105	Theatre History 1	3	
THEA 110	Acting Fundamentals	3	
Select 3 units from (3)			Units: 3
THEA 150A	Rehearsal and Performance in Production	2	
THEA 151	Showcase I	3	
THEA 152	Tour Ensemble	3

	–or–		
FDM 136	Fundamentals of Costume Design	3	
THEA 132	Stage Makeup	3	
THEA 131	Stagecraft	3	

For List A, three units may be selected from the following core courses if not already used:

THEA 150A, THEA 151, THEA 152, THEA 154, THEA 155, THEA 135, THEA 150B

Total: 18

Theatre Arts - Technical Theatre: A.A. Degree

Program Code: SAC.TATEC.AA

Program Control Number: 04221

The Associates in Arts in Technical Theatre degree provides a fundamental exploration of the art of technical theater focusing on the technical elements that support performers and enhance performances. It is designed to prepare the student for a professional career as a stage technician, lighting technician, sound technician, master electrician, scenic carpenter, stage manager, and other related positions. This degree provides a flexible and diverse study plan in comparison to the associate of arts for transfer degree. Please consult a SAC counselor for information about course requirements for four-year institutions.

Learning Outcome(s):

1. Use practical skills required in the professional technical theater arena.
2. Apply the artistic concepts of theatrical design as they relate to specified play scripts.
3. Demonstrate experience in the creation and presentation of public performances of theater using the technologies appropriate for stage performances.

Required Courses

THEA 123	Introduction to Drama and Acting	3
	–or–	
THEA 105	Theatre History 1	3
	–or–	
THEA 120	Musical Theatre History	3
THEA 110	Acting Fundamentals	3
THEA 131	Stagecraft	3

THEA 165	Intermediate Stage Lighting	3
THEA 166	Fundamentals of Programming	3
THEA 167	Automated Lighting Instruments	3
THEA 169	Work Experience - Theatre	1-4

Units: 9-13**Total: 20-24****Theatre Arts - Theatre Performance: A.A. Degree**

Program Code: SAC.TAPER.AA

Program Control Number: 04220

The Associates in Arts in Theatre Performance degree provides a fundamental exploration of the art of theater focusing on performance styles and acting techniques. It is designed to prepare the student for a performance career in stage, digital television, and film, as well as other occupations where voice training, dynamic presentations, and adaptability are important. This degree provides a flexible and diverse study plan in comparison to the associate in arts for transfer degree. Please consult a SAC counselor for information about course requirements for fouryear institutions.

Learning Outcome(s):

1. Demonstrate experience in performing characters in live stage productions.
2. Define the interaction between script, actor, and audience and the areas of scenic, lighting, sound, and costume design.
3. Analyze the historical and cultural dimensions of theater including the works of playwrights, actors, directors, and designers.

Required Courses

THEA 123	Introduction to Drama and Acting	3
	–or–	
THEA 105	Theatre History 1	3
	–or–	
THEA 120	Musical Theatre History	3

THEA 255	Motion Picture Performance Production	3

Total: 23-28**Costume Design and Technology: Certificate of Achievement (Transcripted)**

Program Code: SAC.TACD.CA

Program Control Number: 42733

This certificate is designed to prepare students for entry level costume careers within the entertainment industry such as television, film, theme parks, theaters, and varied performance venues. Emphasis is placed on developing fundamental costume design skill sets and the processes and procedures utilized in the entertainment industry for costuming performers.

Learning Outcome(s):

1. Demonstrate an understanding of the relationship between costumes, the script, and the actor.
2. Apply costume design principles to characterizations for a specific script.
3. Develop the fundamental skills to visualize, pattern, construct, and fit performers with custom and prefabricated costumes for live and recorded productions.

Required Courses

THEA 136	Fundamentals of Costume Design	3
	–or–	
FDM 136	Fundamentals of Costume Design	3
THEA 132	Stage Makeup	3
THEA 150B	Technical Theatre in Production	2
	–or–	
THEA 135	Technical Production	2
FDM 105A	Beginning Sewing	3
FDM 109	Flat Pattern Techniques	3.5

Total: 14.5**Lighting Design and Technology: Certificate of Achievement (Transcripted)**

Program Code: SAC.TALDT.CA

Program Control Number: 16538

The Lighting Design and Technology program provides training in emerging technologies for entertainment lighting. The program focuses on the study of industry practices, contemporary computer applications, visualization, virtualization, and project management. Students will become proficient in the utilization of entertainment technologies commonly used in concerts, dance performances, theater, theme parks, sports arenas, houses of worship, industrial settings, and digital cinema and television.

Learning Outcome(s):

1. Demonstrate an understanding of the relationship between lighting design, the script, and the actor.
2. Apply lighting design principles to the given circumstances and characters for a specific script.
3. Design, implement, and operate a lighting schematic for public performances of theater and dance using the technologies appropriate for live and recorded productions.

Required Courses

THEA 131	Stagecraft	3
THEA 133	Lighting Fundamentals	3

WELDING

Welding Technology: A.S. Degree

Program Code: SAC.WELD.AS

Program Control Number: 04214

In addition to the general education requirements, the associate degree and certificate curriculum in welding technology is designed to provide comprehensive occupational training in all common types of welding methods relating to the needs of today's welding fabrication industry. The program provides students with the practical skills and technical knowledge required to operate Oxy-Fuel cutting equipment, Shielded Metal Arc Welding (SMAW), Flux Core Arc Welding (FCAW), Gas Tungsten Arc Welding (GTAW), and Gas Metal Arc Welding (GMAW). In addition, students will be prepared for certification as required by employment in the welding industry. Employment opportunities available are Welder, Welder Technician, Inspector, Maintenance Welder, Pipe Welder, and Shipbuilder. The Santa Ana College Welding Program is a Los Angeles Certified Testing Lab Facility. The program offers training and testing for the following certifications: SMAW, FCAW, GTAW, and GMAW.

Learning Outcome(s):

1. Demonstrate advanced knowledge in welding processes that apply to the welding industry.
2. Apply welding theory to ensure proper application of welding practices.
3. Identify welding blueprints and symbols.

Required Courses

WELD 101 Introduction to Welding	3	
WELD 125 Intermediate Electric Arc Welding	3	
WELD 132 Introduction to Gas Tungsten Arc Welding	1.5	
WELD 153 Math/Blueprint Reading for Welders	3	
WELD 177 Welding Metallurgy	3	
–or–		
MNFG 128 Basic Metals Technology	3	
WELD 181 Pipe Welding Fundamentals	3	
WELD 225 Advanced Electric Arc Welding	3	
WELD 240 Structural Welding SMAW	3	
WELD 244 Welding Certification D1.1 Code Clinic	2	
Elective Course	Units: 3	
WELD 182 Intermediate Pipe Welding	3	
–or–		
WELD 282 Advanced Pipe Welding	3	
–or–		
WELD 232 Advanced Gas Tungsten Arc Welding	3	
–or–		
WELD 242 Structural Welding FCAW	3	
Total:	27.5	

Alternative Welding Processes: Certificate of Achievement (Transcripted)

Program Code: SAC.WELAW.CA

Program Control Number: 33958

The certificate curriculum in welding technology is designed to provide advanced occupational training in automated robotic welding and laser welding. The program provides students with training in safety, set up, programming and operation in robotic and laser systems. These classes are designed to meet both current and future needs in the alternative welding process industry. The certificate program trains students in the fundamentals of robot programming and language. Laser welding includes the development and documentation of procedures and qualification of welds, and the calibration of equipment for welding.

Learning Outcome(s):

1. Apply proper industry safety standards to robotic and laser welders.
2. Create procedures and program robotic pendant
3. Demonstrate how to set up and program laser welding equipment.

Program Requirements

WELD 101 Introduction to Welding	3	
WELD 125 Intermediate Electric Arc Welding	3	
MNFG 120 Introduction to Medical Device Quality	2	
WELD 256 Alternative Welding Processes	3	
Total:	11	

Gas Tungsten Arc Welding: Certificate of Achievement (Transcripted)

Program Code: SAC.WELGT.CA

Program Control Number: 42840

The certificate curriculum in welding technology is designed to provide occupational training in GAS Tungsten Arc Welding (GTAW). These classes are designed to meet both current and future needs in the GTAW industry. The program provides students with the practical skills and technical knowledge required to operate GTAW equipment. Students will be prepared for certification as required by employment in the GTAW industry. Employment opportunities available are Pipe Welder, Boilermaker, Fabricator, Aerospace Welder, Inspector, and Shipbuilder. The Santa Ana College welding program is a Los Angeles Certified Testing Lab Facility. The program offers training and testing for the GTAW process.

Learning Outcome(s):

1. Recognize electrodes, filler metals, and gases used in GTAW.
2. Demonstrate sound welds in the various positions using various gauge thicknesses.
3. Construct welds on carbon steel, stainless steel and Aluminum alloys.

Required Classes

WELD 101 Introduction to Welding	3	
–and–		
WELD 132 Introduction to Gas Tungsten Arc Welding	1.5	
–and–		
WELD 153 Math/Blueprint Reading for Welders	3	
–and–		
WELD 232 Advanced Gas Tungsten Arc Welding	3	
Total:	10.5	

Welding Technology Certificate: Certificate of Achievement (Transcripted)

Program Code: SAC.WELD.CA

Program Control Number: 19448

The certificate curriculum in welding technology is designed to provide comprehensive occupational training in all common types of welding methods relating to the needs of today's welding fabrication industry. The program provides students with the practical skills and technical knowledge required to operate Oxy-Fuel cutting equipment, Shielded Metal Arc Welding (SMAW), Flux Core Arc Welding (FCAW), Gas Tungsten Arc Welding (GTAW), and Gas Metal Arc Welding (GMAW). In addition, students will be prepared for certification as required by employment in the welding industry. Employment opportunities available are Welder, Welder Technician, Inspector, Maintenance Welder, Pipe Welder, and Shipbuilder. The Santa Ana College Welding Program is a Los Angeles Certified Testing Lab Facility. The program offers training and testing for the following certifications: SMAW, FCAW, GTAW, and GMAW.

Learning Outcome(s):

1. Demonstrate knowledge in welding processes that apply to the welding industry.
2. Apply welding theory to ensure proper welding practices.
3. Demonstrate weldments in out of position welds.

Course	Units: 20
WELD 101 Introduction to Welding	3
WELD 125 Intermediate Electric Arc Welding	3
WELD 225 Advanced Electric Arc Welding	3
WELD 153 Math/Blueprint Reading for Welders	3
WELD 240 Structural Welding SMAW/FCAW	3
WELD 181 Pipe Welding Fundamentals	3
WELD 244 Welding Certification D1.1 Code Clinic	2

Total: 20

Welding Technology - Pipe Welding: Certificate of Achievement (Transcripted)

Program Code: SAC.WELAP.CA

Program Control Number: 41683

The certificate curriculum in welding technology is designed to provide occupational training in pipe welding. These classes are designed to meet both current and future needs in the pipe welding industry. The program provides students with the practical skills and technical knowledge required to operate Oxy-Fuel cutting equipment, Shielded Metal Arc Welding (SMAW), and semi-automatic welding processes.

Students will be prepared for certification as required by employment in the pipe welding industry. Employment opportunities available are Pipe Welder, Boilermaker, Inspector, and Shipbuilder. The Santa Ana College welding program is a Los Angeles Certified Testing Lab Facility. The program offers training and testing for the following certifications: SMAW, FCAW, GTAW, GMAW for Pipe.

Learning Outcome(s):

1. Recognize electrodes used in pipe welding.
2. Demonstrate sound welds in the various positions of pipe welding.
3. Construct a complete open root pipe weldment in the 6G position.

Course	Units: 12
WELD 101 Introduction to Welding	3
WELD 181 Pipe Welding Fundamentals	3
WELD 182 Intermediate Pipe Welding	3
WELD 282 Advanced Pipe Welding	3

Total: 12

Welding Technology - Structural Steel: Certificate of Achievement (Transcripted)

Program Code: SAC.WELSS.CA

Program Control Number: 32538

The certificate curriculum in welding technology is designed to provide comprehensive occupational training in structural steel certification, relating to the needs of today's welding fabrication and construction industry. The program provides students with the practical skills and technical knowledge required to operate Oxy-Fuel cutting equipment, Shielded Metal Arc Welding (SMAW), Flux Core Arc Welding (FCAW), Gas Tungsten Arc Welding (GTAW), and Gas Metal Arc Welding (GMAW).

In addition, students will be prepared for certification as required by employment in the welding industry. Employment opportunities available are Welder, Welder Technician, Inspector, Maintenance Welder, Pipe Welder, and Shipbuilder. The Santa Ana College Welding Program is a Los Angeles Certified Testing Lab Facility. The program offers training and testing for the following certifications: SMAW, FCAW, GTAW, and GMAW.

Learning Outcome(s):

1. Create structural fillet and groove welds.
2. Identify common electrodes used in electric arc welding.
3. Demonstrate correct machine setup for the major processes used in electric arc welding.

WELD 101 Introduction to Welding	3
WELD 125 Intermediate Electric Arc Welding	3
WELD 225 Advanced Electric Arc Welding	3
WELD 240 Structural Welding SMAW/FCAW	3

Total: 12

WOMEN'S STUDIES

Women's Studies: A.A. Degree

Program Code: sac.wmns.aa

Program Control Number: 04253

The associate degree curriculum in women's studies is a liberal arts major which is designed to meet the following needs:

To help women develop a perspective pertaining to their own self-interest and relate those views to social and cultural factors such as economic necessity, political participation, historical patterns, and ethics;

To develop their self-awareness in relation to others;

To develop skills of communication and analysis;

To prepare for transfer to four-year colleges and schools of professional training;

To enrich women's knowledge of their culture and the rapid developments that are taking place within it.

Learning Outcome(s):

1. Students will be able to utilize a feminist theoretical analysis of social interactions and social structures, explaining the formation, maintenance, and change of socio-cultural identities.

Required Core Courses:

	Units: 18
WMNS 101 Introduction to Women's Studies	3
WMNS 102 Women in America: Work, Family, Self	3
ENGL 278 Survey of Literature by Women	3
KNHE 102 Women's Health Issues	3
IDS 155 Human Sexuality	3
HIST 127 Women in U.S. History	3

Recommended Electives

CNSL 116 Career/Life Planning and Personal Exploration	3
HIST 181 Survey of Chicana/Latina Women's History	3
PHIL 108 Ethics	3
PSYC 140 Introduction to Psychology of Adulthood and Aging	3
SOC 112 Relationships, Marriages, and Family Dynamics	3

Total: 18

Announcement of Courses

Each course is designated by a number. A descriptive title and the units allowed for the course follow the course number. Courses numbered 100 and above are university parallel courses and are offered for transfer to colleges and universities. See page 40 Transferability of Courses. Courses numbered 100 and above followed by the letter "H" are university parallel courses for transfer to colleges and universities and are offered as part of the Santa Ana College Honors Program. Students enrolling in these courses must meet the designated prerequisites.

All courses numbered 100 or above will transfer to all CALIFORNIA STATE UNIVERSITY campuses. These are indicated in the catalog by a "CSU" at the end of the course description.

Courses which are transferable to all UNIVERSITY OF CALIFORNIA campuses are indicated in the catalog by a "UC" at the end of the course description. Some of the courses that are transferable to the University of California have credit limitations. See to determine these limitations for each academic year. Courses must be UC transferable in the academic year they were completed in order to earn UC transferable credit.

Courses numbered less than 100 are not designed for transfer. Since these courses are not ordinarily offered in the universities and four-year colleges, they are not always applicable to the requirements for the bachelor of arts or bachelor of science degrees; however, courses numbered below 100 are applicable to the associate degree unless preceded by the letter "N". Courses numbered less than 100 preceded by the letter "N" are not applicable to the associate degree and do not count toward graduation but do count toward course load. Required sequences and frequency of course offerings as well as length of time required to obtain a degree or certificate can be found on the college website at .

ACCOUNTING (ACCT)

Accounting 010

Accounting Procedures

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course introduces the students to the accounting cycle including journal entries, general ledger, the adjustment process, and the related financial statements. The course is designed to prepare students for Accounting 101 and/or occupations in bookkeeping.

Accounting 032

Payroll Accounting

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

This course covers accounting for payroll and worker's compensation. Calculation of payroll, payroll taxes, and the related forms and deposit requirements are covered.

Accounting 101 (C-ID ACCT 110)

Financial Accounting

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

The study of accounting as an information system, examining why it is important, and how it is used by investors and creditors to make decisions.

Coverage includes the accounting information system and the recording and reporting of business transactions with a focus on the accounting cycle, the application of generally accepted accounting principles, the classified financial statements, and statement analysis. It also includes issues relating to asset, liability, and equity valuation, revenue and expense recognition, cash flow, internal controls and ethics.

CSU/UC

Accounting 102 (C-ID ACCT 120)

Managerial Accounting

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Prerequisite: Accounting 101 with a minimum grade of C.

Study of the use and reporting of accounting data for managerial planning, cost control, and decision making purposes. The course includes broad coverage of concepts, classifications, and behaviors of costs. Topics include cost systems, the analysis and use of cost information, cost-volume-profit analysis, contribution margin, profit planning, standard costs, relevant costs, and capital budgeting.

CSU/UC

Accounting 104

Federal and California Taxes

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Learn how to prepare federal and California state income tax returns for the individual. Learn tax theory and rules behind the Form 1040 and the most common IRS Schedules, such as Schedules A, B, C, D, E, and common income adjustments and tax credits. This course is CTEC qualified. This course may be repeatable as continuing education for professional certification.

CSU

Accounting 106

Work Experience - Accounting

Formerly: Cooperative Work Experience Education - Occupational

Unit(s): 1.0 - 4.0 Class Hours: 54.00-216.00 Lecture total.

This work experience course of supervised employment is designed to assist students to acquire desirable work habits, attitudes and skills in a field related to the students' major so as to enable them to become productive employees. This course also provides students with career awareness for jobs. 54 hours of paid work equals one unit of course credit. Student repetition is allowed per Title 5, section 55253. Students may earn a maximum of 14 units of credit for work experience. Grade: Pass/No Pass Only. Open Entry/Open Exit.

CSU

Accounting 108

Tax Practices and Procedures

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

The course covers various special topics in tax, including specialized returns and taxpayers; practices, procedures and representation before the IRS and completion of the tax filing process. This course may be repeatable as continuing education for professional certification.

CSU

Accounting 113

Intermediate Income Taxes - Corporations

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

This course covers income tax theory, concepts and regulations relating to corporations. The course includes the federal and California tax systems and income taxation relating to Corporations as well as basic tax research and ethical implications. This course includes coverage of both C Corporations and S Corporations.

CSU

Accounting 114

Intermediate Income Taxes - Partnership and LLCs

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

This course covers income tax theory, concepts, and regulations relating to partnerships. The course includes the federal and California tax systems and income taxation relating to partnerships and other forms of business such as LLCs as well as basic tax research and ethical implications.

CSU

Accounting 120

Quickbooks Online

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

This course will instruct students on using QuickBooks Online software in the business environment for the preparation of accounting information. The course will cover accounting theory and practical knowledge of QuickBooks Online on topics that include company file setup, customizing QuickBooks, recording customer and vendor transactions, bank reconciliations, creation of accounting reports, customization, inventory management, time and billing, payroll setup, payroll processing, estimates and adjustments, and year-end procedures. This course will assist in preparing students for the QuickBooks Online Certified User exam.

CSU

Accounting 124

Computerized Income Tax Preparation

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

This course provides a student with practical knowledge of Federal income tax preparation and the income tax formula using commercial tax software.

CSU

Accounting 125

Volunteer Income Tax Assistance (VITA) I

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Recommended Preparation: Accounting 104 with a minimum grade of C.

This course will cover Federal and California individual income tax theories and laws to prepare students to successfully pass the IRS-provided online Basic, Advanced, and additional tax exams and be eligible to volunteer in the IRS-sponsored Volunteer Income Tax Assistance (VITA) program. The successful completion of the course and passing the exams will prepare students to work as an intern or volunteer at a VITA site to prepare tax returns and have face-to-face interaction with taxpayers.

CSU

Accounting 126 Work Experience - VITA

Unit(s): 1.0 - 4.0 Class Hours: 54.00-216.00 Lecture total.

This work experience course of supervised employment is designed to assist students that are participating in the Volunteer Income Tax Assistance (VITA) Program to acquire desirable work habits, attitudes and skills in a field related to the students' major so as to enable them to become productive employees. This course also provides students with career awareness for jobs. 54 hours of paid work equals one unit of course credit. Student repetition is allowed per Title 5, section 55253. Students may earn a maximum of 14 units of credit for work experience. Grade: Pass/No Pass Only. Open Entry/Open Exit.
CSU

Accounting 198 Topics

Unit(s): 1.0 - 4.0 Class Hours: 18.00-72.00 Lecture total.

Courses on a variety of contemporary topics will be offered to meet the interests and needs of students in Accounting.
CSU

Accounting 204 Managerial Cost Accounting

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Accounting 102 with a minimum grade of C.
Study of cost behavior, cost accounting, and cost control; the use of accounting information for management planning and decision making; cost systems, budgeting, and financial performance analysis.
CSU

Accounting 205 Intermediate Accounting I

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Accounting 102 with a minimum grade of C.
An intermediate study of accounting theory and the conceptual framework; preparation of income statements and comprehensive income, balance sheets and statements of cash flows. Coverage includes present value; and accounting concepts related to the asset side of the balance sheet.
CSU

Accounting 206 Intermediate Accounting II

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Accounting 205 with a minimum grade of C.
Second course in intermediate series in financial accounting that covers current and long-term liabilities, income taxes, pensions and post-retirement benefits, leases, stockholders' equity, earnings per share, and statement of cash flows. In addition, changes and/or in accounting methods, accounting estimates, or reporting entity are analyzed. Disclosure issues in financial statements are also addressed.
CSU

Accounting 210 Accounting Information Systems

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Accounting 101 with a minimum grade of C.
Introductory course to accounting information systems that applies accounting principles using database and spreadsheet software. Designed to develop employable accounting analysis skills; evaluate and compare commercial software; analyze financial statements and understand role of internal controls.
CSU

Accounting 211 Auditing

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Accounting 102 with a minimum grade of C.
This course examines the use of financial statement audits and details the audit process. Topics include professional responsibilities of auditors, audit design, sampling approaches, substantive testing, testing controls, and audit report formulation and communication.
CSU

Accounting 212 Accountants' Ethics and Responsibilities

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Focuses on the foundations of ethics & the professional responsibilities of accountants & CPAs; including ethical behavior and responding to ethical dilemmas. Topical content will include relevant professional, ethical standards and regulations, as well as research and practice concerning challenging ethical situations. The course will focus on the discussion of ethical cases and study of professional ethical standards set forth by both the AICPA and California State Board of Accountancy.
CSU

AMERICAN SIGN LANGUAGE (ASL)

American Sign Language 110 American Sign Language I

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

This entry level course is designed to introduce students to American Sign Language (ASL) and fingerspelling as it is used within American Deaf culture. Instruction includes preparation for visual/gestural communication followed by intensive work on comprehension through receptive language skills, development of basic conversational skills, modeling of grammatical structures, and general information about American Deaf culture. ASL 110 is equivalent to two years of high school ASL. Students are required to attend at least one off-campus event.
CSU/UC

American Sign Language 110H Honors American Sign Language I

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Prerequisite: A college GPA or high school GPA for first term college students of 3.0 or higher.
This honors course is designed to introduce students to American Sign Language (ASL) and fingerspelling as it is used within American Deaf culture. Instruction includes enhanced and intensive preparation for visual/gestural communication followed by intensive work on comprehension through receptive language skills, development of basic conversational skills, modeling of grammatical structures, and enriched general information about American Deaf culture. Students may be required to attend at least one off-campus event.
CSU

American Sign Language 111 American Sign Language II

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Prerequisite: American Sign Language 110 with a minimum grade of C.
The second course in the study of American Sign Language (ASL) focuses on increased vocabulary development, intermediate comprehension and conversational skills, application of grammatical structures and practice in the receptive and expressive aspects of ASL, as well as appreciation of American Deaf culture, and history. Students are required to attend at least one off campus event.
CSU/UC

American Sign Language 111H Honors American Sign Language II

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Prerequisite: A college GPA or high school GPA for first term college students of 3.0 or higher. American Sign Language 110 with a minimum grade of C.

The second course in the study of American Sign Language (ASL) focuses on increased vocabulary development, intermediate comprehension and conversational skills, application of grammatical structures and practice in the receptive and expressive aspects of ASL, as well as appreciation of American Deaf culture, and history. Students are required to attend at least one off campus event.

CSU

American Sign Language 112 Deaf Culture

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course will cover basic information and research on Deaf culture, Deaf children and their upbringing, Deaf education, the importance of American Sign Language to the Deaf community, Deaf societies around the world and technological advances/usage of people who are deaf or hard of hearing. Focus will be on research and progress within the Deaf culture.

CSU/UC

American Sign Language 113 Introduction to Interpreting for the Deaf

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: American Sign Language 111 with a minimum grade of C.

This course is designed to provide students with the historical and theoretical knowledge of the interpreting profession. Topics include: The history of ASL- English interpreting in the United States, roles and responsibilities of an interpreter, the Code of Ethics, relevant organizations, interpreter skills and competencies, overview of various settings, terminology, the interaction of American Deaf and Hearing cultures, business practices, and systems of evaluation and certification. Students may be required to attend two events outside of class.

CSU

American Sign Language 114 Classifiers, Fingerspelling, and Numbering

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: American Sign Language 210 with a minimum grade of C.

This course is designed to provide specialized instruction in the continued development of skills and application of expanded conceptualization of American Sign Language (ASL) classifiers, fingerspelling, and numbering concepts and further exploration and understanding of American Deaf culture. Expressive and receptive techniques will be emphasized. Students are required to attend one off campus event.

CSU

American Sign Language 116 Introduction to Deaf Studies

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This is an introductory course exploring the cultural, educational, linguistic, sociological, psychological, and audiological experiences of people who are deaf, hard of hearing, deaf/blind, and late-deafened in America. Students will be exposed to historical and current perspectives in trends, philosophies, ideologies, and the Deaf community as a subculture of American society.

CSU/UC

American Sign Language 210 American Sign Language III

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Prerequisite: American Sign Language 111 with a minimum grade of C.

The third course in the study of American Sign Language (ASL) emphasizes advanced ASL syntax, non-manual markers, vocabulary, and fingerspelling enabling students to participate in more complex conversations with Deaf community members. Students will have emphasis on expressive skills in narrative form. Students are required to attend at least one off campus event.

CSU/UC

American Sign Language 210H Honors American Sign Language III

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Prerequisite: A college GPA or high school GPA for first term college students of 3.0 or higher. American Sign Language 111 with a minimum grade of C.

The third course in the study of American Sign Language (ASL) emphasizes advanced ASL syntax, non-manual markers, vocabulary, and fingerspelling enabling students to participate in more complex conversations with Deaf community members. Students will have emphasis on expressive skills in narrative form. Students are required to attend at least one off campus event.

CSU

American Sign Language 211 American Sign Language IV

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Prerequisite: American Sign Language 210 with a minimum grade of C.

This course continues the study and development of American Sign Language (ASL) receptive and expressive linguistic competence. Emphasis on production/conversational skills in ASL, along with continued focus on grammatical and cultural features. Students are required to attend at least one off campus event.

CSU/UC

American Sign Language 223 Beginning Interpreting and Ethics 2

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: American Sign Language 113 with a minimum grade of C.

In this course, students will continue to develop theoretical foundations, cognitive skills, and technical skills needed to begin interpreting for deaf and hard of hearing children and adults, from English to ASL, and ASL to English. This course focuses on comprehension, memory, acuity and discrimination, immediate repetition, delayed repetition, word-level pattern inference, phrase-level pattern inference, multitasking, fingerspelled word recognition, and comprehension of numbers, in both ASL and English. The roles, responsibilities, and ethics of interpreters providing interpreting services in various professional settings will be examined. Students may be required to complete assignments off campus.

CSU

ANTHROPOLOGY (ANTH)

Anthropology 100 (C-ID ANTH 120) Introduction to Cultural Anthropology

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

A cross-cultural survey of the major areas of cultural anthropology including subsistence patterns, economic and political systems, family and kinship, religion, and cultural change. Also includes contemporary issues facing humankind such as the environment, resource depletion, ethnic conflict, globalization, and warfare. Emphasis is on understanding cultural diversity and cultural universals. Field trips may be required.

CSU/UC

Anthropology 100H (C-ID ANTH 120)
Honors Introduction to Cultural Anthropology

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: A high school or college GPA of 3.0 or above.

Seminar style, content enriched for honors students, to provide a critical and extensive exploration of the major areas of cultural anthropology. Includes contemporary issues such as globalization, gender, and ethnic conflict. Field trips may be required.

CSU/UC

Anthropology 101 (C-ID C-ID ANTH 110)
Introduction to Biological Anthropology

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An introduction to humankind's place in nature including evolutionary theory, principles of genetics, primate evolution and behavior, fossil evidence for human evolution, human biology and variation, growth and adaptability, and biomedical anthropology. Includes practical application of biological anthropology to human problems.

CSU/UC

Anthropology 101L (C-ID ANTH 115 L)
Biological Anthropology Laboratory

Unit(s): 1.0 Class Hours: 54.00 Laboratory total.

Prerequisite: Anthropology 101 with a minimum grade of C or concurrent enrollment in Anthropology 101.

Laboratory exercises and experiments designed to explore and understand the primary areas of physical anthropology: evolutionary theory, principles of genetics, comparative anatomy, physiology, behavior and ecology of vertebrates with an emphasis on nonhuman primates, analysis of fossil evidence for human evolution, human biology and variation, growth and adaptability, and biomedical anthropology. Includes both traditional and virtual laboratory experiences.

CSU/UC

Anthropology 103 (C-ID ANTH 150)
Introduction to Archaeology

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This is a survey course in world archaeology. Methods of archaeological survey and excavation will be discussed as well as past and current concepts and theories. Material remains such as lithics, bone, ceramics and ecofacts will be discussed as to how they can be interpreted into social, political, economic, religious, and ethnic terms.

CSU/UC

Anthropology 104 (C-ID ANTH 130)
Language and Culture

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

General introduction to the processes of human communication, emphasizing coextensive aspects of language and culture. Surveys core areas of linguistic anthropology: structural linguistics; biological basis of language; and sociolinguistics. Topics include acquisition of first and second languages, languages in contact, and the effects of both language and culture on inter/intra group communication. Languages spoken in the local area are used as basis of study. (Same as English 104).

CSU/UC

Anthropology 104H (C-ID ANTH 130)
Honors Language and Culture

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: A high school or college GPA of 3.0 or above.

General introduction to the processes of human communication, emphasizing coextensive aspects of language and culture. Surveys core areas of linguistic anthropology: structural linguistics, biological basis of language, and sociolinguistics. Topics include acquisition of first and second languages, languages in contact, and the effects of both language and culture on inter/intra group communication. Languages spoken in the local area are used as basis of study. Requires individual research and oral presentation of readings in a seminar setting. (Same as English 104H).

CSU/UC

Anthropology 105
Ancient Mesoamerican Civilization

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An archeological and ethnohistorical survey of the origin and development of pre-Columbian civilizations in ancient Mesoamerica from Paleo-Indian times to the Spanish conquest. (Same as History 105).

CSU/UC

Anthropology 108
Religion, Magic, and Witchcraft

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An introduction to the anthropology of religion, magic, and witchcraft. A cross cultural study focusing on the beliefs and practices of early, non-western, and traditional religious systems with emphasis on the forms, functions, structures, symbolism, history, and evolution.

CSU/UC

Anthropology 125
Native Americans in the U.S.

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An historical and contemporary survey of Native Americans in the United States including the development of tribes and nations and the cultural practices of Native Americans today. Field trips may be required. (Same as History 125).

CSU/UC

ANTH 199
Independent Study

Unit(s): 1.000 Class Hours: 18.00 Lecture, 18.00 Lab total.

Prerequisite: Successful completion, with a C or better, of at least one ANTH course and approval of Independent Study Contract by Anthropology Department Chair

Corequisite: Concurrent enrollment in: at least one other course in the Rancho Santiago Community College District.

Under faculty direction, students can increase their knowledge in specific areas of anthropology through directed field experience, research, readings and independent study. Students can also develop laboratory skills and competencies. Division approval required.

CSU

ART (ART)

Art 009
Art Lab

Unit(s): 0.5 Class Hours: 27.00 Laboratory total.

An open lab for studio art students for the purpose of devoting additional hours outside of class time on projects. Projects, determined by class assignments, vary by semester. Twenty-four lab hours per semester earn .5 unit. May be repeated. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Art 019
Mural Art Lab

Unit(s): 0.5 - 2.0 Class Hours: 27.00-108.00 Laboratory total.

Corequisite: Concurrent enrollment in Art 190 or Art 291 or Art 292.
A lab for mural students to enhance skills and techniques on mural projects. Projects, determined by class assignments, vary by semester.
Grade: Pass/No Pass Only.

Art 100 (C-ID ARTH 100)
Introduction to Art Concepts

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

A study of the visual arts in relation to both personal and cultural expressions. Fundamentals of visual organization, color theory, terminology, historical art movements and concepts will be studied.
Required for art majors.
CSU/UC

Art 100H (C-ID ARTH 100)
Honors Introduction to Art Concepts

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: A high school or college GPA of 3.0 or above.
Enriched exposure to a study of the visual arts in relation to personal and cultural expression with an emphasis on critical thinking and writing. Fundamentals of visual organization, color theory, terminology, historical art movements and concepts will be studied in a seminar format.
CSU/UC

Art 101 (C-ID ARTH 110)
Survey of Western Art History I: Prehistory Through the Middle Ages

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Recommended Preparation: Completion of or concurrent enrollment in English 101 or English 101H.
The study of art from Prehistory through Middle Ages. Cultures and Civilizations are studied through visual imagery, lecture, class discussion, reading, research, and field trips. Recommended sequence of courses: Art 100, Art 101, Art 102.
CSU/UC

Art 102 (C-ID ARTH 120)
Survey of Western Art History II: Renaissance to Today

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Recommended Preparation: English 101 or English 101H is Recommended.
The study of Western art history from the Renaissance to today. Art movements and individual painters, sculptors, architects, and printmakers will be presented within the context of the social, political, and intellectual histories of their respective periods. Required for art majors.
CSU/UC

Art 103 (C-ID ARTH 140)
Arts of Africa, Oceania, and Indigenous North America

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

History and appreciation of the arts of Africa, Oceania, and indigenous North America. Examines the visual arts of these vast and varied cultures within socio-political, aesthetic, religious contexts and their impact on Western art in Europe and the Americas.
CSU/UC

Art 104
Mexican and Chicano Art History

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

The history and appreciation of Mexican and Chicano art from the pre-Columbian to the present including the modern murals of Mexico and the United States.
CSU/UC

Art 105
History of Modern Art

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

History of painting, sculpture, architecture, prints, and applied arts from the late nineteenth century through the twentieth century. Covers the formal philosophic, spiritual, and historical background of art from Post Impressionism to Post Modernism. For general students and art majors.
CSU/UC

Art 106 (C-ID ARTH 130)
Asian Art History

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Historical survey of the visual arts of India, China, Japan, India, Korea and Southeast Asia. Includes relationship of Far Eastern philosophy and culture to artistic achievement. Emphasizes works of art in terms of style, technique, and content.
CSU/UC

Art 108
Contemporary Art History: Art Since Mid-Twentieth Century

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

A survey course exploring post World War II styles, trends, ideas, and innovations in architecture and the visual arts in Europe and North America with references to globalization.
CSU/UC

Art 109
Introduction to Woodworking

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

An introduction to the fundamentals of woodworking with a focus on wood as a medium for creative expression. Emphasizes knowledge of and proficiency with hard to soft woods; grain patterns; finishing techniques; fabrication; and joinery. Students learn and observe safety standards as they gain skills with hand tools, small power tools and larger machinery in the shop.
CSU/UC

Art 110 (C-ID ARTS 100)
Two-Dimensional Design

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Introduction to the principles and elements of two-dimensional design. Provides instruction in the fundamentals of visual communication including color theory, composition, and expression. Application of concepts through creative projects. Required for art majors. A combination of Art 110 and 111 may be taken a maximum of four enrollments.
CSU/UC

Art 111 (C-ID ARTS 101)
Three-Dimensional Design

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

An introduction to the fundamental concepts and technical processes of three-dimensional design. Coursework will focus on the formal development and articulation of three dimensional objects with an emphasis on form, mass, scale, texture, space, color, contrast and movement. A combination of Art 110 and 111 may be taken a maximum of four enrollments.
CSU/UC

Art 122
Graphic Design I

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Recommended Preparation: Art 195 or Digital Media 195 with a minimum grade of C.

Introduction to basic graphic design concepts, techniques and practices resulting in the production of effective visual communications. Projects combine text with images, using current industry standards and technology in print media and other design applications. A combination of Art 121A, 121B, 122, 221, and Digital Media 121A, and 121B may be taken a maximum of four enrollments.

CSU/UC

Art 127
Drawing for Non-Art Majors

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

This is an introductory drawing class intended for students with little or no drawing experience and/or currently not majoring in art. Students will gain a greater appreciation of the history drawing and the art making process. The student will learn from a hands-on approach to basic observational drawing and composition. Students will learn about and employ the basic elements and principles of art, problem solving skills related to art making, how to use various basic drawing media, and become familiar with the basic vocabulary, concepts, and techniques of observational drawing.

CSU/UC

Art 130 (C-ID ARTS 110)
Introduction to Drawing

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Introductory course in observational drawing, exploring line, form, proportion, composition, and a variety of media. Drawing from man-made and natural objects. Required for art majors. A combination of Art 130, 230, 233, and 250 may be taken a maximum of four enrollments.

CSU/UC

Art 131 (C-ID ARTS 200)
Beginning Life Drawing

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Recommended Preparation: ART 130 with a minimum grade of C.

Introduction to drawing the human form by observing live models for studies in anatomy, structure, and composition. Exposure to traditional and contemporary figurative drawing while exploring media and methods. Required for art majors. A combination of Art 131, 231, 232, and 243 may be taken a maximum of four enrollments.

CSU/UC

Art 132A
Beginning Pastel Drawing and Painting

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Prerequisite: Art 130 with a minimum grade of C.

Development of pastel drawing and painting skills using various techniques. Strong emphasis on color theory, value, and composition. Preparation of grounds using various papers. Study of historical and contemporary pastel styles and techniques. A combination of Art 132A and 132B may be taken a maximum of four enrollments.

CSU/UC

Art 132B
Intermediate Pastel Drawing and Painting

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Prerequisite: Art 132A with a minimum grade of C.

Intensive exploration of contemporary uses of pastels. Intermediate and advanced projects emphasizing pastel drawing/painting concepts in conjunction with other media. Emphasis on creative, personal expression, content, and style development. A combination of Art 132A and 132B may be taken a maximum of four enrollments.

CSU/UC

Art 133
Introduction to Gallery Production

Unit(s): 2.0 Class Hours: 108.00 Laboratory total.

Introduction to the practices of art exhibit preparation and installation. Students will gain knowledge in the history and theory of art exhibition, as well as the current state of gallery management and museum work. Emphasis is on learning and utilizing industry-standard terminology, materials and tools. Students will move from observation to practical experience as they support the daily operations and special events of two college galleries. Grade: Pass/No Pass Only. A combination of Art 133, 134, and 135 may be taken a maximum of four enrollments.

CSU

Art 134
Intermediate Gallery Production

Unit(s): 2.0 Class Hours: 108.00 Laboratory total.

Prerequisite: Art 133 with minimum grade of C.

An intermediate course designed to build on knowledge and skills gained in Art 133. Students have opportunities to increase experience with new exhibitions and installations. Emphasis is on solving art gallery problems using current industry-standard communication and practices. Visits to local galleries and behind-the-scenes museum tours of collections and exhibition preparation areas. Students will also use woodshop equipment to build pedestals as well as draft an exhibition proposal and artwork layout. Grade: Pass/No Pass Only. A combination of Art 133, 134, and 135 may be taken a maximum of four enrollments.

CSU

Art 135
Advanced Gallery Production

Unit(s): 2.0 Class Hours: 108.00 Laboratory total.

Prerequisite: Art 134 with minimum grade of C.

Students produce a unique exhibition on campus using knowledge and skills gained in Art 133 and 134. Emphasis will be on independently curating, designing, lighting, writing didactic material, and publicizing their exhibition. Grade: Pass/No Pass Only. A combination of Art 133, 134, and 135 may be taken a maximum of four enrollments.

CSU

Art 140A
Watercolor Painting

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Introduction to watercolor painting as a creative art form with emphasis on transparent watercolor techniques. Course includes principles of composition and color theory, materials selection, tools, terminology, and various watercolor techniques. Students develop basic watercolor skills while painting from simple forms and progressing to a variety of subjects. A combination of Art 140A, 140B, 143, and 240 may be taken a maximum of four enrollments.

CSU/UC

Art 140B**Watercolor Painting**

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Prerequisite: Art 140A with a minimum grade of C.

A continuing course in transparent watercolor techniques providing the opportunity to advance the creativity of those with basic skills in watercolor. Further study of formal elements and composition while painting from varied subject matter. Emphasis on refinement of methods and techniques for more expressive painting. A combination of Art 140A, 140B, 143, and 240 may be taken a maximum of four enrollments.

CSU/UC

Art 141**Beginning Painting**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Recommended Preparation: Art 110 or Art 130 with a minimum grade of C.

Introduction to acrylic and/or water soluble oil painting as a creative art form with exposure to historical, traditional and contemporary painting styles. Course includes principles of composition and color theory, materials selection, tools, terminology, and techniques. Students develop basic skills painting a variety of subjects. Required for art majors. A combination of Art 141, 241, and 242 may be taken a maximum of four enrollments.

CSU/UC

Art 143**Landscape Watercolor**

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Prerequisite: Art 140A with a minimum grade of C.

Intermediate course in transparent watercolor using the Southern California landscape as studio and subject for paintings. Explores a variety of techniques, papers, brushes, and pigments. Further study of compositional/conceptual elements leading to development of individual expression. A combination of Art 140A, 140B, 143, and 240 may be taken a maximum of four enrollments.

CSU/UC

Art 148**Introduction to Illustration**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Corequisite: Art 110 or Art 130 with a minimum grade of C.

Introduction to the illustrative arts with an emphasis on traditional handmade process. Editorial illustration, technical illustration, book illustration, and fashion illustration are introduced. Focus is on developing technical and conceptual expertise. This course examines master works by historically significant and contemporary illustrators, fine-art painters and other commercial artists. A combination of ART 130 and ART 148 and ART 230 and ART 233 and ART 248 may be taken a maximum of four enrollments.

CSU

Art 150**Primitive Pottery Techniques**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Primitive techniques in pottery construction and firing. Emphasizes handbuilt forms. Students will construct tools. Sawdust, raku, dung, low temperature salt, and other pit firings will be utilized.

CSU/UC

Art 151**Ceramics-Introductory Level**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Exploration of clay as a structural and creative material. Experiences include throwing on the potter's wheel and hand building. Instruction includes surface design, glazing, and experience in utilitarian forms. Students provide clay and tools. A combination of Art 151, 152, and 153 may be taken a maximum of four enrollments.

CSU/UC

Art 152**Ceramics-Intermediate Throwing**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Prerequisite: Art 151 with a minimum grade of C.

Further study of wheel thrown techniques with an emphasis on functional, utilitarian forms. Students provide own clay and tools. A combination of Art 151, 152, and 153 may be taken a maximum of four enrollments.

CSU/UC

Art 153**Ceramics-Intermediate Handbuilding**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Prerequisite: Art 151 with a minimum grade of C.

Further study of handbuilding techniques with emphasis on one-of-a-kind sculptural forms. Non-traditional alternatives to glazes are explored. Students provide own clay and tools. A combination of Art 151, 152, and 153 may be taken a maximum of four enrollments.

CSU/UC

Art 154**Ceramics Summer Workshop**

Unit(s): 3.0 Class Hours: 27.00 Lecture, 81.00 Laboratory total.

Prerequisite: Art 151 with a minimum grade of C.

For intermediate/advanced students interested in a self-guided study/exploration in the ceramic medium. Emphasizes technical aspects and artistic imageries. Invited artists will provide supplementary guidance. Students provide own clay and tools.

CSU/UC

Art 155**Plaster Mold Making**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Prerequisite: Art 151 with a minimum grade of C.

Basic aspects of plaster of Paris mold making: production of molds from original models in order to reproduce those models; alteration of those plaster mold castings into a more artistic, personalized imagery. A combination of Art 155 and 157 may be taken a maximum of four enrollments.

CSU/UC

Art 156**Clay Calculation: An Approach in Color Study**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Prerequisite: Art 151 with a minimum grade of C.

Basic uses of color clays as a decorative tool in making pottery forms. Techniques of sprigging, incising, inlay, and lamination are utilized with wheel-thrown, handbuilding, and plaster mold construction methods. A combination of Art 156, 159A, and 159B may be taken a maximum of four enrollments.

CSU/UC

Art 157
Ceramics-Raku and Saggar Firing Techniques

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Prerequisite: Art 151 with a minimum grade of C.

Use of the potter's wheel and/or handbuilding techniques as methods for constructing vessel forms. Includes a study of surface coloration from natural organic materials. Several firing techniques will be utilized. A combination of Art 155 and 157 may be taken a maximum of four enrollments.

CSU/UC

Art 158
Ceramic Mural Project

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Prerequisite: Art 151 with a minimum grade of C.

Students will work collaboratively to design, construction, and installation of a tile mural. Includes various techniques of surface textures, glaze colors, spatial compositions, and technical processes of installation. Students provide own clay and tools. Projects vary each semester.

CSU/UC

Art 159B
Ceramic Color Decoration: High Temperature

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Prerequisite: Art 151 with a minimum grade of C.

Exploration of surface color decoration on ceramic vessels within the realm of high stoneware temperatures. Emphasizes glazing techniques such as marbling, feathering, mishima, brush decoration, stencils, stamp printing, spraying, slip painting, glaze trailing, wax resist, and terra sigillata. A combination of Art 156, 159A, and 159B may be taken a maximum of four enrollments.

CSU/UC

Art 162
Digital Illustration I

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Recommended Preparation: Digital Media 195 or Art 195 or portfolio exhibiting equivalent skills to 3 units of entry-level digital design coursework.

Explores the essentials of illustration for graphic designers and concept artists, using industry-standard production and design tools. Focuses on professional studio techniques to master this essential design tool for the creation of sophisticated graphics. Emphasizes efficient workflow, technical proficiency, and aesthetic judgment. Students produce portfolio-ready projects using a broad range of imaging skills. The primary software used includes Adobe Photoshop, supplemented with Adobe Illustrator, and some time-based media software. (Same as Digital Media 162). A combination of Art 162, 191A, 192A, and Digital Media 162, 191A, 192A may be taken a maximum of four enrollments.

CSU/UC

Art 168
Graphic Design II: Branding & Identity

Unit(s): 2.0 Class Hours: 36.00 Lecture, 18.00 Laboratory total.

Recommended Preparation: Must have completed 6 units of design coursework or have portfolio of equivalent skillset.

A comprehensive design course serving as the capstone for all Digital Media Arts & Graphic Design programs. Students develop a career/transfer-ready digital portfolio through team-based branding and identity design development for multiple media applications. Focus is on both business and personal branding. Career goals, resumes, online portfolios, interviewing skills, and customer service needs are addressed. 6 units of digital media-oriented coursework recommended. (Same as Digital Media 168).

CSU

Art 182
Introduction to Jewelry

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Basic instruction in jewelry fabrication including silver soldering, direct casting and forging, patinas, cold connection, and piercing. A combination of Art 182, 284 and 285 may be taken a maximum of four enrollments.

CSU

Art 190
Introduction to Mural Painting and Design

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Recommended Preparation: Art 110 or Art 130 with a minimum grade of C is Recommended.

A directed field studies course in designing and painting large-scale public art murals. Students will work collaboratively in groups and with the community to create designs. This class explores the various processes involved in the construction of large-scale public art while painting a variety of subject matter. Students will learn about historical, traditional and contemporary mural painting styles.

CSU/UC

Art 192A
Digital Illustration II: Advanced Topics

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Recommended Preparation: Digital Media 162, or ART 162 or equivalent, as demonstrated in illustration portfolio.

Examines advanced design and illustration techniques using industry-standard software via Adobe Creative Cloud. Addresses contemporary illustrative problems, concepts, and skills development within the digital media and graphic arts industries for the creation of unique illustrations. The technical needs for graphic illustrations for print, animation, film, and the web will also be addressed. Primary Software: Adobe Illustrator, supplemented with Adobe Photoshop. (Same as Digital Media 192A). A combination of Art 191A, 192A, 162, and Digital Media 192A may be taken a maximum of four enrollments.

CSU/UC

Art 195 (C-ID ARTS 250)
Introduction to Digital Media Arts

Unit(s): 3.0 Class Hours: 54.00 Lecture, 18.00 Laboratory total.

Foundation-level course designed for graphic designers, artists, photographers, web designers, programmers, and animation artists working in the digital realm. This course includes an overview of industry-standard software, including Adobe Creative Cloud for digital design in montage, vector, layout and time-based media. (Same as Digital Media 195). A combination: of ART 195, ART 249, and DM 195 may be taken a maximum of four enrollments.

CSU/UC

Art 198
Topics

Topics of special interest offered to meet the interests and needs of students of art.

CSU

Art 230 (C-ID ARTS 205)
Intermediate Drawing

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Prerequisite: Art 130 with a minimum grade of C.

An intermediate course in the study of drawing designed to give students who have completed an introductory drawing course additional opportunity in graphic expression. Further exploration of materials including a wide variety of both drawing and mixed media. Students continue the development of composition and more intermediate concepts. The class emphasizes individual expression. A combination of Art 130, 230, 233, and 250 may be taken a maximum of four enrollments.

CSU/UC

Art 231
Intermediate Life Drawing

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Prerequisite: Art 131 with a minimum grade of C.

Continued experience in drawing from the live model with opportunity for development of self-expression. Further exploration of media and techniques. A combination of Art 131, 231, 232, and 243 may be taken a maximum of four enrollments.

CSU/UC

Art 232
Advanced Life Drawing

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Prerequisite: Art 231 with a minimum grade of C.

Intensive study of the human figure with further advanced level development of drawing skills, composition, technique, and media utilizing the live model. Projects vary each semester. A combination of Art 131, 231, 232, and 243 may be taken a maximum of four enrollments.

CSU/UC

Art 233
Advanced Drawing

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Prerequisite: Art 230 with a minimum grade of C or portfolio review.

To further develop individual expression and advanced skill sets in drawing. Students will plan a series of drawing problems to be executed during the semester under the instructor's direction. Exploration of new materials and techniques. A combination of Art 130, 230, and 233 may be taken a maximum of four enrollments.

CSU/UC

Art 240
Intermediate Watercolor

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Prerequisite: Art 140B with a minimum grade of C.

An intermediate level course providing for continuing development of watercolor painting skills. Further refinement of media, technique and expression of style through more advanced painting projects. Subject matter content includes still life, landscape, figurative studies, abstraction, and individual creative expression. Traditional and non-traditional approaches. A combination of Art 140A, 140B, 143, and 240 may be taken a maximum of four enrollments.

CSU/UC

Art 241
Intermediate Painting

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Prerequisite: Art 141 with a minimum grade of C.

An intermediate level class designed to promote and advance the creative development of those with basic skills in water-soluble oil and/or acrylic painting. Opportunity for further study of historical and contemporary references and to increase experience with new media, methods, and techniques. Emphasis on artistic expression and individual creative problems. A combination of Art 141, 241, and 242 may be taken a maximum of four enrollments.

CSU/UC

Art 242
Advanced Painting

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Prerequisite: Art 241 with a minimum grade of C.

An advanced level studio course providing opportunity for further refinement of painting skills with increasing exposure to contemporary styles. Emphasis on research and individual creative problems in painting. Exploration into a personal mode of expression through development of media, technique, and style. Classroom studio use of oils limited to water-soluble oil paint only. A combination of Art 141, 241, and 242 may be taken a maximum of four enrollments.

CSU/UC

Art 243
Portrait and Life Painting

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Prerequisite: Art 131 or Art 141 with a minimum grade of C.

Painting of the human form with study of portraiture and anatomy. Compositions in representation of the life model through interpretive studies in watercolor, pastels, water soluble oil, and acrylic. Study of traditional and contemporary methods and directions. A combination of Art 131, 231, 232, and 243 may be taken a maximum of four enrollments.

CSU/UC

Art 248
Intermediate Illustration

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Prerequisite: Art 148 with a minimum grade of C.

This course will explore the further development of conceptual and technical expertise in the field of Illustrative arts. This class will focus on book illustration, technical rendering/ illustration, bio-medical illustration, and editorial illustration. The course examines master works by contemporary and historic artists. Emphasis on developing individual creative style. A combination of ART 130 and ART 148 and ART 230 and ART 233 and ART 248 may be taken a maximum of four enrollments.

CSU

Art 251
Ceramics-Advanced Throwing and Handbuilding

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Prerequisite: Art 152 with a minimum grade of C.

Study of thrown and handbuilt sculptural forms. Exploration of decoration and glaze techniques and incorporation of non-traditional materials such as metal/wood/plastics/paints.

CSU/UC

Art 252
Ceramics-Advanced Study Process in Ceramics With Non-Traditional Media

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Prerequisite: Art 152 or Art 153 with a minimum grade of C.

An advanced study in the ceramic process as it relates to a non-clay media approach. A sculptural form study with non-traditional materials as surface enhancements.

CSU/UC

Art 253
Electric Kiln Ceramics

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Prerequisite: Art 151 with a minimum grade of C.

Provides student potters working studio production knowledge of the uses of an oxidizing electric kiln. Emphasizes types of electric kilns, spectrum of glaze formulas, and safety procedures of firing.

CSU

**Art 282
Jewelry II**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Prerequisite: Art 182 with a minimum grade of C.

Continued instruction in the making of jewelry by means of fabrication, including techniques in silver soldering, die forming, etching, tool making, and hinge mechanisms. A combination of Art 282 and 283 may be taken a maximum of four enrollments.

CSU

**Art 283
Jewelry III**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Prerequisite: Art 282 with a minimum grade of C.

Advanced instruction in the making of jewelry by means of complex fabrication. Explores various traditional metal working techniques including mokume, inlay, complex soldering and raising. Gives opportunity for intensive work on projects of individual interest. A combination of Art 282 and 283 may be taken a maximum of four enrollments.

CSU

**Art 284
Introduction to Stone Setting-Jewelry**

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Course is an introduction to basic jewelry hand skills, including sawing, filing, soldering, and some fabrication. Emphasis is on cabochon and tube stone setting. Students supply their own stones and metal. A combination of Art 182, 284, and 285 may be taken a maximum of four enrollments.

CSU

**Art 285
Introduction to Enameling-Jewelry**

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

An introduction to basic jewelry enameling, including some sawing, filing, and metal forming fabrication with emphasis on color and attention to two dimensional design. Emphasis is on enameling on sheet metal and some cloisonne. Students supply their own enamel and metal. A combination of Art 182, 284, and 285 may be taken a maximum of four enrollments.

CSU

**Art 291
Mural Painting and Design II**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Prerequisite: Art 190 with a minimum grade of C.

An intermediate level mural art class designed to promote and advance the creative development of those with basic skills in mural painting. Opportunity for further study of historical and contemporary references and to increase experience with new media, methods, and techniques. Students will work collaboratively in groups and with the community to create designs. Intermediate students will take on more leadership roles in the group creative dynamic.

CSU/UC

**Art 292
Mural Painting and Design III**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Prerequisite: Art 291 with a minimum grade of C.

An advanced level studio course providing opportunity for further refinement of large scale painting skills with increasing exposure to contemporary styles in mural painting. Exploration into an advanced personal mode of expression through development of media, technique, and style.

CSU/UC

**Art 296
Professional Art Production**

Unit(s): 1.5 Class Hours: 18.00 Lecture, 45.00 Laboratory total.

Prerequisite: Art 196A with a minimum grade of C.

Designed to provide practice in developing digital 3D or multimedia art projects for actual clients or in a simulated setting. Students choose an art project based on strengths, interests and market need to work on during the class.

CSU

**ART 298
Art Practicum**

Unit(s): 1.0 Class Hours: 5.630 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: Portfolio review and previous or concurrent enrollment in a 200 level art course.

Directed study at selected locations providing workplace experience such as: gallery assistant, artist's apprentice, docent trainee, graphic design apprentice, etc. Before placement, skills assessed to match abilities with project needs. Experience differs each semester.

CSU

ASIAN AMERICAN STUDIES (ASIA)**Asian American Studies 150
Introduction to Asian American Studies**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course is an introduction to the field of Asian American Studies. A trans-disciplinary, multisectoral, and multidimensional approach will be employed to study Asian Americans' various experiences and their contributions to American society and culture utilizing the perspectives of race, nationality, class, gender, and sexuality. The course will cover historical and contemporary issues within Asian American communities, including immigration, anti-Asian violence, labor, unionization, and stereotypes.

CSU/UC

ASTRONOMY (ASTR)**Astronomy 109
Introduction to the Solar System**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Surveys history of astronomy, recent research and observations of the planets, moons, and other solar system objects. Exploration of light and gravity to understand formation, properties, and motion of Solar System objects.

CSU/UC

**Astronomy 110
Introduction to Stars and Galaxies**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Surveys the development of astronomy, current research and observations of stars, galaxies, and large-scaled structures in the universe. Exploration of light and gravity to understand the properties and evolution of stars, neutron stars, black holes, galaxies, and the universe's structures and changes.

CSU/UC

Astronomy 140**Astronomy Laboratory**

Unit(s): 1.0 Class Hours: 54.00 Laboratory total.

Prerequisite: Astronomy 109 or 110 or 110H with a minimum grade of C or concurrent enrollment.

Utilizes experimental techniques to explore and comprehend properties and motions of celestial objects. Basic naked-eye, binocular, and small telescope observing techniques will be introduced. Field trips to local planetaria and dark sky locations may be included.

CSU/UC

AUTOMOTIVE TECHNOLOGY (AUTO)**Automotive Technology 101A****Automotive Mechanical Operation**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course will focus on function, operation, and design of the mechanical aspects of modern automobiles. Engine repair, manual and automatic transmissions, brakes, and suspension operation and design will be covered. The course is designed for students seeking general knowledge of automotive mechanical systems and employment in a non-technical field.

CSU

Automotive Technology 101B**Automotive Electrical Operation**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course will focus on the function and operation of the electrical aspects of modern automobiles. Electrical theory and application, engine sensors, computer systems, and emission control devices will be covered. Also, air conditioning, heating, and electrical accessories will be examined. This course is intended for students seeking general automotive knowledge and employment in a non-technical automotive related field.

CSU

Automotive Technology 102**Introduction to Automotive**

Unit(s): 3.0 Class Hours: 45.00 Lecture, 27.00 Laboratory total.

Introduction to the primary automotive systems used on modern vehicles. Theory, parts nomenclature, and description of system operation are emphasized. This course is intended for students seeking technical knowledge, with hands-on lab work, and future employment as an automotive service technician.

CSU

Automotive Technology 111**Engine Repair**

Unit(s): 5.0 Class Hours: 72.00 Lecture, 72.00 Laboratory total.

Recommended Preparation: Automotive Technology 102 is Recommended.

This course deals with tear-down, assembly, diagnosis, and repair of gasoline automotive engines. Accurate engine measurement is highlighted. Hands-on practice of engine repair skills is emphasized. Students must furnish approved safety glasses. This course assists the student in preparation for the A1 (Engine Repair) ASE certification exam. Field trips may be required.

CSU

Automotive Technology 112**Automatic Transmissions and Transaxles**

Unit(s): 4.5 Class Hours: 54.00 Lecture, 90.00 Laboratory total.

Recommended Preparation: Automotive Technology 102 is Recommended.

This course will cover the theory, operation, diagnosis, and service procedures of automatic transmissions and transaxles. Hydraulic systems are highlighted, along with exploration of electronic controls and continuously variable transmissions (CVT). Hands-on testing and service procedures are emphasized. Students must furnish approved safety glasses. This course assists the student in preparation for the A2 (Automatic Transmission/Transaxles) ASE certification exam. Field trips may be required.

CSU

Automotive Technology 113**Manual Drive Train and Axles**

Unit(s): 4.5 Class Hours: 54.00 Lecture, 90.00 Laboratory total.

Recommended Preparation: Automotive Technology 102 is Recommended.

This course will cover the theory, operation, diagnosis, and service of manual transmissions, transaxles, clutches, driveshafts, and differentials. This course also covers four-wheel drive and all-wheel drive systems. Safe and correct hands-on procedures are emphasized. Students must furnish approved safety glasses. This course assists the student in preparation for the A3 (Manual Drive Train) ASE certification exam. Field trips may be required.

CSU

Automotive Technology 114**Suspension and Steering**

Unit(s): 4.5 Class Hours: 54.00 Lecture, 90.00 Laboratory total.

Recommended Preparation: Automotive Technology 102 is Recommended.

This course will cover the theory, operation, diagnosis, and service of the steering and suspension systems used on modern vehicles. Wheel alignment, tires, tire pressure monitoring systems, and electronic suspension/steering components are included. Hands-on practice is emphasized. Students must furnish approved safety glasses. This course assists students in preparation for the A4 (Steering and Suspension) ASE certification exam. Field trips may be required.

CSU

Automotive Technology 114A**Suspension and Steering Lecture**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course will cover the theory, operation, diagnosis, and service of the steering and suspension systems used on modern vehicles. Wheel alignment, tires, tire pressure monitoring systems, and electronic suspension/steering components are included. This course assists students in preparation for the A4 (Steering and Suspension) ASE certification exam. Field trips may be required.

CSU

Automotive Technology 114B**Suspension and Steering Lab**

Unit(s): 1.5 Class Hours: 90.00 Laboratory total.

This course will cover the operation, diagnosis, and service of the steering and suspension systems used on modern vehicles. Wheel alignment, tires, tire pressure monitoring systems, and electronic suspension/steering components are included. Hands-on practice is emphasized. Students must furnish approved safety glasses. This course assists students in preparation for the A4 (Steering and Suspension) ASE certification exam.

CSU

Automotive Technology 115**Brakes**

Unit(s): 4.5 Class Hours: 54.00 Lecture, 90.00 Laboratory total.

Recommended Preparation: Automotive Technology 102 is Recommended.

This course will cover the theory of operation, diagnosis, and service of drum, disc, and anti-lock brake systems used on modern vehicles. Safe and correct hands-on practice is emphasized. Students must furnish approved safety glasses. This course assists the student in preparation for the A5 (Brakes) ASE certification exam. Field trips may be required.
CSU

Automotive Technology 115A**Brakes Lecture**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course will cover the theory of operation, diagnosis, and function of drum, disc, and anti-lock brake systems used on modern vehicles. This course assists the student in preparation for the A5 (Brakes) ASE certification exam. Field trips may be required.
CSU

Automotive Technology 115B**Brakes Lab**

Unit(s): 1.5 Class Hours: 90.00 Laboratory total.

This course will cover the operation, diagnosis, and service of drum, disc, and anti-lock brake systems used on modern vehicles. Safe and correct hands-on practice is emphasized. Students must furnish approved safety glasses. This course assists the student in preparation for the A5 (Brakes) ASE certification exam.
CSU

Automotive Technology 116**Electrical Fundamentals**

Unit(s): 5.0 Class Hours: 72.00 Lecture, 72.00 Laboratory total.

Recommended Preparation: Automotive Technology 102 is Recommended.

Introduction to the basic operating principles of electrical and electronic devices used in modern vehicles. Hands-on digital multimeter testing is highlighted. Safe and correct use of tools and equipment by students will be emphasized. The course will also include Ohm's law, circuit testing, electromagnetism, batteries, starters, and alternators. Students must furnish approved safety glasses. This course assists students in preparation for the A6 (Electrical/Electronics) ASE certification exam. Field trips may be required.
CSU

Automotive Technology 116A**Electrical Fundamentals Lecture**

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Recommended Preparation: Automotive Technology 102 is Recommended.

Introduction to the basic operating principles of electrical and electronic devices used in modern vehicles. The course will include Ohm's law, circuit designs, electromagnetism, batteries, starters, and alternators. This course assists students in preparation for the A6 (Electrical/Electronics) ASE certification exam. Field trips may be required.
CSU

Automotive Technology 116B**Electrical Fundamentals Lab**

Unit(s): 1.0 Class Hours: 72.00 Laboratory total.

Introduction to the basic operating principles of electrical and electronic devices used in modern vehicles. Hands-on digital multimeter testing is highlighted. Safe and correct use of tools and equipment by students will be emphasized. The course will also include Ohm's law, circuit testing, electromagnetism, batteries, starters, and alternators. Students must furnish approved safety glasses. This course assists students in preparation for the A6 (Electrical/Electronics) ASE certification exam. Field trips may be required.
CSU

Automotive Technology 117**Heating and Air Conditioning**

Unit(s): 5.0 Class Hours: 72.00 Lecture, 72.00 Laboratory total.

Recommended Preparation: Automotive Technology 102 is Recommended.

This course will cover the operation and service of modern automotive air conditioning systems. Practical application of air conditioning theory is presented to enable problem solving. Heating, ventilation, and electronic control systems are also included. Safe hands-on practice is emphasized. Students must furnish approved safety glasses. This course assists the student in preparation for the A7 (Air Conditioning and Heating) ASE certification exam. EPA 609 certification is integrated into this course. Field trips may be required.
CSU

Automotive Technology 118**Engine Performance**

Unit(s): 5.0 Class Hours: 72.00 Lecture, 72.00 Laboratory total.

Recommended Preparation: Automotive Technology 102 and 116 are Recommended.

This course will cover engine performance procedures including fuel, ignition, oscilloscope, emission control, and computer systems found on modern automobiles. Hands-on testing and diagnosis are emphasized. This course assists the student in preparation for the A8 (Engine Performance) ASE certification exam. Students must furnish approved safety glasses. Field trips may be required.
CSU

Automotive Technology 118A**Engine Performance Lecture**

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Recommended Preparation: Automotive Technology 102 is Recommended.

This course will cover engine performance procedures including fuel, ignition, oscilloscope, emission control, and computer systems found on modern automobiles. This course assists the student in preparation for the A8 (Engine Performance) ASE certification exam. Field trips may be required.
CSU

Automotive Technology 118B**Engine Performance Lab**

Unit(s): 1.0 Class Hours: 72.00 Laboratory total.

This course will cover engine performance procedures including fuel, ignition, oscilloscope, emission control, and computer systems found on modern automobiles. Hands-on testing and diagnosis are emphasized. This course assists the student in preparation for the A8 (Engine Performance) ASE certification exam. Students must furnish approved safety glasses. Field trips may be required.
CSU

Automotive Technology 119 Light Vehicle Diesel Engines

Formerly: AUTO 288, Diesel Engines: Light-Medium Duty Systems

Unit(s): 3.0 Class Hours: 45.00 Lecture, 27.00 Laboratory total.

This course will introduce the applications of modern light duty diesel engines. American and German engine systems will be covered, including common rail fuel injection, turbochargers, and diesel emission systems. Field trips may be required.

CSU

Automotive Technology 190 Automotive Manufacturer Exploration

Formerly: Automotive Manufacturer Specific I

Unit(s): 3.0 Class Hours: 45.00 Lecture, 27.00 Laboratory total.

This course will allow students will gain experience working with vehicles and training systems from different car manufacturers. The course is intended for students seeking employment at a new car dealership as an entry-level technician. Students can choose to focus on various manufacturers including Ford, Subaru, Fiat-Chrysler, or other vehicle manufacturers.

CSU

Automotive Technology 216 Electrical Systems

Formerly: AUTO 124, Electrical Systems

Unit(s): 5.0 Class Hours: 72.00 Lecture, 72.00 Laboratory total.

Recommended Preparation: Automotive Technology 102 is Recommended.

Theory, operation, and diagnosis of automotive body electrical systems. Use of wiring diagrams is highlighted, with a concentration on electrical accessories. Ohm's law and electromagnetism will also be covered. Safe and correct use of tools and equipment in the shop by students is emphasized. This course assists students in preparation for the A6 (Electrical/Electronics) ASE certification exam. Students must furnish approved safety glasses. Field trips may be required.

CSU

Automotive Technology 220 Introduction to Mopar Career Automotive Program

Unit(s): 2.0 Class Hours: 36.00 Lecture, 12.00 Laboratory total.

This course will introduce students to the Mopar Career Automotive Program (CAP). Course content will include access to Chrysler, Dodge, Jeep, Ram, and Alfa Romeo online training. Students will have a chance to visit a local Mopar dealership as part of a field trip.

CSU

Automotive Technology 221 Mopar Electrical Phase 1

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Automotive Technology 220 is Recommended.

This course will cover the basic electrical systems of Mopar vehicles, which include Chrysler, Dodge, Jeep, Ram, Fiat, and Alfa Romeo. Topics include electrical theory, series and parallel circuits, digital multimeters, batteries, starters, alternators, wiring diagrams, and specific Mopar electrical diagnostics. This course is meant for students in the Mopar Career Automotive Program (CAP). A field trip to a Mopar Dealership may be required.

CSU

Automotive Technology 222 Mopar Engine Repair & Maintenance

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Automotive Technology 220 is Recommended.

This course will cover engines and maintenance on Mopar vehicles, which include Chrysler, Dodge, Jeep, Ram, Fiat, and Alfa Romeo. Topics include the four-stroke cycle, engine components, engine compression, engine leak-down, turbochargers, engine maintenance, filters, oils, and specific Mopar engine maintenance procedures. This course is meant for students in the Mopar Career Automotive Program (CAP).

Automotive Technology 223 Mopar Chassis Systems

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Automotive Technology 220 is Recommended.

This course will cover chassis systems and components on Mopar vehicles, which include Chrysler, Dodge, Jeep, Ram, Fiat, and Alfa Romeo. Topics include front suspension, rear suspension, steering system, power steering, alignment, wheels and tires, tire pressure monitoring system, frame designs, stability control, and chassis computer module diagnosis specific to Mopar vehicles. This course is meant for students in the Mopar Career Automotive Program (CAP).

CSU

Automotive Technology 224 Mopar Brakes and Driveline

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Automotive Technology 220 is Recommended.

This course will cover brake and drivelines systems and components on Mopar vehicles, which include Chrysler, Dodge, Jeep, Ram, Fiat, and Alfa Romeo. Topics include front brakes, rear brakes, power brakes, anti-lock braking system, hydraulic systems, electronic parking brakes, brake bleeding, driveshafts, constant velocity axles, and brake computer module diagnosis specific to Mopar vehicles. This course is meant for students in the Mopar Career Automotive Program (CAP).

CSU

Automotive Technology 225 Mopar Transmissions

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Automotive Technology 220 is Recommended.

This course will cover transmission systems and components on Mopar vehicles, which include Chrysler, Dodge, Jeep, Ram, Fiat, and Alfa Romeo. Topics include automatic transmissions, manual transmissions, hydraulic pressure, valve bodies, clutches, torque converters, four-wheel drive, all-wheel-drive, and transmission computer module diagnosis specific to Mopar vehicles. This course is meant for students in the Mopar Career Automotive Program (CAP).

CSU

Automotive Technology 226 Mopar Electrical Phase 2

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Automotive Technology 220 is Recommended.

This course will cover the body and advanced electrical systems of Mopar vehicles, which include Chrysler, Dodge, Jeep, Ram, Fiat, and Alfa Romeo. Topics include electrical circuits, accessories, power seats, door locks, windows, sunroofs, instrument clusters, navigation, audio, lighting, and specific Mopar electrical diagnostics. This course is meant for students in the Mopar Career Automotive Program (CAP).

CSU

Automotive Technology 227 **Mopar Diesel Engines**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Automotive Technology 220 is Recommended.

This course will cover diesel engine systems of Mopar vehicles, which include Chrysler, Dodge, Jeep, Ram, Fiat, and Alfa Romeo. Topics include mechanical diesel engine components, Cummins specific engines, Dodge designed diesel engines, diesel engine controls, diesel emissions, and specific Mopar diesel engine diagnostics. This course is meant for students in the Mopar Career Automotive Program (CAP).

CSU

Automotive Technology 228 **Mopar Engine Controls**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Automotive Technology 220 is Recommended.

This course will cover engine control systems of Mopar vehicles, which include Chrysler, Dodge, Jeep, Ram, Fiat, and Alfa Romeo. Topics include engine performance related items, emission controls, sensors, combustion, ignition systems, fuel systems, OBD, control modules, networks, and specific Mopar engine controls diagnostics. This course is meant for students in the Mopar Career Automotive Program (CAP).

CSU

Automotive Technology 229 **Mopar High Voltage and NVH**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Automotive Technology 220 is Recommended.

This course will cover high voltage systems and noise, vibration, and harshness conditions of Mopar vehicles, which include Chrysler, Dodge, Jeep, Ram, Fiat, and Alfa Romeo. Topics include high voltage safety, high voltage batteries, electric motors, inverters/converters, wiring, insulated digital multimeters, Pico scope testing, diagnosing noises and vibrations, and specific Mopar diagnostics. This course is meant for students in the Mopar Career Automotive Program (CAP).

CSU

Automotive Technology 230 **Mopar Air Conditioning Systems**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Automotive Technology 220 is Recommended.

This course will cover air conditioning and heating systems of Mopar vehicles, which include Chrysler, Dodge, Jeep, Ram, Fiat, and Alfa Romeo. Topics include Freon, air conditioning components, heating system components, electric motor controls, automatic climate controls, sensors, high voltage compressors, A/C on electric/hybrid vehicles, control modules, networks, and specific Mopar A/C control diagnostics. This course is meant for students in the Mopar Career Automotive Program (CAP).

CSU

Automotive Technology 260 **Introduction to Hybrid/Electric Vehicles**

Unit(s): 5.0 Class Hours: 63.00 Lecture, 81.00 Laboratory total.

Recommended Preparation: Automotive Technology 116 with a minimum grade of C is Recommended.

This course will explore the function, operation, and design of hybrid/electric vehicles. The course will also focus on safe practices and procedures when working with high voltage systems. Students will build a purpose-built electric vehicle in the course and study current electric vehicle manufacturers. Students will work on hybrid transaxles also. High voltage systems will be examined, along with battery designs, AC and DC power motors, and electrical inverter/converters. Fuel cell vehicles are also included in the course content. Field trips may be required.

CSU

Automotive Technology 284 **Automotive Emerging Technologies**

Formerly: OBD-2 Diagnosis and Networks

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course will cover emerging technologies found on modern automotive vehicles. Topics will include advanced navigation systems, WiFi on vehicles, smart and connected cars, Controller Area Network (CAN) systems, Advanced Driver Assistance Systems (ADAS), collision avoidance systems, driverless vehicles, and auto-pilot systems. New drivetrain systems will also be included, such as electric vehicle motors and high voltage systems, along with advancements in engine tuning and computer programming.

CSU

Automotive Technology 299 **Work Experience - Automotive**

Formerly: Automotive Cooperative Work Experience

Unit(s): 0.5 - 4.0 Class Hours: 27.00-216.00 Lecture total.

Prerequisite: Completion of at least 6 units of Automotive Technology courses with a minimum grade of C.

This work experience course of supervised employment assists students to acquire desirable work habits, attitudes, and skills in automotive maintenance, mechanical and electrical repair, diagnostic testing, vehicle fleet movability, and overall employment within the automotive industry. A student can earn 0.5 to 4 units per semester, up to a maximum of 14 units total. Additionally, students must work 54 hours to earn 1 unit. Student repetition is allowed per Title 5, Section 55253. Grade: Pass/No Pass Only.

CSU

BANKING (BANK)

Banking 010 **Training for Entry Level Bankers**

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Course provides prospective bank employees with a broad overview of financial institutions and basic knowledge of teller techniques including bank transactions and customer service.

BIOLOGY (BIOL)

Biology 098 **Topics**

Unit(s): 0.5 - 4.0 Class Hours: 9.00-72.00 Lecture total.

Specialized courses on topics related to the needs of students in biology.

Biology 109
Fundamentals of Biology

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Principles of biology stressing the relationship of all organisms from anatomical, physiological, and ecological points of view. Includes cell machinery, genetics, reproduction, embryology, animal behavior, botany, ecology, evolution, and human physiology. Concurrent enrollment in Biology 109L recommended. Designed for non-biology majors.
 CSU/UC

Biology 109H
Honors Fundamentals of Biology

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: A college GPA or high school GPA for first term college students of 3.0 or higher.

Traditional Biology, enriched by extensive instructor-prepared study guides for each subject area of curriculum. Additional enhancement by outside reading suggestions and optional student reports. Class participation and discussion is strongly encouraged, as are questions on current reports and news in the popular media and scientific sources. Information will be expanded by reference to research observations and by appropriate references to classical and current literature. Emphasis is on analysis of pertinent topics using critical reading and interpretation skills. Concurrent enrollment in Biology 109L is recommended. Designed for non-biology majors.
 CSU/UC

Biology 109L
Fundamentals of Biology Laboratory

Unit(s): 1.0 Class Hours: 54.00 Laboratory total.

Prerequisite: Concurrent enrollment or completion with a grade of "C" or better or a Passing grade in Biology 109 or Biology 109H.

Laboratory experiments that illustrate important biological concepts at all levels of organization, from molecules and cells, to organisms, populations, communities, and ecosystems. Content complements Biology 109/109H lecture material. Fieldtrip required.
 CSU/UC

Biology 111
Marine Biology

Unit(s): 4.0 Class Hours: 54.00 Lecture, 54.00 Laboratory total.

This course covers basic concepts of marine ecosystems including oceanographic principles, ecology, and a survey of marine habitats and diversity of marine organisms. Field trips required.
 CSU/UC

Biology 115
Concepts in Biology for Educators

Unit(s): 4.0 Class Hours: 54.00 Lecture, 54.00 Laboratory total.

An investigation in the basic principles of Biology and Science with content appropriate for future multiple-subject teachers and secondary through high school. The course material is presented within the context of the human experience and includes cell biology, physiology, genetics, evolution, ecology, animal behavior, and the interaction of humans with the environment. The course is taught from an inquiry-based strategy using active learning.
 CSU/UC

Biology 127
Ecology

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

Introduction to the basic principles of ecology. Study of ecosystems, biomes, and the relationships of plants and animals in the natural world. This is a field study course with overnight camping required.
 CSU

Biology 128
Natural History of the California Coast

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

An ecological study of plant and animal life of the southern and central California coast. This is a field study course with overnight camping required.
 CSU

Biology 129
Ecology of Southern California

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

Identification and study of the plants and animals of the ocean, mountain and desert regions of Southern California with emphasis on the organisms' relationship to their environment. This is a field study course and includes overnight camping.
 CSU/UC

Biology 131
Natural History of the Southwest

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An ecological study of mountain, canyon, and desert ecosystems of the Southwestern United States. Animal and plant identification, geology, and environmental problems will be emphasized. This is a field study course with overnight camping required.
 CSU

Biology 132
Natural History of Death Valley

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

Natural history of Death Valley emphasizing the biology of the plants and animals, their ecology, adaptations and evolutionary history, as well as the history of environmental change and human activities. This is a field study course with overnight camping required.
 CSU

Biology 133
Desert Biology

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

Study of desert organisms, their adaptations to arid conditions, their evolution, identification and ecology, and the impact of human activities on desert organisms, communities, and ecosystems. This is a field study course with overnight camping required.
 CSU

Biology 139
Health Microbiology

Unit(s): 4.0 Class Hours: 54.00 Lecture, 64.00 Laboratory total.

Presents practical and theoretical aspects of medical microbiology to meet the needs of those in allied health professions. Provides basic knowledge of the microbial world by covering diversity, structure, metabolic and genetic characteristics, cultivation and control. Emphasis is placed on human-microbe interactions especially infectious diseases. Laboratory deals with identification, growth, and control of microorganisms. Field trips may be required.
 CSU/UC

Biology 149
Human Anatomy and Physiology

Unit(s): 4.0 Class Hours: 54.00 Lecture, 54.00 Laboratory total.

Structural organization of the human body: gross and microscopic structure of the integumentary, skeletal, muscular, nervous, sensory, endocrine, cardiovascular, lymphatic, respiratory, digestive, excretory, and reproductive systems, from cellular to organ system levels of organization. This course is primarily intended for nursing, allied health, kinesiology, and other health related majors.
 CSU/UC

Biology 169**Natural History of the Sierra Nevadas**

Unit(s): 1.0 - 3.0 Class Hours: 18.00-54.00 Lecture total.

A field study of the ecology, geology, and history of the Sierra Nevada mountains. Animal and plant studies, environmental problems, and wilderness preservation will be emphasized. This is a field study course with overnight camping required.

CSU

Biology 177**Human Genetics**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Introductory course in human genetics which explores basic principles, patterns of inheritance, gene structure, function and regulation, current advances in genetics and gene technology, as well as social and ethical issues in contemporary genetics.

CSU/UC

Biology 187**Work Experience - Biotechnology***Formerly: Intro to Work Experience - Occupational*

Unit(s): 1.0 - 4.0 Class Hours: 54.00-216.00Lecture total.

Prerequisite: Successful completion of 10 units from Biotech course series.

This course is an introduction to work experience with an on campus, supervised volunteer experience in bioscience including an introduction to new or expanded responsibilities. This course is designed to assist students to acquire desirable work habits, attitudes and skills in a field related to the students' major to enable them to become productive employees. This course also provides students with career awareness for jobs. This course also provides students with career awareness for jobs. 54 hours of paid work equals one unit of course credit. Student repetition is allowed per Title 5, section 55253. Students may earn a maximum of 14 units of credit for work experience. Grade: Pass/No Pass Only. Open Entry/Open Exit.

CSU

Biology 190**(C-ID BIOT 101X; BIOT 101BX = BIOL 190 + BIOL 190L)****Introduction to Biotechnology**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course is a general examination of biology as it relates to the field of biotechnology. Topics include the fundamental chemical processes common in prokaryotic and eukaryotic biology, chemistry of bio-molecules (proteins, enzymes, nucleic acids and lipids), cellular and molecular biology, basic immunology, and classical and molecular genetics with an emphasis on gene expression and genetic engineering.

CSU/UC

Biology 190L (C-ID BIOT 101BX = BIOL 190 + BIOL 190L)**Introductory Biotech Lab**

Unit(s): 1.0 Class Hours: 54.00 Laboratory total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade or concurrent enrollment in Biology 190.

This laboratory is a general examination of biology as it relates to the field of biotechnology. The laboratory addresses basic skills and techniques common to the biotechnology industry. Topics include the measurement of activity and quantity of proteins, growth and manipulation of bacteria, genetic engineering and antibody methods. This course is intended as a laboratory class for students majoring in applied biology and as a general education laboratory option for all students.

CSU/UC

Biology 191 (C-ID BIOT 150X = BIOL 191 + BIOL 193)**Biotech A: Basic Skills**

Unit(s): 4.0 Class Hours: 54.00 Lecture, 54.00 Laboratory total.

This course prepares students for entry-level work in the biotechnology industry by emphasizing the core concepts needed to work effectively in a bioscience laboratory. Topics include laboratory math, basic chemistry of buffers, healthy and safety, metrology and quality control. This course introduces students to standard biotechnology laboratory skills including laboratory measurement, maintenance of an industry standard notebook, preparation and sterilization of solutions, reagents and media, proper use and maintenance of laboratory equipment, adherence to quality control protocols and lab safety regulations, data collection and evaluation, basic separation methods, aseptic technique and documentation.

CSU

Biology 192 (C-ID BIOT 220X)**Biotech B: Proteins**

Unit(s): 4.0 Class Hours: 54.00 Lecture, 54.00 Laboratory total.

Prerequisite: Biology 191 with a minimum grade of C.

This course is an introduction to protein purification techniques including sample preparation, protein separation and purification, column chromatography, large-scale recovery, and use of assays for recovery analysis. It provides hands-on training with chromatography systems and assays used in industry and research laboratories. Application of current Good Manufacturing Process (cGMP), Good Laboratory Practice (GLP), and Standard Operating Procedures (SOP's) in relation to these techniques will be addressed. This course covers methods utilized for eukaryotic cell culture protein purification.

CSU

Biology 193 (C-ID BIOT 150X = BIOL 191 + BIOL 193)**Biotech C: Nucleic Acids**

Unit(s): 4.0 Class Hours: 54.00 Lecture, 54.00 Laboratory total.

Prerequisite: Biology 191 with a minimum grade of C.

This course introduces the fundamental skills in applied biotechnology focusing on the upstream research and development process. Skills include maintenance of an industry standard notebook; preparation and sterilization of solutions, reagents and media; utilization of good aseptic technique; proper use and maintenance of laboratory equipment; adherence to quality control protocols, lab safety regulations; biomolecules, cell structure, gene expression, molecular techniques including DNA/RNA extraction and purification, bioinformatics, polymerase chain reaction, electrophoresis, DNA sequencing, recombinant DNA technology, DNA cloning, fluorescence in situ hybridization, and Southern blot analysis, and in vitro transcription. Compliance with industry standards and regulations will be incorporated into course procedures.

CSU

Biology 194 (C-ID BIOT 210X)**Quality and Regulatory Compliance in Biosciences**

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

This course will cover quality assurance and regulatory compliance for the bioscience industries. Topics will span quality control and Federal Drug Administration (FDA) regulations for the biotechnology, biopharmaceutical, biomedical device, and food industries. Theories and application of quality assurance and quality control will be presented and several different quality systems will be discussed such as cGXP (current Good Practices), ISO9000 (International Standards Organization), Six Sigma and Lean.

CSU

Biology 195**Biotech: QC/QA Microbiology**

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Prerequisite: Biology 229 with a minimum grade of C.

This course will cover the skills necessary to work in a regulated quality control microbiology laboratory.

CSU

Biology 197**Work Experience - STEM internship**

Formerly: STEM Internship/Work Experience

Unit(s): 1.0 - 4.0 Class Hours: 54.00-216.00 Lecture total.

Prerequisite: Successful completion of 10 units from Biotech course series.

Supervised paid or volunteer experience in student's major including new or expanded responsibilities. This course is designed to assist students to acquire desirable work habits, attitudes and skills in a field related to the students' major to enable them to become productive employees. This course also provides students with career awareness for jobs. This course also provides students with career awareness for jobs. 54 hours of paid work equals one unit of course credit. Student repetition is allowed per Title 5, section 55253. Students may earn a maximum of 14 units of credit for work experience. Grade: Pass/No Pass Only. Open Entry/Open Exit.

CSU

BIOL 198**Topics**

Unit(s): 0.50-4.0 Class Hours: 9.00-72.00 Lecture total.

Specialized courses on topics related to the needs of students in biology.

CSU

BIOL 199**Independent Study**

Unit(s): 1.00-3.00 Class Hours: 18.00-54.00 Lecture total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: Enrollment in at least one other class at either Santa Ana College or Santiago Canyon College. And Must show evidence of competence in their academic major and in the area in which they propose to conduct independent study.

Under faculty direction, students can increase their knowledge in specific areas of biology through directed field experience, research, readings and independent study. Students can also develop laboratory skills and competencies. Divisional approval required.

CSU

Biology 200**Human Ecology**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

A biological and physical science introduction to environmental problems such as energy, resources, pollution, land use, population and food, including economic and political factors. A natural science elective. (Same as Environmental Studies 200).

CSU/UC

Biology 202**Cell Culture Techniques**

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Prerequisite: Biology 191 with a minimum grade of C.

Students will learn eukaryotic cell culture techniques that include working under aseptic conditions, sterile techniques, media preparation, quantification and passage of cell lines. Laboratory experience prepares students for work in industry.

CSU

Biology 211 (C-ID BIOL 190)**Cellular and Molecular Biology**

Unit(s): 5.0 Class Hours: 54.00 Lecture, 108.00 Laboratory total.

Prerequisite: Intermediate algebra or equivalent, or a qualifying profile based on multiple measures, and Chemistry 219 or 219H with a minimum grade of C.

An investigation into the molecular and cellular basis of life, including the evolution of cells, cell structure and function, energy and information flow, cellular reproduction, genetics, and the molecular basis of inheritance.

Required of majors in biology, medicine, forestry, and agriculture.

CSU/UC

Biology 212 (C-ID BIOL 130S = BIOL 212 + BIOL 214)**Animal Diversity and Ecology**

Unit(s): 5.0 Class Hours: 54.00 Lecture, 108.00 Laboratory total.

Prerequisite: Biology 211 with a minimum grade of C.

A study of ecological principles and relationships between animal diversity and ecosystems. Habitat, populations, ecological interactions, and environmental influences are stressed while surveying animal diversity and addressing structure, function, behavior, and adaptation of major taxonomic groups. Required of majors in biology, medicine, forestry and agriculture. Field trips required.

CSU/UC

Biology 214 (C-ID BIOL 130S = BIOL 212 + BIOL 214)**Plant Diversity and Evolution**

Unit(s): 5.0 Class Hours: 54.00 Lecture, 108.00 Laboratory total.

Prerequisite: Biology 211 with a minimum grade of C.

Principles and processes of evolution leading to biodiversity. Survey of the organisms, viruses, prokaryotes, fungi, algae, and plants with emphasis on evolutionary adaptations of the anatomy, physiology, and life cycles of these organisms. Field trips required.

CSU/UC

Biology 217**Pathophysiology**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Biology 239 and Biology 249 with a minimum grade of C.

Covers the functional changes in human physiology resulting from disease or injury. Clinical correlations are used to compare typical physiological processes and atypical pathophysiological processes affecting cells, tissues, organs, and organ systems across the life span. Includes the etiology, clinical presentation, and possible treatment of diseases or injuries.

CSU/UC

Biology 229**General Microbiology**

Unit(s): 5.0 Class Hours: 54.00 Lecture, 108.00 Laboratory total.

Prerequisite: Biology 109/109H and 109L, or Biology 190 and 190L, or Biology 139, or 149, or 211, or 239, or 249, or Chemistry 209 with a minimum grade of C.

Introduction to microorganisms, their classification, structure, biochemistry, growth, control, and interactions with other organisms and the environment. Designed for biology, preprofessional, and prenursing (BSN) majors.

CSU/UC

Biology 239 (C-ID BIOL 110B)**General Human Anatomy**

Unit(s): 4.0 Class Hours: 54.00 Lecture, 54.00 Laboratory total.

Structure of the human body. Systems, organs, and tissues are studied from human skeletons, models, charts, slides and various electronic programs. Laboratory includes the dissection of a cat and periodic demonstrations of a prosected cadaver as available.

CSU/UC

Biology 249 (C-ID BIOL 120B)**Human Physiology**

Unit(s): 4.0 Class Hours: 54.00 Lecture, 54.00 Laboratory total.

Prerequisite: Biology 239 with a minimum grade of C or similar Human Anatomy course.

Microscopic, macroscopic, and dynamic view of the human physiological processes. The lecture portion includes a thorough consideration of both "cell and systems" physiology. Laboratory work includes the use of techniques used in basic research, an introduction to the use of standard medical equipment, and the performance of medical laboratory tests. Non-invasive experiments are performed on students enrolled in the class.

CSU/UC

Biology 259**Environmental Biology**

Unit(s): 4.0 Class Hours: 54.00 Lecture, 54.00 Laboratory total.

Introduction to Environmental Biology. Includes study of ecosystems, population dynamics, classification, diversity of plant and animal species, effects of pollutants at both the cellular and organismal levels, and principles of ecology (Same as Environmental Studies 259). Field trips required. (Same as Environmental Studies 259).

CSU/UC

Biology 275**Cell and Molecular Biology**

Unit(s): 4.0 Class Hours: 54.00 Lecture, 54.00 Laboratory total.

Prerequisite: Chemistry 219 or Chemistry 219H with a minimum grade of C and Intermediate algebra or equivalent, or a qualifying profile based on multiple measures.

This combined lecture and lab course is designed for majors within the biological sciences and pre-health profession field. This course is an investigation on the fundamental concepts of biology that include but are not limited to the following: prokaryotic and eukaryotic cell biology, biological molecules, membrane dynamics, homeostasis, cell communication and reproduction, metabolism including cellular respiration and photosynthesis, molecular genetics, molecular genetics, and biotechnology. The philosophy of science, methods of scientific inquiry and experimental design are foundational to the course.

CSU

Biology 290**Biochemistry and Molecular Biology**

Unit(s): 5.0 Class Hours: 54.00 Lecture, 108.00 Laboratory total.

Prerequisite: Biology 211 and Chemistry 209 with a minimum grade of C.

Introduction to biochemistry and molecular biology. Included are discussions of biological macromolecules, energy production, metabolic pathways and regulation, genetic code, genomics, DNA replication, transcription and RNA processing, translation, and gene regulation. Laboratory activities will include use of visible and UV spectroscopy, chromatography, cell fractionation, ultracentrifugation, protein purification, electrophoresis, and recombinant DNA methods. This course is designed for biology majors, health pre-professionals, and biotechnology majors.

CSU/UC

BLACK STUDIES (BLST)**Black Studies 150****Introduction to African/Black American Studies**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course is an introduction to the field of African/Black American Studies. A trans-disciplinary, multisectoral, and multidimensional approach will be employed to study African/Black Americans' various experiences and contributions to American society and culture. The course will cover historical and contemporary issues, including African origins, the development of African/Black American culture, the struggles of the African/Black American family, African/Black American political life, and African/Black American people's socioeconomic empowerment in the United States.

CSU/UC

BUSINESS (BUS)**Business 080****Business Mathematics**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course is designed to enable students to learn and apply mathematics skills in business including review of fractions, decimals, percents, banking, discounts, markups, payroll, interest calculation, installment buying, mortgages, depreciation, taxes, insurance, stocks, bonds, and mutual funds.

Business 100 (C-ID BUS 110)**Fundamentals of Business**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

A survey in business providing a multidisciplinary examination of how culture, society, economic systems, legal, international, political, financial institutions, and human behavior interact to affect a business organization's policy and practices within the U.S. and a global society. Demonstrates how these influences impact the primary areas of business including: organizational structure and design; leadership, human resource management, organized labor practices; marketing; organizational communication; technology; entrepreneurship; legal, accounting, financial practices; the stock and securities market; and therefore affect a business' ability to achieve its organizational goals.

CSU/UC

Business 101 (C-ID BUS 125)**Business Law**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Fundamental legal principles pertaining to business transactions. Introduction to the law as an instrument of social and political control in society. Topics include sources of law and ethics, contracts, torts, agency, judicial and administrative processes, employment law, forms of business organizations, and domestic and international governmental regulations. Intended for transfer to Cal State Northridge. All others see Law 105 and Bus 105. Check with counselor for appropriate class.

CSU/UC

Business 103**Work Experience - Business***Formerly: Cooperative Work Experience - Occupational*

Unit(s): 1.0 - 4.0 Class Hours: 54.00-216.00 Lecture total.

This work experience course of supervised employment is designed to assist students to acquire desirable work habits, attitudes and skills in a field related to the students' major so as to enable them to become productive employees. This course also provides students with career awareness for jobs. 54 hours of work equals one unit of course credit. Student repetition is allowed per Title 5, Section 55253. Students may earn a maximum of 14 units of credit for work experience. Grade: Pass/No Pass Only. Open Entry/Open Exit.

CSU

Business 105 (C-ID BUS 120)
Legal Environment of Business

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Fundamental legal principles pertaining to business transactions. Introduction to the law as an instrument of social and political control in society. Topics include sources of law and ethics, contracts, torts, agency, judicial and administrative processes, employment law, forms of business organizations, and domestic and international governmental regulations. (Same as Same as LAW 105).
 CSU/UC

Business 106
Culture and International Business-Kiss, Bow Or Shake Hands

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

In today's globalized business landscape, mastering the nuances of diverse cultures is essential. "Culture and International Business" delves deep into cross-cultural dynamics, giving you the analytical tools and greater understanding of local sensitivities. Discover how key business areas-from marketing to HR-benefit from cultural intelligence. Equip yourself with cultural competence, sharpened negotiation skills, and the latest business theories to stand out in international markets. Embrace the power of diverse insights, as this course melds equity and inclusivity principles, giving you a comprehensive grasp of international business cultures, effective cross-cultural communication, and strategic negotiation techniques.
 CSU

Business 110
Export Pricing, Quotations and Terms of Trade

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

Learn how to respond to trade inquiries. Learn international trade terms of sale, international pricing and supply chain management. Learn how to calculate landed costs and export pricing.
 CSU

Business 113
International Transportation

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

Learn how to ship products internationally and develop a transportation strategy. Includes transportation terminology, the role of the freight forwarder, transportation documentation, freight cost calculations, major ports of the world, and distribution issues.
 CSU

Business 115
Global Shipping and Logistics

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Learn how to respond to international trade inquiries, understand international trade terms of sale for import and export, and how to calculate landed costs. Learn how to create and issue import and export documents used in selling or buying products globally. Includes the creation and use of actual documents used in global trade. Learn how to ship products internationally and develop a transportation strategy. Learn about transportation terminology, the role of the freight forwarder, transportation documentation, freight cost calculations, major ports of the world, and distribution methods. Create documents for product inspection, health/agricultural registrations, and hazardous materials shipments. Utilize actual documents, software, and resources necessary to effectively complete documentation required for international trade. Get introduced to supply chain management and inventory control.
 CSU

Business 116
Global Marketing: Selling Around the World

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Learn how to adapt marketing techniques to international markets, how to develop marketing strategies, and how to target markets based on the cultural, political and economic environments. Learn how to create forecasts and budgets for international markets. (Same as Marketing 116).
 CSU

Business 117
Global Commerce and Management

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Learn to create business contracts in the global marketplace and how to use the U.N. Convention on Contracts for the International Sale of Goods. Learn about financial mechanisms and laws regulating international distribution. Learn about international limited liability companies, and foreign direct investment. Learn how countries join together to create trade. Includes NAFTA/USMCA, GATT, the EU and other trade agreements around the world. Explore management and law in different legal environments as well as U.S. export regulations.
 CSU

Business 118
Importing: Global Sourcing and Markets

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Learn how importing works. Evaluate the potential of an import business. Contact vendors and source products. Determine import classification, tariffs and taxes and calculate landed costs to import into the U.S. Understand import regulations.
 CSU

Business 119
Doing Business in Latin America and Asia

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Learn about the advantages of growing your business by doing business in other regions around the world. Learn about the cultural, linguistic, structural and legal differences in order to be successful in these countries. Learn about the specifics of doing business in Latin American and Asian regions and countries including but not limited to Mexico, Vietnam, China, Central America, Brazil, Chile, and Japan.
 CSU

Business 120
Principles of Management

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Principles of Management provides students with an overview of the role of management in business. This course is for students who plan on becoming supervisors and managers in their field. It introduces students to the theories, terminology and foundations of management including the functional areas of planning, organizing, leading, and controlling within the context of social and cultural perspectives related to gender, age, race and ethnicity. (Same as Management 120).
 CSU

Business 121
Human Relations and Organizational Behavior

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course explores managing human behavior in organizations and is designed to give students exposure to essential theories, practices and methods used within organizations to promote effective behavior. Topics tie human behavior to organizational dynamics, communication, leadership, power structures, and organizational design. (Same as Management 121).
 CSU

Business 125**Introduction to International Business**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Discover how businesses, while strategizing their international expansion, consider the importance of cultural inclusivity, local market sensitivities, and equitable management practices. Explore international marketing strategies, cross-border finance mechanisms, international standards, and efficient logistics and supply chain operations. Recognize and respect varied business practices and norms. Learn about the nuances involved in product development, international distribution, and sales strategies that are responsive to the diverse needs and preferences of international consumers.

CSU

Business 127**Introduction to E-Commerce**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Electronic commerce from a managerial perspective focusing on the retailing, business-to-business, and service industries. Topics include e-commerce infrastructure, intranets and extranets, electronic payment systems, marketing research, advertising, e-commerce strategies, and privacy issues. (Same as Marketing 127).

CSU

Business 130**Personal Finance**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Intermediate algebra or equivalent, or a qualifying profile based on multiple measures.

This course is designed to empower individuals with various tools to manage their money and make sound lifelong financial decisions. Topics include financial planning, income and expense management, investment analysis, retirement planning, consumerism, insurance, estate planning, home ownership and credit management. This course uses financial, tax, and mathematical calculations. Students will take a hands-on approach to such learning and skill development with problem-solving assignments and projects that require them to explain information presented in tax forms and financial statements. They will also obtain the knowledge and skills required to convert financial information into portrayals that contribute to an understanding of present and future personal and family financial needs. Students will also be provided with opportunities to analyze and synthesize on documents and reports. They will develop the logical reasoning skills needed by informed and productive citizens. Moreover, instructors will (a) provide student-centered activity-based instruction, (b) emphasize the conceptual understanding and skills of mathematics and quantitative reasoning, and (c) facilitate the development of competence and confidence in problem-solving abilities.

CSU/UC

Business 140**Principles of Finance**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An introduction to corporate financial management and the functioning of global financial markets. Includes financial planning and analysis, working capital management, capital budgeting, time value of money, risk analysis, capital markets, and long term financing.

CSU

Business 141**The Globalization of Marketing**

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

Learn how to adapt marketing techniques to international markets, how to develop marketing strategies, and how to target markets based on the cultural, political and economic environments. Learn how to create forecasts and budgets for international markets.

CSU

Business 147**International Commercial Agreements and Distribution Law**

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

Learn to create business contracts in the global marketplace and how to use the U.N. Convention on Contracts for the International Sale of Goods. Learn about contracts with foreign sales representatives and laws regulating international distribution. Learn about international limited liability companies and foreign direct investment laws. (Same as Paralegal 147).

CSU

Business 150 (C-ID ITIS 120, C-ID BUS 140)**Introduction to Information Systems and Applications**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Introduction to computer concepts and management information systems. Application software will be used to solve business problems.

CSU/UC

Business 160**Introduction to Stock and Bond Investments**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An introductory course in investment decision-making. Topics covered are types of securities, securities markets, stocks, bonds, options, mutual funds, value analysis, international investing, portfolio management, and financial planning.

CSU

Business 163**International Methods of Payment and Letters of Credit**

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

Analyze international methods of payment to determine risks and benefits. Learn how to initiate and utilize a letter of credit and its role in international transactions. Learn how to check customer credit and assign payment terms.

CSU

Business 170**Principles of Small Business Management**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Practical business skills needed to start and operate a small business. Includes information on risk management, site location, legal aspects, financing, budgeting, merchandising, promotion, and management techniques.

CSU

Business 180**Finding and Evaluating Products for Import**

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

Evaluate the potential of an import business. Contact vendors and source products. Determine import classification, tariffs and taxes and calculate landed costs to import into the U.S.

CSU

Business 222 (C-ID BUS 115)**Business Writing**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: English 101 or 101H with a minimum grade of C.

Overview of oral and written communication skills used in business. Emphasizes guidelines for improving writing and speaking skills, common solutions to common communication problems, ethical issues facing business communicators today, instructions on how to identify areas of legal vulnerability, and tested techniques for communicating successfully in today's high-tech, international business environment.

CSU

BUSINESS APPLICATIONS (BA)

Business Applications 100

Business Writing Skills

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Build essential business writing skills using best practices to write clear, effective, and professional content for documents. Course includes proper business usage of grammar, sentence structure, punctuation, vocabulary, writing strategies based on goals, content organization, and pre-writing. Professional training in written communications including email, memos, letters, and reports. Develop editing and proofreading skills for business projects including presentations, brochures, and online content.
CSU

Business Applications 102

Professional Skills & Career Readiness

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Develop and improve professional business skills using current standards and technology including employment readiness skills, leadership, customer service, teamwork and collaboration skills, effective communication, job search, and advancement. Instruction includes professional image, business ethics, office management, problem-solving and decision-making skills, interpersonal skills, time and stress management, business travel, and effective meetings.
CSU

Business Applications 103

Business Mathematics

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course is designed to enable students to learn and apply mathematics skills in business including review of fractions, decimals, percents, banking, discounts, markups, payroll, interest calculation, installment buying, mortgages, depreciation, taxes, insurance, stocks, bonds, and mutual funds.
CSU

Business Applications 110

Computer Keyboarding Skills

Unit(s): 0.5 Class Hours: 9.00 Lecture total.

This course is the first step in learning proper keyboarding techniques with accuracy using correct hand and finger positioning. Students will follow step-by-step instructions for all alphabet, punctuation, enter/return, and capitalization using shift keys. Typing correctly without errors will provide the skills necessary to develop speed with accuracy.
CSU

Business Applications 115

Computer Keyboarding Speed and Accuracy Development

Unit(s): 0.5 Class Hours: 9.00 Lecture total.

After the basic keyboarding skills have been mastered, the most important next step is to take this course to develop and increase speed with accuracy. Students will use drills and timed writing tests to develop speed and accuracy to meet current business employment typing requirements and make the use of business technology faster and easier. Typing skills with a minimum 20 words per minute (WPM) using proper techniques or completion of BA 110 recommended.
CSU

Business Applications 125

Microsoft Word

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Learn the most efficient methods of creating, editing, formatting, and printing professional business documents faster and easier. Beginners as well as experienced Word users will benefit from learning proper file setup and shortcuts using current business standards. Students will master basic skills and learn advanced features and techniques to produce a wide variety of documents including letters, resumes, and reports. This course will prepare the student for the Microsoft Office Specialist (MOS) Word and Word Expert exams to earn industry recognized certifications to validate technical skills for employers.
CSU

Business Applications 126

Microsoft Outlook

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Learn how business professionals use all the features in Microsoft Outlook for information management to improve communication and increase productivity. Topics include proper email usage, create meeting invites, schedule appointments, manage contacts, organize emails, manage calendars, email security, customize settings, and create backups. This course will prepare the student for the Microsoft Office Specialist (MOS) Outlook exam to earn an industry recognized certification to validate technical skills for employers.
CSU

Business Applications 127

Microsoft Teams

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Learn how business professionals use all the features in Microsoft Teams for effective communication in modern workplaces and working remotely. Instruction includes effective collaboration, proper techniques in creating and managing private and public teams and channels, scheduling and managing virtual meetings and live events, team chat, video communication, webinars, file sharing management, setting permissions, handling security issues, and integrating with other Microsoft apps (Word, Excel, PowerPoint). Use practical scenarios to improve collaboration inside and outside of an organization and increase productivity.
CSU

Business Applications 130

Introduction to Spanish Bilingual Interpreting

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Introduction to Spanish and English bilingual skills for a career as an interpreter or translator. Learn about the various industries that employ bilingual skills to provide interpreting and translating services for business, medical, legal, government, and education. Course includes proper translation of industry terminology, written and verbal translation techniques, professional role, and code of ethics. Fluency in Spanish and English is strongly recommended.
CSU

Business Applications 131

Business Interpretation and Translation - Spanish/English

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Business Spanish and English bilingual skills required for interpreters and translators to provide professional interpreting and translating services to business, government, and education. Topics include proper translation of communications, industry terminology, forms, Individualized Educational Plan (IEP) form, social media, marketing, advertising, presentations, government documents, professional role, standards, and code of ethics. Fluency in Spanish and English is strongly recommended.
CSU

Business Applications 132**Medical Interpretation and Translation-Spanish/English**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Medical Spanish and English bilingual skills required for interpreters and translators to provide professional interpreting and translating services to medical offices, hospitals, dental offices, clinics, and other healthcare services. Topics include proper translation of medical terminology, professional role, standards, code of ethics, medical signs and symptoms, health insurance, and medical forms. Fluency in Spanish and English is strongly recommended.

CSU

Business Applications 133**Legal Interpretation and Translation - Spanish / English**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Legal Spanish and English bilingual skills required for interpreters and translators to provide professional interpreting and translating services to law offices, courts, law enforcement, government, and other legal related business. Topics include proper translation of legal terminology, consecutive mode of interpreting in a legal setting, professional role, standards, code of ethics, documents, forms, court reporting, and legal cases. Fluency in Spanish and English is strongly recommended. (Same as LAW 133).

CSU

Business Applications 140**Introduction to Vietnamese Bilingual Interpreting**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Introduction to Vietnamese and English bilingual skills for a career as an interpreter or translator. Learn about the various industries that employ bilingual skills to provide interpreting and translating services for business, medical, legal, government, and education. Course includes proper translation of industry terminology, written and verbal translation techniques, professional role, and code of ethics. Fluency in Vietnamese and English is strongly recommended.

CSU

Business Applications 141**Business Interpretation and Translation - Vietnamese / English**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Business Vietnamese and English bilingual skills required for interpreters and translators to provide professional interpreting and translating services to business, government, and education. Topics include proper translation of communications, industry terminology, forms, Individualized Educational Plan (IEP) form, social media, marketing, advertising, presentations, government documents, professional role, standards, and code of ethics. Fluency in Vietnamese and English is strongly recommended.

CSU

Business Applications 142**Medical Interpretation and Translation - Vietnamese / English**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Medical Vietnamese and English bilingual skills required for interpreters and translators to provide professional interpreting and translating services to medical offices, hospitals, dental offices, clinics, and other healthcare services. Topics include proper translation of medical terminology, professional role, standards, code of ethics, medical signs and symptoms, health insurance, and medical forms. Fluency in Vietnamese and English is strongly recommended.

CSU

Business Applications 143**Legal Interpretation and Translation - Vietnamese / English**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Legal Vietnamese and English bilingual skills required for interpreters and translators to provide professional interpreting and translating services to law offices, courts, law enforcement, government, and other legal related business. Topics include proper translation of legal terminology, consecutive mode of interpreting in a legal setting, professional role, standards, code of ethics, documents, forms, court reporting, and legal cases. Fluency in Vietnamese and English is strongly recommended.

(Same as LAW 143).

CSU

Business Applications 146**Computer Fundamentals**

Unit(s): 1.5 Class Hours: 27.00 Lecture total.

Learn current computer technology for business and personal use including hardware components and software applications using current standards. Topics also include Internet, virus protection, networking, cloud computing, and Wi-Fi. Helpful tips to make using the computer easier, faster, and more efficient. Course is designed for beginner and experienced users needing to update and build business technology knowledge and skills.

CSU

Business Applications 147**Microsoft Windows, OneDrive & OneNote**

Unit(s): 1.5 Class Hours: 27.00 Lecture total.

This course is designed for beginning and experienced computer users needing to update and build business technology skills in using Windows. Customize settings including Start menu tiles, task bar, shortcuts, and pin apps. Learn efficient methods of using Cortana and Microsoft Edge browser. Save ideas and organize notes for planning and meetings using OneNote, a digital note-taking app. Learn proper management of files and folders using File Explorer and OneDrive cloud storage.

CSU

Business Applications 149**Technology for Interpreters & Translator**

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

Learn the technology and equipment used by professional interpreters and translators. Develop skills in using hardware and software for in-person and remote interpreting and translating. Integrating digital tools and modern techniques will increase efficiency, accuracy, and productivity in written translation and verbal interpreting. Bilingual proficiency in English and Spanish or Vietnamese is strongly recommended.

CSU

Business Applications 153**Social Media Apps for Employment and Business**

Unit(s): 1.5 Class Hours: 27.00 Lecture total.

Boost your career or business by learning the latest trends in using social media applications from a professional social media expert. Learn how to use all the features in the leading social media apps to find employment, promote a business, and network with professionals. Tips on how to improve the quality and effectiveness of your social media presence. Apply security best practices to secure social media applications from hackers. Learn proactive and professional techniques in handling reviewer comments. Live stream videos on social media including from drones. Hands-on instruction in social media apps including LinkedIn, Facebook, Instagram, X (formerly Twitter), TikTok, YouTube, Yelp, Google, Pinterest, and Snapchat, and Threads. Develop a social media portfolio. This course is designed for beginner and experienced social media users.

CSU

Business Applications 154**Search Engine Optimization and Web Statistics Apps for Business**

Unit(s): 1.5 Class Hours: 27.00 Lecture total.

Learn how search engines work, website structure with Search Engine Optimization (SEO), competitive keyword research, writing content for search friendly websites, elective link building, and Search Engine Marketing (SEM) with Google Ads. Learn how business professionals use web statistics applications, such as Google Analytics, to analyze and track the effectiveness and performance of web pages and content to determine SEO and SEM practices. Learn how to use apps to measure site traffic, ad performance, Return on Investment (ROI), and conversions. Create an account, set up custom campaigns, and work with reports. This course is designed for beginner and experienced users.

CSU

Business Applications 155**WordPress**

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

WordPress is one of the most popular Content Management Systems (CMS) used to build professional web sites and blogs for business. Learn proper software and current Search Engine Optimization (SEO) techniques to create and maintain a responsive website and blog. Understand the difference of using WordPress.com and WordPress.org.

CSU

Business Applications 158**Introduction to Drones**

Unit(s): 1.5 Class Hours: 27.00 Lecture total.

Introduction to using drones for commercial and recreational use. Learn how to fly drones safely and legally. Topics include types of drones, taking photos, recording videos, live stream for social media, FAA regulations, Part 107 remote pilot license and exam information, drone registration, preflight, and problem solve flight situations. Learn about the many careers and industries using drones (public safety, investigations, construction, engineering, inspections, real estate, marketing, media, delivery, insurance). Do not need to own or purchase a drone to take this course. Course is designed for beginning and experienced drone users.

CSU

Business Applications 159**Drones for Mapping**

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Learn how drones are used for terrain modeling, surveying, and mapping such as topography, site development, volume measurements, and contour elevation creation. Students will also learn the intricacies of mapping with drones and how it correlates with GPS technology. Course topics include Part 107 regulations, field drone mapping protocols, and drone mapping data processing. GEOG 101 or GEOG 155 is recommended. Course designed for beginning and experienced drone users. Drones provided in class.

CSU

Business Applications 160**Microsoft Publisher**

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Learn to use Microsoft Publisher, a desktop publishing application integrating text and images for professional page layout for business projects including brochures, flyers, newsletters, and multi-page publications. Students will learn proper techniques in creating, editing, formatting, exporting PDF, printing, and preparing a publication for distribution using current business standards.

CSU

Business Applications 161**Introduction to Drone Laws**

Unit(s): 0.5 Class Hours: 9.00 Lecture total.

An introduction to drone laws for first responder, public safety, commercial and recreational drone users. Topics include the application of federal, state and local laws, third party liability issues, and basics of public safety drone law issues.

CSU

Business Applications 163**Adobe Acrobat**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Learn to use Adobe Acrobat Pro DC to create, edit, sign, secure, and optimize PDF documents for print, web, and email. Topics include create fillable PDF forms, combine and arrange multiple files, convert PDF to Microsoft Office file formats, insert multimedia (graphics, video, audio), add security (restrictions with passwords), accessibility compliance, digital signatures, review process (add comments, proofing marks), page links, bookmarks, Bates Numbering, and Redact tool for redacting text for legal and business documents.

CSU

Business Applications 164**Adobe Photoshop**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Learn to use Adobe Photoshop for photo image editing to enhance print and web business and marketing projects based on current industry standards and proper techniques. Topics include graphics terminology, color correction, stock images, photo repair and restoration, proper file setup, export, masking, filters, special effects, and editing video. This course will prepare the student for the Adobe Certified Professional (ACP) exam to earn an industry-recognized certification.

CSU

Business Applications 166**Adobe Illustrator**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Learn to use Adobe Illustrator to digitally create, manipulate, and export vector-based graphics, illustrations, drawings, logos, business cards, and simple page layouts to enhance print and web business and marketing projects based on current industry standards and proper techniques. This course will prepare the student for the Adobe Certified Associate (ACA) exam to earn an industry-recognized certification.

CSU

Business Applications 169**Adobe Dreamweaver**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Learn to use Adobe Dreamweaver to create, publish, and manage professional web sites for any size screen and device using current business standards, technology, and proper techniques. The course includes site mapping, wireframes, search engine optimization (SEO), responsive design, HTML5, cascading style sheets (CSS), links, proper setup of web images, cross-browser testing, W3C validation, and publishing. This course will prepare the student for the Adobe Certified Professional (ACP) exam to earn an industry-recognized certification.

CSU

Business Applications 170**Adobe InDesign**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Learn how to use Adobe InDesign to produce professional page layout projects such as brochures, newsletters, flyers, magazines, and books for print and web digital publications using current business standards and techniques. Topics include typography, paragraph and character styles, importing and linking graphics, integrating Photoshop and Illustrator files, applying color, master pages, frames, proper file setup, fixed-layout EPUB, prepress, and preflight. This course will prepare the student for the Adobe Certified Professional (ACP) exam to earn an industry-recognized certification.

CSU

Business Applications 171**Adobe Premiere Pro**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Learn to use Adobe Premiere Pro, the industry-leading video editing software, to create professional business and marketing video projects for web sites and social media. Learn with step-by-step, project-based lessons using all the tools and proper techniques based on current business standards. This course will prepare the student for the Adobe Certified Professional (ACP) Premiere Pro exam to earn an industry certificate to validate technical skills for employers.

CSU

Business Applications 172**Adobe After Effects**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Learn how to use Adobe After Effects to create professional motion graphics and video effects for business presentations, company profiles, and marketing projects for web and social media. Learn with step-by-step, project-based lessons using all the tools and proper techniques based on current business standards to create, manipulate, and optimize multimedia projects. This course will prepare the student for the Adobe Certified Professional (ACP) After Effects exam to earn an industry certificate to validate technical skills for employers.

CSU

Business Applications 173**Adobe Animate**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Learn to use Adobe Animate for animation and multimedia design for business web sites, social media, banner ads, presentations, and online training tutorials based on current business standards. Topics include animation, importing sound and video, ActionScript, interactivity, testing, and publishing. This course will prepare the student for the Adobe Certified Professional (ACP) Animate exam to earn an industry certificate to validate technical skills for employers.

CSU

Business Applications 179**Microsoft Office (Word, Excel, Power Point)**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course is designed for beginning and experienced computer users to build business technology skills in Microsoft Office Word, Excel, and PowerPoint. Learn to use proper techniques to create, edit, format, add multimedia, export PDF, and print professional business documents, spreadsheets, and presentations. This course will prepare the student for the Microsoft Office Specialist (MOS) exams to earn industry recognized certifications in Word, Excel, and PowerPoint.

CSU

Business Applications 181**Everyone Can Code With Apple**

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Learn about mobile business applications, what it takes to develop a mobile app for your business, and how to market your business app successfully. This is an introductory course in using an Apple visual-based application software to create mobile applications for Apple products such as iPhone and Apple Watch. Students will use an iPad to explore fundamental concepts using application technology to build mobile apps for a business and inspire new career possibilities in business technology.

Business Applications 182**Google Apps & Google Dr**

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Build effective digital skills using Google Apps to create, edit, and share files. Work collaboratively and productively to complete common workplace activities using Google Docs, Sheets, Slides, Forms, Meet, and Hangouts. Use Google Drive to store, collaborate, and manage files and folders. Use Google Classroom to boost learning and collaboration between educators and students. Integrate with Microsoft Office apps and discuss other cloud apps including OneDrive and Dropbox. Course designed for business professionals, teachers, and students.

CSU

Business Applications 188**Microsoft Excel**

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

This course is designed for beginning and experienced computer users needing to build and update business technology skills to produce professional Excel worksheets. Learn proper techniques using current business standards to create, edit, format, export PDF, and print worksheets. Topics include charts, sorting, filtering, functions, and formulas. This course will prepare the student for the Microsoft Office Specialist (MOS) Excel exam to earn an industry recognized certification to validate technical skills for employers.

CSU

Business Applications 189**Advanced Microsoft Excel**

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

This course builds on the skills and concepts learned in the BA 188 Microsoft Excel course. Students will learn advanced functions and formulas, data analysis, PivotTables, PivotCharts, protecting and sharing workbooks, automating repetitive tasks, and other advanced Excel skills required for managing and presenting data for business. This course will prepare the student for the Microsoft Office Specialist (MOS) Excel and Excel Expert exams to earn industry recognized certifications to validate technical skills for employers.

CSU

Business Applications 190**Microsoft PowerPoint**

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Learn the latest features and techniques in creating captivating business slide presentations. Beginning and experienced PowerPoint users will benefit from learning proper file setup and professional presentation tips using current business standards. Topics include slide transitions, animation, and inserting infographics, charts, tables, images, videos, and audio. This course will prepare the student for the Microsoft Office Specialist (MOS) PowerPoint exam to earn an industry recognized certification to validate technical skills for employers.

CSU

CHEMISTRY (CHEM)

Chemistry 109

Chemistry in the Community

Unit(s): 4.0 Class Hours: 54.00 Lecture, 54.00 Laboratory total.

The non-science major will study practical applications of chemistry and the chemical principles behind them including: the scientific method, atomic structure, molecular models, and chemical reactions. Environmental and community issues will be the focus of student centered laboratories, discussions and field trips. Group work and computer activities will be used in this cooperative learning environment.

CSU/UC

Chemistry 115

Concepts in Physical Sciences for Educators

Unit(s): 4.0 Class Hours: 54.00 Lecture, 54.00 Laboratory total.

An investigation of basic principles of physics and chemistry including matter, physical and chemical properties, energy, motion, light, atomic structure, bonding, solutions and chemical reactions. The inter-dependence of chemistry and physics will be emphasized. Designed for non-science majors, concepts are introduced in lab through inquiry and further developed during discussion. (Same as Physical Science 115).

CSU/UC

Chemistry 209 (C-ID CHEM 101)

Introductory Chemistry

Unit(s): 4.0 Class Hours: 54.00 Lecture, 54.00 Laboratory total.

Prerequisite: Intermediate algebra or equivalent, or a qualifying profile based on multiple measures.

Basic concepts of matter: atomic structure, formulas, equation writing, nomenclature, gases and kinetic theory. Emphasizes properties of solutions, and the mole concept in quantitative chemistry. Prepares students for biology and Chemistry 219.

CSU/UC

Chemistry 210 (C-ID CHEM 102)

General, Organic and Biochemistry

Unit(s): 5.0 Class Hours: 72.00 Lecture, 54.00 Laboratory total.

Prerequisite: CHEM 209 with a minimum grade of C or a passing grade on current chemistry placement exam; and Intermediate Algebra or equivalent, or a qualifying profile based on multiple measures.

An introduction to the fundamental concepts of general, organic and biochemistry for majors in nursing and other allied health majors. Includes atomic structure, nuclear chemistry, bonding, solutions, acids and bases, organic nomenclature, hydrocarbons, alcohol, aldehydes, ketones, carboxylic acids, carbohydrates, proteins, lipids, nucleic acids and metabolism.

CSU/UC

Chemistry 219

(C-ID CHEM 110, C-ID CHEM 120S = CHEM 219 or 219H + CHEM 229)

General Chemistry

Unit(s): 5.0 Class Hours: 54.00 Lecture, 108.00 Laboratory total.

Prerequisite: Chemistry 209 with a minimum grade of C or Intermediate algebra or equivalent, or a qualifying profile based on multiple measures; and a passing score on current chemistry placement test.

Fundamental principles and concepts of chemistry including, but not limited to, atomic structure, quantum theory, periodic properties, stoichiometry, oxidation-reduction, molecular structure and bonding, gas laws, states of matter, solutions, chemical kinetics and chemical equilibrium.

CSU/UC

Chemistry 219H

(C-ID CHEM 110, C-ID CHEM 120S = CHEM 219 or 219H + CHEM 229)

Honors General Chemistry

Unit(s): 5.0 Class Hours: 54.00 Lecture, 108.00 Laboratory total.

Prerequisite: A college GPA or high school GPA for first term college students of 3.0 or higher; Chemistry 209 with a minimum grade of C or Intermediate algebra or equivalent, or a qualifying profile based on multiple measures; and a passing score on current chemistry placement test. Cumulative GPA of 3.0. Transcripts required to verify prerequisite.

Enriched and intensive study, including seminar approach, of fundamental principles and concepts of chemistry including, but not limited to, atomic structure, quantum theory, periodic properties, stoichiometry, oxidation-reduction, molecular structure and bonding, gas laws, states of matter, solutions, chemical kinetics and chemical equilibrium.

CSU/UC

Chemistry 229

(C-ID CHEM 120S = CHEM 219 or 219H + CHEM 229)

General Chemistry and Qualitative Analysis

Unit(s): 5.0 Class Hours: 54.00 Lecture, 108.00 Laboratory total.

Prerequisite: Chemistry 219 or Chemistry 219H with a minimum grade of C.

Continuation of Chemistry 219, including but not limited to ionic equilibrium, acid and base equilibrium, thermodynamics, electrochemistry, nuclear chemistry, organic chemistry and descriptive chemistry.

CSU/UC

Chemistry 249

(C-ID CHEM 150, C-ID CHEM 160S = CHEM 249 + CHEM 259)

Organic Chemistry I

Unit(s): 5.0 Class Hours: 54.00 Lecture, 108.00 Laboratory total.

Prerequisite: Chemistry 229 with a minimum grade of C.

This course is the first semester of a year of organic chemistry. This course will cover: structure and bonding, nomenclature, descriptive chemistry, reaction mechanisms, synthetic methods and IR spectroscopy for different functional groups including alkanes, alkenes, alkynes, alkyl halides, organometallics, alcohols, and ethers. Laboratory will include: separations/purifications identification, and simple syntheses.

CSU/UC

Chemistry 259 (C-ID CHEM 160S = CHEM 249 + CHEM 259)

Organic Chemistry II

Unit(s): 5.0 Class Hours: 54.00 Lecture, 108.00 Laboratory total.

Prerequisite: Chemistry 249 with a minimum grade of C.

This course is the second semester of a year of organic chemistry (continuation of Chemistry 249). It includes units on structure elucidation, aromatic compounds, carbonyl compounds, carboxylic acids and their derivatives, amines, and classes of biologically important compounds. More complex synthetic routes are explored. Laboratory work includes multi-step syntheses and unknown identification. Reaction mechanisms and use of spectroscopic techniques continue to be emphasized.

CSU/UC

CHICANO STUDIES (CHST)

Chicano Studies 150

Introduction to Chicana/Chicano Studies

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course introduces the field of Chicana/Chicano/Chican@/Chicanx/Xicana/Xicano/Xicana nx Studies. It is designed to acquaint students with the most significant social, political, economic, and historical aspects of the Chicana/Chicano/Chican@/Chicanx/Xicana/Xicano/Xicana nx experience in the United States. A trans-disciplinary, multisectoral, and multidimensional approach will be employed to study Chicanas/Chicanos/Chican@s/Chicanxs/Xicanas/Xicano s/Xicanxs various experiences and their contributions to American society and culture. This course will critically analyze the societal context in which the Chicana/Chicano/Chican@/Chicanx/Xicana/Xicano/Xicana nx have sought to maintain their culture. This course is designed to present a foundation in Chicana/Chicano/Chican@/Chicanx/Xicana/Xicano/Xicana nx Studies.

CSU/UC

CHILD DEVELOPMENT (CDEV)

Child Development 107 (C-ID CDEV 100)

Child Growth and Development (DS1)

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course examines the major physical, cognitive, social and emotional developmental milestones for children, from conception through adolescence. Emphasis on interactions between maturational processes and environmental factors. Students will observe children, evaluate individual differences, and analyze characteristics of development at various stages according to developmental theories. (No credit if a student has taken Psychology 157.)

CSU/UC

Child Development 108 (C-ID ECE 200)

Observation and Assessment for Early Learning and Development (DS3)

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Child Development 107 with a minimum grade of C. By the 1st week of the class, verification of the state-mandated Tdap vaccination, MMR immunization, flu vaccine, negative TB test, and statement of good health is required.

Introduces the appropriate use of assessment and observation tools and strategies to document young children's development and learning. The use of findings to inform and plan learning environments and experiences are emphasized. Recording strategies, rating systems, portfolios, and multiple assessment tools will be discussed along with strategies for collaboration with families and professionals.

CSU

Child Development 110 (C-ID CDEV 110)

Child, Family, and Community (DS2)

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

The processes of socialization focusing on the interrelationship of family, school, and community. Examines the influence of multiple societal contexts. Explores the role of collaboration between family, community, and schools in supporting children's development, birth through adolescence.

CSU/UC

Child Development 111A (C-ID ECE 120)

Principles and Practices of Teaching Young Children

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Child Development 108 and Child Development 110 with a minimum grade of C; By the 3rd week of the semester, verification of the state-mandated Tdap vaccination, MMR immunization, and negative TB test will be required.

This course examines the underlying historical and theoretical principles, and the developmentally appropriate practices of early childhood programs and environments. Emphasis will be on the key role of relationships, constructive adult-child interactions, and teaching strategies in supporting physical, social, creative, and intellectual development for all children. Students will explore the evolution of professional practices promoting advocacy, ethics, and professional identity. Students will be required to complete a minimum of 30 hours in an early childhood lab school setting.

Child Development 111B (C-ID ECE 130)

Introduction to Curriculum for Young Children

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Child Development 108 and Child Development 111A with a minimum grade of C. By the 1st week of the class, verification of the state-mandated Tdap vaccination, MMR immunization, flu vaccine, negative TB test, and statement of good health is required.

Developmentally appropriate curriculum and environments for children birth through age eight. Students will use knowledge of children's development, theories of learning and development, and examples from various models of developmentally appropriate practice to plan environments and curriculum in all content areas to support children's development and learning integrated throughout the indoor and outdoor settings. Students will be required to complete a minimum of 30 hours in an early childhood lab school setting.

CSU

Child Development 112 (C-ID ECE 220)

Health, Safety, and Nutrition for Children

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: By the 1st week of the class, verification of the state-mandated Tdap vaccination, MMR immunization, flu vaccine, negative TB test, and statement of good health is required.

Laws, regulations, standards, policies, procedures, and best practices related to health, safety, and nutrition in care and education settings for children birth through middle childhood. Includes the teacher's role in prevention strategies, nutrition and meal planning, integrating health safety and nutrition experiences into daily routines, and overall risk management.

CSU

Child Development 114

Careers in Teaching

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

Introduction to various professional roles in teaching, student populations, career paths, academic requirements, experience levels, and credentials required for a career in teaching. Students may participate in experiential service-learning, apprenticeship, internship, or volunteer hours in various teaching environments with teacher mentors or other professionals in the education field. Students will develop an educational plan with career objectives. (Same as Counseling 114).

CSU

Child Development 116A**Infant/Toddler Growth and Development (DS4)**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Child Development 107 and Child Development 108 with a minimum grade of C. By the 3rd week of the semester, verification of the state-mandated Tdap vaccination, MMR immunization, and negative TB test will be required.

A study of infants and toddlers from conception to age three including physical, cognitive, language, social, and emotional growth and development. Applies theoretical frameworks to interpret behavior and interactions between heredity and environment. Emphasizes the role of family and relationships in development.

CSU/UC

Child Development 116B**Care and Education for Infants and Toddlers (DS3)**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Child Development 107, Child Development 108, and Child Development 116A with a minimum grade of C or concurrent enrollment in Child Development 116A. By the 3rd week of the semester, verification of the state-mandated Tdap vaccination, MMR immunization, and negative TB test will be required.

Applies current theory and research to the care and education of infants and toddlers in group settings. Examines essential policies, principles and practices that lead to quality care and developmentally appropriate curriculum for children birth to 36 months.

CSU

Child Development 120A**Development of the School Age Child (DS5)**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An examination of the physical, cognitive, personality, and social development of children between the ages of five and twelve years. Attention will be paid to the scientific study of middle childhood, developmental trends, and diversity issues. Not offered every semester. (Same as Education 120A).

CSU/UC

Child Development 120B**School-Age Child Care and Recreation Activities (DS5)**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course will focus on school-age creative activities, including planning and implementing an appropriate before/after school curriculum. Attention will be paid to integrating academics, recreation, and creative activities suitable for school-age child care programs. (Same as Education 120B).

CSU

Child Development 200**Introduction to Technology in Early Childhood Education**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: By the 3rd week of the semester, verification of the state-mandated Tdap vaccination, MMR immunization, and negative TB test will be required.

This course provides students with knowledge about and experience with technological tools used in early childhood settings. Students will have the opportunity to evaluate technology's impact on children's growth and development and developmentally appropriate practices. Emphasis will be on basic knowledge and practice within a wide variety of current and emerging technologies and will focus on how to integrate them into the learning environment.

CSU

Child Development 205**Introduction to Children With Special Needs**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Introduces the variations in development of children and adolescents with special needs and the resulting impact on families. Includes an overview of historical and societal influences, laws relating to individuals with special needs, and the identification and referral process. (Same as Education 203).

CSU

Child Development 206**Curriculum and Intervention Strategies For Children With Special Needs**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Child Development 205 with minimum grade of C.

This course focuses on curriculum and intervention strategies for supporting young children's individual needs in partnership with their families. Focuses on the use of observation and assessment to meet children's individualized needs in inclusive and natural environments. Includes the role of the teacher as an intentional teacher and professional working with families, collaboration with interdisciplinary teams, and cultural competence.

CSU

Child Development 207**Supporting and Empowering Families of Children With Special Needs**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Child Development 205 with a minimum grade of C.

This course will provide teachers, intervention assistants, administrators, and parents with the tools necessary to support and empower families of children with disabilities and other special needs in early childhood and school-age programs. Techniques, strategies, and resources will be provided to support children in a natural and/or inclusive educational setting and to help guide parents to be advocates of their children.

CSU

Child Development 210**Creative Music Experiences for Young Children**

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Explores musical expression through songs and ballads, the elements of music, and diverse types of instruments as used in the early childhood curriculum. Includes the study of musical growth and development in young children and the use of music as a classroom management tool.

CSU

Child Development 214**Creative Art Experiences for Children**

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Emphasizes the child's (ages 2 through 8 years) ability to represent and expressively use art media. Includes theoretical as well as practical application and the role of adult in fostering creativity.

CSU

Child Development 215**Administration I: Programs in Early Childhood Education (DS6)**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Recommended Preparation: Twelve (12) units in Early Childhood Education.

This course is an introduction to the administration of early childhood programs. Students will learn about program types, budget, management, regulations, laws, development and implementation of policies and procedures. Additionally, they will examine administrative tools, philosophies, and techniques needed to organize, open, and operate an early care and education program.

CSU

Child Development 216**Administration II: Personnel and Leadership in Early Childhood Education (DS6)**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

*Recommended Preparation: Completion with a grade of "C" or better or a Passing grade in: Twelve (12) units in early childhood education**Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CDEV 215.*

This course provides effective strategies for personnel management and leadership in early care and education settings. Students will learn about legal and ethical responsibilities, supervision techniques, professional development, and reflective practices for a diverse and inclusive early care and education program.

CSU

Child Development 220**Understanding Child Abuse and Maltreatment-Trauma-Informed Teaching And Care in Early Childhood Settings***Formerly: The Child as a Victim*

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Specific emphasis on the experience of resilience-oriented care and the effects of trauma on the life-long child development from five vantage points: child, law, parents, social services and educator. Develop classroom strategies to holistic student centered care, teaching and learning to promote resilience and well-being, to include self-care best practices for professionals. Service-learning and field trips may be required. (Same as Counseling 220).

CSU

Child Development 221 (C-ID ECE 230)**Living and Teaching in a Diverse Society**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Examines the impact of various societal influences on the development of children's personal and social identity. Covers developmentally appropriate, inclusive, culturally relevant, and anti-bias approaches. Self-examination and reflection on issues related to social identity, stereotypes, and biases will be explored.

CSU/UC

Child Development 229**Brain Development and Learning**

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

This class explores the development of the brain for children from birth through adolescence, and how behavior and learning are affected. Brain-based learning strategies will be used to teach new ways of approaching learning including how to understand diverse learning styles. This course is designed for educators, parents, and students who are interested in knowing more about how the brain operates and how environment affects the brain.

CSU/UC

Child Development 230**Child Guidance and Classroom Management**

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

This course will define and explore developmentally appropriate expectations about young children's behavior. Students will learn the importance of the educator's knowledge about discipline strategies, effective communication skills, high-quality teacher and child interactions and the development of a skill set to address behavior issues and implement discipline strategies which are in alignment with the undesirable classroom behaviors. Behavior expectations will be defined and research-based behavioral observation skills, strategies, and assessments will be explored that best support children's various behaviors. Each student will create a community resource file of service agencies to include accessible behavior management resource materials that support teachers and students challenged with behavioral issues in the classroom. It is advised that students take this course in conjunction with working in a classroom setting.

CSU

Child Development 231**Developing Language and Literacy in Young Children**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Recommended Preparation: By the 1st week of the semester, verification of the state-mandated Tdap vaccination, MMR immunization, and negative TB test will be required.

Designed to introduce students to basic concepts of first and second language acquisition and literacy in young children, including classroom applications.

CSU

Child Development 232**Math and Science Methods for Early Learning Environments**

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Introduces early learning teachers to basic math and science principles and the standards established by the National Council of Teachers of Mathematics, National Science Content Standards for early learning environments and Next Generation Science Standards. This course includes theoretical and practical applications for problem-solving and critical thinking that are common to math and science. Students will develop a personal file of appropriate math/science activities for early learning.

CSU

Child Development 250**Adult Supervising and Mentoring in Early Care and Education**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Child Development 111B or Child Development 116B with a minimum grade of C. By the 3rd week of the semester, verification of the state-mandated Tdap vaccination, MMR immunization, and negative TB test will be required.

For the experienced teacher, a study of the methods and principles of supervising adults in early childhood classrooms. Emphasis is on the role of experienced classroom teachers who function as supervisors/mentors to new teachers and staff while simultaneously addressing program quality and the needs of children, parents, and other staff.

CSU

Child Development 297**Analyzing and Applying Teacher Strategies in the Classroom**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: By the 1st week of the class, verification of the state-mandated Tdap vaccination, MMR immunization, flu vaccine, negative TB test, and statement of good health will be required.

This course will provide students with essential skills to utilize a variety of current statewide assessment tools that address the quality of early childhood programs and the developmental levels of young children. In addition, students will identify strategies to help teachers effectively use intentional, child-focused, and content-driven curriculum. Students will also learn to be responsive to cultural diversity, English-language learners, and the unique needs of families.

CSU

Child Development 298A (C-ID ECE 210)**Practicum in Early Childhood Programs**

Unit(s): 3.5 Class Hours: 36.00 Lecture, 81.00 Laboratory total.

Prerequisite: Child Development 107, Child Development 108, Child Development 110, Child Development 111A, Child Development 111B, Child Development 112, and Child Development 221 with a minimum grade of C. And by the 3rd week of the semester, verification of the state-mandated Tdap vaccination, MMR immunization, and negative TB test will be required.

Under guided supervision in a RSCCD Child Development Center or approved mentor site, students will demonstrate competency in connecting theory to practice, and enhance professional-behaviors. Students will plan and implement child-centered, play-oriented approaches to teaching, learning, and assessment. Knowledge of curriculum content areas will be emphasized as students design, implement, and evaluate positive experiences for young children.

CSU

Child Development 298B**Practicum in Infant/Toddler Programs**

Unit(s): 3.5 Class Hours: 36.00 Lecture, 81.00 Laboratory total.

Prerequisite: Child Development 107, Child Development 108, Child Development 110, Child Development 112, Child Development 116A, Child Development 116B, and Child Development 221 with a minimum grade of C. And By the 3rd week of the semester, verification of the state-mandated Tdap vaccination, MMR immunization, and negative TB test will be required.

Under guided supervision in a RSCCD Child Development Center or approved mentor site, students will demonstrate competency in connecting theory to practice and enhance professional behaviors. Students will plan and implement infant/toddler-centered, play-oriented approaches to teaching, learning, and assessment. Knowledge of curriculum content areas will be emphasized as students design, implement, and evaluate positive experiences for infants and toddlers.

CSU

Child Development 299**Work Experience - Child Development***Formerly: Cooperative Work Experience Education*

Unit(s): 1.0 - 4.0 Class Hours: 54.00-216.00 Lecture total.

This work experience course of supervised employment is designed to assist students to acquire career awareness and work habits in early childhood, PK-12, and after-school programs. 54 hours of work equals one unit of course credit. Student repetition is allowed per Title 5, Section 55253. Students may earn a maximum of 14 units of credit for work experience. Grade: Pass/No Pass Only. Open Entry/Open Exit.

CSU

CHINESE (CHNS)**Chinese 101****Elementary Chinese I**

Unit(s): 5.0 Class Hours: 90.00 Lecture total.

Practice and integration of pronunciation, grammar, vocabulary, and common idioms through listening, speaking, reading, and writing so that students can begin to express thoughts orally and in writing. The class will also introduce students to culture and social linguistic knowledge appropriate to Chinese-speaking societies.

CSU/UC

Chinese 102**Elementary Chinese II**

Unit(s): 5.0 Class Hours: 90.00 Lecture total.

Prerequisite: Chinese 101 with a minimum grade of C or equivalent, or two years of high school Chinese with a passing grade.

Continuation of Chinese I. Further training in language skills providing avenues for the expression of ideas in both oral and written forms. Enhanced study of culture and socio-linguistic knowledge appropriate to Chinese-speaking societies.

CSU/UC

COMMUNICATION STUDIES (CMST)**Communication Studies 100 (C-ID COMM 180)****Introduction to Communication Studies**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course explores the basic history, assumptions, principles, processes, variables, methods, and specializations of human communication as an academic field of study. The student develops an understanding of the communication process, the basic elements of improving interpersonal communication, and how to reduce communication apprehension. Also included are leadership, small groups, intercultural communication, interviewing, and speech preparation. This course includes oral presentations, rhetorical theory, and communication theories.

CSU/UC

Communication Studies 101 (C-ID COMM 130)**Introduction to Interpersonal Communication**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Recommended Preparation: Completion of or concurrent enrollment in English 101 or English 101H with a minimum grade of C.

Introduction to communication theory, rhetoric, listening, perception, language usage, nonverbal communication, and conflict management. Students participate in oral and written exercises and simulations; these activities are designed to enhance communicative awareness and skills in interpersonal contexts. It is designed to assist students in improving their own interpersonal and oral communication skills.

CSU/UC

Communication Studies 101H (C-ID COMM 130)**Honors Introduction to Interpersonal Communication**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: A high school or college GPA of 3.0 or above.

Introduction to communication theory, rhetoric, listening, perception, language usage, non-verbal communication and conflict management. An enriched approach designed for honors students. Seminar mode stresses the development of analytical thinking, writing, and speaking skills.

CSU/UC

Communication Studies 102 (C-ID COMM 110)
Public Speaking

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Teaches critical thinking skills in relation to public speaking. Emphasis on the process, principles, and major facets of critical thinking with practice through oral presentations.

CSU/UC

Communication Studies 102H (C-ID COMM 110)
Honors Public Speaking

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Minimum cumulative college GPA of 3.0 or High School GPA of 3.0 if first term college student.

This course is an enriched approach to public speaking, designed for honors students that emphasizes the process, principles, and major facets of critical thinking with practice through oral presentations.

CSU/UC

Communication Studies 103 (C-ID COMM 150)
Introduction to Intercultural Communication

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

A general view of the sociological, psychological, and communication patterns of various cultural groups. Special emphasis on the methods, skills, and techniques necessary for effective intercultural, cross cultural, and interracial communication. Stresses the development of analytical thinking, speaking, and writing skills.

CSU/UC

Communication Studies 103H (C-ID COMM 150)
Honors Introduction to Intercultural Communication

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: High school or college GPA of 3.0 or above.

Enriched for honors students. In-depth, seminar format examination of sociological, psychological, and communication patterns of various cultural groups. Methods, skills, and techniques for effective intercultural and interracial communication. Stresses analytical thinking, speaking, and writing skills.

CSU/UC

Communication Studies 113
Introduction to Storytelling Communication

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Experiencing literature through reading and oral interpretation of prose, poetry and drama. Theory and practice in the art and technique of exploring, illuminating and orally presenting the logical, emotional, and aesthetic meanings of creative literature, and of effective delivery.

CSU

Communication Studies 140 (C-ID COMM 120)
Argumentation and Debate

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Principles of debate techniques with emphasis on methods of logical analysis and reflective thinking. Practical application through adaptation of material to forms of debate on current issues.

CSU/UC

Communication Studies 145 (C-ID COMM 140)
Group Dynamics

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Principles and methods of communication as applied in the small group setting. Emphasis on communication skills, processes, and operations in the small group. Includes understanding group dynamics and cooperative problem solving.

CSU/UC

Communication Studies 150
Organizational Communication

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course focuses on understanding and applying the fundamental principles of communication in organizations. These elements include organizational communication models, the role of ethics and diversity, basic communication skills, reasoning and advocacy, critical evaluation and reporting of information; reading and listening effectively as well as presentation skills. Students will learn to analyze, adapt, and improve their communication strategies in organizational settings by applying and practicing the knowledge and skills acquired in this course.

CSU/UC

Communication Studies 151
Voice and Diction for Effective Communication

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Basic speech and voice production. Anatomy and physiology related to respiration (breathing/loudness), phonation (sound/pitch) and articulation (diction/clarity). Practice in improving vocal skills for effective communication. Designed for individuals who have special demands on vocal production in their vocation.

CSU/UC

Communication Studies 206
Gender Communication

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Recommended Preparation: Communication Studies 101 with a minimum grade of C.

Practical application, techniques and in-depth analysis of male and female communication regarding language usage, biological and social influences, mass media, marriage, organizations, same sex/cross sex friendships, and education.

CSU/UC

Communication Studies 206H
Honors Gender Communication

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: A minimum cumulative college GPA of 3.0 or minimum 3.0 GPA from high school for first-term students.

An enriched approach in practical application, techniques, and in-depth analysis of male and female communication regarding language usage, biological and social influences, mass media, marriage, organizations, same sex/cross sex friendships, and education. Students will be required to do individual/group professor-guided research.

CSU/UC

Communication Studies 307
Health Communication

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Student must be admitted to the Occupational Studies program. Communication Studies 101 or Communication Studies 101H or Communication Studies 102 or Communication Studies 102H or Communication Studies 103 or Communication Studies 103H or Communication Studies 145 with a minimum grade of C.

Course is designed to advance knowledge of health communication theory, research and practice while providing solid foundation for understanding importance, value and impact of health communication upon patients, families, caregivers and healthcare team-members.

COMPUTER SCIENCE (CMPR)

Computer Science 100 The Computer and Society

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An introduction to the area of computers and their relationship to today's information society. Examines a broad overview of topics including hardware, software, networking, information technology, and the Internet. The student will explore the implications and effect of technology on society, careers, and ethics.

CSU/UC

Computer Science 101 Programming Survey

Unit(s): 0.5 Class Hours: 9.00 Lecture total.

This survey course introduces students to C++ programming language. Students will code, compile and execute programs that control hardware. Students will be learning the input-process-output (IPO) model, a widely used approach in systems analysis and software engineering, that receives inputs from a user or other source, does computations on the inputs, and returns the results of the computations. (Same as Engineering 101).

CSU/UC

Computer Science 104 Work Experience - IT Cybersecurity and Computing

Formerly: Cooperative Work Experience Education-Occupational

Unit(s): 1.0 - 4.0 Class Hours: 54.00-216.00 Lecture total.

This work experience course of supervised employment is designed to assist students to acquire desirable work habits, attitudes and skills in a field related to the students' major so as to enable them to become productive employees. This course also provides students with career awareness for jobs. 54 hours of paid work equals one unit of course credit. Student repetition is allowed per Title 5, section 55253. Students may earn a maximum of 14 units of credit for work experience. Grade: Pass/No Pass Only. Open Entry/Open Exit.

CSU

Computer Science 105 Visual BASIC Programming

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Introduction to programming and Visual BASIC. Emphasis on programming fundamentals and the creation of applications with Visual BASIC. No previous programming experience required. Students will write programs on PC-compatible computers.

CSU/UC

Computer Science 112 Java Programming

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This is an introduction Java programming course. Students will learn the Java programming language and syntax for solving problems, and utilize an integrated development environment (IDE) for developing Java applications, and Java virtual machine (JVM) to execute Java programs. The course emphasizes computer science concepts: data types, mathematical operations, I/O (input/output) operations, conditions, iterations, and functions. In addition, software design principles, practices, and utilizing structured methodologies will be covered.

CSU/UC

Computer Science 113 Advanced Java

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Computer Science 112 with a minimum grade of C.

This advanced Java programming course is project-oriented. Students will get reinforced with advanced Java techniques to solve more complex problems. The course highlights the computer science object-oriented (OOP) paradigm: advanced class design, encapsulation, aggregation, inheritance and development. In addition, GUI (Graphical User Interface) programming, recursion exception and database programming will be covered.

CSU/UC

Computer Science 114 Python Programming

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Students will be introduced to the syntax of Python, methods used to incorporate Python into creating business applications, and create interactive forms. Students will also learn to enhance business applications using interactive programming utilizing forms, objects, looping constructs, variables, classes, and the use of various data types.

CSU/UC

Computer Science 115 Python for Data Analytics

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

The student will learn fundamentals for Data Analytics using Python and will learn skills such as an introduction to data analysis, understanding data, data processing, writing python code, using IPython shell, reading and writing data using Panda, interacting with databases, data manipulation, and data visualization using the library called matplotlib. This course will prepare students to become a Certified Python Data Analytics Professional. (Same as Engineering 101).

CSU

Computer Science 117 Linux Programming

Formerly: Perl Programming and CGI

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Students will be introduced to the Linux shell scripting language syntax, data types, input/output, managing system processes, system automation, and Web development.

CSU

Computer Science 118 JavaScript Programming

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course provides students with the knowledge and skills necessary to design and develop interactive websites using the JavaScript language. Students will build dynamic websites and applications while learning programming concepts such as data types, control structures, functions, and objects. Students will learn to build basic HTML and CSS-based web pages and how to enhance these pages with JavaScript. Additionally, students are introduced to advanced JavaScript topics such as security and asynchronous programming concepts. Students are exposed to real-world examples of JavaScript and will construct interactive and dynamic client-side applications.

CSU/UC

Computer Science 120 (C-ID COMP 112) **Introduction to Programming**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Completion of intermediate algebra or higher or eligibility for transfer-level mathematics based on multiple measures.

This introduction C++ programming course is project-oriented. Students will learn the C++ programming language and syntax for solving problems, and utilize MS Visual Studio IDE (Integrated Development Environment) to edit, compile, test, debug code and deploy computer programs. The course emphasizes computer science concepts: data types, mathematical operations, I/O (input/output) operations, conditions, iterations, and functions. In addition, software design principles, practices, and utilizing structured methodologies will be covered.
CSU/UC

Computer Science 121 (C-ID COMP 122) **Programming Concepts**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Computer Science 120 with a minimum grade of C.

This intermediate C++ programming course is project-oriented. Students will get reinforced with advanced C++ techniques to solve more complex problems. The course highlights the computer science object-oriented (OOP) paradigm: design and practices class encapsulation, and advanced class constructors/destructor, overloading class member operators, inheritance and polymorphism, Standard Template Library (STL), including strings, sequence containers, iterators, and algorithms. In addition, pointers/references and memory management, recursion and exception topics will be covered.
CSU/UC

Computer Science 123 **Introduction to IT and Cybersecurity**

Unit(s): 0.5 Class Hours: 9.00 Lecture total.

An introductory course with hands-on training concepts and terminology required for careers in IT and cybersecurity. Topics include responsibilities, operational policies, best industry practices, industry certifications, and demonstrations of tools and tasks.
CSU

Computer Science 124A **MCDST Preparation**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Recommended Preparation: Computer Science 100 with a minimum grade of C.

Study of skills needed to successfully support end-users and to successfully troubleshoot desktop environments that are running the Microsoft operating systems. Student will be provided with the skills necessary for the Microsoft Certified Desktop Support Technician (MCDST) Exams, 70-271 and 70-272.
CSU

Computer Science 125 **IT Help Desk Fundamentals**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An introductory course focused on learning IT technical skills with hands-on experience required for entry level IT Help and Service Desk jobs. IT help desk soft skills include effective communication, analytical thinking, diplomacy, problem solving, leadership, team building, and listening skills. Students will become familiar with working in a help desk or service desk environment using ticketing systems and understanding purpose and organization. Aligns with the CompTIA ITF+ (IT Fundamentals) exam objectives.
CSU

Computer Science 126 **Web Frameworks Architect**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course is designed for aspiring web developers and web engineers seeking to specialize in building both front-end and back-end programming websites. Learn to connect web pages to a database. Students will learn the essential concepts, techniques, and best practices to design and develop web frameworks that form the structure of modern websites.
CSU

Computer Science 129 (C-ID COMP 142) **Introduction to Computer Organization**

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Prerequisite: Computer Science 120 with a minimum grade of C.

This course presents the organization and structure of computers at hardware and software levels: analysis and synthesis of combinatorial and sequential logic, data representation and manipulation, language structures and translation, and process administration and management.
CSU/UC

Computer Science 131 (C-ID COMP 132) **Data Structures Concepts**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Computer Science 121 with a minimum grade of C.

This advanced C++ Programming course is project-oriented. Students will apply experience, techniques and algorithms from previous intermediate courses, including Application of Data Structure (ADTs) and object-oriented programming to solve more advanced/complex problems. The course emphasizes data structures: dynamic arrays using vectors or pointers, linked lists (singly, doubly, and circular), stacks, a last-in-first-out (LIFO) type of arrangement), queues, a first-in-first-out (FIFO) type of arrangement, trees, heaps and graphs.
CSU/UC

Computer Science 134 **Microsoft Windows Operating System**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course provides in-depth information on the Microsoft Windows operating system with intermediate and advanced problem-solving skills required for a help desk support job and other information technology related careers. Topics include installation, configuration, application installation and management, and hardware configurations. Students will learn file and information management, security, managing user accounts, networking, system maintenance, desktop management, and utilization of cloud storage.
CSU

Computer Science 136 **Building a Small Office/Home Office Network**

Unit(s): 1.5 Class Hours: 27.00 Lecture total.

Plan and build a SOHO network. Students will learn about simple file-sharing networks, wireless networks, and more advanced networking technologies that connect multiple machines and devices. Students will be able to choose the networking solution that is best suited to their needs.
CSU

Computer Science 137 **Personal Computer Troubleshooting**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Study of techniques and methods of PC maintenance. Topics include the interaction between hardware and software; the motherboard and CPU; managing memory; disk drives; input and output and multimedia; printers; installation; management and supporting Windows; network and Internet connectivity; purchasing and building a PC; backups; viruses; and troubleshooting PC problems.
CSU

Computer Science 138
CompTIA Network+ Guide to Networks

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course trains students to install, configure, and troubleshoot a computer network by applying best practices with networking protocols, media, topologies such as TCP/IP, Ethernet, wireless transmission, physical and virtual infrastructure, security, cloud computing, and troubleshooting enterprise networks. Students will be prepared to take the CompTIA Network+ certification exam.
 CSU

Computer Science 139
Introduction to Cloud Computing

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course will prepare and train students to deploy and automate secure cloud environments that support the high availability of business systems and cloud-based infrastructure services in the context of broader IT systems operations, regardless of the platform. Covers CompTIA Cloud+, Amazon AWS, and Microsoft Azure.
 CSU

Computer Science 140 (C-ID COMP 152)
Discrete Structures for Computer Science

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Course presents the fundamentals of discrete mathematics as applied to the computer sciences. Topics include sets, relations, functions, basic logic, proof techniques, counting, graphs, trees and probability. Recommended preparation: College Algebra.
 CSU/UC

Computer Science 152
HTML

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Learn HTML programming skills for professional web development. Topics include how to properly create and edit HTML code to build effective web page structures using elements, tags, forms, links, images, present data in tables, and HTML5 validation. Learn to integrate HTML with JavaScript and Cascading Style Sheets (CSS).
 CSU

Computer Science 153
A+ Essentials Hardware

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

The A+ Essentials Hardware course maps to the current CompTIA A+ Core 1 exam objectives. This course covers topics related to installing, building, upgrading, repairing, configuring, troubleshooting, optimizing, diagnosing computer hardware & network troubleshooting, mobile devices, networking, security, virtualization & cloud computing, and operational procedures from basic personal computer hardware to IT infrastructure for business. Lectures and hands-on experience in structured labs are included. The A+ Essentials Hardware course teaches necessary competencies for an entry-level IT professional.
 CSU

Computer Science 155
A+ Essentials Software

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

The A+ Essentials Software course maps to the current CompTIA A+ Core 2 exam objectives. This course covers topics related to installing, upgrading, repairing, configuring, troubleshooting, securing Windows and Linux, including command line & client support for Mac OS and mobile OSes; virtualization & cloud computing, and operational procedures from personal computer hardware to IT infrastructure for business. Lectures and hands-on experience in structured labs are included. The A+ Essentials Software course teaches necessary competencies for an entry-level IT professional.
 CSU

Computer Science 158
Intro to Artificial Intelligence

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course will cover the fundamentals and Ethics of Artificial Intelligence (AI). Concepts of Machine Learning, Deep Learning, Neural Networks and the Role of Data Analytics in AI. This course does not require any programming or computer science expertise and is designed to introduce the basics of AI to anyone, whether you have a technical background or not.
 CSU/UC

Computer Science 159
Intro to Machine Learning With Python

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course will introduce how Python can be utilized in Machine Learning. Students will learn how to write scripts using Python to create algorithms for Classification, Regression, Clustering, and Dimensional Reduction.
 CSU/UC

Computer Science 160
Intro to Deep Learning, Neural Networks With Keras and Pytorch

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course will cover topics in Deep Learning and Artificial Neural networks using an approach to real-world projects, and where computer models learn to perform classification tasks directly from images, text, or sound.
 CSU/UC

Computer Science 167
Microsoft Access

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Relational Database Management using Microsoft Access. Includes design, creation and maintenance of a RDBMS, reports and form generation, queries, importing and exporting data, macros and modules using Access Basic.
 CSU

Computer Science 168
MS SQL Database Development

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Provides an introduction to relational database fundamentals and SQL programming skills in the Microsoft environment. Topics covered include relational database architecture, database design techniques, and simple and complex query skills. This course is a continuation of CMPR-167 in utilizing Microsoft Access to analyze large amounts of information and manage related data.
 CSU

Computer Science 169 Structured Query Language (SQL)

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course covers database concepts and the use of SQL (Structured Query Language). Topics include writing SQL scripts, designing databases, and importing / exporting data across different platforms. Completion of Computer Science 167 or equivalent is recommended. CSU

Computer Science 170 Introduction to Oracle

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Students will learn the industry-leading Relational Database Management Systems (RDBMS) software. Topics include SQL programming and PL/SQL. Learn to manipulate and cross-reference data and show the importance of importing and exporting BIG data. Relational database development concepts using Oracle and application development using Procedural Language/Structured Query Language (PL/SQL) will be covered. CSU/UC

Computer Science 173 Introduction to Networking Technology

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An introduction of networking and virtualization technologies, including a history of LAN development and the uses and benefits of LANs and WANs. Students are introduced to LANs, WANs, and virtualization terminology, components, standards, and upper level protocols. CSU

Computer Science 175 CompTIA Security+ Guide to Network Security

Unit(s): 3.0 Class Hours: 54.00-216.00 Lecture total.

This course provides a comprehensive overview of network and information security topics such as threats, attacks, vulnerabilities, application/data/infrastructure security, cryptography, operational/organizational security, risk management, disaster recovery, business continuity, as well as computer forensics. The contents also map to the CompTIA Security+ certification objectives to prepare students for the exam. CSU

Computer Science 177 Ethical Hacking

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course provides an in-depth understanding of how to protect and defend IT infrastructure. The course combines ethical hacking methodologies with the hands-on application of security tools to secure computer and other digital systems. Students are introduced to common countermeasures that effectively reduce and/or mitigate attacks. In addition, the course covers what an ethical hacker is and how important it is to protect data from cyber attacks. Students will review TCP/IP concepts and practice footprinting, scanning, enumeration, exploitation, and social engineering. Students will be prepared to take CompTIA PenTest+ and/or Certified Ethical Hacker (CEH) certification. CSU

Computer Science 198 Topics

Unit(s): 1.0 - 3.0 Class Hours: 18.00 - 54.00 Lecture total.

Courses on a variety of contemporary topics will be offered to meet the interests and needs of students in Computer Science. CSU

Computer Science 205 Advanced Visual Basic

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Computer Science 105 with a minimum grade of C. Advanced programming for those seeking to further develop their skills using Visual Basic programming language. Course will cover the advanced features of the Visual Basic programming language, data structures, and advanced programming techniques available with Visual Basic. CSU/UC

Computer Science 212 Designing and Integrating IoT Devices

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This is a hands-on course on design and development of an IoT system from scratch. This course explores the design of embedded IoT systems and how these systems are connected to the physical world. Learn how to design the hardware of an IoT smart device and develop the firmware using the Raspberry Pi. Topics include how to sense and control the environment using add-on components such as sensors, actuators, and expansion boards. CSU

Computer Science 213 C# Programming

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Students will learn C# object-oriented programming for databases, desktop programming, debugging, and error handling. Topics include .NET environment, inheritance, Polymorphism, and writing graphical user interfaces. CSU/UC

Computer Science 214 XML Programming

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Introduction to XML (Extensible Markup Language). The course covers what it is, how it works, what technologies surround it, and how it can be used in data handling and web pages. Knowledge of HTML recommended. CSU

Computer Science 215 Advanced Python Programming

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Computer Science 114 with a minimum grade of C. This course covers the advanced features of the Python Language, such as recursive functions, iterators, lambda operators, data structures, advanced tkinter, and other advanced Python features, and libraries. CSU

Computer Science 247 Windows Server Operating System

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Students will learn the installation, management, and configuration of the Windows Server operating system for managing network environments. Recommended preparation: knowledge of any client-level Windows operating system. CSU

Computer Science 248 Microsoft SQL Server

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course covers the Microsoft SQL Server and relational database concepts. Topics include programming with SQL and Transact-SQL, stored procedures, triggers, and the use of client tools. Basic knowledge of SQL, programming, and/or database concepts is helpful. CSU

COUNSELING (CNLS)

Counseling N45 Orientation to College

Unit(s): 0.5 Class Hours: 9.00 Lecture total.

Introduction to college services and programs. Identification and exploration of programs and services designed to assist students entering college credit courses.

CNSL N98 Topics

Unit(s): 0.500-3.000 Class Hours: 9.00-54.00 Lecture total.

A description of the course that will appear in the class schedule.

Counseling 100 Lifelong Understanding and Self Development

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Integrates concepts of lifelong understanding pertaining to career choice, educational planning, and self inventory. Skills, values, and interest assessments are utilized. Emphasis is on applying psychological principles to values clarification, goal setting, and decision making. Students analyze social/cultural conditioning and explore successful strategies for living in a diverse society.

CSU/UC

Counseling 103 Educational Planning

Unit(s): 0.5 Class Hours: 9.00 Lecture total.

This course is designed to introduce students to the process of composing an educational plan. Emphasis is placed on the objective assessment of Career/Technical Education and transfer options. Students will identify an educational pathway for Career/Technical Education, AA/AS degree, and/or university transfer. Grade: Pass/No Pass Only.

CSU/UC

Counseling 104 Personal and Goal Development for Educational Planning

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

This course will facilitate the development of goals for educational planning. Students taking this course will receive an overview of graduation requirements, transfer requirements, academic policies, and college resources. Additional topics will include: student development theory, internal and external influences on educational success, purpose for attending college, and strategies for living a balanced life. Grade: Pass/No Pass Only.

CSU

Counseling 106 Inquiries Into Higher Education

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

A comprehensive and advanced study of selecting and completing an academic plan, developing goals and objectives, and choosing a college major. Topics include study techniques, assessing interests and skills and planning a major. Grade: Pass/No Pass Only.

CSU/UC

Counseling 107 The Freshman Experience

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Integration of educational, socio-economic, and psychological factors that contribute to success in college. Development of personal learning style as it interfaces with the linked college classes. Development of college-level learning skills.

CSU/UC

Counseling 110 University Transfer Research

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Development and enhancement of decision-making strategies for transfer students. Identification of educational/career goals. Analysis, comparison, and evaluation of university entrance, major, and post-graduate requirements, and student services. On-site research/field study at universities.

CSU/UC

Counseling 111 Learning Skills Development

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

Application of educational/psychological principles in the development of effective learning skills for college courses. Topics also include identifying diversities of cultural influence, learning style, time management, textbook study/comprehension, note-taking, research preparation, and testing.

CSU

Counseling 114 Careers in Teaching

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

Introduction to the teaching profession, cultural, ethnic, linguistic, and neuro-diverse student populations, career ladders and options, academic preparation, experience, credentials required for employment, utilizing career assessments, principles of goal setting, and exposure to teaching environments and teaching professionals. Students will formulate a career objective and develop an educational plan. (Same as Child Development 114).

CSU

Counseling 116 Career/Life Planning and Personal Exploration

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course is designed to assist students in successfully establishing and achieving their education, career, and life goals. Students are guided through a reflective process that focuses on values, interests, personality, skills, and learning styles. Career and educational options are researched, and students are exposed to college resources and support services. Decision-making models and goal-setting techniques are examined and will be used to develop short and long term education, and career and life plans.

CSU/UC

Counseling 121 Introduction to STEM Study Skills

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

This course is designed to introduce specialized study techniques for students in science, technology, engineering, and math courses. Effective learning processes will be examined through facilitated, structured peer interaction; strategies for complex problem solving; time management; and overcoming obstacles to achievement in rigorous coursework. Grade: Pass/No Pass Only.

CSU

Counseling 122 STEM Study Strategies

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

This course examines and employs advanced study techniques for students in science, technology, engineering, and math courses. Effective learning processes will be strengthened through applying emotional intelligence concepts to group and classroom study, creating an exam preparation plan and formulating long and short term goals. Grade: Pass/No Pass Only.

CSU

Counseling 124
College Success and Personal Growth

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Analysis of the concepts related to learning and self-development as a lifelong process. Examination of human motivation from psychological, social, and physiological perspectives. An evaluation of the roles of values, ideals, and principle centered leadership in achieving balance in life.
 CSU/UC

Counseling 125
Exploring Leadership

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This introductory course will examine the fundamental concepts of effective leadership through reading, discussion, research, and inventories for self-awareness and assessment. The course will prepare students to understand the importance of leadership in careers, communities, and society in general and to assume responsibilities of leadership roles in college and community settings.

CSU

Counseling 128
Introduction to Community Activism

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

The study of issues facing communities and ways individuals can become involved in solving community problems. Introduces the study of communities in theory and practice: forces shaping past and present communities and issues defining contemporary communities. This course will facilitate the understanding of human beings as integrated physiological, psychological, and social entities within the context of communities and the process of change.

CSU/UC

Counseling 144
Reasoning and Problem Solving

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

The nature of critical thinking, models, and strategies; common fallacies of reasoning, self-regulation in the thinking process; application of critical thinking to complex issues of life.

CSU/UC

Counseling 150
Introduction to Human Services

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

The history and philosophy of human services including theoretical frameworks, the function and orientation of human service organizations and the roles and qualifications of human service workers. Through a multidisciplinary approach, an examination of the impact of cultural, societal, and ethical issues facing the human services field will frame how target populations are served.

CSU/UC

Counseling 155
Skills for the Helping Professions

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An exploration of processes for increasing mental flexibility and assisting people in getting resolution on life issues. Focus is on the theory and practice of methods which are based in inquiry, distinction, resolution, and integration. The role of self-responsibility and self-awareness will be emphasized.

CSU

Counseling 170 (C-ID SWHS 120A)
Human Services/Social Work Related Field Experience Seminar

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

Prerequisite: Counseling 150 with a minimum grade of C.

In conjunction with the required corequisite work experience course, students will gain insight about their future role as a Human Services/Social Work practitioner through discussion, problem-solving, reflection, and evaluation with self, instructor, supervisor, and peers. Ethical, legal, professional, and social justice issues in the field of Human Services/Social Work will be addressed.

CSU

Counseling 175
Work Experience-Human Services/Social Work

Formerly: Human Services/Social Work Related Field Experience

Unit(s): 1.0 - 4.0 Class Hours: 54-00-216.00 Lecture total.

Prerequisite: Counseling 150 with a minimum grade of C.

This work experience course consists of supervised employment within a community organization, agency, or institution within Human Services/Social Work. It is designed to assist students in acquiring desirable work habits, attitudes, skills, and career awareness in a field related to Human Services/Social Work. Application of prior knowledge and new skill development will be embedded. 54 hours of paid/unpaid work equals one unit of course credit. Student repetition is allowed per Title 5, section 55253. Students may earn a maximum of 14 units of credit for work experience. Grade: Pass/No Pass Only.

CSU

Counseling 198
Topics

Unit(s): 1.0 - 3.0 Class Hours: 6.00-18.00 Lecture, 108.00 Laboratory total.

Description of the course that will appear in the class schedule.

CSU

Counseling 220
Understanding Child Abuse and Maltreatment-Trauma-Informed Teaching And Care in Early Childhood Settings

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Specific emphasis on the experience of resilience-oriented care and the effects of trauma on the life-long child development from five vantage points: child, law, parents, social services, and educator. Develop classroom strategies for holistic student-centered care, teaching, and learning to promote resilience and well-being, including self-care best practices for professionals. Service-learning and field trips may be required. (Same as Child Development 220).

CSU

CRIMINAL JUSTICE (CJ)

Criminal Justice 098
Topics

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Varies with topic.

Criminal Justice 101 (C-ID AJ 110)
Introduction to Criminal Justice

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course introduces students to the characteristics of the criminal justice system in the United States. Focus is placed on examining crime measurement, theoretical explanations of crime, responses to crime, components of the system, and current challenges to the system. The course examines the evolution of the principles and approaches utilized by the justice system and the evolving forces that have shaped those principles and approaches. Although justice structure and process are examined in a cross cultural context, emphasis is placed on the US justice system, particularly the structure and function of US police, courts, and corrections. Students are introduced to the origins and development of criminal law, legal process, and sentencing and incarceration policies. CSU/UC

Criminal Justice 101H (C-ID AJ 110)
Honors Introduction to Criminal Justice

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: A college GPA or high school GPA for first term college students of 3.0 or higher.

Honors-level enriched content regarding the complexities of the criminal justice system. Increased focus is placed on examining crime measurement, theoretical explanations of crime, responses to crime, components of the system, and current challenges to the system. The course examines and appraises the evolution of the principles and approaches utilized by the justice system and the evolving forces that have shaped those principles and approaches. Although justice structure and process are examined in a cross cultural context, increased emphasis is placed on the US justice system, particularly the structure and function of US police, courts, and corrections. Students will also examine the origins and development of criminal law, legal process, and sentencing and incarceration policies. CSU/UC

Criminal Justice 102 (C-ID AJ 200)
Introduction to Corrections

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course provides a history of and critical analysis of punishment, the various types of punishment, alternatives to punishment, and the impact of punishment on the criminal justice system, corrections, a critical examination of the types of correctional institutions and the clients housed in each institution, and an examination of contemporary correctional issues. CSU/UC

Criminal Justice 103 (C-ID AJ 120)
Concepts of Criminal Law

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course offers an analysis of the doctrines of criminal liability in the United States and the classification of crimes against persons, property, morals, and public welfare. Special emphasis is placed on the classification of crime, the general elements of crime, the definitions of common and statutory law, and the nature of acceptable evidence. This course utilizes case law and case studies to introduce students to criminal law. The completion of this course offers a foundation upon which upper-division criminal justice course will build. The course will also include some limited discussion of prosecution and defense decision making, criminal culpability, and defenses to crimes. CSU/UC

Criminal Justice 103H (C-ID AJ 120)
Honors Concepts of Criminal Law

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: A college GPA or high school GPA for first term college students of 3.0 or higher.

Honors-level enriched content that offers an analysis of the doctrines of criminal liability in the United States and the classification of crimes against persons, property, morals, and public welfare. Special emphasis is placed on the classification of crime, the general elements of crime, the definitions of common and statutory law, and the nature of acceptable evidence. This course utilizes case law and case studies to introduce students to criminal law. The completion of this course offers a foundation upon which upper-division criminal justice course will build. The course will also include some limited discussion of prosecution and defense decision making, criminal culpability, and defenses to crimes. CSU/UC

Criminal Justice 104
Prison Experience

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Full background check required

A practical and in-depth study of adult corrections in the United States. This class includes field trips to jails and prisons in the surrounding area, with follow-up analysis, discussion, and written assignments. Full background check required for access to facilities. CSU

Criminal Justice 105 (C-ID AJ 124)
Legal Aspects of Evidence

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course examines categories of evidence and legal rules governing its admission and exclusion in the criminal process. CSU

Criminal Justice 106
Coroner Death Investigations

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

The investigation of homicides, suicides, accidents, and natural deaths. Emphasis on evidence collection and identification of cause of death. Topics include violent crime wounds, fire and electrical wounds, traffic collision fatalities, buried bodies, skeletal remains, and autopsy protocols. Field trip may be required. CSU

Criminal Justice 107 (C-ID AJ 122)
Principles and Procedures in the Criminal Justice System

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An examination and analysis of due process in criminal proceedings from pre-arrest through trial and appeal, utilizing statutory law and state and constitutional law precedents. (Same as Paralegal 107). CSU

Criminal Justice 108 (C-ID AJ 150)
Crime Scene Investigation

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course provides an introduction to the role of forensics in criminal investigations. It examines the methods utilized in the forensic analysis of crime scenes, pattern evidence, instruments, firearms, questioned documents and controlled substances. CSU

Criminal Justice 109 (C-ID AJ 160)
Community Interaction

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Examines the complex, dynamic relationship between communities and the justice system in addressing crime and conflict, with an emphasis on the challenges and prospects of administering justice within a diverse multicultural population. Topics may include the consensus and conflicting values in culture, religion, and law.

CSU/UC

Criminal Justice 109H (C-ID AJ 160)
Honors Community Interaction

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: A college GPA or high school GPA for first term college students of 3.0 or higher.

Honors-level enriched content regarding community interaction. This course examines and evaluates the complex, dynamic relationship between communities and the justice system in addressing crime and conflict, with an increased emphasis on the challenges and prospects of administering justice within a diverse multicultural population. Topics will include the consensus and conflicting values in culture, religion, and law.

CSU/UC

Criminal Justice 110
Street Gangs

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An examination of street gangs in the United States, with emphasis on California and the local area. Topics include ethnic gangs, taggers, hate groups, and prison gangs, and current efforts to suppress their criminal activities, via enforcement, rehabilitation, and prevention.

CSU

Criminal Justice 120
Work Experience - Criminal Justice

Formerly: Cooperative Work Experience Occupational

Unit(s): 1.0 - 4.0 Class Hours: 54:00 - 216:00 Laboratory total.

This work experience course of supervised employment is designed to assist students to acquire desirable work habits, attitudes and skills in a field related to the students' major so as to enable them to become productive employees. This course also provides students with career awareness for jobs. 54 hours of work equals one unit of course credit.

Student repetition is allowed per Title 5, Section 55253. Students may earn a maximum of 14 units of credit for work experience. Background check may be required by the agency where students are completing the Work Experience hours. Grade: Pass/No Pass Only.

CSU

Criminal Justice 148
Report Writing for Criminal Justice Personnel

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Recommended Preparation: English 61X with a minimum grade of C.

To develop practical, precise report writing techniques as well as general writing skills applicable to law enforcement and corrections.

CSU

Criminal Justice 198
Topic Course

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Varies with course.

CSU

Criminal Justice 205 (C-ID AJ 140)
Criminal Investigation Principles

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course addresses the techniques, procedures, and ethical issues in the investigation of crime, including organization of the investigative process, crime scene searches, interviewing and interrogating, surveillance, source of information, utility of evidence, scientific analysis of evidence and the role of the investigator in the trial process.

CSU

Criminal Justice 209
Organized Crime

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

In-depth study of the development and methodology of international organized crime. Host countries and areas include: Italy, Sicily, Japan, China, Colombia, Mexico, Russia, Haiti, Cayman Islands, and Caribbean. Emphasis on economic and societal impacts on the United States.

CSU

Criminal Justice 210
Drug Abuse and Criminal Justice

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Study of the recognition, identification, and effects of illegal drugs: opiates, marijuana, hallucinogens, depressants, and stimulants. Emphasis will also be placed on investigation techniques, use of informants, search warrants, and treatment.

CSU

Criminal Justice 220 (C-ID AJ 220)
Juvenile Delinquency and Control

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course is an examination of the origin, development, and organization of the Juvenile Justice system as it evolved in the American justice system. The course explores the theories that focus on Juvenile Law, courts and processes, and the Constitutional protections extended to juveniles administered in the American justice system.

CSU

CRIMINAL JUSTICE ACADEMIES (CJA)

Criminal Justice Academies 006B
Arrest and Control Training/ACT

Unit(s): 0.1-0.5 Class Hours: 1.00-3.00 Lecture, 3.00-21.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A or CJA 099D or Commission on Peace Officer Standards and Training (POST) certified basic law enforcement academy or equivalent as determined by the Associate Dean of Criminal Justice Academies.

NOTE: Approval of equivalent training is not a guarantee state regulatory or licensing agencies will also grant equivalency. Ability to legally possess a baton and firearm in the State of California. Obtaining a medical clearance and medical insurance prior to attending is strongly recommended. Ability to participate in strenuous activities such as kneeling, lying in prone position while handcuffed, handcuffing other persons, use of impact weapons, and physically controlling non-compliant or combative persons. Students will be exposed to tear gas and pepper spray.

This course builds upon the student's existing skills and knowledge in the legal, safe, and proper application of arrest and control techniques in the law enforcement environment. Instruction includes safe and proper use of ground fighting techniques, use of chemical weapons, use of non-lethal weapons, use of carotid control technique, and current case law.

(Pass/No Pass Only)

Criminal Justice Academies 006C**Controlling Force**

Unit(s): 0.5 Class Hours: 6.00 Lecture, 12.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A Prerequisite: Completion with a grade of "C" or better or a Passing grade in CJA 099A Commission on Peace Officers Standards and Training (POST) Basic Police Academy or equivalent as determined by the Associate Dean of Criminal Justice Academies.

This course is designed to teach the students the importance of obtaining and maintaining control during a dynamic use of force involving law enforcement.

(Pass/No Pass Only)

Criminal Justice Academies 006D**Advanced Controlling Force**

Unit(s): 0.5 Class Hours: 6.00 Lecture, 18.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A Commission on Peace Officers Standards and Training (POST) Basic Police Academy or equivalent as determined by the disciplined faculty.

This course is meant to be the foundation for law enforcement officers to expand the knowledge learned in the Controlling Force course.

(Pass/No Pass Only)

Criminal Justice Academies 006E**Controlling Force - Instructor**

Unit(s): 1.5 Class Hours: 6.00 Lecture, 74.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A Commission on Peace Officers Standards and Training (POST) Basic Police Academy or equivalent as determined by the disciplined faculty.

This course will certify peace officers to teach the controlling force curriculum to law enforcement personnel.

(Pass/No Pass Only)

Criminal Justice Academies 007A**Gangs, Cults and Hate Crimes**

Unit(s): 0.2-1.0 Class Hours: 4.00-10.00 Lecture, 0.00-30.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A

This course covers gangs, cults and hate crimes: ethnic gangs, organized crime, current gang trends, gangs and drugs, and drug cartels. Course information is POST and/or STC approved.

(Pass/No Pass Only)

Criminal Justice Academies 007B**Gangs, Cults, Subcultures, and Hate Crimes**

Unit(s): 0.2-0.5 Class Hours: 4.00-10.00 Lecture, 0.00-14.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A CJA 099A, or POST certified basic law enforcement academy or equivalent as determined by the Associate Dean of Criminal Justice Academies and consistent with POST and/or STC accreditation standards.

Course is designed to provide peace officers with current instruction on gangs, cults, subcultures, and hate crimes. Course content includes current trends, recent changes in laws, and strategies to address associated criminal activity.

(Pass/No Pass Only)

Criminal Justice Academies 008B**Corrections Supplemental Core Course**

Unit(s): 5.0 Class Hours: 90.00 Lecture, 14.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A or CJA 099D or Commission on Peace Officer Standards and Training (POST) certified basic law enforcement academy, or equivalent as determined by the Assistant Dean of Criminal Justice Academies. NOTE: Approval of equivalent training is not a guarantee state regulatory or licensing agencies will also grant equivalency.

This course is designed for the corrections officer who has completed the Commission on Peace Officers Standards and Training (POST) Basic Academy. It meets the California Standards and Training for Corrections (STC) regulations for entry-level training for personnel who work in adult custodial programs and facilities.

(Pass/No Pass Only)

Criminal Justice Academies 008C**Emergency Response Team Training**

Unit(s): 0.1 Class Hours: 1.00 Lecture, 7.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A POST certified basic law enforcement academy or equivalent as determined by the Associate Dean of Criminal Justice Academies and consistent with POST and/or STC accreditation standards.

Course is designed to enhance and review Emergency Response Team (ERT) responsibilities and protocols in compliance with Standards and Training for Corrections (STC).

(Pass/No Pass Only)

Criminal Justice Academies 008D**Emergency Response Team (ERT) Leader**

Unit(s): 0.5 Class Hours: 8.00 Lecture, 8.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A

This course is designed to familiarize law enforcement officers with the roles and responsibilities of an Emergency Response Team (ERT) Leader in compliance with Standards and Training for Corrections (STC).

(Pass/No Pass Only)

Criminal Justice Academies 008E**Emergency Response Team Supervisor/Manager**

Unit(s): 0.5 Class Hours: 8.00 Lecture, 8.00 Lab total.

Recommended Preparation: Completion with a grade of "C" or better or a Passing grade in: CJA 099A

This course will familiarize the student with the supervisor and manager roles and responsibilities of an Emergency Response Team (ERT), the ERT training program, and armory.

(Pass/No Pass Only)

Criminal Justice Academies 009**Mentoring**

Unit(s): 0.2-5.5 Class Hours: 4.00-80.00 Lecture, 4.00-80.00 Lab total.

Prerequisite: Students sponsored by California law enforcement agencies must meet agency application guidelines including background investigation. Self-sponsored students must successfully complete a college interview, medical evaluation, and DOJ live scan.

This course will prepare students during the hiring and background process by sharing knowledge, skills, and experience to help the student progress to entry-level law enforcement employment.

(Pass/No Pass Only)

Criminal Justice Academies 009B
Fitness for Law Enforcement

Unit(s): 0.4 Class Hours: 2.00 Lecture, 14.00 Lab total.

Fitness training designed specifically for law enforcement applicants and those with an interest in entering a law enforcement basic police academy program.

(Pass/No Pass Only)

Criminal Justice Academies 009C
Advanced Narcotics Training

Unit(s): 0.2-0.5 Class Hours: 4.00-10.00 Lecture, 0.00-14.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A or POST certified basic law enforcement academy or equivalent as determined by the Associate Dean of Criminal Justice Academies and consistent with POST and/or STC accreditation standards.

Course is designed to cover all aspects of illegal drug enforcement, including legal updates, search and seizure updates, investigative techniques, and other topics related to the enforcement of controlled substances statutes.

(Pass/No Pass Only)

Criminal Justice Academies 009D
Drug Trends, Identification, Packaging, and Symptomology

Unit(s): 0.2 Class Hours: 3.00 Lecture, 5.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A POST certified basic law enforcement academy or equivalent as determined by the Associate Dean of Criminal Justice Academies and consistent with POST and/or STC accreditation standards.

This course is designed to provide law enforcement professionals with the knowledge to identify and safely handle controlled substances. Report writing, evidence collection, and presumptive testing will be discussed.

(Pass/No Pass Only)

Criminal Justice Academies 009E
Narcotics Investigation

Unit(s): 2.5 Class Hours: 39.00 Lecture, 41.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A or POST certified basic law enforcement academy or equivalent as determined by the Associate Dean of Criminal Justice Academies and consistent with POST and/or STC accreditation standards.

This course is designed for sworn law enforcement officers assigned to investigate narcotic violations. The course prepares the student to identify, arrest, and successfully prosecute narcotic violators.

(Pass/No Pass Only)

Criminal Justice Academies 010
Pre-Employment Preparation for Law Enforcement

Unit(s): 2.0 Class Hours: 33.00 Lecture, 15.00 Lab total.

This course is designed to prepare students to successfully complete a law enforcement pre-employment application and testing procedures.

(Pass/No Pass Only)

Criminal Justice Academies 010B
Supervision and Leadership

Unit(s): 1.0 Class Hours: 8.00 Lecture, 32.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A CJA 099A, or POST certified basic law enforcement academy or equivalent as determined by the Associate Dean of Criminal Justice Academies and consistent with POST and/or STC accreditation standards.

NOTE: Approval of equivalent training is not a guarantee state regulatory or licensing agencies will also grant equivalency.

Course is designed to enhance the professional knowledge of law enforcement supervisors related to leadership, supervisory skills, legal issues, and handling of workplace investigations, in accordance with California POST and STC Standards.

(Pass/No Pass Only)

Criminal Justice Academies 010D
Explorer Training Academy

Unit(s): 0.5-2.500 Class Hours: 6.00-16.00 Lecture, 34.00-92.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: Students sponsored by law enforcement agencies must meet agency Explorer Post application guidelines. Self-sponsored student applications will be evaluated and screened by the Associate Dean of the Criminal Justice Academies to ensure students meet the requirements related to health and parental approval.

This course will prepare Law Enforcement Explorers for volunteer work at law enforcement agencies.

Criminal Justice Academies 010F
Explorer Training

Unit(s): 0.2-2.500 Class Hours: 4.00-40.00 Lecture, 4.00-40.00 Lab total.

Recommended Preparation: Completion with a grade of "C" or better or a Passing grade in: Recommended Preparation: Students sponsored by California law enforcement agencies should meet POST Explorer candidate standards.

This course will train Law Enforcement Explorers to develop work-based experience for employment at law enforcement agencies.

(Pass/No Pass Only)

Criminal Justice Academies 011
Field Training Officer

Unit(s): 1.5 Class Hours: 21.00 Lecture, 19.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A or POST certified basic law enforcement academy or equivalent as determined by the Associate Dean of Criminal Justice Academies and consistent with POST and/or STC accreditation standards.

This course is designed for sworn law enforcement officers assigned to supervise and train new officers. This course meets the requirements for field training officers as defined in POST Regulation 1004.

(Pass/No Pass Only)

Criminal Justice Academies 011B
Jail Training Officer

Unit(s): 1.5 Class Hours: 21.00 Lecture, 19.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A

This course provides the standard training for the initial orientation and training of newly selected Jail Training Officers assigned to correctional facilities. This course is STC accredited.

Criminal Justice Academies 012
Basic Homicide Investigation

Unit(s): 1.5 Class Hours: 25.00 Lecture, 11.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A or POST certified basic law enforcement academy or equivalent as determined by the Associate Dean of Criminal Justice Academies and consistent with POST and/or STC accreditation standards. NOTE: Approval of equivalent training is not a guarantee state regulatory or licensing agencies will also grant equivalency.

This course is certified by California Peace Officer Standards and Training (POST) and meets the requirements for basic homicide investigations for California peace officers. The course is presented in cooperation with the Orange County Sheriff's Department.

(Pass/No Pass Only)

Criminal Justice Academies 015A
Sergeants Patrol Transition Course

Unit(s): 0.5 Class Hours: 5.00 Lecture, 35.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: POST certified basic law enforcement academy or equivalent as determined by the Associate Dean of Criminal Justice Academies and consistent with POST and/or STC accreditation standards.

Course is designed to prepare a police supervisor to transition to a patrol assignment.

(Pass/No Pass Only)

Criminal Justice Academies 016
Vehicle Theft for Patrol and Traffic Officers

Unit(s): 0.3 Class Hours: 2.00 Lecture, 14.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: POST certified basic law enforcement academy or equivalent as determined by the Associate Dean of Criminal Justice Academies and consistent with POST and/or STC accreditation standards.

This course is certified by California Peace Officer Standards and Training (POST) and meets the requirements for advanced officer training in auto theft for patrol and traffic officers. Prior to taking this course students should have formal training and a working knowledge of patrol operations and criminal investigations. The course is presented in cooperation with the Orange County Sheriff's Department.

(Pass/No Pass Only)

Criminal Justice Academies 021
P.C. 832, Laws of Arrest

Unit(s): 1.5 Class Hours: 27.00 Lecture, 13.00 Lab total.

This course of instruction will provide the student with a basic knowledge of law enforcement. The course will cover history of law enforcement, arrest, and search and seizure laws. This course is Peace Officer Standard Training (P.O.S.T.) certified.

(Pass/No Pass Only)

Criminal Justice Academies 021A
PC 832 Firearms

Unit(s): 0.5 Class Hours: 1.00 Lecture, 23.00 Lab total.

Prerequisite: Students must pass DOJ Livescan and application screening by the Orange County Sheriff's Department Training Division.

This course of instruction will provide the student with a basic knowledge of firearms, as well as related safety and liability concepts. The course is Peace Officer Standard and Training certified and presented in cooperation with the Orange County Sheriff's Department.

(Pass/No Pass Only)

Criminal Justice Academies 026A
Training Academy Preparation

Unit(s): 0.2 Class Hours: 16.00 Lab total.

This course is designed to prepare the student for the Basic Law Enforcement Academy (OCSA). It will include drill, ceremony, physical training, reporting, and speeches.

(Pass/No Pass Only)

Criminal Justice Academies 029B
Bomb Technician Introduction

Unit(s): 1.5 Class Hours: 30.00 Lecture, 10.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A or CJA 099D or Commission on Peace Officer Standards and Training (POST) certified basic law enforcement academy or equivalent as determined by the Assistant Dean of Criminal Justice Academies.

NOTE: Approval of equivalent training is not a guarantee state regulatory or licensing agencies will also grant equivalency. Student must possess, at minimum, a currently valid U.S. government secret clearance that authorizes them to attend this course. Student must be approved by FBI to attend this course. Student must meet FBI bomb technician requirements described in the National Guidelines for Bomb Technicians, as published by the FBI and National Bomb Squad Commanders' Advisory Board.

This course is designed for newly assigned bomb technicians. Topics include introduction to explosives, basic electricity, render-safe procedures, bomb threats, threat assessment, and post blast investigations.

(Pass/No Pass Only)

Criminal Justice Academies 029C
Active Bomber Course

Unit(s): 0.5 Class Hours: 2.00 Lecture, 22.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A or CJA 099D or Commission on Peace Officer Standards and Training (POST) certified basic law enforcement academy, or equivalent as determined by the Assistant Dean of Criminal Justice Academies. NOTE: Approval of equivalent training is not a guarantee state regulatory or licensing agencies will also grant equivalency.

This course helps prepare law enforcement first responders for an active bombing incident. Topics include threat evaluation, possible deployment of lethal force, decision making, tactics, and scenarios.

(Pass/No Pass Only)

Criminal Justice Academies 029D
Homemade Explosive Course

Unit(s): 0.2 Class Hours: 4.00 Lecture, 4.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A or CJA 099D or Commission on Peace Officer Standards and Training (POST) certified basic law enforcement academy, or equivalent as determined by the Assistant Dean of Criminal Justice Academies. NOTE: Approval of equivalent training is not a guarantee state regulatory or licensing agencies will also grant equivalency.

This course is designed to educate first responders on the dangers of homemade explosive devices and how to recognize bomb-making components and materials.

(Pass/No Pass Only)

Criminal Justice Academies 029E
Explosive Recognition and Response

Unit(s): 0.1 Class Hours: 2.00 Lecture, 2.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A or CJA 099D or Commission on Peace Officer Standards and Training (POST) certified basic law enforcement academy, or equivalent as determined by the Assistant Dean of Criminal Justice Academies. NOTE: Approval of equivalent training is not a guarantee state regulatory or licensing agencies will also grant equivalency.

This course is designed to teach students how to recognize the various components of explosions, as well as recognize booby traps designed to harm first responders.

(Pass/No Pass Only)

Criminal Justice Academies 034B
Brady for Law Enforcement

Unit(s): 0.1 Class Hours: 2.00 Lecture, 2.00 Lab total.

Course is designed to provide law enforcement personnel with instruction on the Brady Rule.

(Pass/No Pass Only)

Criminal Justice Academies 034C
Law Enforcement Update

Unit(s): 0.2-0.500 Class Hours: 4.00-8.00 Lecture, 0.00-20.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A or POST certified basic law enforcement academy or equivalent as determined by the Associate Dean of Criminal Justice Academies and consistent with POST and/or STC accreditation standards.

Course is designed to provide both sworn and non-sworn law enforcement personnel with training that is mandated for their continued professional certification and employment. All instruction is either POST or STC certified.

(Pass/No Pass Only)

Criminal Justice Academies 034D
Courthouse Operations

Unit(s): 0.3 Class Hours: 4.00 Lecture, 4.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A or, POST certified basic law enforcement academy or equivalent as determined by the Associate Dean of Criminal Justice Academies.

NOTE: Approval of equivalent training is not a guarantee state regulatory or licensing agencies will also grant equivalency.

This course is designed to prepare a peace officer to work within the court system and a courthouse environment. Instruction includes the importance of ethical conduct, professionalism, preparation, and accurate witness testimony.

(Pass/No Pass Only)

Criminal Justice Academies 034E
Continued Professional Training for Peace Officers

Unit(s): 0.2-3.0 Class Hours: 4.00-40.00 Lecture, 4.00-40.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A

This course updates and advances the student's existing knowledge and skill set associated with peace keeping and law enforcement. Instruction in evolving issues includes the safe handling of firearms, tactical shooting and movement, ground fighting, chemical weapons, government codes, penal codes, vehicle codes, health and safety codes, welfare and institution codes, and interpersonal and tactical communication, and may include additional topics determined by legislature or regional needs.

(Pass/No Pass Only)

Criminal Justice Academies 035
Continued Professional Development Training for Civilians

Unit(s): 0.1-0.2 Class Hours: 1.00-4.00 Lecture, 3.00-4.00 Lab total.

This course updates the student's knowledge and skill set associated with providing support functions in a law enforcement agency. Instruction in current topics includes such topics as: ethics and professionalism, safety practices, drug symptomology, first aid & CPR, health and wellness, emergency response, interpersonal communication, sexual harassment, and promotion/leadership preparation. It may include additional subjects as determined by county council mandate or regional need.

(Pass/No Pass Only)

Criminal Justice Academies 036B
Mobile Field Force Instructor Course

Unit(s): 1.0 Class Hours: 12.00 Lecture, 28.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A

This course is designed to develop teaching skills to instructors focusing on law enforcement crowd management, control, and intervention tactics.

(Pass/No Pass Only)

Criminal Justice Academies 038A
Less Lethal Weapons Update

Formerly: Tactical/Weapons Training

Unit(s): 0.2-1 Class Hours: 4.00-8.00 Lecture, 4.00-36.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A Commission on Peace Officers Standards and Training (POST) Basic Police Academy or equivalent as determined by the disciplined faculty.

This course provides instruction on the use of less lethal weaponry in law enforcement tactical emergencies while also addressing use of force policies, the use of force continuum, fitting less-lethal weaponry within use of force consideration, weapon deployment, tactical considerations, extended range delivery systems, mechanical aspects, and suspect handling after deployment.

(Pass/No Pass Only)

Criminal Justice Academies 038B
Basic SWAT Course

Unit(s): 2.0 Class Hours: 16.00 Lecture, 64.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: Obtaining a medical clearance and medical insurance prior to attending is highly recommended. Students may be exposed to tear gas and/or pepper spray. Students should have the ability to participate in strenuous activities such as kneeling, lying in a prone position while handcuffed, handcuffing other persons, use of impact weapons, and physically controlling non-compliant or combative persons. CJA 099A and the ability to lawfully possess fully automatic firearms, explosive ordinance, and a baton in the State of California. or POST certified basic law enforcement academy or equivalent as determined by the Associate Dean of Criminal Justice Academies. NOTE: Approval of equivalent training is not a guarantee state regulatory or licensing agencies will also grant equivalency.

A Peace Officer Standards and Training certified course to train peace officers to become a member of a Special Weapons and Tactics team.

(Pass/No Pass Only)

Criminal Justice Academies 038C
Firearms-Sighting Systems

Unit(s): 0.1 Class Hours: 1.00 Lecture, 3.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A

To inform students of the advantages and disadvantages and training considerations related to using a Miniaturized Red Dot Sight on a handgun.

(Pass/No Pass Only)

Criminal Justice Academies 038D
Weapon Mounted Light Transition Course

Unit(s): 0.1 Class Hours: 1.00 Lecture, 3.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A

A Peace Officer Standards and Training course to train peace officers in the use of a weapon mounted light system.

(Pass/No Pass Only)

Criminal Justice Academies 039A**First Aid/CPR Refresher**

Unit(s): 0.1 Class Hours: 1.00 Lecture, 7.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A or CJA 055B or CJA 055D or CJA 069B or Students must have current CPR and first-aid certifications from a nationally recognized institution.

This course is designed to refresh first aid and CPR skills training.

(Pass/No Pass Only)

Criminal Justice Academies 039B**First Aid Refresher**

Unit(s): 0.1 Class Hours: 1.00 Lecture, 3.00 Lab total.

This course is designed to refresh first aid instruction for sworn and civilian law enforcement personnel.

(Pass/No Pass Only)

Criminal Justice Academies 039C**Emotional Wellness for Law Enforcement**

Unit(s): 0.1 Class Hours: 1.00 Lecture, 3.00 Lab total.

Course is designed to help law enforcement personnel understand the impact and trauma of stress and the methodologies used to cope with various situations.

(Pass/No Pass Only)

Criminal Justice Academies 040A**Basic Peer Support Training**

Unit(s): 0.4 Class Hours: 2.500 Lecture, 13.500 Lab total.

This course is designed to prepare members of a support team to respond and effectively support the psychological recovery and resilience of law enforcement personnel following a large scale critical incident.

(Pass/No Pass Only)

Criminal Justice Academies 040B**Post Critical Incident Response for Peer Support**

Unit(s): 0.2 Class Hours: 2.00 Lecture, 6.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A

This course is designed to provide members of a Peer Support Team advanced knowledge and techniques to support the psychological recovery and resilience of law enforcement personnel following a large-scale critical incident.

(Pass/No Pass Only)

Criminal Justice Academies 042A**Crisis Intervention Training I**

Unit(s): 0.5 Class Hours: 10.00 Lecture, 6.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A

Student will receive specialty instruction in crisis intervention training for experienced peace officers. This course is offered in partnership with the Orange County Sheriff's Department.

(Pass/No Pass Only)

Criminal Justice Academies 042B**Crisis Intervention Training II**

Unit(s): 0.3 Class Hours: 3.00 Lecture, 5.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A

Student will receive intermediate instruction in crisis intervention training for experienced peace officers. This course is offered in partnership with the Orange County Sheriff's Department.

(Pass/No Pass Only)

Criminal Justice Academies 042C**Crisis Intervention Training III**

Unit(s): 0.5 Class Hours: 8.00 Lecture, 8.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A

Student will receive advanced instruction in crisis intervention training for experienced peace officers. This course is offered in partnership with the Orange County Sheriff's Department.

(Pass/No Pass Only)

Criminal Justice Academies 042D**Crisis Intervention Training for Dispatchers**

Unit(s): 0.5 Class Hours: 10.00 Lecture, 6.00 Lab total.

Prerequisite: Commission on Peace Officers' Standards and training (POST) Public Safety Dispatcher Certificate and/or completion of POST Dispatcher Basic Course or equivalent as determined by the Associate Dean of Criminal Justice Academies.

Student will receive instruction in crisis intervention training techniques designed for dispatchers. This course is offered in partnership with the Orange County Sheriff's Department. (Pass/No Pass Only)

Criminal Justice Academies 043A**Crisis Intervention Awareness**

Unit(s): 0.3 Class Hours: 5.00 Lecture, 3.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A

Student will receive crisis intervention awareness training for experienced peace officers. This course is offered in partnership with Orange County Sheriff's Department.

(Pass/No Pass Only)

Criminal Justice Academies 050**Introduction to Drone Laws**

Unit(s): 0.5 Class Hours: 9.00 Lecture total.

An introduction to drone laws for first responder, public safety, commercial and recreational drone users. Topics include the application of federal, state and local laws, third party liability issues, and basics of public safety drone law issues.

(Pass/No Pass Only)

Criminal Justice Academies 050A**Building a Public Safety Drone Program**

Unit(s): 1.5 Class Hours: 32.00 Lecture, 8.00 Lab total.

This course is designed to equip law enforcement personnel with the knowledge and skills to safely and lawfully develop an unmanned aerial systems public safety program. Topics include laws and regulations under the FAA Part 107; development of a policy and procedures manual; platform selection and equipment needs, and public safety mission sets. This course will include hands-on flight training and the understanding of various unmanned aerial systems available to public safety.

Criminal Justice Academies 050B**Drones for First Responders**

Unit(s): 1.0 Class Hours: 18.00 Lecture, 6.00 Lab total.

This course will give students the knowledge and skills to effectively conduct public safety drone missions for first responders including law enforcement, private security, fire service, marine safety, and other public agencies. Specific missions, equipment, and software programs will be introduced. Students will participate in hands on scenarios based on public safety drone missions.

(Pass/No Pass Only)

Criminal Justice Academies 055A**Driving/PSP***Formerly: Driver Training/Force Option II*

Unit(s): 0.5 Class Hours: 8.00 Lecture, 16.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A or its equivalent as determined by the discipline faculty.

A Peace Officer Standards and Training (POST) certified course designed to update peace officer skills in the area of emergency vehicle driving.

(Pass/No Pass Only)

Criminal Justice Academies 055B**Correctional Services Assistant Academy**

Unit(s): 7.5-8.5 Class Hours: 30.00 Lecture, 330.00-370.00 Lab total.

Prerequisite: Students will need to successfully complete agency written test, oral screening, physical agility test, background investigation, medical, and psychological testing.

This course is designed to train new employees' skill sets and legal requirements working in a custodial environment.

Criminal Justice Academies 055D**Sheriff Special Officer Academy**

Unit(s): 7.5-8 Class Hours: 15.00 Lecture, 385.00-401.00 Lab total.

Prerequisite: Students will need to successfully complete an agency written test, oral screening, physical agility test, background investigation, medical and psychological testing.

In coordination with California Peace Officer Standard and Training (POST), this course provides training and certification for new sheriff special officers.

(Pass/No Pass Only)

Criminal Justice Academies 055E**Sheriff Special Officer Transition Course**

Unit(s): 2.0 -5-3 Class Hours: 14.00 Lecture, 106.00-146.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 055B

This course is designed to provide students with the Peace Officer Standard and Training (POST) and Standard and Training for Corrections (STC) certified training required to transition from the Custody Service Assistant position to the Sheriff Special Officer position.

(Pass/No Pass Only)

Criminal Justice Academies 055F**Correctional Service Technician Transition Course**

Unit(s): 5.5.0-6.0 Class Hours: 88.50-98.50 Lecture, 31.50-41.50 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 069B

This course is designed to provide students with the P.O.S.T. certified training required to transition from the Correction Service Technician position to the Custody Service Assistant position.

(Pass/No Pass Only)

Criminal Justice Academies 058**Effective Law Enforcement Communication**

Unit(s): 2.0 Class Hours: 40.00 Lecture total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A

This course is designed to provide law enforcement personnel with the knowledge, skills, and abilities to effectively communicate with the public and media across multiple platforms.

(Pass/No Pass Only)

Criminal Justice Academies 059**Law Enforcement Supervisory Course**

Unit(s): 3.0 Class Hours: 48.00 Lecture, 32.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A or POST certified basic law enforcement academy or equivalent as determined by the Associate Dean of Criminal Justice Academies and consistent with POST and/or STC accreditation standards. NOTE: Approval of equivalent training is not a guarantee state regulatory or licensing agencies will also grant equivalency.

CA POST approved course for law enforcement personnel newly appointed to a first-level supervisory position. Topics focus on understanding the roles of law enforcement personnel and providing appropriate training and supervision in critical field situations.

(Pass/No Pass Only)

Criminal Justice Academies 060**Basic Police Motorcycle Operator Course**

Unit(s): 1.5 Class Hours: 9.500 Lecture, 70.500 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A

This course provides the knowledge, skills and proficiency needed to safely operate a police motorcycle during the performance of enforcement duties.

The intention of the course is to produce a safe and confident rider for all law enforcement motorcycle duties.

(Pass/No Pass Only)

Criminal Justice Academies 060A**Motorcycle Instructor Training Course**

Unit(s): 1.5 Class Hours: 7.500 Lecture, 72.500 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 060

This course is designed to provide experienced motorcycle officers with the knowledge, skill, and proficiency to instruct new motorcycle enforcement officers with the skills and safe practices required to operate a police or Sheriff's Department motorcycle.

(Pass/No Pass Only)

Criminal Justice Academies 060B**Motorcycle Enforcement Update Course**

Unit(s): 0.2 Class Hours: 1.00 Lecture, 9.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 060

The course is designed to provide experienced motorcycle officers and deputies with the opportunity to maintain their knowledge, skills, and proficiency while operating their police motorcycle.

(Pass/No Pass Only)

Criminal Justice Academies 061**Emergency Vehicle Operator Course (EVOC)**

Unit(s): 0.2-2.5 Class Hours: 4.00-40.00 Lecture, 4.00-40.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A Prerequisite: Commission on Peace Officers Standards and Training (POST) Basic Police Academy or equivalent as determined by the disciplined faculty.

The course will provide the trainee with the minimum topics of driver training/awareness including: basic driving principles, legal and moral aspects, defensive driving, and safe vehicle maneuvering.

(Pass/No Pass Only)

Criminal Justice Academies 066**Basic Course Requalification**

Unit(s): 5.0-6.0 Class Hours: 74.00-94.00 Lecture, 70.00-90.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: Students must have successfully completed CJA 99A Basic Academy, or CJA 099D Modular 1 Academy, or the equivalent of either course as determined by the Associate Dean of Criminal Justice. NOTE: Approval of equivalent training is not a guarantee state regulatory or licensing agencies will also grant equivalency. Students must be free of felony convictions, possess a valid Driver's License, undergo a fingerprint and criminal history check, and obtain clearance from a licensed physician indicating capacity to participate in intensive physical activity. Students must furnish all of their own equipment, including ammunition and firearm. This course is designed to meet state requirements for persons qualifying under POST regulation 1008. Students must be physically able to participate in all classroom activities and strenuous activities, including kneeling, lying in prone position while handcuffed, handcuffing other persons, use of impact weapons, handcuffing, restraint devices, control holds, takedowns, firearm retention, firearm takeaways and physically controlling non-compliant, resisting, and combative persons.

This course is certified by the California Commission on Peace Officers Standards and Training (POST) and re-certifies students who graduated from a basic academy more than three years ago. This course also re-certifies students who have been employed as a peace officer, who are returning after a break in service of more than three years.

(Pass/No Pass Only)

Criminal Justice Academies 068B**Police Report Writing**

Unit(s): 0.1-0.5 Class Hours: 1.00-2.00 Lecture, 7.00-22.00 Lab total.

To develop practical, precise report writing techniques as well as general writing skills applicable to law enforcement.

(Pass/No Pass Only)

Criminal Justice Academies 068C**Traffic Collision Investigation**

Unit(s): 0.5 Class Hours: 3.00 Lecture, 37.00 Lab total.

This course is designed to provide the student with the knowledge and ability to investigate traffic collisions. Prior to attending the course students should be familiar with the basic skills provided in Learning Domain #29 (Traffic Collision Investigation) from the POST basic police academy.

(Pass/No Pass Only)

Criminal Justice Academies 068D**Cybercrime Investigations for First Responders**

Unit(s): 0.2 Class Hours: 2.00 Lecture, 6.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A POST certified basic law enforcement academy or equivalent as determined by the Associate Dean of Criminal Justice Academies and consistent with POST and/or STC accreditation standards.

Course is designed to provide law enforcement first responder with the knowledge and ability to respond to a cybercrime incident. Students will learn their role as a first responder, how cybercrimes are committed, identify persons to be interviewed, and how to gather and protect cybercrime evidence. This course is POST certified.

(Pass/No Pass Only)

Criminal Justice Academies 068E**Criminal Investigations**

Unit(s): 0.2-1.0 Class Hours: 4.00 Lecture, 0.00-36.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A or, POST certified basic law enforcement academy or equivalent as determined by the Associate Dean of Criminal Justice Academies.

NOTE: Approval of equivalent training is not a guarantee state regulatory or licensing agencies will also grant equivalency. Ability to lawfully possess a firearm and baton in the State of California.

Recommended Preparation: Completion with a grade of "C" or better or a Passing grade in: Obtaining a medical clearance and medical insurance prior to attending is highly recommended. Students may be exposed to tear gas and/or pepper spray. Students should have the ability to participate in strenuous activities such as kneeling, lying in a prone position while handcuffed, handcuffing other persons, use of impact weapons, and physically controlling non-compliant or combative persons.

This course is designed to provide students with state certified instruction in conducting criminal investigations.

(Pass/No Pass Only)

Criminal Justice Academies 069A**Continuing Professional Training for Corrections**

Unit(s): 0.2-0.5 Class Hours: 4.00 Lecture, 0.00-20.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A or CJA 055B or CJA 055D or CJA 069B or POST certified basic law enforcement academy or equivalent as determined by the Associate Dean of Criminal Justice Academies and consistent with POST and/or STC accreditation standards.

Course covers all aspects of correctional officers training as required by the State of California (STC): Policies, legal update, case law, communication skills, transportation, arrest and control, and weapons training.

(Pass/No Pass Only)

Criminal Justice Academies 069B**Corrections Officer CORE Course Enforcement**

Unit(s): 7.5.0-8.0 Class Hours: 110.00-120.00 Lecture, 90.00-96.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: Self-sponsored students are required to go through a screening procedure including interview, written test, medical evaluation, psychological evaluation, and DOJ Livescan. Self-sponsored students must successfully meet all prerequisites before entering the course, and will be responsible for providing their required uniforms and equipment. Students must sign information sharing, student testing, and weapons handling agreements before entering the course. Violations of these agreements may result in immediate removal from the course. Self-sponsored students' applications will be evaluated and screened by the Criminal Justice Academies Associate Dean and/or Director along with fitness instructor assessment to assure the students are sufficiently prepared.

This course is certified with Standards & Training for Corrections (STC) and meets the requirements for the Basic Corrections Officer Core Course. The course is presented in cooperation with STC accredited agencies. A medical clearance from a licensed physician indicating the capacity to participate in intensive physical training is required.

(Pass/No Pass Only)

Criminal Justice Academies 069C**Prison Rape Elimination Act (PREA) Training**

Unit(s): 0.1 Class Hours: 2.00 Lecture, 2.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A

The course is designed to provide employees assigned to work in a custody facility with the information they need to comply with the Prison Rape Elimination Act (PREA).

(Pass/No Pass Only)

Criminal Justice Academies 069D
Jail Security for Professional Staff

Unit(s): 0.2 Class Hours: 3.00 Lecture, 5.00 Lab total.

Course is designed to provide non-sworn law enforcement personnel with basic skills to operate in and around a custody facility.

(Pass/No Pass Only)

Criminal Justice Academies 069E
Self-Defense Strategies

Unit(s): 0.1 Class Hours: 1.00 Lecture, 7.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: Ability to legally possess a baton in the State of California. Obtain a medical clearance and medical insurance prior to attending is highly recommended. Ability to participate in strenuous activities such as kneeling, lying in prone position while handcuffed, handcuffing other persons, use of impact weapons, and physically controlling non-compliant or combative persons. Student will be exposed to tear gas and pepper spray.

Course is designed to provide law enforcement personnel with strategies to escape physical attack while working in and around a custody facility.

(Pass/No Pass Only)

Criminal Justice Academies 076A
Police K-9 Training

Unit(s): 4.0-14.0 Class Hours: 8.00-20.00 Lecture, 192.00-700.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A Must be a current canine handler or recently selected to become a canine handler by a law enforcement agency. Commission on Peace Officers Standards and Training (POST) Basic Police Academy or equivalent as determined by the Associate Dean of Criminal Justice Academies.

Intensive training for law enforcement personnel in the handling, deployment, and care of a police service dog. Training is required for assignment as a canine officer. Curriculum includes basic handler, narcotics, and explosives instruction.

(Pass/No Pass Only)

Criminal Justice Academies 076B
Canine Agitator Training

Unit(s): 0.3-1.5 Class Hours: 2.00-8.00 Lecture, 14.00-72.00 Lab total.

This course is designed to provide students with instruction required to serve as an agitator in a police dog and/or sport dog training environment under the direct supervision of a canine training instructor.

(Pass/No Pass Only)

Criminal Justice Academies 083B
Arrest and Control Techniques (ACT) Instructor Training

Unit(s): 1.5 Class Hours: 9.00 Lecture, 61.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A

This course prepares instructors and develops teaching skills focusing on arrest and control technique expertise, application, and assessment in a law enforcement instructional environment.

(Pass/No Pass Only)

Criminal Justice Academies 083C
First Aid/ CPR/AED Instructor Training

Formerly: First Aid/ Cardio-Pulmonary Resuscitation (CPR) Instructor Training

Unit(s): 0.5 Class Hours: 2.00 Lecture, 22.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A or equivalent as determined by the discipline faculty.

The course prepares instructors with the knowledge, skills and ability to instruct other law enforcement officers in the proper assessment and treatment of medical emergencies in a law enforcement instructional environment.

(Pass/No Pass Only)

Criminal Justice Academies 083D
Physical Training Instructor Course

Unit(s): 1.0 Class Hours: 17.00 Lecture, 21.00 Lab total.

This course is designed to prepare instructors focusing on physical training expertise, application, and assessment in a law enforcement instructional environment.

(Pass/No Pass Only)

Criminal Justice Academies 083E
Academy Instructor Certification Course

Unit(s): 1.5 Class Hours: 28.00 Lecture, 12.00 Lab total.

This course meets the curricula requirements of the POST Academy Instructor Certification Course (AICC). This course is designed to enhance the quality of instruction for POST certified courses by having students learn basics of instruction including introduction to adult learning.

(Pass/No Pass Only)

Criminal Justice Academies 083F
Academy Instructor Certification Course Refresher

Unit(s): 1.0 Class Hours: 10.00 Lecture, 30.00 Lab total.

Prerequisite: Prior to enrollment, student must have successfully completed the Academy Instructor Certification Course, Basic Instructor Certification Course, or the Institute of Criminal Investigations Instructor Course.

The purpose of the course is to provide facilitator skill-building opportunities and identify best practices used in presenting the Academy Instructor Certification Course (AICC) across the State of California.

(Pass/No Pass Only)

Criminal Justice Academies 088
Campus Law Enforcement Update

Unit(s): 1.5 Class Hours: 32.00 Lecture, 8.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A POST certified basic law enforcement academy or equivalent as determined by the Associate Dean of Criminal Justice Academies and consistent with POST and/or STC accreditation standards.

This course is designed to expand the knowledge of peace officers working a campus environment. The course will include a history of campus law enforcement, legal authority, laws and liability, responsibility in learning environment, campus conduct, emergency response tactics, and the discipline process as it relates to students.

(Pass/No Pass Only)

Criminal Justice Academies 090
Academy Tactical Officer Training

Unit(s): 0.5 Class Hours: 2.00 Lecture, 38.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099A Commission on Peace Officers Standards and Training (POST) Basic Police Academy equivalent as determined by the discipline faculty.

This course is designed to prepare students to serve as tactical officers in a California Peace Officers Standards and Training (POST) accredited police academy training environment.

(Pass/No Pass Only)

Criminal Justice Academies 098-00
Topic Course

Unit(s): 0.1-2.0 Class Hours: 0.00-40.00 Lecture, 0.00-40.00 Lab total.

Varies with topic.

(Pass/No Pass Only)

Criminal Justice Academies 099**Pre-Academy***Formerly: OCSD Basic Pre-Academy*Unit(s): 2.5 Class Hours: 12.500 Lecture, 107.500 Lab total.

Prerequisite: Students sponsored by California law enforcement agencies must successfully complete required college screening procedures including interview, medical evaluation, and DOJ Livescan. Self-sponsored students must meet all prerequisites before entering the course, and will be responsible for providing their required uniforms and equipment. Students must sign information sharing, student testing, and weapons handling agreements before entering the course. Violations of these agreements may result in immediate removal from the course.

The course is designed to familiarize students with the duties and responsibilities associated with attending a basic California Peace Officer Standard and Training (POST) police academy. Course instruction will include Drill and Ceremony, Introduction to Report Writing, Academy Protocol, Physical Training, and Program Overview.

(Pass/No Pass Only)

Criminal Justice Academies 099A**Basic Police Academy**Unit(s): 29.5-31.5 Class Hours: 311.00-321.00 Lecture, 673.00-739.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: Students sponsored by California law enforcement agencies must meet P.O.S.T. hiring requirements. Self-sponsored students must successfully complete CJA 010, CJA 026A, CJA 099 and required college screening procedures including interview, written test, medical evaluation, psychological evaluation, and DOJ livescan. Self-sponsored students' applications will be evaluated and screened by Criminal Justice Academies Director and Academy Fitness Instructor to assure students are sufficiently prepared. Self-sponsored students must meet all required prerequisites before entering or continuing the course. CJA 010 CJA 026A CJA 099

Student will receive instruction in all areas of criminal justice, as required by California Peace Officers Standards and Training (CA POST), for entry-level law enforcement officers. This course is offered in partnership with the Orange County Sheriff's Department.

Criminal Justice Academies 099B**Level 3 Modular Police Academy**Unit(s): 5.5-6.0 Class Hours: 71.500 Lecture, 96.500-112.500 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: Students sponsored by California law enforcement agencies must meet Peace Officers Standards and Training (POST) hiring requirements. Self-sponsored students must successfully complete required college screening procedures including interview, medical evaluation, and DOJ Livescan. Self-sponsored students must meet all prerequisites before entering the course, and will be responsible for providing their own required uniforms, equipment, and ammunition. All students must sign conduct, information sharing, student testing, and weapons handling agreements before entering the course. Violations of these agreements may result in immediate removal from the course.

The first module of the California Peace Officer Standards and Training (CA POST) Certified Modular Police Academy Program.

(Pass/No Pass Only)

Criminal Justice Academies 099C**Level 2 Modular Police Academy**Unit(s): 6.0-6.5 Class Hours: 61.500 Lecture, 150.500-166.500 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: CJA 099B or Commission on Peace Officers' Standards and Training (POST) Certified Module 3 Police Academy Program or equivalent as determined by the Associate Dean of Criminal Justice Academies.

NOTE: Approval of equivalent training is not a guarantee state regulatory or licensing agencies will also grant equivalency. Students sponsored by California law enforcement agencies must meet the POST hiring requirements. Self-sponsored recruits must successfully complete the required college screening procedures including interview, medical evaluation, and DOJ Livescan. Self-sponsored students must meet all prerequisites before entering the course, and will be responsible for providing their own required uniforms, equipment, and ammunition. All students must sign conduct, information sharing, student testing, and weapons handling agreements before entering the course. Violations of these agreements may result in immediate removal from the course.

The second module of the California Peace Officer Standards and Training (CA POST) Modular Police Academy Program

(Pass/No Pass Only)

CRITICAL AND ACADEMIC READING (CAR)**Critical and Academic Reading 101****Introduction to Academic Reading**Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Instruction toward students' mastery of higher-level vocabulary, intermediate-level reading comprehension, and critical evaluation of college-level text.

CSU

Critical and Academic Reading 102**Academic Reading**Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Introduces a repertoire of reading strategies aimed at preparing students for comprehension of complex, advanced-level reading materials. Advanced reading strategies provide the foundation for the development of critical reading and the recognition of patterns of academic thought. Reading strategies for specific disciplines, including the social sciences, business, humanities and the arts, mathematics and the natural sciences are presented.

CSU

Critical and Academic Reading 150**Critical Reading**Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Recommended Preparation: Completion of or concurrent enrollment in English 101 or English 101H is Recommended.

This course addresses the relationship between critical reading and critical thinking, including emphasis on the development of critical reading and thinking skills that facilitate the interpretation, analysis, criticism, and advocacy of ideas encountered in academic reading.

CSU/UC

CULINARY ARTS (CULN)**Culinary Arts 100****Introduction to Culinary Arts and Hospitality**Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Practices and procedures for individuals interested in a career in the Culinary Arts and Hospitality or allied fields. Includes field trips to industry sites and interaction with professionals in the field.

CSU

Culinary Arts 101 (C-ID HOSP 100)
Introduction to Hospitality Management

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Overview of the Hospitality industry's structure and financial performances: food and lodging, resorts, tourism enterprises, attractions, and related operations. Focus on orientation to customer service, cultural/economic trends, and career opportunities. (Same as Management 130).
 CSU

Culinary Arts 110 (C-ID HOSP 110)
Food Safety and Sanitation

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Sanitation practices affecting individual operations. Prevention and control of foodborne illnesses through flow of food and HACCP management. (Same as Nutrition 110).
 CSU

Culinary Arts 116 (C-ID NUTR 120)
Principles of Food Preparation

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Application of scientific principles in the preparation of selected food products with emphasis on physical and chemical properties of food; methods and techniques of food preparation; factors that contribute to quality of prepared foods. (Same as NUTR 116).
 CSU

Culinary Arts 120 (C-ID HOSP 160)
Introduction to Culinary Skills & Principles

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Prerequisite: Students participating in the Culinary Arts cooking courses MUST provide proof of negative TB skin test (or normal chest x-ray within the past 4 years).

Students will explore the fundamental skills of food preparation, kitchen organization, and basic cooking techniques, emphasizing in quality and professional standards used in a modern commercial kitchen. Laboratory work will include knife skills, stocks, broths, soups, sauces, and basic cooking techniques for vegetables, starches, meat, seafood, and poultry.
 CSU

Culinary Arts 130
International Cuisine

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Students will explore the study of classical and modern cooking techniques associated with the preparation and service of international and ethnic cuisines. Topics include similarities between food production systems used in the United States and other regions of the world and the influence of the countries around the world in American cuisine. Advanced knife skills, cooking techniques, mise en place, time management, organizational skills, and quality standards are emphasized.
 CSU

Culinary Arts 140
Introduction to Baking & Pastry

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Prerequisites: Students participating in the Culinary Arts cooking courses MUST provide proof of negative TB skin test (or normal chest x-ray within the past 4 years).

This course covers fundamental baking skills for students who intend to specialize in baking and pastry making for commercial production. Production of yeast and quick breads, cakes, cookies, pies, and pastries, as well as decorating and icings are undertaken. Gourmet baked items and pastries are produced in a time-restricted quality-minded setting. This course is for students pursuing a career in culinary arts/culinary management, and will prepare students for entry level baking position in the food industry as a baker or pastry chef.
 CSU

Culinary Arts 150
Principles of Pantry

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Prerequisites: Students participating in the Culinary Arts cooking courses MUST provide proof of negative TB skin test (or normal chest x-ray within the past 4 years).

Introduction to the basic skills needed for a restaurant pantry station to produce quality salads, sandwiches, and cold sauce emphasized.
 CSU

Culinary Arts 160
Principles of Beverage Service

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

The course will introduce the skills needed in the Food and Beverage Management sector. This course will explore the theory and practical skills required to identify and recommend different types of alcoholic and non-alcoholic beverages served in the foodservice/hospitality industry.
 CSU

Culinary Arts 190
Food & Beverage Production Management

Unit(s): 2.0 Class Hours: 108.00 Laboratory total.

Prerequisite: Culinary Arts 110 or Nutrition and Food 110 with a minimum grade of C.

The course provides students with hands-on experience and training in customer service, catering special events, dining room service, buffet presentation, food production, management, and job readiness skills.
 CSU

Culinary Arts 200
Business Practices for Culinary Arts Professionals

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course offers insight into the various aspects of supervision in the hospitality industry. Supervisory roles, responsibilities, and essential managerial skills shall be discussed. The goal of the course is to equip students with the necessary authoritative and decision-making skills to be used in the workplace.
 CSU

Culinary Arts 201 (C-ID HOSP 140)
Introduction to Hotel Management

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An introduction to the operating system and components of a hotel-resort facility, which includes: front office, housekeeping, food and beverage, sales and marketing, accounting, property maintenance, human/resource management and information systems.
 CSU

Culinary Arts 202 (C-ID HOSP 120)
Hospitality Cost Control

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Analyzing and managing: food, beverage, labor, and other costs within a hospitality operation. Emphasis on problem solving, applying cost control techniques to maximize profits while managing expenses. Topics include: establishing standards, cost-volume-profit-analysis, forecasting, purchasing and storage controls, menu costing and pricing, theft prevention and labor control.
 CSU

Culinary Arts 203 (C-ID HOSP 130)
Introduction to Food & Beverage Management

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Techniques and management procedures are explored and developed related to commercial and institutional food and beverage facilities. Topics include functions of management, marketing, menu development, effective cost controls in purchasing, labor, and service techniques. (Same as Management 203).

CSU

Culinary Arts 205 (C-ID HOSP 150)
Hospitality Law

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

The course provides students with the U.S. Legal System's fundamental knowledge to help minimize potential liability and lawsuits in the Hospitality Industry. (Same as Paralegal 205).

CSU

Culinary Arts 220
Advanced Culinary Skills & Principles

Unit(s): 3.0 Class Hours: 27.00 Lecture, 81.00 Laboratory total.

This course continues the education from basic cooking skills to an advanced application. Quality standards of cooking methods as they apply to the major cuts of animal protein and vegetables will be covered. Food costing, portioning, seasoning, and presentation will be demonstrated and practiced. High standards of professionalism, sanitation, and proper work habits will be emphasized. Students participating in the Culinary Arts cooking courses MUST provide proof of negative TB skin test (or normal chest x-ray within the past 4 years).

CSU

Culinary Arts 230
Healthy American Cuisine

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

This course will be a culinary tour of America including food identification and traditional cooking methods with a healthy alternative. This course focuses on a regional perspective of healthy American cuisine. Students will have the opportunity to produce regional specialties while researching the influence of culture. Students participating in the Culinary Arts cooking courses MUST provide proof of negative TB skin test (or normal chest x-ray within the past 4 years).

CSU

Culinary Arts 240
Vegetarian Cuisine

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

This course develops an understanding of the basic principles and techniques of vegetarian (lacto, ovo-lacto, vegan, and raw foods) food preparation. Students participating in the Culinary Arts cooking courses MUST provide proof of negative TB skin test (or normal chest x-ray within the past 4 years).

CSU

Culinary Arts 250
Modern Food: Style, Design, Theory and Production

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Study and practice of modern food preparation and design. The different styles of cuisine will include: Fusion, Californian, Pacific-Rim, Tex-Mex, and Nouvelle. Modern trends and corresponding plate design theories will be demonstrated and practiced. Students participating in the Culinary Arts cooking courses MUST provide proof of negative TB skin test (or normal chest x-ray within the past 4 years).

CSU

Culinary Arts 299
Work Experience - Culinary

Formerly: Cooperative Work Experience Education

Unit(s): 0.5 - 4.0 Class Hours: 27.00-216.00 Lecture total.

Prerequisite: Culinary Arts 110 with a minimum grade of C or six units completed in Culinary Arts or Nutrition & Food degree/certificate courses. This work experience course of supervised employment assists students to acquire desirable work habits, attitudes and skills in Culinary Arts. A student can earn 0.5 to 4 units per semester, up to a maximum of 14 units total. Additionally, students must work 54 hours to earn 1 unit. Student repetition is allowed per Title 5, Section 55253. Grade: Pass/No Pass Only. Open Entry/Open Exit.

CSU

DANCE (DNCE)

Dance 009A
Dance Laboratory I

Unit(s): 0.5 Class Hours: 27.00 Laboratory total.

Prerequisite: By audition only or approval of instructor Studio rehearsal time, emphasizing progressive development in the creation of dance concert productions, repertory performances, and/or choreographic projects. Beginning level assignments change every semester. 27 hour earns 0.5 unit. Requires audition or instructor approval prior to enrollment. Grade: Pass/No Pass Only. Open Entry/Open Exit. A combination of Dance 009A, 009B, 009C, and 009D may be taken a maximum of four enrollments.

Dance 009B
Dance Laboratory II

Unit(s): 0.5 Class Hours: 27.00 Laboratory total.

Prerequisite: Dance 009A with a minimum grade of C. Requires audition or instructor approval prior to enrollment. Studio rehearsal time, emphasizing progressive development in the creation of dance concert productions, repertory performances and/or choreographic projects. Beginning-intermediate level assignments change every semester. 27 hour earns 0.5 unit. Requires audition or instructor approval prior to enrollment. Grade: Pass/No Pass Only. Open Entry/Open Exit. A combination of Dance 009A, 009B, 009C, and 009D may be taken a maximum of four enrollments.

Dance 009C
Dance Laboratory III

Unit(s): 0.5 Class Hours: 27.00 Laboratory total.

Prerequisite: Dance 009B with a minimum grade of C. Studio rehearsal time, emphasizing progressive development in the creation of dance concert production, repertory performances, and/or choreographic projects. Intermediate level assignments change every semester. Grade: Pass/No Pass Only. Open Entry/Open Exit. A combination of Dance 009A, 009B, 009C, and 009D may be taken a maximum of four enrollments.

Dance 009D
Dance Laboratory IV

Unit(s): 0.5 Class Hours: 27.00 Laboratory total.

Prerequisite: Dance 009C with a minimum grade of C. Studio rehearsal time, emphasizing progressive development in the creation of dance concert production, repertory performances, and/or choreographic projects. Intermediate-advanced level assignments change every semester. Grade: Pass/No Pass Only. Open Entry/Open Exit. A combination of Dance 009A, 009B, 009C, and 009D may be taken a maximum of four enrollments.

Dance 100
Dance History and Appreciation

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

The development of dance in Western Europe and the U.S. from ancient times to the present. Explores dance as an emerging art form from the Renaissance to the 21st Century. Emphasizes the contemporary dance heritage of the United States.

CSU/UC

Dance 100H
Honors Dance History and Appreciation

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: A high school or college GPA of 3.0 or above.

An enriched honors course featuring intensive study of theatrical dance development in Western Europe and the U.S. from ancient times to the present. Utilizes writing, reading, critical thinking skills, required research, and student-initiated discussions in a seminar setting to explore dance history from cultural and aesthetic points of view.

CSU/UC

Dance 101
Dance As Communication

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Introduction to how humans communicate through dance and perceive dance as communication by analyzing body language, nonverbal communication styles, multiple intelligences, and emotional expression. Students participate in written exercises and activities designed to enhance movement analysis tools to describe dance and interpret its meaning.

CSU/UC

Dance 102
Introduction to Dance Forms

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

An introduction to historical and contemporary dance forms through lecture and activity. Experience in ballet, modern, jazz, hip-hop, improvisation, folk, ethnic and/or ritual dance styles. Recommended for future teachers.

CSU/UC

Dance 104
History and Appreciation of Screendance

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Introduction to screendance as an art form and exploration of its historical development. Analyzation and appreciation of early screendance practices and their cultural, social, technical, and artistic impact on present day approaches. Students will engage in the viewing of visual aides and will participate in written exercises and discussions to identify and examine components of screendance.

CSU/UC

Dance 105
World Dance and Cultures

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Dance around the world is studied in its cultural/social context. Emphasis on the different ways dance is used to express ideas about religion, cultural identity, myths, and social ideals. Includes cultures from Africa, Asia, Europe, India, Latin America, Middle East, and North America, plus a focus on Southern California.

CSU/UC

Dance 106A
Introduction to Modern Dance - I

Formerly: Introduction to Modern Dance

Unit(s): 1.0 Class Hours: 9.00 Lecture, 27.00 Laboratory total.

An introduction to modern dance emphasizing movement technique, dance vocabulary, and creative individual expression. Includes an introduction to choreographic principles and the historical/cultural context of American modern dance. For the student with little or no dance experience. A combination of Dance 106A, 106B, 206A, 206B, 209, and 210 may be taken a maximum of four enrollments.

CSU/UC

Dance 106B
Introduction to Modern Dance - II

Formerly: Introduction to Modern Dance

Unit(s): 1.0 Class Hours: 9.00 Lecture, 27.00 Laboratory total.

A continued study of introduction to modern dance emphasizing movement technique, dance vocabulary, and creative individual expression. Includes fundamental choreographic principles and cultural context of American modern dance. Dance 106B is a refinement of skills learned in Dance 106A. A combination of Dance 106A, 106B, 206A, 206B, 209, and 210 may be taken a maximum of four enrollments.

CSU/UC

Dance 107A
Dance Concert Performance - I

Formerly: Dance Concert Performance

Unit(s): 1.0 Class Hours: 9.00 Lecture, 45.00 Laboratory total.

Prerequisite: Audition.

Formal dance concert performance experience for dance students. Includes both rehearsal process and a minimum of three on-stage public performances. Grade: Pass/No Pass Only. A combination of Dance 107A, 107B, 107C, and 107D may be taken a maximum of four enrollments.

CSU

Dance 107B
Dance Concert Performance - II

Unit(s): 1.0 Class Hours: 9.00 Lecture, 45.00 Laboratory total.

Prerequisite: By audition only.

A continued refinement of dance concert performance experience for dance students. Includes both rehearsal process and a minimum of three on-stage public performances. Grade: Pass/No Pass Only. A combination of Dance 107A, 107B, 107C, and 107D may be taken a maximum of four enrollments.

CSU

Dance 107C
Dance Concert Performance - III

Unit(s): 1.0 Class Hours: 9.00 Lecture, 45.00 Laboratory total.

Prerequisite: By audition only.

Formal dance concert performance experience with intermediate skills through small group, duet and/or solo repertoire. Includes preparation for public concerts and performances at different venues. Dances vary each semester. Requires audition prior to enrollment. Grade: Pass/No Pass Only. A combination of Dance 107A, 107B, 107C, and 107D may be taken a maximum of four enrollments.

CSU

Dance 107D**Dance Concert Performance - IV**

Unit(s): 1.0 Class Hours: 9.00 Lecture, 45.00 Laboratory total.

Prerequisite: By audition only.

Formal dance concert performance experience with intermediate-advanced skills through duet and/or solo repertoire. Includes preparation for public concerts and performances at different venues. Dances vary each semester. Requires audition prior to enrollment. Grade: Pass/No Pass Only. A combination of Dance 107A, 107B, 107C, and 107D may be taken a maximum of four enrollments.

CSU

Dance 108A**Introduction to Ballet - I**

Formerly: Introduction to Ballet

Unit(s): 1.0 Class Hours: 9.00 Lecture, 27.00 Laboratory total.

Introduction to basic ballet emphasizing movement technique, dance vocabulary, and creative individual expression. Student learns basic ballet-barre exercises, center work, and short dance works. Includes an introduction to choreographic principles and cultural context of ballet. Prepares the student for Dance 108B. A combination of Dance 108A, 108B, 201A, 201B, 213, and 214 may be taken a maximum of four enrollments.

CSU/UC

Dance 108B**Introduction to Ballet - II**

Formerly: Introduction to Ballet

Unit(s): 1.0 Class Hours: 9.00 Lecture, 27.00 Laboratory total.

Continuation of instruction in basic ballet technique, dance vocabulary, and creative individual expression. Student learns ballet-barre exercises, center work, and short dance works. Includes choreographic principles and cultural context of ballet. A combination of Dance 108A, 108B, 201A, 201B, 213, and 214 may be taken a maximum of four enrollments.

CSU/UC

Dance 109A**Pilates Mat I**

Unit(s): 1.0 Class Hours: 9.00 Lecture, 27.00 Laboratory total.

An introduction to the mat exercises developed by Joseph Pilates to build strength, stability, coordination, and control in the core muscles of the body. Applicable to dance and general body conditioning. A combination of Dance 109A, 109B, 109C, and 114 may be taken a maximum of four enrollments.

CSU/UC

Dance 109B**Pilates Mat II**

Unit(s): 1.0 Class Hours: 9.00 Lecture, 27.00 Laboratory total.

Recommended Preparation: Dance 109A with a minimum grade of C. Continued refinement of skills learned in Pilates Mat I with an emphasis on building strength, stability, coordination, and control in the core muscles of the body. Applicable to dance and general body conditioning. A combination of Dance 109A, 109B, 109C, and 114 may be taken a maximum of four enrollments.

CSU/UC

Dance 109C**Pilates Mat III**

Unit(s): 1.0 Class Hours: 9.00 Lecture, 27.00 Laboratory total.

Recommended Preparation: Dance 109B with a minimum grade of C. Intermediate level course in the mat exercises developed by Joseph Pilates to build strength, stability, coordination, and control in the core muscles of the body. Applicable to dance and general body conditioning. A combination of Dance 109A, 109B, 109C, and 114 may be taken a maximum of four enrollments.

CSU/UC

Dance 110**Beginning Mexican Folk Dance**

Unit(s): 1.0 Class Hours: 9.00 Lecture, 27.00 Laboratory total.

Introduces techniques, forms, and regional/historical backgrounds of dances from various regions of Mexico. A combination of Dance 110, 111, 112A, and 117 may be taken a maximum of four enrollments.

CSU/UC

Dance 111**Intermediate Mexican Folk Dance I**

Unit(s): 1.0 Class Hours: 9.00 Lecture, 27.00 Laboratory total.

Recommended Preparation: Dance 110 with a minimum grade of C is Recommended.

Continued study of techniques, forms, and regional/historical backgrounds of dances from various regions of Mexico. Students will perform more complex traditional dances. A combination of Dance 110, 111, 112A, and 117 may be taken a maximum of four enrollments.

CSU/UC

Dance 112A**Introduction to Ethnic Dance Forms**

Unit(s): 1.0 Class Hours: 9.00 Lecture, 27.00 Laboratory total.

Introduction to the dance movement and techniques of selected ethnic group(s) with emphasis on skill development and cultural/historical context. Focus may be chosen from African dance, Asian court or folk dance, dance forms from India, European folk dance, Polynesian dance forms, or other ethnic dance forms. No experience necessary. A combination of Dance 110, 111, 112A, and 117 may be taken a maximum of four enrollments.

CSU/UC

Dance 113A**Introduction to Flamenco Dance - I**

Unit(s): 1.0 Class Hours: 9.00 Lecture, 27.00 Laboratory total.

Introduction to dance movements, techniques, and terminology of Flamenco dance, music, rhythms, and song. Emphasis on dance skills and the cultural relationship between Spain and the Gypsies. Prepares the student for Dance 113B. A combination of Dance 113A and 113B may be taken a maximum of four enrollments.

CSU/UC

Dance 113B**Introduction to Flamenco Dance - II**

Unit(s): 1.0 Class Hours: 9.00 Lecture, 27.00 Laboratory total.

Recommended Preparation: Dance 113A with a minimum grade of C is Recommended.

Continued study of Flamenco culture through dance, music, and song, with emphasis on particular rhythms. Students will explore the dynamics and structure of these rhythms and learn a choreographed dance. A combination of Dance 113A and 113B may be taken a maximum of four enrollments.

CSU/UC

Dance 114
Conditioning for Dance

Unit(s): 1.0 Class Hours: 9.00 Lecture, 27.00 Laboratory total.

A course that utilizes a variety of modalities and approaches in conditioning exercises for dancers to enhance their technique and performance while practicing injury-prevention strategies. A combination of Dance 109A, 109B, 109C, and 114 may be taken a maximum of four enrollments.

CSU

Dance 118
Introduction to Caribbean and Latin Dance Styles

Unit(s): 1.0 Class Hours: 18.00 Lecture, 18.00 Laboratory total.

An introduction to Caribbean and Latin social dance styles, including musicality, partnering, and patterns. Emphasis is on movement technique, vocabulary and creative expression. Historical and contemporary forms such as Salsa, Merengue, Rhumba, Cumbia and Tango are studied. A combination of DNCE 118, DNCE 123, and DNCE 124 may be taken a maximum of four enrollments.

CSU/UC

Dance 119A
Introduction to Jazz Dance - I

Unit(s): 1.0 Class Hours: 9.00 Lecture, 27.00 Laboratory total.

Introduction to jazz dance technique emphasizing elementary movement technique, vocabulary, and creative expression. Includes an introduction to composition and cultural context of jazz dance. For students with little or no dance experience. A combination of Dance 119A, 119B, 219A, 219B, 220, and 221 may be taken a maximum of four enrollments.

CSU/UC

Dance 119B
Introduction to Jazz Dance - II

Unit(s): 1.0 Class Hours: 9.00 Lecture, 27.00 Laboratory total.

A refinement of basic jazz dance, emphasizing movement technique, vocabulary, and creative expression. Includes composition, the cultural context of jazz dance, and contemporary jazz dance forms. Movement repertoire differs from 119A. A combination of Dance 119A, 119B, 219A, 219B, 220, and 221 may be taken a maximum of four enrollments.

CSU/UC

Dance 120A
Introduction to Hip-Hop Dance

Unit(s): 1.0 Class Hours: 9.00 Lecture, 27.00 Laboratory total.

An introduction to hip-hop dance emphasizing movement technique, dance vocabulary and creative expression. Includes learning routines and the history and culture of hip-hop dance. No prior experience necessary. A combination of DNCE 120A, 120B, 250A, 250B, and 251 may be taken a maximum of four enrollments.

CSU/UC

Dance 120B
Intermediate Hip-Hop Dance

Unit(s): 1.0 Class Hours: 9.00 Lecture, 27.00 Laboratory total.

A continuation of the study of Hip-Hop dance emphasizing movement technique, dance vocabulary and creative expression. Includes more complicated movements, advanced dance combinations and an overview of the historical and cultural context of Hip-Hop. Beginning Hip-Hop recommended. A combination of DNCE 120A, 120B, 250A, 250B, and 251 may be taken a maximum of four enrollments.

CSU/UC

Dance 122A
Commercial Dance I

Unit(s): 1.0 Class Hours: 9.00 Lecture, 27.00 Laboratory total.

Instruction for the beginning level dance student in commercial dance including technical steps, styles, audition techniques, and performance skills. The course focuses on level I skill set necessary for the preparation of dancing in commercial settings such as entertainment industries, cruise liners, music videos, mainstream entertainment productions, etc. DNCE 122A prepares the student for DNCE 122B. A combination of DNCE 122, DNCE 122B, DNCE 125A, and DNCE 125B may be taken a maximum of four enrollments.

CSU/UC

Dance 122B
Commercial Dance II

Unit(s): 1.0 Class Hours: 9.00 Lecture, 27.00 Laboratory total.

Continued instruction for the beginning level dance student in commercial dance including the technical steps, styles, audition techniques, and performance skills. The course focuses on level II skill set necessary for preparation in dancing in commercial settings such as entertainment industries, cruise ships, music videos, mainstream entertainment productions, etc. DNCE 122B utilizes additional dance combination work and prepares the student for DNCE 125A. A combination of DNCE 122, DNCE 122B, DNCE 125A, and DNCE 125B may be taken a maximum of four enrollments.

CSU/UC

Dance 123
Introduction to Salsa Dance

Unit(s): 1.0 Class Hours: 9.00 Lecture, 27.00 Laboratory total.

An introduction to Salsa dance, including musicality, partnering, and patterns. Emphasis is on movement technique, dance vocabulary, social dance etiquette, and short compositional sequences. Historical and cultural context are studied. A combination of DNCE 118, DNCE 123, and DNCE 124 may be taken a maximum of four enrollments.

CSU/UC

Dance 124A
Salsa Dance I

Unit(s): 1.0 Class Hours: 9.00 Lecture, 27.00 Laboratory total.

A beginning level study in salsa dance, including musicality, partnering, and patterns. Emphasis is on movement technique, vocabulary, and expression with more complex patterns, and dance combinations. DNCE 123A/B Introduction to Salsa recommended. Dance 124A utilizes additional combination work and prepares the student for Dance 124B. A combination of DNCE 118, DNCE 123, and DNCE 124 may be taken a maximum of four enrollments.

CSU/UC

Dance 125A
Commercial Dance III

Unit(s): 1.0 Class Hours: 9.00 Lecture, 27.00 Laboratory total.

Instruction in commercial dance including the technical steps, styles, audition techniques, and performance skills. The course focuses on level III skill set necessary to be a successful dancer in commercial settings such as entertainment industries, cruise ships, music videos, mainstream entertainment productions, etc. Dance audition preparations and resume development are included in coursework. DNCE 125A utilizes additional dance combination work and prepares the student for DNCE 125B. A combination of DNCE 122, DNCE 122B, DNCE 125A, and DNCE 125B may be taken a maximum of four enrollments.

CSU

Dance 125B
Commercial Dance IV

Unit(s): 1.0 Class Hours: 9.00 Lecture, 27.00 Laboratory total.

Continued instruction in commercial dance including the technical steps, styles, audition techniques, and performance skills. The course focuses on level IV skill set necessary to be a successful dancer in commercial settings such as entertainment industries, cruise ships, music videos, mainstream entertainment productions, etc. Dance audition preparations, entrepreneurial and networking skills, and resume development are included in coursework. A combination of DNCE 122, DNCE 122B, DNCE 125A, and DNCE 125B may be taken a maximum of four enrollments.
 CSU

Dance 133A
Musical Theatre Dance Techniques I

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

Recommended Preparation: Dance 122A or Dance 201A or Dance 219A or Dance 250A with a minimum grade of C.

This is a beginner level course that covers a variety of dance genres and styles used in musical theatre with an emphasis on basic skillsets for ensemble dancing roles and character development. Study also focuses on the styles and contributions of major musical theatre choreographers and performers from the Golden Age to current musical theatre trends, and the audition process as a dancer related to musical theatre.
 CSU/UC

Dance 140
Dance Repertory Workshop

Unit(s): 1.0 Class Hours: 9.00 Lecture, 27.00 Laboratory total.

Intensive course which emphasizes learning selected repertory. Students learn one or more complete choreographic works of concert quality with instruction in specific performance styles, culminating in a public performance. Grade: Pass/No Pass Only.
 CSU/UC

Dance 180
Professional Studio Practices

Unit(s): 2.0 Class Hours: 36.00 Lecture, 36.00 Laboratory total.

Recommended Preparation: DNCE 122B or DNCE 201B or DNCE 206B or DNCE 219B with a minimum grade of C is Recommended.

Learn the procedures, management, and expectations of working in private dance studios. Applicable for both the dance educator and the professional dancer.
 CSU

Dance 201A
Ballet I

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Beginning level I ballet technique and terminology, including basic barre work, center work, and combinations en diagonale. Includes basic alignment, use of turnout, coordination, and ballet terminology. Dance 201A prepares the student for Dance 201B. A combination of DNCE 108A, DNCE 108B, DNCE 201A, DNCE 201B, DNCE 213, and DNCE 214 may be taken a maximum of four enrollments.
 CSU/UC

Dance 201B
Ballet II

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Dance 201A with a minimum grade of C.

Continuation of beginning ballet technique and terminology, including barre work, center work, and combinations en diagonale. Includes basic alignment, use of turnout, coordination, and ballet terminology for level II. Dance 201B utilizes additional combination work and prepares the student for Dance 213. A combination of DNCE 108A, DNCE 108B, DNCE 201A, DNCE 201B, DNCE 213, and DNCE 214 may be taken a maximum of four enrollments.
 CSU/UC

Dance 202A
Choreography

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Any course in an Intro to Dance or Beginning Level Dance Technique Recommended with a minimum grade of C.

A class for the general student interested in dance that defines and explores the elements involved in creating a dance. Students will develop basic choreographic skills and apply those skills to express their ideas through dance movement. Compositions created by students will be performed in the studio. Open to non-majors. A combination of Dance 130, 202A, and 202B may be taken a maximum of four enrollments.
 CSU/UC

Dance 202B
Choreography for Dance Majors

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: DNCE 201B or DNCE 206B or DNCE 219B or DNCE 250B: Dance 201B or DNCE-206B or DNCE-219B or DNCE-250B with a minimum grade of C is Recommended.

A composition class for dance majors which defines and explores the elements involved in creating a dance. Students will develop choreographic skills emphasizing individual expression of ideas through dance movement. Advanced level assignments of solo and group compositions are created by dance major students and performed in the dance studio. A combination of Dance 130, 202A, and 202B may be taken a maximum of four enrollments.
 CSU/UC

Dance 204A
Dance Production I

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Prerequisite: By audition only.

Concert dance production experience culminating in public performances in Phillips Hall Theatre as part of the Spring Student/Faculty Dance Concert. Includes production basics, with an emphasis on performance techniques and working with faculty/student choreographers to create original dances. By audition only prior to enrollment. A combination of Dance 204A, 204B, 204C, and 204D may be taken a maximum of four enrollments.
 CSU/UC

Dance 204B
Dance Production II

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Prerequisite: Dance 202B with a minimum grade of C or by audition only.

Concert dance production experience culminating in public performances in Phillips Hall Theatre as part of the Spring Student/Faculty Dance Concert. Includes production basics, with an emphasis on choreography to create original dances. By audition only prior to enrollment. A combination of Dance 204A, 204B, 204C, and 204D may be taken a maximum of four enrollments.
 CSU/UC

Dance 204C**Dance Production III**

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Prerequisite: By Audition only.

Continued study and refinement of concert dance production experience culminating in public performances in Phillips Hall Theater as part of the Spring Student/Faculty Dance Concert. Includes production elements, with an emphasis on performance techniques and working with student and/or faculty choreographers to create original dances. By audition only prior to enrollment. A combination of Dance 204A, 204B, 204C, and 204D may be taken a maximum of four enrollments.

CSU/UC

Dance 204D**Dance Production IV**

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Prerequisite: By audition only.

Continued refinement and development of concert dance production experience culminating in public performances in Phillips Hall Theater as part of the Spring Student/Faculty Dance Concert. Includes production elements with an emphasis on choreography to create original dances. By audition only prior to enrollment. A combination of Dance 204A, 204B, 204C, and 204D may be taken a maximum of four enrollments.

CSU/UC

Dance 205A**Dance Touring Ensemble I**

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Prerequisite: Audition

Pre-professional ensemble to provide performance experience in various settings such as high school lecture presentations, dance festivals, or off-campus performing venues. For advanced students. Repertoire and casting vary each semester. Requires audition prior to enrollment. A combination of Dance 205A, 205B, 205C, and 205D may be taken a maximum of four enrollments.

CSU/UC

Dance 205B**Dance Touring Ensemble II**

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Prerequisite: By audition only.

Pre-professional ensemble to provide continued performance experience in various settings such as high school lecture presentations, dance festivals, or off-campus performing venues. For advanced students. Repertoire and casting vary each semester. Requires audition prior to enrollment. A combination of Dance 205A, 205B, 205C, and 205D may be taken a maximum of four enrollments.

CSU/UC

Dance 205C**Dance Touring Ensemble III**

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Prerequisite: By audition only.

Pre-professional ensemble to provide performance and teaching experience in various settings such as high school lecture-presentations, dance festivals, or off-campus performing venues. Emphasis on rehearsal directing, co-teaching, and leadership roles for advanced students. Repertoire and casting vary each semester. Requires audition prior to enrollment. A combination of Dance 205A, 205B, 205C, and 205D may be taken a maximum of four enrollments.

CSU/UC

Dance 205D**Dance Touring Ensemble IV**

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Prerequisite: By audition only.

Pre-professional ensemble to provide continued performance and teaching experience in various settings such as high school lecture-presentations, dance festivals, or off-campus performance venues. Emphasis on continued experiences in rehearsal directing, co-teaching, and leadership roles for advanced students. Repertoire and casting vary each semester. Requires audition prior to enrollment. A combination of Dance 205A, 205B, 205C, and 205D may be taken a maximum of four enrollments.

CSU/UC

Dance 206A**Modern Dance I**

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

A beginning level modern dance class emphasizing movement technique, dance vocabulary, and creative individual expression. Includes an introduction to choreographic principles and cultural context of modern dance. Students learn modern dance exercises and short dance combinations. Prepares the student for Dance 206B. A combination of Dance 106A, 106B, 206A, 206B, 209, and 210 may be taken a maximum of four enrollments.

CSU/UC

Dance 206B**Modern Dance II**

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Dance 206A with a minimum grade of C is Recommended.

Continued study in modern dance emphasizing movement technique, dance vocabulary, and creative individual expression. Includes an introduction to somatic approaches to dance training to support body connectivity. Dance 206B is a continuation and refinement of learning longer dance combinations at the beginning-intermediate level. A combination of Dance 106A, 106B, 206A, 206B, 209, and 210 may be taken a maximum of four enrollments.

CSU/UC

Dance 209**Modern Dance III**

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Dance 206A or Dance 206B with a minimum grade of C is Recommended.

Provides the continuing modern dance student opportunity to concentrate on more advanced steps and development of technical skills and somatic approaches to dance at the intermediate level. Emphasizes combinations, choreography, and performance style. A combination of Dance 106A, 106B, 206A, 206B, 209, and 210 may be taken a maximum of four enrollments.

CSU/UC

Dance 210**Modern Dance IV**

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Dance 209 with a minimum grade of C is Recommended.

Continuing study of modern dance technique including more complicated combinations and advanced material. Emphasizes somatic approaches to dance training, performance expression, and comparison of modern dance styles. A combination of Dance 106A, 106B, 206A, 206B, 209, and 210 may be taken a maximum of four enrollments.

CSU/UC

Dance 213**Ballet III**

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Dance 201B with a minimum grade of C.
Continued study of ballet technique and terminology of the intermediate level. Course includes center adagio, jumps with beats, pirouettes, and movement combinations. Intermediate variations are also learned and performed in class. A combination of DNCE 108A, DNCE 108B, DNCE 201A, DNCE 201B, DNCE 213, and DNCE 214 may be taken a maximum of four enrollments.

CSU/UC

Dance 214**Ballet IV**

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Dance 213 with a minimum grade of C.
Continuing study of technique and terminology at the intermediate-advanced level. Emphasizes longer, more intricate movement combinations and development of balletic style. Stresses expression and technique at intermediate-advanced level. Includes ballet history and comparisons of various ballet styles. A combination of DNCE 108A, DNCE 108B, DNCE 201B, DNCE 213, and DNCE 214 may be taken a maximum of four enrollments.

CSU/UC

Dance 219A**Jazz Dance I**

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Beginning level 1 jazz dance emphasizing movement technique, vocabulary, and creative expression. Includes an introduction to choreographic principles and cultural context of jazz dance. Historical and contemporary forms are studied. A combination of Dance 119A, 119B, 219A, 219B, 220, and 221 may be taken a maximum of four enrollments.

CSU/UC

Dance 219B**Jazz Dance II**

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Dance 219A with a minimum grade of C.
Continued study in beginning jazz dance emphasizing movement technique, vocabulary and creative expression. Includes an introduction to choreographic principles and cultural context of jazz dance. Historical and contemporary forms are studied. A combination of DNCE 119A, DNCE 119B, DNCE 219A, DNCE 219B, DNCE 220, and DNCE 221 may be taken a maximum of four enrollments.

CSU/UC

Dance 220**Jazz Dance III**

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Dance 219B with a minimum grade of C.
Instruction for the continuing jazz dance student in intermediate jazz steps and further development of technical skills. Emphasis will be placed on combinations, choreography, performance style, and cultural context of jazz. Historical and contemporary forms are studied. A combination of DNCE 119A, DNCE 119B, DNCE 219A, DNCE 219B, DNCE 220, and DNCE 221 may be taken a maximum of four enrollments.

CSU/UC

Dance 221**Jazz Dance IV**

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Dance 220 with a minimum grade of C.
Continuing study of jazz dance concentrating on intermediate-advanced combinations with emphasis on movement technique, vocabulary, and performance style. Includes study of choreography, cultural context of jazz, and comparisons of historical and contemporary jazz styles. A combination of DNCE 119A, DNCE 119B, DNCE 219A, DNCE 219B, DNCE 220, and DNCE 221 may be taken a maximum of four enrollments.

CSU/UC

Dance 240A**Repertory I**

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Prerequisite: Audition.

Students develop rehearsal and performance skills through learning a repertoire of dances. Includes preparation for public concerts and performances at different venues. Dances vary each semester. Requires audition prior to enrollment.

CSU/UC

Dance 240B**Repertory II**

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Prerequisite: Audition.

Continued refinement of rehearsal and performance skills through learning a more difficult repertoire of dances. Includes preparation for public concerts and performances at different venues. Dances vary each semester. Requires audition prior to enrollment.

CSU/UC

Dance 240C**Repertory III**

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Prerequisite: Audition.

Students learn intermediate-advanced performance skills through small group, duet and/or solo repertoire. Includes preparation for public concerts and performances at different venues. Dances vary each semester. Requires audition prior to enrollment.

CSU/UC

Dance 240D**Repertory IV**

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Prerequisite: By audition only.

Continued study in intermediate-advanced performance skills through small group, duet and/or solo repertoire. Includes preparation for public concerts and performances at different venues. Dances vary each semester. Requires audition prior to enrollment.

CSU/UC

Dance 250A**Hip Hop Dance I**

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

A level I hip-hop dance course emphasizing movement technique, vocabulary, and creative expression. It includes choreographic principles, improvisation, and the cultural context of hip-hop dance. A combination of DNCE 120A, 120B, 250A, 250B, and 251 may be taken a maximum of four enrollments.

CSU/UC

Dance 250B**Hip-Hop Dance II***Formerly: Hip Hop Dance II*

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Dance 250A with a minimum grade of C.
Continued study in hip-hop dance, level II, emphasizing movement technique, vocabulary, and creative expression. Includes improvisation, more difficult combinations, student compositions, and the cultural context of hip-hop. Movement repertoire prepares students for DNCE 251. A combination of DNCE 120A, 120B, 250A, 250B, and 251 may be taken a maximum of four enrollments.

CSU/UC

Dance 251**Hip-Hop Dance III**

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Dance 250B with a minimum grade of C is Recommended.

Instruction for the continuing dance student in level III hip-hop dance technique and further development of performance skills. Emphasis will be placed on combinations, choreography, performance style, and cultural context of hip-hop. A combination of DNCE 120A, 120B, 250A, 250B, and 251 may be taken a maximum of four enrollments.

CSU/UC

Dance 260**Somatic Practices in Dance**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

This course uses the principles of Bartenieff Fundamentals to develop efficient movement patterning within the body and to encourage and support personal expression, meaning-making, and an integration of the body and mind. Includes core concepts of the Laban Movement Analysis System which embodies all movement possibilities through Body, Effort, Shape, and Space. Knowledge in Anatomy/Physiology or Kinesiology, and/or training in intermediate/advanced dance techniques are highly recommended. A combination of Dance 260, 261, 262, and 263 may be taken a maximum of four enrollments.

CSU/UC

Dance 261**Somatic Practices in Modern Dance**

Unit(s): 1.0 Class Hours: 18.00 Lecture, 18.00 Laboratory total.

Prerequisite: Dance 260 with a minimum grade of C

Application of somatic practices learned in Dance 260 to intermediate/advanced level modern dance techniques. Grade: Pass/No Pass Only. A combination of Dance 260, 261, 262, and 263 may be taken a maximum of four enrollments.

CSU/UC

Dance 262**Somatic Practices in Ballet**

Unit(s): 1.0 Class Hours: 18.00 Lecture, 18.00 Laboratory total.

Prerequisite: Dance 260 with a minimum grade of C.

Application of somatic practices learned in Dance 260 to intermediate/advanced level ballet techniques. Grade: Pass/No Pass Only. A combination of Dance 260, 261, 262, and 263 may be taken a maximum of four enrollments.

CSU/UC

Dance 263**Somatic Practices in Jazz Dance**

Unit(s): 1.0 Class Hours: 18.00 Lecture, 18.00 Laboratory total.

Prerequisite: Dance 260 with a minimum grade of C

Application of somatic practices learned in Dance 260 to intermediate/advanced level jazz dance techniques. Grade: Pass/No Pass Only. A combination of DNCE 260, DNCE 261, DNCE 262, and DNCE 263 may be taken a maximum of four enrollments.

CSU/UC

Dance 270**Dance Practicum**

Unit(s): 1.0 Class Hours: 9.00 Lecture, 27.00 Laboratory total.

Prerequisite: Dance 180 with a minimum grade of B.

Directed study at selected locations providing workplace experience as performer, choreographer, production assistant, dance management intern, dance team assistant, dance studio assistant, dance teacher, or somatics teaching assistant. Before placement, skills are assessed to match abilities with project or job needs.

CSU/UC

Dance 290**Choreography for the Camera**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Prerequisite: Digital Media 140 with a minimum grade of C.

An introduction to dance for the camera, utilizing both practical and theoretical concepts of choreography and video production as it pertains to filmmaking. Through dance film analysis, studio-based exercises, viewings, and discussions, specific approaches to translating, contextualizing, framing, and structuring movement in the cinematic format will be explored. Designed for the dancer with intermediate/advanced technical training and choreographic skills. A combination of DNCE 130 and DNCE 202A and DNCE 202B may be taken a maximum of four enrollments.

CSU/UC

Dance 291**Dance Film Production**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Prerequisite: Dance 290 with a minimum grade of C.

A capstone course, where students build upon skills and concepts developed in previous camera, editing, cinematography, and choreography for the camera courses. Students produce and direct dance film productions.

CSU/UC

Dance 296**Special Studies in Modern Dance**

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Dance 210 with a minimum grade of C.

An advanced level course offering individualized and accelerated instruction in modern dance techniques. Grade: Pass/No Pass Only. A combination of Dance 296, 297, and 298 may be taken a maximum of four enrollments.

CSU/UC

Dance 297**Special Studies in Jazz Dance**

Unit(s): 1.0 Class Hours: 9.00 Lecture, 27.00 Laboratory total.

Recommended Preparation: Dance 221 with a minimum grade of C.

An advanced level course offering individualized and accelerated instruction in jazz dance techniques. Grade: Pass/No Pass Only. A combination of Dance 296, 297, and 298 may be taken a maximum of four enrollments.

CSU/UC

Dance 298
Special Studies in Ballet Dance

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Dance 213 and Dance 214 with a minimum grade of C are Recommended.

An advanced level course offering individualized and accelerated instruction in ballet dance techniques. Grade: Pass/No Pass Only. A combination of Dance 296, 297, and 298 may be taken a maximum of four enrollments.

CSU/UC

DIESEL (DSL)

Diesel 211
Hydrogen Fuel Cell Safety

Unit(s): 0.2 Class Hours: 4.00 Lecture total.

This course will cover safe practices when servicing and maintaining hydrogen fuel cell systems. Students will explore safety related to high pressures and high voltages.

CSU

Diesel 212
Hydrogen Fuel Cells

Unit(s): 1.0 Class Hours: 16.00 Lecture, 8.00 Laboratory total.

Recommended Preparation: Diesel 211 with a minimum grade of C.

This course will focus on the fuel cell found in modern alternative fueled vehicles, including heavy duty applications. Fuel cell design, operation, and maintenance will be discussed. Students must supply their own approved safety glasses.

CSU

Diesel 213
Hydrogen Used for Fuel Cells

Unit(s): 1.0 Class Hours: 24.00 Lecture, 8.00 Laboratory total.

Recommended Preparation: Diesel 211 with a minimum grade of C.

This course will cover safety, function, operation, and design of the high pressure hydrogen system used with modern fuel cells. Students must supply their own approved safety glasses.

CSU

Diesel 214
Fuel Cell High Voltage Systems

Unit(s): 1.0 Class Hours: 24.00 Lecture, 8.00 Laboratory total.

Recommended Preparation: Diesel 211 with a minimum grade of C.

This course will cover the safe practices, operation, function, and design of the high voltage systems used on modern fuel cells. Students must supply their own approved safety glasses.

CSU

DIESEL ELECTRIC TRANSPORTATION TECHNOLOGY (DETT)

Diesel Electric Transportation Technology 115
Heavy Duty Mobile Hydraulics

Formerly: DSL 115, Heavy Duty Mobile Hydraulics

Unit(s): 5.0 Class Hours: 72.00 Lecture, 72.00 Laboratory total.

This course presents the operation, service, and troubleshooting procedures for hydraulic systems found on modern light-medium and heavy-duty equipment and trucks. This class covers hydraulic systems used in diesel, hybrid, and electric applications. Hands-on procedures are emphasized. Students must furnish approved safety glasses. Field trips may be required.

CSU

Diesel Electric Transportation Technology 121
Diesel Engines

Formerly: DSL 121, Diesel Engines

Unit(s): 4.5 Class Hours: 54.00 Lecture, 81.00 Laboratory total.

Service, repair, rebuilding, diagnosing, operation, function, and features of diesel engines. Hands-on procedures and safety are emphasized. Students must furnish approved safety glasses. Field trips may be required.

CSU

Diesel Electric Transportation Technology 131
Transmissions and Drive Train

Formerly: DSL 131, Drive Train

Unit(s): 4.5 Class Hours: 54.00 Lecture, 81.00 Laboratory total.

This course covers the drive train systems used on medium and heavy-duty trucks. Operation, service, and troubleshooting of manual, semi-automated, Allison automatic transmissions, clutch, and rear axle systems are emphasized. Introduction to high-voltage electric drive trains for electric mid-heavy duty vehicles is included. Service procedures and diagnosis using diagnostic software will be covered. Computer control systems and high-voltage performance systems are emphasized as required on modern medium and heavy-duty vehicles. Students must furnish their own safety glasses. Field trips may be required.

CSU

Diesel Electric Transportation Technology 132
Alternative Fuels, Diesel, Emissions, And Zero Emissions Systems

Formerly: DSL 132, Alternative Fuels, Diesel, Emissions, and Zero Emissions Systems

Unit(s): 5.0 Class Hours: 72.00 Lecture, 72.00 Laboratory total.

Theory, testing, and service of mechanical and electronic diesel. CNG and alternative fuel systems. Engine diagnosis techniques for current production of medium/heavy-duty diesel and CNG engines. Diesel emissions will also be covered. Zero emissions, electric trucks, and theory of operation will be covered. Hands-on procedures and safety are emphasized. Students must furnish approved safety glasses. Field trips may be needed.

CSU

Diesel Electric Transportation Technology 141
Medium/Heavy Duty Chassis Systems

Formerly: DSL 141, Brakes

Unit(s): 4.5 Class Hours: 54.00 Lecture, 81.00 Laboratory total.

Study of mid and heavy-duty vehicle (MHDV) chassis and suspension configurations. Emphasis on electronic air suspension and leaf spring configurations. Principles of operation for MHDV air and hydro-boost hydraulic brake systems. Study of steering systems and performing service procedures. Emphasis on collision prevention and autonomous guides for MHDV technologies. Study of vehicles to everything (V2E) technological platforms. Overview of MHD electric vehicle chassis requirements. Field trips may be required.

CSU

Diesel Electric Transportation Technology 161
Electrical/Electronic Systems

Formerly: DSL 161, Electrical/Electronic Systems

Unit(s): 5.0 Class Hours: 63.00 Lecture, 81.00 Laboratory total.

Introduction to the fundamentals of electrical and electronic systems for mid-heavy-duty vehicles. Diagnosis, service, and repair procedures for conventional, multiplexed, and other networked electrical systems. Overview of electronic control modules, sensors, actuators, and control area networks (CAN). Study of low and high voltage AC/DC circuits. Analysis of high voltage battery pack management. Introduction to electric mid/heavy-duty vehicles technologies. Field trips may be required.

CSU

Diesel Electric Transportation Technology 165 Diesel-Electric Transport Refrigeration

Formerly: DSL 165, Transport Refrigeration

Unit(s): 5.0 Class Hours: 72.00 Lecture, 72.00 Laboratory total.

Introduction to the principles of transport refrigeration for Thermoking and Carrier units. Emphasis on the fundamentals of heat transfer and its relationship between pressure and temperature in a liquid. Safety practices when working on transport refrigeration units. A deep overview of all the components and their functions while the unit is going through all three phases of the refrigeration process. Description of the cooling, heating, and defrost cycles. Preparation for the EPA 608 Universal HVAC technician certification. Study of inspection, maintenance, troubleshooting, and repair procedures following OEM recommendation and EPA guidelines. Practice soft solder and silver brazing techniques. Overview of the proper use of service equipment and special tools used in the recovery, dehydration, vacuum, and charge of the units. Introduction to all electric high voltage units. Field trips may be required.

CSU

Diesel Electric Transportation Technology 168 High Voltage and Electrical Systems

Formerly: DSL 168, Electronics and Network Systems

Unit(s): 5.0 Class Hours: 72.00 Lecture, 72.00 Laboratory total.

Recommended Preparation: Diesel Electric Transportation Technology 161 with a minimum grade of C.

This class will train the students with the essential skills to enter the emerging electric heavy-duty vehicles (EHDV) industry. High voltage safety is highly emphasized. Overview of charging level systems. Recognize safe and proper procedures for maintenance, service, troubleshooting and repair techniques on battery packs, electrical and electronic controls, and high voltage electric drive train components. This class is highly recommended for individuals seeking a career as an EHDV technician, service manager, fleet managers, and commercial vehicle inspectors. Field trips may be required.

CSU

Diesel Electric Transportation Technology 171 Heating, Ventilation, and Air Conditioning

Formerly: DSL 171, Heating, Ventilation, and Air Conditioning

Unit(s): 3.5 Class Hours: 45.00 Lecture, 54.00 Laboratory total.

Operation, testing, and servicing of truck cab air conditioning and heating systems. Auxiliary power units (APU) are also covered. Introduction to electric heavy-duty vehicles (EHDV) heating ventilation air conditioning (HVAC) and electric APU systems. Overview of HVAC units as an alternative system to the EHDV battery thermal management systems. Preparation for the student to pass the environmental protection agency (EPA) 609 exam for automobile air conditioning technician certification. Field trips may be required.

CSU

Diesel Electric Transportation Technology 181 Introduction to Preventative Maintenance

Formerly: DSL 181, Introduction to Preventative Maintenance Inspection

Unit(s): 5.0 Class Hours: 72.00 Lecture, 72.00 Laboratory total.

This course provides the student with basic knowledge and skills in medium and heavy-duty truck maintenance. Safety, inspections, and hands-on practice are emphasized. Close overview of CHP and DOT safety and maintenance inspection format and records filling. Introduction to Electric heavy-duty vehicles system and inspection.

CSU

Diesel Electric Transportation Technology 201 Introduction to Transit Systems

Formerly: DSL 201, Introduction to Transit Systems

Unit(s): 0.3 Class Hours: 6.00 Lecture total.

Prerequisite: Approved safety equipment is required for live shop instructor demonstrations on running transit buses.

This course will introduce students the bus transit systems, including tools, components, location of components, safety, regulations, and procedures. This course is meant for students working in a transit field as an entry-level technician.

CSU

Diesel Electric Transportation Technology 202 Transit Preventative Maintenance

Formerly: DSL 202, Transit Preventative Maintenance

Unit(s): 0.5 Class Hours: 12.00 Lecture total.

Prerequisite: Diesel Electric Transportation Technology 201 with a minimum grade of C.

This course provides students with an overview of the Certified Maintenance courses CERT1 through CERT10. Covers the ground rules and expectations of the program. Transit bus vehicle and shop safety training is highlighted. This safety training is required for participation in all CERT1 through CERT10 courses. Familiarizes students with the proper and safe use of hand tools and equipment. Includes an overview of the functions and procedures for preventive maintenance on current transit buses.

CSU

Diesel Electric Transportation Technology 203 Transit Vehicle Electrical Systems

Formerly: DSL 203, Transit Vehicle Electrical Systems

Unit(s): 2.5 Class Hours: 45.00 Lecture total.

Prerequisite: Diesel Electric Transportation Technology 201 with a minimum grade of C.

This course covers the functions and components of the electrical systems on current transit buses. Principles of electricity and safety are highlighted. An overview of troubleshooting techniques for both conventional and computer controlled buses are emphasized. This is the Certified Maintenance course CERT3.

CSU

Diesel Electric Transportation Technology 205 Transit Vehicle Air Brake Systems

Formerly: DSL 205, Transit Vehicle Air Brake Systems

Unit(s): 1.0 Class Hours: 21.00 Lecture total.

Prerequisite: Diesel Electric Transportation Technology 201 with a minimum grade of C.

This course introduces the students to the operation of air brake systems found on current transit buses. Diagnosis, service, and repair procedures are emphasized. Principles of air supply and safety are also included. An overview of troubleshooting techniques for both conventional and computer controlled buses will be discussed. This is Certified Maintenance course CERT5.

CSU

Diesel Electric Transportation Technology 206 Transit Vehicle Automatic Transmissions

Formerly: DSL 206, Transit Vehicle Automatic Transmissions

Unit(s): 1.0 Class Hours: 24.00 Lecture total.

Prerequisite: Diesel Electric Transportation Technology 201 with a minimum grade of C.

This course introduces the students to the basic theory of operation of the automatic transmissions currently used on transit buses. Diagnostic and troubleshooting techniques, repair, and service will be emphasized. This is the Certified Maintenance course CERT6.

CSU

Diesel Electric Transportation Technology 207 Transit Vehicle Engines

Formerly: DSL 207, Transit Vehicle Engines

Unit(s): 2.0 Class Hours: 39.00 Lecture total.

Prerequisite: Diesel Electric Transportation Technology 201 with a minimum grade of C.

This course will introduce students to the basic theory of operation of current transit bus engines. Diagnostic and troubleshooting techniques, repair, and service will be emphasized. This is the Certified Maintenance course - CERT7.

CSU

Diesel Electric Transportation Technology 208 Transit Vehicle Heating, Ventilation, Air Conditioning

Formerly: DSL 208, Transit Vehicle Heating, Ventilation, Air Conditioning

Unit(s): 1.0 Class Hours: 24.00 Lecture total.

Prerequisite: Diesel Electric Transportation Technology 201 with a minimum grade of C.

This course introduces the student to the basic theory of operation of heating, ventilation, and air conditioning systems used on current transit buses. Service, maintenance, and troubleshooting will be emphasized.

This is the Certified Maintenance course - CERT8.

CSU

Diesel Electric Transportation Technology 209 Transit Vehicle Drive Train Suspension

Formerly: DSL 209, Transit Vehicle Drive Train Suspension

Unit(s): 1.0 Class Hours: 21.00 Lecture total.

Prerequisite: Diesel Electric Transportation Technology 201 with a minimum grade of C.

This course introduces students to the basic theory of operation of transit bus drive train and suspension systems. Diagnostic techniques, repair, and service of current transit bus drive train and suspension systems will be emphasized. This is the Certified Maintenance course - CERT9.

CSU

Diesel Electric Transportation Technology 210 Transit Vehicle Wheelchair Lifts

Formerly: DSL 210, Transit Vehicle Wheelchair Lifts

Unit(s): 0.5 Class Hours: 15.00 Lecture total.

Prerequisite: Diesel Electric Transportation Technology 201 with a minimum grade of C.

This course introduces the student to the basic theory of operation of wheelchair lifts and ramps currently used on transit buses. Service, maintenance, and troubleshooting will be emphasized. This is the Certified Maintenance course - CERT10.

CSU

Diesel Electric Transportation Technology 299 Work Experience - Diesel-Electric

Unit(s): 0.5 - 4.0 Class Hours: 27.00-216.00 Lecture total.

Prerequisite: Completion of at least 6 units of Diesel-Electric Transportation Technology courses with a minimum grade of C.

This work experience course of supervised employment assists students to acquire desirable work habits, attitudes, and skills in diesel-electric maintenance and repair. A student can earn 0.5 to 4 units per semester, up to a maximum of 14 units total. Additionally, students must work 54 hours to earn 1 unit. Student repetition is allowed per Title 5, Section 55253.

Grade: Pass/No Pass Only.

CSU

DIGITAL MEDIA (DM)

Digital Media 100

Introduction to Electronic Media: TV, Radio, Film, and the Internet

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course introduces the history, structure, function, economics, content and evolution of radio, television, film, the Internet, and new media, including traditional and mature formats. The social, political, regulatory, ethical and occupational impact of the electronic media are also studied.

CSU/UC

Digital Media 101

TV and Society: A Visual History

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Evolution and impact of TV programming as business and art form in American society. Development of a visual literacy and appreciation of television's various formats (sitcom, westerns, soaps, dramas, mini-series) through, lecture, video viewings, and guest speakers.

CSU/UC

Digital Media 102

History of Global Cinema

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

A survey course exploring global cinema as an art form, and developing appreciation of historical, artistic, and technical advances from the 1890s to the present, with focus on cinema from around the world.

CSU/UC

Digital Media 103

History of Film to 1945

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

A survey course exploring film as an art form and developing appreciation of historical, artistic, and technical advances from 1890s to 1945.

CSU/UC

Digital Media 104

History of Film From 1945 to Present

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

A survey course exploring film as an art form and developing appreciation of historical, artistic, and technical advances from 1945 to present.

CSU/UC

Digital Media 105

History of Latin American Cinema

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

A survey course exploring Latin-American cinema as an art form, and developing appreciation of historical, artistic, and technical advances from the 1890s to the present, aimed at fostering a lasting engagement with both film culture and Latin America.

CSU/UC

Digital Media 107

History of Animation

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Critical and historical survey of animation as a form of communication and cultural expression, from prehistoric origins to present digital formats. Animation history is studied in relation to the background for its creation in contemporary culture and society including the U.S.A., Europe, and Japan. Students analyze and evaluate a large cross-section of animated works.

CSU/UC

Digital Media 110**Introduction to Television Production**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

This course introduces theory, terminology and operation of a multi-camera television studio and control room. Topics include studio signal flow, directing, theory and operation of camera and audio equipment, switcher operation, fundamentals of lighting, graphics, video control and video recording and real-time video production.

CSU/UC

Digital Media 112**Introduction to Video Editing and Postproduction**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Fundamental methods and techniques used to edit video for TV, film, web and multimedia. Hands-on training in basic operation of digital, non-linear editing system and software.

CSU

Digital Media 113 (C-ID DMGR 110X)**Introduction to Digital Media Design Principles**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

This course is for students entering a career in digital media and majors in the digital media field. This digital design course emphasizes critical examination of basic principles and elements of design in computer graphics. Students will not only produce designs, but examine the physiology and psychology behind fundamental elements of design, investigate their use in culture, as well as practice and reflect on how graphics, scale, and space can impact humans through visual design features and functions. Special focus on design for media applications, creative visual storytelling for digital applications.

CSU/UC

Digital Media 115A (C-ID FTVE 130)**Single-Camera Production & Editing**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Focus on your career path! This course provides an introduction to single-camera video production, including production and aesthetic theories, terminology, and operation of field equipment. Topics covered will include composition and editing techniques, camera operation, field lighting, audio recording, and basic editing. This course focuses on the planning and execution of preproduction, production, and postproduction, working as a cohesive production crew.

CSU/UC

Digital Media 115B**Advanced Single-Camera Production and Editing**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Advanced development of knowledge and skills in single-camera production technology and practices. Emphasis on professional production standards and technical advancements in digital media camera production.

CSU/UC

Digital Media 120**Beginning Screenwriting for Digital Media**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Use your creativity to write your own ticket! Basic introductory course in narrative script writing for film and episodic television. Emphasis on basic screenplay structure, characters, conflict, theme and technical script formatting in the development of a short screenplay.

CSU

Digital Media 121**Intermediate Screenwriting for Digital Media**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Recommended Preparation: Digital Media 120 with a minimum grade of C is Recommended.

Explores professional requirements for scriptwriters and their relationship to the production, direction and development of scripts for TV, film, the web, corporate videos and digital media. Strengthens fundamental writing skills. Prior enrollment in DM 120 recommended.

CSU

Digital Media 121A**Fundamentals of Typography**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Prerequisite: Art 195 or Digital Media 195 with a minimum grade of C or contact instructor for portfolio review. A portfolio exhibiting equivalent to above listed prerequisite skillset.

Introduction to the use of type styles, appropriate type selection and their characteristics as a means toward understanding design and communication through type solutions. Projects will explore current graphics industry practices and standards, including the use of digital technology and traditional hand skills. A combination of Art 121A, 121B, 122, 221, Digital Media 121A and 121B may be taken a maximum of four enrollments.

CSU/UC

Digital Media 121B**Advanced Typography**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Recommended Preparation: Digital Media 195 or Arts 195 with a minimum grade of C. Students should have a fundamental understanding of typography, including type design, type categories, layout design and vector graphics prior to enrolling in this advanced-level course.

This course provides continued study in typography and appropriate type selection as a means for solving complex graphic design problems, such as illustrative type or multiple-page layout using traditional hand skills, digital technology and portfolio presentations. A combination of Art 121A, 121B, 122, 221, and Digital Media 121A, 121B, and 122 may be taken a maximum of four enrollments.

CSU/UC

Digital Media 122**Principles of Graphic Design**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Recommended Preparation: Digital Media 195 is Recommended.

Introduction to 2D and 3D graphic design principles in visual communication with an introduction to design process, methodology/theory, and problem-solving. Content includes color theory, typography, identity design, and visual perception. This graphic design concept-based course will explore divergent techniques, tools, and practices resulting in the production of effective visual communications reflecting the needs of the expanding media landscape. A perfect pairing with the course DM 113: Introduction to Digital Media Design Principles.

CSU/UC

Digital Media 123**Advanced Screenwriting for Digital Media**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Recommended Preparation: Digital Media 121 with a minimum grade of C is Recommended.

Explores professional requirements for writing screenplays for TV, film, and the web plus scripts for corporate videos and digital media. Advanced individual projects enhance student writing skills and body of work. Prior enrollment in Digital Media 121 recommended.

CSU

Digital Media 125**Work Experience - Digital Media***Formerly: Cooperative Work Experience- Occupational*Unit(s): 1.0 - 4.0 Class Hours: 216.00 Lecture total.

This work experience course of supervised employment is designed to assist students to acquire desirable work habits, attitudes and skills in a field related to the students' major so as to enable them to become productive employees. This course also provides students with career awareness for jobs. 54 hours of work equals one unit of course credit. Student repetition is allowed per Title 5, Section 55253. Students may earn a maximum of 14 units of credit for work experience. Grade: Pass/No Pass Only.
CSU

Digital Media 130**Broadcasting for News & Sports**Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.*Recommended Preparation: Digital Media 112 and/or Digital Media 115A with a minimum grade of C.*

Introduction to television and other digital platforms for news and sports reporting with emphasis on writing, editing, and technical production of newscasts. Emphasizes both field and studio reporting. Prior or concurrent enrollment in Digital Media 115A and/or DM 112 recommended.
CSU

Digital Media 140**Cinematography**Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.*Recommended Preparation: Digital Media 115A with a minimum grade of C is Recommended.*

Concepts and practice of cinema-graphic, filming, and lighting techniques as applied to single-camera film and digital production. Recommended prep, DM 115A-Single Camera Production & Editing.
CSU/UC

Digital Media 142**Acting for the Camera**Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Techniques and disciplines of acting as applied to film and television production. Opportunity to practice and perform with emphasis on developing talents and skills required in acting for the screen. (Same as Theatre Arts 113). A combination of Digital Media 142, Theatre Arts 113, and 256 may be taken a maximum of four enrollments.
CSU/UC

Digital Media 150**Producing and Directing**Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.*Recommended Preparation: Digital Media 112 and Digital Media 115A with a minimum grade of C.*

Emphasizes production planning and preparation, aesthetics, budgeting, and working with a production team. Practical experience in producing and directing studio and remote productions. Multiple directing/producing assignments each semester. Prior or concurrent enrollment in Digital Media 112, and 115A recommended.
CSU/UC

Digital Media 152**Beginning Audio Production**Unit(s): 3.0 Class Hours: 54.00 Lecture, 18.00 Laboratory total.

Introduction to the theory and practice of audio production for radio, stage, television, film and digital recording applications. Students will learn the fundamentals of sound design and aesthetics, microphone use, and digital recording equipment. Students gain hands on experience recording, editing, mixing and mastering audio. Upon completion, students will have basic knowledge of applied audio concepts, production workflow, equipment functions, and audio editing software. (Same as Music 152).
CSU/UC

Digital Media 157**Directing for Single-Camera Production**Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

An active examination of the principles of directing for the camera. Focus is placed on the practical application of the pre-production, filming, and post-production phases of film directing. Topics include script analysis, directorial presentation skills, converting a script into a shooting script, creating call sheets, casting actors, blocking actors, giving actors direction, rehearsal techniques, leading a cinematographer and camera crew, and overseeing the editing of a completed scene. (Same as THEA 157.).
CSU

Digital Media 162**Digital Illustration I**Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.*Recommended Preparation: Digital Media 195 or Art 195 is Recommended.*

Explores the essentials of illustration for graphic designers and concept artists, using industry-standard production and design tools. Focuses on professional studio techniques to master this essential design tool for the creation of sophisticated graphics. Emphasizes efficient workflow, technical proficiency, and aesthetic judgment. Students produce portfolio-ready projects using a broad range of imaging skills. The primary software used includes Adobe Photoshop, supplemented with Adobe Illustrator, and some time-based media software. (Same as Art 162). A combination of Art 162, 191A, 192A, and Digital Media 162, 191A, 192A may be taken a maximum of four enrollments.
CSU/UC

Digital Media 164**Web Design**Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

This course examines global issues related to internet culture, web ethics, equity, social justice, in addition to rights and trends related to the web. In the context of cultural and social needs, students will be introduced to web design using digital media tools; graphics, illustrations, text, sound, motion, using software programs for the web. Students will also review how web design has been used to impact commerce advancement, global communication, advertising, entertainment, and self-promotion relate to global and local community needs. Students will be able to apply their knowledge in site development and responsive design.
CSU/UC

Digital Media 165 3D Character Animation

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Digital Media 197A with a minimum grade of C or similar experience in 3D modeling.

From Star Trek to Wall-E, 3D characters are unique vessels supporting contemporary and creative narratives! In this course we offer instruction in the theories and practice of character animation. We address strategies for rigging, skinning and animating using character design. You will develop a short, animated narrative with a team of your peers and improve your creative portfolio. A combination of Art 165, 167, 184, 185 and Digital Media 165 may be taken a maximum of four enrollments.

CSU/UC

Digital Media 168 Agency Graphic Design Production

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Must have completed 6 units of design coursework or have portfolio of equivalent skillset.

Make your creativity work for you! This course is a comprehensive branding, media, and design course serving as the capstone for all Digital Media Arts & Graphic Design programs. Students develop a career/transfer-ready digital portfolio through team-based branding and identity design development for multiple media applications. Focus is on the small business sector and creating a personal brand for preparation to enter the workforce or complete design portfolio requirements for transfer. Career goals, resumes, online portfolios, interviewing skills, and customer service needs are addressed. 6 units of digital media-oriented coursework are recommended.

CSU

Digital Media 169 Game Design & Development Team

Unit(s): 1.5 Class Hours: 9.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Digital Media 196A or Digital Media 197A with a minimum grade of C.

Students design and develop original video game projects in a team setting and in a simulated video game production studio setting. The working game(s) and/or working prototypes will be entered into the annual Institute of Electrical and Electronics Engineers (IEEE) Intercollegiate Computer Game Competition.

CSU

Digital Media 170 Drone Pilot License Test Prep

Unit(s): 0.5 Class Hours: 9.00 Lecture total.

This class prepares students to become professional drone pilots. The class preps students to take the FAA Drone Pilot test, and other knowledge tests required by the FAA. To fly drones commercially, students need to pass an FAA drone pilot knowledge test.

CSU

Digital Media 171 Drone Pilot Training

Unit(s): 1.5 Class Hours: 18.00 Lecture, 27.00 Laboratory total.

Learn the ins-and-outs of flying a drone professionally. The Drone Pilot Training course covers FAA rules and regulations, settings and features of drones, and supervised hands-on flight instruction with a licensed drone pilot. Drones provided for the class.

CSU

Digital Media 175 Drone Cinematography & Editing

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Drone flight techniques designed for the practice of cinematic filming, production, and post-production.

CSU

Digital Media 191A Layout Design

Formerly: ART 191, Layout Design

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: To be successful in this course it is recommended that students have some prior knowledge of Adobe Creative Cloud. If unsure, please consider concurrent enrollment in DM 195 to develop introductory skills in the Adobe Create Cloud suite of design software.

An introduction to digital publishing and page layouts. Projects explore the design and development of single and multiple page documents. Includes advanced techniques in complex documents, interactive, and web-ready pages. Primary software: Adobe InDesign. A combination of Art 162, 191A, 192A, and Digital Media 162, 191A, 192A may be taken a maximum of four enrollments.

CSU

Digital Media 192A Digital Illustration II: Advanced Topics

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Recommended Preparation: Digital Media 162 or Art 162, or equivalent, as demonstrated in illustration portfolio.

Examines advanced design and illustration techniques using industry-standard software via Adobe Creative Cloud. Addresses contemporary illustrative problems, concepts, and skills development within the digital media and graphic arts industries for the creation of unique illustrations. The technical needs for graphic illustrations for print, animation, film, and the web will also be addressed. Primary Software: Adobe Illustrator, supplemented with Adobe Photoshop. (Same as Art 192A). A combination of Art 162, 191A, 192A, and Digital Media 162, 191A, 192A may be taken a maximum of four enrollments.

CSU/UC

Digital Media 193 Motion Graphics with Adobe After Effects

Unit(s): 3.0 Class Hours: 36.00 Lecture, 72.00 Laboratory total.

Recommended Preparation: Art 195 and TV/Video Communications 112 with a minimum grade of C.

This graphics animation course covers the development of original motion graphics. Video editing skills are refined within the animation software to create animated clips for use in multiple media applications. Some experience in non-linear digital video editing is recommended, as well as some graphic design experience. (Same as Same as Art 193).

CSU/UC

Digital Media 195 (C-ID ARTS 250) Introduction to Digital Media Arts

Unit(s): 3.0 Class Hours: 54.00 Lecture, 18.00 Laboratory total.

Foundation-level course designed for graphic designers, artists, photographers, web designers, programmers, and animation artists working in the digital realm. This course includes an overview of industry-standard software, including Adobe Creative Cloud for digital design in montage, vector, layout and time-based media. (Same as Art 195). A combination: of ART 195, ART 249, and DM 195 may be taken a maximum of four enrollments.

CSU/UC

Digital Media 196A**3D Modeling: The Fundamentals**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

This is an introductory course in developing digital 3D models for video games, film, advertising and pre-visualization for product and architectural design. Focus is placed on building digital 3d characters, props and environments that will be used in students' own animated short film or video game ideas. By employing the teacher-provided project management tools, students gain hands-on experience in how animated and interactive media projects are developed. Industry-standard low and high poly modeling methods, which utilize normal map application, is emphasized to ensure optimized models with stunning detail. A combination of Art 196A, Art 197A, Digital Media 196A, and Digital 197A may be taken a maximum of four enrollments.

CSU/UC

Digital Media 196B**3D Modeling Intermediate**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Art 196A with a minimum grade of C or a portfolio demonstrating equivalent skills to success at the intermediate level.

Instruction in intermediate-level digital 3D modeling methods as used in video games, interactive media, television, film, previz, product illustration, architectural and bioscience visualization. Students are to model subjects geared to their chosen area of interest and then are provided instruction and guidance to increase proficiency, speed and communication skills required for professional 3D modelers.

CSU/UC

Digital Media 197A**3D Animation Fundamentals**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

DM 113 or DM 193: Digital Media 113 or Digital Media 193 with a minimum grade of C.

Instruction in using 3D animation software for the purpose of linear storytelling. Emphasis on the incorporation of the classic principles of animation, and in learning the core components of the software that are necessary for effective visual communication. A combination of Art 196A, Art 197A, Digital Media 196A, and Digital 197A may be taken a maximum of four enrollments.

CSU/UC

Digital Media 215**Advanced Single-Camera/Digital Cinema Production**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Digital Media 112 and Digital Media 115A with a minimum grade of C are Recommended.

Advanced single-camera digital cinematography production and post-production technology, workflow and aesthetics. Emphasis upon industry standards and approaches for television and cinema production with professional High Definition and Ultra High Definition/4K video cameras. It includes HD, DSLR and other large-sensor digital cinema cameras.

CSU

Digital Media 230A**Beginning News & Sports Production**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Digital Media 130 with a minimum grade of C is Recommended.

Beginning producing for broadcast journalism and sportscasting. Create content for TV and digital platforms with emphasis on producing stories, newscasts, sportscasts and interviews. Hands-on production class. Emphasizes both field and studio production.

CSU

Digital Media 230B**Intermediate News & Sports Production**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Digital Media 230A with a minimum grade C is Recommended.

Intermediate producing for broadcast journalism and sportscasting. Create content for TV and digital platforms with emphasis on producing stories, newscasts, sportscasts and interviews. Hands-on production class.

Emphasizes both field and studio production.

CSU

Digital Media 230C**Advanced News & Sports Production**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Digital Media 230B with a minimum grade of C is Recommended.

Advanced producing for broadcast journalism and sportscasting. Create content for TV and digital platforms with emphasis on producing stories, newscasts, sportscasts and interviews. Hands-on production class.

Emphasizes both field and studio production.

CSU

Digital Media 230D**Executive News & Sports Production**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Digital Media 230C with a minimum grade of C is Recommended.

Executive producing for broadcast journalism and sportscasting. Oversee content creation for TV and digital platforms with emphasis on producing stories, newscasts, sportscasts and interviews. Hands-on production class. Emphasizes both field and studio production.

CSU

Digital Media 240**Agency Film Production**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Digital Media 112, Digital Media 115A and Digital Media 140 with a minimum grade of C.

This is a capstone course, where students will build upon skills and concepts developed in previous camera, editing and cinematography courses in order to learn how to produce and direct advertising agency productions.

CSU

Digital Media 255**Motion Picture Technical Production**

Unit(s): 3.0 Class Hours: 18.00 Lecture, 108.00 Laboratory total.

Recommended Preparation: Digital Media 112 or Digital Media 115A or Digital Media 120 is Recommended.

This course provides hands-on, practical experience in technical production, culminating in a fully produced film screened to the public. The final movie presentation becomes the basis for creating a production reel.

CSU/UC

Digital Media 256**Intermediate Motion Picture Technical Production**

Unit(s): 3.0 Class Hours: 18.00 Lecture, 108.00 Laboratory total.

Recommended Preparation: Digital Media 255 is Recommended.

This course provides hands-on practical experience in intermediate technical production, culminating in a fully produced film screened to the public. The final movie presentation becomes the basis for creating a production reel. Prior enrollment in DM 255 is recommended.

CSU/UC

Digital Media 257**Advanced Motion Picture Technical Production**

Unit(s): 3.0 Class Hours: 18.00 Lecture, 108.00 Laboratory total.

Recommended Preparation: Digital Media 256

This course provides hands-on practical experience in advanced technical production, culminating in a fully produced film, screened to the public. The final movie presentation becomes the basis for creating a production reel.
CSU/UC

Digital Media 260**Lighting Fundamentals**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Theory and practices of lighting including control systems and instruments as well as the techniques for proper installation, operation, maintenance, and safety. Same as THEA 133. (Same as Theatre Arts 133).
CSU/UC

Digital Media 265**Documentary Film Production**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Digital Media 112 or Digital Media 115A or Digital Media 140 with a minimum grade of C.

This is a capstone course where students will build upon skills and concepts developed in previous camera, editing, and cinematography courses. Students will learn to produce and direct short-form documentaries.
CSU/UC

EARTH SCIENCES (ERTH)**Earth Sciences 110 (C-ID GEOL 120)****Planet Earth: Introduction to Earth Science**

Formerly: Introduction to Earth Science

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This introductory course surveys the major fields of earth science including geology, astronomy, oceanography and meteorology. The course will provide students with a comprehensive overview of the dynamic and interconnected systems that shape our planet and how changes in any aspect of the atmosphere, oceans, or on land effect all other areas. Not open to students who are enrolled, or have credit in Geology 101 or Geography 101. Optional half-day field trip.
CSU/UC

Earth Sciences 110H (C-ID GEOL 120)**Planet Earth: Honors Introduction to Earth Science**

Formerly: Honors Introduction to Earth Science

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: A college GPA or high school GPA for first term college students of 3.0 or higher;

This introductory course surveys the major fields of earth science including geology, astronomy, oceanography and meteorology. The course will provide students with a comprehensive overview of the dynamic and interconnected systems that shape our planet and how changes in any aspect of the atmosphere, oceans, or on land effect all other areas. Optional half-day field trip. Not open to students who are enrolled, or have credit in Geology 101 or Geography 101.
CSU/UC

Earth Sciences 115**Earth Science for Educators**

Unit(s): 4.0 Class Hours: 54.00 Lecture, 54.00 Laboratory total.

The study of the dynamic forces shaping the earth, including its oceans and atmosphere. This class is open to all majors but is oriented towards enhancing the earth science knowledge of future teachers. Also includes an introduction to the solar system. Half-day field trip required. Not open to students who are enrolled or have credit in Earth Science 110, Geology 101, or Geography 101.
CSU/UC

Earth Sciences 150**Introduction to Oceanography**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Introductory study of the ocean and its topography, sediments, circulation, shoreline processes, biological productivity, and mineral resources. Optional Field Trip. (Same as Geology 150).
CSU/UC

Earth Sciences 150H**Honors Introduction to Oceanography**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: A college GPA or high school GPA for first term college students of 3.0 or higher; A high school or college GPA of 3.0 or above. Enriched and intensive study of the ocean's topography, sediments, circulation, shoreline processes, biological productivity, and mineral resources. Optional Field Trip. (Same as Geology 150H).
CSU/UC

ECONOMICS (ECON)**Economics 120 (C-ID ECON 202)****Principles/Macro**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Elementary Algebra or equivalent, or a qualifying profile based on multiple measures.

Introduction to macroeconomics, including basic economic concepts, analysis of markets, national income accounting, employment, short run business cycle fluctuations, long run growth trends, monetary and fiscal policies, and international economic issues. Intended for economics, business, and certain engineering/computer science majors.
CSU/UC

Economics 121 (C-ID ECON 201)**Principles/Micro**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Elementary Algebra or equivalent, or a qualifying profile based on multiple measures.

Introduction to microeconomics, including basic economic concepts, analysis of markets, efficiency, consumer and firm behavior, industry structures, market failure, and resource markets. For economics, business, and certain engineering and computer science majors.
CSU/UC

EDUCATION (EDUC)

Education 105

Exploration in the Field of Education

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Recommended Preparation: Before observation begins, verification of the state-mandated Tdap vaccination, MMR immunization, and negative TB test will be required.

An exploration in the field of education from early childhood through high school. This course requires 15 hours of structured observation in traditional and non-traditional settings: early childhood, elementary school, middle school, high school, special education, and English Language Development (ELD). Topics will include: a) roles and responsibilities of the teacher, b) teaching and learning of diverse student populations across different education spans, and c) careers in education beyond the classroom teacher.

CSU

Education 114

Tutoring Reading in Elementary Schools

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

An examination of effective tutoring strategies, focusing on the support for reading skills of elementary-age children. Students are placed in local K-8 classrooms to gain experience with school-age children. Twenty+ service learning hours are required in addition to lecture hours.

CSU

Education 120A

Development of the School-Age Child

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An examination of the physical, cognitive, personality, and social development of children between the ages of five and twelve years. Attention will be paid to the scientific study of middle childhood, developmental trends, and diversity issues. Not offered every semester. (Same as Child Development 120A).

CSU/UC

Education 120B

School-Age Child Care and Recreation Activities

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course will focus on school-age creative activities, including planning and implementing an appropriate before/after school curriculum. Attention will be paid to integrating academics, recreation, and creative activities suitable for school-age child care programs. (Same as Child Development 120B).

CSU

Education 201 (C-ID EDUC 200)

Introduction to Education

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Recommended Preparation: Education 105 with a minimum grade of C. Before observation begins, verification of the state-mandated Tdap vaccination, MMR immunization, and negative TB test will be required.

Introduction to the field of education, including historical and philosophical perspectives; school governance and funding; societal influences and student diversity; school curriculum standards; professional standards; and teaching performance expectations. Students will independently complete a minimum of 45 hours of Service Learning (structured observation and internship/fieldwork) in local public elementary school classrooms during the semester.

CSU/UC

Education 203

Introduction to Children With Special Needs

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Introduces the variations in development of children and adolescence with special needs, and the resulting impact on families. Includes an overview of historical and societal influences, laws relating to individuals with special needs, and the identification and referral process. (Same as Child Development 205).

CSU

Education 204

Proficiency in Educational Technologies For Teachers

Formerly: Personal Proficiency in Educational Technologies for Secondary Teachers

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Students will develop personal proficiency in educational technologies to facilitate the teaching process. Students will also apply digital literacy skills through the use of presentation, spreadsheet, word processing and publication software, interactive online tools, internet search and retrieval, information literacy, electronic communication and collaboration, and awareness of legal and ethical issues in the digital world.

CSU

Education 210

The Teaching Experience: Secondary Education

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Introduction to the history, philosophy, and sociology of secondary education. This course will cover the California Teaching Performance Expectation and Assessment, needs of special populations, English learners, struggling readers, content standards, and major curriculum reform documents. Students participate in 45 hours of structured observation in a local secondary classroom.

CSU/UC

EMERGENCY MEDICAL TECHNICIAN (EMT)

Emergency Medical Technician 104

Emergency Medical Technician

Unit(s): 10.0 Class Hours: 162.00 Lecture, 54.00 Laboratory total.

Corequisite: Current American Heart Association "BLS Provider" CPR Certification and concurrent enrollment in Emergency Medical Technician 105.

Basic course for Emergency Medical Technician (EMT) certification. Satisfies training requirements for National/State/County Emergency Medical Services (EMS) Authorities. Prepares students to take the National Registry Certifying Examination for State Certification. Additionally, trains students in the Orange County Emergency Medical Services (OCEMS) optional scope of practice. Course provides depth and breadth of foundational knowledge from the US Department of Transportation's National Scope of Practice Model and the National EMS Education Standards derived for entry-level EMT.

CSU

Emergency Medical Technician 105

Clinical EMT Skills Laboratory

Unit(s): 1.0 Class Hours: 54.00 Laboratory total.

Corequisite: American Heart Association "Basic Life Support (BLS) Provider" CPR Certification and concurrent enrollment in Emergency Medical Technician 104.

Clinical, field experience, and supervised use of skills lab through supplemental learning to assist the student in development of clinical competency and mastery of psychomotor skills as addressed in course EMT 104. Hours verified by instructor. Grade: Pass/No Pass Only.

CSU

Emergency Medical Technician 111 Recertification for EMT

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

*Prerequisite: Valid EMT certificate or equivalent within past two years.
Valid CPR card: American Heart Association Health Care Provider*
Update emergency medical techniques, equipment, and EMSA policies.
Meets state requirements for EMT recertification.
CSU

Emergency Medical Technician 198-00 Topics

Unit(s): 0.5 - 3.0 Class Hours: 9.00-54.00 Lecture total.

Courses on a variety of contemporary topics will be offered to meet the interests and needs of students in the Emergency Medical Technician area.
CSU

ENGINEERING (ENGR)

Engineering 012 Civil/Architectural Blueprint Reading

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Reading and interpreting blueprints for civil engineering, architecture, and construction fields. No prior blueprint reading experience is needed. Course provides preparation for more advanced civil and architectural drafting coursework.

Engineering 051 Introduction to Drafting and CAD

Unit(s): 0.5 Class Hours: 9.00 Lecture total.

Introductory course on civil, mechanical, and electrical drafting. Topics include: drafting careers, reading and creating basic engineering drawings (modeling, dimensioning, annotations) using industry-standard CAD software (such as AutoCAD and Solidworks). Course is an appropriate starting course for students with no drafting or CAD experience and are interested in the fields. Course provides direction for continuing drafting coursework.

Engineering 060 Robotics Survey

Unit(s): 0.5 Class Hours: 9.00 Lecture total.

This course introduces students to basic robotics. Students will program a robot to receive sensor input, control motors, and produce behaviors. Course provides student exposure to robotics, which now plays a major role in modern manufacturing and industrial automation.

Engineering 100A (C-ID ENGR 110) Introduction to Engineering

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

The course explores the branches of engineering, the functions of an engineer, and the industries in which engineers work. Explains the engineering education pathways and explores effective strategies for students to reach their full academic potential. Presents an introduction to the methods and tools of engineering problem solving and design including the interface of the engineer with society and engineering ethics. Develops communication skills pertinent to the engineering profession.
CSU/UC

Engineering 100B Introduction to Civil Engineering

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Introduction to the Civil Engineering and the related fields of architecture and construction. Includes an overview of academic programs, career information and preparation requirements, possible field trips and guest speakers.
CSU

Engineering 103 Solidworks Beginning Solid Modeling

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Introductory course in parametric solid modeling using Solidworks, an industry standard engineering design software (CAD). This course will include a solid modeling overview, solid model construction techniques (extrude, revolve, fillet, chamfer, etc.), including the preparation of individual solid components and basic solid model assemblies. (Same as Manufacturing Technology 103).
CSU

Engineering 104 Solidworks Intermediate Solid Modeling

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Engineering 103 or Manufacturing Technology 103 with a minimum grade of C.
Intermediate course for solid modeling using Solidworks, an industry standard engineering design software (CAD). Includes a review of the introductory class and changes to the Solidworks interface. Instruction in the use of intermediate Solidworks part modeling skills such as assembly modeling and sub-assemblies is included (Same as Manufacturing Technology 104). (Same as Manufacturing Technology 104).
CSU

Engineering 105 Solidworks Advanced Solid Modeling

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Engineering 104 or Manufacturing Technology 104 with a minimum grade of C.
Advanced course for solid modeling includes a review of the intermediate class and changes to the Solidworks interface. Instruction in the use of Solidworks part modeling, assembly modeling, sub-assemblies, advanced photoworks and advanced animator emphasized (Same as Manufacturing Technology 105).
CSU

Engineering 111 Basic Mechanical Blueprint Reading

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Reading and interpreting blueprints for manufacturing technologies. (Same as Manufacturing Technology 111).
CSU

Engineering 114 Geometric Dimensioning and Tolerancing

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Drawing interpretation utilizing geometric dimensioning and tolerancing per ASME Y14.5M (formerly ANSI Y14.5M) as applied in engineering, manufacturing, and inspection. Suggested preparation: prior course or experience in drafting with conventional dimensioning and tolerancing. (Same as Manufacturing Technology 114).
CSU

Engineering 118 (C-ID ENGR 180)**Surveying**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Prerequisite: Math 162 Or Math 170: Prerequisite: Mathematics 162 or Mathematics 170 with a minimum grade of C or transcribed high school trigonometry or pre-calculus.

The course applies theory and principles of plane surveying: office computations and design; operation of surveying field equipment; and production of engineering plans/maps. Topics include distances, angles, and directions; differential leveling; traversing; property/boundary surveys; topographic surveys/mapping; volume/earthwork; horizontal and vertical curves; land description techniques; and GPS. Field work using tapes, levels, transits, theodolites, total stations, and GPS.

CSU/UC

Engineering 119**Advanced Plane Surveying**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Prerequisite: Engr 118: Engineering 118 with a minimum grade of C; or Instructor may waive if student can show proof of industry experience in surveying equal to or greater than Engineering 118.

A second course in surveying with emphasis on coordinate geometry calculations. Topics include: route surveying with horizontal and vertical curves, topographic surveying and mapping, construction surveying, introduction to geospatial technologies, boundary surveying and surveys of public lands. Field surveying projects. Completion of Engr 118 and 119 assists in passing the land-surveyor-in-training (LSIT) exam.

CSU/UC

Engineering 122**Engineering Drawing**

Unit(s): 3.0 Class Hours: 45.00 Lecture, 27.00 Laboratory total.

Principles of engineering drawing: projections, views, sections, dimensions, tolerancing, assemblies, manufacturing processes, engineering drafting practices. Utilizing 2D CAD and 3D solid modeling CAD software. Suggested preparation: prior course or experience in drafting and CAD.

CSU/UC

Engineering 125 (C-ID ENGR 150)**Engineering Graphics**

Unit(s): 3.0 Class Hours: 45.00 Lecture, 27.00 Laboratory total.

Prerequisite: Mathematics 162 with a minimum grade of C.

This course covers the principles of engineering drawings in visually communicating engineering designs and an introduction to computer-aided design (CAD). Topics include: the development of visualization skills; orthographic projections; mechanical dimensioning and tolerancing practices; the engineering design process. Assignments develop sketching skills for 2-D and 3-D CAD. The use of CAD software is an integral part of the course. Suggested preparation: prior course or experience with drafting and CAD.

CSU/UC

Engineering 131**Introduction to Mechatronics**

Unit(s): 0.5 Class Hours: 9.00 Lecture total.

Course provides exposure to micro-controllers and rapid-prototyping technologies used in mechatronics and engineering. Course provides a good introduction to the Engineering Mechatronics program.

CSU

Engineering 132**Introduction to Robotics**

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Introductory course in robotics. Topics include: basic design, sensors, actuators, circuits, programming, micro-controllers, and a hands-on robot construction project.

CSU

Engineering 133**Mechatronics I**

Unit(s): 3.0 Class Hours: 45.00 Lecture, 27.00 Laboratory total.

A first course in mechatronics. Topics emphasize hands-on work and include: solid modeling design, microcontrollers and programming, rapid prototype fabrication, testing, measurement, actuators, sensors, and basic electronics. Prior experience with Solidworks, Arduino, and basic algebra is suggested but not required.

CSU

Engineering 134**Mechatronics II**

Unit(s): 3.0 Class Hours: 45.00 Lecture, 27.00 Laboratory total.

Prerequisite: Engineering 133 with a minimum grade of C.

A second course in mechatronics. Topics emphasize hands-on work and include: solid-modeling design, rapid prototype fabrication, testing, measurement, micro-controllers, programming, industrial robotics, and PLC control. Prior experience or coursework in Solidworks, Arduino, and basic algebra is strongly suggested.

CSU

Engineering 154**Revit and Civil Drafting**

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Course introduces Autodesk Revit, a 3D parametric CAD software that is an industry standard for architectural/civil design. Topics include 3D modeling, design, drawing creation, and BIM (building information modeling) concepts. Course also teaches creation of industry-standard drawings in civil engineering, architecture, and construction using industry-standard CAD software (AutoCAD, Civil 3D, and Revit). Topics include - views, line types, projection, annotations, and callouts. Prior course or experience with AutoCAD (e.g., Engr 183) and drafting is strongly suggested.

CSU

Engineering 158**Basic Machining Concepts and Operations**

Unit(s): 3.0 Class Hours: 18.00 Lecture, 126.00 Laboratory total.

Fundamental operations on lathes, milling machines, grinders, and drill presses, including precision measurements and layout. Equips students with skills and theory necessary to enter or upgrade within the machinist trade. (Same as Manufacturing Technology 158).

CSU

Engineering 183**AutoCAD I**

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

A first course in AutoCAD by Autodesk, an industry standard engineering CAD software, especially in the civil and architectural fields. Topics include display and file management, units, entities, object selection, advanced editing, layers, dimensions, text, and graphic exchange.

CSU/UC

Engineering 184 AutoCAD II

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

A second course in Autodesk AutoCAD, an industry standard engineering CAD software, especially in the civil and architectural fields. Topics include: advanced dimensioning, viewports, hatches, blocks, plotting, attributes, inquiry, intermediate apps, working drawings, introduction to 3D CAD. Suggested preparation: prior course or experience with AutoCAD. CSU

Engineering 185 Civil 3D

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Course teaches Autodesk Civil 3D - an industry standard CAD software for civil engineers. Topics include advanced modeling, model merging, project management, parcels, surveys, surfaces, alignments, profiles, 3D rendering, and presentation. Prior coursework or experience with AutoCAD is strongly suggested. CSU

Engineering 235 (C-ID ENGR 130) Statics

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Physics 217 and Mathematic 185 with a minimum grade of C (Both classes can be taken concurrently).

A first course in engineering mechanics: properties of forces, moments, couples and resultants; two- and three-dimensional force systems acting on engineering structures in equilibrium; analysis of trusses, and beams; distributed forces, shear and bending moment diagrams, center of gravity, centroids, friction, and area and mass moments of inertia. Utilizes SI metrics. CSU/UC

Engineering 240 (C-ID ENGR 230) Dynamics

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Engineering 235 with a minimum grade of C.

Fundamentals of kinematics and kinetics of particles and rigid bodies. Topics include kinematics of particle motion; Newton's second law, work-energy and momentum methods; kinematics of planar motions of rigid bodies; work-energy and momentum principles for rigid body motion; Introduction to mechanical vibrations. CSU/UC

Engineering 250 Electric Circuits

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

MATH 280 and PHYS 227: Corequisite: Mathematics 280 and Physics 227 with a minimum grade of C (Both may be taken concurrently).

An introduction to the analysis of electrical circuits. Use of analytical techniques based on the application of circuit laws and network theorems. Analysis of DC and AC circuits containing resistors, capacitors, inductors, dependent sources, operational amplifiers, and/or switches. Natural and forced responses of first and second order RLC circuits; the use of phasors; AC power calculations; power transfer; and energy concepts. CSU/UC

Engineering 250L Electric Circuits Laboratory

Unit(s): 1.0 Class Hours: 54.00 Laboratory total.

Corequisite: Concurrent enrollment in Engineering 250.

An introduction to the construction and measurement of electrical circuits. Basic use of electrical test and measurement instruments including multimeters, oscilloscopes, power supplies, and function generators. Interpretation of measured data under DC, transient, and sinusoidal steady-state (AC) conditions. CSU/UC

Engineering 280 (C-ID ENGR 240) Strength of Materials

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Engineering 235 with a minimum grade of C.

This course is a study of stresses, strains and deformations associated with axial, torsional and flexural loading of bars, shafts and beams, as well as pressure loading of thin-walled pressure vessels. The course also covers stress and strain transformation, Mohr's Circle, ductile and brittle failure theories, and the buckling of columns. Statically indeterminate systems are also studied. CSU/UC

ENGLISH (ENGL)

English 066

Route to Writing Success: Freshman Composition Laboratory

Unit(s): 1.0 Class Hours: 54.00 Laboratory total.

Corequisite: English 101 must be taken concurrently.

Laboratory exercises are designed to explore and understand the reading process, the writing process, grammar and punctuation rules in order to successfully complete English 101. This class must be taken concurrently with an English 101 course. Grade: Pass/No Pass Only.

English 101 (C-ID ENGL 100) Freshman Composition

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Prerequisite: Eligibility for college-level composition as determined by a qualifying profile from the English placement process.

Expository and argumentative essays and the research paper. Special interest sections described in schedule of classes. CSU/UC

English 101H (C-ID ENGL 100) Honors Freshman Composition

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Prerequisite: A college GPA or high school GPA for first term college students of 3.0 or higher; Eligibility for college-level composition as determined by a qualifying profile from the English placement process. An enriched exposure to expository and argumentative essays and the research paper, requiring in-depth analysis of issues and substantive treatment of student-selected topics. CSU/UC

English 102 (C-ID ENGL 105 & 110) Literature and Composition

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Prerequisite: ENGL 101 or ENGL 101H: English 101 or English 101H with a minimum grade of C.

A second semester course in composition and literature that uses literature to develop critical thinking skills with extensive readings selected from the four major genres. CSU/UC

English 102H (C-ID ENGL 105, C-ID ENGL 110, C-ID ENGL 120)
Honors Literature and Composition

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Prerequisite: A high school GPA of at least 3.0 if a first-term college student or college cumulative GPA of 3.0 or higher and English 101 or English 101H with a minimum grade of C.

An enriched approach designed for honors students. A second semester course in composition and literature that uses literature to develop critical thinking skills with extensive readings selected from the four major genres. CSU/UC

English 103 (C-ID ENGL 105)
Critical Thinking and Writing

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Prerequisite: ENGL 101 or ENGL 101H: English 101 or English 101H with a minimum grade of C.

This course focuses on developing critical thinking, reading, and writing skills by studying established argumentative methods and models and applying them to contemporary issues. Emphasis will be on logical reasoning and analytical and argumentative skills necessary for critical writing. CSU/UC

English 103H (C-ID ENGL 105)
Honors Critical Thinking and Writing

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Prerequisite: A college GPA or high school GPA for first term college students of 3.0 or higher and English 101 or English 101H with a minimum grade of C.

Enriched and intensive exploration of historical and contemporary issues. Application of critical thinking, writing and reading skills to established argumentative methods and models through student-initiated discussion and problem-solving in a seminar setting. CSU/UC

English 104 (C-ID ANTH 130)
Language and Culture

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

General introduction to the processes of human communication emphasizing coextensive aspects of language and culture. Surveys core areas of linguistic anthropology: structural linguistics; biological basis of language; and sociolinguistics. Topics include acquisition of first and second languages, languages in contact, and the effects of both language and culture on inter/intra group communication. Languages spoken in the local area are used as basis of study. (Same as Anthropology 104). CSU/UC

English 104H (C-ID ANTH 130)
Honors Language and Culture

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: A college GPA or high school GPA for first term college students of 3.0 or higher; A college GPA or for first-term students a high school GPA of 3.0 or higher.

General introduction to the processes of human communication, emphasizing coextensive aspects of language and culture. Surveys core areas of linguistic anthropology: structural linguistics, biological basis of language, and sociolinguistics. Topics include acquisition of first and second languages, languages in contact, and the effects of both language and culture on inter/intra group communication. Languages spoken in the local area are used as basis of study. Requires individual research and oral presentation of readings in a seminar setting. (Same as Anthropology 104H). CSU/UC

English 213 (C-ID ENGL 200)
Creative Writing

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: English 101 or English 101H with a minimum grade of C. Introduction to writing techniques focusing on the four literary genres. Workshop format, emphasis on writing and critiquing. CSU/UC

English 220
Survey of the Bible As Literature

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: English 101 or English 101H with a minimum grade of C. A study of the literary history, influence, and craftsmanship of the Bible and an exploration of related stories, poems, plays, essays, and other diverse materials. CSU/UC

English 222
Essential Information for English Major Success

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

Recommended Preparation: Have an Electronic Educational Plan (ed plan) for the A. A. degree prepared with or reviewed by an academic counselor.

How to be a better prepared English major: introduces students to SAC's English courses, pathways for law and literature at SAC, the diversity of career options, and transfer academic opportunities. Offers introductions to the literary analytical schools; current technology; the types of writing, research and reading expected of English majors; study techniques and approaches to overcoming barriers to success for English majors. CSU/UC

English 231 (C-ID ENGL 160)
Survey of English Literature I

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: English 101 or English 101H with a minimum grade of C. Introductory study of representative selections of British literature from the Anglo-Saxon period to the neo-classical period. Emphasis on authors best exemplifying their period, such as Chaucer, Shakespeare, Spenser, Jonson, Milton, Donne, Dryden, Johnson, Behn, Pope and others. CSU/UC

English 232 (C-ID ENGL 165)
Survey of English Literature II

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: English 101 or English 101H with a minimum grade of C. Introductory study of representative selections from the English Romantic Movement to the present. Emphasis on those authors best exemplifying their period, such as Austen, Wordsworth, Coleridge, Byron, the Shelleys, Keats, Tennyson, Newman, Carlyle, the Brownings, Dickens, the war poets, Houseman, Yeats, Wilde and Woolf. CSU/UC

English 233A
Shakespeare's Comedies and Romances

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: English 101 or English 101H with a minimum grade of C. Study of selected Shakespearean comedies and romances. Emphasizes dramatic elements, depiction of human nature, and timeless/timely conflicts. Augmented by films and, if available, appropriate field trips. Different selections in English 233ABC. CSU/UC

English 233B**Shakespeare's Tragedies and History Plays**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: English 101 or English 101H with a minimum grade of C.

Study of selected Shakespearean history plays and tragedies.

Emphasizes dramatic elements, depiction of human nature, and timeless/timely conflicts. Augmented by films and, if available, appropriate field trips. Different selections in English 233ABC.

CSU/UC

English 233C**Shakespeare's Theatre**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: English 101 or English 101H with a minimum grade of C.

Study of selected Shakespearean plays. Emphasizes dramatic elements, depiction of human nature, and timeless/timely conflicts. Augmented by films and, if available, appropriate field trips. Different selections in English 233ABC.

CSU/UC

English 241 (C-ID ENGL 130)**Survey of American Literature 1600-1865**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: English 101 or English 101H with a minimum grade of C.

Survey of America's greatest works of literature from 1600-1865.

Emphasizes the relationship between various works and general movements in American culture and literary history.

CSU/UC

English 242 (C-ID ENGL 135)**Survey of American Literature, 1865-Present**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: English 101 or English 101H with a minimum grade of C.

Survey of America's greatest works of literature and their contributions to the American culture from 1865 to present. Emphasizes the relationship between literary and intellectual history.

CSU/UC

English 243**The Modern American Novel**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: English 101 or English 101H with a minimum grade of C.

Study of significant American novels written since 1900. May include, but not limited to works by Fitzgerald, Hemingway, Faulkner, Hurston, Heller, Kerouac, Nabokov, Erdrich, Cisneros, and Morrison.

CSU/UC

English 245**The Image of African Americans in Literature and Films**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: English 101 or English 101H with a minimum grade of C.

Examines literature and films by and about African-Americans in relationship to historical periods. Explores cultural, ethnic, and social environments for their impact on development of African-American image.

CSU/UC

English 246**Survey of Chicano Literature**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: English 101 or English 101H with a minimum grade of C.

Examines American literature by and about Chicanos. Emphasizes the relationships between various works and the Chicanos' place in American society/culture.

CSU/UC

English 270 (C-ID ENGL 180)**Children's Literature**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: English 101 or English 101H with a minimum grade of C.

A study of literature for children emphasizing the history, trends, issues, and evaluation of all major genres: picture books, poetry, drama, traditional literature, non-fiction, and fiction, including full-length works.

CSU/UC

English 271 (C-ID ENGL 140)**Survey of World Literature I**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: English 101 or English 101H with a minimum grade of C.

Survey of selections from world masterpieces from the beginnings of writing through the 1600's. Literary works studied in historical context for artistic form, their influence on their culture and others, and general contribution to understanding human experience.

CSU/UC

English 272 (C-ID ENGL 145)**Survey of World Literature II**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: English 101 or English 101H with a minimum grade of C.

Survey of world literary masterworks since the Renaissance studied for artistic form, cultural influence, and contributions to modern and contemporary thought.

CSU/UC

English 278**Survey of Literature by Women**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: English 101 or English 101H with a minimum grade of C.

An historical survey of literature by women. Will include short stories, novels, plays, poetry, and non-fiction.

CSU/UC

ENGLISH FOR MULTILINGUAL STUDENTS (EMLS)**English For Multilingual Students N49****Introduction to Academic Speaking Skills**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Beginning course for non-native students with previous instruction in basic English as a second language. Includes listening discrimination, pronunciation, speaking and listening skill building. Skills are intensively practiced and reviewed. Not applicable to associate degree. (Same as Communication Studies N49)

English For Multilingual Students N52A**Beginning American English Pronunciation Skills**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Instruction in pronunciation of American English sounds, identifying commonly mispronounced sounds, and common sound spelling patterns. Not applicable to associate degree.

English For Multilingual Students N52B**Intermediate American English Pronunciation Skills**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Recommended Preparation: English Multilingual Students N52A with a minimum grade of C.

More extensive instruction in American English sounds. Emphasis on more difficult sounds, sound blends, word endings, syllable and word stress. Not applicable to associate degree.

English For Multilingual Students 103 Grammar for Better Writing I

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Recommended Preparation: Completion of EMLS self-guided placement is Recommended. Concurrent enrollment English Multilingual Students 104 is Recommended.

Sentence refining course for multilingual students who can speak English but often make grammar mistakes when writing. Basic grammar including verb tenses, verbals, modals, nouns, pronouns, compound and complex sentences. Revision and editing.

CSU

English For Multilingual Students 104 College Reading and Writing I

Unit(s): 5.0 Class Hours: 90.00 Lecture total.

Reading and paragraph-level writing course for bilingual students who need to develop skills in reading academic material and writing academic paragraphs. Emphasis on connection between reading and writing, responding to reading critically, following the writing process and editing.

CSU

English For Multilingual Students 105 Grammar for Better Writing II

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Sentence refining course for bilingual students who can speak English but often make grammar mistakes when writing. Grammar focus is on sentence level accuracy, including transitions, the passive voice and multi-clause sentences. Revision and editing.

CSU

English For Multilingual Students 106 College Reading and Writing II

Unit(s): 5.0 Class Hours: 90.00 Lecture total.

Reading and short essay-level writing course for bilingual students who need to improve skills in reading academic material and writing academic essays. Emphasis on connection between reading and writing, responding to reading critically, following the writing process and editing.

CSU

English For Multilingual Students 110 Introduction to the Essay

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Introductory essay writing course for bilingual students who speak English fluently but make multiple grammar errors when writing. This composition course progresses from paragraph to essay, emphasizing basic expository modes, grammar review, critical reading, and revision and editing techniques.

CSU/UC

English For Multilingual Students 112 Advanced Composition

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Advanced-level writing course for bilingual students who are fluent in conversational English but make multiple grammar errors when writing. Emphasis is on complex expository modes, grammatical accuracy in writing, grammar review, research methods, critical reading skills, and revision and editing techniques.

CSU/UC

ENTREPRENEURSHIP (ENTR)

Entrepreneurship 100

Introduction to Innovation and Entrepreneurship

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Discover how the entrepreneurial mindset teaches life skills that can make you more successful now and at every stage of your life. Examine how that mindset affects the social, psychological, and physiological impact of those life skills. Learn the basics of how to start a business and learn how to think like an entrepreneur.

CSU

Entrepreneurship 105

Social Media and Digital Marketing Strategies

Formerly: Social Media, Bootstrapping, and Market Validation

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Learn the latest social media and digital marketing strategies and techniques. Discover how to do more with marketing while spending less. Discover the role of digital media in consumer behavior and implications for marketing strategies. Learn digital marketing metrics, analysis of online business models, and future trends in digital marketing.

CSU

Entrepreneurship 110

Capstone Business Simulations

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Participate in realistic hands-on business simulations. Make complex business decisions and learn the implications of decisions made. Learn real world business principles in an exciting business context.

CSU

Entrepreneurship 111

Capstone Entrepreneurial Case Studies

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Discuss complex entrepreneurial business cases in a highly interactive environment. Translate complex business cases into critical incidents. Translate critical incidents into simulations. Learn to analyze entrepreneurial problems and solutions.

CSU

Entrepreneurship 120

Introduction to Working As a Freelance Independent Contractor

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

Learn the freelancer mindset. Learn how to work where you want, when you want, and how you want. Plan your life, your career, and your business. Develop your goals. Understand your personal strengths and skills. Learn how to turn your strengths and skills into viable, sustainable businesses by finding what is unique about you and turning that uniqueness into a personal brand.

CSU

Entrepreneurship 121

People Skills for the Freelancer

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

Learn "people skills" - also known as "soft skills" - communication skills, technological skills, negotiation skills, and presentation skills needed to be successful as a freelance independent contractor. Develop your soft skills and selling skills to compete for business and keep customers happy.

CSU

Entrepreneurship 122**Opportunities in Freelance Industries And Trades**

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

Learn how to spot opportunities within a trade and industry. Learn how to network and connect within a trade and industry in order to get business and get mentors. Learn to understand the competitive economic landscape within a trade or industry. Develop opportunities into a viable, sustainable business. Understand how to travel and work in a global economy.
CSU

Entrepreneurship 123**Marketing to Attract Customers and Grow Your Freelance Business**

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

Learn marketing as it applies to the freelance independent contractor. Learn market research, business development, branding, pricing, promotion, advertising, social media, sales, distribution and customer service. Understand how to identify and sell to a niche market. Learn how to market on a limited budget. Learn how to market yourself online.
CSU

Entrepreneurship 124**Survival Finance and Accounting for the Freelancer-Show Me the Money**

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

Learn personal finance, business finance and basic accounting. Learn financial survival tips for the freelancer. Understand sources of financing, cash and cash flow, QuickBooks, financial statements, pricing and profits, getting paid, accounts receivables and payables, record-keeping, budgeting and taxes. Understand how to open and operate your business on a limited budget.
CSU

Entrepreneurship 125**Launch Your Freelance Business**

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

Learn how to launch a freelance business. Set-up and manage your operations. Learn about office locations, business licenses, insurance, government regulations, lawyers, entity formation, intellectual property, health insurance, work-life balance, leadership, teamwork, management and human resources. Topics include managing yourself, managing others and working with subcontractors.
CSU

Entrepreneurship 130**Business Writing for Social Media**

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

Learn how to write professional business content for social media and digital marketing by focusing on purpose and intended audiences. Learn proper techniques and innovative marketing writing strategies to become effective at using current industry standard social media platforms such as Instagram, Twitter, Facebook, Snapchat, Pinterest, and YouTube videos. (Same as Same as MKTG 130).
CSU

Entrepreneurship 140**Fashion E-Commerce**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An introduction to apparel retailing with an emphasis on Fashion e-Commerce. Includes concepts of the organization, development and management practices of the apparel retail sector. Topics include types of apparel retailing, multi-channel retailing, apparel consumer behavior, retail marketing and pricing strategies, logistics, retail operations management, and analytical software. Learn how to create and manage an e-Commerce store. (Same as Fashion Design Merchandising 140).
CSU

ENVIRONMENTAL STUDIES (ENVR)**Environmental Studies 140 (C-ID GEOL 130)****Environmental Geology**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Introduction to environmental geology, the interaction between the Earth and mankind. Global study of geologic resources, resource management, geologic hazards, and waste remediation. (Same as Geology 140).
CSU/UC

Environmental Studies 200**Human Ecology**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

A biological and physical science introduction to environmental problems such as energy, resources, pollution, land use, population and food, including economic and political factors. A natural science elective. (Same as Biology 200).
CSU/UC

Environmental Studies 259**Environmental Biology**

Unit(s): 4.0 Class Hours: 54.00 Lecture, 54.00 Laboratory total.

Introduction to Environmental Biology. Includes study of ecosystems, population dynamics, classification, diversity of plant and animal species, effects of pollutants at both the cellular and organismal levels, and principles of ecology. Field trips required. (Same as Biology 259).
CSU/UC

Environmental Studies 262**Undergraduate Research Experience**

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: English 101 or English 101H with a minimum grade of C is Recommended.

Under the supervision of Science faculty, students will select and/or design a research project to be completed during the semester. Topics include fieldwork, information retrieval, computer skills applied to laboratory research, time management and organizational skills, application of modern research methods, experimental design, data collection and analysis, basic statistical reasoning and presentation skills (written and oral). This course is intended for students pursuing a STEM degree and require approval by applicable Science department faculty. (Same as Biology 259).
CSU

ETHNIC STUDIES (ETHN)**Ethnic Studies 102****The Borderlands: Cultural Context and Intercultural Relations**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course analyzes the United States-Mexican border and its regions. This course dissects the geographical, historical, and artistic significance. Dialogues occur within the context of "borders" and their intersectionality of international, regional, community, intersectional, transnational, and personal contexts concerning interethnic/intercultural relations. Attention is given to the intersectionality of Native American/First People, African/Black American, Chicana/Chicano/Chicanx/Xican@/Xicana/Xicano/Xican x, Latin Americans/Latina American/Latino American/Latinx American, and Asian American ethnic groups within mainstream U.S. society. Duplicate credit not granted for ETHN 102H.
CSU/UC

Ethnic Studies 102H**Honors The Borderlands: Cultural Context and Intercultural Relations**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: A high school or college GPA of 3.0 or above.

This course analyzes the United States-Mexican border and its regions. This course dissects the geographical, historical, and artistic significance. Dialogues occur in the context of "borders" and their intersectionality of international, regional, community, intersectional, transnational, and personal contexts concerning interethnic/intercultural relations. Attention is given to the intersectionality of Native American/First People, African/Black American, Chicana/Chicano/Chicanx/Chican@/Xicana/Xicano/Xicana, Latin American/Latina American/Latino American/Latinx American, and Asian American ethnic groups within mainstream U.S. society. Duplicate credit not granted for ETHN 102.
CSU/UC

Ethnic Studies 150 (C-ID SJS 110)**Introduction to Ethnic Studies**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course serves to broaden the ethnic and racial perspectives of students interested in American culture and society. A trans-disciplinary, multisectoral, and multidimensional approach will be employed to study the social, cultural, political, and economic aspects of four ethnic groups -- Native/First People Americans, African/Black Americans, Chicana/Chicano/Chican@/Chicanx/Xicana/Xicano/Xicana/Latin/Latina /Latino/Latine/Latinx Americans, and Asian Americans. Emphasis is placed on these groups' historical and contemporary relationships with each other and the rest of American society-Duplicate credit not granted for ETHN 150H.
CSU/UC

Ethnic Studies 150H (C-ID SJS 110)**Honors Introduction to Ethnic Studies**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: A high school or college GPA of 3.0 or above.

This course serves to broaden the ethnic and racial perspectives of students interested in American culture and society. A trans-disciplinary, multisectoral, and multidimensional approach will be employed to study the social, cultural, political, and economic aspects of four ethnic groups - Native/First People Americans, African/Black Americans, Chicana/Chicano/Chican@/Chicanx/Xicana/Xicano/Xicana/Latin/Latina /Latino/Latine/Latinx Americans, and Asian Americans. Emphasis is placed on these groups' historical and contemporary relationships with each other and the rest of American society-Duplicate credit not granted for ETHN 150.
CSU/UC

FASHION DESIGN MERCHANDISING (FDM)**Fashion Design Merchandising 052****Knit and Swim Suit Sewing**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Construction techniques to sew lingerie, bathing suits, athletic attire, and knit t-shirts. Emphasis is placed on serger and cover-stitch machine operation, fitting issues, and garment specification measurement techniques as related to knit garments for domestic and offshore production.

Fashion Design Merchandising 058**Decorative Apparel**

Unit(s): 0.5 Class Hours: 4.50 Lecture, 13.50 Laboratory total.

Applied techniques of sewing embellishments on surface textures. Techniques include hand embroidery, beading, and appliqué. Grade: Pass/No Pass Only.

Fashion Design Merchandising 080**Embroidery**

Unit(s): 1.5 Class Hours: 18.00 Lecture, 27.00 Laboratory total.

Applied techniques of embroidered decorative embellishments using embroidery software and machinery.

Fashion Design Merchandising 081**Screen Printing**

Unit(s): 1.500 Class Hours: 18.000 Lecture, 27.000 Lab total.

Application techniques of surface textures and patterns using screen printing techniques. Course includes digital application of artwork and preparation for printing. Recommend some Adobe Illustrator knowledge prior to taking this course.

Fashion Design Merchandising 081L**Fabric Printing Lab**

Unit(s): 0.5 Class Hours: 27.00 Laboratory total.

Corequisite: Concurrent enrollment or completion Fashion Design and Merchandising 081 with a minimum grade of C.

This course provides the student enrolled in the Fabric Printing course an opportunity for additional hours working in the Fabric Printing Design Lab. Lab time is assigned on a space available basis. Students completing 27 hours of lab work during the semester will receive .5 unit of credit. Grade: Pass/No Pass Only.

Fashion Design Merchandising 082**Screen Printing Advanced Techniques**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Fashion Design and Merchandising 081 is Recommended.

Advanced techniques screen printing using artwork with more than one color. Course includes digital application of multi-color artwork and preparation for printing two-color designs. Recommended taking FDM 081 prior to taking this course.
CSU

Fashion Design Merchandising 100**Introduction to the Fashion Industry**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Introduction to the development, structure, and interrelationship of the global fashion industry, including: Consumer characteristics, product design, textile and apparel production, retail merchandising, brand marketing, distribution, and promotion. An introduction to apparel business organizations, their commercial processes and career opportunities. Oral, written, and multimedia reports on current topics relevant to the fashion industry.
CSU

Fashion Design Merchandising 101**Buying and Merchandising**

Unit(s): 3.0 Class Hours: 50.00 Lecture, 12.00 Laboratory total.

An introduction to retail buying. A foundation in retail principles associated with planning, buying, pricing, and merchandising is provided. Includes application of Microsoft Excel methods to create buying plans to satisfy consumer demands while aligning revenue and inventory requirements. Develop assortment planning, inventory management. SKU level demand analysis, inventory level evaluations, open to buy monitoring, and sales forecasting processes.
CSU

Fashion Design Merchandising 102 Promotion and Coordination

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

A study of promotion techniques used by the apparel industry to raise awareness about goods and services for sale as well as to build brand image and recognition. Emphasis on new media including digital promotion strategies and social media. Includes promotion planning, direct marketing, public relations tools, salesmanship, and event production.
CSU

Fashion Design Merchandising 103 Fashion Selection

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Apparel selection based on historical perspective, culture, and fashion trends. This course will examine the interrelatedness of socio-psychological, economic and political/religious influences on dress. Cross-cultural analysis and interpretation of Western and non-Western clothing behavior. The fashion professional uses this information to better design, produce, and select products to meet the needs of a culturally diverse consuming population.
CSU

Fashion Design Merchandising 104 Textile Fibers and Fabrics

Unit(s): 3.0 Class Hours: 54.00 Lecture, 9.00 Laboratory total.

This course is a study of textile fibers and fabrics, their production/development, environmental impact, selection, use and care of wearing apparel and home furnishings. The course also covers current and future textile production and how appropriate performance characteristics are incorporated into materials and products.
CSU/UC

Fashion Design Merchandising 105A Beginning Sewing

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Apparel garment construction techniques including seam finishes, edge finishes, manipulating garment fullness, and applying closures. Students will construct three full-sized garments and a compilation of construction techniques. Students will conduct and document garment fittings, alter patterns, and apply fitting alterations to the sewn projects.
CSU

Fashion Design Merchandising 105AL Beginning Sewing Laboratory

Unit(s): 0.5 Class Hours: 27.00 Laboratory total.

Corequisite: Concurrent enrollment or completion with a grade of "C" or better or a Passing grade in Fashion Design and Merchandising 105A.

This course provides the student enrolled in the Beginning Sewing course an opportunity for additional hours working in the Fashion Design Lab. Lab time is assigned on a space available basis. Students completing 27 hours of lab work during the semester will receive .5 unit of credit. Grade: Pass/No Pass Only.
CSU

Fashion Design Merchandising 105B Intermediate Sewing

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Recommended preparation includes being able to name and sew a minimum of six different types of seams and hems without having to look them up or completion of Fashion Design Merchandising 105A, Beginning Sewing.

Follow-up of Fashion Design Merchandising 105A, Beginning Sewing. Coordination of woven fabrics and pattern fitting in construction of class projects such as pants, dress shirts, and unlined jackets. Includes intermediate sewing technique samples such as tailored plackets, various fly zipper applications, bound buttonholes, and welt pockets.
CSU

Fashion Design Merchandising 106 Couture Sewing

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Couture clothing construction techniques appropriate for creating custom garments. Emphasis is placed on working with designer patterns, complex contemporary fabrics, couture sewing techniques, and embellishment techniques. Embellishment techniques include tambour beading, sequins, and heirloom techniques. Projects include a custom formal occasion garment, an heirloom embellishment, and a collection of hand sewn samples.
CSU

Fashion Design Merchandising 107 Custom Tailoring

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Advanced sewing students will apply traditional tailoring techniques in completing a lined suit or coat, including hand pad stitching and edge taping.
CSU

Fashion Design Merchandising 108 RTW Apparel Quality and Construction Analysis

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An analysis of ready-to-wear apparel for quality evaluation of materials, construction, design, fit, care, and pricing related to consumer buying expectations. Introduction and application of garment industry manufacturing processes using production equipment to mass produce consumer products. Includes Enterprise Resource Planning (ERP), retail math, and Product Data Management (PDM) training. Students will learn how to take design concepts through the sourcing, costing, and production process to create a specifications/technical package. Includes concepts of sizing and principles of fit.
CSU

Fashion Design Merchandising 109 Flat Pattern Techniques

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Students learn to pattern draft garments using 3D software and also export their patterns to paper to be cut and sewn into fabric samples. Includes development of the basic body sloper, collars, necklines, skirts, waistlines, sleeves, panels, and yokes. POM (Point of Measurement) specifications are discussed in relation to both pattern development and finished garments.
CSU

Fashion Design Merchandising 110 Corset Construction

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Fashion Design Merchandising 105A with a minimum grade of C.

Class covers historical and modern corsets. Students will build a corset from start to finish, including pattern drafting, boning construction, and fitting techniques. Students will also build a bustier dress.

CSU

Fashion Design Merchandising 111A Fashion Illustration Techniques

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Application of the basic techniques of drawing fashion and garment flat trade sketches. Emphasis on current fashion industry design software Adobe Illustrator with some Photoshop. Pencils, markers, and watercolors are also incorporated.

CSU

Fashion Design Merchandising 111AL Computer Fashion Laboratory

Unit(s): 0.5 Class Hours: 27.00 Laboratory total.

Corequisite: Concurrent enrollment or completion with a grade of "C" or better or a Passing grade in Fashion Design and Merchandising 111A.

This course provides the student enrolled in the Computer Fashion Illustration course an opportunity for additional hours working in the Fashion Computer Lab. Lab time is assigned on a space available basis. Students completing 27 hours of lab work during the semester will receive .5 unit of credit. Grade: Pass/No Pass Only.

CSU

Fashion Design Merchandising 112 Intermediate Flat Pattern Making

Unit(s): 3.5 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Prerequisite: Fashion Design and Merchandising 109 with a minimum grade of C.

A continuation of FDM 109 Flat Pattern Techniques, this course covers intermediate pattern drafting techniques not covered in FDM 109. Students learn to draft patterns for garments using 3D software and also export their patterns to paper to be cut and sewn into fabric samples. Includes development of patterns for various pants (culotte, trouser, slack, dungarees/overalls) and a tailored jacket. Other drafting techniques include various plackets, bias cut dresses, inserted and accordion pockets, various sleeve shapes, kimonos, dolmens, drop shoulders. POM (Point of Measurement) specifications are discussed in relation to both pattern development and finished garments.

CSU

Fashion Design Merchandising 113 Fashion Draping

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Fashion Design Merchandising 105A is Recommended.

Basic techniques of draping flat fabric into three dimensional garment styles on the dress form to create first patterns. Students are required to sew their sample garments.

CSU

Fashion Design Merchandising 114 3D Design

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Fashion Design Merchandising 109 with a minimum grade of C, or pattern drafting knowledge.

This course will teach students how to create 3D garments in Clo3D/Marvelous Designer. This course will take students having no knowledge of 3D software to developing designs, doing fittings, and creating renders. By the end of the course students will also develop a portfolio of several projects.

CSU

Fashion Design Merchandising 114C 3D Design - Swimwear

Unit(s): 1.0 Class Hours: 9.00 Lecture, 27.00 Laboratory total.

This course will teach students how to create a swim bra with underwire and swim bottoms with elastic in Clo3D/Marvelous Designer. This course will cover pattern creation, flattening techniques to create underwire, and seam stitching and puckering details related to swimwear. Students will render the final design and export a tech pack with a schematic render, POM (point of measurements), and a BOM (bill of materials).

CSU

Fashion Design Merchandising 114D 3D Design - Denim

Unit(s): 1.0 Class Hours: 9.00 Lecture, 27.00 Laboratory total.

This course will teach students how to create a 3D denim bottom garment in Clo3D/Marvelous Designer. This course will cover pattern creation, fabric texture, and seam stitching and puckering details. Students will render the final design and export a tech pack with a schematic render, POM (point of measurements), and a BOM (bill of materials).

CSU

Fashion Design Merchandising 115 3D Design- Intermediate

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

3D simulation allows the creation of garment styles with intricate and realistic details and fit. In this class, students will design a variety of garments with complicated pattern pieces and sewing construction by creating patterns or importing pattern files in AAMA/ASTM .dxf format. Students will utilize the fitting tools in 3D to improve garments and create visual presentations for retailers. Students will also create a natural simulation environment to display and merchandise collections. This course also covers fabric creation including seamless repeats and utilizing maps to create realistic fabrics in 3D software.

CSU

Fashion Design Merchandising 125 Visual Display Merchandising

Unit(s): 3.0 Class Hours: 48.00 Lecture, 18.00 Laboratory total.

Visual merchandise techniques and material in relation to the elements and principles of design and how it relates to the retail environment.

CSU

Fashion Design Merchandising 136 (C-ID THTR 174) Fundamentals of Costume Design

Unit(s): 3.0 Class Hours: 54.00 Lecture, 18.00 Laboratory total.

The study of costume history, design, and basic construction techniques as an introduction to basic theatrical costuming. Fabrics and their various uses will be investigated. (Same as Theatre Arts 136).

CSU/UC

Fashion Design Merchandising 140 Fashion E-Commerce

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An introduction to apparel retailing with an emphasis on Fashion e-Commerce. Includes concepts of the organization, development and management practices of the apparel retail sector. Topics include types of apparel retailing, multi-channel retailing, apparel consumer behavior, retail marketing and pricing strategies, logistics, retail operations management, and analytical software. Learn how to create and manage an e-Commerce store. (Same as Entrepreneurship 140).

CSU

Fashion Design Merchandising 212 Advanced Draping

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Fashion design draping techniques further practiced in designing a four piece collection.

CSU

Fashion Design Merchandising 213 Apparel Line Production

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Prerequisite: Fashion Design Merchandising 100 or 108, and 109 and 111A with a minimum grade of C.

Instruction on designing a fashion line using industry production techniques and equipment. Techniques include computer sketching, computer pattern drafting, garment construction, catalogue creation, and online portfolio development. This is a capstone class and should be taken student's final semester.

CSU

Fashion Design Merchandising 214 Tech-Packs for Manufactured Apparel

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Recommended Preparation: Fashion Design Merchandising 111A with a minimum grade of C.

Introduction and application of garment industry manufacturing processes using production equipment to mass produce consumer products. Includes Enterprise Resource Planning (ERP), retail math, and Product Data Management (PDM) training. Students will learn how to take design concepts through the sourcing, costing, and production process.

CSU

Fashion Design Merchandising 215 Computer Fashion Illustration

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Fashion Design Merchandising 111A.

Computerized fashion illustration is taught using computer software. Software programs include Adobe Illustrator, Photoshop, InDesign, and embroidery software. Student needs to know how to manually draw trade flats and posed figures prior to enrolling.

CSU

Fashion Design Merchandising 216 Computerized Garment Pattern Drafting

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Fashion Design Merchandising 109 is Recommended.

Computerized apparel pattern drafting is taught using 2D and 3D design software as tools. Students will create original garment designs, draft the patterns on the computer, and virtually sew them up on the 3D software using an avatar fit model to create a sample line video. Instruction also includes pattern size grading, point of measurements (POM), and marking. Prior to enrollment, students must be able to manually draft patterns and sew.

CSU

Fashion Design Merchandising 299 Work Experience - Fashion Design

Formerly: Cooperative Work Experience Education

Unit(s): 1.0 - 4.0 Class Hours: 54.00 - 216.00 Lecture total.

Recommended Preparation: 12 units of Fashion Design Merchandising courses completed with C or better.

This work experience course of supervised employment is designed to assist students to acquire desirable work habits, attitudes and skills in a field related to the students' major so as to enable them to become productive employees. This course also provides students with career awareness for jobs. 54 hours of work equals one unit of course credit. Student repetition is allowed per Title 5, Section 55253. Students may earn a maximum of 14 units of credit for work experience. Grade: Pass/No Pass Only. Open Entry/Open Exit.

CSU

FIRE ACADEMY (FAC)

Fire Academy 007

Strength and Conditioning for the Fire Service

Unit(s): 2.0 Class Hours: 8.00 Lecture, 96.00 Laboratory total.

Corequisite: Concurrent enrollment in Fire Academy 050 and Fire Academy 060A.

Strength and conditioning course for students preparing for a career in the Fire Service. Emphasis will be placed on metabolic conditioning and strength development to meet the demand of fireground activities, attaining fireground movement competency and to obtain a passing score on the Physical Ability Test (PAT).

Fire Academy 008

Biddle Physical Ability Test (PAT)

Unit(s): 0.1 Class Hours: 1.00 Lecture, 3.00 Laboratory total.

The Los Angeles County and Orange County Fire Chief's Physical Ability Test is designed to examine the physical ability of the individual when it comes to performing the functions or tasks of a firefighter. Grade: Pass/No Pass Only.

Fire Academy 017

Physical Ability Instructor Course

Unit(s): 0.1 Class Hours: 2.00 Lecture, 2.00 Laboratory total.

Recommended Preparation: Recommended Preparation: Fire Technology, Kinesiology, or Exercise Science-related degree completed or in-progress Familiarity with the essential job tasks in the fire service and with physical ability testing for entry-level firefighters Immediate potential to be considered for hire as a part-time faculty in SAC Fire Technology by meeting minimum qualifications.

Designed to train instructors to administer the Biddle Physical Ability Test and to evaluate each instructor's ability to reliably and accurately administer and score the test. Grade: Pass/No Pass Only.

Fire Academy 018A

Firefighter I Physical Ability Practice (Exam)

Unit(s): 0.1 Class Hours: 1.00 Lecture, 3.00 Laboratory total.

The Los Angeles County and Orange County Fire Chief's Physical Ability Test is designed to examine the physical ability of the individual when it comes to performing the functions or tasks of a firefighter. Training and practice designed specifically for the fire service and those interested in entering the fire service using the PAT. May not be used to obtain eligibility for the basic fire academy and a certificate will not be issued even if a student achieves a passing time. Grade: Pass/No Pass Only.

Fire Academy 018B **Beginning Fire Physical Ability Training**

Unit(s): 0.1 - 0.5 Class Hours: 5.00 - 32.00 Laboratory total.

Students will be introduced to the events of the "Biddle" Fire Fighter Physical Ability Test (Fire Academy 008). This is a supplemental learning assistance course designed to prepare the student for participation and successful completion of FAC 008. Students will perform physical exercise using fire hose, ladders, stairs, TRX, kettlebells and other equipment. Students will learn proper body mechanics; correct lifting techniques and appropriate physical conditioning principles. Open Entry/Open Exit.

Fire Academy 018C **Intermediate Fire Physical Ability Training**

Unit(s): 0.1 - 0.5 Class Hours: 5.00 - 32.00 Laboratory total.

Students will practice the individual events of the "Biddle" Fire Fighter Physical Ability Test (Fire Academy 008). This is a supplemental learning assistance course designed to prepare the student for participation and successful completion of FAC 008. Students will perform physical exercise using fire hose, ladders, stairs, TRX, kettlebells and other equipment. Students will learn proper body mechanics; correct lifting techniques and appropriate physical conditioning principles. Open Entry/Open Exit.

Fire Academy 018D **Advanced Fire Physical Ability Training**

Formerly: Fire Academy 018D, Advanced Fire Physical Ability Training

Unit(s): 0.1 - 0.5 Class Hours: 5.00 - 32.00 Laboratory total.

Students will practice and condition for successful completion of the "Biddle" Fire Fighter Physical Ability Test (Fire Academy 008). This is a supplemental learning assistance course designed to prepare the student for participation and successful completion of FAC 008. Students will perform physical exercise using fire hose, ladders, stairs, TRX, kettlebells and other equipment. Students will learn proper body mechanics; correct lifting techniques and appropriate physical conditioning principles. Open Entry/Open Exit.

Fire Academy 028 **Physical Training for Fireground Operations**

Unit(s): 0.2 - 2.0 Class Hours: 0.00 - 8.00 Lecture, 12.00 - 96.00 Laboratory total.

Prerequisite: Completion of an approved Fire Academy or signed statement by the agency's Fire Chief or designee stating the sponsored student is eligible to complete the training requirements for FFI.

Physical training course will provide an intense hands-on approach to fireground movement and energy system specificity. Focus will be on skill competency, an understanding of performance enhancement, and injury prevention practices. Students will gain knowledge of proper training practices through lecture and participation in physical training designed to overload, progress, and decrease reversibility in an effective and safe manner. Grade: Pass/No Pass Only.

Fire Academy 029 **Public Safety Wellness and Fitness- Operation and Safety Training**

Unit(s): 2.0 Class Hours: 8.00 Lecture, 95.00 Laboratory total.

Occupation specific wellness and fitness principles to prepare those who respond to emergencies, accidents, local and national disasters and terrorist attacks. Physical fitness concepts and activities prepare the student for any threat whether physical, environmental or psychological. Individualized fitness assessment, fitness profile and exercise prescription provided. Grade: Pass/No Pass Only.

Fire Academy 031 **Fire Specialist Academy, Common Passenger Vehicle Rescue Technician**

Formerly: Fire Specialist Academy, Vehicle Rescue and Extrication

Unit(s): 0.5 Class Hours: 6.25 Lecture, 17.75 Laboratory total.

Prerequisite: IS-100, IS-200, IS-700, IS-800 (FEMA Online) and Public Safety First Aid and CPR (CA Health and Safety Code 1979.182) and Full structural personal protective equipment (including eye and hand protection).

Corequisite: Completion with a grade of "C" or better or a Passing grade or Concurrent enrollment in: Firefighter I training (certification not required)

This course provides the knowledge and skills to prepare an emergency responder to extricate victim(s) from a common passenger vehicle in a safe and effective manner in accordance with AHJ policies and procedures. Topics include sizing up an incident; creating an incident action plan; establishing safety zones; mitigating hazards; stabilizing and creating access and egress openings for rescue from a vehicle resting on its wheels, side, and roof or in a multi-hazard configuration or environment; disentangling and removing victims; and terminating an incident. This course incorporates awareness, operations, and technician training based on NFPA 1006 (2021). Grade: Pass/No Pass Only.

Fire Academy 035 **Confined Space Rescue Technician**

Unit(s): 1.0 Class Hours: 10.25 Lecture, 29.75 Laboratory total.

Prerequisite: Confined Space Rescue Awareness.

This course is an intensive hands-on training program that will prepare you to respond to confined space emergencies. This course of instruction prepares the student for identifying confined spaces and permit-required confined spaces, the hazards associated with permit required confined spaces, target industries and hazards, state and federal regulations, components of a rescue operation, and the roles and responsibilities of the rescue team. Additional materials fee may be required for State course completion certificate. This course is limited to 36 students.

Fire Academy 041A **Wildland Reserve Firefighter Academy**

Formerly: Reserve Firefighter Academy

Unit(s): 8.0 Class Hours: 144.00 Lecture, 22.00 Laboratory total.

Provides a basic level of knowledge, skills, and ability among those individuals destined for assignment to a wildland fire crew. Meets fire service requirements for safety. Additional materials fees may apply. Not offered every semester. Grade: Pass/No Pass Only.

Fire Academy 050 **Fire Suppression Training Academy**

Unit(s): 20.0 Class Hours: 266.00 Lecture, 294.00 Laboratory total.

Prerequisite: Concurrent enrollment in Fire Academy 007. Medical exam in accordance with National Fire Protection Association (NFPA) 1582 and FAC 008. Concurrent enrollment in FAC 007. Medical exam in accordance with National Fire Protection Association (NFPA) 1582 and FAC 008.

Basic level of knowledge, skills, and ability among those individuals destined for assignment to a wildland fire crew. Includes EMS and Hazmat First Responder. Meets departmental requirements for safety. Does not meet the requirements of Orange County Fire Chief's Association (OCFCA) or California State Firefighter I criteria. Additional materials fees may apply. Not offered every semester. Grade: Pass/No Pass Only.

Fire Academy 060A**Basic Fire Academy- Fire Fighter 1A Structure**

Unit(s): 10.0 Class Hours: 84.00 Lecture, 288.00 Laboratory total.

Prerequisite: Fire Technology 101, 102, 103, 104, 105, 106, 121, and Fire Academy 008 with a minimum grade of C. And Fire Technology 121L with a minimum grade of P. And Current CPR Healthcare Provider certification or equivalent, and Possession of current NREMT (National Registry Emergency Medical Technician) Certification, and Prerequisite NFPA 1582 Medical Clearance dated within two years of the course start

This course provides the first level of professional training needed to obtain California Fire Fighter 1 (2019) certification. Students will learn the skills and knowledge needed for the entry-level fire fighter to perform structural suppression activities. Key learning concepts include: fire fighter safety; communications; cleaning, maintaining, and utilizing equipment and tools; building construction and fire behavior; water supply; ladder operations; forcing entry into a structure; conducting search and rescue operations; attacking an interior structure fire; horizontal and vertical ventilation; property conservation; fire scene overhaul; fire fighter survival; and fire suppression with Class A materials, vehicles, and ground cover. Students are required to complete all applicable certification exams. All Fire Fighter 1 (2019) cognitive exam modules will be delivered through the State Fire Training User Portal. State Fire Training will issue IFSAC and Pro Board accredited certifications to all eligible applicants for California Fire Fighter 1 (2019) certification. Material fees required. Students must rent approved turn-outs and other personal protective equipment from designated vendor. Departmental approval required for enrollment.

Fire Academy 060B**Firefighter 1B - Hazardous Materials/ WMD**

Unit(s): 1.0 Class Hours: 18.00 Lecture, 8.00 Laboratory total.

This course provides the awareness skills and knowledge needed for the entry-level firefighter to recognize and identify hazardous materials and weapons of mass destruction (WMD), isolate hazards and deny entry, and initiate required notification. At the operations level, this course provides the skills and knowledge needed to identify incident scope; select, use, and inspect PPE; perform emergency decontamination; perform assigned tasks at a hazardous materials/WMD incident including product control techniques; and evaluate and report incident progress (2019). A California Firefighter 1 certification contains three levels of Professional Qualifications set by the National Fire Protection Association (NFPA). FF 1B includes the second level of professional qualifications: NFPA 1072: Hazardous Material Awareness and Operations. Material fees required.

Fire Academy 060C**Firefighter 1C - Wildland Firefighter 1**

Unit(s): 2.0 Class Hours: 30.00 Lecture, 34.00 Laboratory total.

Corequisite: Concurrent enrollment in Fire Academy 060A.

This course provides the skills and knowledge needed for the entry-level firefighter to recognize hazards and unsafe situations; don, doff, and maintain wild and personal protective equipment; deploy a fire shelter; maintain suppression hand tools and equipment; assemble and prepare for response; construct and secure a fire line; reduce the threat of fire exposure to improved properties; and mop up and patrol a fire area when working with wild land fires. Firefighter 1C, Wildland Course Plan (2016) A California Firefighter 1 certification contains three levels of Professional Qualifications set by the National Fire Protection Association (NFPA). FF1C includes the third level of professional qualifications: NFPA 1051: Wildland Firefighter 1. Material fees required. Students must rent approved turn-outs and other personal protective equipment from designated vendor. Departmental approval required for enrollment.

Fire Academy 062**Basic Incident Command Systems**

Unit(s): 0.3 Class Hours: 0.50 Lecture, 15.50 Laboratory total.

Basic principles of command, knowledge, and skills common to all positions in the Incident Command System (ICS). Grade: Pass/No Pass Only.

Fire Academy 062A**Strike Team Leader Orientation (ICS)**

Unit(s): 0.5 Class Hours: 9.00 Lecture total.

State Office of Emergency Service procedures for fire departments assigned to OES when responding to a mutual aid incident. Open Entry/ Open Exit.

Fire Academy 063**Rope Rescue Awareness/Operations**

Formerly: Rescue Systems 1: Basic Rescue Skills

Unit(s): 1.0 Class Hours: 12.25 Lecture, 27.75 Laboratory total.

Prerequisite: IS-100, IS-200, IS-700, IS-800 (FEMA Online).

Corequisite: Firefighter I Training (certificate not required)

Designed for all fire service and allied emergency response personnel. Key topics include: Team organization; rescue and environmental considerations; use of ropes and knots; operation of simple, complex, and compound rope rescue systems; descending, rappelling, and belaying tools and techniques, low-angle and high-angle rescue, use of fire service ladders in specialized rescue situations, and day and night simulated rescue exercises. Additional materials fees may be required. May not be offered every semester. Grade: Pass/No Pass Only.

Fire Academy 070**OSFM Fire Fighter I & 2 (2019) Certification**

Unit(s): 0.50-3.00 Class Hours: 8.00 Lecture, 4.00-150.00 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: Completion of a Firefighter I academy and application for certification testing or a signed statement by the agency's Fire Chief or designee stating the sponsored student has completed all SFT (State Fire Training) requirements and skills sheets for Firefighter-1 or documentation of approval from the California State Fire Training for a certification retest

Designed for students that have completed previous firefighter training and are seeking to update their credentials to Firefighter 1 or 2 (2019), upgrade to IFSAC (International Fire Service Accreditation Congress)/ProBoard certification, or obtain certification for prior training that occurred in a different location. This class also provides required remedial training if required to retake a psychomotor skills examination or a refresher of skills and information needed to prepare for the certifications exams. May be offered concurrently with FAC 060A, 060B or 060C. Authorization from the Fire Technology Office is required for enrollment. Not offered every semester. Materials fee required. (Pass/No Pass Only)

Fire Academy 071A**Ventilation Review**

Unit(s): 0.5 Class Hours: 8.00 Lecture, 8.00 Laboratory total.

Theory of positive pressure ventilation and panelized roofs; students will participate in walking, sounding, and cutting panelized roofs. A materials fee may be required. Not offered every semester. Grade: Pass/No Pass Only.

Fire Academy 072**Trench Rescue Technician***Formerly: Emergency Trench Shoring*Unit(s): 0.5 Class Hours: 5.75 Lecture, 18.25 Laboratory total.

Prerequisite: Completion of an accredited CA Firefighter I Academy or equivalent training as determined by the Department Chair or Discipline Faculty, and Successful completion of Structural Collapse Specialist 1 or Rescue Systems 1; or A letter from the Fire Chief (or designee) stating the sponsored student has successfully completed the equivalent training.

This course provides the skills and knowledge needed for the trench rescue technician to work safely and efficiently in a trench rescue environment. This hands-on training program includes trench and excavation regulations, soil characteristics, trench configurations and hazards, rescue team preparation, incident response, initial on-scene and pre-entry operations, shoring systems and components, shoring system installation, victim rescue and recovery, and incident termination. This course incorporates awareness, operations, and technician training based on NFPA 1006 (2021).

Fire Academy 076**Low Angle Rope Rescue Operational**Unit(s): 0.5 - 1.0 Class Hours: 12.00 Lecture, 12.00-20.00 Laboratory total.

The Low Angle Rope Rescue Operational course is designed to provide training for responders in low angle rope rescue operations. These over-the-side operations may be the result of a vehicle accident, hiking mishap, swift water rescue, or search and rescue function in an urban or remote area. Materials fee may be required. Not offered every semester. Grade: Pass/No Pass Only.

Fire Academy 076A**High Angle Rope Rescue**Unit(s): 0.5 Class Hours: 12.00 Lecture, 12.00 Laboratory total.

Designed to equip the students with information, techniques, and methods for utilizing rope, webbing, hardware, friction devices, and stretchers in high angle/high rise rope rescue situations. Additional materials fees may be required. Not offered every semester. Grade: Pass/No Pass Only.

Fire Academy 079A**S-339 Division/Group Supervisor- ALL RISK**Unit(s): 0.5 Class Hours: 4.00 Lecture, 16.00 Laboratory total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: ICS-300, Intermediate I.C.S. Students must bring certificate of completion to first class meeting or be dropped from the course. and Qualified as a Task Force Leader (TFLD) or Incident Commander Type 3 (ICT3) or Incident Commander Type 4 (ICT4) and in any two Strike Team Leader positions – one must be STCR or STEN. Students must bring evidence to first class meeting or be dropped from the course.

This course prepares students to perform in the role of division/group supervisor during wildland fire operations. It provides instruction in support of the specific tasks of the division/group supervisor, but will not instruct students in general management/supervision or in the incident command system (ICS), both of which the student should learn through prerequisite work. Topics include division/group management, organizational interaction, division operations, all-hazard operations, and tactical decision games. There is a final examination in this course. May require additional material fees. Not offered every semester. Grade: Pass/No Pass Only.

Fire Academy 079B**AH-330 Strike Team/Task Force Leader - All Hazards (32 Hours)***Formerly: S-330 Task Force-Strike Leader*Unit(s): 1.0 Class Hours: 22.00 Lecture, 10.00 Laboratory total.

Prerequisite: ICS-200B: Incident Command Initial Action Incidents ICS-200B: Incident Command Initial Action Incidents; and CICC qualified Engine Boss, Heavy Equipment Boss or Crew Boss for single resources. This course is designed to provide the skills and knowledge needed to perform in the position of Strike Team/Task Force Leader. Topics include position overview; pre-deployment responsibilities; the concept of the position; resource typing standards; pre-dispatch preparation; incident responsibilities; administration; supervision; response; assignment; demobilization; tactics and safety; risk management; entrapment avoidance; WUI; case studies; scenarios; appropriate action vs. freelancing. Designed for: Strike Team/Task Force Leader, All Hazards (STEN/TFLD). Materials fees required. Not offered every semester. Grade: Pass/No Pass Only. (Same as FOT 079C)

Fire Academy 079D**S-440 Planning Section Chief**Unit(s): 0.5 Class Hours: 4.00 Lecture, 16.00 Laboratory total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: Students must be qualified as a Situation Unit Leader (SITL). Students must be qualified as a Resources Unit Leader (RESL). Students must bring evidence to the first class meeting or be dropped from the class.

Designed to meet a portion of the training needs of the Planning Section Chief Type 2 for wildland fire operations. Topics include information gathering, strategies, meetings and briefings, incident action plans(IAP), interactions, forms, documents, supplies, demobilization, and an optional technology section. Additional fees may be required. Not offered every semester. Grade: Pass/No Pass Only.

Fire Academy 080B**S-190 Introduction to Wildland Fire Behavior**Unit(s): 0.4 Class Hours: 8.00 Lecture total.

This course provides instruction in the primary factors affecting the start and spread of wildfire and recognition of potentially hazardous situations. It is designed to meet the fire behavior training needs of a Fire Fighter Type 2 (FFT2) on an incident as outlined in the PMS 310-1, Wildland Fire Qualification System Guide and the position task book developed for the position. Not offered every semester. There may be additional materials fees. Grade: Pass/No Pass Only.

Fire Academy 080D**S-290 Intermediate Wildland Fire Behavior**Unit(s): 0.5 Class Hours: 32.00 Laboratory total.

Prerequisite: S-190 Certification. Students are required to bring a copy of their S-190 certificate to the first class session or they will be dropped from the course.

This is a classroom-based skills course designed to prepare the prospective fireline supervisor to undertake safe and effective fire management operations. It is the second course in a series that collectively serves to develop fire behavior prediction knowledge and skills. Fire environment differences are discussed, with a focus on local conditions. Materials fees may be required. Not offered every semester.

Fire Academy 083**Hazardous Materials First Responder: Awareness Level**

Unit(s): 0.1 Class Hours: 8.00 Laboratory total.

The purpose of this course is to provide participants who are likely first responders with an improved capability to respond to Haz Mat events in a safe and competent manner, within the typical resource and capability limitations at the "Awareness" Level. Meets the requirements of CFR 29 1910.120 and CCR Title 8, and satisfies the requirements for Fire Inspector I certification through both State Fire Training and the International Code Council. Additional material fees may be required. Not offered every semester. Grade: Pass/No Pass Only.

Fire Academy 084**Hazardous Materials First Responder Operational Level**

Unit(s): 0.5 Class Hours: 12.00 Lecture, 4.00 Laboratory total.

This class is designed for fire department personnel who may respond to releases or potential releases of hazardous materials as part of the initial response to the site for the purpose of protecting nearby persons, property, or the environment from the effects of the release. Defensive tactics to contain the release from a safe distance, keep it from spreading, and prevent exposures without trying to stop the release. This course may require additional materials fees for state course completion certificate. This course is limited to 40 students. May not be offered every semester.

Fire Academy 084A**Hazardous Materials First Responder Operational, Decontamination**

Unit(s): 0.3 Class Hours: 4.00 Lecture, 8.00 Laboratory total.

Recommended Preparation: Recommended Preparation: Participants who desire to take this training should have already had training equal to, or greater than, First Responder Operations (FRO), as defined in the OSHA HAZWOPER regulation. Proof of FRO training is required prior to attendance. Additionally, participants must have had sufficient training in Respiratory Protection that includes the ability to don and doff a Self-Contained Breathing Apparatus (SCBA).

This course is designed for hazardous material emergency response personnel. This course will provide the HazMat emergency responder with the processes used in decontamination and methods to limit the spread of hazardous materials contamination in a safe and competent manner. This is a hands-on class associated with Hazardous Materials First Responder, Operational. Additional materials fees may be required for state certificate of completion. Not offered every semester. Additional material fees may be required. Maximum class size: 40.

FIRE OFFICER TRAINING (FOT)**Fire Officer Training 008A****S-339 Division/Group Supervisor All Risk**

Unit(s): 0.5 Class Hours: 2.00 Lecture, 22.00 Laboratory total.

Prerequisite: I-300 Intermediate ICS. Bring course completion certificate to first class session. and I-400 Advanced ICS. Students must bring course completion certificate to first class session. and Satisfactory completion of pre-course work.

Recommended Preparation: Recommended Preparation: Qualified as a Task Force Leader (TFLD) or Incident Commander Type 3 (ICT3) or Incident Commander Type 4 (ICT4) and in any two Strike Team Leader positions - one must be STCR or STEN.

This course prepares students to perform in the role of division/group supervisor. It provides instruction in support of the specific tasks of the division/group supervisor, but will not instruct the student in general management/supervision or in the incident command system (ICS), both of which the student should learn through prerequisite work. Topics include division/group management, organizational interaction, division operations, all-hazard operations, and tactical decision games. There is a final examination in this course. Additional materials fee required for State Fire Training Course Completion Certificate. May not be offered every semester.

Fire Officer Training 008E**S-445 Incident Training Specialist**

Unit(s): 1.0 Class Hours: 19.00 Lecture, 3.00 Laboratory total.

Prerequisite: Read the pre-course work orientation guide Wildland Fire Qualifications System Historical Overview. Complete the pre-course work questions by referencing the Wildland Fire Qualifications System Historical Overview and the NIMS Wildland Fire Qualification System Guide, PMS 310-1.

Designated to train personnel to perform the duties of a Training Specialist. Duties include coordinating incident training opportunities and activities, ensuring the quality of training assignments, and completing documentation of the incident training. Additional course fees required for State Fire Training Certificate of Completion. This course may not be offered every semester. There may be additional material fees. Maximize class size: 40

Fire Officer Training 017**Fire Control 5**

Unit(s): 1.0 Class Hours: 15.00 Lecture, 9.50 Laboratory total.

This course provides students with the methods and techniques necessary for crash fire rescue (CFR) services at airports. Subjects include using conventional fire and specialized CFR apparatus, CFR extinguishing agents, types of aircraft, standby procedures, aqueous film forming foam, dual agent systems, and operations at crash scenes. The 24-hour class delivery includes a live burn.

Fire Officer Training 033**ICS-400 Incident Command**

Unit(s): 0.5 Class Hours: 15.00 Lecture total.

Prerequisite: ICS-100, Introduction to the ICS ICS-200, Basic ICS for Initial Response ICS-300, Intermediate ICS for Expanding Incidents ISO-700, National Incident Management System, An Introduction ISO-800, National Response Framework, An Introduction. Students must bring documentation of prerequisites to first class meeting. Failure to comply will result in student being dropped.

This course provides training for personnel who require advanced application of the Incident Command System (ICS). This course expands upon information covered in ICS 100 through ICS 300 courses, which are prerequisites for the ICS 400 course.

Fire Officer Training 035**Vehicle Extrication**

Unit(s): 0.5 Class Hours: 2.00 Lecture, 22.00 Laboratory total.

Prerequisite: 1. Firefighter I training (certification not required). 2. Public Safety First Aid and CPR (CA Health and Safety Code 1979.182) 3. Full structural personal protective equipment (including hand and eye protection)

Provides hands-on experience in the procedures and systems utilized during an automobile extrication. Subjects covered include: auto extrication, types of hand and power tools, removing windows, opening doors, removing roofs, pulling steering wheels, moving foot pedals, raising dashboards, pulling seats, stabilization of vehicles, and simulated rescues of trapped victims.

Fire Officer Training 044**Fire Investigation 1A: Fire Origin and Cause Determination**

Unit(s): 0.5 Class Hours: 40.00 Laboratory total.

This course provides the participants with an introduction and basic overview of fire scene investigation. The focus of the course is to provide information on fire scene indicators and to determine the fire's origin.

Fire Officer Training 045**Fire Investigation 1B: Techniques of Fire Investigation**

Unit(s): 0.5 Class Hours: 40.00 Laboratory total.

Prerequisite: OSFM - Investigation 1A with a grade of B or better. Students must bring documentation of prerequisites to first class meeting; failure to comply will result in student being dropped.

This course provides a deeper understanding of fire investigation and builds on Fire Investigation 1A. Topics include the juvenile fire setter, report writing, evidence preservation and collection, interview techniques, motives, and fire fatalities.

Fire Officer Training 050**Community Emergency Response Team**

Unit(s): 0.2 - 0.5 Class Hours: 10.00-30.00 Laboratory total.

Educating the public to respond to terrorism response issues, theories, and methodologies for disaster mitigation. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Fire Officer Training 060**Fire Apparatus Driver/Operator 1A: Driver/Operator**

Unit(s): 0.5 Class Hours: 40.00 Laboratory total.

Prerequisite: Hold a valid Class C driver's license. License must be brought to first class session or student will be dropped from the course.

This course provides information on fire apparatus preventive maintenance and driving/operating. Topics include routine tests, inspections, and servicing functions, operate, back, maneuver, and turn a fire apparatus in a variety of conditions; and operate all fixed systems and equipment on a fire apparatus. This course is based on the 2014 edition of NFPA 1002 Standard for Fire Apparatus Driver/Operator Professional Qualifications. This course fulfills the requirements for a California Class C Firefighter Endorsement. This course satisfies the partial requirements for State Fire Training Fire Apparatus Driver/Operator - Pumping Apparatus (2015) certification. A materials fee may be required. This course may not be offered every semester. Grade: Pass/No Pass Only.

Fire Officer Training 061**Fire Apparatus Driver/Operator 1B: Pumping Apparatus Operations**

Unit(s): 0.5 Class Hours: 40.00 Laboratory total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: Hold a valid Class C Firefighter Endorsed driver's license (minimum). License must be brought to first class session or student shall be dropped from the course. and Fire Apparatus Driver/Operator 1A (2008 or 2015 version). Certificate of completion must be brought to first class session or student shall be dropped from the course. and Completion of an accredited basic fire academy or equivalent as determined by the by the Associate Dean of Fire Technology prior to the start of the course. Students seeking to enter this course with equivalent training may be required to demonstrate knowledge of the following topics prior to the start of the course: Describe or explain: Fire hydrant operations; Suitable static water supply sources; Procedures and protocols for connecting to various water sources; Methods to fully open and close the hydrant; Principles of fire streams; flow capabilities of nozzles; Fittings, tools, and appliances; Open, close, and adjust nozzle flow and patterns; Prevent water hammer when shutting down nozzles; Hand lay a supply hose; Connect a supply hose to a hydrant; Make hydrant-to-engine hose connections for forward and reverse lays; Replace coupling gaskets; Mark defective hose NOTE: Approval of equivalent training is not a guarantee that state or licensing agencies will also grant equivalency.

This course provides information on pumping apparatus preventive maintenance and operations. Topics include routine tests, inspections, and servicing functions; producing hand, master, and foam fire streams, relay pump operations; and supplying water to fire sprinkler and standpipe systems. This course is designed for career and volunteer fire service personnel who drive and operate a fire department pumping apparatus. This course is based on the 2014 edition of NFPA 1002 Standard for Fire Apparatus Driver/Operator Professional Qualifications. This course satisfies partial requirements for OSFM certification for Fire Apparatus Driver/Operator - Pumping Apparatus. Materials fee may be required. Not offered every semester. Grade: Pass/No Pass Only.

Fire Officer Training 078**S-230 Crew Boss (Single Resource)**

Unit(s): 0.4 - 0.5 Class Hours: 3.00 Lecture, 5.00-21.00 Laboratory total.

Recommended Preparation: Fire Academy 080D and satisfactory completion of pre-course work. (To be submitted at the first class meeting); Note: Completing this course alone does not qualify students as Crew Boss. They will be required to complete a practical assignment and will not become a Crew Boss until qualified or "red carded" by an NWCG member agency or fire department.

Designed for personnel desiring to be qualified as an Engine Boss (ENGB). Training for the single resource boss position from initial dispatch through demobilization to the home unit. Topics include operational leadership, preparation and mobilization, assignment preparation, risk management, entrapment avoidance, safety and tactics, offline duties, demobilization, and post-incident responsibilities. Additional material fee(s) may be required by certifying agencies for course completion certificates. May not be offered every semester. Grade: Pass/No Pass Only.

Fire Officer Training 078A**S-130 Firefighter Training - Wildland**

Unit(s): 1.5 Class Hours: 29.00 Lecture, 3.00 Laboratory total.

Prerequisite: Fire Academy 080B with a minimum grade of P or successful completion of S-190, Introduction to Wildland Fire Behavior.

The intent of this course is to train new firefighters in basic firefighting skills. This includes a required field exercise that may be arduous in nature. S-190, Introduction to Wildland Fire Behavior is a prerequisite and must have been successfully completed prior to taking the S-130, Firefighter Training course. Grade: Pass/No Pass Only.

Fire Officer Training 078B
S-215L Urban Wildland Interface Firefighting

Unit(s): 0.7 Class Hours: 32.00 Lecture total.

S-215L Urban wildland interface firefighting is a course designed to teach fire crews the principles of backfire/burnout and the necessary firing techniques and related firing devices used to accomplish either of these suppression methods. Grade: Pass/No Pass Only.

Fire Officer Training 078D
ICS 223-10, Wildland Line EMT

Unit(s): 0.3 Class Hours: 18.00 Laboratory total.

Prerequisite: Current California State Certification as an EMT or NREMT
 Designed to train firefighters in preserving health and safety of suppression team members during wildland incidents and make available EMT-1 level care in the field. Grade: Pass/No Pass Only.

Fire Officer Training 079
S-404 Safety Officer

Unit(s): 0.5 Class Hours: 2.00 Lecture, 26.00 Laboratory total.

Recommended Preparation: Qualified as Division/Group Supervisor (DIVS).

Designed to train company/chief officers in the advanced wildland fire safety factors that will aid them in safe and effective control of wildland fires. Not offered every semester. Materials fees may be required.

Fire Officer Training 079B
S-231 Engine Boss

Unit(s): 0.3 Class Hours: 16.00 Laboratory total.

Prerequisite: S-230 certification and qualified as a Fire Fighter Type 1 (FFT1) as per OSFM

This is a skill course designed to produce student proficiency in the performance of the duties associated with engine boss, single resource (ENGB). Topics include engine and crew capabilities and limitations, information sources, fire sizeup considerations, tactics, and wildland/urban interface. Grade: Pass/No Pass Only.

Fire Officer Training 079C
AH-330 Strike Team/Task Force Leader -

Unit(s): 1.0 Class Hours: 22.00 Lecture, 10.00 Laboratory total.

Prerequisite: ICS-200B: Incident Command Initial Action Incidents ICS-200B: Incident Command Initial Action Incidents; and CICCIS Qualified Engine Boss, Heavy Equipment Boss, or Crew Boss for single resources.

This course is designed to provide the skills and knowledge needed to perform in the position of Strike Team/Task Force Leader. Topics include position overview; pre-deployment responsibilities; the concept of the position; resource typing standards; pre-dispatch preparation; incident responsibilities; administration; supervision; response; assignment; demobilization; tactics and safety; risk management; entrapment avoidance; WUI; case studies; scenarios; appropriate action vs. freelancing. Designed for: Strike Team/Task Force Leader, All Hazards (STEN/TFLD). Material fees may be required. Not offered every semester. (Same as FAC 079B) Grade: Pass/No Pass Only.

Fire Officer Training 080
Motion Picture/Television Safety Officer

Unit(s): 0.5 Class Hours: 24.00 Lecture total.

Course is designed to prepare Fire personnel in special effects, film production safety and stunt coordination, line producers, location managers and film commissioners.

Fire Officer Training 130A
Fire Inspector 1A: Duties and Administration

Unit(s): 1.5 Class Hours: 24.00 Lecture total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: FTC 104 FTC 104 Fire Prevention Technology and FTC 105 FTC 105 Building Construction and FTC 106 FTC 106 Fire Protection Equipment and Systems or equivalent as determined by the Dean of academy instruction. To be successful in this course, students should be able to understand and use professional terminology; Identify laws, codes, ordinances, and regulations as they relate to fire prevention; Understand code enforcement as it impacts life and property loss; Define laws, rules, regulations, and codes and identify those relevant to fire prevention; Define the functions of a fire prevention bureau; Describe the history and philosophy of fire prevention; Describe inspection practices and procedure; Understand theoretical concepts of how fire impacts major types of building construction; Describe building construction as it relates to firefighter safety, buildings codes, fire prevention, code inspection, firefighting strategy, and tactics; Differentiate between fire resistance, flame spread, and describe the testing procedures used to establish ratings for each; Classify occupancy designations of the building code; Analyze the hazards associated with the various types of building construction; Identify and describe various types and uses of fire protection system; Explain the benefits of fire protection systems in various types of structures; Describe residential and commercial sprinkler legislation.

This course provides students with a basic knowledge of the roles and responsibilities of a Fire Inspector I, including legal responsibilities and authority, codes and standards, the inspection process, confidentiality and privacy requirements, and ethical conduct, and administrative tasks including preparing inspection reports, recognizing the need for a permit or plan review, investigating common complaints, and participating in legal proceedings. CFSTES Certificate of Completion. Materials fee required. CSU

Fire Officer Training 130B
Fire Inspector 1B: Introduction to Fire And Life Safety

Unit(s): 1.5 Class Hours: 24.00 Lecture total.

Recommended Preparation: Completion with a grade of "C" or better or a Passing grade in: FOT 130A FOT 130A Fire Inspector 1A: Duties and Administration Prerequisite: Completion with a grade of "C" or better or a Passing grade in: FTC 104 FTC 104 Fire Prevention Technology and FTC 105 FTC 105 Building Construction for Fire Protection and FTC 106 FTC 106 Fire Protection Equipment and Systems or equivalent as determined by the Dean of academy instruction. To be successful in this course students must be able to: Describe the basic elements of a public water supply system as it relates to fire protection; Describe the basic elements of a public water supply system including sources, distribution networks, piping and hydrants; Understand theoretical concepts of how fire impacts major types of building construction; Describe building construction as it relates to firefighter safety, buildings codes, fire prevention, code inspection, firefighting strategy, and tactics; Differentiate between fire resistance, flame spread, and describe the testing procedures used to establish ratings for each; Classify occupancy designations of the building code; Describe inspection practices and procedures and Describe the history and philosophy of fire prevention..

This course will provide fire prevention professionals with the base level of knowledge necessary to inspect fire protection systems and special hazards.

CSU

Fire Officer Training 130C
Fire Inspector 1C: Field Inspection

Unit(s): 1.5 Class Hours: 24.00 Lecture total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: FTC 104 FTC 105 and FTC 106 or equivalent as determined by the Dean of academy instruction. To be successful in this course students must be able to: identify and describe various types and uses of fire protection systems; identify the different types and components of sprinkler, standpipe and foam systems; identify the different types of non-water based fire suppression systems; explain the basic components of a fire alarm system; describe the hazards of smoke and list the four factors that can influence smoke movement in a building; discuss the appropriate application of fire protection systems; explain the operation and appropriate application for the different types of portable fire protection systems; understand theoretical concepts of how fire impacts major types of building construction; describe building construction as it relates to firefighter safety, buildings codes, fire prevention, code inspection, firefighting strategy, and tactics; identify various classifications of building construction; identify laws, codes, ordinances, and regulations as they relate to fire prevention; define laws, rules, regulations, and codes and identify those relevant to fire prevention of the authority having jurisdiction; understand code enforcement as it impacts life and property loss and describe inspection practices and procedures.

Recommended Preparation: Completion with a grade of "C" or better or a Passing grade in: FOT 130B

This course provides students with a basic knowledge of field inspection roles and responsibilities of a Fire Inspector I including basic plan review, emergency access for an existing system, hazardous materials, and the operational readiness of fixed fire suppression systems, existing fire detection and alarm systems, and portable fire extinguishers. Designed for the entry level fire inspector. Meets partial requirements for CFSTES Fire Inspector Certification. Materials fee required. Not offered every semester. CSU

Fire Officer Training 130D
Fire Inspector 1D: Field Inspector

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

Prerequisite: Fire Technology 104, Fire Technology 105, and Fire Technology 106 with a minimum grade of C.

Recommended Preparation: Completion with a grade of "C" or better or a Passing grade in: FOT 130A

This course provides students with a basic knowledge of a Fire Inspector's field inspection roles and responsibilities specific to California including tents, canopies, and temporary membrane structures; fireworks and explosives; and wildland urban interface environments. Students receive a Certificate of Completion from the Office of the State Fire Marshal. Not offered every semester. Materials fee required. CSU

Fire Officer Training 136
Fire Inspector 2A: Fire Prevention Administration

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

Prerequisite: Fire Officer Training 130A, 130B, FOT 130C, and FOT 130D with a minimum grade of C.

This course provides students with a basic knowledge of the administrative requirements related to the roles and responsibilities of a Fire Inspector II including processing permit and plan review applications, enforcing permit regulations, investigating complex complaints, recommending modifications to codes and standards, recommending policies and procedures for inspection services, generating written appeals correspondence, initiating legal action, evaluating inspection reports, and proposing technical reference material acquisition. Additional material fee required for Ca State Fire Training certificate of completion. May not be offered every semester. CSU

Fire Officer Training 137
Fire Inspector 2B: Fire and Life Safety Requirements

Unit(s): 1.5 Class Hours: 24.00 Lecture total.

Corequisite: Concurrent enrollment in Fire Officer Training 136.

This course provides students with a basic knowledge of fire and life safety requirements related to the roles and responsibilities of a Fire Inspector II including occupancy classification, egress elements, emergency plans and procedures, occupant loads, building construction and fire growth potential. Materials fee required for State Fire Training (CFSTES) Certificate of Completion. Not offered every semester. CSU

Fire Officer Training 138
Fire Inspector 2C: Inspecting Fire & Life Safety Systems and Equip.

Unit(s): 1.0 Class Hours: 22.50 Lecture, 1.50 Laboratory total.

Prerequisite: Fire Officer Training 136 with a minimum grade of C.

This course provides students with a basic knowledge of inspection requirements related to the roles and responsibilities of a Fire Inspector II including inspection of life safety systems and building services equipment, fire protection systems, and emergency access criteria. Materials fees required for State Fire Training (CFSTES) Certificate of Completion. Not offered every semester. CSU

Fire Officer Training 139
Fire Inspector 2D: Hazardous Materials, Operations, and Processes

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Recommended Preparation: Completion with a grade of "C" or better or a Passing grade in: FOT 136 Fire Inspector 2A: Fire Prevention Administration. Students must bring documentation of prerequisite to the first class meeting: failure to comply will result in the student being dropped.

This course provides students with a basic knowledge of hazardous materials, operations, and processes related to the roles and responsibilities of a Fire Inspector II including hazardous conditions, flammable and combustible liquids and gases, and hazardous materials. Materials fee required for State Fire Training (CFSTES) Certificate of Completion. Not offered every semester. CSU

Fire Officer Training 150A
Company Officer 2A: Human Resource Management for Company Officers

Unit(s): 1.0 Class Hours: 16.00 Lecture, 24.00 Laboratory total.

Prerequisite: Fire Academy 060 with a minimum grade of C, or equivalent.

This course provides information on the use of human resources to accomplish assignments, evaluate member performance, supervise personnel, and integrate health and safety plans, policies, and procedures into daily activities as well as the emergency scene. This course is designed for aspiring company officers seeking CFSTES Fire Officer (Level I and II) certification. Materials fee required for State Fire Training Certificate. May not be offered every semester. This course is limited to 32 students. CSU

Fire Officer Training 150B**Company Officer 2B: General Administration Functions for Company Officers**

Unit(s): 0.5 Class Hours: 8.00 Lecture, 12.00 Laboratory total.

Prerequisite: Completion of a CA Regionally Accredited Fire Academy or a signed statement by the agency's Fire Chief or designee stating the sponsored student has completed all SFT training requirements and skills sheets for Firefighter-1 or equivalent.

This course provides information on general administrative functions and the implementation of department policies and procedures and addresses conveying the fire department's role, image, and mission to the public.

This course is designed for aspiring company officers seeking CFSTES Fire Officer (Level I and II) certification. Materials fee required for State Fire Training Certificate. May not be offered every semester. This course is limited to 32 students.

CSU

Fire Officer Training 150C**Company Officer 2C: Fire Inspections and Investigations**

Unit(s): 1.5 Class Hours: 25.00 Lecture, 15.00 Laboratory total.

Prerequisite: Completion of a CA Regionally Accredited Fire Academy or a signed statement by the agency's Fire Chief or designee stating the sponsored student has completed all SFT training requirements and skills sheets for Firefighter I or equivalent.

This course provides information on conducting inspections, identifying hazards and addressing violations, performing a fire investigation to determine preliminary cause and securing the incident scene and preserving evidence. Applies to State Fire Marshal Company Officer certification. Additional materials fee required for State Certificate Fee.

This class may not be offered every semester.

CSU

Fire Officer Training 150D**Company Officer 2D: All-Risk Command Operations for Company Officers**

Unit(s): 1.0 Class Hours: 17.00 Lecture, 23.00 Laboratory total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: Completion of a CSFM (California State Fire Marshal) accredited fire academy or completion of IFSAC (International Fire Service Accreditation Congress) accredited fire academy or completion of a Pro Board Fire Service Professional Qualifications System fire academy or a signed statement by the agency's fire chief or designee stating the sponsored student has completed all SFT training requirements and skills sheets for Firefighter-1 ICS 200 (online certificate). Recommended Preparation: Completion with a grade of "C" or better or a Passing grade in: Hazardous Material Incident Commander (as offered by the California Specialized Training Institute).

This course provides information on conducting incident size-up, developing and implementing an initial plan of action involving single and multi-unit operations for various types of emergency incidents to mitigate the situation following agency safety procedures, conducting pre-incident planning, and develop and conduct a post-incident analysis. Additional fees may be required for State Certificate(s). This class may not be offered every semester. Maximum class size: 32.

CSU

Fire Officer Training 150E**Company Officer 2E: Wildland Incident Operations for Company Officers**

Unit(s): 1.5 Class Hours: 24.00 Lecture, 16.00 Laboratory total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: FOT 150A and S-290 Intermediate Fire Behavior (classroom delivery only). Students must bring proof of course completion to first class meeting or they will be dropped from the course and completion of a CA Regionally Accredited Fire Academy or a signed statement by the agency's Fire Chief or designee stating the sponsored student has completed all SFT training requirements and skills sheets for Firefighter-1 or equivalent

This course provides information on evaluating and reporting incident conditions, analyzing incident needs, developing and implementing a plan of action to deploy incident resources completing all operations to suppress a wildland fire, establishing an incident command post, creating an incident action plan, and completing incident records and reports.

Applies to State Fire Marshal Company Officer certification. Additional materials fee required for State Certificate Fee. This class may not be offered every semester. Maximum class size: 32.

CSU

Fire Officer Training 205**Instructor I: Instructional Methodology**

Unit(s): 1.0 Class Hours: 14.50 Lecture, 25.50 Laboratory total.

Recommended Preparation: Completion of one of the following certificates is Recommended: Introduction to the Incident Command System (IS-100.B), FEMA or National Incident Management System (IS-700.A), FEMA

This course provides the skills and knowledge needed for the entry level professional instructor to perform his or her duties safely, effectively, and competently. The curriculum is based on the 2012 edition of NFPA 1041 Standard for Fire Service Instructor Professional Qualifications. At the end of this course, candidates for Instructor I certification will be able to teach and deliver instruction from a prepared lesson plan utilizing instructional aids and evaluation instruments. The Instructor I will also be able to adapt a lesson plan and complete the reporting requirements to the local jurisdiction. Designed for: Personnel preparing for a college level fire instructor, company officer, or State Fire Training (SFT) Certified Training Instructor position. Applies to CSFM certification for Instructor I. Additional course material fee is required for CSFM certificate. May not be offered every semester.

CSU

Fire Officer Training 206**Instructor II: Instructional Development**

Unit(s): 1.0 Class Hours: 16.00 Lecture, 24.00 Laboratory total.

Prerequisite: Fire Officer Training 205 with a minimum grade of C and Introduction to the Incident Command System (IS-100.b), FEMA OR National Incident Management System (IS-700.A).

This course provides the skills and knowledge needed for the intermediate level professional fire service instructor preparing for Instructor II certification. Participants will learn to develop lesson plans and evaluation instruments, teach and deliver instruction, and evaluate and coach other instructors. Additional materials fees may be required for State Fire Training Certificate. Not offered every semester.

CSU

Fire Officer Training 207**Instructor III: Instructional Program Management**

Unit(s): 1.0 Class Hours: 16.00 Lecture, 20.00 Laboratory total.

Prerequisite: Fire Officer Training 205 and Fire Officer Training 206 with a minimum grade of C.

This course provides information on planning, developing, and implementing comprehensive programs and curricula. Topics include instructional development, program management, program and instructor evaluation, and test reliability and validity. This course is designed for Fire Officers, Staff Officers, and other fire service managers with experience in fire-service training. There may be additional material fees. This course may not be offered every semester. Maximum class size: 24.
CSU

Fire Officer Training 210**Community Risk Educator**

Unit(s): 1.0 Class Hours: 18.00 Lecture, 6.00 Laboratory total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: Introduction to Incident Command System I-100 (Must bring certificate of completion to first class meeting) and National Incident Management System (NIMS): An Introduction 700 (must bring certificate of completion to first class meeting) and Instructor I: Instructor Methodology OR Training Instructor 1A Cognitive Lesson Delivery (must bring certificate of completion to first class meeting.) and Fire Prevention I: Fire & Safety Inspections Fire & Safety Inspections OR Fire Prevention 1A: Introduction to the California Fire Code Bridge OR Company Officer 2C: Fire Inspections and Investigation (Must bring certificate of completion to first class meeting) OR completion of FTC 104 Fire Prevention Technology with a minimum grade of C

This course provides the skills and knowledge needed for the Community Risk Educator to perform his/her duties safely, effectively, and competently by coordinating and delivering existing educational programs and information. Enrollment is limited to 30 students. CFSTES Certificate of Completion awarded. This course requires additional materials fees. This course may not be offered every semester. Maximum class size: 30.
CSU

Fire Officer Training 273A**Chief Fire Officer 3A: Human Resource Management for Chief Fire Officers**

Unit(s): 0.5 Class Hours: 13.00 Lecture, 13.00 Laboratory total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: Student must meet the educational requirements for Company Officer. Evidence of qualifications must be submitted to the Fire Technology Department prior to the first class meeting. Educational Requirements may be met with completion of: Company Officer 2A: HR Management AND Company Officer 2B: General Administrative Functions AND Company Officer 2C: Fire Inspections and Investigation AND Company Officer 2D: All-Risk Command Operations AND Company Officer 2E: Wildland Incident Operations or If completed prior to 12/31/2016: Fire Command 1A: Command Principles for Company Officers AND Fire Command 1B: Incident Management for Company Officers AND Fire Command 1C: I-Zone Fire Fighting for Company Officers AND Fire Instructor 1A: Instructional Techniques, Part 1 AND Fire Instructor 1B: Instructional Techniques, Part 2 AND Fire Investigation 1A: Fire Origin and Cause Determination AND Fire Management 1: Management/Supervision for the Company Officer AND Fire Prevention 1A: Introduction to the California Fire Code AND Fire Prevention 1B: Inspection of Fire Protection Systems and Special Hazards AND I-300: Intermediate ICS.

This course provides students with a basic knowledge of the human resources requirements related to the roles and responsibilities of a Chief Fire Officer. Topics include developing plans for providing employee accommodation, developing hiring procedures, establishing personnel assignments, describing methods of facilitating and encouraging professional development, developing an ongoing education training program, developing promotion procedures, developing proposals for improving employee benefits, and developing a measurable accident and injury prevention program. This course is designed for the certified Company Officer advancing to the Chief Fire Officer classification. This course is limited to 25 students. Additional materials fees may apply. Not offered every semester.

CSU

Fire Officer Training 273B**Chief Fire Officer 3B: Budget and Fiscal Responsibilities for Chief Fire Officers**

Unit(s): 0.5 Class Hours: 7.50 Lecture, 10.50 Laboratory total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: Student must meet the educational requirements for Company Officer. Evidence of qualifications must be submitted to the Fire Technology Department prior to the first class meeting. Educational Requirements may be met with completion of: Company Officer 2A: HR Management AND Company Officer 2B: General Administrative Functions AND Company Officer 2C: Fire Inspections and Investigation AND Company Officer 2D: All-Risk Command Operations AND Company Officer 2E: Wildland Incident Operations or If completed prior to 12/31/2016: Fire Command 1A: Command Principles for Company Officers AND Fire Command 1B: Incident Management for Company Officers AND Fire Command 1C: I-Zone Fire Fighting for Company Officers AND Fire Instructor 1A: Instructional Techniques, Part 1 AND Fire Instructor 1B: Instructional Techniques, Part 2 AND Fire Investigation 1A: Fire Origin and Cause Determination AND Fire Management 1: Management/Supervision for the Company Officer AND Fire Prevention 1A: Introduction to the California Fire Code AND Fire Prevention 1B: Inspection of Fire Protection Systems and Special Hazards AND I-300: Intermediate ICS.

This course provides students with a basic knowledge of the budgeting requirements related to the roles and responsibilities of a Chief Fire Officer including developing a budget management system, developing a division or departmental budget, and describing the process for ensuring competitive bidding. This class is designed for the certified Company Officer advancing to the Chief Fire Officer classification. May require additional materials fee. Class size is limited to 25. Not offered every semester.

CSU

Fire Officer Training 273C**Chief Fire Officer 3C: General Administration Functions**

Unit(s): 0.5 Class Hours: 11.00 Lecture, 13.00 Laboratory total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: Student must meet the educational requirements for Company Officer. Evidence of qualifications must be submitted to the Fire Technology Department prior to the first class meeting. Educational Requirements may be met with completion of: Company Officer 2A: HR Management AND Company Officer 2B: General Administrative Functions AND Company Officer 2C: Fire Inspections and Investigation AND Company Officer 2D: All-Risk Command Operations AND Company Officer 2E: Wildland Incident Operations or If completed prior to 12/31/2016: Fire Command 1A: Command Principles for Company Officers AND Fire Command 1B: Incident Management for Company Officers AND Fire Command 1C: I-Zone Fire Fighting for Company Officers AND Fire Instructor 1A: Instructional Techniques, Part 1 AND Fire Instructor 1B: Instructional Techniques, Part 2 AND Fire Investigation 1A: Fire Origin and Cause Determination AND Fire Management 1: Management/Supervision for the Company Officer AND Fire Prevention 1A: Introduction to the California Fire Code AND Fire Prevention 1B: Inspection of Fire Protection Systems and Special Hazards AND I-300: Intermediate ICS.

This course provides students with a basic knowledge of the administration requirements related to the roles and responsibilities of a Chief Fire Officer including directing a department record management system, analyzing and interpreting records and data, developing a model plan for continuous organizational improvement, developing a plan to facilitate approval, preparing community awareness programs, and evaluating the inspection program of the AHJ. Additional materials fees may be required. This course is limited to 25 students. Not offered every semester.

CSU

Fire Officer Training 273D**Chief Fire Officer 3D: Emergency Service Delivery Responsibilities for Chief Fire Officers**

Unit(s): 1.0 Class Hours: 18.00 Lecture, 22.00 Laboratory total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: Student must meet the educational requirements for Company Officer. Evidence of qualifications must be submitted to the Fire Technology Department prior to the first class meeting. Educational Requirements may be met with completion of: Company Officer 2A: HR Management AND Company Officer 2B: General Administrative Functions AND Company Officer 2C: Fire Inspections and Investigation AND Company Officer 2D: All-Risk Command Operations AND Company Officer 2E: Wildland Incident Operations or If completed prior to 12/31/2016: Fire Command 1A: Command Principles for Company Officers AND Fire Command 1B: Incident Management for Company Officers AND Fire Command 1C: I-Zone Fire Fighting for Company Officers AND Fire Instructor 1A: Instructional Techniques, Part 1 AND Fire Instructor 1B: Instructional Techniques, Part 2 AND Fire Investigation 1A: Fire Origin and Cause Determination AND Fire Management 1: Management/Supervision for the Company Officer AND Fire Prevention 1A: Introduction to the California Fire Code AND Fire Prevention 1B: Inspection of Fire Protection Systems and Special Hazards AND I-300: Intermediate ICS.

This course provides students with a basic knowledge of the emergency service requirements related to the roles and responsibilities of a Chief Fire Officer including developing a plan for the integration of fire services resources, developing an agency resource contingency plan, evaluating incident facilities, supervising multiple resources, developing and utilizing an incident action plan, obtaining incident information to facilitate transfer of command, developing and conducting a post-incident analysis, and maintaining incident records. This course is designed for the certified Company Officer advancing to the Chief Fire Officer classification. Additional materials fees may be required. This class limited to 25 students. May not be offered every semester.

CSU

Fire Officer Training 274A**Executive Chief Fire Officer 4A: Human Resource Management for Chief Fire Officers**

Unit(s): 1.0 Class Hours: 17.00 Lecture, 11.00 Laboratory total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: FOT 273A Chief Fire Officer 3A: Human Resource Management for Chief Fire Officers with a minimum grade of C and FOT 273B Chief Fire Officer 3B: Budget and Fiscal Responsibilities for Chief Fire Officers with a minimum grade of C and FOT 273C Chief Fire Officer 3C: General Administration Functions with a minimum grade of C and FOT 273D Chief Fire Officer 3D: Emergency Service Delivery Responsibilities for Chief Fire Officers with minimum grade of C

This course provides the skills and knowledge needed for the Executive Chief Fire Officer to perform his/her duties safely, effectively, and competently. The overarching themes of this curriculum are recruitment, selection, and placement of human resources; the development of a positive and participative member/management program; the establishment and evaluation of a list of education and in-service training goals; appraisal of a member assistance program; and the evaluation of an incentive program to determine if the desired results are achieved. Applies to State Fire Marshal Executive Chief Fire Officer certification. Additional materials fee required for State Certificate Fee. This class may not be offered every semester. Maximum class size: 24.

CSU

Fire Officer Training 274B**Executive Chief Fire Officer 4B: Community & Government Relations**

Unit(s): 0.3 Class Hours: 5.50 Lecture, 5.00 Laboratory total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: FOT 273A Chief Fire Officer 3A: Human Resource Management for Chief Fire Officers with a minimum of grade of C and FOT 273B Chief Fire Officer 3B: Budget and Fiscal Responsibilities for Chief Fire Officers with a minimum of grade of C and FOT 273C Chief Fire Officer 3C: General Administration Functions with a minimum of grade of C and FOT 273D Chief Fire Officer 3D: Emergency Service Delivery Responsibilities for Chief Fire Officers with a minimum of grade of C

This course provides the skills and knowledge needed for the Executive Chief Fire Officer to perform his/her duties safely, effectively, and competently. The overarching theme of this curriculum is assuming a leadership role in community events. Designed For: Executive Chief Fire Officer Candidate. There may be additional material fees. This course may not be offered every semester. Maximum class size: 24.

CSU

Fire Officer Training 274C**Executive Chief Fire Officer 4C: Administration**

Unit(s): 1.0 Class Hours: 20.50 Lecture, 10.00 Laboratory total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: FOT 273A Chief Fire Officer 3A: Human Resource Management for Chief Fire Officers with a minimum of grade of C and FOT 273B Chief Fire Officer 3B: Budget and Fiscal Responsibilities for Chief Fire Officers with a minimum of grade of C and FOT 273C Chief Fire Officer 3C: General Administration Functions with a minimum of grade of C and FOT 273D Chief Fire Officer 3D: Emergency Service Delivery Responsibilities for Chief Fire Officers with a minimum of grade of C

This course provides the skills and knowledge needed for the Executive Chief Fire Officer to perform his/her duties safely, effectively, and competently. The overarching themes of this curriculum are developing a comprehensive, long range plan; evaluating and projecting training requirements, facilities, and building needs; completing a written comprehensive risk, hazard, and value analysis; and developing a plan for a capital improvement project or program. Applies to State Fire Marshal Executive Chief Fire Officer certification. Additional materials fee required for State Certificate Fee. This class may not be offered every semester. Maximum class size: 24.

CSU

Fire Officer Training 274D**Executive Chief Fire Officer 4D: Emergency Services Delivery**

Unit(s): 1.5 Class Hours: 33.50 Lecture, 5.00 Laboratory total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: FOT 273A Chief Fire Officer 3A: Human Resource Management for Chief Fire Officers with a minimum of grade of C and FOT 273B Chief Fire Officer 3B: Budget and Fiscal Responsibilities for Chief Fire Officers with a minimum of grade of C and FOT 273C Chief Fire Officer 3C: General Administration Functions with a minimum of grade of C and FOT 273D Chief Fire Officer 3D: Emergency Service Delivery Responsibilities for Chief Fire Officers with a minimum of grade of C

This course provides the skills and knowledge needed for the Executive Chief Fire Officer to perform his/her duties safely, effectively, and competently. The overarching themes of this curriculum are developing a comprehensive disaster plan and a comprehensive plan for the organization to operate at a civil disturbance. Designed For: Executive Chief Fire Officer Candidate. There may be additional material fees. This class may not be offered every semester. Maximum class size: 24.

CSU

Fire Officer Training 274E**Executive Chief Fire Officer 4E: Health and Safety Course Plan**

Unit(s): 0.5 Class Hours: 9.50 Lecture, 5.00 Laboratory total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: FOT 273A Chief Fire Officer 3A: Human Resource Management for Chief Fire Officers with a minimum grade of C and FOT 273B Chief Fire Officer 3B: Budget and Fiscal Responsibilities for Chief Fire Officers with a minimum grade of C and FOT 273C Chief Fire Officer 3C: General Administration Functions with a minimum grade of C FOT 273D Chief Fire Officer 3D: Emergency Service Delivery Responsibilities for Chief Fire Officers with minimum grade of C

This course provides the skills and knowledge needed for the Executive Chief Fire Officer to perform his/her duties safely, effectively, and competently. The overarching theme of this curriculum is maintaining, developing, and providing leadership for a risk management program. Designed For: Executive Chief Fire Officer Candidate. Additional material fees may be required. This class may not be offered every semester. Maximum class size: 24.

CSU

FIRE PUBLIC SAFETY (FSA)**Fire Public Safety 002****California Ocean Lifeguard-Aquatic Rescue Response Skills**

Unit(s): 0.5 - 9.5 Class Hours: 9.00 Lecture, 16.00-486.00 Laboratory total.

Prerequisite: Faculty will determine the student's eligibility to register for the class based on the minimum qualifications required by the agency. This course provides ocean lifeguards the occupational education and training needed to maintain adequate levels of knowledge to continue to perform lifesaving tasks. In addition to maintaining the minimum standards necessary for their positions, students are provided drills and formal training needed to ensure high levels of performance. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Fire Public Safety 005**EMT Recertification**

Unit(s): 0.3 - 1.5 Class Hours: 6.00-24.00 Lecture total.

Prerequisite: Students must be in possession of a current EMT State certification or EMT National Registry certification.

Training and update for current EMTs. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Fire Public Safety 014**Rescue Operations- Refresher**

Unit(s): 0.5 - 1.0 Class Hours: 12.00 Lecture, 10.00-24.00 Laboratory total.

Prerequisite: Fire Academy 060 with minimum grade of C or equivalent. This course provides a review of the skills and knowledge needed for the professional fire fighter to perform his/her rescue duties safely, effectively, and competently. The curriculum is based on the 2013 edition of NFPA 1001 Standard for Fire Fighter Professional Qualifications. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Fire Public Safety 016A**CA Fire Service Administrative Requirements**

Unit(s): 0.5 - 1.0 Class Hours: 9.00-25.00 Lecture total.

Prerequisite: Fire Academy 060A, Fire Academy 060B, Fire Academy 060C with a minimum grade of C.

This course covers the duties and responsibilities of a Firefighter, departmental communications, ethical principles and prevention of sexual harassment. Content is based on the NFPA 1001 Standard for Firefighter Professional Qualifications and the California State requirements for government employees. There may be additional material fees. This course may not be offered every semester. NOTE: Requisite skills and knowledge learned in a basic fire academy will not be retaught. Grade: Pass/No Pass Only.

Fire Public Safety 017**Firefighter Refresher-Core Competencies**

Unit(s): 0.5 - 9.5 Class Hours: 9:00 - 9:00 Lecture, 0:00 - 500:00 Laboratory total.

Prerequisite: Fire Academy 060A, Fire Academy 060B, and Fire Academy 060C with a minimum grade of C or equivalent as approve by Fire Technology Department.

Students are provided the opportunity to apply and reinforce their knowledge, refresh their skills, and demonstrate continuing proficiency of their Job Performance Requirements as identified by the Office of the California State Fire Marshal and other certifying agencies. The focus is on mandated continuing education requirements for fire service personnel and the training needs of the jurisdiction. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Fire Public Safety 018**Firefighter Survival**

Unit(s): 0.4 Class Hours: 4.00 Lecture, 12.00 Laboratory total.

Recommended Preparation: Students must provide evidence of the following prior to participating in any skill or evolution: Access to approved personal protective equipment ; and students must show competency in the use of their SCBA prior to participating in any skill or evolution.

This course provides students with a greater understanding of the need for situational awareness, firefighter survival skills, and the technical survival skills to help firefighters avoid committing fatal errors on the fireground. Grade: Pass/No Pass Only.

Fire Public Safety 027**Wildland Fire Safety Training Refresher**

Unit(s): 0.2 - 1.0 Class Hours: 4.00 - 16.00 Lecture, 1:00 - 10:00 Laboratory total.

This course focuses on operations and decision-making issues related to fireline and all-hazard incident safety. Topics include entrapment avoidance, current issues, other hazard and safety issues, and fire shelter in order to prepare firefighters for the upcoming fire season. Grade: Pass/No Pass Only.

FIRE TECHNOLOGY (FTC)**Fire Technology 101 (C-ID FIRE 100 X)****Fire Protection Organization**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course provides an overview to fire protection and emergency services; career opportunities in fire protection and related fields; culture and history of emergency services; fire loss analysis; organization and function of public and private fire protection services; fire departments as part of local government; laws and regulations affecting the fire service; fire service nomenclature; specific fire protection functions; basic fire chemistry and physics; introduction to fire protection systems; introduction to fire strategy and tactics; life safety initiatives.
CSU

Fire Technology 102 (C-ID FIRE 140 X)**Fire Behavior and Combustion**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course explores the theories and fundamentals of how and why fires start, spread, and are controlled.
CSU

Fire Technology 103 (C-ID FIRE 150 X)**Principles of Fire and Emergency Services Safety and Survival**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course introduces the basic principles and history related to the national firefighter life safety initiatives, focusing on the need for cultural and behavior change throughout the emergency services.
CSU

Fire Technology 104 (C-ID FIRE 110 X)**Fire Prevention**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Fire Technology 101 and 102 with minimum grade of C.
This course provides fundamental knowledge relating to the field of fire prevention. Topics include: history and philosophy of fire prevention; community risk reduction; organization and operation of a fire prevention bureau; use and application of codes and standards; plan review; fire inspections; fire and life safety education; and fire investigation.
CSU

Fire Technology 105 (C-ID FIRE 130 X)**Building Construction for Fire Protection**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Fire Technology 101 and 102 with minimum grade of C.
This course provides the components of building construction related to firefighter and life safety. The elements of construction and design of structures are shown to be key factors when inspecting buildings, preplanning fire operations, and operating at emergencies.
CSU

Fire Technology 106 (C-ID FIRE 120 X)**Fire Protection Systems**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Fire Technology 101 and 102 with minimum grade of C.
This course provides information relating to the features of design and operation of fire alarm systems, water-based fire suppression systems, special hazard fire suppression systems, water supply for fire protection and portable fire extinguishers.
CSU

Fire Technology 121**Physical Fitness for Public Safety Personnel**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Co-Requisite: Concurrent enrollment in Fire Technology 121L.
This lecture class provides information on exercise physiology and nutrition as it relates to public safety personnel. Topics include the components of a fitness program such as metabolic fitness, muscular fitness, body composition and flexibility. Other topics include the FITT principle, specificity, and injury prevention and treatment.
CSU

Fire Technology 121L**Physical Fitness for Public Safety Personnel - Performance and Assessment**

Unit(s): 0.3 Class Hours: 16.00 Laboratory total.

Co-Requisite: Concurrent enrollment in Fire Technology 121.
Student will participate in physical fitness and fire-specific activities. Focus is on preparing individual fitness, health, and physical ability for job requirements. Students will be advised of the specific dates and times for the Lab/Physical Ability Practice sessions during first week of the semester at the lab orientation.
CSU

FRENCH (FREN)**French 101****Elementary French 1**

Unit(s): 5.0 Class Hours: 90.00 Lecture total.

A college level French course focusing on fundamentals of pronunciation and grammar, basic vocabulary (including common idioms), simple conversation and composition. Supplementary cultural readings. French 101 is equivalent to two years of high school French.
CSU/UC

French 102 **Elementary French II**

Unit(s): 5.0 Class Hours: 90.00 Lecture total.

Prerequisite: French 101 with a minimum grade of C or two years of high school French with a passing grade.

A college level French course focusing on further training in pronunciation and grammar, more extensive vocabulary development, conversation and composition. Supplementary cultural readings. French 102 is equivalent to the third year of high school French.

CSU/UC

French 201 **Intermediate French I**

Unit(s): 5.0 Class Hours: 90.00 Lecture total.

Prerequisite: French 102 with a minimum grade of C or three years of high school French with a passing grade.

A college level French class focusing on expansive review of usage and grammar; discussion in French of interpretive reading material; conversation and composition.

CSU/UC

French 201H **Honors Intermediate French I**

Unit(s): 5.0 Class Hours: 90.00 Lecture total.

Prerequisite: French 102 with a minimum grade of C or three years of high school French with a passing grade, and a high school or college GPA of 3.0 or above.

Enhanced and intensive exploration of French civilization, culture, and literature in a seminar setting. In-depth analysis of grammatical structures. Further use of argumentative oral strategies. Independent research by students to use and evaluate library and electronic information sources. Conversation and composition.

CSU/UC

French 202 **Intermediate French II**

Unit(s): 5.0 Class Hours: 90.00 Lecture total.

Prerequisite: French 201 with a minimum grade of C or four years of high school French with a passing grade.

A college level French class focusing on a specialized review of grammar and composition; and discussions in French of history and culture based on literary materials.

CSU/UC

French 202H **Honors Intermediate French II**

Unit(s): 5.0 Class Hours: 90.00 Lecture total.

Prerequisite: French 201 or French 201H with a minimum grade of C or four years of high school French with a passing grade, and a high school or college GPA of 3.0 or above.

Continuation of intensive exploration of French culture and literature in a seminar setting, review of specialized grammatical structures, and use of argumentative oral strategies. Continued development of conversation and composition. Independent research by students to use and evaluate library and electronic information sources.

CSU/UC

French 211 **Intermediate Conversation and Composition I**

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Prerequisite: French 102 with a minimum grade of C or equivalent, or three years of high school French with a passing grade.

Intermediate conversational techniques. A review of language structure through discussion, conversation, reading and composition. Discussions of French culture and civilization.

CSU/UC

French 214 **Intermediate Conversation and Composition II**

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Prerequisite: French 201 with a minimum grade of C or the equivalent, or four years of high school French, or concurrent enrollment in French 202.

Further development of conversational and composition skills through cultural and current events and readings. Vocabulary development and idiom usage in a cultural context.

CSU/UC

GEOGRAPHY AND THE ENVIRONMENT (GEOG)

Geography and the Environment 100 (C-ID GEOG 125) **World Regional Geography**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

The study of major world political and natural regions. Course study includes location of the regions on earth, the physical and cultural elements that lend the regions their identities, and ways in which these elements relate to the regions' inhabitants and economies.

CSU/UC

Geography and the Environment 100H (C-ID GEOG 125) **Honors World Regional Geography**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: A high school or college GPA of 3.0 or above.

Enriched and intensive study, including seminar approach with individual written and oral presentations of major world political and natural regions. Course study includes location of the regions on earth, the physical and cultural elements which provide the regions with their identities, and ways in which these elements relate to the regions' inhabitants and economies.

CSU/UC

Geography and the Environment 101 (C-ID GEOG 110) **Introduction to the Natural Environment**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Introduction to the physical elements of geography: maps, earth/sun relationships, meteorology and climatology, natural vegetation, soils, and geomorphology.

CSU/UC

Geography and the Environment 101L (C-ID GEOG 111) **Introduction to the Natural Environment Laboratory**

Unit(s): 1.0 Class Hours: 54.00 Laboratory total.

Corequisite: Concurrent enrollment in Geography 101.

Laboratory exercises and experiments designed to explore and understand the primary areas of physical geography. Exercises and applications related to map scales and projections, stereoscopic, topographic and aerial photo interpretation, meteorological tools and models and weather prognostication, geomorphologic models and processes, and landform interpretation.

CSU/UC

Geography and the Environment 102 (C-ID GEOG 120) **Cultural Geography**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An introductory survey of the geography of culture, and the influences of the physical environment on culture, along with the impact of human activity on the environment, and the role of culture within societies and social groups. The course includes global patterns of population, migration, religion, language, agriculture, politics, customs, resources, and urban and rural settlement.

CSU/UC

Geography and the Environment 130 (C-ID GEOG 130)
Introduction to Weather and Climate

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course examines weather and climate patterns of the earth from a geographic perspective including atmospheric structure and composition, solar radiation and energy balances, temperature, seasonal changes, atmospheric moisture, clouds and fog, precipitation, air pressure, winds, air masses and fronts, cyclonic and anticyclonic systems, weather forecasting, adiabatics, climate, and climate change.

CSU/UC

Geography and the Environment 140 (C-ID GEOG 140)
California Geography

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

A thematic approach to the state's issues, processes and topics relevant to the geography including climate, landforms, natural vegetation, water resources, cultural landscape, ethnic diversity, urban and agricultural regions, and the economy. This course explores the physical, and human landscapes that have evolved as a result of the human-environment interface.

CSU/UC

Geography and the Environment 155 (C-ID GEOG 155)
Introduction to Geographic Information Systems

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course introduces basic scientific principles of Geographic Information Systems (GIS) as they relate to working with data that have important spatial orientation and organization. Geometric and geographic concepts and theories are used to develop scientific methods for proper communication of the data and the solution of problems that have spatial relationships. Course covers basic concepts in mapping and orientation, the development of map scales and comparison of different coordinate systems and data error analysis.

CSU/UC

GEOLOGY (GEOL)

Geology 101 (C-ID GEOL 100)
Dynamic Earth: Introduction to Geology

Formerly: Introduction to Geology

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This introductory course that covers Earth materials and the processes that develop and modify the composition, structure, and features of the earth. Included is an overview of minerals, rocks, plate tectonics, volcanoes, earthquakes, geologic time, water resources, glaciation, desertification, structural geology, and energy and mineral resources. Students requiring lab experience should enroll in GEOL101L concurrently with GEOL101. Optional field trip offered.

CSU/UC

Geology 101L (C-ID GEOL 100L)
Dynamic Earth: Introduction to Geology Laboratory

Formerly: Introduction to Geology Laboratory

Unit(s): 1.0 Class Hours: 54.00 Laboratory total.

Corequisite: Concurrent enrollment or completion with a grade of "C" or better or a Passing grade in Geology 101.

This course is the laboratory component to Dynamic Earth: Introduction to Geology (GEOL101). The laboratory focuses on the identification of rocks and minerals and the interpretation of topographic and geologic maps illustrating the work of water, wind, ice and tectonics forces.

CSU/UC

Geology 112
Earthquakes

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

This introductory course offers an in-depth exploration of earthquakes, their causes, effects, and the impacts on society. Required, one-day field trip.

CSU

Geology 140 (C-ID GEOL 130)
Environmental Geology

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Introduction to environmental geology, the interaction between the Earth and mankind. Global study of geologic resources, resource management, geologic hazards, and waste remediation (Same as Environmental Studies 140).

CSU/UC

Geology 150
Introduction to Oceanography

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Introductory study of the ocean's topography, sediments, circulation, shoreline processes, biological productivity and mineral resources. Optional Field Trip. (Same as Earth Science 150).

CSU/UC

Geology 150H
Honors Introduction to Oceanography

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: A high School or college GPA of 3.0 or above.

An enriched and intensive study of the ocean's topography, sediments, circulation, shoreline processes, biological productivity, and mineral resources. Optional Field Trip. (Same as Earth Science 150H).

CSU/UC

Geology 162
Geologic Field Studies of the Mojave Desert

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

The geologic history including mountain building, volcanic activity, faulting, mineral resources and human history of the Mojave Desert region.

Mandatory orientation along with a two-day field trip.

CSU

Geology 164
Geologic Field Studies of the Eastern Sierra Nevada

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

The geologic history including mountain building, volcanic activity, glaciation, faulting, and mineral resources of the eastern Sierra Nevada from Red Rock Canyon to Mammoth Lakes. Mandatory orientation along with a five-day field trip.

CSU

Geology 168
Geologic Field Studies of the Owens Valley

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

A study of the volcanic, pluvial, and fault history as recorded in rocks from Red Rock Canyon to Owens Lake. Mandatory orientation along with a two-day field trip.

CSU

Geology 169
Geologic Field Studies of San Diego County

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

Field study of the geology, ecology and history of the peninsular ranges and the San Diego County coastline. Mandatory orientation along with a two-day field study. May be repeated.

CSU

Geology 170**Geologic Field Studies of the Anza-Borrego Desert State Park**

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

Field study of the geology, ecology, and history of the Anza-Borrego Desert State Park. Mandatory orientation along with a two-day field study.

CSU

Geology 171**Geologic Field Studies of Sequoia and Kings Canyon National Parks**

Unit(s): 1.0 Class Hours: 27.00 Lecture total.

A study of the geologic history, structure, and tectonics of the Sequoia and Kings Canyon areas. Mandatory orientation along with a three-day field study. Grade: Pass/No Pass Only.

CSU

Geology 172**Geologic Field Studies of the California Coast**

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

A study of the coastal rocks, fossils and faults, as well as coastal oceanographic processes from Malibu to Monterey. Mandatory orientation along with a five-day field study.

CSU

Geology 173**Geologic Field Studies of Death Valley**

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

The geologic history including mountain building, volcanic activity, faulting, mineral resources and human history of the Death Valley region. Mandatory orientation along with a two-day field trip.

CSU

Geology 174**Geologic Field Studies of Joshua Tree National Park**

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

The geologic history including mountain building, volcanic activity, faulting, mineral resources and human history of the Joshua Tree region. Mandatory orientation along with a two-day field trip.

CSU

Geology 201 (C-ID GEOL 111)**Introduction to Historical Geology**

Unit(s): 4.0 Class Hours: 54.00 Lecture, 54.00 Laboratory total.

Introductory geology course investigating the former landscapes and inhabitants of the Earth as preserved in the rock record with an emphasis on North America. Two optional one-day field trips.

CSU/UC

HISTORY (HIST)**History 101 (C-ID HIST 150)****World Civilizations to the 16th Century**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Examines the development of world civilizations and their interrelationships from the earliest beginnings to the sixteenth century. Emphasis on basic ideas, institutions, personalities, religious traditions, and artistic achievements.

CSU/UC

History 101H (C-ID HIST 150)**Honors World Civilizations to the 16th Century**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: A high school or college GPA of 3.0 or above.

An enriched approach designed for honors students that includes individual research as well as small group analysis of historical problems. Emphasis on the development of world civilizations and their interrelationships, basic ideas, institutions, personalities, and artistic achievements from the earliest beginnings to the sixteenth century.

CSU/UC

History 102 (C-ID HIST 160)**World Civilizations Since the 16th Century**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Broad historical study of world civilizations and their interrelationships from the 16th century to the present. Ideas, institutions, personalities, and artistic achievements which have contributed to present day society.

CSU/UC

History 102H (C-ID HIST 160)**Honors World Civilizations Since the 16th Century**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: A high school or college GPA of 3.0 or above.

An enriched approach designed for honors students with emphasis on individual research as well as small group analysis of historical problems. Broad historical study of world civilizations and their interrelationships from the 16th century to the present. Ideas, institutions, personalities, and artistic achievements which have contributed to present day society.

CSU/UC

History 105**Ancient Mesoamerican Civilization**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An archeological and ethnohistorical survey of the origin and development of pre-Columbian civilizations in ancient Mesoamerica from Paleo-Indian times to the Spanish conquest. (Same as Anthropology 105).

CSU/UC

History 118**Social and Cultural History of the United States**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Examines social and cultural traditions during major historical periods. Focuses on American attitudes and response to economic and technological changes, aesthetics, music, art, language, architecture, folklore, high and popular culture.

CSU/UC

History 120 (C-ID HIST 130)**The United States to 1877**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Examines major political, economic, intellectual, and social forces at home and abroad that shaped American life from the colonial period through Reconstruction.

CSU/UC

History 120H (C-ID HIST 130)**Honors The United States to 1877**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: A high school or college GPA of 3.0 or above.

Seminar-style, content-enriched course for Honors students that examines major political, economic, intellectual, and social forces at home and abroad shaping American life from the colonial period through Reconstruction.

CSU/UC

History 121 (C-ID HIST 140)
The United States Since 1865

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

A critical analysis of American history. Includes industrial and technological development, the changing nature of society, cultural developments, domestic politics, and America's expanded world role.
 CSU/UC

History 121H (C-ID HIST 140)
Honors The United States Since 1865

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: A high school or college GPA of 3.0 or above.

Seminar-style, content-enriched course for honors students exploring a critical analysis of American history including industrial and technological development, the changing nature of society, cultural patterns, domestic politics, artistic attainments, and America's expanded world role.
 CSU/UC

History 123
African American History to 1865

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Surveys the history of African Americans in the United States from their African origins through the Civil War. Emphasizes African American impact on U.S. economic and political life, and highlights the effect slavery had on selected American thinkers.
 CSU/UC

History 124
Mexican American History in the United States

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Survey of Mexican American history in the U.S. from the Pre-Columbian period to the present. Emphasis on Mexican American contributions to the political, social, economic, and cultural development of the U.S. Will also examine the relationship of Mexican Americans to other cultural groups.
 CSU/UC

History 124H
Honors Mexican American History in the United States

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: A high school or college GPA of 3.0 or above.

Enriched and intensive survey of Mexican American history in the U.S. from the Pre-Columbian period to the present. Utilizing a seminar approach, emphasis on Mexican American contributions to the political, social, economic, and cultural development of the U.S. Will also examine the relationship of Mexican Americans to other cultural groups.
 CSU/UC

History 125
Native Americans in the U.S.

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An historical and contemporary survey of Native Americans in the United States, including the development of tribes and nations, and the cultural practices of Native Americans today. Field trips may be required. (Same as Anthropology 125).
 CSU/UC

History 127
Women in U.S. History

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Women of European, African, Native, Hispanic, and Asian backgrounds examined in U.S. 1607-present. Emphasis on individuation, social status, family, reproduction, child care, slavery, jobs, and political activism. Legal impact and theories of patriarchal oppression raised.
 CSU/UC

History 133
History of California

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An examination of the major social, political, and economic developments that have shaped California history from the indigenous period to the present. Special attention is given to regional issues, ethnic or cultural groups, constitutional matters, cultural change, and California's connection with the Pacific Basin.
 CSU/UC

History 146
African American History From 1863 to The Present

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Survey of the history of African Americans in the United States from Reconstruction to the present. Focuses on the economic, political and social aspects of racism and the varied efforts to advance civil rights.
 CSU/UC

History 150
Latin American Civilization to Independence

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

A study of Latin American civilization from the Indian, African, and European origins to Independence. Topics include native cultures, Spanish and Portuguese colonialism, the evolution of regional societies, and intellectual trends.
 CSU/UC

History 151
Modern Latin American Civilization

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Latin American civilization in the nineteenth and twentieth centuries with a focus on the historical background of contemporary conditions and issues. Major and minor countries studied.
 CSU/UC

History 153
History of Mexico

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Mexican history from the pre-Columbian period to the present. Includes social, political, economic, and cultural growth of the Mexican nation. Emphasis on cultural and political development.
 CSU/UC

History 181
Survey of Chicana/Latina Women's History

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Survey of the historical roots of modern-day Chicana/Latina women. This course will discuss women in PreColumbian Mexico, colonial women in Mexico and the U.S. Southwest, as well as Mexican/Chicana/Latina women in the U.S. in the 19th, 20th, and 21st centuries. Women's experiences will be analyzed in a national/international context.
 CSU/UC

INFORMATION STUDIES (INFO)

Information Studies 100
Library Research Fundamentals

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

This course is designed to teach students basic college-level research skills for effective use of traditional and electronic library resources. Instruction includes print and non-print information sources such as reference books, scholarly material, online subscription databases, and the Internet.
 CSU/UC

Information Studies 103 Researching in the Digital Age

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

This course focuses on library research strategies for effectively locating and evaluating information on the Internet. Central topics are formulating search strategies, understanding how to form search expressions, evaluating information, and citing resources.

CSU

INTERDISCIPLINARY STUDIES (IDS)

Interdisciplinary Studies 121 Humanities Through the Arts

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An introduction to the humanities through a study of seven major art forms: film, drama, music, literature, painting, sculpture and architecture. Artistic works are considered from the perspectives of historical development, the elements used in the creation process, artistic form, and meaning expressed.

CSU/UC

Interdisciplinary Studies 155 Human Sexuality

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An interdisciplinary review of the biological, historical, social, and psychological influences on human sexuality across the lifespan. This course will more closely focus on the gender spectrum, anatomy, sexual orientations, attraction, love, reproduction, conception, contraception, sexually transmitted infections, sexual coercion, and overall sexual health.

CSU/UC

Interdisciplinary Studies 200 Introduction to Liberal Studies

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: English 101 or 101H with a minimum grade of C.

This survey course explores the historical foundations and interdisciplinary nature of Liberal Studies. Students will examine the nature, history, and intersections of prevailing ideas on a specific topic through the arts and humanities, social and political thought, and scientific inquiry. Readings will reflect gender and cultural diversity.

CSU/UC

ITALIAN (ITAL)

Italian 120 Elementary Italian I

Unit(s): 5.0 Class Hours: 90.00 Lecture total.

Pronunciation, grammar, speaking, reading, listening, writing, common idioms, and cultural insights. Italian 120 is equivalent to 2 years of high school Italian.

CSU/UC

Italian 121 Elementary Italian II

Unit(s): 5.0 Class Hours: 90.00 Lecture total.

Prerequisite: Italian 120 with a minimum grade of C or two years of High School Italian. All public four year institutions in California require Italian I or Italian 120, as a prerequisite of Italian 2, or Italian 121.

Mastery of pronunciation and basic grammatical structures. Further training in reading, writing, and speaking to promote fluent and idiomatic communication. Italian 121 is equivalent to the third year of high school Italian.

CSU/UC

JAPANESE (JAPN)

Japanese 101 Elementary Japanese I

Unit(s): 5.0 Class Hours: 90.00 Lecture total.

A college level Japanese course focusing on fundamentals of pronunciation and grammar, basic vocabulary (including common idioms), simple conversation, and composition. Supplementary cultural readings. Japanese 101 is equivalent to two years of high school Japanese.

CSU/UC

Japanese 102 Elementary Japanese II

Unit(s): 5.0 Class Hours: 90.00 Lecture total.

Prerequisite: Japanese 101 with a minimum grade of C or equivalent, or two years of high school Japanese with a passing grade.

A college level Japanese course focusing on further training in language skills, providing avenues for the expression of ideas in both oral and written forms. Additional study of culture. Japanese 102 is equivalent to the third year of high school Japanese.

CSU/UC

JOURNALISM AND MEDIA STUDIES (JAMS)

Journalism and Media Studies 102 Multimedia Storytelling

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Explores alternative story forms by combining text, still photographs, video clips, audio, graphics and interactivity to tell stories in the most compelling and informative way. Focuses on using a variety of media to tell different parts of a story for presentation in digital and online platforms.

CSU/UC

Journalism and Media Studies 103 (C-ID JOUR 170) Introduction to Visual Communications

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This multimedia course explores the social, cultural and historical implications of visual communications from Gutenberg's printing press to present day digital media. Using works of philosophical, historical and cultural importance students will analyze and debate the changes in the way visual communications affect society, and shape cultural values.

CSU/UC

Journalism and Media Studies 105 (C-ID JOUR 100) Mass Media and Society

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Exploration of mass communication and the interrelationships of media with society including history, structure and trends in a digital age. Examines major media forms, theories and effects in our information-conscious culture.

CSU/UC

Journalism and Media Studies 110 Introduction to Creative Nonfiction

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Prerequisite: English 101, or English 101H, or Communications & Media Studies 121, or Journalism and Media Studies 121 with a minimum grade of C.

Exploration of creative nonfiction writing concepts, and genres with focus on critically reading and analyzing respected works of literature ranging from biography and review to profiles and personal essays.

CSU/UC

Journalism and Media Studies 111
Media, Race and Gender

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This multimedia course is an overview of the social and cultural implications of mass media on race and gender from the 1920s to the present. Using works of philosophical and cultural importance, students will analyze and debate the changes in the faces of media with a particular focus on social class, gender, and ethnicity.

CSU/UC

Journalism and Media Studies 121 (C-ID JOUR 110)
Reporting and Writing the News Newswriting

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An introduction to evaluating, gathering, and writing news across multiple platforms under newsroom conditions. Includes role of the journalist in a multi-media environment and the legal and ethical issues related to reporting. Writing experiences include: web-based and multi-media reporting, interviewing techniques, research methods, application of media law, writing under deadline and use of AP Style.

CSU

Journalism and Media Studies 123A (C-ID JOUR 130)
Multimedia News Production

Unit(s): 4.0 Class Hours: 36.00 Lecture, 108.00 Laboratory total.

A production-based course designed around a functioning media organization, providing students practical training in print, digital, web-based and social media through work as members of the campus news magazine el Don, its website eldonnews.org and other el Don platforms. Students utilize a digital media laboratory to gain practical experience in a variety of disciplines, including writing, editing, design, photography, audio, visual, multimedia and emerging technologies. Arranged laboratory hours (TBA) 7 hours per week.

CSU

Journalism and Media Studies 123B (C-ID JOUR 131)
Intermediate Multimedia News Production

Unit(s): 4.0 Class Hours: 36.00 Lecture, 108.00 Laboratory total.

Prerequisite: Journalism and Media Studies 123A with a minimum grade of C.

An intermediate-level production-based course designed around a functioning media organization, providing students practical training in print, digital, web-based and social media reporting and publishing through work as members of the campus news magazine el Don, its website eldonnews.org and other el Don platforms. Students utilize a digital laboratory to gain practical experience in a variety of disciplines, including writing, editing, design, photography, audio, visual, multimedia and emerging technologies. Completion of JAMS 123A is required. Arranged laboratory hours (TBA) 7 hours per week.

CSU

Journalism and Media Studies 123C
Advanced Intermediate Multimedia News Production

Unit(s): 4.0 Class Hours: 36.00 Lecture, 108.00 Laboratory total.

Prerequisite: Journalism and Media Studies 123B with a minimum grade of C.

An advanced intermediate level production-based course designed around a functioning media organization, providing students training in print, digital, web-based and social media reporting and publishing through work as members of the campus news magazine el Don, its website eldonnews.org and other el Don platforms. Students utilize a digital laboratory to gain practical experience in a variety of disciplines, including writing, editing, design, photography, audio, visual, multimedia and emerging technologies. Completion of JAMS 123B is required. Arranged laboratory hours (TBA) 7 hours per week.

CSU

Journalism and Media Studies 123D
Advanced Multimedia News Production

Unit(s): 4.0 Class Hours: 36.00 Lecture, 108.00 Laboratory total.

Prerequisite: Journalism and Media Studies 123C with a minimum grade of C.

An advanced-level production-based course designed around a functioning media organization, providing students training in print, digital, web-based and social media reporting and publishing through work as members of the campus news magazine el Don, its website eldonnews.org and other el Don platforms. Students utilize a digital laboratory to gain practical experience in a variety of disciplines, including writing, editing, design, photography, audio, visual, multimedia, and emerging technologies. Completion of JAMS 123C required. Arranged laboratory hours (TBA) 7 per week.

CSU

Journalism and Media Studies 150
Introduction to Public Relations

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An exploration of the principles, history and development, and professional practice of modern public relations. Includes concepts of planning and executing effective communication strategies, including message design and distribution, for any organization.

CSU/UC

Journalism and Media Studies 160 (C-ID JOUR 160)
Introduction to Photojournalism

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Explores the photographer as a journalist, focusing on theory and practice in press and publications photography, with emphasis on using the camera as a reporting and communications tool. Stresses news, feature photography, and photographic essays, including composition, impact, and creativity, for newspapers, magazines, the internet, and other mass communications media.

CSU/UC

Journalism and Media Studies 201
Visual Reporting

Unit(s): 2.0 Class Hours: 36.00 Lecture, 18.00 Laboratory total.

This course stresses how to perceive and select visual images through work with a digital camera, a computer, and related digital media and graphics software. Students learn the application and manipulation of images in digital form by focusing on telling stories through pictures and informational graphics. Students serve as visual reporters for campus media.

CSU

Journalism and Media Studies 210 (C-ID JOUR 210)
Public Affairs Reporting

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Journalism and Media Studies 121 with a minimum grade of C.

This course is a continuation of Reporting and Writing News and focuses on coverage of public affairs reporting, including local and regional government, police, courts, school, and city boards. It includes both on- and off-campus reporting and writing, stressing news presentation for a variety of media purposes through multiple platforms.

CSU

Journalism and Media Studies 222**Writing Across Media**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: English 101/101H or Communications & Media Studies 121 or Journalism and Media Studies 121 with a minimum grade of C.

For writing students seeking a better understanding of and experience crafting non-fictional prose genres focusing on narrative storytelling techniques for web, multimedia and print. Emphasizes critical thinking and integration of writing skills across media formats.

CSU

KINESIOLOGY ACTIVITIES (KNAC)**Kinesiology Activities 098****Topics**

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Specialized activities courses on topics related to special needs of Kinesiology students.

Kinesiology Activities 107A**Beginning Badminton**

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

This course is designed to introduce students to a racket sport, the sport of badminton. Emphasis is placed on the proper technique of the basic skills required in badminton, rules, scoring, and safety. Instruction and practice will include the proper grip, under-hand serve, drives, clears, drops, and smashes. This course is offered as a half-unit or one-unit class and may not be repeated. A combination of Kinesiology Activities 107A, 107B, 107C, 160A, 169A, 169B and Kinesiology Adapted Activities 205A may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Activities 107B**Intermediate Badminton**

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Prerequisite: Kinesiology Activities 107A with a minimum grade of C.

This course is designed to review and solidify the basic techniques and rules associated with the game of badminton. Emphasis is placed on proper footwork and the technical aspects associated with the game. This course is offered as a half unit or one unit class and may not be repeated. A combination of Kinesiology Activities 107A, 107B, 107C, 160A, 169A, 169B and Kinesiology Adapted Activities 205A may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Activities 107C**Advanced Badminton**

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Prerequisite: Kinesiology Activities 107B with a minimum grade of C

This course is designed to review and solidify the proper footwork and intermediate techniques associated with the game of badminton. Emphasis is placed on tactical game awareness of both singles and doubles play. This course is offered as a half unit or one unit class and may not be repeated. A combination of Kinesiology Activities 107A, 107B, 107C, 160A, 169A, 169B and Kinesiology Adapted Activities 205A may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Activities 123**Personal Fitness Training**

Unit(s): 1.0 Class Hours: 27.00-54.00 Laboratory total.

Activity course designed to assist students in mastering effective lifestyles, and nutritional, cardiovascular, and resistance training techniques crucial for personal fitness and personal growth. Goal setting and motivation, time management, stress management, as well as development of an individual fitness routine and execution of that routine are the primary topics. A combination of Kinesiology Activities 123, Kinesiology Adapted Activities 208A, 208B, Kinesiology Aerobic Fitness 140A, 157A, Kinesiology Fitness 114A, 114B, 115A, 115B, and 115C may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Activities 140A**Beginning Karate**

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

This course is designed to offer instruction in the Japanese art of Karate for beginning level students. Basic movements such as stances, blocking, kicking and striking are taught. This course is offered as a half unit or one unit class and may not be repeated.

CSU/UC

Kinesiology Activities 150A**Beginning Hatha Yoga**

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

This course is designed as an introduction to the practice of Hatha Yoga. Emphasis will be placed on proper breathing techniques and learning basis yoga postures. These postures are designed to improve muscle tone and flexibility, as well as helping with breath control, relaxation, and unity of mind, body, and spirit. This course is offered as a half unit or one unit class and may not be repeated. A combination of Kinesiology Activities 150A, 170A, and Kinesiology Aerobic Fitness 150A may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Activities 155A**Beginning Self-Defense**

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Instruction in personal safety and self-protection including the effective use of hands, knees, elbows, feet, and the mind. Proficiency with everyday objects such as weapons and defense against common street weapons is also stressed. This course is offered as a half unit or one unit class and may not be repeated. A combination of Kinesiology Activities 140, 155A, Kinesiology Aerobic Fitness 156, 156A, and 156B may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Activities 160A**Beginning Tennis**

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Instruction and practice in the fundamental skills basic to the successful performance of tennis. These skills include grip and body mechanics involved with the forehand, backhand, serve, lob, smash, and net play. Etiquettes, court strategy, and rules will be covered in singles and doubles play. Tournament play will be introduced. This course is offered as a half unit or one unit class and may not be repeated. A combination of Kinesiology Activities 107A, 107B, 107C, 160A, 169A, 169B and Kinesiology Adapted Activities 205A may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Activities 169A Beginning Wrestling

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Fundamentals of wrestling skills and techniques. Take-downs, escape, analysis of opponents strengths and weaknesses will be considered. Student will master rules, regulations, and ethics of the activity. This course is offered as a half unit or one unit class and may not be repeated. A combination of Kinesiology Activities 107A, 107B, 107C, 160A, 169A, 169B and Kinesiology Adapted Activities 205A may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Activities 169B Intermediate Wrestling

Unit(s): 1.0 Class Hours: 27.00-54.00 Laboratory total.

Prerequisite: Kinesiology Activities 169A with a minimum grade of C. Intermediate wrestling skills and techniques. Appropriate conditioning for wrestling competitive is developed. Fundamental skills are reviewed then focus shifts toward developing proficient intermediate skills such as striking, kicking, blocking, and grappling. A combination of Kinesiology Activities 107A, 107B, 107C, 160A, 169A, 169B and Kinesiology Adapted Activities 205A may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Activities 170A Beginning Yoga

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

This course is designed to increase flexibility and core muscle strength as a way of improving and enhancing physical and mental alertness through beginning yoga postures. Emphasis will be placed on mind body preparation and the proper technique necessary to perform these postures. This course is offered as a half unit or one unit class and may not be repeated. A combination of Kinesiology Activities 150A, 170A, and Kinesiology Aerobic Fitness 150A may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Activities 200A Beginning Intramural-Basketball

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

This class is designed to introduce/better acquaint students to the game of basketball. Emphasis is placed on rules, techniques, safety, and improving performance. This course is offered as a half unit or one unit class and may not be repeated. A combination of Kinesiology Activities 200A, 200B, 200C, 211A, 211B, 220A, 220B, 220C, 226A, 230A, 260A, 260B, 260C, 265A, 265B, 265C, 270A, 290A, and 290B may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Activities 200B Intermediate Intramural Sports- Basketball

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Prerequisite: Kinesiology Activities 200A with a minimum grade of C. This class is designed to provide students with an opportunity to participate and compete against classmates in the sport of basketball. Instruction focuses on improving performance in all aspects of the game of basketball: defense, offense, strategies, and special situations. This course is offered as a half unit or one unit class and may not be repeated. A combination of Kinesiology Activities 200A, 200B, 200C, 211A, 211B, 220A, 220B, 220C, 226A, 230A, 260A, 260B, 260C, 265A, 265B, 265C, 270A, 290A, and 290B may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Activities 200C Advanced Intramural Basketball

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Prerequisite: Kinesiology Activities 200B with a minimum grade of C. This class is designed to provide students with an opportunity to participate and compete against classmates in the sport of basketball. Instruction focuses on improving performance in all aspects of the game of basketball: advanced defense, advanced offense, advanced strategies, and special situations associated with the game of basketball. This course is offered as a half unit or one unit class and may not be repeated. A combination of Kinesiology Activities 200A, 200B, 200C, 211A, 211B, 220A, 220B, 220C, 226A, 230A, 260A, 260B, 260C, 265A, 265B, 265C, 270A, 290A, and 290B may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Activities 211A Beginning Baseball

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Beginning fundamentals of fielding, throwing and hitting. Includes play situations with an emphasis on team offensive and defensive strategy. This course is offered as a half-unit or one-unit class and may not be repeated. A combination of Kinesiology Activities 200A, 200B, 200C, 211A, 211B, 220A, 220B, 220C, 226A, 230A, 260A, 260B, 260C, 265A, 265B, 265C, 270A, 290A, and 290B may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Activities 211B Intermediate Baseball

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Prerequisite: Kinesiology Activities 211A with a minimum grade of C. Intermediate fundamentals designed to help prepare the student for baseball competition. Students will learn offensive skills, defensive skills, and communication under competitive game conditions. This course is offered as a half-unit or one-unit class and may not be repeated. A combination of Kinesiology Activities 200A, 200B, 200C, 211A, 211B, 220A, 220B, 220C, 226A, 230A, 260A, 260B, 260C, 265A, 265B, 265C, 270A, 290A, and 290B may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Activities 220A Beginning Basketball

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Co-educational team sport activity which provides basic skills and techniques are refined at the beginner level. Rules, game strategies, and competitive activities are included. This course will be offered as a half-unit or one-unit course and may not be repeated. A combination of Kinesiology Activities 200A, 200B, 200C, 211A, 211B, 220A, 220B, 220C, 226A, 230A, 260A, 260B, 260C, 265A, 265B, 265C, 270A, 290A, and 290B may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Activities 220B Intermediate Basketball

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Prerequisite: Kinesiology Activities 220A with a minimum grade of C. Co-educational team sport activity which provides intermediate instruction in the techniques, tactics and strategies associated with competitive basketball. Special emphasis placed on individual drills and skills such as catching, dribbling, passing, shooting, offensive and defensive strategies are utilized as well as competitive play situations. This course will be offered as a half-unit or one-unit class and may not be repeated. A combination of Kinesiology Activities 200A, 200B, 200C, 211A, 211B, 220A, 220B, 220C, 226A, 230A, 260A, 260B, 260C, 265A, 265B, 265C, 270A, 290A, and 290B may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Activities 220C**Advanced Basketball**

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Prerequisite: Kinesiology Activities 220B with a minimum grade of C.

Co-educational team sport activity for students with advanced skills.

Review of basic fundamental skills and emphasis on advanced development of skills and strategies associated with competitive basketball. This course will be offered as a half-unit or one-unit class and may not be repeated. A combination of Kinesiology Activities 200A, 200B, 200C, 211A, 211B, 220A, 220B, 220C, 226A, 230A, 260A, 260B, 260C, 265A, 265B, 265C, 270A, 290A, and 290B may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Activities 226A**Beginning Water Polo**

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Recommended Preparation: Students must be able to swim and be comfortable exercising in deep water.

Instruction and experience in the fundamentals and strategies of water polo. This course is offered as a half unit or one unit class and may not be repeated. A combination of Kinesiology Activities 200A, 200B, 200C, 211A, 211B, 220A, 220B, 220C, 226A, 230A, 260A, 260B, 260C, 265A, 265B, 265C, 270A, 290A, and 290B may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Activities 230A**Beginning Flag Football**

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

This is a physical activity course designed to provide instruction and practice in the basic skills, techniques, fundamentals, strategies, and rules of the game of flag football. These activities are based on a beginning level. This course will be offered as a half-unit or one-unit class and may not be repeated. A combination of Kinesiology Activities 200A, 200B, 200C, 211A, 211B, 220A, 220B, 220C, 226A, 230A, 260A, 260B, 260C, 265A, 265B, 265C, 270A, 290A, and 290B may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Activities 260A**Beginning Soccer**

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

This course is an introduction to the beginning skills and rules associated with the sport of soccer. Emphasis will be placed on the proper technique used for these beginning skills as well as FIFA Laws of the Game. This course is offered as a half unit or one unit class and may not be repeated. A combination of Kinesiology Activities 200A, 200B, 200C, 211A, 211B, 220A, 220B, 220C, 226A, 230A, 260A, 260B, 260C, 265A, 265B, 265C, 270A, 290A, and 290B may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Activities 260B**Intermediate Soccer**

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Prerequisite: Kinesiology Activities 260A with a minimum grade of C.

This course is designed to review and solidify the proper techniques associated with outdoor soccer and FIFA Laws of the Game. The intermediate skills necessary as well as the tactical aspects of the game will be introduced. Emphasis will be placed on improving the students technical abilities and tactical team formations used in the game of soccer. This course is offered as a half unit or one unit class and may not be repeated. A combination of Kinesiology Activities 200A, 200B, 200C, 211A, 211B, 220A, 220B, 220C, 226A, 230A, 260A, 260B, 260C, 265A, 265B, 265C, 270A, 290A, and 290B may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Activities 260C**Advanced Soccer**

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Prerequisite: Kinesiology Activities 260B with a minimum grade of C.

This course is designed to review and solidify the proper techniques associated with intermediate level outdoor soccer as well as the tactical aspects that were introduced. Emphasis will be placed on complete technical and tactical match preparedness and awareness. This course is offered as a half unit or one unit class and may not be repeated. A combination of Kinesiology Activities 200A, 200B, 200C, 211A, 211B, 220A, 220B, 220C, 226A, 230A, 260A, 260B, 260C, 265A, 265B, 265C, 270A, 290A, and 290B may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Activities 265A**Beginning Indoor Soccer**

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

This course is an introduction to the beginning skills and rules associated with the sport of indoor soccer. Emphasis will be placed on the proper technique used for these beginning skills as well as the rules of the game. This course is offered as a half unit or one unit class and may not be repeated. A combination of Kinesiology Activities 200A, 200B, 200C, 211A, 211B, 220A, 220B, 220C, 226A, 230A, 260A, 260B, 260C, 265A, 265B, 265C, 270A, 290A, and 290B may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Activities 265B**Intermediate Indoor Soccer**

Formerly: Indoor Soccer-Intermediate/Advanced

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Prerequisite: Kinesiology Activities 265A with a minimum grade of C.

This course is designed to review and solidify the proper techniques and rules associated with the game of soccer (indoor). The intermediate skills necessary as well as the tactical aspects of the game will be introduced. Emphasis will be placed on improving the students technical abilities and tactical team formations used in the game of soccer (indoor). This course is offered as a half unit or one unit class and may not be repeated. A combination of Kinesiology Activities 200A, 200B, 200C, 211A, 211B, 220A, 220B, 220C, 226A, 230A, 260A, 260B, 260C, 265A, 265B, 265C, 270A, 290A, and 290B may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Activities 265C Advanced Indoor Soccer

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Prerequisite: Kinesiology Activities 265B with a minimum grade of C.
This course is designed to review and solidify the proper techniques associated with intermediate level indoor soccer as well as the tactical aspects that were introduced. Emphasis will be placed on complete technical and tactical match preparedness and awareness. This course is offered as a half unit or one unit class and may not be repeated. A combination of Kinesiology Activities 200A, 200B, 200C, 211A, 211B, 220A, 220B, 220C, 226A, 230A, 260A, 260B, 260C, 265A, 265B, 265C, 270A, 290A, and 290B may be taken a maximum of four enrollments.
CSU/UC

Kinesiology Activities 270A Beginning Softball

Unit(s): 0.5 - 1.0 Class Hours: 27:00 - 54:00 Laboratory total.

Fundamentals of fielding, throwing, hitting, and base running. Includes play situations and an emphasis on team offensive and defensive strategy. This course will be offered as a half-unit or one-unit class and may not be repeated. A combination of Kinesiology Activities 200A, 200B, 200C, 211A, 211B, 220A, 220B, 220C, 226A, 230A, 260A, 260B, 260C, 265A, 265B, 265C, 270A, 290A, and 290B may be taken a maximum of four enrollments.
CSU/UC

Kinesiology Activities 290A Beginning Volleyball

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Instruction and practice in fundamental skills techniques, strategies, basic rules, team offense and defense, and team concepts of Volleyball. This course is offered as a half-unit or one-unit class and may not be repeated. A combination of Kinesiology Activities 200A, 200B, 200C, 211A, 211B, 220A, 220B, 220C, 226A, 230A, 260A, 260B, 260C, 265A, 265B, 265C, 270A, 290A, and 290B may be taken a maximum of four enrollments.
CSU/UC

Kinesiology Activities 290B Intermediate Volleyball

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Recommended Preparation: Kinesiology Activities 290A with minimum a grade of C.
An intermediate volleyball activities course. Emphasis will be placed on intermediate technical skill development, offensive and defensive systems analysis, and sport specific physical fitness assessment and conditioning activities. This course will be offered as a half-unit or one-unit class and may not be repeated. A combination of Kinesiology Activities 200A, 200B, 200C, 211A, 211B, 220A, 220B, 220C, 226A, 230A, 260A, 260B, 260C, 265A, 265B, 265C, 270A, 290A, and 290B may be taken a maximum of four enrollments.
CSU/UC

KINESIOLOGY ADAPTED ACTIVITIES (KNAD)

Kinesiology Adapted Activities 098 Topics

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Adapted Kinesiology Medical Release Form required.
Specialized courses on topics related to the special needs of students with disabilities and chronic conditions as related to health and fitness. Not offered every semester. Grade: Pass/No Pass Only.

Kinesiology Adapted Activities 198 Topics

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Corequisite: Adapted Kinesiology Medical Release Form required.
Specialized courses on topics related to the special needs of students with disabilities and chronic conditions as related to health and fitness. Not offered every semester. Grade: Pass/No Pass Only.
CSU

Kinesiology Adapted Activities 201A Beginning Adapted Swimming

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Corequisite: Adapted Kinesiology Medical Release Form required.
The class is designed for students with disabilities and chronic conditions to experience the benefits of swimming. Individualized exercise programs are designed to teach students adaptive strategies and beginning level techniques for pool entry/exit, breathing, and swim strokes to meet their individual needs. This course is offered as a half-unit or one-unit class and may not be repeated. A combination of Kinesiology Adapted Activities 201A, 211A, 211B, Kinesiology Aquatics 201A, and 201B may be taken a maximum of four enrollments.
CSU/UC

Kinesiology Adapted Activities 202A Beginning Adapted Circuit Training

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Corequisite: Adapted Kinesiology Medical Release Form required.
This class is designed for students with disabilities and chronic conditions to experience the benefits of circuit training. Individualized exercise programs are designed to teach students adaptive strategies and beginning level techniques to meet their individual needs. This course is offered as a half-unit or one-unit class and may not be repeated. A combination of Kinesiology Adapted Activities 202A, 202B, Kinesiology Fitness 112A, 112B, and 112C may be taken a maximum of four enrollments.
CSU/UC

Kinesiology Adapted Activities 202B Intermediate Adapted Circuit Training

Unit(s): 0.5 - 1.0 Class Hours: 27:00 - 54:00 Laboratory total.

Prerequisite: Kinesiology Adapted Activities 202A with a minimum grade of C and Adapted Kinesiology Medical Release Form required.
Corequisite: Concurrent enrollment in: Adapted Kinesiology Medical Release required.
The class is designed for students with disabilities and chronic conditions to increase their knowledge and skills competence in circuit training. Individualized exercise programs are designed to teach students adaptive strategies and intermediate level techniques to meet their individual needs. This course is offered as a half-unit or one-unit class and may not be repeated. A combination of Kinesiology Adapted Activities 202A, 202B, Kinesiology Fitness 112A, 112B, and 112C may be taken a maximum of four enrollments.
CSU/UC

Kinesiology Adapted Activities 205A Beginning Adapted Badminton

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Corequisite: Adapted Kinesiology Medical Release Form required.
This course is designed for students with disabilities and chronic conditions to introduce the fundamentals of badminton play. Striking skills, rallying, teamwork, rules, and court strategy are presented to meet the developmental needs of each student. This course is offered as a half-unit or one-unit class and may not be repeated. A combination of Kinesiology Activities 107A, 107B, 107C, 160A, 169A, 169B and Kinesiology Adapted Activities 205A may be taken a maximum of four enrollments.
CSU/UC

Kinesiology Adapted Activities 208A Beginning Adapted Aerobic Fitness

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Corequisite: Adapted Kinesiology Medical Release Form required.

The class is designed for students with disabilities and chronic conditions to develop knowledge and skills for improving cardiovascular fitness. Various aerobic and stretching exercises are performed to music. Exercise programs are designed to teach students adaptive strategies and beginning level techniques to meet their individual needs. This course is offered as a half-unit or one-unit class and may not be repeated. A combination of Kinesiology Activities 123, Kinesiology Adapted Activities 208A, 208B, Kinesiology Aerobic Fitness 140A, 157A, Kinesiology Fitness 114A, 114B, 115A, 115B, and 115C may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Adapted Activities 208B Intermediate Adapted Aerobic Fitness

Unit(s): 0.5 - 1.0 Class Hours: 27:00 - 54:00 Laboratory total.

Prerequisite: Kinesiology Adapted Activities 208A with a minimum grade of C and Adapted Kinesiology Medical Release Form required.

Corequisite: Concurrent enrollment in: Adapted Kinesiology Medical Release required.

The class is designed for students with disabilities and chronic conditions to increase knowledge and skills competence in activities that improve cardiovascular fitness. Various aerobic and stretching exercises are performed to music. Exercise programs are designed to teach students adaptive strategies and intermediate level techniques to meet their individual needs. This course is offered as a half-unit or one-unit class and may not be repeated. A combination of Kinesiology Activities 123, Kinesiology Adapted Activities 208A, 208B, Kinesiology Aerobic Fitness 140A, 157A, Kinesiology Fitness 114A, 114B, 115A, 115B, and 115C may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Adapted Activities 211A Beginning Adapted Aquatics

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Corequisite: Adapted Kinesiology Medical Release Form required.

The class is designed for students with disabilities and chronic conditions to experience the benefits of aquatic activities. In a group exercise setting, students are taught adaptive strategies and beginning level techniques for cardiovascular, balance, resistance, and core training. No swimming skills required. This course is offered as a half-unit or one-unit class and may not be repeated. A combination of Kinesiology Adapted Activities 201A, 211A, 211B, Kinesiology Aquatics 201A, and 201B may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Adapted Activities 211B Intermediate Adapted Aquatics

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Prerequisite: Kinesiology Adapted Activities 211A with a minimum grade of C and Adapted Kinesiology Medical Release Form required.

Corequisite: Concurrent enrollment in: Adapted Kinesiology Medical Release required.

This class is designed for students with disabilities and chronic conditions to increase their knowledge and skills competence in aquatic activities. In a group exercise setting, students are taught adaptive strategies and intermediate level techniques for cardiovascular, balance, resistance, and core training. No swimming skills required. This course is offered as a half-unit or one-unit class and may not be repeated. A combination of Kinesiology Adapted Activities 201A, 211A, 211B, Kinesiology Aquatics 201A, and 201B may be taken a maximum of four enrollments.

CSU/UC

KINESIOLOGY AEROBIC FITNESS (KNAF)

Kinesiology Aerobic Fitness 098

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Specialized aerobic fitness courses related to the needs of Kinesiology students.

Kinesiology Aerobic Fitness 140A Beginning Walking/Jogging for Fitness

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

This course will emphasize cardiovascular walking/jogging for health and fitness for men and women who are interested in instruction and practice in cardiovascular conditioning. The walking/jogging class is designed to decrease the risk of coronary heart disorders by increasing heart efficiency, vital lung capacity, and the knowledge of each through aerobic and anaerobic conditioning. This course is offered as a half unit or one unit class and may not be repeated. A combination of Kinesiology Activities 123, Kinesiology Adapted Activities 208A, 208B, Kinesiology Aerobic Fitness 140A, 157A, Kinesiology Fitness 114A, 114B, 115A, 115B, and 115C may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Aerobic Fitness 143A Boot Camp Workout

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Instruction in overall fitness development. The program develops overall fitness and challenges students to perform aerobic, anaerobic, strength, plyometric and agility exercises to their individual highest level. It uses a variety of environments (i.e. beach, strength lab, track, field, etc). This course is offered as a half unit or one unit class and may not be repeated. A combination of KNAF 143A may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Aerobic Fitness 144A Beginning Cross Training

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

This class will be comprised of aerobic workouts designed to introduce the student to the concept of cross training and trying different work-outs. The class will be divided into sections including walk/jog, step training, cardio boxing, weight training, and flexibility work-outs. This course is offered as a half unit or one unit class and may not be repeated. A combination of Kinesiology Aerobic Fitness 144A, Kinesiology Fitness 147A and 147B may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Aerobic Fitness 146A Beginning Stability Ball

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

A core training and strengthening workout using stability balls and free weights (dumbbells) to build core strength and functional fitness. Designed to tone the entire body with special emphasis on progressively improving posture, balance, flexibility, core strength and coordination. This course will be offered as a half-unit or one-unit class and may not be repeated.

CSU/UC

Kinesiology Aerobic Fitness 146B Intermediate Stability Ball Training

Unit(s): 1.0 Class Hours: 54.00 Laboratory total.

Prerequisite: Kinesiology Aerobic Fitness 146A with a minimum grade of C

An intermediate core training and strengthening workout using stability balls and free weights (dumbbells) to build core strength and functional fitness. Designed to tone the entire body with special emphasis on progressively improving posture, balance, flexibility, core strength and coordination. This course is offered as a half-unit or one-unit class and may not be repeated.

CSU/UC

Kinesiology Aerobic Fitness 150A Beginning Stretch, Flex and Tone

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

A combination of stretching and toning exercises to increase strength, flexibility, and overall body fitness. This course is offered as a half unit or one unit class and may not be repeated. A combination of Kinesiology Activities 150A, 170A, and Kinesiology Aerobic Fitness 150A may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Aerobic Fitness 156A Beginning Cardio Kickboxing

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

A series of boxing and kickboxing exercises are arranged to music, gradually increasing in tempo with a greater emphasis on a non-stop 25-30 minute program. Kicks, punches, calisthenics, and rope jumping are combined to elevate heart rate and strengthen all major muscle groups. Students will learn to apply these self-defense techniques on kick pads and focus mitts to improve accuracy and provide resistance for the muscles. This course is offered as a half unit or one unit class and may not be repeated. A combination of Kinesiology Activities 140, 155A, Kinesiology Aerobic Fitness 156, 156A, and 156B may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Aerobic Fitness 156B Intermediate Cardio Kickboxing

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Prerequisite: Kinesiology Aerobic Fitness 156A with a minimum grade of C

A series of boxing and kickboxing exercises are arranged to music, gradually increasing in tempo with a greater emphasis on a non-stop 25-30 minute program. This class is designed to increase competence in kicking and punching, calisthenics, and rope jumping in various combinations to improve fitness. Students will further develop intermediate level self-defense techniques on kick pads and focus mitts to improve accuracy and provide resistance for the muscles. This course is offered as a half unit or one unit class and may not be repeated. A combination of Kinesiology Activities 140, 155A, Kinesiology Aerobic Fitness 156, 156A, and 156B may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Aerobic Fitness 157A Beginning Cardio Pump

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Instruction in overall fitness development. This class is designed to incorporate weight lifting into a cardiovascular routine. It develops strength and endurance of all major muscle groups using routines performed to music. This course is offered as a half unit or one unit class and may not be repeated. A combination of Kinesiology Activities 123, Kinesiology Adapted Activities 208A, 208B, Kinesiology Aerobic Fitness 140A, 157A, Kinesiology Fitness 114A, 114B, 115A, 115B, and 115C may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Aerobic Fitness 198

Topics

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Specialized aerobic fitness courses on topics related to the needs of Kinesiology students. Grade: Pass/No Pass Only.

CSU

KINESIOLOGY AQUATICS (KNAQ)

Kinesiology Aquatics 098

Topics

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Specialized aquatics courses on topics related to special needs of Kinesiology students. Grade: Pass/No Pass Only.

Kinesiology Aquatics 198

Topics

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Specialized aquatics course on topics related to the needs of Kinesiology students.

CSU

Kinesiology Aquatics 201A

Beginning Swimming

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Instruction and experience in the basic stroke techniques and safety procedures of swimming. This course is offered as a half unit or one unit class and may not be repeated. A combination of Kinesiology Adapted Activities 201A, 211A, 211B, Kinesiology Aquatics 201A, and 201B may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Aquatics 201B

Lap Swimming

Formerly: Kinesiology Aquatics 201B, Intermediate Swimming

Unit(s): 0.5 - 1.0 Class Hours: 27:00 - 54:00 Laboratory total.

Recommended Preparation: Prior experience with basic swim strokes, turns, and treading water.

Individualized swimming program designed to improve swimming techniques and cardiovascular fitness. Emphasis on endurance training. This course is offered as a half unit or one unit class and may not be repeated. A combination of Kinesiology Adapted Activities 201A, 211A, 211B, Kinesiology Aquatics 201A, and 201B may be taken a maximum of four enrollments.

CSU/UC

KINESIOLOGY FITNESS (KNFI)

Kinesiology Fitness 098

Topics

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Specialized fitness activities courses on topics related to the needs of Kinesiology students. Grade: Pass/No Pass Only.

Kinesiology Fitness 112A

Beginning Circuit Training

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

An introduction to fundamental principles and practices of circuit training including safety, using cardiovascular and resistance machines, and components of exercise. This course provides the basics of a comprehensive exercise program that combines cardiovascular exercises with strength training. This course is offered as a half-unit or one-unit class and may not be repeated. A combination of Kinesiology Adapted Activities 202A, 202B, Kinesiology Fitness 112A, 112B, and 112C may be taken a maximum of four enrollments.

CSU/UC

Kinesiology Fitness 112B **Intermediate Circuit Training**

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Prerequisite: Kinesiology Fitness 112A with a minimum grade of C/P.
A continuation of exercise principles and practices of circuit training covered in Beginning Circuit Training. This course is designed to help students increase cardiovascular conditioning using a combination of resistive strength exercises and endurance training. Must complete Beginning Circuit Training prior to enrollment. This course is offered as a half-unit or one-unit class and may not be repeated. A combination of Kinesiology Adapted Activities 202A, 202B, Kinesiology Fitness 112A, 112B, and 112C may be taken a maximum of four enrollments.
CSU/UC

Kinesiology Fitness 112C **Advanced Circuit Training**

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Prerequisite: Kinesiology Fitness 112B with a minimum grade of C/P.
An individualized fitness program developed to promote lifetime fitness. Employs a combination of cardiovascular machines (treadmill, steppers, bicycles, elliptical, rower, etc.), and resistance machines. This course is designed as a continuation of Intermediate Circuit Training and promotes increased cardiovascular and muscular endurance. Educates students on the principles of nutrition and the body's adaptation to exercise. This course is offered as a half-unit or one-unit class and may not be repeated. A combination of Kinesiology Adapted Activities 202A, 202B, Kinesiology Fitness 112A, 112B, and 112C may be taken a maximum of four enrollments.
CSU/UC

Kinesiology Fitness 114A **Beginning Spinning**

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

This class is geared towards improving one's cardiovascular fitness and muscular strength through a spinning program on a stationary bike. The program covers two basic types of terrain: flat roads and hills through changes in resistance and positions. Spinning emphasizes everyone's individual needs, regardless of athletic ability, taught in a group atmosphere. This course is offered as a half unit or one unit class and may not be repeated. A combination of Kinesiology Activities 123, Kinesiology Adapted Activities 208A, 208B, Kinesiology Aerobic Fitness 140A, 157A, Kinesiology Fitness 114A, 114B, 115A, 115B, and 115C may be taken a maximum of four enrollments.
CSU/UC

Kinesiology Fitness 114B **Intermediate Spinning**

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Recommended Preparation: Experience with spin bike set up, adjustment, and intensity monitoring.

Individualized spinning program designed to improve spinning technique and cardiovascular fitness. Emphasis on endurance training. This course is offered as a half unit or one unit class and may not be repeated. A combination of Kinesiology Activities 123, Kinesiology Adapted Activities 208A, 208B, Kinesiology Aerobic Fitness 140A, 157A, Kinesiology Fitness 114A, 114B, 115A, 115B, and 115C may be taken a maximum of four enrollments.
CSU/UC

Kinesiology Fitness 115A **Beginning Cardiovascular Conditioning**

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

This course is offered as a half-unit or one-unit class and may not be repeated. A basic course designed for those people who desire a cardiovascular work-out using a combination of equipment such as stationary bikes, ellipticals, treadmills, rowers, etc. This course will cover elemental information as it regards to aerobic conditioning. This course is offered as a half unit or one unit class and may not be repeated. Grade: Pass/No Pass Only. A combination of Kinesiology Activities 123, Kinesiology Adapted Activities 208A, 208B, Kinesiology Aerobic Fitness 140A, 157A, Kinesiology Fitness 114A, 114B, 115A, 115B, and 115C may be taken a maximum of four enrollments.
CSU/UC

Kinesiology Fitness 115B **Intermediate Cardiovascular Conditioning**

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Prerequisite: Kinesiology Fitness 115A with a minimum grade of C.
A course designed for those people who desire a cardiovascular work-out using a combination of equipment such as stationary bikes, ellipticals, treadmills, rowers, etc. This course is a continuation of Beginning Cardiovascular Conditioning and is designed to help students increase their cardiovascular endurance developed as a beginner. This course will cover topics as they relate to aerobic conditioning. This course is offered as a half unit or one unit class and may not be repeated. Grade: Pass/No Pass Only. A combination of Kinesiology Activities 123, Kinesiology Adapted Activities 208A, 208B, Kinesiology Aerobic Fitness 140A, 157A, Kinesiology Fitness 114A, 114B, 115A, 115B, and 115C may be taken a maximum of four enrollments.
CSU/UC

Kinesiology Fitness 115C **Advanced Cardiovascular Conditioning**

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Prerequisite: Kinesiology Fitness 115B with a minimum grade of C.
A continuation of Intermediate Cardiovascular Conditioning. This course is designed for students to increase their cardiovascular conditioning using a combination of machines (bicycles, treadmills, ellipticals, etc.), advanced fitness concepts as they relate to lifelong fitness levels will be covered. This course provides students with the opportunity to elevate their endurance and cardiovascular levels to the high-end of the aerobic range. This course is offered as a half unit or one unit class and may not be repeated. Grade: Pass/No Pass Only. A combination of Kinesiology Activities 123, Kinesiology Adapted Activities 208A, 208B, Kinesiology Aerobic Fitness 140A, 157A, Kinesiology Fitness 114A, 114B, 115A, 115B, and 115C may be taken a maximum of four enrollments.
CSU/UC

Kinesiology Fitness 147A **Beginning Weight Training**

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Introductory instruction in basic weight lifting concepts and experiential practice in large muscle area development utilizing guided and free weights. Development will be in muscle size or tone and strength or endurance. This course is offered as a half unit or one unit class and may not be repeated.
CSU/UC

Kinesiology Fitness 147B Intermediate Weight Training

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Prerequisite: Kinesiology Fitness 147A with a minimum grade of C

This course is designed for students to increase their knowledge and skills competence in large muscle area development utilizing free weights. Individualized exercise programs are designed to teach students intermediate level strategies and techniques. Development will be in muscle size or tone and strength or endurance. This course is offered as a half unit or one unit class and may not be repeated.

CSU/UC

KINESIOLOGY HEALTH EDUCATION (KNHE)

Kinesiology Health Education 098

Unit(s): 0.5 - 3.0 Class Hours: 9.00-54.00 Lecture total.

Specialized health-related courses on topics related to the needs of Kinesiology students. Grade: Pass/No Pass Only.

Kinesiology Health Education 101 Healthful Living

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

A comprehensive look at factors that impact people's health, longevity and lifetime wellness designed for honors students. Emphasis is placed on individual responsibility for personal health and the promotion of informed, positive health behaviors. Topics include nutrition, exercise, weight control, mental health, stress management, violence, substance abuse, reproductive health, disease prevention, aging, healthcare, and environmental hazards and safety.

CSU/UC

Kinesiology Health Education 101H Honors Healthful Living

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

A comprehensive look at factors that impact people's health, longevity and lifetime wellness designed for honors students. Emphasis is placed on individual responsibility for personal health and the promotion of informed, positive health behaviors. Topics include nutrition, exercise, weight control, mental health, stress management, violence, substance abuse, reproductive health, disease prevention, aging, healthcare, and environmental hazards and safety.

CSU/UC

Kinesiology Health Education 102 Women's Health Issues

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An investigation into traditional and holistic health topics with a special emphasis on women's issues, considering all aspects and concepts of social and political influences, nutrition and fitness, relationships, sexuality, reproductive issues, and careers. Through analysis of these topics, students apply methods to healthy lifestyle choices.

CSU/UC

Kinesiology Health Education 103 Men's Health Issues

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Examines the societal, economic, cultural, and gender influences that shape men's health beliefs and practices. Explores specific health issues unique to men such as accessing health care, healthy relationships, domestic abuse, prostate cancer, and alcohol use. Critically examines literature and media to identify interventions within a masculinity framework to improve men's health outcomes. Identification of positive outcomes of healthy men at home, work, and in society.

CSU/UC

Kinesiology Health Education 104 Nutrition and Fitness

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

An applied nutrition course to improve the nutrition and health of active individuals. The course will focus on lifestyle, disease prevention, fitness, weight control, and the basic concepts of good nutrition.

CSU/UC

Kinesiology Health Education 106 (C-ID KIN 101) Cardiopulmonary Resuscitation and First Aid

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course involves the theory and detailed demonstration of the first aid care of the injured. The student will learn to assess a victim's condition and incorporate proper treatment. Standard first aid, CPR, and AED certification(s) will be granted upon successful completion of requirements.

CSU/UC

Kinesiology Health Education 108 (C-ID PH 107) Stress Management

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course examines productive and nonproductive stress and the influence of various types of stress on health and wellness. Topics include the physiological aspects of stress and its effects on health, assessments of personal coping style, strategies for coping effectively with stress, relaxation techniques, mindful awareness, and positive self-talk. Emphasis is placed on practical application of stress management techniques in daily life.

CSU

Kinesiology Health Education 111 (C-ID PHS 101) Introduction to Public Health

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Recommended Preparation: English, one level below transfer (i.e., eligibility for English composition (C-ID ENGL 100) and a reading course with exit skills of the ability to read a college level text.

This course provides an introduction to the discipline of Public Health. Students will gain an understanding of the basic concepts and terminologies of public health, and the history and accomplishments of public health officials and agencies. An overview of the functions of various public health professions and institutions, and an in-depth examination of the core public health disciplines is covered. Topics of the discipline include the epidemiology of infectious and chronic disease; prevention and control of diseases in the community including the analysis of the social determinants of health and strategies for eliminating disease, illness and health disparities among various populations; community organizing and health promotion programming; environmental health and safety; global health; and healthcare policy and management.

CSU/UC

Kinesiology Health Education 112 (C-ID PHS 102; C-ID PH 102) Health and Social Justice

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Recommended Preparation: English, one level below transfer (i.e., eligibility for English composition (C-ID ENGL 100) and a reading course with exit skills of the ability to read a college level text.)

This course provides an introduction to the health inequities in the United States that stem from unequal living conditions. Students will explore how education, socioeconomic status, racism and gender shape health epidemics and policy development. The basic skills necessary for advocating for health and social justice will be theoretically demonstrated.

CSU/UC

Kinesiology Health Education 198**Topics**

Unit(s): 0.5 - 3.0 Class Hours: 9.00-54.00 Lecture total.

Specialized health-related courses on topics related to the needs of Kinesiology students.

CSU/UC

KINESIOLOGY INTERCOLLEGIATE ATHLETICS (KNIA)

Kinesiology Intercollegiate Athletics 098**Topics**

Unit(s): 0.5 - 3.0 Class Hours: 9.00-54.00 Lecture total.

Specialized athletics courses on topics related to the needs of student-athletes. Grade: Pass/No Pass Only.

Kinesiology Intercollegiate Athletics 125**Conditioning for Football**

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Recommended Preparation: Students should be in good physical health and be able to safely engage in the course content.

This class is designed to prepare the college football athletes to play offense, defense, and special teams. The focus is on skill development and conditioning through resistance training and field work. This course is offered as a half-unit or one-unit class. May be repeated.

CSU/UC

Kinesiology Intercollegiate Athletics 128**Conditioning for Athletes**

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

An exercise program designed for athletes who participate in intercollegiate sports. Emphasis will be on the development of speed, endurance, flexibility, and strength. This course is offered as a half-unit or one-unit class. May be repeated.

CSU/UC

Kinesiology Intercollegiate Athletics 133**Off Season Swimming**

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Recommended Preparation: Kinesiology Aquatics 201A with a minimum grade of C or equivalent high school experience.

This course is designed as an advanced aquatics class for student athletes with exceptional swimming talent who have an interest in skills development and conditioning for intercollegiate swimming. Emphasis is placed upon developing competitive strokes and strategies as well as learning collegiate swimming rules and regulations. A variety of training techniques geared toward building strength, speed, and endurance will be implemented. This course is offered as a half-unit or one-unit class. May be repeated.

CSU/UC

Kinesiology Intercollegiate Athletics 171**Wrestling - Off Season**

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

This course is designed as a skills development and conditioning class for student athletes interested in wrestling. Fundamentals of wrestling, analysis of opponents strengths and weakness, and knowledge of rules and regulations of the sport are presented. This course is offered as a half-unit or one-unit class. May be repeated.

CSU/UC

Kinesiology Intercollegiate Athletics 198**Topics**

Unit(s): 0.5 - 3.0 Class Hours: 9:00 - 54:00 Lecture total.

Specialized athletics courses on topics related to the needs of student-athletes. Grade: Pass/No Pass Only.

CSU/UC

Kinesiology Intercollegiate Athletics 201**Baseball Men**

Unit(s): 3.0 Class Hours: 175.00 Laboratory total.

Recommended Preparation: High school or higher level baseball experience.

This course is designed for student-athletes with exceptional baseball talent who intend to transfer and play baseball at the 4-year or professional level. Emphasis is on application of collegiate baseball rules and regulations, offensive and defensive fundamentals and strategies and mental strategies for intercollegiate sports competition. Students must meet CCCAA eligibility requirements and pass a health screening prior to participation. May be repeated.

CSU/UC

Kinesiology Intercollegiate Athletics 202**Basketball-Men**

Unit(s): 3.0 Class Hours: 175.00 Laboratory total.

This course is designed for student athletes with exceptional basketball talent so they may compete in intercollegiate basketball. Emphasis is placed upon application of collegiate basketball rules and regulations, offensive and defensive skills and strategies, and mental set for competition. Students must meet CCCAA eligibility requirements and pass a health screening prior to intercollegiate competition. May be repeated.

CSU/UC

Kinesiology Intercollegiate Athletics 204**Football-Men**

Unit(s): 3.0 Class Hours: 162.00 Laboratory total.

Recommended Preparation: To compete at the collegiate level, students should have prior experience at the high school or club level and must be physically able to safely participate in intercollegiate athletics. If no prior experience is inherent, then tangible attributes such as height, weight, strength, and speed results can be utilized to assess ability.

This course is designed for students with exceptional football talent so they may compete in intercollegiate football. The program provides competition with conference colleges as well as with other California community colleges. Students must meet CCCAA eligibility requirements and pass a health screening prior to participation. May be repeated.

CSU/UC

Kinesiology Intercollegiate Athletics 206**Swimming-Men**

Unit(s): 3.0 Class Hours: 175.00 Laboratory total.

This class is designed for student athletes with exceptional swimming talent so they may compete in intercollegiate swimming. Emphasis is placed upon stroke technique, starts and turns, and collegiate rules and regulations. Students must meet CCCAA eligibility requirements and pass a health screening prior to participation. May be repeated.

CSU/UC

Kinesiology Intercollegiate Athletics 209**Water Polo - Men**

Unit(s): 3.0 Class Hours: 162.00 Laboratory total.

This course is designed for student athletes with exceptional water polo talent so they may compete in intercollegiate water polo. Emphasis is placed upon application of collegiate water polo rules and regulations, offensive and defensive strategies, and mental set for competition. Students must meet CCCAA eligibility requirements and pass a health screening prior to intercollegiate competition. May be repeated.
CSU/UC

Kinesiology Intercollegiate Athletics 210**Wrestling-Men**

Unit(s): 3.0 Class Hours: 175.00 Laboratory total.

Recommended Preparation: High school or higher level wrestling experience.

This course is designed for student athletes with exceptional combative skills so they may compete in intercollegiate wrestling. Emphasis is placed on successful techniques and strategies for intercollegiate competition. Students must meet CCCAA eligibility requirements and pass a health screening prior to participation. May be repeated.
CSU/UC

Kinesiology Intercollegiate Athletics 211**Softball-Women**

Unit(s): 3.0 Class Hours: 175.00 Laboratory total.

Recommended Preparation: High school varsity softball experience.

This course is designed for student-athletes to participate in intercollegiate softball competition. A high-level, competitive program for student athletes with exceptional softball talent. Emphasis is placed upon application of collegiate softball rules and regulations as well as defensive and offensive skills and strategies. Students must meet CCCAA eligibility requirements and pass a health screening prior to participation. May be repeated.
CSU/UC

Kinesiology Intercollegiate Athletics 212**Basketball-Women**

Unit(s): 3.0 Class Hours: 175.00 Laboratory total.

This course is designed for student-athletes with exceptional basketball talent so they may compete in intercollegiate competition. Emphasis is placed upon application of collegiate basketball rules and regulations, offensive and defensive skills and strategies, and mental set for competition. Students must meet CCCAA eligibility requirements and pass a health screening prior to participation. May be repeated.
CSU/UC

Kinesiology Intercollegiate Athletics 213**Volleyball-Women**

Unit(s): 3.0 Class Hours: 175.00 Laboratory total.

This course is designed for student athletes with exceptional volleyball talent so they may compete in intercollegiate competition. Emphasis will be placed on advanced technical skill development, offensive and defensive systems analysis, sport specific physical fitness. Students must meet the California Community College Athletic Association eligibility requirements and pass a health screening prior to intercollegiate competition. May be repeated.
CSU/UC

Kinesiology Intercollegiate Athletics 216**Soccer-Men**

Unit(s): 3.0 Class Hours: 175.00 Laboratory total.

Recommended Preparation: High school varsity soccer experience.

This soccer class is designed for student-athlete sport competition. Emphasis is placed on advanced technical and tactical development. Students must meet CCCAA eligibility requirements and pass a health screening prior to competition. May be repeated.
CSU/UC

Kinesiology Intercollegiate Athletics 217**Swimming-Women**

Unit(s): 3.0 Class Hours: 175.00 Laboratory total.

Recommended Preparation: Kinesiology Intercollegiate Athletics 133 with a minimum grade of C or high school swim team experience.

This class is designed for student-athletes with exceptional swimming talent so they may compete in intercollegiate swimming. Emphasis is placed upon stroke technique, starts and turns, and collegiate rules and regulations. Students must meet CCCAA eligibility requirements and pass a health screening prior to participation. May be repeated.
CSU/UC

Kinesiology Intercollegiate Athletics 218**Track-Women**

Unit(s): 3.0 Class Hours: 175.00 Laboratory total.

Recommended Preparation: Successful interscholastic track and field and/or cross country experience or equivalent.

This course is designed for student athletes with advanced running skills so they may compete in intercollegiate track. Emphasis is placed upon application of track & field techniques, advanced training modalities, rules and regulations of the sport, and strategies for successful intercollegiate competition. Students must meet CCCAA eligibility requirements and pass a health screening prior to participation. May be repeated.
CSU/UC

Kinesiology Intercollegiate Athletics 219**Cross Country-Women**

Unit(s): 3.0 Class Hours: 175.00 Laboratory total.

Recommended Preparation: Successful interscholastic cross country and/or track and field experience or equivalent.

This course is designed for student athletes with advanced running skills so they may compete in intercollegiate cross country. Emphasis is placed upon application of cross country techniques, advanced training modalities, rules and regulations of the sport and strategies for successful intercollegiate competition. Students must meet CCCAA eligibility requirements and pass a health screening prior to participation. May be repeated.
CSU/UC

Kinesiology Intercollegiate Athletics 220**Soccer-Women**

Unit(s): 3.0 Class Hours: 175.00 Laboratory total.

Recommended Preparation: High school varsity soccer experience.

This soccer class is designed for student-athlete sport competition. Emphasis is placed on advanced technical and tactical development. Students must meet CCCAA eligibility requirements and pass a health screening prior to competition. May be repeated.
CSU/UC

Kinesiology Intercollegiate Athletics 221**Water Polo-Women**

Unit(s): 3.0 Class Hours: 175.00 Laboratory total.

Recommended Preparation: Kinesiology Intercollegiate Athletics 227 with a minimum grade of C or former high school water polo team experience.

This course is designed for student athletes with exceptional water polo talent so they may compete in intercollegiate water polo. Emphasis is placed upon application of collegiate water polo rules and regulations, offensive and defensive skills and strategies, and mental set for competition. Students must meet CCCAA eligibility requirements and pass a health screening prior to participation. May be repeated.

CSU/UC

Kinesiology Intercollegiate Athletics 223**Baseball**

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Recommended Preparation: High school or higher level baseball experience.

This course is designed for skill development and conditioning for intercollegiate baseball players. Emphasis is placed upon instruction and training in the skills, fundamentals, knowledge, strategies, conditioning, and teamwork required for intercollegiate level baseball. This course is offered as a half-unit or one-unit class in the class schedule. May be repeated.

CSU/UC

Kinesiology Intercollegiate Athletics 227**Off Season Water Polo**

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

This course is designed to provide skills development and conditioning for competitive water polo players to prepare for intercollegiate competition. Emphasis is placed upon instruction and experience in the fundamentals and strategies of the sport of water polo. This course is offered as a half-unit or one-unit class in the class schedule. May be repeated.

CSU/UC

Kinesiology Intercollegiate Athletics 230**Preseason Football**

Unit(s): 0.5 Class Hours: 4.50 Lecture, 18.00 Laboratory total.

Prerequisite: Health screening clearing student to participate in collegiate football.

This is an intensive course designed to prepare student athletes for a season of competition in intercollegiate football. It will include field work, classroom meeting time, and resistance training. The focus is skill development and preparation for a season of competition. It is included as part of the 175 contact hours allowed for student-athlete skill development and conditioning. Students must have a current health screening and doctor clearance to participate. May be repeated.

CSU/UC

Kinesiology Intercollegiate Athletics 231**Football Camp**

Unit(s): 1.0 Class Hours: 9.00 Lecture, 36.00 Laboratory total.

Recommended Preparation: Students must be of good health, physically fit, and either have experience at the collegiate, high school, or club level of football, or possess the tangible size and speed of a collegiate prospect.

This is an intensive course designed to prepare student athlete for a season of competition in intercollegiate football. It will include field work, classroom meeting time, and resistance training. The focus is skill development and preparation for a season of competition. It is included in the 175 hours allotted to football for offseason development. May be repeated.

CSU/UC

Kinesiology Intercollegiate Athletics 232**Football**

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Recommended Preparation: Student should be of good health and can safely engage in course content.

Basic elements of the game including fundamental skills in stance, footwork, tackling and blocking techniques will be presented. Offensive and defensive formations and strategies will be practiced. The focus is skill development and conditioning, and is included in the 175 hours allotted to football for offseason development. This course is offered as a half-unit or one-unit class. May be repeated.

CSU/UC

Kinesiology Intercollegiate Athletics 235**Speed and Agility**

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

This class includes instruction on linear speed, non-linear speed, and jumping ability using state of the art plyometric training and speed specific training tools. This course is offered as a half-unit or one-unit class. May be repeated.

CSU/UC

Kinesiology Intercollegiate Athletics 240**Advanced Basketball Skills-Men**

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

This class is designed to focus on skill development and sport conditioning for basketball players with exceptional talent. Emphasis is placed upon application of basketball training techniques, offensive and defensive skills and strategies, and rules and regulations of the game. May be repeated.

CSU/UC

Kinesiology Intercollegiate Athletics 261**Soccer-Women**

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Recommended Preparation: High school varsity soccer experience.

This soccer class is designed for student-athlete sport conditioning and technical and tactical skill development. This course is offered as a half-unit or one-unit class. May be repeated.

CSU/UC

Kinesiology Intercollegiate Athletics 262**Soccer-Men**

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

Recommended Preparation: High school varsity soccer experience.

This soccer class is designed for student-athlete sport conditioning, and technical and tactical skill development. This course is offered as a half-unit or one-unit class as scheduled. May be repeated.

CSU/UC

Kinesiology Intercollegiate Athletics 270**Softball**

Unit(s): 0.5 Class Hours: 36.00 Laboratory total.

Recommended Preparation: High school or higher level softball experience.

This course is designed for skill development and conditioning for intercollegiate softball players. Fundamentals of fielding, throwing, hitting, and base running. Includes play situations and an emphasis on team offensive and defensive strategy. May be repeated.

CSU/UC

Kinesiology Intercollegiate Athletics 271 Softball - Off Season

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

This course is designed for skills development and conditioning for exceptional softball players interested in intercollegiate competition. Basic skills and fundamentals of catching, throwing, pitching, hitting and baserunning will be discussed. Offensive and defensive techniques and strategies will be practiced. This course is offered as a half-unit or one-unit class. May be repeated.

CSU/UC

Kinesiology Intercollegiate Athletics 281 Track and Field - Off Season

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

This course is designed to provide skills development and conditioning for intercollegiate track and field athletes. Students learn the principles of team building while preparing for individual event specific activities. The focus will be on improving event specific technical skills, training methods, and mental set for competitive performance in track and field. Field trips to next level track and field events may occur. This course will be scheduled as a half-unit or one-unit class in the schedule. May be repeated.

CSU/UC

Kinesiology Intercollegiate Athletics 291 Volleyball - Off Season

Unit(s): 0.5 - 1.0 Class Hours: 27.00-54.00 Laboratory total.

This course is designed as a high-level conditioning and skills development program for volleyball players with exceptional talent. This course is offered as a half-unit or one-unit class. May be repeated.

CSU/UC

Kinesiology Intercollegiate Athletics 293 Sand Volleyball

Unit(s): 3.0 Class Hours: 175.00 Laboratory total.

This course is designed for student athletes so they may compete in intercollegiate sand volleyball. Emphasis will be placed on advanced technical skill development, offensive and defensive systems analysis, sport specific physical fitness. Students must meet the California Community College Athletic Association eligibility requirements and pass a health screening prior to intercollegiate competition. May be repeated. May be repeated.

CSU/UC

KINESIOLOGY PROFESSIONAL (KNPR)

Kinesiology Professional 101 (C-ID KIN 100) Introduction to Kinesiology

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course is an introduction to the interdisciplinary approach to the study of human movement. An overview of the importance of sub-disciplines in kinesiology will be discussed along with career opportunities in the areas of teaching, coaching, allied health, and fitness professions.

CSU/UC

Kinesiology Professional 110 Kinesiology-Related Occupational Work Experience

Unit(s): 1.0 Class Hours: 75.00 Lecture total.

Prerequisite: Students must be concurrently enrolled or have completed KNSM 101 or the Fitness Specialist Certificate Program. Application must be approved by the Kinesiology Department Chair.

This work experience course consists of supervised paid or unpaid employment in an Athletic, Allied Health, or Fitness related setting. It is designed to assist students in acquiring desirable work habits, attitudes, and skills related to the student's educational major. Credit may be accrued at the rate of one to eight units per semester for a maximum of sixteen units. Seventy five hours of paid work or sixty hours of unpaid work equals one unit of credit. Student repetition is allowed per title 5 section 55253; however, only 1 unit may be applied toward major requirements or a certificate. Open Entry/Open Exit.

CSU

Kinesiology Professional 125 Sport Psychology

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An academic and practical examination of the psychological aspects of sport concentrating on the scientifically proven methods of enhancing athletic performance through psychological training.

CSU/UC

Kinesiology Professional 150 Sport and Society

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Examines the role of sport in modern society. Looks at how sport influences and shapes global attitudes among nations. Investigates the historical, social, economic, and political impact of sport on society.

CSU/UC

Kinesiology Professional 155 Theory of Soccer

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

This course is designed for the competitive soccer player. Students will learn and develop a further understanding of the game of soccer. Laws of the game, offensive and defensive techniques and tactics, and the physical preparation for becoming a soccer player will be discussed.

CSU/UC

Kinesiology Professional 156 Sport Psychology Applications - Soccer

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

This course provides advanced mental training to improve soccer performance. Theories, strategies, and best practices include; mental set, arousal and performance, mental imagery, and motivation as they pertain to preparing for soccer competition. Students will develop necessary knowledge and skills to prepare for intercollegiate competition as well as self-assess readiness for transfer and the selection of transfer program. Open Entry/Open Exit.

CSU

Kinesiology Professional 160 Sport and Fitness Management

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course examines all aspects of sports administration including the management process, organization of interscholastic and intercollegiate sports, human resources, fiscal issues, legal liability, and public relations. The course is intended for students interested in a career in physical education, coaching, fitness, and sports administration.

CSU

Kinesiology Professional 165 **Theory of Softball**

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

A general overview of rules, regulations, strategies, mental preparation, skill evaluation, and the history of the sport of softball. Includes strategies and winning techniques of the game. May be repeated.

CSU/UC

Kinesiology Professional 170 **Sport Ethics**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

A class designed to examine ethics, moral questions, and value judgements related to sport. Its approach allows students to follow and analyze ethical arguments, think through philosophical issues, and apply them to the artistic expression of sport as well as everyday life.

CSU/UC

Kinesiology Professional 175 **Theory of Football**

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Tactics and strategies applied to specific game situations incorporating evaluation of opponent's development of game plan including offense, defense, and the kicking game.

CSU/UC

Kinesiology Professional 195 **Student Athlete Success**

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

Corequisite: Status as current SAC student athlete. Athletic Counselor approved abbreviated and/or comprehensive education plan.

Recommended Preparation: Athletic Counselor approved abbreviated and/or comprehensive education plan. Status as current SAC student athlete.

This course is designed to prepare Santa Ana College student athletes for balancing the roles of student and athlete as well as preparing them to transfer. Students learn essential information regarding athletic eligibility, interactions between their education plan and athletic goals, NCAA and NAIA transfer requirements, growth mindset in athletics, college success skills, and time management.

CSU/UC

Kinesiology Professional 196 **Sport Psychology Applications - Baseball**

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

This class provides advanced mental training to improve baseball performance. Theories, strategies, and best practices include; mental set, arousal and performance, mental imagery, and motivation as they pertain to preparing for baseball competition. Students will develop necessary knowledge and skills to prepare for intercollegiate competition as well as self-assess readiness for transfer and the selection of transfer program.

Open Entry/Open Exit.

CSU

Kinesiology Professional 198 **Topics**

Unit(s): 0.1 - 3.0 Class Hours: 2.00-54.00 Lecture total.

Specialized professional studies courses on topics related to the needs of Kinesiology students.

CSU/UC

Kinesiology Professional 200 **Theory of Baseball**

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Designed for the competitive baseball player. Topics to include offensive and defensive baseball strategies, bunting, baserunning, mental and physical preparation of becoming a baseball player.

CSU/UC

Kinesiology Professional 202 **Introduction to Personal Training**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course is designed to introduce students to the fitness specialist career and prepare students for entry level personal trainer certification exams. Emphasis is placed on professional conduct, introduction of human movement science principles, and exercise program development for apparently healthy adults and children.

CSU

Kinesiology Professional 205 **Techniques of Exercise Leadership**

Unit(s): 1.0 Class Hours: 9.00 Lecture, 45.00 Laboratory total.

This course is designed to introduce and practice the principles and techniques involved in teaching group exercise and developing personal trainer/client relationships. Emphasis is placed on client assessment, communication skills, program design, exercise adherence, teaching strategies, and professional responsibility and liability.

CSU

Kinesiology Professional 217 **Theory of Basketball**

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

This course provides instruction for the competitive basketball player. Topics to include techniques and strategies of basketball, different types of defense and offensive patterns. Emphasis will be placed on the mental aspect of basketball, team play, biomechanics, and film study at a competitive level.

CSU/UC

Kinesiology Professional 218 **Sport Psychology Applications - Basketball**

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

This class provides advanced mental training to improve basketball performance. Theories, strategies, and best practices include; mental set, arousal and performance, mental imagery, and motivation as they pertain to preparing for basketball competition. Students will develop necessary knowledge and skills to prepare for intercollegiate competition as well as self-assess readiness for transfer and the selection of transfer program.

Open Entry/Open Exit.

CSU

Kinesiology Professional 275 **Sport Psychology Applications-Football**

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

This class provides advanced mental training to improve performance in football. Theories, strategies, and best practices include; mental set, arousal and performance, mental imagery, and motivation as they pertain to preparing for competition. Students will develop necessary knowledge and skills to prepare for intercollegiate competition as well as self-assess readiness for transfer and the selection of transfer program.

CSU

KINESIOLOGY SPORTS MEDICINE (KNSM)

Kinesiology Sports Medicine 098 **Topics**

Unit(s): 0.1 - 3.0 Class Hours: 2.00-54.00 Lecture total.

Specialized sports medicine courses on topics related to the needs of Kinesiology students. Grade: Pass/No Pass Only.

Kinesiology Sports Medicine 101 **Introduction to Sports Medicine**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course is designed to be an introduction to the field of sports medicine/athletic training. It includes exposure to basic human anatomy and common athletic injuries as well as appropriate injury management strategies.

CSU/UC

Kinesiology Sports Medicine 198 **Topics**

Unit(s): 0.1 - 3.0 Class Hours: 2.00-54.00 Lecture total.

Specialized sports medicine courses on topics related to the needs of Kinesiology students. Grade: Pass/No Pass Only.

CSU

LAW (LAW)

Law 100 (C-ID LPPS 110)

Law and Society

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Overview of the legal system including the courts, participants and various sources of law in the American legal system. Review of the legal and judicial process in the United States covering the adversarial system, jurisdiction of federal and state courts, and the general process of judicial review. Explanation of different sources of law including statutes, court cases and administrative agency rules. Review of basic legal reasoning and introductory legal research methods. Examination of legal ethics. Introduction to substantive areas of law and the effect the law has in various groups and individuals in our system. (Same as PARA 100).

CSU/UC

Law 105 (C-ID BUS 120)

Legal Environment of Business

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Fundamental legal principles pertaining to business transactions. Introduction to the law as an instrument of social and political control in society. Topics include sources of law and ethics, contracts, torts, agency, judicial and administrative processes, employment law, forms of business organizations, and domestic and international governmental regulations. (Same as Business 105.).

CSU/UC

Law 110

Legal Terminology

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

The study of terminology used in a law office and the court system.

CSU

Law 120

Computers in the Law Office

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Exploration of technology utilized in a legal service office environment. Study of legal focused software and applications.

CSU

Law 121 (C-ID LPPS 120)

Legal Ethical Reasoning

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course provides an introduction to concepts and theories of ethical decision-making, moral conduct, obligation and permission, justice, responsibility, as applied to the Legal Profession. The course will explore the application of the California Rules of Professional Conduct as applied to the legal profession and society in general. (Same as Paralegal 121).

CSU/UC

Law 133

Legal Interpretation and Translation Spanish/English

Formerly: LAW 058, Legal Interpreting and Translation Spanish/English

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Legal Spanish and English bilingual skills required for interpreters and translators to provide professional interpreting and translating services to law offices, courts, law enforcement, government, and other legal related business. Topics include proper translation of legal terminology, consecutive mode of interpreting in a legal setting, professional role, standards, code of ethics, documents, forms, court reporting, and legal cases. Fluency in Spanish and English is strongly recommended. (Same as Business Application 133).

CSU

Law 143

Legal Interpretation and Translation Vietnamese/English

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Legal Vietnamese and English bilingual skills required for interpreters and translators to provide professional interpreting and translating services to law offices, courts, law enforcement, government, and other law-related businesses. Topics include proper translation of legal terminology, consecutive mode of interpreting in a legal setting, professional role, standards, code of ethics, documents, forms, court reporting, and legal cases. Fluency in Vietnamese and English is strongly recommended. (Same as Business Applications 143).

CSU

Law 299

Work Experience - Law

Formerly: Cooperative Work Experience - Occupational

Unit(s): 1.0 - 4.0 Class Hours: 54.00-216.00 Lecture total.

This work experience course of supervised employment is designed to assist students to acquire desirable work habits, attitudes and skills in a field related to the students' major so as to enable them to become productive employees. This course also provides students with career awareness for jobs. 54 hours of work equals one unit of course credit. Student repetition is allowed per Title 5, section 55253. Students may earn a maximum of 14 units of credit for work experience. Grade: Pass/No Pass Only. Open Entry/Open Exit.

CSU

LIBRARY TECHNOLOGY (LIBR)

Library Technology 054

Children's Library Services

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Course explores standard library procedures and practices as they are adapted to a children's library situation. Each student has practice evaluating materials and using various methods for sharing literature with children, e.g. reading aloud, storytimes, displays, and bibliographies.

Library Technology 101

Introduction to Library Technology

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course provides an introduction to libraries as a career field with particular emphasis on the role of the library technician in various types of library settings. It also provides an overview of library collections, history, organization, staffing, services, terminology, and electronic online resources.

CSU

Library Technology 102**Information Sources for Paraprofessionals: Tools and Techniques**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An introduction to information sources in both print and electronic formats. Includes a basic theoretical and practical exploration of the nature and types of information in selected subject fields. Builds skills in information searching and in the evaluation of information and information sources. CSU/UC

Library Technology 110**Library Technical Services**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Survey of library technical services, exploring philosophies, ethics, policies, and procedures. Emphasis on materials acquisitions processes and workflows; cataloging and classification principles and rules (MARC, RDA, LC and Dewey Classification systems, and LC Subject Headings); metadata and its impact on user experience; and the future of technical services.

CSU

Library Technology 122**Library Public Services**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Exploration of library public services with special emphasis placed on a variety of issues as they relate to the circulation of library materials, the delivery of reference services, the use of the Internet and full-text databases for reference, and the preparation and delivery of library programs.

CSU

Library Technology 124**Work Experience - Library Technology**

Unit(s): 1.0 - 2.0 Class Hours: 54:00 - 108:00 Laboratory total.

Prerequisite: Library Technology 101 and 110 and 122 with a minimum grade of C.

This work experience course of closely supervised fieldwork experience or employment is designed to assist students in acquiring desirable work habits, attitudes, and skills in a library or information management setting that will allow the student to apply learned knowledge. Weekly review discussions are conducted online. Student repetition is allowed per Title 5, Section 55253. Students may earn a maximum of 14 units of credit for work experience. Grade: Pass/No Pass Only.

CSU

MANAGEMENT (MGMT)**Management 111****Principles of Retailing**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Overview of the retail industry. Structure, scope, and evolution of retail institutions; retail decision making is emphasized in relation to the following topics: organization and store management; merchandise assortment, pricing, and layout; identifying markets; and advertising, promotion, and sales. (Same as Marketing 111).

CSU

Management 120**Principles of Management**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Principles of Management provides students with an overview of the role of management in business. This course is for students who plan on becoming supervisors and managers in their field. It introduces students to the theories, terminology and foundations of management including the functional areas of planning, organizing, leading, and controlling within the context of social and cultural perspectives related to gender, age, race and ethnicity. (Same as Business 120).

CSU

Management 121**Human Relations and Organizational Behavior**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course explores managing human behavior in organizations and is designed to give students exposure to essential theories, practices and methods used within organizations to promote effective behavior. Topics tie human behavior to organizational dynamics, communication, leadership, power structures, and organizational design. (Same as Business 121).

CSU

Management 122**Business Communications**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Overview of oral and written communication skills used in business; emphasizes guidelines for improving writing and speaking skills, common solutions to common communication problems, ethical issues facing business communicators today, instructions on how to identify areas of legal vulnerability, and tested techniques for communicating successfully in today's high-tech, international business environment.

CSU

Management 125**Organizational Leadership**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Organizational Leadership equips students and aspiring leaders with the skills, strategies, and tools to take on leadership responsibilities and help to guide their organizations effectively. Students will examine the universal principles of leadership. This course covers the many approaches to leadership, the role of gender and diversity, and leadership ethics. Designed to build repeatable and transferable leadership skills for today's organizational environment. Learn how to set and communicate direction, influence through other managers, generate organizational alignment, drive innovation, and engineer change.

CSU

Management 130 (C-ID HOSP 100)**Introduction to Hospitality Management**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Overview of the Hospitality industry's structure and financial performances: food and lodging, resorts, tourism enterprises, attractions, and related operations. Focus on orientation to customer service, cultural/economic trends, and career opportunities. (Same as Culinary 101).

CSU

Management 135**Human Resource Management**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Introductory course covers the goals, activities, and challenges of human resources. Includes equal employment opportunity and diversity, recruitment and selection, leadership and motivation, training and development, compensation, and employee and labor/management relations.

CSU

Management 203 (C-ID HOSP 130)**Introduction to Food & Beverage Management**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Techniques and management procedures are explored and developed related to commercial and institutional food and beverage facilities. Topics include functions of management, marketing, menu development, effective cost controls in purchasing, labor, and service techniques. (Same as Culinary 203).

CSU

MANUFACTURING TECHNOLOGY (MNFG)

Manufacturing Technology 096

Manufacturing Technology Lab

Unit(s): 0.5 - 3.0 Class Hours: 36.00-180.00 Laboratory total.

Corequisite: Manufacturing Technology 174 or Manufacturing Technology 176 or Manufacturing Technology 184 or Manufacturing Technology 186 or Manufacturing Technology 194.

A supplemental learning assistance course that provides supervised use of laboratory equipment for students enrolled in CNC machine courses to complete machine setup and operation projects. Students are expected to complete 27 lab hours for each .5 unit of credit. May be repeated up to the maximum number of units. Grade: Pass/No Pass Only.

Manufacturing Technology 103

Solidworks Beginning Solid Modeling

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Introductory course in parametric solid modeling using Solidworks, an industry standard engineering design software (CAD). This course will include a solid modeling overview, solid model construction techniques (extrude, revolve, fillet, chamfer, etc.), including the preparation of individual solid components and basic solid model assemblies. (Same as Same as Engineering 103).

CSU

Manufacturing Technology 104

Solidworks Intermediate Solid Modeling

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Manufacturing Technology 103 or Engineering 103 with a minimum grade of C.

Intermediate course for solid modeling using Solidworks, an industry standard engineering design software (CAD). Includes a review of the introductory class and changes to the Solidworks interface. Instruction in the use of intermediate Solidworks part modeling skills such as assembly modeling and sub-assemblies is included. (Same as Engineering 104).

CSU

Manufacturing Technology 105

Solidworks Advanced Solid Modeling

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Manufacturing Technology 104 or Engineering 104 with a minimum grade of C.

Advanced course for solid modeling includes a review of the intermediate class and changes to the Solidworks interface. Instruction in the use of Solidworks part modeling, assembly modeling, sub-assemblies, advanced photoworks, and advanced animator emphasized (Same as Engineering 105).

CSU

Manufacturing Technology 106

Solidworks Drawings

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Manufacturing Technology 103 or Engineering 103 with a minimum grade of C.

Recommended Preparation: Completion with a grade of "C" or better or a Passing grade in: MNFG 111 or ENGR 111

Creation and use of drawing templates, importing of solids data into the drawing template, and modification of the resulting drawings to company standards.

CSU

Manufacturing Technology 107

CSWA Exam Prep

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Prerequisite: Manufacturing Technology 104 with a minimum grade of C.
The CSWA exam preparation class introduces students to the SolidWorks certification process, helps them prepare for the CSWA, using sample exams, and administers the Official SolidWorks CSWA exam.

CSU

Manufacturing Technology 111

Basic Mechanical Blueprint Reading

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Reading and interpreting blueprints for manufacturing technologies. (Same as Engineering 111).

CSU

Manufacturing Technology 114

Geometric Dimensioning and Tolerancing

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Suggested preparation: prior course or experience in drafting with conventional dimensioning and tolerancing.

Drawing interpretation utilizing geometric dimensioning and tolerancing per ASME Y14.5M (formerly ANSI Y14.5M) as applied in engineering, manufacturing, and inspection. Suggested preparation: prior course or experience in drafting with conventional dimensioning and tolerancing. (Same as Same as Engineering 114).

CSU

Manufacturing Technology 115

QC1 Quality Inspection

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Introductory course in Quality Control operations. Course includes dimensional inspection, completion of inspection reports, training and expectations for various quality inspector positions, as well as an introduction to various quality concepts that support inspection positions.

CSU

Manufacturing Technology 116

QC Operations with Verisurf Software

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Recommended Preparation: Manufacturing Technology 111 with a minimum grade of C.

Introductory course in the operation of Verisurf inspection software. This course includes a review of Geometric Dimensioning and Tolerancing and operation of Verisurf software during inspection of three dimensional manufactured parts. This software is also used in creation of inspection reports as a form of data recording in a quality control environment.

CSU

Manufacturing Technology 117

QC Operations with PC-DMIS CMM-1

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Manufacturing 111 with a minimum grade of C

Introductory course in the operation of PC-DMIS CMM Software. This course instructs the user how to dimension, program, and inspect features of 3D parts. Course includes dimensional explanation of relevant GD&T concepts, importing and using of CAD models, and reporting results from each activity.

CSU

Manufacturing Technology 118 **QC Operations with PC-DMIS CMM-2**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Manufacturing 117 with a minimum grade of C
Supplementary course in the operation of PC-DMIS CMM Software. This course instructs the user in additional dimensioning, programming, and system menu options. Course includes additional instruction in probe calibrations, dimensioning options, model translations, and scanning functionality.
CSU

Manufacturing Technology 119 **QC2: Quality Theory**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Manufacturing Technology 115 with a minimum grade of C
Intermediate course for quality control operations. Course discusses quality theory as well advanced quality operations such as, inspection planning, calibration systems, sampling, quality tools including SPC and their implementation, auditing, corrective and preventative action, lean manufacturing concepts, and customer and supplier relationships. Grade: Pass/No Pass Only.
CSU

Manufacturing Technology 120 **Introduction to Medical Device Quality**

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

The course goal is to teach students an overview of quality system regulations and standard compliance used in the medical device industry. The course content will be applicable to the medical technology disciplines of manufacturing, engineering, welding, and biotechnology. This will be placed within a strategic context to generate discussion regarding the importance of quality management and to relate it to other business and organizational issues.
CSU

Manufacturing Technology 121 **Quality Control for Medical Devices**

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Prerequisites: Manufacturing Technology 120 with a minimum grade of C.
The course goal is to teach students quality control elements to support the medical device industry. The course content will be applicable to the medical technology disciplines of manufacturing, engineering, welding, and biotechnology. Students will be taught the concepts and principles of quality control and gain knowledge of the relevant tools, models and techniques. The course provides "real world" applications and discussions of current and relevant topics of quality systems.
CSU

Manufacturing Technology 128 **Basic Metals Technology**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Basic metals terminology and its application in modern industry. Involves metal classification systems, destructive metal testing, metal refining, and heat treatment of various metals with resulting strength and structural changes.
CSU

Manufacturing Technology 130A **CATIA I**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Introductory course in parametric solid modeling CAD using CATIA software, which is used extensively in the aerospace and automotive fields. Topics include: CAD overview, sketching, basic solid model creation (base features, pads, pockets, grooves, shafts, etc.) sketch constraints, reference elements, hole features, feature editing, assembly and drawing creation. (Same as Engineering 130A).
CSU

Manufacturing Technology 130B **CATIA II**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Recommended Preparation: Manufacturing Technology 130A or Engineering 130A with a minimum grade of C.
Intermediate course in parametric solid modeling CAD using CATIA software, which is used extensively in the aerospace and automotive fields. Topics: intermediate/ advanced level sketching and modeling (sweeps, ribs, slots), feature editing and transformation, assemblies, drawing workbench, surface modeling, and other CATIA modules. (Same as Engineering 130B).
CSU

Manufacturing Technology 153 **Technical Mathematics**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Ratios and proportions, formulas, measurements (linear, surface, and volume), geometric construction, and right triangles. Basics of algebra, geometry, and trigonometry for the manufacturing industry.
CSU

Manufacturing Technology 158 **Basic Machining Concepts and Operations**

Unit(s): 3.0 Class Hours: 18.00 Lecture, 126.00 Laboratory total.

Fundamental operations on lathes, milling machines, grinders, and drill presses, including precision measurements and layout. Equips students with skills and theory necessary to enter or upgrade within the machinist trade. (Same as Engineering 158).
CSU

Manufacturing Technology 159 **Advanced Turning Concepts and Operations**

Unit(s): 3.0 Class Hours: 18.00 Lecture, 126.00 Laboratory total.

Prerequisite: Manufacturing Technology 158 or Engineering 158 with a minimum grade of C.
Machine turning theory and skill development with emphasis on lathe principles, capabilities, and operations. Includes construction, tool grinding, and turning machine operations such as diameter turning and boring, external and internal single point treading.
CSU

Manufacturing Technology 168 **Advanced Milling Concepts and Operations**

Unit(s): 3.0 Class Hours: 18.00 Lecture, 126.00 Laboratory total.

Prerequisite: Manufacturing Technology 158 or Engineering 158 with a minimum grade of C.
Advanced machine tool operation and setup with emphasis on milling machine principles, use and capabilities, accessories, and operations. Includes operations with the offset boring head and rotary table.
CSU

Manufacturing Technology 169**Job Shop Skills**

Unit(s): 0.5 - 3.0 Class Hours: 27.00-162.00 Laboratory total.

Prerequisite: Manufacturing Technology 159 and 168 with a minimum grade of C.

Experience in planning, setup and machining of a wide variety of projects using all machine tools. Students will build upon the skills and theory gained in beginning and advanced Manufacturing Technology classes or by on-the-job experience. Open Entry/Open Exit.

CSU

Manufacturing Technology 171**CNC Program Writing**

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Recommended Preparation: Manufacturing Technology 111 and Manufacturing Technology 158 with a minimum grade of C.

Introductory course for manual CNC program writing. This course will include coordinate system, absolute/incremental programming, circular interpolation, cutter radius compensation, canned cycles, and program formatting.

CSU

Manufacturing Technology 173**Mastercam - 2D Geometry, 2D Toolpaths**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Computer assisted numerical control programming of machine tools using Mastercam software. Creation of 2D-part geometry. 2D-part programming including contouring, pocketing, drilling, and tapping.

CSU

Manufacturing Technology 174**CNC Milling Center Set Up and Operation**

Unit(s): 3.0 Class Hours: 54.00 Lecture, 27.00 Laboratory total.

Prerequisite: Manufacturing Technology 158 and Manufacturing Technology 171 with a minimum grade of C.

Corequisite: Concurrent enrollment in: MNFG 096

Basic setup and operation of numerically controlled milling machines. Students will set up and operate a 3 axis CNC milling machine.

Corequisite enrollment is required in MNFG 096. Students are required to attend 1.5 hours per week for a 0.5 unit Lab. Students must complete 27 hours of scheduled lab work per semester to earn 0.5 units for lab. Lab hours are scheduled at the first class meeting.

CSU

Manufacturing Technology 175**Mastercam - 3D Geometry, 3D Surfaces**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Manufacturing Technology 173 with a minimum grade of C.

Continued instruction of computer assisted numerical control programming. Advanced concepts and methods of creating 3D geometry and 3D surfaces using Mastercam 3D software.

CSU

Manufacturing Technology 176**CNC Turning Center Set Up and Operation**

Unit(s): 3.0 Class Hours: 54.00 Lecture, 27.00 Laboratory total.

Prerequisite: Manufacturing Technology 158 and 171 with a minimum grade of C.

Corequisite: Concurrent enrollment in: MNFG 096

Setup and operation of numerically controlled lathe with emphasis on the application of the Fanuc controlled machine and CNC machining methods used in the industry. Corequisite enrollment is required in MNFG 096.

Students are required to attend 1.5 hours per week for a 0.5 unit Lab.

Students must complete 27 hours of scheduled lab work per semester to earn 0.5 units for lab. Lab hours are scheduled at the first class meeting.

CSU

Manufacturing Technology 177**Mastercam - 3D Toolpath and CAM Applications**

Unit(s): 3.0 Class Hours: 54.00 Lecture, 27.00 Laboratory total.

Prerequisite: Manufacturing Technology 175 with a minimum grade of C.

Advanced concepts in the manufacturing of machine parts using MASTERCAM software and CNC machining centers. Emphasis placed on programming and machining 3 dimensional surfaces. Problem solving in roughing, finishing, fixturing, and machining of a variety of part configurations.

CSU

Manufacturing Technology 178**Mastercam Lathe**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Manufacturing Technology 171 and Manufacturing Technology 173 with a minimum grade of C.

Computer assisted numerical control programming of machine tools using MASTERCAM lathe software. Emphasis placed on lathe toolpaths: facing, turning, grooving, boring, and threading.

CSU

Manufacturing Technology 184**Advanced CNC Mill Set Up and Operation**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Manufacturing Technology 171 and 174 with a minimum grade of C.

Corequisite: Concurrent enrollment in: MNFG 096

Advanced set-up and operation of CNC Machining Center. Student will learn the advanced concepts in set up and operation of the state of the art milling equipment. Course curriculum will include instruction on boring cycles, reaming cycle, thread milling, 4th axis rotary table, and multiple fixture offsets. Requires enrollment in 1.5 hours of scheduled lab per week for .5 unit. Lab hours are scheduled at the first class meeting.

CSU

Manufacturing Technology 186**Advanced CNC Lathe Programming, Setup and Operation**

Unit(s): 3.0 Class Hours: 54.00 Lecture, 27.00 Laboratory total.

Prerequisite: Manufacturing Technology 171 and 176 with a minimum grade of C.

Corequisite: Concurrent enrollment in: MNFG 096

Advanced programming, set-up, and operation of CNC lathe. Course curriculum will include instruction on C-Axis with live tooling option, subprogram for C-Axis, tapered I.D. and O.D. thread, canned cycles, use of digital probe for tool offset, and programmable tailstock. Corequisite enrollment is required in MNFG 096. Students are required to attend 1.5 hours per week for a 0.5 unit Lab. Students must complete 27 hours of scheduled lab work per semester to earn 0.5 units for lab. Lab hours are scheduled at the first class meeting.

CSU

Manufacturing Technology 194 **CNC Horizontal Mill Setup and Operation**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Manufacturing Technology 171 and Manufacturing Technology 174 with a minimum grade of C.

Corequisite: Concurrent enrollment in: MNFG 096

Set-up and operation of CNC Horizontal Machining Center. Students will learn the concepts necessary for set-up and operation of the state-of-the-art horizontal milling machine. Course curriculum will include instruction on multi fixtures, rapid pallet changing, and the ability to machine several sides at once with a single set-up using fully programmable 4th axis to boost productivity, cut lead times, and lower production costs. Corequisite enrollment is required in MNFG 096. Students are required to attend 1.5 hours per week for a 0.5 unit Lab. Students must complete 27 hours of scheduled lab work per semester to earn 0.5 units for lab. Lab hours are scheduled at the first class meeting.

CSU

Manufacturing Technology 195 **Mastercam 5 Axis Mill Toolpath and Application**

Unit(s): 3.0 Class Hours: 54.00 Lecture, 27.00 Laboratory total.

Prerequisite: Manufacturing Technology 174 and Manufacturing Technology 175 with a minimum grade of C.

Students will use Mastercam Software and Blade Expert to create various Multi Axis Toolpaths. Course includes programming, set up and operation of a 5 axis DMU-50 milling machine with CNC Siemens control to complete various student's group projects.

CSU

Manufacturing Technology 256 **Alternative Welding Processes**

Formerly: Welding 156A, Beginning Robotic Welding

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

WELD 101 and WELD 125: Welding 101 and Welding 125 with a minimum grade of C.

The Alternative Welding Processes course focuses on robot and laser safety, programming, and operation. The course trains students in the fundamentals of robot programming and language. Laser welding includes the development and documentation of procedures and qualification of welds, and the calibration of equipment for welding. (Same as Welding 256).

CSU

MARKETING (MKTG)

Marketing 111 **Principles of Retailing**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Overview of the retail industry. Structure, scope, and evolution of retail institutions; retail decision making is emphasized in relation to the following topics: organization and store management; merchandise assortment, pricing, and layout; identifying markets; and advertising, promotion, and sales. (Same as Management 111).

CSU

Marketing 113 **Principles of Marketing**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

The process of selling, marketing, and developing products that will satisfy the many needs of consumers and businesses. Includes market research techniques, pricing, distribution, and promotion.

CSU

Marketing 116 **Global Marketing: Selling Around the World**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Learn how to adapt marketing techniques to international markets, how to develop marketing strategies, and how to target markets based on the cultural, political and economic environments. Learn how to create forecasts and budgets for international markets. (Same as Business 116).

CSU

Marketing 120 **Understanding Consumer Behavior - Getting Them to Buy, Buy, Buy**

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

This course will explore the science, mechanics, dynamics, and culture of consumers and their behavior. Understanding your consumer leads to long term relationships, which translates to sales and profits for your business. Students will learn how to analyze consumer behavior using the latest tools, techniques, and technology.

CSU

Marketing 121 **Negotiating - Getting to a Win-Win**

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

Learn the techniques of successfully negotiating a Win-Win business transaction. By learning the different negotiating styles, students will gain skills working with customers in all business segments.

CSU

Marketing 122 **Sales Strategies That Build Business Relationships and Increase Sales**

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Learn how professional sales people build relationships with customers and clients that lead to increased sales. Learn how to effectively communicate, persuade, overcome objections, and close the deal.

CSU

Marketing 123 **Marketing and Technology - Trends and Cutting Edges**

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

This course will cover the latest trends in mixed marketing technologies. Learn to use the latest technologies to drive awareness, create demand, and close sales. Discover the latest trends, strategies, and tools for using technology for marketing - what they are, how they work, and how to get started.

CSU

Marketing 124 **Cause Marketing and Public Relations - Doing Well by Doing Good**

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

This course will cover how companies can be successful by doing good, helping society and people. Learn about not-for-profit businesses and socially responsible for-profit businesses. Learn how authentic corporate giving, cause marketing, and the power of public relations can help drive the triple bottom line-profits, people and planet.

CSU

Marketing 125 **Advertising and Promotion - Get the Word Out and Keep Your Customers Buying**

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

This course will provide students with an in-depth look into cutting-edge advertising and promotion strategies used by small, medium, and large companies. Students will learn how to create an advertising campaign, including the planning, costs, and creative design process. Students will learn how promotions are used to increase sales, to build brand loyalty, and to build relationship with customers.

CSU

Marketing 126

Distributing Product and Services - Reaching Customers Where They Shop

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

This course will teach the latest and most cost effective strategies to reach your customer. Students will learn how an efficient B2B and/or B2C distribution system utilizing marketing intermediaries, direct sales, online distribution, and global markets can increase profits. Supply Chain strategies, channel evaluation, and relationships will be highlighted. CSU

Marketing 127

Introduction to e-Commerce

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Electronic commerce from a managerial perspective focusing on the retailing, business-to-business, and service industries. Topics include e-commerce infrastructure, intranets and extranets, electronic payment systems, marketing research, advertising, e-commerce strategies, and privacy issues. (Same as Business 127). CSU

Marketing 128

Advertising and Distribution

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course will provide students with an in-depth look into cutting edge advertising and promotion strategies used by small, medium, and large companies. Students will learn how to create an advertising campaign, including the planning, costs, and creative design process. Students will learn how promotions are used to increase sales, to build brand loyalty, and to build relationship with customers. This course will teach the latest and most cost-effective strategies to reach your customer. Students will learn how an efficient B2B and/or B2C distribution system utilizing marketing intermediaries, direct sales, online distribution, and global markets can increase profits. Supply Chain strategies, channel evaluation, and relationships will be highlighted. CSU

Marketing 129

Sales, Negotiation, and Consumer Behavior

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course will explore the science, mechanics, dynamics, and culture of consumers and their behavior. Understanding consumers leads to long-term relationships, which translates to sales and profits for businesses. Students will learn how to analyze consumer behavior using the latest tools, techniques, and technology. Students will learn the techniques of successfully negotiating a Win-Win business transaction. By learning the different negotiating styles, students will gain skills working with customers in all business segments. Students will learn how professional sales people build relationships with customers and clients that lead to increased sales. Learn how to effectively communicate, persuade, overcome objections, and close the deal. CSU

Marketing 130

Business Writing for Social Media

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

Learn how to write professional business content for social media and digital marketing by focusing on purpose and intended audiences. Learn proper techniques and innovative marketing writing strategies to become effective at using current industry standard social media platforms such as Instagram, Twitter, Facebook, Snapchat, Pinterest, and YouTube videos. (Same as Same as ENTR 130). CSU

MATHEMATICS (MATH)

Mathematics 019

Support for Math 219 Probability and Statistics

Unit(s): 0.5 Class Hours: 36.00 Laboratory total.

Corequisite: Concurrent enrollment in Mathematics 219.

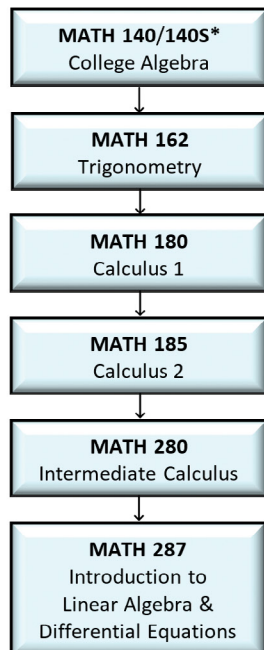

A review of mathematics needed to be successful in Probability and Statistics. Topics are drawn from Pre-Algebra and Algebra. Intended to be taken concurrently with Math 219 for students who did not directly place into Math 219 or for students who would like to supplement their learning with prerequisite skills. Grade: Pass/No Pass Only.

MATHEMATICS COURSE SEQUENCE - Fall 2024

Business Major

STEM Majors

SLAM Majors

Mathematics 030
Coping With Math Anxiety

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

Covers the concept of math anxiety - what causes it and how to overcome it. Includes review and practice of basic math skills.

Mathematics 040
Support for College Algebra

Unit(s): 0.5 Class Hours: 36.00 Laboratory total.

Corequisite: Concurrent enrollment in Mathematics 140.

A review of mathematics topics from Elementary and Intermediate Algebra which are needed to be successful in College Algebra. Intended to be taken concurrently with College Algebra (Math 140) for students who did not directly place into Math 140, or for students who would like to supplement their learning with prerequisite skills. Grade: Pass/No Pass Only.

Mathematics 082
Pre-Statistics and Problem Solving

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Pre-statistics including measures of center, measures of spread, graphical representations, basic probability, dimensional analysis, linear equations, formulas, percent equations, lines, basic linear regression and problem-solving designed specifically for liberal arts and social science majors.

Mathematics 084
Beginning and Intermediate Algebra

Unit(s): 6.0 Class Hours: 108.00 Lecture total.

A combined course in algebra that includes systems of equations: inequalities, graphs and functions; radicals, quadratic polynomials, rational expressions; exponential and logarithmic functions, and problem solving.

Mathematics 087
Support for Calculus I

Unit(s): 0.5 Class Hours: 36.00 Laboratory total.

Corequisite: Concurrent enrollment in MATH 180.

A review of Algebra and Trigonometry topics needed to be successful in Calculus. Intended to be taken concurrently with Calculus 1 (Math 180) to supplement student learning with prerequisite skills. Grade: Pass/No Pass Only.

Mathematics 098
Topics

Unit(s): 1.0-4.04.0 Class Hours: 3.00-72.00 Lecture total.

Special Mathematics courses covering topics related to the needs of SAC Math students.

Mathematics 105

Mathematics for Liberal Arts Students

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Prerequisite: Intermediate algebra or equivalent, or a qualifying profile based on multiple measures.

An overview of mathematics for the liberal arts student. Topics will include problem solving, financial management, probability, statistics, and selected other topics such as set of theory, geometry, logic, mathematical modeling, and the history of mathematics.

CSU/UC

Mathematics 140
College Algebra

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Prerequisite: Intermediate algebra or equivalent, or a qualifying profile based on multiple measures.

Survey of advanced topics in algebra: equations, inequalities and functions involving polynomials, rationals, exponentials, and logarithms with applications and graphing; sequences and series.

CSU/UC

Mathematics 140S
College Algebra With Support

Unit(s): 4.5 Class Hours: 72.00 Lecture, 36.00 Laboratory total.

Prerequisite: Intermediate algebra or equivalent, or a qualifying profile based on multiple measures.

Survey of advanced topics in algebra: equations, inequalities and functions involving polynomials, rationals, exponentials, and logarithms with applications and graphing; sequences and series. Course includes just-in-time review of topics from arithmetic, Elementary Algebra, Intermediate Algebra, and/or other topics as necessary. Intended for students who did not directly place into Math 140 or for students who would like to supplement their learning with prerequisite skills needed for College Algebra.

CSU/UC

Mathematics 150 (C-ID MATH 140)
Calculus for Biological, Management and Social Sciences

Unit(s): 5.0 Class Hours: 90.00 Lecture total.

Prerequisite: College algebra or equivalent, or a qualifying profile based on multiple measures.

Single and multi-variable calculus including limits, derivatives, integrals, exponentials, and logarithmic functions and partial derivatives. Applications are drawn from biology, social science, and business.

CSU/UC

Mathematics 162 (C-ID MATH 851)
Trigonometry

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Prerequisite: Mathematics 140 with a minimum grade of C or equivalent skills as measured by placement into Math 162 according to the Santa Ana College Math Department's placement standards.

Angles and their measurement, trigonometry functions and their applications, including vector problems. Use of trigonometric identities. Graphing the basic functions and variations, solving trigonometric equations. Graphing using polar coordinates, and use of complex numbers.

CSU

Mathematics 170 (C-ID MATH 155)
Pre-Calculus Mathematics

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Prerequisite: Mathematics 162 with a minimum grade of C.

Advanced algebraic topics. Study of rational, trigonometric, exponential and logarithmic functions, and analytic geometry. Preparation for Mathematics 180.

CSU/UC

Mathematics 180
(C-ID MATH 220, C-ID MATH 900S= MATH 180 +MATH 185)
Single Variable Calculus I

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Prerequisite: Mathematics 140 or Mathematics 140S and Mathematics 162 with a minimum grade of C or equivalent skills as measured by placement into Math 180 according to the Santa Ana College Math Department's placement standards.

Limits and continuity, derivatives and integrals of algebraic, trigonometric, and other transcendental functions. Applications including extrema tests, related rates, and areas.

CSU/UC

Mathematics 185
(C-ID MATH 220, C-ID MATH 900S= MATH 180 +MATH 185)
Single Variable Calculus II

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Prerequisite: Mathematics 180 or Mathematics 180H with a minimum grade of C.

Applications of integrals, including volumes, work, arc length, and surface area. Integration techniques, differential equations, conics, parametric equations, polar coordinates, improper integrals, sequences, and infinite series.

CSU/UC

MATH 198-00
Topics

Unit(s): 1.00-4.00 Class Hours: 3.000-72.000 Lecture total.

Special Mathematics course covering topics related to the needs of SAC Math students.

CSU

Mathematics 204 (C-ID MATH 120)
Mathematical Concepts for Elementary School Teachers

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Prerequisite: Intermediate algebra or equivalent, or a qualifying profile based on multiple measures.

Designed for prospective elementary teachers, the course emphasizes problem solving techniques and mathematical structure associated with numeration, set theory, elementary number theory, real number system, ratio, proportion, and percent. The course includes instructional delivery design and activity-based explorations.

CSU/UC

Mathematics 204L
Mathematics Content for Elementary Math Teachers (lab)

Unit(s): 0.5 Class Hours: 36.00 Laboratory total.

Corequisite: Concurrent enrollment in Mathematics 204.

Students in Math 204L will receive individual and/or group instruction advancing students conceptual understanding of the mathematics needed to teach elementary school. Instruction integrates hand-ons learning, projects, and presentations. Grade: Pass/No Pass Only.

CSU

Mathematics 219 (C-ID SOCI 125, C-ID MATH 110)
Statistics and Probability

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Prerequisite: Intermediate algebra or equivalent, or a qualifying profile based on multiple measures.

Beginning course in statistics. Includes descriptive statistics, graphical displays of data, probability, confidence intervals, hypothesis testing, regression, contingency tables, ANOVA, and non-parametric statistics. Includes use of technology.

CSU/UC

Mathematics 219H (C-ID SOCI 125, C-ID MATH 110)
Honors Statistics and Probability

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Prerequisite: A college GPA or high school GPA for first term college students of 3.0 or higher; Intermediate algebra or equivalent, or a qualifying profile based on multiple measures.

Enhanced format for the beginning course in statistics and probability, using a seminar approach and computers and individual research, and presentations. Includes descriptive statistics, graphical displays of data, probability, confidence intervals, hypothesis testing, regression, contingency tables, ANOVA, and non-parametric statistics, with applications designed around the individual interests of students.

CSU/UC

Mathematics 219S (C-ID MATH 110)
Statistics and Probability With Support

Unit(s): 4.5 Class Hours: 72.00 Lecture, 36.00 Laboratory total.

Prerequisite: Intermediate algebra or equivalent, or a qualifying profile based on multiple measures.

Beginning course in statistics. Includes descriptive statistics, graphical displays of data, probability, confidence intervals, hypothesis testing, regression, contingency tables, ANOVA, and non-parametric statistics. Includes use of technology. Integrated review includes concepts from arithmetic, pre-algebra, elementary and intermediate algebra, and critical thinking skills from descriptive statistics that are needed to understand the basics of college-level statistics. Intended for students who did not directly place into Math 219 or for students that would like to supplement their learning with prerequisite skills needed for Statistics.

CSU/UC

Mathematics 280 (C-ID MATH 230)
Intermediate Calculus

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Prerequisite: Mathematics 185 with a minimum grade of C.

Vectors and three-dimensional space, functions of several variables, partial derivatives, and multiple integrals. Vector calculus, Green's Theorem, Stoke's Theorem, and the Divergence Theorem.

CSU/UC

Mathematics 287 (C-ID MATH 9105)
Introduction to Linear Algebra and Differential Equations

Unit(s): 5.0 Class Hours: 90.00 Lecture total.

Prerequisite: Mathematics 280 with a minimum grade of C.

Topics include matrices, determinants, vector spaces, linear systems of equations, linear product spaces, first and second order differential equations, systems of differential equations, and the Laplace transform.

CSU/UC

Mathematics 319
Quantitative Research Methods for Healthcare Professionals

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Prerequisite: Mathematics 219 or Mathematics 219H or Mathematics 219S or Mathematics 221 or Psychology 210 with a minimum grade of C. Limitation on enrollment: Student must be admitted to the Occupational Studies program.

This course will develop skills and tools for understanding and performing quantitative research in healthcare sciences. The focus of the course will be on statistical research methods prevalent in healthcare sciences: including principles of experimental design, appropriate sampling, and running quantitative tests to determine the validity of claims.

MEDICAL ASSISTANT (MA)

Medical Assistant 001

Work Experience - Medical Assistant Occupational

Formerly: Cooperative Work Experience Education - Occupational

Unit(s): 0.5 - 4.0 Class Hours: 27.00-216.00 Lecture total.

Prerequisite: Medical Assistant 051A, Medical Assistant 051B, Medical Assistant 053 and Medical Assistant 055 with a minimum grade of C.

This work experience course of supervised employment is designed to facilitate medical assistants to acquire desirable work habits, attitudes and skills of a competent allied healthcare worker. This course also provides students with career awareness, opportunities to practice professionalism and integrate classroom learning and clinical practice in ambulatory medical clinics. Fifty-four hours of work equals one-unit of course credit. Student repetition is allowed per Title 5, Section 55253. MA001 may earn four units each semester and a maximum of fourteen units of college credit for work experience. Grade: Pass/No Pass Only.

Medical Assistant 020

Bloodborne and Airborne Pathogen Standards

Unit(s): 0.5 Class Hours: 9.00 Lecture total.

Presentation of California Occupational Safety and Health Act (Cal-OSHA) Bloodborne and Airborne Pathogen Standards for occupational at-risk exposure to Hepatitis B Virus, Hepatitis C Virus, HIV-AIDS, and Tuberculosis including compliance requirements, exposure control measures, exposure determination, engineering controls, work practice controls, personal protective equipment, universal precautions and post exposure practices.

Medical Assistant 030

Phlebotomy

Unit(s): 1.0 Class Hours: 13.50 Lecture, 13.50 Laboratory total.

This phlebotomy course is designed for health care workers and provides a comprehensive introduction to the practice of phlebotomy, with focus on safety procedures, equipment and point-of-care testing.

Medical Assistant 051A

Beginning Medical Terminology

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Introduction to medical terms including structural analysis of prefixes, combining form/roots, and suffixes. Emphasis on terms related to anatomy, physiology, diagnostic tests and pathology of the digestive, renal-urinary, and reproductive systems. Also, terms related to pregnancy and the newborn.

Medical Assistant 051B

Advanced Medical Terminology

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Medical Assistant 051A with a minimum grade of C.

Continuation of MA 051A. Includes medical terms related to anatomy, physiology, diagnostic tests and pathology of the nervous, cardiovascular, respiratory, circulatory, musculoskeletal, skin, sensory, and the endocrine systems.

Medical Assistant 053

Medical Assistant - Administrative Front Office

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Medical front office training including the role, responsibilities, professionalism, medical ethics and laws, medical records, filing, billing and collection, banking, bookkeeping, reception, telephone techniques, oral and written communication, resume, and job seeking skills. Also includes a unit on first aid and life threatening illnesses.

Medical Assistant 054

Medical Insurance Billing and Coding

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Medical Assistant 051A with a minimum grade of C.

Medical Insurance Billing and Coding includes guidelines, regulations, completion of insurance claims, and program information for Medicare, Medicaid/MediCal, TRICARE, Medi/Medi, State Disability, Workers Compensation, and private commercial insurance. Instruction includes legal and ethical guidelines, and instruction in procedural coding, CPT, HCPCS, and diagnostic coding, ICD-10.

Medical Assistant 055

Medical Assistant - Clinical Back Office

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Medical back office with emphasis on asepsis, sterilization, gloving and ungloving, assisting physician with exams and minor office surgical procedures, vital signs, vision testing, wound care, dressings, bandaging, specimen collections, medications, dosage calculations and injection techniques.

Medical Assistant 056

Computer Applications for the Medical Office

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Medical Assistant 051A and Medical Assistant 053 with a minimum grade of C.

This course is an introduction to computer applications for a medical office setting, including Practice Management with patient registration, scheduling, verifying insurance eligibility, posting charges and payments, computerized billing, and preparing insurance claims. The course also includes documenting components of clinical back-office encounters, ordering procedures and referrals, and preparing lab requisitions and prescriptions in an Electronic Medical Record.

Medical Assistant 098

Topics

Unit(s): 0.5 - 3.0 Class Hours: 9.00-54.00 Lecture total.

Courses on a variety of contemporary topics will be offered to meet the interests and needs of students in Medical Assisting.

MUSIC (MUS)

Music 009A

Music Laboratory

Unit(s): 0.3 Class Hours: 18.00 Laboratory total.

Prerequisite: Concurrent enrollment in a music course.

Supervised work on instrumental, vocal, music theory, or digital music assignments and projects. Beginning level assignments are geared toward attainment of skills relating to the corequisite music class. Accumulation of 16 hours earns 0.3 unit. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Music 009B

Music Laboratory II

Unit(s): 0.3 Class Hours: 18.00 Laboratory total.

Prerequisite: Music 009A with a minimum grade of C and concurrent enrollment in a music class.

Supervised work on instrumental, vocal, music theory, or digital music assignments and projects. More advanced beginning level assignments are geared toward attainment of skills relating to the corequisite music class. Accumulation of 16 hours earns 0.3 unit. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Music 009C
Music Laboratory III

Unit(s): 0.3 Class Hours: 18.00 Laboratory total.

Prerequisite: Music 009B with a minimum grade of C and concurrent enrollment in a music class.

Supervised work on instrumental, vocal, music theory, or digital music assignments and projects. Intermediate level assignments are geared toward attainment of skills relating to the corequisite music class.

Accumulation of 16 hours earns 0.3 unit. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Music 009D
Music Laboratory IV

Unit(s): 0.3 Class Hours: 18.00 Laboratory total.

Prerequisite: Music 009C with a minimum grade of C and concurrent enrollment in a music class.

Supervised work on instrumental, vocal, music theory, or digital music assignments and projects. Advanced level assignments are geared toward attainment of skills relating to the corequisite music class. Accumulation of 16 hours earns 0.3 unit. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Music 101 (C-ID MUS 100)
Music Appreciation

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Designed to increase awareness and appreciation of music from the European classical tradition in relation to general culture and history. Develops basic understanding of musical elements and deepens student's experience of music. Recommended for non-music majors. CSU/UC

Music 101H (C-ID MUS 100)
Honors Music Appreciation

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: A high school or college GPA of 3.0 or above.

An enriched approach designed for honors students. The European classical music tradition through study of musical elements, stylistic features, culture, and history. Readings, guided listening assignments, required concert attendance, and special projects. Recommended for non-music majors. CSU/UC

Music 102
World Music

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Music from the Far East, Southeast Asia, Africa, the Middle East, Europe and the Americas. Students are guided to enjoy and to understand music from diverse cultures. Investigation of the interconnections of culture, aesthetics, and musical styles. Concert attendance and assigned listening required. CSU/UC

Music 102H
Honors World Music

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: High School or college GPA of 3.0 or above.

An enriched, in-depth study of music from Asia, Africa, the Middle East, Europe, and the Americas. Seminar-style critical investigation of the interconnections of style, culture, and aesthetics to promote enjoyment and understanding of world music. CSU/UC

Music 103
Jazz in America

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

A historical survey of the development and evolution of jazz in America from its earliest roots in African and European music. The study will also include the social and economic conditions which influenced this art form. CSU/UC

Music 104
Rock Music History and Appreciation

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Historical survey of rock music from its beginnings in the 50's to the present. Major rock and pop styles will be discussed. Personalities and musical styles will be related to the social, political, and cultural context of the time. CSU/UC

Music 105
Film Music Appreciation

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

A study of the history and development of film music in the twentieth and twenty-first century. Students are guided through a critical examination of a variety of music soundtracks by prominent composers and will explore how the music reflects changes in our society and culture. CSU/UC

Music 109
Reading and Making Music

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Introduction to music reading. Practical experience in learning how to perform melodies, rhythms, and simple chords from a written score. Recommended for beginning instrumental and voice students and those preparing for music theory. CSU/UC

Music 110 (C-ID MUS 110)
Music Fundamentals and Culture

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An introduction to the notation and primary elements of tonal music throughout history from Western and global cultures. Examples from music literature will demonstrate staff notation in treble and bass clefs, rhythm and meter; basic properties of sound; intervals; diatonic scales and triads; and diatonic chords. History and social context of these concepts will be discussed. Development of skills in handwritten notation is expected. CSU/UC

Music 111 (C-ID MUS 120, C-ID MUS 125)
Music Theory and Musicianship I

Unit(s): 4.0 Class Hours: 72.00 Lecture, 18.00 Laboratory total.

Introductory level course in music theory and its applications in traditional and modern musical practice. Includes detailed study of rhythm, notation, scales, intervals, chords, diatonic harmony, and voice leading as well as sight singing and other musicianship skills. Ability to read music in at least one clef recommended. Required of music majors; open to non-majors. CSU/UC

Music 112 (C-ID MUS 130, C-ID MUS 135)
Music Theory and Musicianship II

Unit(s): 4.0 Class Hours: 72.00 Lecture, 18.00 Laboratory total.

Prerequisite: Music 111 with a minimum grade of C.

Continued study of harmony and ear training. Includes writing phrases and cadences, non-harmonic tones, harmonization, voice leading, melodic construction, figured bass, chord progression, and keyboard harmony. Required for music majors; open to non-majors. CSU/UC

Music 113A**Basic Musicianship Skills**

Unit(s): 1.0 Class Hours: 18.00 Lecture, 18.00 Laboratory total.

Ear training and in-class sight-singing preparation for students not ready for Music 114A. Arranged hours in Music Lab for computer programs and ear training computer programs. Basic knowledge of scales, intervals, and major key signatures recommended. A combination of Music 113A, 113B, 114A, and 114B may be taken a maximum of four enrollments.

CSU/UC

Music 113B**Musicianship Skills**

Unit(s): 1.0 Class Hours: 18.00 Lecture, 18.00 Laboratory total.

Prerequisite: Music 113A with a minimum grade of C.

Continued ear training and in-class sight-singing preparation for students not ready for Music 114A. Arranged hours in Music Lab for computer programs and ear training programs. Basic knowledge of scales and intervals recommended. Grade: Pass/No Pass Only. A combination of Music 113A, 113B, 114A, and 114B may be taken a maximum of four enrollments.

CSU/UC

Music 114A (C-ID MUS 145)**Musicianship**

Unit(s): 1.0 Class Hours: 54.00 Laboratory total.

Prerequisite: Music 112 with a minimum grade of C.

Competency-based sightsinging, rhythm, ear training, and dictation (melodic/harmonic) for performers and transferring music majors. Ear training software in the Music Lab is used for aural exercises.

CSU/UC

Music 114B (C-ID MUS 155)**Musicianship**

Unit(s): 1.0 Class Hours: 54.00 Laboratory total.

Prerequisite: Music 114A with a minimum grade of C.

Competency-based sightsinging, rhythm, ear training, and dictation (melodic/harmonic) for performers and transferring music majors. Ear Training software in the Music Lab is used for aural exercises. B semester uses more advanced materials.

CSU/UC

Music 115A (C-ID MUS 160)**Applied Music (Private Instruction)**

Unit(s): 1.5 Class Hours: 92.00 Laboratory total.

Prerequisite: Audition and concurrent enrollment in either a music ensemble or music theory course.

Weekly lesson in voice, piano, band/orchestral instrument, or classical guitar. Five hours on-campus practice per week and attendance at weekly recital required. B, C, and D semesters require study of more advanced repertoire. No more than a total of 4 semesters of credit may be earned in a combination of Music 115ABCD and 215. Requires audition and concurrent enrollment in either a music ensemble or music theory course. Open Entry/Open Exit. A combination of Music 115A, 115B, 115C, 115D, and 215A may be taken a maximum of four enrollments.

CSU/UC

Music 115B (C-ID MUS 160)**Applied Music (Private Instruction)**

Unit(s): 1.5 Class Hours: 92.00 Laboratory total.

Prerequisite: Audition and concurrent enrollment in either a music ensemble or music theory course.

Weekly lesson in voice, piano, band/orchestra instrument, or classical guitar, covering more advanced repertoire than Music 115A. Five hours on-campus practice per week and attendance at weekly recital required. No more than a total of 4 semesters of credit may be earned in a combination of Music 115ABCD and 215. Requires audition and concurrent enrollment in either a music ensemble or music theory course. Open Entry/Open Exit. A combination of Music 115A, 115B, 115C, 115D, and 215A may be taken a maximum of four enrollments.

CSU/UC

Music 115C (C-ID MUS 160)**Applied Music (Private Instruction)**

Unit(s): 1.5 Class Hours: 92.00 Laboratory total.

Prerequisite: Audition and concurrent enrollment in either a music ensemble or music theory course.

Weekly lesson in voice, piano, band/orchestral instrument, or classical guitar, covering more advanced repertoire than Music 115B. Five hours on-campus practice per week and attendance at weekly recital required. No more than a total of 4 semesters of credit may be earned in a combination of Music 115ABCD and 215. Requires audition and concurrent enrollment in either a music ensemble or music theory course. Open Entry/Open Exit. A combination of Music 115A, 115B, 115C, 115D, and 215A may be taken a maximum of four enrollments.

CSU/UC

Music 115D (C-ID MUS 160)**Applied Music (Private Instruction)**

Unit(s): 1.5 Class Hours: 92.00 Laboratory total.

Prerequisite: Audition and concurrent enrollment in either a music ensemble or music theory course.

Weekly lesson in voice, piano, band/orchestral instrument, or classical guitar, covering more advanced repertoire than Music 115C. Five hours on campus practice per week and attendance at weekly recital required. No more than a total of 4 semesters of credit may be earned in a combination of Music 115ABCD and 215. Requires audition and concurrent enrollment in either a music ensemble or music theory course. Open Entry/Open Exit. A combination of Music 115A, 115B, 115C, 115D, and 215A may be taken a maximum of four enrollments.

CSU/UC

Music 121**Beginning Voice**

Unit(s): 1.0 Class Hours: 18.00 Lecture, 18.00 Laboratory total.

Group instruction designed to develop basic principles of solo and choral voice production, diction, breath control, and posture. Practice outside of class required. Recommended for non- music majors and for music majors not studying privately. A combination of Music 121, 122, 123, and 124 may be taken a maximum of four enrollments.

CSU/UC

Music 122**Intermediate Voice**

Unit(s): 1.0 Class Hours: 18.00 Lecture, 18.00 Laboratory total.

Prerequisite: Music 121 with a minimum grade of C.

Group instruction designed to develop intermediate principles of solo and choral voice production, diction, breath control, and posture. Vocal analysis of each student emphasized. Practice outside of class required. Song literature matched to student level. Designed for both music majors and non-music majors. A combination of Music 121, 122, 123, and 124 may be taken a maximum of four enrollments.

CSU/UC

Music 123
Advanced Voice

Unit(s): 1.0 Class Hours: 18.00 Lecture, 18.00 Laboratory total.

Prerequisite: Music 122 with a minimum grade of C.

Group instruction designed to present advanced vocal exercises for solo and choral vocal production. Instruction includes song literature in English and several foreign languages. Practice outside of class required. Designed for both music majors and non-music majors. A combination of Music 121, 122, 123, and 124 may be taken a maximum of four enrollments.

CSU/UC

Music 124
Advanced Vocal Production and Repertoire

Unit(s): 1.0 Class Hours: 18.00 Lecture, 18.00 Laboratory total.

Prerequisite: Music 123 with a minimum grade of C.

Continuation of group instruction for students who have completed three semesters of voice and can perform at an advanced level. Further develops advanced vocal and choral production through a variety of vocal styles and techniques. Instruction includes advanced English and foreign language song literature. Practice outside of class required. Designed for both music majors and non-music majors. A combination of Music 121, 122, 123, and 124 may be taken a maximum of four enrollments.

CSU/UC

Music 130
Vocal Production and Repertoire for Musical Theater

Unit(s): 1.0 Class Hours: 18.00 Lecture, 18.00 Laboratory total.

Techniques for singing musical theatre repertoire. Group instruction designed to develop basic principles of solo and choral voice production for musical theater, diction, breath control, and posture. Practice outside of class required.

CSU/UC

Music 135 (C-ID MUS 180)
Concert Chorale

Unit(s): 1.0 Class Hours: 54.00 Laboratory total.

Prerequisite: Audition

Rehearsal and performance of standard and current choral repertoire. Designed to train students in mixed ensemble singing. Public performance emphasized. Each semester requires performance of a variety of new and different repertoire. Designed for students who have basic singing skills. May be repeated.

CSU/UC

Music 136
Collegiate Choir

Unit(s): 1.0 Class Hours: 54.00 Laboratory total.

Mixed chorus which rehearses and performs a variety of music, including classical, folk tunes, and songs from Broadway musicals. Each semester requires performance of new repertoire. May be repeated. Grade: Pass/No Pass Only.

CSU/UC

Music 137 (C-ID MUS 180)
Chamber Choir

Unit(s): 1.0 Class Hours: 72.00 Laboratory total.

Prerequisite: Audition.

Rehearsal and performance of chamber choir repertoire from various historical periods. Course designed for festival and concert performance. Each semester requires the performance of new repertoire. May be repeated.

CSU/UC

Music 140
Instrumental Methods for Winds and Percussion

Unit(s): 1.0 Class Hours: 18.00 Lecture, 18.00 Laboratory total.

Instrumental instruction on woodwinds, brass, or percussion in an ensemble setting at the beginning and intermediate levels. Fundamental skills developed through rehearsal and in-class performance of technical exercises and beginning band repertoire.

CSU/UC

Music 141
Instrumental Ensembles

Unit(s): 1.0 Class Hours: 54.00 Laboratory total.

Study, rehearsal, and performance of music for small commercial instrumental groups. Music literature will differ each semester. Previous instrumental performance experience recommended. May be repeated.

CSU/UC

Music 142
Creating Music on the Digital Audio Workstation

Unit(s): 1.0 Class Hours: 18.00 Lecture, 18.00 Laboratory total.

Basic techniques in creating music with computer assisted technology, including the production of software instrument tracks, drum track programming, audio recording, editing, mixdown, and use of the software sampler. Students learn practical applications through creation of musical projects.

CSU/UC

Music 143
Intermediate Techniques on the Digital Audio Workstation

Unit(s): 1.0 Class Hours: 18.00 Lecture, 18.00 Laboratory total.

Prerequisite: Music 142 with a minimum grade of C.

Intermediate techniques in creating music with computer assisted technology including digital sound manipulation, time and pitch editing, virtual mixing, auxiliary tracks, MIDI effects, and use of the software sampler. Students learn practical applications and electronic composition through creation of musical projects.

CSU/UC

Music 144
Projects in Electronic Music

Unit(s): 1.0 Class Hours: 18.00 Lecture, 18.00 Laboratory total.

Prerequisite: Music 143 or Music 147 with a minimum grade of C.

Exploration of digital recording and MIDI concepts for commercial applications. Individual projects will improve and extend students' skills in the areas of composition, sequencing, and recording.

CSU/UC

Music 145
Jazz Improvisation and Performance Workshop

Unit(s): 1.0 Class Hours: 18.00 Lecture, 18.00 Laboratory total.

Performance and analysis of jazz standards and popular pieces in a practical workshop setting. Elements of improvisation and ensemble playing are stressed. Assumes a rudimentary understanding of chords and scales. Open to all instrumentalists and vocalists.

CSU/UC

Music 146
Digital Recording Studio Techniques I

Unit(s): 2.0 Class Hours: 27.00 Lecture, 27.00 Laboratory total.

Introductory class in computer-based hard disk recording. Emphasis on digital sound manipulation, editing, mixdown, and microphone techniques.

CSU/UC

Music 147
Digital Recording Studio Sound Design

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Techniques of sound design in the digital recording studio including creation of sampler instruments, classic analog synthesizer programming, and other techniques of original sound creation using digital audio manipulation. Some prior experience on a digital audio workstation recommended.

CSU/UC

Music 148
Music Scoring for Film and Multimedia

Unit(s): 2.0 Class Hours: 27.00 Lecture, 27.00 Laboratory total.

Techniques of scoring music, audio, and sound effects to video and multimedia. Compositional elements of scoring to picture as well as technical elements of creating digital audio tracks are covered. Experience with digital recording and/or working with a digital audio workstation is necessary.

CSU/UC

Music 149
The Business of Music

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Introduction to the business and legal aspects of the music industry. This course covers current trends and issues for performing and recording careers in music. Topics include copyright, royalties, recording contracts, performing rights organizations, publishing, and publicity.

CSU

Music 152
Beginning Audio Production

Unit(s): 3.0 Class Hours: 54.00 Lecture, 18.00 Laboratory total.

Introduction to the theory and practice of audio production for radio, stage, television, film and digital recording applications. Students will learn the fundamentals of sound design and aesthetics, microphone use, and digital recording equipment. Students gain hands on experience recording, editing, mixing and mastering audio. Upon completion, students will have basic knowledge of applied audio concepts, production workflow, equipment functions, and audio editing software. (Same as Digital Media 152).

CSU/UC

Music 153
Video Game Music and Sound Design

Formerly: Introduction to Game Audio

Unit(s): 2.0 Class Hours: 27.00 Lecture, 27.00 Laboratory total.

Introduction to the techniques and implementation of audio production in game design including the incorporation of music, dialog and sound effects. Recording, editing, digital effect application, looping, layering, and mixing for an interactive game environment are covered.

CSU

Music 161
Class Piano I

Unit(s): 1.0 Class Hours: 18.00 Lecture, 18.00 Laboratory total.

Group instruction for beginners emphasizing note reading, basic keyboard skills, chord patterns and sight reading. Practice outside of class required. Practice pianos available on campus. Required for music majors whose principal instrument is not piano. A combination of Music 161, 162, 163, 164A, and 164B may be taken a maximum of four enrollments.

CSU/UC

Music 162
Class Piano II

Unit(s): 1.0 Class Hours: 18.00 Lecture, 18.00 Laboratory total.

Prerequisite: Music 161 with a minimum grade of C.

Group instruction for those possessing basic piano skills, but still classified as beginners. Emphasizes note reading, keyboard technique, chord patterns, and sightreading. Daily practice required. Practice pianos available on campus. Required for music majors whose principal instrument is not piano. A combination of Music 161, 162, 163, 164A, and 164B may be taken a maximum of four enrollments.

CSU/UC

Music 163
Class Piano III

Unit(s): 1.0 Class Hours: 18.00 Lecture, 18.00 Laboratory total.

Prerequisite: Music 162 with a minimum grade of C.

Instruction for students who have completed two semesters of piano and are ready for the intermediate level. Emphasizes building technique, sight reading, and performance. Daily practice required. Practice pianos available on campus. A combination of Music 161, 162, 163, 164A, and 164B may be taken a maximum of four enrollments.

CSU/UC

Music 164A
Intermediate Piano Repertoire I

Unit(s): 1.0 Class Hours: 18.00 Lecture, 18.00 Laboratory total.

Prerequisite: Music 163 with a minimum grade of C.

Instruction for intermediate level students. Emphasizes solo material, technique, sight reading, interpretation, and performance. Daily practice required. Practice pianos available on campus. A combination of Music 161, 162, 163, 164A, and 164B may be taken a maximum of four enrollments.

CSU/UC

Music 164B
Intermediate Piano Repertoire II

Unit(s): 1.0 Class Hours: 18.00 Lecture, 18.00 Laboratory total.

Prerequisite: Music 164A with a minimum grade of C.

Continuation of instruction for advanced intermediate level students. Emphasizes solo material, technique, sight reading, and performance. Daily practice required. Practice pianos available on campus. A combination of Music 161, 162, 163, 164A, and 164B may be taken a maximum of four enrollments.

CSU/UC

Music 168
Stylistic Interpretation of Piano Repertoire

Unit(s): 1.0 Class Hours: 18.00 Lecture, 18.00 Laboratory total.

Prerequisite: Music 163 with a minimum grade of C.

Style characteristics of Baroque, Classical, Romantic and 20th/21st century music studied through representative piano compositions. Students learn to play expressively within currently accepted performance practices for each period. Not for beginners. A combination of Music 168 and 268 may be taken a maximum of four enrollments.

CSU/UC

Music 169
Harmonization At the Keyboard

Unit(s): 1.0 Class Hours: 18.00 Lecture, 18.00 Laboratory total.

Recommended Preparation: Music 161 with a minimum grade of C or beginning level playing experience on the piano.

Beginning keyboard harmonization skills. Includes playing by ear and learning accompaniment patterns in several styles from simple chord progressions. A combination of Music 169 and 269 may be taken a maximum of four enrollments.

CSU/UC

Music 171 (C-ID MUS 180)**Concert Band**

Unit(s): 1.0 Class Hours: 54.00 Laboratory total.

Study and rehearsal of band music for concert performances on campus and in the community. Each semester requires performance of new and different repertoire. Designed for students with basic performance skills. May be repeated.

CSU/UC

Music 173**Beginning Rhythms in Percussion and Drums**

Unit(s): 1.0 Class Hours: 18.00 Lecture, 18.00 Laboratory total.

The introduction of snare drum and drum set in a class situation. Designed to teach the basics of percussion and drum set performance for the beginning student. Emphasis on rhythmic reading, rudimental techniques, and basic drum set coordination various styles.

CSU/UC

Music 175 (C-ID MUS 180)**Jazz Ensemble**

Unit(s): 1.0 Class Hours: 54.00 Laboratory total.

Study, rehearsal, and performance of contemporary jazz/rock music for the jazz ensemble with help in developing techniques of improvisation. Each semester requires performance of new and different jazz repertoire. Designed for students with basic performance skills. May be repeated.

CSU/UC

Music 176**Jazz Band**

Unit(s): 1.0 Class Hours: 54.00 Laboratory total.

Advanced study, rehearsal, and performance of standard and contemporary jazz literature. Includes advanced techniques in improvisation. Each semester requires performance of new and different repertoire. Designed for students with basic performance skills. May be repeated.

CSU/UC

Music 178**Mariachi**

Unit(s): 1.0 Class Hours: 54.00 Laboratory total.

Mixed ensemble for the study, rehearsal, and performance of Mariachi repertoire with an emphasis on the music from Jalisco. Each semester requires the performance of different repertoire. Designed for students who have basic performance skills.

CSU/UC

Music 180A**String Methods**

Unit(s): 1.0 Class Hours: 18.00 Lecture, 18.00 Laboratory total.

Beginning instruction on violin, viola, cello, or string bass. Fundamental skills developed through in-class rehearsal and performance of technical exercises and beginning orchestral repertoire. A combination of Music 180A, 180B, and 180C may be taken a maximum of four enrollments.

CSU/UC

Music 180B**Intermediate String Methods**

Unit(s): 1.0 Class Hours: 18.00 Lecture, 18.00 Laboratory total.

Prerequisite: Music 180A with a minimum grade of C.

Intermediate instruction on violin, viola, cello, or string bass. Skills developed through in-class rehearsal and performance of intermediate technical exercises and orchestral repertoire. A combination of Music 180A, 180B, and 180C may be taken a maximum of four enrollments.

CSU/UC

Music 180C**Advanced String Methods**

Unit(s): 1.0 Class Hours: 18.00 Lecture, 18.00 Laboratory total.

Prerequisite: Music 180B with a minimum grade of C.

Advanced instruction on violin, viola, cello, or string bass. Skills developed through in-class rehearsal and performance of advanced technical exercises and orchestral repertoire. A combination of Music 180A, 180B, and 180C may be taken a maximum of four enrollments.

CSU/UC

Music 181 (C-ID MUS 180)**Chamber Orchestra**

Unit(s): 1.0 Class Hours: 54.00 Laboratory total.

Rehearsal and performance of standard repertoire for chamber orchestra. Each semester requires the performance of a variety of different repertoire. Designed for students who have basic performance skills. May be repeated.

CSU/UC

Music 185**Beginning Classical Guitar**

Unit(s): 1.0 Class Hours: 18.00 Lecture, 18.00 Laboratory total.

Guitar playing techniques of right hand and left hand fingers. Development of correct finger usage. Basic instruction in reading staff notation and relating staff notation to practical playing of solo and ensemble repertoire. Student must furnish nylon string guitar. A combination of Music 185, 186, 187, and 188 may be taken a maximum of four enrollments.

CSU/UC

Music 186**Intermediate Classical Guitar**

Unit(s): 1.0 Class Hours: 18.00 Lecture, 18.00 Laboratory total.

Prerequisite: Music 185 with a minimum grade of C.

Instruction at the intermediate level in solo, duo, and trio repertoire. Emphasizes technique studies and performance styles of 18th-21st century music. Student must provide nylon string guitar. A combination of Music 185, 186, 187, and 188 may be taken a maximum of four enrollments.

CSU/UC

Music 187**Advanced Classical Guitar**

Unit(s): 1.0 Class Hours: 18.00 Lecture, 18.00 Laboratory total.

Prerequisite: MUS 186: Music 186 with a minimum grade of C.

Instruction at the advanced level in solo, duo, and trio repertoire. Emphasizes advanced technical studies and etudes and performance styles of 16th-21st century music. Student must provide nylon string guitar. A combination of Music 185, 186, 187, and 188 may be taken a maximum of four enrollments.

CSU/UC

Music 188**Advanced Classical Guitar Technique and Repertoire**

Unit(s): 1.0 Class Hours: 18.00 Lecture, 18.00 Laboratory total.

Prerequisite: Music 187 with a minimum grade of C.

Music 188-Study of advanced guitar technique, solo literature, and performance practices of 16th-21st Century music. Student must provide nylon string guitar. A combination of Music 185, 186, 187, and 188 may be taken a maximum of four enrollments.

CSU/UC

Music 189
Guitar Ensemble

Unit(s): 1.0 Class Hours: 54.00 Laboratory total.

Rehearsal and performance of standard and current repertoire for guitar ensemble. Each semester requires the performance of a variety of different repertoire. Designed for students who can read notes in first position. May be repeated.

CSU/UC

Music 190
Introduction to ProTools

Unit(s): 1.5 Class Hours: 18.00 Lecture, 27.00 Laboratory total.

Fundamental features and applications of ProTools audio software used in post-production for television, film and music. Orientation to functions, user interface and actual operation of digital audio workstation. Techniques and aesthetics associated with creation of well-mixed soundtracks are addressed. Hands-on practice with digital recording and editing of soundtracks.

CSU

Music 198
Topics

Unit(s): 0.5 - 1.0 Class Hours: 9:00 - 18:00 Lecture total.

Topics of special interest offered to meet the interests and needs of students of music.

CSU/UC

Music 213 (C-ID MUS 140)
Music Theory III

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Music 112 with a minimum grade of C.

Continuation of diatonic harmony from Music 112. Chromatic harmony introduced. Includes non-dominant seventh chords, secondary dominants, modulation, and altered chords. Keyboard harmony. Concurrent enrollment in Music 114A recommended. Required for music majors; open to non-majors.

CSU/UC

Music 214 (C-ID MUS 150)
Music Theory IV

Formerly: Theory 4

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Music 213 with a minimum grade of C.

Continuation of Music 213. Late 19th century harmonic technique, and important aspects of 20th-21st century styles. Analysis and writing of short, compositions. Keyboard harmony. Concurrent enrollment in Music 114B recommended. Required for music majors; open to non-majors.

CSU/UC

Music 215A
Applied Music (Advanced Private Instruction)

Unit(s): 1.5 Class Hours: 92.00 Laboratory total.

Prerequisite: Music 115D with a minimum grade of C and audition and concurrent enrollment in a music ensemble or music theory course.

Advanced lessons in classical music in voice, piano, band/orchestral instrument, or guitar. Weekly requirements include five hours on-campus practice per week, weekly lessons, and weekly recital attendance. A combination of Music 115A, 115B, 115C, 115D, and 215A may be taken a maximum of four enrollments.

CSU/UC

Music 216
Advanced Harmony and Composition I

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Music 214 with a minimum grade of C.

Extension of harmonic studies of Music 213 and 214 into complete small compositions. Emphasizes learning to write effectively for the piano. Introduction to simple contrapuntal techniques and how to combine words with music.

CSU/UC

Music 217
Advanced Harmony and Composition II

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Music 216 with a minimum grade of C.

Extension of Music 213 and Music 214 harmonic studies into complete small compositions. Emphasizes development technique. Explores highly chromatic harmony, dissonance, and selected 20th and 21st century styles of musical composition.

CSU/UC

Music 241
Chamber Music Ensemble

Unit(s): 1.0 Class Hours: 54.00 Laboratory total.

Prerequisite: Audition.

Rehearsal and performance of music of various periods and styles for small instrumental, vocal, or combined ensembles. Each semester requires performance of new repertoire. Designed for students with previous performance experience. May be repeated.

CSU/UC

Music 245
Intermediate Jazz Improvisation and Performance Workshop

Unit(s): 1.0 Class Hours: 18.00 Lecture, 18.00 Laboratory total.

Prerequisite: Music 145 with a minimum grade of C. Prerequisite: Audition.

Performance and analysis of jazz standards and popular pieces in a practical workshop setting at an intermediate level. Elements of improvisation and ensemble playing are stressed. Open to all instrumentalists and vocalists.

CSU/UC

Music 268
Intermediate Keyboard Repertoire

Unit(s): 1.0 Class Hours: 18.00 Lecture, 18.00 Laboratory total.

Prerequisite: Music 168 with a minimum grade of C.

Style characteristics of Baroque, Classical, Romantic, and 20th century music studied through intermediate level piano compositions. Students learn to play expressively within currently accepted performance practices for each period. A combination of Music 168 and 268 may be taken a maximum of four enrollments.

CSU/UC

Music 269
Intermediate Harmonization at the Keyboard

Unit(s): 1.0 Class Hours: 18.00 Lecture, 18.00 Laboratory total.

Prerequisite: Music 169 with a minimum grade of C.

Intermediate keyboard harmonization skills. Includes playing by ear and learning accompaniment patterns in jazz, popular and classical styles using a variety of chord progressions. A combination of Music 169 and 269 may be taken a maximum of four enrollments.

CSU/UC

Music 271 (C-ID MUS 180)
Symphonic Band

Unit(s): 1.0 Class Hours: 54.00 Laboratory total.

The rehearsal and performance of band music. Preparation of standard band repertoire for performances in the community. Each semester requires performance of a variety of new and different repertoire. Designed for students with intermediate or advanced performance skills. May be repeated.

CSU/UC

NURSING-CONTINUING EDUCATION (NCE)

Nursing-Continuing Education 145
Advanced Cardiac Life Support

Unit(s): 1.5 Class Hours: 27.00 Lecture total.

Prerequisite: Nursing-Registered 271 and 271L with a minimum grade of C.

Examines principles of caring for patients experiencing cardiopulmonary emergencies. Includes arrhythmia recognition, psychomotor skills, and medications used to manage cardiac arrest. Current BLS card and fee required. Must contact Health Science Skills Lab at (714) 546-6869 for paperwork BEFORE registration. Grade: Pass/No Pass Only. Grade: Pass/No Pass Only.

CSU

NURSING-REGISTERED (NRN)

Nursing-Registered 098
Topics

Unit(s): 0.5 - 3.0 Class Hours: 9.00-54.00 Lecture total.

Courses on a variety of contemporary topics will be offered to meet the interests and needs of students in the Nursing area. Not offered every semester.

Nursing-Registered 105
Work Experience - Nursing

Unit(s): 1.0 - 4.0 Class Hours: 54.00-216.00 Lecture total.

Co-Requisite: Concurrent enrollment in Nursing-Registered 271L or Nursing-Registered 272L.

This work experience course of supervised employment is designed to assist students to acquire desirable work habits, attitudes, and skills in a field related to the students' major, to enable them to become productive employees. This course also provides students with career awareness for jobs. 54 hours of work equals one unit of course credit. Student repetition is allowed per Title 5, Section 55253. Students may earn a maximum of 14 units of credit for work experience. Grade: Pass/No Pass Only.

CSU

Nursing-Registered 106A
Health Science Skills Laboratory - First Semester

Unit(s): 0.5 Class Hours: 27.00 Laboratory total.

Prerequisite: Enrollment in the Registered Nursing Program or any NCE courses, or being an RN Re-entry student.

Supervised use with supplemental learning assistance of the skills lab to assist the student in the development of clinical competency of nursing fundamentals and mastery of fundamental psychomotor skills content addressed in courses NRN 171, and NRN 171L. Grade: Pass/No Pass Only. Open Entry/Open Exit.

CSU

Nursing-Registered 106B
Health Sciences Skills Laboratory - Second Semester

Unit(s): 0.5 Class Hours: 27.00 Laboratory total.

Prerequisite: Enrollment in the Registered Nursing Program or any NCE courses, or being an RN Re-entry student.

Supervised use with supplemental learning assistance of skills lab to assist the student in development of clinical competency of nursing concepts pertaining to maternal-child health and mastery of psychomotor skills related to maternal-child biological and psychosocial needs addressed in courses NRN 172, and NRN 172L. Grade: Pass/No Pass Only. Open Entry/Open Exit.

CSU

Nursing-Registered 106C
Health Sciences Skills Laboratory - First Year Refresher

Unit(s): 0.5 Class Hours: 27.00 Laboratory total.

Prerequisite: Enrollment in the Registered Nursing Program or any NCE courses, or being an RN Re-entry student.

Supervised use with supplemental learning assistance of skills lab to assist the re-entry student or EMT student in the expansion of clinical competency of principles of nursing and mastery of basic to intermediate psychomotor skills content addressed in courses NRN 171, NRN 171L, NRN 172, NRN 172L, EMT 104 or EMT 105. Grade: Pass/No Pass Only. Open Entry/Open Exit.

CSU

Nursing-Registered 170
Pharmacological Concepts of Nursing

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Prerequisite: Biology 239, Biology 249, and Biology 139 or Biology 229, and English 101 or English 101H with a minimum grade of C.

Corequisite: Concurrent enrollment in: NRN 171 and NRN 171L.

This pharmacology course introduces the concepts within the four domains of Person, Health and Illness, Environment, and Nursing. Emphasis is placed on the concepts within each domain related to pharmacology including: fluid and electrolyte balance, metabolism, central nervous system, cellular regulation, oxygenation, perfusion, reproduction, inflammation, infection, mobility, comfort, stress and coping, mood & affect, cognition, safety & infection control, communication, professional behavior, diversity, health promotion, healthcare systems, clinical reasoning/judgment, and ethics. Further emphasis is placed on dosage calculations, drug classifications, and application of the nursing process to drug administration. Upon completion, students should be able to identify safe nursing care incorporating the concepts discussed in this course.

CSU

Nursing-Registered 171
Principles of Nursing Practice and Simple Concepts

Unit(s): 4.5 Class Hours: 81.00 Lecture total.

Prerequisite: Biology 239, Biology 249, and Biology 139 or Biology 229, and English 101 or English 101H with a minimum grade of C.

Corequisite: Concurrent enrollment in: NRN 170 and NRN 171L.

This course introduces and develops the concepts within the four domains of Person, Health and Illness, Environment, and Nursing. Emphasis is placed on the concepts within each domain including: elimination, metabolism, fluid and electrolyte balance, perfusion, inflammation, infection, mobility, cognition, oxygenation, tissue integrity, comfort, emergencies, safety and infection control, diversity, health promotion, communication, professional behaviors, clinical reasoning/judgment, healthcare system, and ethics. Upon completion, students should be able to identify and explain safe nursing care incorporating the concepts discussed in this course.

CSU

Nursing-Registered 171L **Principles of Nursing Practice and Simple Concepts Lab**

Unit(s): 4.5 Class Hours: 243.00 Laboratory total.

Prerequisite: Biology 239, Biology 249, and Biology 139 or Biology 229, and English 101 or English 101H with a minimum grade of C.

Corequisite: Concurrent enrollment in: NRN 171 and NRN 170

This clinical course applies the concepts of NRN 171 within the four domains of Person, Health and Illness, Environment, and Nursing. Emphasis is placed on the concepts within each domain including: elimination, metabolism, fluid and electrolyte balance, perfusion, inflammation, infection, mobility, cognition, oxygenation, tissue integrity, comfort, emergencies, safety and infection control, diversity, health promotion, communication, professional behaviors, clinical reasoning/judgment, healthcare system, ethics, and clinical competency. Grade: Pass/No Pass Only.

CSU

Nursing-Registered 172 **Family Health and Illness Concepts**

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Prerequisite: Nursing-Registered 170, Nursing-Registered 171, and Nursing-Registered 171L with a minimum grade of P.

Corequisite: Concurrent enrollment in: NRN 172L.

This course describes and relates the concepts within the four domains of Person, Health and Illness, Environment, and Nursing. Emphasis is placed on the concepts within each domain including: physical growth and development, psychosocial development, cognitive development, metabolism, cellular regulation, perfusion, reproduction, infection, comfort, emergencies, oxygenation, inflammation, safety and infection control, diversity, health promotion, communication, professional behaviors, clinical reasoning/judgment, and ethics. Upon completion, students should be able to differentiate safe nursing care incorporating the concepts discussed in this Family Health and Illness Concepts course.

CSU

Nursing-Registered 172L **Family Health and Illness Concepts Lab**

Unit(s): 4.5 Class Hours: 243.00 Laboratory total.

Prerequisite: Nursing-Registered 170 and Nursing-Registered 171 and Nursing-Registered 171L with a minimum grade of P.

Corequisite: Concurrent enrollment in: NRN 171 and NRN 170

This clinical course applies the concepts of NRN 172 within the four domains of Person, Health and Illness, Environment, and Nursing. Emphasis is placed on the concepts within each domain including: physical growth and development, psychosocial development, cognitive development, metabolism, cellular regulation, perfusion, reproduction, infection, comfort, emergencies, oxygenation, inflammation, safety and infection control, diversity, health promotion, communication, professional behaviors, clinical reasoning/judgment, and ethics. Upon completion, students should be able to differentiate safe nursing care incorporating the concepts discussed in this Family Health and Illness Concepts Lab.

CSU

Nursing-Registered 198 **Topics**

Unit(s): 0.5 - 3.0 Class Hours: 9.00-54.00 Lecture total.

Courses on a variety of contemporary topics will be offered to meet the interests and needs of students in the nursing area. Not offered every semester. Open Entry/Open Exit.

CSU

Nursing-Registered 199 **Independent Study**

Unit(s): 1.0-3.0 Class Hours: 18.00-54.00 Lecture total.

Independent study allows students to pursue projects under faculty advisement and supervision. The project may be directed field experience, research, or development of skills and competencies. The proposed project must be approved by a nursing faculty, the Associate Dean of Health Sciences and the Vice President of Academic Affairs prior to registration.

CSU

Nursing-Registered 200 **Role Transition**

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Corequisite: Acceptance into the Nursing Program.

Bridge course for LVN or transfer students with an emphasis on RN role development and application of the nursing process within the Santa Ana College Nursing Conceptual Framework. Review of test-taking strategies, medication calculations, communication techniques, concept mapping, outcomes assessment, fluid balance, and skills testing. Open to all nursing students; required of advanced placement/LVN students entering into the nursing program in any semester other than first semester. Grade: Pass/No Pass Only.

CSU

Nursing-Registered 206A **Health Sciences Skills Laboratory - Third Semester**

Unit(s): 0.5 Class Hours: 27.00 Laboratory total.

Prerequisite: Enrollment in the Registered Nursing Program or any NCE courses, or being an RN Re-entry student.

Supervised use with supplemental learning assistance of skills lab to assist the student in development of clinical competency of mental health nursing and mastery of psychomotor skills content addressed in courses NRN 271, and NRN 271L. Grade: Pass/No Pass Only. Open Entry/Open Exit.

CSU

Nursing-Registered 206B **Health Sciences Skills Laboratory - Fourth Semester**

Unit(s): 0.5 Class Hours: 27.00 Laboratory total.

Prerequisite: Enrollment in the Registered Nursing Program or any NCE courses, or being an RN Re-entry student.

Supervised use with supplemental learning assistance of skills lab to assist the student in development of clinical competency of advanced medical/surgical nursing concepts and mastery of advanced medical/surgical psychomotor skills content addressed in courses NRN 272, and NRN 272L. Grade: Pass/No Pass Only. Open Entry/Open Exit.

CSU

Nursing-Registered 206C **Health Sciences Skills Laboratory - Second Year Transition**

Unit(s): 0.5 Class Hours: 27.00 Laboratory total.

Prerequisite: Enrollment in the Registered Nursing Program or any NCE courses, or being an RN Re-entry student.

Supervised use with supplemental learning assistance of skills lab to assist the RN refresher, advanced placed nursing student, or EMT student in the development and maintenance of clinical competency of nursing theoretical knowledge and mastery of advanced psychomotor skills content necessary for the transition into clinical practice as addressed in courses NRN 271, NRN 271L, NRN 272, and NRN 272L; EMT 104, or EMT 105. Grade: Pass/No Pass Only. Open Entry/Open Exit.

CSU

Nursing-Registered 271
Mental Health and Acute Concepts

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Prerequisite: Nursing-Registered 172 with a minimum grade of C and Nursing-Registered 172L with a minimum grade of P.

Corequisite: Concurrent enrollment in: NRN 271L.

This course examines the concepts within the four domains of Person, Health and Illness, Environment, and Nursing. Emphasis is placed on the concepts within each domain including: metabolism, emergencies, stress & coping, mood & affect, cognition, addictive behavior, central nervous system regulation, cellular regulation, oxygenation, perfusion, inflammation, infection, mobility, comfort, safety & infection control, diversity, health promotion, communication, professional behaviors, clinical reasoning/judgment, health care system, and ethics. Upon completion, students should be able to analyze safe nursing care incorporating the concepts discussed in this course.

CSU

Nursing-Registered 271L
Mental Health and Acute Concepts Lab

Unit(s): 4.5 Class Hours: 243.00 Laboratory total.

Prerequisite: Nursing-Registered 172 with a minimum grade of C and Nursing-Registered 172L with a minimum grade of P.

Corequisite: Concurrent enrollment in: NRN 271

This clinical course applies the concepts of NRN 271 within the four domains of Person, Health and Illness, Environment, and Nursing. Emphasis is placed on the concepts within each domain including: metabolism, emergencies, stress & coping, mood & affect, cognition, addictive behavior, central nervous system regulation, cellular regulation, oxygenation, perfusion, inflammation, infection, mobility, comfort, safety & infection control, diversity, health promotion, communication, professional behaviors, clinical reasoning/judgment, health care system, ethics and clinical competency. Grade: Pass/No Pass Only.

CSU

Nursing-Registered 272
Complex Concepts

Unit(s): 3.5 Class Hours: 63.00 Lecture total.

Prerequisite: Nursing-Registered 271 with a minimum grade of C and Nursing-Registered 271L with a minimum grade of P.

Corequisite: Concurrent enrollment in: NRN 272L.

This course formulates the concepts within the four domains of Person, Health and Illness, Environment, and Nursing. Emphasis is placed on the concepts within each domain including: fluid and electrolyte balance, metabolism, central nervous system regulation, oxygenation, perfusion, tissue integrity, infection, mobility, comfort, emergencies, safety & infection control, diversity, health promotion, communication, professional behavior, clinical reasoning/judgment, health care system, and ethics. Upon completion, students should be able to synthesize safe nursing care incorporating the concepts discussed in this course.

CSU

Nursing-Registered 272L
Complex Concepts and Preceptorship Lab

Unit(s): 4.5 Class Hours: 243.00 Laboratory total.

Prerequisite: Nursing-Registered 271 with a minimum grade of C and Nursing-Registered 271L with a minimum grade of P.

Corequisite: Concurrent enrollment in: NRN 272

This clinical course applies the concepts of NRN 272 within the four domains of Person, Health and Illness, Environment, and Nursing. Emphasis is placed on the concepts within each domain including: fluid and electrolyte balance, metabolism, central nervous system regulation, oxygenation, perfusion, tissue integrity, infection, mobility, comfort, emergencies, safety & infection control, diversity, health promotion, communication, professional behaviors, clinical reasoning/judgment, health care system, ethics, and clinical competency. Upon completion, students should be able to synthesize safe nursing care incorporating the concepts discussed in this course. Grade: Pass/No Pass Only.

CSU

NUTRITION AND FOOD (NUTR)

Nutrition and Food 101
The Food System and Career Opportunities

Unit(s): 1.5 Class Hours: 27.00 Lecture total.

Exploration of career opportunities and projected employment trends in dietetics, food science, and the food industry. Includes educational requirements for nutrition and dietetics majors, skill preparation, professional organizations, and ethics.

CSU

Nutrition and Food 110 (C-ID HOSP 110)
Food Safety and Sanitation

Formerly: Food Sanitation and Safety

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Sanitation practices affecting individual operations. Prevention and control of foodborne illnesses through flow of food and HACCP management. Also includes study of worker safety. (Same as Culinary Arts 110).

CSU

Nutrition and Food 112
Food Service Nutrition

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Principles of nutrition and their application to personal lifestyle and a professional kitchen through an analysis of marketing, food trends, menu design, and recipe modification.

CSU

Nutrition and Food 115
Nutrition

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Scientific concepts of nutrition related to the function of nutrients in basic life processes and current health issues with an emphasis on individual needs.

CSU/UC

Nutrition and Food 115H
Honors Nutrition

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: A college GPA or high school GPA for first term college students of 3.0 or higher.

Scientific concepts of nutrition related to the function of nutrients in basic life processes and current health issues with an emphasis on individual needs. Content enriched for honors students to provide a critical and extensive exploration of the significant areas of nutrition, including topics related to nutrition and disease states.

CSU/UC

Nutrition and Food 116 **Principles of Food Preparation**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Application of scientific principles in the preparation of selected food products with emphasis on physical and chemical properties of food; methods and techniques of food preparation; factors that contribute to quality of prepared foods. Same as CULN 116. (Same as Culinary Arts 116).

CSU

Nutrition and Food 120 **Food and Culture**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course examines the regional, ethnic, cultural, religious, historical, and social influences on food patterns, cuisines, and health and the perspective of traditional and contemporary food customs within cultures. Major emphasis on United States cultures, including Native American, Hispanic American, African American, and Asian American. Opportunities to explore personal cultural food experiences.

CSU/UC

Nutrition and Food 121 **Sports Nutrition**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Overview of the role nutrition plays in sports and athletic performance. An emphasis on energy and nutrient needs, determination of hydration status, sport specific nutrient recommendations, body composition, and supplementation guidelines.

CSU/UC

OCCUPATIONAL STUDIES (OS)

Occupational Studies 301 **Therapeutic Approaches to the Older Adult**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Limitation on enrollment: Student must be admitted to the Occupational Studies program.

This course will build upon the developmental concepts of aging to examine quality of life in older adulthood. The focus of this course will be on evaluating older adults from an occupational perspective and analyzing the skills needed to maintain independence and to successfully participate in meaningful activities throughout the older years.

Occupational Studies 304 **Movement Theory & Analysis**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Limitation on enrollment: Student must be admitted to the Occupational Studies program.

Movement is a significant aspect of occupational performance. This course will focus on current theories of motor control and motor learning with an emphasis of how these theories can be applied to provide evidence-based practice to people with motor dysfunction.

Occupational Studies 305 **Advanced Pediatric Practice for the Occupational Therapy Assistant (OTA)**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Limitation on enrollment: Student must be admitted to the Occupational Studies program.

This course will build upon developmental concepts relative to pediatric Occupational Therapy (OT) practice. The focus of this course will be to examine a variety of settings related to pediatric occupational therapy practice and provide OT treatment to pediatric clients in these settings.

Occupational Studies 310 **Community-Based Occupational Therapy Practice**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Limitation on enrollment: Student must be admitted to the Occupational Studies program.

This course will focus on the practice of Occupational Therapy (OT) in community-based settings. This will include an in-depth analysis of the history and growth of OT practice in the community. Students will analyze the role of OT in community settings with a variety of populations and develop a plan for a community based program.

Occupational Studies 312 **Advanced Practice Areas in Occupational Therapy (OT)**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Limitation on enrollment: Student must be admitted to the Occupational Studies program.

This course will provide a study of the advanced practice areas in occupational therapy. Advance practice areas in occupational therapy include: physical agent modalities (PAMs), hand therapy and feeding and swallowing. This class will focus on the theory and application of PAMs for the use in occupational therapy; the fundamentals of hand therapy including treatment guidelines in occupational therapy; and feeding and swallowing issues with the occupational therapy client.

Occupational Studies 325 **Applying Research to Occupational Therapy Intervention**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Limitation on enrollment: Student must be admitted to the Occupational Studies program.

The focus on this course is to utilize research in evidence-based practice of occupational therapy. This class will focus on obtaining evidence, evaluating research and utilizing qualitative research.

Occupational Studies 402 **Neurological Principles in Human Performance**

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Prerequisite: Limitation on enrollment: Student must be admitted to the Occupational Studies program.

This course will provide an in-depth study of the neurologic principles used in rehabilitation practice. This will focus on understanding the structures and function of the central and peripheral nervous systems and to the sequelae of injury to these systems. There will be an emphasis on cognitive, visual, and perceptual problems in adults with acquired brain injury. This course will also look at the role of the nervous system in various aspects of human behavior.

Occupational Studies 403 **Leadership for the Occupational Therapy Assistant (OTA)**

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Prerequisite: Limitation on enrollment: Student must be admitted to the Occupational Studies program.

This course will focus on leadership and the types of leadership that relate to the work of the OTA. Topics will include leadership, advocacy, promotion, supervision, fieldwork, ethical considerations, and participation in professional organizations.

Occupational Studies 410 Healthcare Systems

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Limitation on enrollment: Student must be admitted to the Occupational Studies program.

This course will cover the various healthcare systems that influence the practice of occupational therapy. Topics will include economics, types of insurance, healthcare policies, ongoing healthcare reform, and the role of technology. As a part of this course students will complete an independent, in-depth study of one of the key practice areas in OT as identified by the American Occupational Therapy Association (AOTA).

Occupational Studies 412 Capstone Seminar

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Limitation on enrollment: Student must be admitted to the Occupational Studies program.

This Capstone Seminar is designed to demonstrate the student's accumulated training through the development of a project that reflects theory, advanced knowledge of practice, and innovation. Each student will complete a project that is individually mentored and demonstrates an increased level of self-direction. Grade: Pass/No Pass Only.

OCCUPATIONAL THERAPY ASSISTANT (OTA)

Occupational Therapy Assistant 100 Medical Terminology and Documentation for the O.T.A.

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

Prerequisite: Biology 149 or Biology 239 and Biology 249 with a minimum grade of C.

This course will offer an introduction to basic medical terminology and documentation appropriate to practice needs of the Occupational Therapy Assistant.

CSU

Occupational Therapy Assistant 101 Foundations of Occupation and Occupational Therapy

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

This course defines and explores occupation as it is used to provide the foundation for study of the occupational therapy profession. It further provides an overview of the history and development of occupational therapy as well as the dimensions of past and present practice.

CSU

Occupational Therapy Assistant 101L Exploration of Occupation Through Activity

Unit(s): 2.0 Class Hours: 108.00 Laboratory total.

Prerequisite: English 101/101H, and Communication Studies 101/101H, or 102/102H or 103/103H or 140 or 145 with a minimum grade of C.

In this lab class, students will explore the meaning and variability of occupation through self-analysis of occupational patterns, perform task analysis of varied activities, and have the opportunity to observe and practice teaching and learning skills.

CSU

Occupational Therapy Assistant 102 Psychosocial Function and Dysfunction

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Prerequisite: Occupational Therapy Assistant 100, Occupational Therapy Assistant 101, Occupational Therapy Assistant 101L and Occupational Therapy Assistant 110 with a minimum grade of C.

This course will define and explore psychosocial phenomena commonly seen by the Occupational Therapy Assistant and will examine evaluation techniques, functional deficits, and methods of treatment.

CSU

Occupational Therapy Assistant 102L Psychosocial Components of Occupation

Unit(s): 2.0 Class Hours: 108.00 Laboratory total.

OTA 100, 101, 101L, and 110: Occupational Therapy Assistant 100, Occupational Therapy Assistant 101, Occupational Therapy Assistant 101L and Occupational Therapy 110 with a minimum grade of C.

This course will explore the occupational therapy assistant's role in therapeutic relationships, in administering assessments used primarily in pediatric, adolescent, and adult psychosocial settings, and in therapeutic group design and facilitation.

CSU

Occupational Therapy Assistant 103 Physical Function and Dysfunction

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Prerequisite: Occupational Therapy Assistant 102L, Occupational Therapy Assistant 111 and Occupational Therapy Assistant 115 with a minimum grade of C.

This course will focus on the occupational function of the child, adolescent, and adult which emphasizes the physical components of development, the continuum of function/dysfunction of the client and the role of the O.T.A. in assessment and treatment of commonly seen physical dysfunction diagnosis.

CSU

Occupational Therapy Assistant 103L Physical Components of Occupation

Unit(s): 2.0 Class Hours: 108.00 Laboratory total.

Prerequisite: OTA 102, 102L, 111, and 115: Occupational Therapy Assistant 102, Occupational Therapy Assistant 102L, Occupational Therapy Assistant 111 and Occupational Therapy Assistant 115 with a minimum grade of C.

This lab course explores the Occupational Therapy Assistant's role in safety, assessments and treatment techniques commonly used by occupational therapists in physical dysfunction settings.

CSU

Occupational Therapy Assistant 110 Human Occupation Across Lifespan

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course will explore human occupation across lifespan with an emphasis on the relationship between human development and occupational choice. Physical, cognitive, psychological, social, and linguistic developmental milestones and changes will be covered from fetal development through old age.

CSU

Occupational Therapy Assistant 111 Applied Kinesiology

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

Prerequisite: Occupational Therapy Assistant 100, 101, 101L, and 110 with a minimum grade of C.

This course will focus on understanding human movement as an integral component of occupational performance and will examine how kinesiology and biomechanics are utilized in treatment by the Occupational Therapy Assistant.

CSU

Occupational Therapy Assistant 115 Human Disease and Occupation

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Prerequisite: Occupational Therapy Assistant 100, 101, 101L, and 110 with a minimum grade of C.

This class will explore diseases that are commonly seen in occupational therapy practice and the effect they have on participation in occupation. Each disease will be covered in terms of etiology, prognosis, prevention, pathophysiology, medical management, precautions, and lifestyle redesign required as a result of the disease.

CSU

Occupational Therapy Assistant 120 Level I Fieldwork Part A

Unit(s): 1.0 Class Hours: 54.00 Laboratory total.

Prerequisite: Occupational Therapy Assistant 100, 101, 101L, and 110 with a minimum grade of C.

The purpose of level I fieldwork is for the student to apply academic knowledge to OT practice. The student will develop their skills through directed observation and participation in a psychosocial setting or virtual standardized patient care.

CSU

Occupational Therapy Assistant 125 Developing OTA Documentation Skills

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

The course is designed to improve the documentation skills of the occupational therapy assistant student through the use of lectures, standardized patients, and practice. Topics will include documentation formats and improving writing skills through the use of professional terminology, approved abbreviations, accurate levels of assistance and clinical reasoning. Grade: Pass/No Pass Only.

CSU

Occupational Therapy Assistant 130 Level I Fieldwork Part B

Unit(s): 1.0 Class Hours: 54.00 Laboratory total.

Prerequisite: Occupational Therapy Assistant 102, 102L, 111, and 115 with a minimum grade of C.

The purpose of level I fieldwork is for the student to apply academic knowledge to OT practice. The student will develop their skills through directed observation and participation in a physical dysfunction setting or virtual standardized patient care.

CSU

Occupational Therapy Assistant 201 Contemporary Models of Occupational Therapy Practice

Unit(s): 4.0 Class Hours: 54.00 Lecture, 54.00 Laboratory total.

Prerequisite: Occupational Therapy Assistant 102, Occupational Therapy Assistant 102L, Occupational Therapy Assistant 111 and Occupational Therapy Assistant 115 with a minimum grade of C.

This lecture/lab course explores the multiple roles of the occupational therapy assistant in documentation, service management, professional behaviors, non-traditional roles, and contemporary models of practice.

CSU

Occupational Therapy Assistant 202 Level II Fieldwork - Part I

Unit(s): 6.0 Class Hours: 360.00 Laboratory total.

Prerequisite: Occupational Therapy Assistant 103, 103L and 201 with a minimum grade of C.

Supervised fieldwork experience in an occupational therapy practice setting that will provide the student appropriate opportunities to apply learned knowledge and skills. Grade: Pass/No Pass Only.

CSU

Occupational Therapy Assistant 203 Level II Fieldwork - Part II

Unit(s): 6.0 Class Hours: 360.00 Laboratory total.

Prerequisite: Occupational Therapy Assistant 103, Occupational Therapy Assistant 103L, and Occupational Therapy Assistant 201 with a minimum grade of C.

Supervised fieldwork experience in an occupational therapy practice setting that will provide the student appropriate opportunities to apply knowledge and skills learned in the classroom. Grade: Pass/No Pass Only.

CSU

Occupational Therapy Assistant 225 OTA Exam Preparation

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

The course is designed to supplement the preparation occupational therapy assistant students need when getting ready to take the National Board for Certification in Occupational Therapy. Students will practice interpreting and answering mock exam questions while assessing current knowledge and improving critical reasoning skills. Grade: Pass/No Pass Only.

CSU

PARALEGAL (PARA)

Paralegal 100 (C-ID LPPS 110) Law and Society

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Overview of the legal system including the courts, participants and various sources of law in the American legal system and how society is affected. Review of the legal and judicial process in the United States covering the adversarial system, jurisdiction of federal and state courts, and the general process of judicial review and how different segments of society are affected. Explanation of different sources of law including statutes, court cases and administrative agency rules. Review of basic legal reasoning and introductory legal research methods. Introduction to substantive areas of law and the effect the law has in various groups and individuals in our system. Review of the role and regulation of legal professionals, legal ethics and consumer protection laws, and their effect on providing legal services to various segments of society. (Same as Law 100).

CSU/UC

Paralegal 101 Law Office Management

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Structure and procedures of the law office. Emphasis on time management, the role of paralegals and paralegal administrators in the law office, ethics in the law office, client property regulations, time keeping and billing, and technology management in a law office.

CSU

Paralegal 105 Work Experience - CLIRRC Occupational

Formerly: Cooperative Work Experience

Unit(s): 1.0 - 4.0 Class Hours: 216.00 Lecture total.

This work experience course of supervised employment is designed to assist students that are participating in the Community Legal Information Resource and Referral Clinic (CLIRRC) to acquire desirable work habits, attitudes and skills in a field related to the students' major to enable them to become productive employees. This course also provides students with career awareness for jobs. 54 hours of work equals one unit of course credit. Student repetition is allowed per Title 5, section 55253. Students may earn a maximum of 14 units of credit for work experience.

CSU

Paralegal 107 (C-ID AJ 122)
Principles and Procedures in the Criminal Justice System

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An examination and analysis of due process in criminal proceedings from pre-arrest through trial and appeal, utilizing statutory law and state and constitutional law precedents. (Same as Paralegal 107).
 CSU

Paralegal 117
Law of Global Commerce and Management

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Learn to create business contracts in the global marketplace and how to use the U.N. Convention on Contracts for the International Sale of Goods. Learn about financial mechanisms and laws regulating international distribution. Learn about international limited liability companies, and foreign direct investment. Learn how countries join together to create trade. Includes NAFTA/USMCA, GATT, the EU and other trade agreements around the world. Explore management and law in different legal environments as well as U.S. export regulations.
 CSU

Paralegal 120
Computers in the Law Office

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Exploration of technology utilized in a legal service office environment. Study of legal focused software and applications.
 CSU

Paralegal 121 (C-ID LPPS 120)
Legal Ethical Reasoning

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course provides an introduction to concepts and theories of ethical decision-making, moral conduct, obligation and permission, justice, responsibility, as applied to the Legal Profession. The course will explore the application of the California Rules of Professional Conduct as applied to the legal profession and society in general. (Same as Law 121).
 CSU

Paralegal 122
Advanced Life Planning

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course is intended to prepare the student to assist an attorney in a probate, estate planning and or elder law practice. The course is intended to provide the student with the skill set and knowledge base to assist in the preparation of wills, trusts, estate planning documentation, probate documents, charitable trusts, guardianships, conservatorships, family law issues as related to elder law, age discrimination, elder abuse and termination of life planning.
 CSU

Paralegal 131
Advanced ADR Practice

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Study of the practical aspects of the Paralegal's role in assisting an attorney in Alternative Dispute Resolution.
 CSU

Paralegal 132
Family Law and Procedure

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Study of basic substantive law and procedures in family law. Court procedures for divorce, annulment, temporary and permanent support, restraining orders, division of community property, and child custody procedures including adoption and paternity actions.
 CSU

Paralegal 133
Workers Compensation Law and Procedure

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Study of the laws and procedures related to worker's compensation. Covers medical-legal problems attendant to on-the-job injuries, disabilities and benefits due employees, court litigation, administrative hearings, and out-of-court processes.
 CSU

Paralegal 134
Estate Planning and Administration

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Probate and estate planning procedures. Study of the Paralegal's role in drafting estate planning and administration documents, assisting attorneys in administration of estates, and monitoring asset and fiduciary accountings. Study of basic estate planning, probate laws, wills, trusts, and taxes.
 CSU

Paralegal 135
Bankruptcy Law and Procedure

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Federal bankruptcy act and court procedures for the paralegal, the functions of the bankruptcy trustee, and a detailed examination of the process of being declared a bankrupt. May require a field trip.
 CSU

Paralegal 136
Landlord Tenant Law and Procedure

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

A study of the laws and procedures of landlord and tenant law including eviction, unlawful detainee and rental agreements. A study of the role of a paralegal in a law practice that specializes in landlord/tenant relationships.
 CSU

Paralegal 138
Law of Business Organizations

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Laws of the California Corporations Code. Students prepare articles of incorporation, minutes, by-laws, stock, and stock transfer. Agency law and partnership laws. Students will understand compliance regulations.
 CSU

Paralegal 139
Fundamentals of Labor Law

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

An introduction to labor law and the judicial system. The course will examine major areas of labor law including the complaint, conference, hearings and appeals.
 CSU

Paralegal 140
Immigration Law and Procedure

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Basic study of Immigration Law in the United States, with focus on preparation of those forms used by immigrants to secure benefits. Computerized preparation of forms and procedures for filing with INS will be emphasized. Marketing procedures for paralegals involved in Immigration Law will be analyzed, and ethical considerations to avoid the illegal practice of law will be covered.
 CSU

Paralegal 144 **Introduction to eDiscovery**

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Focus on the discovery phase of litigation with specific instruction on eDiscovery. The study of the California Rules of Court, California Statutes and procedures for e-filing and eDiscovery regulations regarding the retention and production of electronic data in a civil litigation case. Practical applications for paralegals.

CSU

Paralegal 145 **Civil Litigation Overview**

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Overview of California procedures from acceptance of a case through trial. Planning litigation, motions, discovery, and trial preparation. Preparation of pleadings. Overview of California discovery rules, preparation of discovery documents, and responses.

CSU

Paralegal 146 **Tort Law and Alternative Dispute Resolution**

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Learn about the different types of Torts including: intentional torts, negligence, strict liability, product liability, damages, immunity, and defenses to torts. Learn how to apply principles of insurance law and procedures for the investigation of personal injury cases. Students will review the principles of dispute resolution through negotiation, mediation, and arbitration. Students will mediate impartially and use tools to maximize negotiation effectiveness. The course includes application of mediation skills in the law office.

CSU

Paralegal 150 **Legal Transactions**

Unit(s): 5.0 Class Hours: 90.00 Lecture total.

Introduction to contracts and drafting legal documents for corporations and real estate transactions. Topics include: contract formation, performance, breach, and third party interests. Students will learn the laws of the California Corporations Code and the laws governing real estate transactions. Learn how to draft various contracts and other documents and select, edit, and customize formbook and computerized forms in real property, corporations, family law, and estate planning.

CSU

Paralegal 205 (C-ID HOSP 150) **Hospitality Law**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

The course provides students with the U.S. Legal System's fundamental knowledge to help minimize potential liability and lawsuits in the Hospitality Industry. (Same as Culinary Arts 205).

CSU

Paralegal 246 **Legal Research and Analysis**

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Principles of legal research, legal analysis, and techniques for the Paralegal to assist an attorney in the delivery of legal services to their client.

CSU

Paralegal 248 **Advanced Research and Writing**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Paralegal 246 with a minimum grade of C.

Advanced projects in legal research and writing with an emphasis on legal structure and style. Students must pass Para 246 with a C or better prior to taking Para 248.

CSU

Paralegal 297 **The Professional Paralegal**

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

This is the capstone class to the Paralegal associate degree and certificate. Students will demonstrate their knowledge of ethics, legal principles, and the technical skills necessary for entry level employment as a paralegal. This course is to be taken in the semester of or prior to graduation. This course will include preparation of graduation petitions, professional resumes and a professional portfolio that will include work prepared in PARA 101, PARA 121, PARA 120, PARA 145 and PARA 150. Students will be required to certify they are in the second to last or last semester prior to graduation. Grade: Pass/No Pass Only.

CSU

Paralegal 299 **Work Experience - Paralegal**

Unit(s): 1.0 - 4.0 Class Hours: 54.00-216.00 Lecture total.

This work experience course of supervised employment is designed to assist students to acquire desirable work habits, attitudes and skills in a field related to the students' major so as to enable them to become productive employees in the paralegal profession. This course also provides students with career awareness for jobs. 54 hours of work equals one unit of course credit. Student repetition is allowed per Title 5, section 55253. Students may earn a maximum of 14 units of credit for work experience. Grade: Pass/No Pass Only.

CSU

PHARMACY TECHNOLOGY (PHAR)

Pharmacy Technology 048 **Introduction to Pharmacy Technology**

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Overview of the SAC Pharmacy Technician training program. Definition of the roles and preview of the opportunities open to pharmacy technicians in various practice settings. Presentation of pharmaceutical dosage forms, the drug development process, and drug classification systems. Introduction to prescription labeling and to the law and ethics of pharmacy practice.

Pharmacy Technology 051 **Body Systems I**

Unit(s): 3.5 Class Hours: 63.00 Lecture total.

Anatomy, physiology, pathology, and pharmacology of the musculoskeletal, respiratory, renal, and cardiovascular systems. Basic terminology, with emphasis on word analysis and construction, medical abbreviations, and lay terms. Trade/generic names and indications for each body system.

Pharmacy Technology 052 **Body Systems II**

Unit(s): 3.5 Class Hours: 63.00 Lecture total.

Anatomy, physiology, pathology, and pharmacology of the integumentary, endocrine, gastrointestinal, and nervous systems. Basic terminology, with emphasis on word analysis and construction, medical abbreviations, and lay terms. Trade/generic drug names and indications for medications in each body system. Emphasis on top 200 drugs.

Pharmacy Technology 055
Pharmacy Calculations

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

This course introduces students to calculations related to drug dosage and preparation of medications. Interconversion of units in the metric and common systems of measurement are included. There is emphasis on unit-cancellation for solving pharmacy situation problems.

Pharmacy Technology 056
Pharmacy Operations

Unit(s): 4.5 Class Hours: 54.00 Lecture, 90.00 Laboratory total.

Prerequisite: Pharmacy Technology 048 and Pharmacy Technology 051 or Pharmacy Technology 052, and Pharmacy Technology 055 or Pharmacy Technology 054B with a minimum grade of C. Typing proficiency minimum of 30 wpm with 95% accuracy. Typing proficiency minimum of 30 wpm 95% accuracy.

Hands-on training in customer service, inventory control, compounding, packaging, record-keeping, and drug distribution in the outpatient pharmacy setting. Includes prescription lab simulations and use of computers.

Pharmacy Technology 056L
Pharmacy Technology Skills Lab

Unit(s): 0.5 - 1.0 Class Hours: 27.00 - 54.00 Laboratory total.

Corequisite: Concurrent enrollment Pharmacy Technology 056.

Supervised use of the Pharmacy Technology skills lab (a supplemental learning assistance course) to assist the students in developing competency in the technical skills required to successfully complete the Pharmacy Operations lab class. Additionally, this Skills Lab class allows students working in one setting of pharmacy to come back and practice skills in another setting. Skills lab class also allows students with significant time lapsed from program attendance to prepare for externship or job placements. Significant time lapsed is defined as 1 year by departmental policy in compliance with the American Society of Health-System Pharmacists' re-accreditation body. Lab hours verified by sign-in. One-half (0.5) unit is required for the Advanced Certificate and A.S. degree. Open Entry/Open Exit.

Pharmacy Technology 057
Inpatient Pharmacy Services

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Prerequisite: Pharmacy Technology 048 and Pharmacy Technology 051 or Pharmacy Technology 052, and Pharmacy Technology 055 or Pharmacy Technology 054B with a minimum grades of C. Typing proficiency of 30 WPM with 95% accuracy.

Technical aspects of drug distribution for the inpatient (hospital) pharmacy setting. Hands-on training in medication order processing, pharmacy patient profile maintenance, medication preparation (includes packaging), and inpatient drug distribution using manual and automated systems. Includes electronic and manual record-keeping, pharmacy law, and CQI. Hands-on training in medication reconciliation in the emergency room setting. Develop and enhance communication and patient-interviewing skills through various communication methods.

Pharmacy Technology 057L
Pharmacy Technology Skills Lab

Unit(s): 0.5 - 1.0 Class Hours: 27.00 - 54.00 Laboratory total.

Corequisite: Concurrent enrollment Pharmacy Technology 057.

Supervised use of the Pharmacy Technology skills lab (a supplemental learning assistance course) to assist the students in developing competency in the technical skills required to successfully complete the Inpatient Pharmacy Services lab class (PHAR 057). Additionally, this Skills Lab class allows students working in one setting of pharmacy to come back and practice skills in another setting. Skills lab class also allows students with significant time lapsed from program attendance to prepare for externship or job placements. Significant time lapsed is defined as 1 year by departmental policy, in compliance with the American Society of Health-System Pharmacists' re-accreditation body. Lab hours are verified by sign-in. One-half (0.5) unit is required for the Advanced Certificate and A.S. degree. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Pharmacy Technology 060
Sterile Products

Unit(s): 4.5 Class Hours: 54.00 Lecture, 90.00 Laboratory total.

Prerequisite: Pharmacy Technology 048 and Pharmacy Technology 051 or Pharmacy Technology 052, and Pharmacy Technology 055 or Pharmacy Technology 054B with a minimum grade of C. Typing proficiency of 30 WPM with 95% accuracy.

Application of aseptic techniques and use of the laminar flow hood in the preparation of sterile products in accordance to USP 797. Emphasis on parenteral calculations, sterile dosage forms, and quality assurance procedures. Includes the pharmacology of antimicrobial and antineoplastic drugs.

Pharmacy Technology 060L
Pharmacy Technology Skills Lab

Unit(s): 0.5 - 1.0 Class Hours: 27.00 - 54.00 Laboratory total.

Corequisite: Concurrent enrollment Pharmacy Technology 060.

Supervised use of the Pharmacy Technology skills lab (a supplemental learning assistance course) to assist the students in developing competency in the technical skills required to successfully complete the Sterile Products lab class (PHAR 060). Additionally, this Skills Lab class allows students working in one setting of pharmacy to come back and practice skills in another setting. Skills lab class also allows students with significant time lapsed from program attendance to prepare for externship or job placements. Significant time lapsed is defined as 1 year by departmental policy in compliance with the American Society of Health-System Pharmacists' re-accreditation body. Lab hours verified by sign-in. One-half (0.5) unit is required for the Advanced Certificate and A.S. degree. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Pharmacy Technology 072A
Pharmacy Technology Externship Outpatient

Unit(s): 0.5 - 2.0 Class Hours: 40.00-120.00 Laboratory total.

Prerequisite: Pharmacy Technology 056 with a minimum grade of C, and background checks, health screenings, current TB clearance, and drugs test clearance.

On-site training in the outpatient (retail) practice setting. Students must complete PHAR 056 lab class to qualify for the outpatient rotation. Students must pass the trade-generic test prior to placement. Some sites require additional background, health screenings, and drugs tests. Completion of the outpatient rotation PHAR 072A is required for the Basic Certificate. Completion of PHAR 072A, PHAR 072B, PHAR 072C rotations (320 hours) is required for the advanced certificate and Associate Degree. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Pharmacy Technology 072B**Pharmacy Technology Externship Inpatient**

Unit(s): 0.5 - 1.5 Class Hours: 36.00-100.00 Laboratory total.

Prerequisite: Pharmacy Technology 056 and Pharmacy Technology 057 with a minimum grade of C, and background checks, health screenings, current TB clearance, and drugs test clearance.

On-site training in the inpatient (hospital) practice setting. Students must complete the following lab courses prior to placement: PHAR 057 and PHAR 056. Students must pass the trade-generic test prior to placement. Some sites require additional background, health screenings, and drugs tests. Completion of PHAR 072A, PHAR 072B, PHAR 072C rotations (320 hours) is required for the advanced certificate and Associate Degree. At the end of the rotation, the instructor will use the attendance records and competency forms as input from preceptors to assess the student learning outcomes and to help determine final grades. Students can refer to the course overview to understand the details of final grade assignments. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Pharmacy Technology 072C**Pharmacy Technology Externship Sterile Products**

Unit(s): 0.5 - 1.5 Class Hours: 36.00-100.00 Laboratory total.

Prerequisite: Pharmacy Technology 060 with a minimum grade of C, and background checks, health screenings, current TB clearance and drugs test clearance.

On-site training in the home infusion or sterile products pharmacy practice setting. Students must complete the following lab course prior to placement: PHAR 060. Students must pass the trade-generic test prior to placement. Some sites require additional background, health screenings, and drugs tests. Completion of PHAR 072A, PHAR 072B, PHAR 072C rotations(320 hours) is required for the advanced certificate and Associate Degree. At the end of the rotation, the instructor will use the attendance records and competency forms as input from preceptors to assess the student learning outcomes and to help determine final grades. Students can refer to the course overview to understand the details of final grade assignments. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Pharmacy Technology 072L1**Pharmacy Technology Skills Lab**

Unit(s): 0.5 - 1.0 Class Hours: 27.00 - 54.00 Laboratory total.

Corequisite: Concurrent enrollment in Pharmacy Technology 056. Returning students who took Pharmacy Technology 056 can take Pharmacy Technology 072L-1 alone.

Supervised use of the Pharmacy Technology skills lab (a supplemental learning assistance course) to assist the students in developing competency in the technical skills required to successfully complete the Outpatient Pharmacy Technology Externship rotation (PHAR 072). Additionally, this Skills Lab class allows students working in one setting of pharmacy to come back and practice skills in another setting. Skills lab class also allows students with significant time lapsed from program attendance to prepare for externship or job placements. Significant time lapsed is defined as 1 year by departmental policy in compliance with the American Society of Health-System Pharmacists' re-accreditation body. Lab hours verified by sign-in. One-half (0.5) unit is required for the Advanced Certificate and A.S. degree. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Pharmacy Technology 072L2**Pharmacy Technology Skills Lab**

Unit(s): 0.5 - 1.0 Class Hours: 27.00 - 54.00 Laboratory total.

Corequisite: Concurrent enrollment Pharmacy Technology 057. Returning students who took Pharmacy Technology 057 can take Pharmacy Technology 072L-2 alone.

Supervised use of the Pharmacy Technology skills lab (a supplemental learning assistance course) to assist the students in developing competency in the technical skills required to successfully complete the Inpatient Pharmacy Technology Externship rotation (PHAR 072). Additionally, this Skills Lab class allows students working in one setting of pharmacy to come back and practice skills in another setting. Skills Lab class also allows students with significant time lapsed from program attendance to prepare for externship or job placements. Significant time lapsed is defined as 1 year by departmental policy in compliance with the American Society of Health-System Pharmacists' re-accreditation body. Lab hours verified by sign-in. One-half (0.5) unit is required for the Advanced Certificate and A.S. degree. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Pharmacy Technology 072L3**Pharmacy Technology Skills Lab**

Unit(s): 0.5 - 1.0 Class Hours: 27.00 - 54.00 Laboratory total.

Corequisite: Concurrent enrollment Pharmacy Technology 060. Returning students who took Pharmacy Technology 060 can take Pharmacy Technology 072L-3 alone.

Supervised use of the Pharmacy Technology skills lab (a supplemental learning assistance course) to assist the students in developing competency in the technical skills required to successfully complete the Pharmacy Externship Sterile Products rotation (PHAR 072). Additionally, this Skills Lab class allows students working in one setting of pharmacy to come back and practice skills in another setting. Skills lab class also allows students with significant time lapsed from program attendance to prepare for externship or job placements. Significant time lapsed is defined as 1 year by departmental policy in compliance with the American Society of Health-System Pharmacists' re-accreditation body. Lab hours verified by sign-in. One-half (0.5) unit is required for the Advanced Certificate and A.S. degree. Grade: Pass/No Pass Only. Open Entry/Open Exit.

PHILOSOPHY (PHIL)**Philosophy 106 (C-ID PHIL 100)****Introduction to Philosophy**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

A survey of historical and contemporary ideas on how to live the good life. CSU/UC

Philosophy 106H (C-ID PHIL 100)**Honors Introduction to Philosophy**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: A high school GPA of 3.0 or above if student's first-term in college or a college GPA of 3.0 or above.

An enriched approach designed for honors students. A survey of historical and contemporary ideas on how to live the good life. CSU/UC

Philosophy 108 (C-ID PHIL 120)**Ethics**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Introduction to key historical and modern theories of philosophical ethics and the application of these theories to ethical issues facing society today. Assists in clarifying our thinking about morality/ethics. Course increases awareness of values in personal and contemporary issues. CSU/UC

Philosophy 110 Critical Thinking

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Prerequisite: English 101 or English 101H with a minimum grade of C.
College-level critical thinking and writing. Promotes self-awareness, independent thinking, and improved academic expression. Examines philosophical methods of reasoning and composition, and the uses of informal logic and criticism in personal life, college, work, and democratic society.
CSU/UC

Philosophy 110H Honors Critical Thinking

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Prerequisite: English 101/101H with a minimum grade of C and a high school or college GPA of 3.0 or above.
An enriched approach designed for honors students in a seminar setting. College-level critical thinking and writing. Promotes self-awareness, independent thinking, and improved academic expression. Examines philosophical methods of reasoning and composition, and the uses of informal logic and criticism in personal life, college, work, and democratic society.
CSU/UC

Philosophy 111 (C-ID PHIL 110) Introductory Logic

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Beginning course in formal and applied logic. Covers cognitive language, formal argument, proof, basic propositional and predicate logic, and philosophy of logic. Emphasizes active student involvement and practical application to college life.
CSU/UC

Philosophy 112 World Religions

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

A philosophical overview of the world's great religions. Includes historical origin and growth of each religion, major doctrines, and influence. Religions dealt with include Primitive, Hinduism, Jainism, Buddhism, Taoism, Confucianism, Judaism, Christianity and Islam.
CSU/UC

Philosophy 118 History of Philosophy

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An introduction to philosophy from an historical perspective: getting acquainted with the thoughts of the world's great philosophers. Provides a survey of the dominant philosophies of the ancient, medieval, and modern worlds.
CSU/UC

PHOTOGRAPHY (PHOT)

Photography 009 Photography Lab

Unit(s): 0.5 Class Hours: 27.00 Laboratory total.

Corequisite: Concurrent enrollment in: another photography course.
Sign-in/out supervised laboratory. Work on assignments from other photography courses or on independent projects. Completion of new and more advanced assignments each semester. Accumulation of 24 hours earns 0.5 unit. Requires concurrent enrollment in a photography course. May be repeated. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Photography 150 History of Photography

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

A survey of the history, aesthetics, and technical evolution of photography including an in-depth view of artistic styles and individual photographers' contributions from the 19th century to the present.
CSU/UC

Photography 160 Introduction to Photojournalism

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Explores the photographer as a journalist, focusing on theory and practice in press and publications photography, with emphasis on using the camera as a reporting and communications tool. Stresses news, feature photography, and photographic essays, including composition, impact, and creativity, for newspapers, magazines, internet, and other mass communications media
(Same as Journalism and Media Studies 160).
CSU/UC

Photography 180 Beginning Photography

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

This course provides a firm foundation in digital photography using manual exposure functions on digital single lens reflex and mirrorless cameras. Professional editing techniques and inkjet printing will be taught according to industry standards.
CSU/UC

Photography 185A Landscape Photography

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Prerequisite: Photography 180 with a minimum grade of C.
This course concentrates on landscape photography using available light and industry-level camera techniques. Students will learn to control image quality from camera to computer to printer in a variety of outdoor settings to document manmade and natural environments.
CSU

Photography 185B Landscape Photography

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Prerequisite: Photography 185A with a minimum grade of C.
Continued instruction in cityscape, seascape, and landscape photography with special attention given to documentary, pictorial, and metaphorical styles. A DSLR camera required.
CSU

Photography 191 Commercial Studio Business Practices

Formerly: Commercial Studio Practices

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Prerequisite: Photography 180 with a minimum grade of C.
Commercial Studio Business Practices instructs students in the industry-level techniques and business practices of commercial studio photographers. Emphasis will be on creating a refined, professional portfolio with a personal voice and an array of business and marketing materials in preparation for client-driven work.
CSU

Photography 194 Digital Workflow

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Prerequisite: Photography 180 with a minimum grade of C

This class provides a foundation for professionally selecting, capturing, organizing, processing and printing digital photography files with industry-level tools, from camera to computer to printer.

CSU

Photography 196 Commercial Photography

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Prerequisite: Photography 180 with a minimum grade of C.

This course covers lighting techniques and equipment commonly used by industry level commercial photographers to create client-driven work in a studio and on location. Students will practice different genres of commercial photography such as portrait and product to craft a portfolio communicating a personal vision. Commercial photo editing software for tethering camera to computer will be taught.

CSU

Photography 197 Intermediate Commercial Photography

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Prerequisite: Photography 196 with a minimum grade of C.

Intermediate techniques in commercial photography using available and studio lighting. Further studies in the commercial subject areas of portrait/wedding, architecture, table top/product illustration, stock photography and photojournalism.

CSU

Photography 291 Wedding and Quinceañera Photography

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Prerequisite: Photography 180 with a minimum grade of C.

This course presents the fundamental concepts, industry-level equipment requirements, photographic techniques and business practices used by professional wedding, Quinceañera and event photographers. Students will learn to create and edit photographs that thoroughly describe the story of an event through candid and portrait photography coverage.

CSU

Photography 292 Portrait Photography

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Prerequisite: Photography 180 with a minimum grade of C.

This course explores the essential components of portrait photography using contemporary, industry-level camera, lighting and image editing techniques. Students will photograph in the studio and on location as they create an intentional portfolio investigating the subject-photographer relationship.

CSU

Photography 294 Color Photographic Expression

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Prerequisite: Photography 180 with a minimum grade of C.

This course introduces students to the theory and practice of color in fine art photography. Course material includes color-focused lectures, interpretive (field) assignments, critiques of color photographic work and engagement with historical and contemporary practitioners. Fine tuning color photographs with professional color correction techniques for print and screen will be taught.

CSU

PHYSICAL SCIENCE (PSC)

Physical Science 115 Concepts in Physical Sciences for Educators

Unit(s): 4.0 Class Hours: 54.00 Lecture, 54.00 Laboratory total.

An investigation of basic principles of physics and chemistry including matter, physical and chemical properties, energy, motion, light, atomic structure, bonding, solutions and chemical reactions. The inter-dependence of chemistry and physics will be emphasized. Designed for non-science majors, concepts are introduced in the lab through inquiry and further developed during discussion. (Same as Chemistry 115).

CSU/UC

Physical Science 117 Physical Science Survey

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Introduction to the methods of science and concepts relating to mechanics, states of matter, waves, heat, electricity, light, atomic structure, and chemical reactions. May include topics from Earth and space science. Emphasis is on basic principles, relationships, and applications to modern civilization. This course is open to all majors. Concurrent enrollment in Physical Science 118 is highly recommended.

CSU/UC

Physical Science 118 Physical Science Survey Laboratory

Unit(s): 1.0 Class Hours: 54.00 Laboratory total.

Laboratory course to accompany Physical Science 117. Laboratory topics include: motion, forces, energy, thermodynamics, electricity, circuits, optics, and chemical reactions.

CSU/UC

PHYSICS (PHYS)

Physics 109 Survey of General Physics

Unit(s): 4.0 Class Hours: 54.00 Lecture, 54.00 Laboratory total.

The study of important phenomena in physics. Topics include mechanics, fluids, thermodynamics, sound, light, electricity, magnetism, and modern physics. Recommended for all students interested in a conceptual approach to physics and students planning on taking more advanced courses in physics.

CSU/UC

Physics 210 (C-ID PHYS 105; C-ID PHYS 205) Principles of Physics I

Unit(s): 4.0 Class Hours: 54.00 Lecture, 54.00 Laboratory total.

Prerequisite: Mathematics 180/180H with a minimum grade of C.

A calculus-based physics course designed for students majoring in the life sciences, pre-medicine, and related disciplines. Topics include classical mechanics, wave motion, and thermodynamics.

CSU/UC

Physics 211 (C-ID PHYS 110) Principles of Physics II

Unit(s): 4.0 Class Hours: 54.00 Lecture, 54.00 Laboratory total.

Prerequisite: Physics 210 and Mathematics 180/180H with a minimum grade of C.

A calculus-based physics course designed for students majoring in the life sciences, pre-medicine, and related disciplines. Topics include: electricity and magnetism, light, optics, and modern physics.

CSU/UC

Physics 217 (C-ID PHYS 205)
Engineering Physics I

Unit(s): 4.0 Class Hours: 54.00 Lecture, 54.00 Laboratory total.

Prerequisite: Mathematics 180/180H with a minimum grade of C.

Principles of classical mechanics including particle dynamics, forces, work, energy, momentum, rotational motion, equilibrium, harmonic motion, and gravity. This course is designed for students majoring in physical sciences and engineering.

CSU/UC

Physics 227 (C-ID PHYS 210)
Engineering Physics II

Unit(s): 4.0 Class Hours: 54.00 Lecture, 54.00 Laboratory total.

Prerequisite: Physics 217 and Mathematics 185 with a minimum grade of C.

Introduces the basic principles of electricity and magnetism. The main topics are electrostatics, circuits, magnetism, electro-magnetic induction, and Maxwell's equations. This course is designed for students majoring in physical sciences and engineering.

CSU/UC

Physics 237
Engineering Physics III

Unit(s): 4.0 Class Hours: 54.00 Lecture, 54.00 Laboratory total.

Prerequisite: Physics 217 and Mathematics 185 with a minimum grade of C.

Introduces the basic principles of fluids, thermodynamics, sound, light, optics, and modern physics. This course is designed for students majoring in physical sciences and engineering.

CSU/UC

Physics 279 (C-ID PHYS 105)
College Physics I

Unit(s): 4.0 Class Hours: 54.00 Lecture, 54.00 Laboratory total.

Prerequisite: Mathematics 160 with a minimum grade of C.

A trigonometry-based physics course. Topics include: mechanics, thermodynamics, fluids, oscillatory motion, and sound.

CSU/UC

Physics 289
College Physics II

Unit(s): 4.0 Class Hours: 54.00 Lecture, 54.00 Laboratory total.

Prerequisite: Physics 279 and Mathematics 162 with a minimum grade of C.

A trigonometry-based physics course. Topics include: light, electricity, magnetism, and modern physics.

CSU/UC

POLITICAL SCIENCE (POLT)

Political Science 101 (C-ID POLS 110)
American Government and Politics

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Study of United States national government and California state and local governments. Satisfies graduation requirement for American institutions and state requirements for California state government.

CSU/UC

Political Science 101H (C-ID POLS 110)
Honors American Government and Politics

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: A college GPA or high school GPA for first term college students of 3.0 or higher; A high school or college GPA of 3.0 or above.

A student-oriented exploration of the historical and contemporary principles of American government. Study groups and individual computer-based research focus on basic political concepts of American national and state governments. Satisfies graduation requirement for American Institutions and state requirements for California state government.

CSU/UC

Political Science 200 (C-ID POLS 120)
American Political Thought

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Examination of various theoretical approaches to politics within the American political context. Analysis of selected political theories and their application to American politics.

CSU/UC

Political Science 200H (C-ID POLS 120)
Honors American Political Thought

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: A high school or college GPA of 3.0 or above.

Examination of various theoretical approaches to politics within the American political context. Analysis of selected political theories and their application to American politics.

CSU/UC

Political Science 201 (C-ID POLS 130)
Introduction to Comparative Politics

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

A comparative analysis of different kinds of political systems, including their histories, political institutions, processes and policies, the environment in which they occur, and their consequences.

CSU/UC

Political Science 205
Introduction to Global Studies

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course is an introduction to the interdisciplinary field of Global Studies, including the history of globalization, and economic, political, social, cultural and ecological developments related to the process of globalization.

CSU/UC

Political Science 206
Global Issues

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course introduces students to the origins, current status, and future trends of major transnational issues confronting the global community. Topics can include population trends, economic development and inequality, basic human needs (for food, water, health care), human rights, international conflict and security concerns, and environmental problems. The course also focuses on global governance, including the study of collective global responsibilities.

CSU/UC

Political Science 220 (C-ID POLS 140)
International Politics

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An introduction to international relations theory with an examination of national, international, transnational, and sub-national actors and their institutions, interactions and processes as they relate to global issues.

CSU/UC

Political Science 235 (C-ID POLS 170)**Identity Politics**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course is an introduction to the politics of race and gender. Using intersectionality as a framework, the course offers an overview of the political representation, identity, status, and power of Women, Native Americans, African Americans, Latina/o Americans, and Asian Americans. CSU/UC

PSYCHOLOGY (PSYC)**Psychology 100 (C-ID PSY 110)****Introduction to Psychology**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An introduction to the major theories, methods, concepts, ethical issues, and findings in the major fields in psychology including (but not limited to): biological bases of behavior, perception, cognition and consciousness, learning, memory, emotion, motivation, development, personality, social psychology, psychological disorders and therapeutic approaches, and applied psychology. CSU/UC

Psychology 100H (C-ID PSY 110)**Honors Introduction to Psychology**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: A high school or college GPA of 3.0 or above.

Seminar-style, content enriched course for honors students exploring the major theories, methods, concepts, ethical issues, and findings in the major fields in psychology including (but not limited to): biological bases of behavior, perception, cognition and consciousness, learning, memory, emotion, motivation, development, personality, social psychology, psychological disorders and therapeutic approaches, and applied psychology. CSU/UC

Psychology 140**Introduction to Psychology of Adulthood And Aging**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Examines psychological and related biological and social changes that occur in adulthood and old age and how these changes vary with ethnicity, gender and social class. Topics include longevity, health, successful aging, intimate and family relationships and mental disorders of adulthood. Designed to help students understand their own and others' aging and to familiarize them with issues in the field of gerontology. CSU/UC

Psychology 157 (C-ID CDEV 100)**Introduction to Child Psychology**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Survey of human development from conception through adolescence. Covers major theories of development (cognition, perception, language, personality, social, etc.) and their application to parenting, teaching, and other interactions with children. (No credit if student has taken Child Development 107.). CSU/UC

Psychology 160 (C-ID PSY 180)**Introduction to Lifespan Psychology**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Introduction to human development from a psychological perspective. Explores human development from conception through death, including biological and environmental influences. Theories and research of physical, cognitive, personality, and social development are examined from classical and contemporary perspectives. Attention will also be given to both normative and non-normative development. CSU/UC

Psychology 170**Multicultural Psychology**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Introduces students to important issues related to cultural diversity in the field of psychology. Major areas of psychology will be explored from a multicultural perspective, including research, mental health, social psychology, and identity development. Exploration of historically underrepresented populations in the U.S. will be emphasized. CSU/UC

Psychology 201 (C-ID PSY 150)**Introduction to Biological Psychology**

Unit(s): 4.0 Class Hours: 54.00 Lecture, 54.00 Laboratory total.

Explores relationships between physiological structures of the body and human behavior. Focuses on the organization and function of the brain, spinal cord, peripheral nervous system, glands, sensory and perceptual systems. Relates physiological functioning to motivated behavior, addiction, and psychological disorders. CSU/UC

Psychology 210 (C-ID SOCI 125; C-ID MATH 110)**Statistics for the Behavioral Sciences**

Unit(s): 4.0 Class Hours: 72.00 Lecture total.

Prerequisite: Intermediate algebra or equivalent, or a qualifying profile based on multiple measures.

Introduces psychology and behavioral science majors to descriptive and inferential statistical methods. Knowledge of these methods is essential to the understanding, interpretation, and performance of scientific research. Topics covered include probability theory, hypothesis testing, correlation, analysis of variance, the graphical representation of data, basic research design, and the use of computer software to perform statistical analyses. CSU/UC

Psychology 219 (C-ID PSY 200)**Introduction to Research Methods in Psychology**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Prerequisite: Mathematics 219 or Psychology 210(may be taken concurrently) and Psychology 100 with a minimum grade of C. Emphasizes methods of study in psychology, experimental design, analysis of variables contributing to experimental results, and data treatment. CSU/UC

Psychology 230 (C-ID PSY 115)**Psychology of Adjustment**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Introduction to psychoanalytic, behavioristic, cognitive, humanistic and existential theories of personality as they relate to dealing effectively with the changing demands of everyday life. Covers personal growth, self-concept, stress and coping, personal goals and motivation, and interpersonal relationships in relation to culture, gender, ethnicity, historical cohort, and socio-economic status. Includes exercises for increasing self-awareness, identifying personal goals, and for building skills for effective living and well-being. CSU/UC

Psychology 240 (C-ID PSY 170)**Introduction to Social Psychology**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An exploration of the interlocking dynamics of psychology and sociology focusing on the impact of social groups on individuals and on other groups. Content includes self-development, interaction, attitudes, conformity, friendship, love, aggression, group dynamics (Same as Sociology 240). (Same as Sociology 240). CSU/UC

Psychology 250 (C-ID PSY 120)
Introduction to Abnormal Psychology

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Psychology 100/100H with a minimum grade of C.
 Introduction to the commonly diagnosed psychological disorders. Includes psychophysiological disorders, anxiety, depression, substance abuse, sexual dysfunctions, schizophrenia, developmental, cognitive, and personality disorders. Emphasis is on identification, symptomatology, etiology, and methods of therapeutic intervention.
 CSU/UC

Psychology 260
Psychopharmacology

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

The aim of this course will be to explore psychoactive drugs and their impact on behavior, cognition, neural communication, and physiology. Psychotherapeutic drugs and recreational drugs will be covered. Core concepts include the structure and function of the nervous system, pharmacokinetics, and pharmacodynamics of drugs. There will be specific emphasis on the treatment of psychological disorders, addiction, cognitive enhancement, and the impact of learning and memory.
 CSU/UC

Psychology 270
Introduction to Cognitive Science

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course is designed to help students better understand cognitive science. Topics include cognitive neuroscience, perception, memory, learning, attention, language, creativity, and problem-solving. Current perspectives as it relates to thought in humans and non-humans will also be covered.
 CSU/UC

SOCIOLOGY (SOC)

Sociology 100 (C-ID SOCI 110)
Introduction to Sociology

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

The scientific study of human societies and behavior focusing on the process of social interaction, patterns of social inequality, and the influence of social institutions on individuals as members of social groups. Special emphasis provided to explain factors promoting social stability and social change.
 CSU/UC

Sociology 100H (C-ID SOCI 110)
Honors Introduction to Sociology

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: A high school or college GPA of 3.0 or above.
 A seminar-style, content-enriched course to provide a critical and extensive exploration of the sociological perspective, methods, and theories of social interaction, stability and change. Focuses on the importance of sociology for understanding individuals in a social context and provides a comprehensive understanding of and scientific way of thinking about society.
 CSU/UC

Sociology 112 (C-ID SOCI 130)
Relationships, Marriages, and Family Dynamics

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

In-depth examination of the process of developing intimate relationships leading to committed partnerships and marriages with emphasis on effective communication techniques, understanding relationship dynamics, parenting, diverse family systems and overcoming family stressors at each life stage.
 CSU/UC

Sociology 140 (C-ID SOCI 115)
Social Problems

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An extensive survey of contemporary social trends and problems through sociological analysis concentrating on their causes, complexities, consequences, and possible solutions. Special emphasis will be placed on the problems in the U.S., with consideration of the global perspective.
 CSU/UC

Sociology 140H (C-ID SOCI 115)
Honors Social Problems

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: A college GPA or high school GPA for first term college students of 3.0 or higher; A high school or college GPA of 3.0 or above.
 A seminar-style, in-depth sociological analysis and critique of U.S. social trends and problems with an emphasis on contemporary and historical social policy with additional consideration of global perspectives.
 CSU/UC

Sociology 150 (C-ID SOCI 150)
Intro to Race and Ethnicity

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course focuses on the application of sociological theories and concepts to the study of race, ethnicity, and racism within an intersectional context. It includes an examination of the cultural, political, historical, and economic practices and institutions that construct, perpetuate, or challenge racism, racialized inequalities, and interactive dynamics within and between various racial and ethnic groups. Special attention will be extended to the impacts of globalization, immigration, miscegenation, identity formation, and strategies to combat and decrease prejudice and discrimination.
 CSU

Sociology 240 (C-ID PSY 170)
Introduction to Social Psychology

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An exploration of the interlocking dynamics of psychology and sociology focusing on the impact of social groups on individuals and on other groups. Content includes self-development, interaction, attitudes, conformity, friendship, love, aggression, group dynamics (Same as Psychology 240).
 CSU/UC

Sociology 401
The Sociology of Health, Illness, and Healing

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Student must be admitted to the Occupational Studies program and Sociology 100 or Sociology 100H with a minimum grade of C.
 This course analyzes the social contexts of health, illness, and organized medical care. It examines empirical research and theory of the changing concepts of health, illness and medical practice in their socio-historical contexts. Topics will include: social epidemiology, the biomedical and social construction of health/illness, the experience of illness, the historical transformation of the health professions and the health work force, disparities in health care, medical technology, global comparisons of health care and health care reform.

SPANISH (SPAN)

Spanish 101 (C-ID SPAN 100)

Elementary Spanish I

Unit(s): 5.0 Class Hours: 90.00 Lecture total.

Practice and integration of pronunciation, grammar, vocabulary, common idioms, listening, speaking, reading, and writing techniques for the expression of ideas orally and in writing. Introduction to Hispanic culture. Designated sections focus on skills for Spanish speakers. Spanish 101 is equivalent to two years of high school Spanish.

CSU/UC

Spanish 101H (C-ID SPAN 100)

Honors Elementary Spanish I

Unit(s): 5.0 Class Hours: 90.00 Lecture total.

Prerequisite: A high school or college GPA of 3.0 or above.

Enhanced and intensive practice and integration of pronunciation, grammar, vocabulary, common idioms, listening, speaking, reading, and writing techniques for the expression of ideas orally and in writing.

Enriched introduction of Hispanic culture. Note: Some sections are designated for Spanish speakers. Spanish 101H is equivalent to two years of high school Spanish.

CSU/UC

Spanish 102 (C-ID SPAN 110)

Elementary Spanish II

Unit(s): 5.0 Class Hours: 90.00 Lecture total.

Prerequisite: Spanish 101 or Spanish 101H with a minimum grade of C or two years of high school Spanish with a passing grade. All Cal State and UC universities Spanish programs require a minimum grade of C in Spanish 101 or two years in high school with a passing grade.

A college-level Spanish class focusing on further training in language skills providing avenues for the expression of ideas orally and in writing. Additional study of Hispanic culture. Designated sections focus on skills for Spanish speakers. Spanish 102 is equivalent to the third year of high school Spanish.

CSU/UC

Spanish 102H (C-ID SPAN 110)

Honors Elementary Spanish II

Unit(s): 5.0 Class Hours: 90.00 Lecture total.

Prerequisite: Spanish 101 or Spanish 101H with a minimum grade of C or two years of high school Spanish with a passing grade, and a high school or college GPA of 3.0 or above. All Cal State and UC universities have the same prerequisites for Spanish 102H.

Further enhanced and intensive training in language skills for the expression of ideas orally and in writing. Additional enriched study of Hispanic culture. Note: Some sections are designated for Spanish speakers. Spanish 102H is equivalent to the third year of high school Spanish.

CSU/UC

Spanish 195A

Advanced Conversational Spanish

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Spanish 102 or 102H with a minimum grade of C.

Further development of conversational skills. Review of language structures as well as reinforcement of new vocabulary and idioms through discussions of reading selections dealing with historical and current events to deepen appreciation of Hispanic cultures.

CSU/UC

Spanish 195B

Advanced Conversational Spanish

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Spanish 195A with a minimum grade of C.

Continuation of development of conversational skills. Provides avenues for the expression of ideas introduced in literary and current event readings through discussions and class presentations to deepen appreciation of Hispanic cultures.

CSU/UC

Spanish 201 (C-ID SPAN 200)

Intermediate Spanish I

Unit(s): 5.0 Class Hours: 90.00 Lecture total.

Prerequisite: Spanish 102 or 102H or three years of high school Spanish with a grade of C. These prerequisites are also required in Cal State and UC Spanish universities.

A college level Spanish class focusing on expansive review of usage and grammar, discussions of interpretive readings, conversation, and composition.

CSU/UC

Spanish 201H (C-ID SPAN 200)

Honors Intermediate Spanish I

Unit(s): 5.0 Class Hours: 90.00 Lecture total.

Prerequisite: Spanish 102/102H with a minimum grade of C and a high school or college GPA of 3.0 or above. All four year public universities, Cal State and University of California Spanish Programs require the same prerequisites for Intermediate Spanish level course.

An enriched exposure of Hispanic history, culture, and literature in a seminar setting. In-depth analysis of grammatical structures. Further use of argumentative oral strategies. Enhanced development of conversation and composition. Independent research by students to use/evaluate library and electronic information sources.

CSU/UC

Spanish 202 (C-ID SPAN 210)

Intermediate Spanish II

Unit(s): 5.0 Class Hours: 90.00 Lecture total.

Prerequisite: Spanish 201/201H or four years of high school Spanish with a minimum grade of C. All Cal State and UC Spanish programs have the same requirements listed at Santa Ana College.

A college-level Spanish class focusing on expansive review of usage and grammar; discussions in Spanish of interpretive reading materials; conversation and composition.

CSU/UC

Spanish 202H (C-ID SPAN 210)

Honors Intermediate Spanish II

Unit(s): 5.0 Class Hours: 90.00 Lecture total.

Prerequisite: Spanish 201/201H with a minimum grade of C and a college GPA or high school GPA for first term college students of 3.0 or higher.

An enriched exposure of Hispanic history, culture, and literature in a seminar setting. In-depth analysis of grammatical structures. Enhanced development of conversation and composition. Further use of argumentative oral strategies. Independent research by students to use/evaluate library and electronic information sources.

CSU/UC

Spanish 212
College Business Spanish

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Spanish 202 or 202H with a minimum grade of C or four years of high school Spanish with a minimum grade of C.

A course designed to give intermediate level students a solid foundation in business vocabulary, basic business and cultural concepts, and provide practice of real-life situations necessary to be successful in today's Spanish-speaking business world. The course is designed for students majoring in Spanish, International Studies, and/or International Business.
 CSU/UC

Spanish 213
College Spanish Composition

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Concurrent enrollment in Spanish 201 or Spanish 201H.
 Writing of composition through discussions and interpretive readings.

CSU/UC

SPEECH-LANGUAGE PATHOLOGY ASST (SLPA)

Speech-Language Pathology Asst 118
Introduction to Speech-Language Pathology Assisting

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

Overview of the field of speech-language pathology, professional standards, legal and ethical issues, and scope of responsibilities of the speech-language pathologist and the speech-language pathology assistant in health care and educational settings.
 CSU

Speech-Language Pathology Asst 119
Speech-Language and Hearing Development Across the Life Span

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Study of normal speech, hearing, and language development across the life span. Topics will include differentiation of normal from disordered communication and communication development in bilingual populations.
 CSU/UC

Speech-Language Pathology Asst 120
Speech-Language Pathology Clinical Management and Procedures

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

Prerequisite: Speech Language Pathology Assistant 118 with a minimum grade of C.

Organizational and functional skills required in the speech-language pathology workplace. Includes interdisciplinary and supervisory relationships, client and public interaction, safety issues, technical writing, data collection, record keeping, and computer applications.
 CSU

Speech-Language Pathology Asst 150
Observation of Speech-Language Pathology Clinical Practices

Unit(s): 0.5 Class Hours: 28.00 Laboratory total.

Prerequisite: Speech-Language Pathology Assistant 118 with a minimum grade of C.

Corequisite: Concurrent enrollment in SLPA 160.

Beginning clinical observation of practices and procedures required in speech-language pathology.

CSU

Speech-Language Pathology Asst 160
Introduction to Communicative Disorders And Treatment

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An overview of communication disorders, including classification, assessment and remediation of speech, language, swallowing, and hearing disorders in children and adults. Role of speech-language pathologist and audiologist in educational and medical settings.

CSU/UC

Speech-Language Pathology Asst 170
Introduction to Phonetics

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Study of the articulatory foundations of the description and classification of speech sounds. Introduces the International Phonetic Alphabet (IPA), physiological properties of the speech-producing mechanism, and practice using the IPA for broad and narrow transcription. Emphasis will be on Standard American English along with comparison to the sound system of other languages and disordered speech.

CSU

Speech-Language Pathology Asst 180
Speech-Language Pathology Screening Processes and Intervention Procedures

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Prerequisite: Speech-Language Pathology Assistant 120 and Speech-Language Pathology Assistant 150 and Speech-Language Pathology Assistant 160 with a minimum grade of C.

Screening tools, processes, and intervention procedures used for clients with communication disorders. Administration of screening tests and completion of protocols. Equipment utilized in therapeutic treatment.
 CSU

Speech-Language Pathology Asst 190
Speech-Language Pathology Assistant Clinical Fieldwork I

Unit(s): 2.0 Class Hours: 4.00 Lecture, 108.00 Laboratory total.

Prerequisite: Speech-Language Pathology Assistant 120 and Speech-Language Pathology Assistant 150 and Speech-Language Pathology Assistant 160 with a minimum grade of C and Application to Department Coordinator required semester prior to enrollment; current negative TB clearance; current CPR and First Aid Certification; fingerprinting and background check may be required.

Beginning application of supervised clinical practice procedures as required of a speech-language pathology assistant in an educational or clinical setting.

CSU

Speech-Language Pathology Asst 200
Adult and Geriatric Communication Disorders

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Prerequisite: Speech-Language Pathology Assistant 160 with a minimum grade of C.

Speech, language, and hearing disorders experienced by the adult and geriatric populations. Assessment tools and treatment strategies used to treat acquired disorders such as adult aphasia, dysarthria, and hearing loss.

CSU

Speech-Language Pathology Asst 250
Speech-Language Pathology Assistant Clinical Fieldwork II

Unit(s): 2.0 Class Hours: 4.00 Lecture, 108.00 Laboratory total.

Prerequisite: Speech-Language Pathology Assistant 180 and Speech-Language Pathology Assistant 190 with a minimum grade of C and Application to Department Coordinator required semester prior to enrollment; current negative TB clearance; current CPR and First Aid Certification; fingerprinting and background check may be required.

Advanced application of clinical practice procedures in a clinical or educational setting by the speech-language pathology assistant under the supervision of a speech-language pathologist.

CSU

STUDY SKILLS (STDY)

Study Skills 101

College Study Skills

Unit(s): 1.0 Class Hours: 18.00 Lecture total.

A course designed to teach effective college study skills while also helping students create positive academic and lifelong learning strategies for application across disciplines. Foundational to this course, students learn study skill techniques, such as: efficient time management and test-taking/ test-anxiety reduction, stress management, effective note taking, textbook reading methods, and principles of memory, learning, motivation, and concentration. Particular attention is placed on individual, academic, and interpersonal success.

CSU

Study Skills 109

College Learning Skills

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course provides effective success strategies to enhance student self-development, academic, and lifelong learning skills for the college student. The techniques include values, goal-setting, dealing with money, stress management, diversity, motivation, health, and time-management. Students learn personal growth methods and develop strategies to effectively deal with issues to ensure personal, educational, and career success.

CSU

THEATRE ARTS (THEA)

Theatre Arts 100 (C-ID THTR 111)

Introduction to Theatre

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An introduction to the art and concepts of theatre through a study of modern and historical theories of dramatic structure, playwriting, directing, design, and acting. Attendance of live theatre required.

CSU/UC

Theatre Arts 105 (C-ID THTR 113)

Theatre History 1

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

The study of the history of theatre from the origins of theatre through the 17th Century. The history and development of theatre and drama are studied in relationship to cultural, political and social conditions of the time. Plays are read for analysis of structure, plot, character and historical relevance.

CSU/UC

Theatre Arts 109

Stage Management

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Exploration of the study and practical application practices of the stage manager as they pertain to the theatrical production process. Emphasis is placed on the duties, responsibilities, and procedures from pre-production to post-production.

CSU

Theatre Arts 110 (C-ID THTR 151)

Acting Fundamentals

Unit(s): 3.0 Class Hours: 54.00 Lecture, 18.00 Laboratory total.

A study of acting involving the development of acting techniques, styles, and disciplines. Provides theory and practical experience with varied characterizations. Emphasizes individual growth and acquired skills necessary to the acting craft. A combination of Theatre Arts 110, 111, and 118 may be taken a maximum of four enrollments.

CSU/UC

Theatre Arts 111 (C-ID THTR 152)

Intermediate Acting

Unit(s): 3.0 Class Hours: 54.00 Lecture, 18.00 Laboratory total.

Prerequisite: Theatre Arts 110 with a minimum grade of C.

Further study in the art of acting for the stage, investigating in-depth character study, role portrayal, special problems, and personal technique. Acting skills developed through use of exercises, monologues, and scenes from contemporary theatre. A combination of Theatre Arts 110, 111, and 118 may be taken a maximum of four enrollments.

CSU/UC

Theatre Arts 113

Acting for the Camera

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Techniques and disciplines of acting as applied to film and television production. Opportunity to practice and perform with emphasis on developing talents and skills required in acting for the screen (Same as DM 142). (Same as Digital Media 142). A combination of Digital Media 142, Theatre Arts 113, and 256 may be taken a maximum of four enrollments.

CSU/UC

Theatre Arts 114

Acting for the Camera II

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Theatre Arts 113 with a minimum grade of C.

An intermediate and immersive on-camera experience in which the student will have opportunities to practice skills and techniques in several styles of camera production: movie/TV narrative drama, comedy, and reality TV. The material from these performances is edited, screened, and discussed.

CSU/UC

Theatre Arts 117

Introduction to Technical Theatre

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

A project-based course involving the study and execution of technical theater principles. Students will learn the theatrical design and technical practices that apply to scenery, lighting, sound, costumes, make up, properties, and scene painting.

CSU

Theatre Arts 118

Fundamentals of Scene Study

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

A continued study for the beginning actor in the preparation and presentation of scenes from modern comedies, the plays of William Shakespeare, and plays from influential playwrights such as Anton Chekov and Henrik Ibsen. Students prepare scenes with partners for performance and critique. A combination of Theatre Arts 110, 111, and 118 may be taken a maximum of four enrollments.

CSU/UC

Theatre Arts 120

Musical Theatre History

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course explores the history of the uniquely American art form that is Musical Theatre from its early development in the colonial period to the present time. Emphasis will be placed on the chronological examination of various musical theatre productions. Students will learn how the composers, librettists, lyricists, choreographers, directors, and designers contributed to the formation and the popularity of musical theatre as it exists today.

CSU/UC

Theatre Arts 123
Introduction to Drama and Acting

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An introduction to acting and dramatic literature that includes analysis of plays, dramatic structure, and performance criticism. This course explores the history and development of acting styles and methodologies specific to the major historical periods of drama in which they were created. Intended to enhance imagination and creativity and emphasize intellectual growth through the exploration of the cultural significance of drama and performance.

CSU/UC

Theatre Arts 128
Introduction to Sound Design

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Develops an understanding and working knowledge of sound design principles and practices and the sound technology used to bring sound to the stage and the concert hall. Project based learning provides the student with an introduction to audio equipment and an understanding of the craft and process of sound design.

CSU/UC

Theatre Arts 130
Introduction to Lighting Design

Unit(s): 3.0 Class Hours: 54.00 Lecture, 18.00 Laboratory total.

An overview of the methods and techniques of the lighting designer. The course includes training in the creative concepts of design and the practical operation of the equipment used to execute the design.

CSU/UC

Theatre Arts 131 (C-ID THTR 171)
Stagecraft

Unit(s): 3.0 Class Hours: 54.00 Lecture, 18.00 Laboratory total.

An introduction to technical theatre and the creation of scenic elements including design concepts, painting techniques, set construction, set movement, prop construction, backstage organization, and stage management.

CSU/UC

Theatre Arts 132 (C-ID THTR 175)
Stage Makeup

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Basic techniques and artistry of stage makeup and its relation to the total production. Covers history, aesthetics and design theory, color theory, materials, and application procedures for varied characterizations. Practical application of learned skills are applied to departmental productions.

CSU/UC

Theatre Arts 133 (C-ID THTR 173)
Lighting Fundamentals

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Theory and practices of lighting including control systems and instruments as well as the techniques for proper installation, operation, maintenance, and safety. (Same as Digital Media 260).

CSU/UC

Theatre Arts 135 (C-ID THTR 192)
Technical Production

Unit(s): 2.0 Class Hours: 18.00 Lecture, 70.00 Laboratory total.

Supervised instruction and practical experience in backstage production responsibilities including stage management, scenery construction and movement, properties, costuming, lighting, sound, and running crews.

CSU/UC

Theatre Arts 136 (C-ID THTR 174)
Fundamentals of Costume Design

Unit(s): 3.0 Class Hours: 54.00 Lecture, 18.00 Laboratory total.

The study of costume history, design, and basic construction techniques as an introduction to basic theatrical costuming. Fabrics and their various uses will be investigated. (Same as Fashion Design & Merchandising 136).

CSU/UC

Theatre Arts 137
Costume Design and History

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

Explores the many aspects of costume design, including the breakdown of a script, artistic rendering of the literature, development of themes and design concepts, research sources, examination of the social and economic mores that govern dress, and the history of dress. Students will analyze, research, and design two plays to present to the class. The course will include film and theatre industry standards in the area of costume design.

CSU

Theatre Arts 138
Costume Periods and Styles

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

A study of the changes in dress from ancient times to the present. Social and political influences, as well as the historical accuracy of period dress, are considered relative to the practical needs of costuming for stage, film, and television.

CSU

Theatre Arts 140A
Theatre Performance

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

An introduction to theatre performance emphasizing acting technique, theatre vocabulary, and creative individual expression. Students learn the process of presenting a role on stage. Prepares the student for Theatre Performance 140B. All actors must audition and be cast prior to enrolling.

CSU/UC

Theatre Arts 140B
Theatre Performance II

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Prerequisite: Theatre Arts 140A with a minimum grade of C.

Continued study in theatre performance emphasizing acting technique, theatre vocabulary, and creative individual expression. Students perfect the process of presenting a role on stage. Theatre Arts 140B is a continuation and refinement of the work begun during Theatre Arts 140A. All actors must audition and be cast prior to enrolling.

CSU/UC

Theatre Arts 140C
Theatre Performance III

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Prerequisite: Theatre Arts 140B with a minimum grade of C.

Provides the continuing theatre performance student opportunity to concentrate on more advanced acting methods and development of technique. Emphasizes the development of the individual actor's performance style connecting the voice and body with the emotional life of a character. All actors must audition and be cast prior to enrolling.

CSU/UC

Theatre Arts 140D Theatre Performance IV

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

Prerequisite: Theatre Arts 140C with a minimum grade of C.
Continuing study of acting technique including more complicated methodology and advanced script material. Emphasizes the combination of the individual actor's performance style with the demands of the professional theatre arena. All actors must audition and be cast prior to enrolling.
CSU/UC

Theatre Arts 150A Rehearsal and Performance in Production

Unit(s): 2.0 Class Hours: 18.00 Lecture, 70.00 Laboratory total.

Practical experience in performance production culminating in a series of public performances. All actors must audition and be cast prior to enrolling. May be repeated.
CSU/UC

Theatre Arts 150B Technical Theatre in Production

Unit(s): 2.0 Class Hours: 18.00 Lecture, 70.00 Laboratory total.

Students will gain practical experience in the application of production responsibilities in any of the following: stage management, scenery construction, properties, costuming, lighting, or sound. This course culminates into a series of public performances. All student technicians must obtain instructor approval prior to enrolling. May be repeated.
CSU/UC

Theatre Arts 151 (C-ID THTR 191) Showcase I

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

An introduction to theatre performance emphasizing acting technique, theatre vocabulary, and creative individual expression. Students learn the process of presenting a role on stage. Prepares the student for Showcase II. A combination of Theatre Arts 151, 171, 172, and 173 may be taken a maximum of four enrollments.
CSU/UC

Theatre Arts 152 (C-ID THTR 191) Tour Ensemble

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

An introduction to theatre performance emphasizing acting techniques as applied to performing a role in multiple venues.
CSU/UC

Theatre Arts 153 Introduction to Directing

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

The study and application of directing theory, process, script analysis, designer collaboration, character development, staging, actor coaching, and presenting. A combination of Theatre Arts 153 may be taken a maximum of four enrollments.
CSU/UC

Theatre Arts 154 (C-ID THTR 191) Performance Ensemble

Unit(s): 2.0 Class Hours: 18.00 Lecture, 54.00 Laboratory total.

A study of the standards and expectations for an actor in auditions, rehearsals, and performances of an ensemble production. Students desiring an acting role must audition. May be repeated. A combination of THEA 154 and THEA 155 may be taken a maximum of four enrollments.
CSU/UC

Theatre Arts 155 (C-ID THTR 191) Children's Theatre Ensemble

Unit(s): 2.0 Class Hours: 18.00 Lecture, 70.00 Laboratory total.

Intensive rehearsal and performance experience leading to an extended-run Children's Theatre production utilizing playscripts written for young audiences. May be repeated. A combination of THEA 154 and THEA 155 may be taken a maximum of four enrollments.
CSU/UC

Theatre Arts 157 Directing for Single-Camera Production

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

An active examination of the principles of directing for the camera. Focus is placed on the practical application of the pre-production, filming, and post-production phases of film directing. Topics include script analysis, directorial presentation skills, converting a script into a shooting script, creating call sheets, casting actors, blocking actors, giving actors direction, rehearsal techniques, leading a cinematographer and camera crew, and overseeing the editing of a completed scene. (Same as DM 157.).
CSU

Theatre Arts 161 Tour Ensemble II

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Prerequisite: Theatre Arts 152 with a minimum grade of C.
Continued study in theatre performance emphasizing acting techniques as applied to performing a role in a touring company. Students perfect the process of presenting a role in multiple venues. A combination of Theatre Arts 152, 161, 162, and 163 may be taken a maximum of four enrollments.
CSU/UC

Theatre Arts 162 Tour Ensemble III

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Prerequisite: Theatre Arts 161 with a minimum grade of C.
Provides the continuing theatre performance student opportunity to concentrate on more advanced acting methods and development of technique in playscripts for a touring ensemble. Emphasizes the development of the individual actor's performance style connecting the voice and body with the emotional life of a character. A combination of Theatre Arts 152, 161, 162, and 163 may be taken a maximum of four enrollments.
CSU/UC

Theatre Arts 163 Tour Ensemble IV

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Prerequisite: Theatre Arts 162 with a minimum grade of C.
Continuing study of acting technique including more complicated methodology and advanced script material focusing on touring ensembles. Emphasizes the combination of the individual actor's performance style with the demands of the professional touring arena. A combination of Theatre Arts 152, 161, 162, and 163 may be taken a maximum of four enrollments.
CSU/UC

Theatre Arts 165 **Intermediate Stage Lighting**

Unit(s): 3.0 Class Hours: 54.00 Lecture, 18.00 Laboratory total.

Recommended Preparation: Theatre Arts 133 with a minimum grade of C.

Explores stage lighting, projection, lighting control systems, optical systems, color theory, and current lighting graphic standards as they apply to stage, film, and video. Students demonstrate their skills through projects, programming, and rigging.

CSU/UC

Theatre Arts 166 **Fundamentals of Programming**

Unit(s): 3.0 Class Hours: 54.00 Lecture, 18.00 Laboratory total.

Recommended Preparation: Theatre Arts 165 with a minimum grade of C is Recommended.

Develop the programming skills to complete a show set up, control fixture characteristics, create and record cues, and transfer between programming and show control. Emphasis will be placed on developing speed and accuracy in these basic skills.

CSU

Theatre Arts 167 **Automated Lighting Instruments**

Unit(s): 3.0 Class Hours: 54.00 Lecture, 18.00 Laboratory total.

The study, dissection, and manipulation of software applications and intelligent lighting instruments that are used in the creation, management, visualization, and virtualization of live and recorded productions in the entertainment field.

CSU

Theatre Arts 169 **Work Experience - Theatre**

Formerly: Cooperative Work Experience-Entertainment

Unit(s): 1.0 - 4.0 Class Hours: 216.00 Lecture total.

This work experience course of supervised employment is designed to assist students to acquire desirable work habits, attitudes and skills in a field related to the students' major so as to enable them to become productive employees. This course also provides students with career awareness for jobs. 54 hours of work equals one unit of course credit. Student repetition is allowed per Title 5, Section 55253. Students may earn a maximum of 14 units of credit for work experience. Grade: Pass/No Pass Only. Open Entry/Open Exit.

CSU

Theatre Arts 171 **Showcase II**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Prerequisite: Theatre Arts 151 with a minimum grade of C.

Continued study in theatre performance emphasizing acting technique, theatre vocabulary, and creative individual expression. Students perfect the process of presenting a role on stage. A combination of Theatre Arts 151, 171, 172, and 173 may be taken a maximum of four enrollments.

CSU/UC

Theatre Arts 172 **Showcase III**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Prerequisite: Theatre Arts 171 with a minimum grade of C.

Provides the continuing theatre performance student opportunity to concentrate on more advanced acting methods and development of technique. Emphasizes the development of the individual actor's performance style connecting the voice and body with the emotional life of a character. A combination of Theatre Arts 151, 171, 172, and 173 may be taken a maximum of four enrollments.

CSU/UC

Theatre Arts 173 **Showcase IV**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Prerequisite: Theatre Arts 172 with a minimum grade of C.

Continuing study of acting technique including more complicated methodology and advanced script material. Emphasizes the combination of the individual actor's performance style with the demands of the professional theatre arena. A combination of Theatre Arts 151, 171, 172, and 173 may be taken a maximum of four enrollments.

CSU/UC

Theatre Arts 177 **Principles of Playwriting**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An introduction to the elements of writing a play for the stage emphasizing dramatic structure, dramatic action, relationship between dialogue and action, setting, theme and point of view. Students will be assigned writing exercises that culminate in a one-act play. A combination of Theatre Arts 177, 178, 179, 180, 181, 186, and 190 may be taken a maximum of four enrollments.

CSU

Theatre Arts 178 **Musical Theatre Techniques**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

This course explores the development of the beginning fundamentals of acting, singing and movement for musical theatre through exercises, auditions, solo and group performances. A combination of Theatre Arts 177, 178, 179, 180, 181, 186, and 190 may be taken a maximum of four enrollments.

CSU/UC

Theatre Arts 179 **Musical Theatre Workshop**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Prerequisite: Theatre Arts 178 with a minimum grade of C.

Development and exploration of musical theatre skills. Students will become proficient musical theatre artists through theatrical exercises, audition and dance techniques and solo and group performances. A combination of Theatre Arts 177, 178, 179, 180, 181, 186, and 190 may be taken a maximum of four enrollments.

CSU/UC

Theatre Arts 180 **Intermediate Musical Theatre Techniques**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Prerequisite: Theatre Arts 178 with a minimum grade of C

This course explores intermediate level techniques of acting, singing and movement for musical theatre through theatrical exercises, auditions, solo and group performances. A combination of Theatre Arts 177, 178, 179, 180, 181, 186, and 190 may be taken a maximum of four enrollments.

CSU/UC

Theatre Arts 181 **Intermediate Musical Theatre Workshop**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Prerequisite: Theatre Arts 179 with a minimum grade of C.

Intermediate level development and exploration of musical theatre skills. Students will become proficient musical theatre artists through theatrical exercises, audition and dance techniques and solo and group performances. A combination of Theatre Arts 177, 178, 179, 180, 181, 186, and 190 may be taken a maximum of four enrollments.

CSU/UC

Theatre Arts 186 **Voice for the Actor**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

An academic study and practical application of the efficient and effective use of the speaking voice, particularly in meeting the unique demands of acting for the stage. Focus will be placed on exercises designed to identify and correct breathing problems, diction problems, and to create conscious control of speech function. A combination of Theatre Arts 177, 178, 179, 180, 181, 186, and 190 may be taken a maximum of four enrollments.
CSU/UC

Theatre Arts 190 **Improvisation for Stage and Screen**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Exploration of the principles and techniques of improvisational acting designed to increase the actor's creativity, problem solving, and performance skills. This course also develops student awareness of the importance of the cooperative dynamics of theatre, television and film. A combination of Theatre Arts 177, 178, 179, 180, 181, 186, and 190 may be taken a maximum of four enrollments.
CSU/UC

Theatre Arts 250 **Advanced Theatre Production**

Unit(s): 2.0 Class Hours: 18.00 Lecture, 70.00 Laboratory total.

Prerequisite: Theatre Arts 150A with a minimum grade of C.
Practical experience performing an advanced level role in a series of public performances. May be repeated.
CSU/UC

Theatre Arts 255 **Motion Picture Performance Production**

Unit(s): 3.0 Class Hours: 18.00 Lecture, 108.00 Laboratory total.

Practical experience in performance production culminating in a fully produced feature film screened to the public. The final movie presentation becomes the basis for developing an actor reel. Students desiring an acting role must audition.
CSU/UC

Theatre Arts 256 **Intermediate Motion Picture Performance Production**

Unit(s): 3.0 Class Hours: 18.00 Lecture, 108.00 Laboratory total.

Prerequisite: Theatre Arts 255 with minimum grade of C.
Intermediate level practical experience course in production culminating in a fully produced feature film screened to the public. The final movie presentation becomes the basis for developing an actor reel. Students desiring an acting role must audition. A combination of Digital Media 142, Theatre Arts 113, and 256 may be taken a maximum of four enrollments.
CSU/UC

Theatre Arts 257 **Motion Picture Performance Production III**

Unit(s): 3.0 Class Hours: 18.00 Lecture, 108.00 Laboratory total.

Prerequisite: Theatre Arts 256 with a minimum grade of C.
Provides the continuing performance student opportunity to concentrate on more advanced acting methods and development of technique. Emphasizes the development of the individual actor's performance style connecting the emotional life of a character to technical delivery on-screen.
CSU/UC

Theatre Arts 258 **Motion Picture Performance Production IV**

Unit(s): 3.0 Class Hours: 18.00 Lecture, 108.00 Laboratory total.

Prerequisite: Theatre Arts 257 with a minimum grade of C.
Continuing study of on-camera acting technique including more complicated methodology and advanced script material. Emphasizes the combination of the individual actor's performance style with the demands of working on a professional set.
CSU/UC

VIETNAMESE (VIET)

Vietnamese 101 **Elementary Vietnamese I**

Unit(s): 5.0 Class Hours: 90.00 Lecture total.

A college level Vietnamese class focusing on pronunciation and grammar, basic vocabulary, common idioms, listening, speaking, reading, and writing techniques to provide avenues for the expression of ideas orally and in writing. Introduction to Vietnamese culture. Some sections designated for native Vietnamese speakers. Vietnamese 101 is equivalent to two years of high school Vietnamese.
CSU/UC

Vietnamese 102 **Elementary Vietnamese II**

Unit(s): 5.0 Class Hours: 90.00 Lecture total.

Prerequisite: Vietnamese 101 with a minimum grade of C.
A college level Vietnamese course focusing on further training in pronunciation and grammar, more extensive vocabulary development, conversation, and composition. Supplementary cultural readings. Vietnamese 102 is equivalent to the third year of high school Vietnamese.
CSU/UC

WELDING (WELD)

Welding 101 **Introduction to Welding**

Formerly: Weld 108, Oxyacetylene-Arc Welding

Unit(s): 3.0 Class Hours: 18.00 Lecture, 108.00 Laboratory total.

This is a basic course designed to introduce students to shop safety, the proper use of tools and basic equipment, and basic fundamentals through the introduction of various welding processes currently used in the welding and metal fabrication industry. Processes will include Oxy-fuel cutting, Shielded Metal Arc Welding (SMAW), Gas Metal Arc Welding (GMAW), Flux Cored Arc Welding (FCAW), and Gas Tungsten Arc Welding (GTAW).
CSU

Welding 111A **Welding Lab Skills**

Unit(s): 2.0 Class Hours: 108.00 Laboratory total.

Recommended Preparation: Current enrollment or completion with a minimum grade of C in WELD 101.

This class is designed for students to enhance their welding skills. Students will be able to practice open root welding, along with preparation for welding practical exams. This lab will focus on material preparation and welding techniques. Students will receive two units for 108 hours of participation.
CSU

Welding 111B Welding Skills Lab

Unit(s): 2.0 Class Hours: 108.00 Laboratory total.

Recommended Preparation: Current enrollment or completion with a minimum grade of C in WELD 101.

This class is designed for students to enhance their welding skills. Students will be able to practice open root welding, along with preparation for welding practical exams. This lab will focus on material preparation and welding techniques. Students will receive two units for 108 hours of participation.

CSU

Welding 111C Welding Skills Lab

Unit(s): 2.0 Class Hours: 108.00 Laboratory total.

Recommended Preparation: Current enrollment or completion with a minimum grade of C in WELD 101.

This class is designed for students to enhance their welding skills. Students will be able to practice open root welding, along with preparation for welding practical exams. This lab will focus on material preparation and welding techniques. Students will receive two units for 108 hours of participation.

CSU

Welding 111D Welding Skills Lab

Unit(s): 2.0 Class Hours: 108.00 Laboratory total.

Recommended Preparation: Current enrollment or completion with a minimum grade of C in WELD 101.

This class is designed for students to enhance their welding skills. Students will be able to practice open root welding, along with preparation for welding practical exams. This lab will focus on material preparation and welding techniques. Students will receive two units for 108 hours of participation.

CSU

Welding 125 Intermediate Electric Arc Welding

Unit(s): 3.0 Class Hours: 18.00 Lecture, 108.00 Laboratory total.

Recommended Preparation: Welding 101

This is an intermediate course designed for students who want to progress in their welding skills through the application of Shielded Metal Arc Welding (SMAW), Flux Cored Arc Welding (FCAW), Gas Metal Arc Welding (GMAW), Gas Tungsten Arc Welding (GTAW), and Oxy-fuel Cutting. The course will emphasize proficiency in welding in the flat, horizontal, and vertical positions. Continuing emphasis on safety, theory, and practical skill development.

CSU

Welding 132 Introduction to Gas Tungsten Arc Welding

Unit(s): 1.5 Class Hours: 9.00 Lecture, 54.00 Laboratory total.

Recommended Preparation: Current enrollment or completion with a minimum grade of C in WELD 101.

This course is designed to introduce students to Gas Tungsten Arc Welding (GTAW), Shop safety, GTAW equipment, and GTAW fundamentals. GTAW skills and theory will be demonstrated to support what is currently used in the welding and metal fabrication industry.

CSU

Welding 153 Math/Blueprint Reading for Welders

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course focuses on math used in welding and blueprint reading. Emphasis will be placed on welding blueprint symbols along with industry mathematics. The student will be able to read and interpret shop, field drawings, and blueprints related to the welding industry.

CSU

Welding 155 Metal Fabrication

Unit(s): 3.0 Class Hours: 18.00 Lecture, 108.00 Laboratory total.

Recommended Preparation: Welding 153 and Welding 204 with a minimum grade of C.

This course is designed for students with prior welding experience. The course will provide students with a general understanding of the fundamental methods of welding fabrication used in industry. Students will become familiar with standard mill shapes and materials, jigs and fixtures, methods of layout and fitting, preparation and qualification of welding procedures and welding sequence, cost analysis, and cutting and fastening techniques. This course is strongly recommended for those entering the fields of metal fabrication, quality assurance, inspection, supervision, and engineering of welded products.

CSU

Welding 157A Basic Robotic Programming

Unit(s): 3.000 Class Hours: 18.000 Lecture, 108.000 Lab total.

Prerequisite: Completion with a grade of "C" or better or a Passing grade in: WELD 108

Corequisite: Concurrent enrollment in: WELD 156A or MNFG 156A

This is a basic programming course that teaches students how to safely manipulate an industrial robot through proper use of a controller. Topics include safe operating practices, linear movements, coordinate systems, Teach Pendant programming, and software/hardware integration. (Same as MNFG 157A).

CSU

Welding 177 Welding Metallurgy

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

This course is designed to introduce students to the field of metallurgy and familiarize the student with production, use, and testing of metals and other materials. This course reviews the relationships between the properties of metals/alloys as well as other materials and how they relate to design and manufacturing industries.

CSU

Welding 181 Pipe Welding Fundamentals

Unit(s): 3.0 Class Hours: 18.00 Lecture, 108.00 Laboratory total.

Recommended Preparation: Welding 101 with a minimum grade of C.

This course is an introduction class to pipe welding with the Shielded Metal Arc Welding (SMAW) process. Students will focus on safety, theory, preparation, and welding. Emphasis will be placed on welding in the flat (1G) and horizontal (2G) positions using various size pipe with E6010 and E7018 electrodes.

CSU

Welding 182 Intermediate Pipe Welding

Unit(s): 3.0 Class Hours: 18.00 Lecture, 108.00 Laboratory total.

Recommended Preparation: Welding 181 with a minimum grade of C.

This course is an intermediate class in pipe welding. Students will focus on safety, theory, pipe preparation, and welding. Emphasis will be placed on welding in the fixed horizontal (5G) and fixed 45 degree (6G) positions on various size pipe, using the Shielded Metal Arc Welding (SMAW) process with E6010 and E7018 electrodes.

CSU

Welding 198 Welding 198 Topics

Unit(s): 3.000 Class Hours: 18.000 Lecture, 108.000 Lab total.

Specialized courses on topics in welding technology. Not offered every year.

CSU

Welding 225**Advanced Electric Arc Welding**

Unit(s): 3.0 Class Hours: 18.00 Lecture, 108.00 Laboratory total.

Recommended Preparation: Welding 125 with a minimum grade of C. Student must demonstrate advanced electric arc welding knowledge in accordance with student learning objectives. Subject to Instructor's discretion.

This is an advanced course designed to improve and master the student's previously acquired welding skills in Shielded Metal Arc Welding (SMAW), Flux Cored Arc Welding (FCAW), Gas Metal Arc Welding (GMAW), Gas Tungsten Arc Welding (GTAW), and Oxy-fuel Cutting. The course will emphasize proficiency of welding in the vertical and overhead positions with continued emphasis on safety, theory, and practical skill development. CSU

Welding 232**Advanced Gas Tungsten Arc Welding**

Unit(s): 3.0 Class Hours: 18.00 Lecture, 108.00 Laboratory total.

Recommended Preparation: Welding 132 with a minimum grade of C is Recommended.

This is an advanced welding course using the Gas Tungsten Arc Welding (GTAW) process. This course is intended to challenge the students with welding out of position on various alloys. The students will weld in the horizontal (2F/G), vertical (3F/G), and overhead (4F/G) welding positions on plate and pipe. This class is designed to prepare students for the certification tests in structural, pipe, and aerospace industries. CSU

Welding 240**Structural Welding SMAW**

Unit(s): 3.0 Class Hours: 18.00 Lecture, 108.00 Laboratory total.

Recommended Preparation: Welding 225 with a minimum grade of C.

This is an advanced course designed to provide students with specialized instruction in Shielded Metal Arc Welding (SMAW) for the Los Angeles Department of Building and Safety (LADBS) welder performance examination and/or the welder performance examination in accordance with the American Welding Society (AWS) D1.1 Structural Steel Code. Simulated examination plates will be issued to students, who will have to complete them in vertical (3G) and overhead (4G) positions, in order to evaluate their progress. Upon completion of the class, students should be prepared to schedule, take, and pass the welder performance examination for structural steel welding (AWS: D1.1). CSU

Welding 242**Structural Welding FCAW**

Unit(s): 3.0 Class Hours: 18.00 Lecture, 108.00 Laboratory total.

Recommended Preparation: Welding 225 with a minimum grade of C.

This is an advanced course designed to provide students with specialized instruction in flux cored arc welding (FCAW) for the Los Angeles Department of Building and Safety (LADBS) welder performance examination and/or the welder performance examination in accordance with the American Welding Society (AWS) D1.1 Structural Steel Code. Simulated examination plates will be issued to students, who will have to complete them in vertical (3G) and overhead (4G) positions, in order to evaluate their progress. Upon completion of the class, students should be prepared to schedule, take, and pass the welder performance examination for structural steel welding (AWS: D1.1). CSU

Welding 244**Welding Certification D1.1 Code Clinic**

Unit(s): 2.0 Class Hours: 36.00 Lecture total.

This course is designed for welding students looking to achieve their certification in the written portion of the American Welding Society (AWS) D1.1 Structural Steel code book. Emphasis will be focused on understanding and navigating the D1.1 Structural Steel code book. Students will cover prequalified/qualified design, prequalified base/filler material, procedure/welder qualifications, fabrication essentials, and testing as specified by AWS D1.1 Structural Code specifications leading to Los Angeles City or AWS welding certifications. CSU

Welding 256**Alternative Welding Processes**

Unit(s): 3.0 Class Hours: 36.00 Lecture, 54.00 Laboratory total.

Prerequisite: Welding 101 and 125 with a minimum grade of C.

The Alternative Welding Processes course focuses on robot and laser safety, programming, and operation. The course trains students in the fundamentals of robot programming and language. Laser welding includes the development and documentation of procedures and qualification of welds, and the calibration of equipment for welding. (Same as Manufacturing Technology 256). CSU

Welding 282**Advanced Pipe Welding**

Unit(s): 3.0 Class Hours: 18.00 Lecture, 108.00 Laboratory total.

Recommended Preparation: Welding 182 with a minimum grade of C.

This advanced course prepares students to pass their inclined (6G) certification test. Students will use AWS and American Petroleum Institute (API) standard 1104 procedures. Emphasis will be on open root groove welds on pipe using the Shielded Metal Arc Welding (SMAW). Students will use E6010 and E7018 electrodes along with Gas Tungsten Arc Welding (GTAW). CSU

WOMEN'S STUDIES (WMNS)**Women's Studies 101****Introduction to Women's Studies**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

A multicultural survey of social trends, issues, opportunities, and topics of special interest to women. Discussion includes sex, sex role stereotyping, family problems, work, law, gender equity, physical and mental health, feminism, rape, and women in arts, sciences, history, and business. CSU/UC

Women's Studies 102**Women in America: Work, Family, Self**

Unit(s): 3.0 Class Hours: 54.00 Lecture total.

An examination of women's roles in America. Emphasis on employment, family structures, and personal development. Topics include: historical patterns, socialization, opportunities, sexism, identity, growth, law, unionization, sexual harassment, media influence, family pressures, child care, guilt, stress. CSU

SCHOOL OF CONTINUING EDUCATION

School of Continuing Education Overview

Introduction

Recognizing that learning is a lifelong process, the School of Continuing Education offers a variety of courses and programs to meet basic educational goals of adult learners. Programs and services are designed to help adults carry out their immediate social, civic, and economic responsibilities. All classes are tuition-free for adults 18 years and older living in California.

The School of Continuing Education offers a variety of courses and programs to meet basic educational goals of adult learners. Programs and services offered by the School of Continuing Education are designed to help adults meet and carry out their immediate social, civic, and economic responsibilities.

Our Academic programs include:

- Adult Basic Education
- Adult Secondary Education
- Career Education
- Citizenship Preparation
- English as a Second Language
- Older Adults Program
- Parenting Education

Admission & Enrollment

Students 18 years or have graduated from high school are eligible to enroll in continuing education classes. Students under 18 years old and have not graduated from high school may be admitted by special approval of their high school district of attendance and approval of a continuing education administrator.

All classes are tuition-free. Enrollment is on a first-come, first-served basis. Unless specifically exempted by statute, every course wherever offered and maintained by the district is fully open to enrollment and participation by any person who has qualified as a continuing education student and meets approved prerequisites when applicable.

Class Discontinuance

Any class which does not have a total of at least 20 students enrolled by the beginning of instruction may be discontinued. Any class which does not maintain satisfactory attendance may be discontinued.

Parking

No parking fee is required at Centennial Education Center or Remington Education Center. Students enrolling in classes that meet at the Adult Education Center at Santa Ana College's main campus are expected to pay a parking fee for campus parking. The parking regulations for campus can be found on the Safety and Security website at this link: sac.edu/parking

Schedule of Classes

A current schedule of classes can be found anytime on the School of Continuing Education website at: sac.edu/sce

A printed schedule is available at the start of each semester and can be found at our main campuses. For School of Continuing Education locations and hours, visit: sac.edu/scelocations

Student ID

Each student may obtain a picture student identification card upon request. Student identification cards are available at Centennial Education Center or Santa Ana College.

Instructional Programs

Adult Basic Education

Provides adult learners the opportunity to build a strong foundation in reading, writing, language, English usage, grammar, mathematics, and communication skills, and to develop practical skills in technology training and employment preparation.

Program Goals:

- Teaches the basic academic and life skills necessary for success in today's world.
- Provides students with a strong educational foundation that can be used as a basis for employment preparation, entrance into high school subjects, GED preparation, and college and vocational programs.

Adult Secondary Education

Adult High School Diploma Program: Provides all courses necessary to obtain a high school diploma through both traditional and individualized instruction methods.

Program Goals:

- Enables students to obtain a high school diploma.
- Provides coursework that enables students to meet proficiency requirements.
- Encourages high school students to pursue higher education goals.

HiSET/GED High School Equivalency Preparation:

Prepares students for the official HiSET and GED subtests in Reading, Writing, Math, Social Studies, and Science. Instruction is provided in English and Spanish. Courses are offered in person and in various online modalities.

Program Goals:

- Enables students to obtain high school equivalency certificate.
- Provides coursework to prepare students for the HiSET and GED subtests.
- Upon completion of the HiSET and GED preparation classes, students register hiset.org or ged.com to take their exam(s).

Career Education

Provides a blend of technical, academic, and conceptual training to prepare students for direct entry into the workforce and advancement toward higher-level training. Students learn workforce preparation and technical skills. Courses are offered in person and in various online modalities.

Program Goals:

- Provides short-term vocational training programs and courses for entry and mid-level positions, as well as courses to upskill current professionals.
- Offers courses and programs that are in demand by industry and incorporate input and feedback from business industry advisory councils and the mandates of occupational licensing agencies.
- Programs implement theory, hands-on training, and employability skills to prepare job seekers for the workforce.
- Prepares students to transition to credit career education programs through articulated courses.
- Courses are offered in-person and in various online modalities.

English as a Second Language

Instruction in English from literacy to advanced levels is offered at various locations throughout the district for non-English and limited English-speaking adults. ESL support classes in pronunciation, conversation, English for work, ESL for citizenship, and writing are also offered.

Program Goals:

- Develops competency in the English language for non-native English speakers at school, work, home, and in the community.
- Improves fluency levels for success in vocational, high school, and college credit programs.
- Develops an understanding of American culture, values, and civic responsibility.
- Provides students with a strong academic foundation and improves language skills that can be used as a basis for lifelong learning and continuation into adult basic education, high school subjects, GED preparation, college credit and/or vocational programs. Ultimately these skills should assist students in obtaining better employment opportunities.

Citizenship

Provides basic knowledge and preparation for the United States Citizenship process and naturalization interview, including language usage within the context of American history, government, and civics.

Program Goals:

- Prepares students for the United States citizenship interview and examination process.
- Teaches students about the rights and benefits of becoming U.S. citizens.

Older Adult Program

Consists of courses specifically designed to offer lifelong education that provides opportunities for personal growth and development, community involvement, skills for mental and physical well-being, and economic self-sufficiency.

Program Goals:

- Provides activities that enhance music appreciation, vocal, and instrumental skills through creative expression.
- Offers information on basic nutrition, consumer awareness, and current cooking techniques.
- Presents various topics for discussion and activities based on the student's individual interests, backgrounds, and mental abilities.
- Provides a variety of art media and techniques that improve motor skills.
- Teaches movement exercises designed to improve flexibility, strength, endurance, cardiovascular, and respiratory functions. Emphasis is on motor skills, coordination, balance training, joint protection, and relaxation techniques.

Parent Education Program

Prepares students for their important role as a key factor in child health, development and success, from the prenatal stage through college preparation. Parent education courses emphasize intellectual, physical, and emotional aspects of parenting.

Program Goals:

- Provides a variety of learning opportunities and instruction for prospective parents regarding the intellectual, physical, and emotional components of the birth process.
- Provides theory, methods, and practical applications for rearing children.
- Encourages parents to acquire additional child guidance and decision-making skills that are congruent with their values, children's developmental and educational needs, and society's demands.

Health and Safety Education

Consists of courses specifically designed to offer lifelong education to promote the health, safety and well-being of individuals, families and communities.

Students with Substantial Disabilities

Provides courses to assist developmentally disabled adults with basic academic skills and independent living skills.

High School Diploma Program in Detail

General Information

Learning should be a lifelong process if an individual is to have a full and rewarding life. Often, not having a high school diploma becomes a stumbling block for adults who would like to continue their education. Completing the high school diploma allows the individual to achieve greater goals. Educators in the School of Continuing Education know how difficult it is to return to education when the demands of employment, family and daily living take so much energy and time. With the busy adult in mind, the adult high school diploma program is designed to be flexible enough to fit the schedule of each individual. Rancho Santiago Community College District offers a comprehensive high school diploma program for adults who wish to continue their formal education.

Santa Ana College has maintained a High School Program since 1973. In 2009, the California Code of Regulations adopted minimum coursework and standards required by community colleges to award high school diplomas. Santa Ana College requested and received approval of its application for the new Adult High School Diploma Program in the summer of 2009 from the California Community College's Chancellor's Office.

Diplomas are issued by the Rancho Santiago Community College District to students who complete the required course of study and demonstrate proficiency in basic skills. Graduation ceremonies are traditionally held each May or June for several hundred adults of all ages. Students may complete the diploma program at any time during the year and receive verification of completion of requirements at that time. Courses designed to meet high school graduation requirements are offered in both the traditional classroom setting or in open entry/ open exit individualized learning programs. Elective credits can be earned in continuing education classes offered in a wide variety of locations throughout the community as listed in the schedule of classes published each semester.

Counseling and Guidance

Counselors meet with students and design programs of study on an individual basis so that students desiring a high school diploma can achieve their individual educational goals. For students transferring from other high school or adult programs, counselors send for and evaluate previous transcripts to determine which courses meet the general education requirements and/or elective requirements. Counselors advise students of lifelong learning opportunities and assist students with postsecondary vocational and educational planning for degree or certificate programs at Santa Ana College School of Continuing Education. These services are offered by a staff of professional counselors who are well informed as to the community resources available for students needing academic, vocational, personal, or financial assistance.

Registration

The Adult High School Diploma Program is available at Centennial Education Center and Santa Ana College. Students may obtain a schedule of classes and enroll at any time during the fall, spring, and summer semesters.

High School Graduation Requirements

To qualify for a high school diploma, the candidate must meet the following requirements: Please refer to High School Diploma Program Catalog Rights.

Course of Study

The high school diploma requires a total of 160 credits taken from the following:

SUBJECT AREA	CREDITS
English Communication (a maximum of 10 credits of reading; must include at least one composition course)	40.0
Mathematics	20.0
Natural Sciences (must include both a biological and a physical science course)	20.0
Social and Behavioral Sciences (must include U.S History, World Geography, World History, American Government, Economics and a Social Science elective)	30.0
Humanities	10.0
Electives	40.0
Total:	160.0

There may be additional requirements due to Title 5 changes for the 2024-2025 school year.

Petitions

A petition for graduation must be completed and submitted prior to the date students expect to complete diploma requirements.

Proficiency Requirements

Proficiency must be demonstrated in basic skills areas of reading, mathematics, and composition, according to the categories listed below:

- READING.** All Rancho Santiago Community College District adult high school graduates will be required to demonstrate an eighth grade reading ability by passing the Reading Proficiency Requirement. To meet the Reading Proficiency Requirement, students need to pass one of the following exams or equivalent coursework with a "C" or higher from High School in the US.
 - 8.0 on placement Test
 - 240 score on CASAS 900R Series
- MATHEMATICS.** Students will be required to pass the HSS Mathematics Proficiency requirement. To meet the Mathematics Proficiency, students need to complete an equivalent coursework.
- ENGLISH COMPOSITION.** Students will be required to pass the HSS Composition Proficiency requirement. To meet the HSS Composition Proficiency, students need to pass one of the following exams or equivalent coursework
 - Passed English CAHSEE (Composition requirement met)
 - EMLS 112 at SAC
 - English 061 at SAC

Residency Requirement

To qualify for a high school diploma, a student must complete at least 20 coursework credits within the Rancho Santiago Community College District. There are multiple sources of credit leading to the high school diploma. Sources are as follows:

1. Previous secondary schools
2. Trade or business schools
3. Armed Forces schools and/or programs
4. College credit courses
5. Correspondence courses
6. Adult school credit courses
7. Work experience credit
8. Consumer Skills Task Credit
9. Testing
10. Regional Occupational Program courses
11. Other approved sources of credit
12. Policies Governing Sources of Credit

Policies Governing Sources of Credit

- Previous Secondary Schools** All credits earned in the 9th, 10th, 11th, and 12th grades recorded on an official transcript will be accepted except physical education credits and credits which are a duplication of course work for which credit was previously granted.
- Trade or Business Schools** Courses taken in trade or business schools will be evaluated for possible high school credit equivalency. Courses in this category must be approved by the Office of Private Postsecondary Education. It is the responsibility of the student to provide to the district transcripts, certificates, and/or other records requested for the evaluation and possible awarding of credit.
- Armed Forces Schools and/or Programs** Credit may be granted for completion of training programs (armed services) and other valid educational experiences provided they have been certified by the United States Armed Forces Institute or by a statement on the service record, and provided they parallel 1) courses usually taught in secondary schools, and 2) vocational training courses with counterparts in civilian life. The recommendations for credit for such programs and experiences are contained in three volumes published by the American Council on Education: The 1978 edition of the GUIDE TO THE EVALUATION OF EDUCATIONAL EXPERIENCES IN THE ARMED SERVICES, Vol. I-Air Force; Vol. II.-Army; Vol. III-Coast Guard, Marine, and Navy. This section is to be interpreted as including: Officer and enlisted service school courses; Off-duty classes offered by the armed forces and cooperating local institutions; Correspondence courses offered by the United States Armed Forces Institute, the Marine Corps Institute, the Coast Guard Institute, and cooperating colleges and universities; United States Armed Forces Institute courses and subject examinations. (Authorization for this procedure is contained in Title V, Section 99, part C, of the California Administrative Code.)
- College Credit Courses** College units to be used for high school credits may be evaluated in a ratio of 3 college units to 10 high school semester periods of credit. The college should be notified in writing when college credits are utilized to meet high school requirements. College credit equivalency recommended by the American Council on Education guides will be evaluated for high school credit on the same basis as other college credit courses.
- Correspondence Courses** Courses taken by correspondence will be evaluated for possible high school credit equivalency. Courses in this category must be approved by the Office of Private Postsecondary Education. It is the responsibility of the student to provide to the district transcripts, certificates, and/or other records requested for the evaluation and possible awarding of credit.

F. Adult School Credit Courses Courses taken at adult schools will be evaluated for possible high school credit equivalency. Courses in this category must be approved by the California State Department of Education. No credit will be allowed for physical education courses nor for courses from other adult schools if such courses are designated in the Rancho Santiago Community College District as “no high school credit.” It is the responsibility of the student to provide to the district transcripts, certificates, and/or other records requested for the evaluation and possible awarding of credit.

G. Work Experience Credit Students may obtain credit for certain types of full-time work experience or for work experience that can be related to high school subject matter. In order to obtain credit for work experience, students must provide written verification from those employers with whom they have worked for at least one year. The Continuing Education administrators or counselors will evaluate the amount of work experience credit and the area of application. Evaluation will not be made for more credits than is necessary to meet graduation requirements and which the letters of verification justify. Combined work experience credit and consumer skills task credit may not exceed 40 credits. Verification of work experience should be obtained by the student requesting from each employer, on official letterhead stationery, the following information:

1. Dates of employment.
2. Job description.
3. Nature of duties performed, indicating progress to more complex operations justifying a division into beginning and advanced skills.
4. Statements regarding successful performance.
5. Reason for termination of employment, if applicable.
6. The letter of self-employed students must be accompanied by a copy of the student's business license or W-2 form.
7. Upon receipt of verification of all work experience which the student wishes to be considered for credit, evaluation will be made on the following basis:
 - a. Up to 10 credits will be given for the first year of successful work experience.
 - b. Up to 10 additional credits to a maximum of 40 will be granted for each additional full year of employment if the student has made successful progress each year on the job.
 - c. After the initial 10 credits for the first year, student may earn 5 credits for a period of six months employment, provided there is evidence of successful progress.

H. Consumer Skills Tasks Credits Students may obtain elective credits for completion of various consumer skills tasks. Students should see their counselor concerning requirements for completion of the consumer skills tasks. Combined consumer skills tasks credit and work experience credit may not exceed 40 credits.

I. Assessment The district may award a maximum of 80 high school credits on the basis of district approved testing. Mathematics Achievement Test (ITED) Credit may be earned in mathematics by obtaining a satisfactory score on the math section of the Iowa Tests of Education Development Form X5. No other subtests are accepted for credit purposes. Ten semester credits will be awarded for a raw score of 14, provided these credits are not a duplication of previously earned math credits. (These 10 credits may be used to satisfy Math Fundamentals I and II requirements.) Fifteen semester credits will be awarded for a raw score of 20, provided these credits are not a duplication of previously earned math credits. (These 15 credits may be used to satisfy Math Fundamentals I and II requirements, and 5 elective credits.)

J. Subject Matter Credit by Examination

Credit by examination may be earned only for courses that are currently listed in the Rancho Santiago Community College District catalog and/or specifically designated by the division curriculum committee as courses that are eligible for credit by examination. Information for receiving this credit may be obtained from a counselor in Continuing Education.

K. Regional Occupational Program Courses

Credit will be determined upon receipt of an official secondary or community college transcript which indicates credit and grades as appropriate. Guidelines for issuance of ROP credit when not on a unified school district transcript:

- RSCCD will accept an official Grade Reporting Sheet from Central County Regional Occupational Program in lieu of a unified school district transcript provided it has a grade and a number of total hours. The amount of credit issued is to be based on 16 clock hours per credit unit.
- The maximum of 20 units toward electives will be accepted in this manner.
- Students coming from outside the CCROP will have to validate their credits only through an official school district transcript.

L. High School Diploma Elective Credits

Career Education High School elective credit for selected Career Education/basic computer courses offered through the Career Education Department can be awarded.

1. English as a Second Language (ESL)
2. Five elective High School Subjects credits may be granted upon passing these courses: Intermediate Low, Intermediate High, Advanced Low, Advanced High.
3. Adult Basic Education (ABE)
4. Up to 15 HSS elective credits are granted when student successfully completes ABE Reading, ABE Math, and ABE Writing.

M. Articulation Agreements

An agreement between Santa Ana College (credit) and Santa Ana College School of Continuing Education (noncredit) whereby the credit side will accept the work of a noncredit student provided that the student fulfills the guidelines in the articulation agreement for the course.

1. Career Education Department
 - VCNST 101 Introduction to Welding
 - VFOOD 210 ServSafe® Food Protection Manager Certification Exam Preparation, Review, & Practice
 - VFOOD 220 Introduction to Baking & Pastry
 - VFDM 100 Introduction to the Fashion Industry
 - VFDM 105 Beginning Sewing
 - VFPA 150A Rehearsal and Performance in Production
 - VFPA 150B Technical Theatre in Production
 - VFPA 152 Tour Ensemble
 - VFPA 255 Motion Picture Performance Production
 - VAUTO 668 Introduction to Automotive Vehicle Systems
 - VAUTO 670 Preventative Maintenance Inspection
 - VMFG 680 Basic Machining Concepts and Operations
 - VHLTH 704 Introduction to Biotechnology
 - VHLTH 705 Introduction to Biotechnology Lab
 - VHLTH 799 Introduction to Pharmacy Technology

Contact the School of Continuing Education Counseling Department for further information.

Petition For High School Diploma / Program Certificate

A petition for graduation must be completed and submitted soon after the date a student completes the diploma requirements. Students who maintain continuous High School enrollment have the option to meet the certificate requirements as listed in the catalog in effect at the time of first enrollment or any subsequent year. Continuous High School enrollment is defined by earning a grade in a High School continuing education class for at least one course during any semester or session (fall/spring or summer), within that academic year. For the purposes of the catalog, an academic year begins with the fall semester and concludes with the summer session. If a student does not earn a grade on their transcript during any of the semesters, or sessions, during an academic year, then the student is no longer protected by previous diploma/certificate requirements and will be held to the additional requirements. The student must then reset their catalog rights clock to use the catalog at the time of readmission or subsequent enrollment. In the event a loss of catalog rights due to extenuating circumstances, a student wishes to waive or substitute a requirement for certificate requirements, the student could complete the appropriate form and submit to the Exceptions for Academic Regulations (EAR) Committee for final determination.

NOTE: Commencement exercises are held once a year at the end of the spring semester for those students who complete the requirements for graduation during the year or the summer session. Students transferring credits to complete the high school diploma must have Official Transcripts from all high schools and/or colleges attended on file in the Admissions and Records office prior to graduation.

Scholarships

Several scholarships are made available to Continuing Education high school graduates. Selection of scholarship recipients will be based upon recommendation of teachers and counselors, financial need, academic excellence, attendance, and minimum enrollment standards.

Santa Ana College Foundation Continuing Education Leadership and Achievement Scholarship

The Santa Ana College Foundation sponsors a scholarship program which recognizes both academic achievement and leadership among students earning the high school diploma from the Santa Ana College School of Continuing Education. The scholarship awards will be based on academic excellence and demonstrated leadership capabilities. The selection committee will consider the applicants' overall qualifications. Students must enroll for a Minimum of six credits.

Minimum Eligibility Requirements:

1. Students who will graduate in the spring semester from Santa Ana College School of Continuing Education High School Program must complete three proficiencies and need no more than 20 credits to meet the graduation credit requirements at the time of scholarship filing date.
2. Complete a minimum of 20 credits in classes within the Rancho Santiago Community College District.
3. A 3.5 GPA or better for all units completed at Rancho Santiago Community College District. (Other high school grades will be considered for qualification; however, the 3.5 minimum GPA will only be computed on grades received in Rancho Santiago Community College District.)

Learn more about Continuing Education scholarship opportunities at: sac.edu/sce-scholarships

Student Resources**Assessment**

To meet the requirements of the Workforce Opportunity and Innovation Act (WIOA) grant, the Comprehensive Adult Student Assessment System (CASAS) standardized test is administered to all students in the following programs: Adult Basic Education; English as a Second Language (including Citizenship classes); and High School Diploma. CASAS is administered to measure student learning gains using a pre- and posttest method.

Child Development Center

Child development program centers are available at Centennial Education Center and Santa Ana College. Childcare arrangements may be made by calling 714-241-5739.

Counseling and Guidance

Each School of Continuing Education student is provided with the unique opportunity to benefit from an individualized counseling and guidance program designed to help students improve the quality of their lives. Students seek counseling for many reasons, including planning of educational programs, obtaining of information about employment and job skills, resolving personal and family problems, examining aptitudes, interests, and achievement, finding new careers and vocational directions, and learning to cope with cultural differences and life in a new country. Students enrolling in courses leading toward a high school diploma must see a counselor upon registering each term. Counselors are available on a walk-in basis at selected facilities. For more information about counselors' schedules or to arrange an appointment, please call:

- 714-241-5720 - Centennial Education Center
- 714-564-6176 - Santa Ana College Adult Education Center

Student Transition Program

This program was developed to help facilitate the process and bridge the transition from noncredit to credit classes at Santa Ana College. The program offers:

- classroom presentations
- application workshops
- financial aid workshops
- Early registration to Santa Ana College

Disabled Students Programs and Services

The Disabled Students Program & Services (DSPS) team facilitates access to educational courses and programs, while also nurturing independence, self-advocacy, and inclusion for students with verified disabilities. DSPS is also committed to collaboratively supporting staff and faculty in fostering inclusive learning environments for students at Santa Ana College and School of Continuing Education.

DSPS serves as a partner for students to ensure opportunities to participate in, and benefit from, college programs, services, and activities. Whether students are experiencing impacts of physical, mental, or other disabilities, DSPS works to individualize supports for each student. Based upon students' experiences, DSPS supports may include disability and academic counseling, reasonable accommodations, and advocacy for eligible students with disabilities.

Recognizing students experience learning challenges, but disability documentation may not be available, the DSPS team encourages reaching out to discuss potential options for support. Student experiences matter, DSPS can be a partner on the academic journey.

For more information about our services, or to schedule an appointment, students may visit the DSPS office in Johnson Student Center, JSC-108, call (714) 564-6295, video phone (657) 235-2999, email , or visit our webpage at: sac.edu/dsps

Rising Scholars

Provides guidance and support to help formerly incarcerated and justice impacted students with their transition back into the community. Special focus is directed to job training, education, community resources and support networks.

Student Welcome Center

The center serves as a resource hub for students, offering a wide range of services including:

- basic technical assistance
- general school information
- access to SAC student resources and community supports

The Student Welcome Center is located at Centennial Education Center in Rooms F-101/F-102. The virtual student welcome center can accessed at: sac.edu/scewelcome

24/7 Technical Support

Continuing Education students have access to 24/7 technology support provided in English and Spanish. To access, please call: **714-480-7407**

Registration

Students can register for classes anytime by visiting the School of Continuing Education website. The registration process is fast and easy and can be completed on a laptop or mobile phone. To register online an email address is needed.

Continuing Education Websites:

- English: sac.edu/sce
- Spanish: sac.edu/vamos
- Vietnamese: sac.edu/goviet

Students can also register in person at one of our three locations. For hours and directions, visit: sac.edu/scelocations

For assistance, please call 714-241-5700. English, Spanish and Vietnamese speakers are available.

2024 / 2025 Instructional Calendar**Fall Semester 2024**

August 12-16	Faculty Project
August 19	Instruction Begins
September 2	Labor Day – Holiday

May 26	Memorial Day – Holiday

Summer Session 2025

May 27	Instruction Begins
June 19	Juneteenth – Holiday
July 4	Independence Day – Holiday
August 1	Instruction Ends

Policies Governing Students

A. Attendance

A student may be dropped from the roster and required to re-enroll upon returning if the following absences occur:

1. Day Classes: two weeks, or five days in succession.
2. Evening Classes: four class meetings.
3. High School Subjects/Programmed Instruction: two weeks.

Note: Some courses may have different requirements of attendance. Please refer to program guidelines.

B. Grading Standards/Procedures

A Superior	4 grade points per NC unit
B Above Average	3 grade points per NC Unit
C Average	2 grade points per NC unit
D Less Than Satisfactory	1 grade point per NC unit
F Fail	0 grade points per NC unit
P Pass	0 grade points
W Withdrawal	0 grade points
CIP In Progress	
SP Satisfactory Progress	
NP No Measurable Progress	
COM Completed	

C. Procedures for Student Complaints Regarding Grades

1. Education Code 76224 states: "When grades are given for any course of instruction taught in a community college district, the grade given to each student shall be the grade determined by the instructor for the course; and the determination of the student's grade by the instructor, in the absence of mistake, fraud, bad faith, or incompetence, shall be final."

2. Procedure

- a. Student shall meet with instructor to discuss grade.
- b. If the issue is not resolved, and the student believes that the grade is based on mistake, fraud, bad faith or incompetency (EC 76224), an appeal in writing may be made to the Dean-Continuing Education. Forms of written appeal may be found in the office of the Area Dean of Instruction and Student Services.
- c. The student may be requested to set up an appointment with the Dean-Continuing Education to discuss the written complaint.
- d. The Dean-Continuing Education will review the allegations and may consult with the instructor.
- e. The Dean-Continuing Education will review the issue and will notify the student and instructor in writing of the decision.
- f. The decision of the Dean-Continuing Education is final.

D. Complaint Procedures for Students

Students may file a complaint when they believe they have been deprived of a right granted to students by the Board of Trustees in any of the policies or regulations of the Rancho Santiago Community College District. The purpose of these complaint procedures is to resolve differences as fairly and expeditiously as possible while preserving the rights of students and staff members.

1. Definitions

Days: number of days refers to the days when the District offices are open.
Committee: Continuing Education Student Complaint Committee.

2. Procedure

- a. Students shall first confer with the staff member who took action or made the ruling to which they object no later than ten days following the event which prompted the complaint.
- b. The Area Dean of Instruction and Student Services or designee will assist the student in arranging an appointment with the staff member.
- c. If the difference is not satisfactorily resolved, the student shall confer with the staff member's supervisor.
- d. The Area Dean of Instruction and Student Services or designee will assist the student and staff member's supervisor.
- e. If the complaint is unresolved, the student may file a written statement setting forth the nature of the complaint on the prescribed form with the Area Dean of Instruction and Student Services no later than ten days after conferring with the staff member's supervisor.
- f. The complaint form shall be completed in full and shall include a full description of the complaint, times, dates and pertinent facts, and the remedy sought by the student.
- g. A Student Complaint-Staff Response form will be sent to both the staff member and supervisor for completion.
- h. The Area Dean of Instruction and Student Services shall forward the completed forms to the Continuing Education Student Complaint Committee chairperson for review and recommendation.
- i. The committee shall have the power to make an appropriate investigation of the complaint and shall state the findings and make a recommendation.
- j. If the complaint is sustained by the committee, it will recommend appropriate action for relief of the complaint and communicate this in writing to the staff member to whom the complaint was directed. If the staff member accepts the recommended action, and if the student who filed the complaint is satisfied with the action, the complaint shall be considered resolved and closed.
- k. If the findings of the committee do not sustain the complaint, the committee shall communicate this finding in writing to the student who filed the complaint. If the student accepts this finding, the complaint shall be considered resolved and closed.
- l. If no resolution of the complaint is obtained under (f.) or (g.) above, the Area Dean of Instruction and Student Services shall forward the complaint together with findings of the committee to the Chancellor for review and decision.
- m. If this decision does not resolve the complaint in the opinion of the student, the Chancellor shall present the case to the Board of Trustees with the findings and recommendations. If the Board finds that the complaint is invalid, the Chancellor's recommendation shall stand in final resolution. If the Board finds that the complaint is valid, it shall instruct the Chancellor as to how the complaint shall be resolved, and the Chancellor shall implement the Board's decision.

E. High School Diploma Students

1. **Grade Reports:** In-class progress is reported to the student in a number of ways. Tests are often given to show individual student progress. In high school credit classes, a progress form is issued to each student as credit is completed, and copies are given to the counselors and the appropriate Continuing Education office for recording.
2. **Cumulative Records:** The district will maintain cumulative records on each current high school diploma student. These records may contain pertinent information necessary to aid students in educational planning. Placement tests follow-up, interest inventories, and other data contained in the cumulative record will be available for review by the student upon request.

a. **Student Record Confidentiality:** Under the guidelines of the Family Educational Rights and Privacy Act of 1974, student records are confidential, and privacy is to be scrupulously maintained.

b. **Right to Review and Challenge Records:** Under the provisions of the U.S. Department of Health, Education and Welfare, students have the right to inspect and review any of the following files:

- admissions/records
- data processing
- financial aid
- placement
- veterans

After review and exploration, students may challenge any information relating to them if they believe information to be inaccurate, misleading, or otherwise in violation of their rights of privacy or other rights. Forms for challenge are available in the Area Dean of Instruction and Student Services office.

3. Residency

- a. **Definition:** Course work taken in any part of the Rancho Santiago Community College District Continuing Education Program.
- b. **Requirements:** Any student must fulfill a twenty semester unit period of residency within the above-stated definition in order to qualify for potential granting of the adult high school diploma from the Rancho Santiago Community College District.

4. **Charge For Transcripts:** The first two transcripts will be issued without charge. A charge will be assessed for each additional transcript after the first two.

F. High School Petition Students

Secondary school students who wish to take course work in Rancho Santiago Community College District Continuing Education and have it transferred to another school **MUST PRESENT A COMPLETED PETITION FOR REGISTRATION IN ORDER TO BE CONSIDERED FOR ADMISSION. FAILURE TO COMPLY FULLY WITH ALL CONDITIONS LISTED ON THE FORM MAY RESULT IN THE IMMEDIATE REVOCATION OF THE PETITION AND DISMISSAL FROM CONTINUING EDUCATION CLASSES.**

Grading and Transfer of Credits: Students must satisfactorily complete all course requirements including exams, projects, papers and attendances before credit or grades can be issued. **STUDENTS ARE RESPONSIBLE FOR PLANNING SCHEDULES AND PROGRESS SO AS TO EARN CREDITS IN TIME TO MEET GRADUATION DEADLINES IN OTHER SCHOOL DISTRICTS.**

Books and Supplies: Students must provide textbooks and supplies required for the classes in which enrolled. **Conduct:** Student conduct must be productive, responsible and courteous at all times.

Unacceptable behavior may result in the immediate revocation of this petition and dismissal from class. Unacceptable behavior includes, but is not limited to, excessive talking; noncompliance with rules; failure to follow instructor directions; falsification of records; cheating or assisting others to cheat; destruction or theft of school property; disruption of classes; violence; or being under the influence of drugs or alcohol.

G. High School Students Taking College Credit Classes for High School Diploma Credit

1. This program represents a cooperative venture between Rancho Santiago Community College District, neighboring high schools and the School of Continuing Education.
2. Students who are over eighteen years of age and have not graduated from high school may take Rancho Santiago Community College District courses for high school credit. Students will be admitted to those programs that have space available upon recommendation of the Area Dean-Continuing Education or designee. Students under the age of eighteen who are high school students may receive high school or college credit for courses, but must also attend a minimum day at the high school.
3. Students will be admitted to those programs that have space available upon recommendation of the high school principal or designee.
4. Repeating a course already passed will result in a credit-only grade—not a letter grade.
5. If a student elects to receive high school credit for work taken at the college, the decision must be made prior to registration. College credit for that work may not be received at a later time.
6. Enrollment in, and completion of, course work in the Rancho Santiago Community College District credit division can also satisfy the residency requirement of the Continuing Education High School Diploma Program.

H. Special Rules, Regulations and Student Obligations

Because of special program characteristics, the noncredit programs must adhere to special rules, regulations, and student obligation beyond the STANDARD GUIDELINES FOR STUDENT CONDUCT adopted by the Rancho Santiago Community College District. Students enrolled in any of the following programs are obligated to perform within those special program guidelines in order to maintain class attendance: Apprenticeship; Service-Employment-Redevelopment (SER); and any other community-based organization or governmental agency with which the Rancho Santiago Community College District cooperates in a program offering.

I. Family Education Rights and Privacy

As required under the provisions of the Family Education Rights and Privacy Act of 1974, the Rancho Santiago Community College District will make public without student consent only certain directory information. This information consists of the following: a student's name; city of residence; a major field; participation in officially recognized activities and sports; weight, height, and age if a member of an athletic team; dates of attendance; degree and awards received; and the most recent previous educational institution or agency attended by the student. A student may request the Admissions and Records Office to withhold this information. Such request must be in writing and submitted each semester.

J. Right to Review and Challenge Records

Students have the right to inspect and review any of the following files which relate directly to them:

1. admissions/records
2. data processing
3. financial aid
4. placement
5. veterans
6. division/department

if such files are maintained as official files rather than individual files. Request forms are available in the office of the Area Dean of Instruction and Student Services. After review and explanation, students may challenge any information relating to them if they believe the information to be inaccurate, misleading, or otherwise in violation of their rights of privacy or other rights. Any student wishing to exercise this right of challenge shall inform the

Area Dean of Instruction and Student Services, or the Dean-Admissions and Records.

If students wish, copies of materials contained in the files subject to their review will be provided at a cost of \$1 for the first copy of any document and .10 for each additional copy.

A log or record of persons or organizations requesting information or receiving information on the student will be maintained in the area where the records are stored.

District staff or other professionals who have a legitimate educational interest such as counseling and carrying out the normal operations of the educational program have access to student records.

Any student has the right to file complaint with the U.S. Department of Health, Education and Welfare concerning alleged failure of the institution to comply with provisions above or Section 438 of the General Provision.

K. Use of Public School Facilities for Adult Classes

1. Alcoholic Beverages and Controlled Substances: Both by policies instituted by local Boards of Education (Garden Grove Unified School District, Orange Unified School District, Rancho Santiago Community College District and Santa Ana Unified School District) and California State Law specifically prohibit possession of alcoholic beverages and controlled substances on school premises at any time, by any person, regardless of age. Regulations also prohibit use of alcoholic beverages at school events, whether on or off the campus, or the appearance at school events while under the influence of alcoholic beverages and/or controlled substances. The penalty for violation of these regulations is immediate suspension from school, followed by expulsion, if imposed by the Board of Trustees. Additional penalties may be imposed by law enforcement agencies.
2. Smoking: Provisions of the Uniform Fire Code, Article 29, Section 29.06, Smoking Activity on School Property, state: "It shall be unlawful for any person or persons to engage in any smoking activity or to possess any flaming or glowing object or cause to be lighted any substance in any classroom or on school property at any time except in areas authorized by the local Board of Education." The only areas authorized for smoking are outside the school buildings. There is to be NO SMOKING by anyone in any of the classrooms at any time. Proper containers are provided in the smoking areas for disposal of cigarettes.
3. Food and Beverages: Food and beverages are not to be brought into the classrooms at any time. Proper containers are provided for disposal of trash in designated areas.

Noncredit Certificates

Continuing Education courses are listed by subject on the following pages. Course numbers are listed at the beginning of each course title. Open Entry/Open Exit courses are noted in the course descriptions. Students may enroll at any time in these courses and begin class immediately. Students progress at their own rate and may exit from the class at any time upon satisfactory completion of the required work. In other courses, class hours refer to the number of hours that the class is scheduled to meet per week during a term. All credits listed are high school credits. In traditional courses, students earn credits by satisfactorily completing the course. In open entry/open exit courses, students earn credits by meeting individual competency-based objectives. Some noncredit programs offer a sequence of courses leading to a certificate. The class schedule should be consulted for current offerings.

ADULT BASIC EDUCATION

Adult Basic Education: Certificate of Competency

Program Code: CEC.ABE.COM

Program Control Number: 33189

This certificate provides instruction for students to develop basic reading, writing, and math skills necessary to succeed in High School Diploma, High School Equivalency, CTE, and college courses. This certificate will provide valuable data on student success as ABE students transfer through programs. This certificate supports the college mission by providing a pathway to support improved language skills and lifelong intellectual pursuits.

Learning Outcome(s):

1. Write complete sentences that demonstrate proficiency with grammar, mechanics, and usage
2. Apply knowledge of basic math concepts

Core Courses:		Credits: 0
ABE 023	Adult Basic Education Reading	0
ABE 024	Adult Basic Education Writing	0
ABE 025	Adult Basic Education Math	0
		Total: 0

Adult Basic Education/Adult Secondary Education Math Proficiency: Certificate of Competency

Program Code: CEC.ABEM.COM

Program Control Number: 33188

This combination of courses is designed to prepare students for higher level math skills used in High School Diploma, High School Equivalency Preparation, and CTE courses.

Learning Outcome(s):

1. Apply knowledge of basic math addition, subtraction, multiplication, and division to whole numbers and fractions.

Core Courses:		Credits: 5
ABE 025	Adult Basic Education Math	0
HSMTH 159	Math Fundamentals 2	5
		Total: 5

Adult Basic Education/Adult Secondary Education Reading

Proficiency: Certificate of Competency

Program Code: CEC.ABER.COM

Program Control Number: 33452

This combination of courses is designed to prepare students for higher level reading skills used in High School Diploma, High School Equivalency Preparation, and CTE courses.

Learning Outcome(s):

1. Determine the main idea and details of a level-appropriate passage
2. Draw correct inference after reading a level-appropriate passage

Core Courses:		Credits: 0
ABE 023	Adult Basic Education Reading	0
Choose 1:		Credits: 5
HSRDG 089	Reading Proficiency Development	5
HSRDG 093	Building Reading Skills 1	5
HSRDG 094	Building Reading Skills 2	5
		Total: 5

Adult Basic Education/Adult Secondary Education Writing

Proficiency: Certificate of Competency

Program Code: CEC.ABEW.COM

Program Control Number: 33187

This combination of courses is designed to prepare students for higher level writing skills used in High School Diploma, High School Equivalency Preparation, and CTE courses.

Learning Outcome(s):

1. Write a well-organized paragraph using correct English writing conventions
2. Write clear sentences that demonstrate proficiency with grammar, mechanics, and usage

Core Courses:		Credits: 5
ABE 024	Adult Basic Education Writing	0
HSENG 083	Composition 1	5
		Total: 5

21st Century Leadership: Certificate of Competency

Program Code: CEC.21CL.COM

Program Control Number: 40473

This certificate will prepare students with an understanding of the necessary 21st Century leadership, digital literacy, and computer skills that they need to be successful in their workplace, school, and communities.

Learning Outcome(s):

1. Create an effective and time-efficient weekly schedule.
2. Recognize and employ basic components of computers and/or mobile devices in order to accomplish specific tasks.

Students must complete and pass ONE of the following courses:

		Credits: 0-5
ABE 044	Leadership Basics Part 1	0
–or–		
HSS 090	Leadership Basics, Part 1	5

Students must complete and pass ONE of the following courses:

		Credits: 0-5
ABE 018	Leadership Basics, Part 2	0
–or–		
HSS 092	Leadership Basics, Part 2	5

Students must complete and pass ONE of the following courses:

	Credits: 0
VBUS 240 Practical Computer & Internet Skills for Parents & Guardians 0 -or-	
VBUS 500 Digital Literacy for Academic and Professional Success - Tier 1 0 -or-	
VBUS 501 Digital Literacy for Academic and Professional Success - Tier 2 0 -or-	
VBUS 502 Digital Literacy for Academic and Professional Success - Tier 3 0 -or-	
VBUS 503 Digital Literacy for Real World Application – Tier 4 0	
	Total: 0-10

Career & Professional Success: Certificate of Competency

Program Code: CEC.CPS.COM

Program Control Number: 40541

This certificate is designed to equip students with the ability to manage or improve many workplace issues that will lead to productivity.

Student have the opportunity to develop and practice the power, writing, and computer skills they need to be effective on a daily basis in the workplace. When combined with industry knowledge and behaviors, the mastery of these skills results in higher levels of individual performance and growth. This certificate program is highly recommended for students who are currently in the workforce.

Learning Outcome(s):

1. Navigate workplace issues that lead to improved workplace productivity.

Students must pass TWO of the following courses: Credits: 0

ABE 036 Effective Writing for the Workplace 0 -or-	
VBUS 123 Introduction to Computer Software & Online Applications 0 -or-	
VBUS 402 Workforce Power Skills 0	
	Total: 0

Leadership Capstone: Certificate of Competency

Program Code: CEC.LEADC.COM

Program Control Number: 38177

This combination of courses is designed to provide students with the leadership techniques necessary to make effective changes in their workplace, home, school, and community.

Learning Outcome(s):

1. Communicate within small, medium, and large groups to express opinions, ideas, and suggestions
2. Develop leadership skills and strategies to use in personal, academic, and workplace settings

Choose 1: Credits: 0-5

ABE 044 Leadership Basics Part 1 0	
HSS 090 Leadership Basics, Part 1 5	

Choose 1: Credits: 0-5

ABE 018 Leadership Basics, Part 2 0	
HSS 092 Leadership Basics, Part 2 5	
	Total: 0-10

Spanish Literacy Core Capstone: Certificate of Competency

Program Code: CEC.ABESL.COM

Program Control Number: 38623

This combination of courses is designed to prepare students in the areas of reading, writing, math, science, and social studies up to a middle school level to facilitate student transition to ESL, ABE, High School Diploma, High School Equivalency, and CTE courses. The classes are taught in Spanish.

Learning Outcome(s):

1. Write a formal essay using Spanish writing conventions
2. Apply knowledge of math skills, including tables and graphics to math problems

Core Requirements: Credits: 0

ABE 112 Beginning Spanish Literacy 0	
ABE 113 Intermediate Spanish Literacy 0	
ABE 114 Advanced Spanish Literacy 0	
	Total: 0

ADULT SECONDARY EDUCATION**Adult High School Diploma: High School Diploma**

Program Code: CEC.HSS.DIPL

Program Control Number: 31594

The sequence of courses in the High School Subjects, Adult Basic Education, and Learning Support; programs is designed to provide a strong foundation of basic skills ranging from elementary levels through secondary subjects, with the purpose of preparing students to earn a high school diploma, obtain employment, pursue vocational training and better job opportunities, and to be prepared to continue into college credit level programs.

Learning Outcome(s):

1. Demonstrate the ability to apply essential academic concepts when transferring to college, entering the workforce, or for personal success.

Core Courses:

HSRDG 089 Reading Proficiency Development 5	Credits: 15
HSENG 084 Composition 2 5	

Plus a minimum of 145 required credits from the following courses:

LRN 164 Introductory Algebra 5

CAREER EDUCATION

Bus Operator/Driver: Certificate of Completion

Program Code: CEC.VABOD.CC

Program Control Number: 43223

These courses prepare students for the California Commercial Learner's Permit (CLP) test and provide insight to what a career as a bus operator/driver entails. To obtain a commercial driver's license, a person needs to first attain the CLP by passing a knowledge test based on the California Commercial Driver Handbook. Therefore, students will review information in the California Commercial Driver Handbook, including sample test questions. Students will learn study skills to better prepare them for the CLP test and customer service skills which are essential in the field. Moreover, students will receive behind-the-wheel and vehicle inspection training. Finally, a walk-thru of the job application process, interview techniques, and job requirements (i.e., physical examination, background checks, etc.) will be reviewed.

Learning Outcome(s):

1. Apply the knowledge and skills they gained to pass the California Commercial Learner's Permit test and ultimately, obtain the commercial license to start their career as a bus operator/driver.

Students must pass the following TWO courses:	Credits: 0
VBUS 340 Career Exploration	0
VAUTO 674 Bus Operator/Driver Training	0
Total: 0	

Caregiver/Personal Care Aide: Certificate of Completion

Program Code: CEC.CGPCA.CC

Program Control Number: 38621

This program prepares students to assist the elderly, convalescents, or persons with disabilities with daily living activities at the person's home or in a care facility. In a simulated caregiving environment, students will gain experience performing caregiver duties, which may include nutrition, cleanliness, ambulation, and household activities. In Employability Skills or VESL: English for Work 2, students learn soft skills that are beneficial for working in any health/medical environment.

Learning Outcome(s):

1. Apply knowledge and skills gained to obtain employment as a caregiver/personal care aide and/or start their career pathway in healthcare.

Students are to pass BOTH of the following courses:	Credits: 0
VHLTH 109 Introduction to Caregiving	0
VHLTH 110 Caregiver Training	0
Students are to pass ONE of the following courses:	Credits: 0
VBUS 400 Employability Skills	0
ESL 520 ESL: English for Work 2	0
Total: 0	

Certified Global Business Professional (CGBP) Exam Preparation & Practice: Certificate of Completion

Program Code: CEC.VCGBP.CC

Program Control Number: 43592

NASBITE International's Certified Global Business Professional (CGBP) certification is widely recognized as the standard of excellence in expertise and professionalism in international trade. This certificate prepares students for the CGBP certification exam by reviewing the four primary domains included in the exam: Global Business Management, Global Marketing, Supply Chain Management, and Trade Finance. In VBUS 340 Career Exploration, students will learn more about the CGBP exam and how the certification can lead more international trade career opportunities. Students who pursue this certificate should have at least two years of international trade experience or completed and earned credit for two years of college-level international trade courses.

Learning Outcome(s):

1. Prepare to take the latest Global Business Professional (CGBP) certification exam and continue their career pathway in international trade.

Students must pass the following TWO courses:	Credits: 0
VBUS 292 Global Business Professional (CGBP) Certification Exam Preparation & Practice	0
–and–	
VBUS 340 Career Exploration	0
Total: 0	

Childcare Workers: Certificate of Completion

Program Code: CEC.CWRK.CC

Program Control Number: 24362

This series of open entry/open exit courses provides students with knowledge about the care and development of infants, toddlers and preschool children for family childcare providers. Students will learn about health information required for licensing and skills necessary for successful operation of a childcare business. In the Employability Skills course, students learn soft skills that are beneficial in operating their childcare business or being employed by a childcare business.

Learning Outcome(s):

1. Apply the knowledge and skills they gained to obtain entry-level employment, start their home-based childcare center, and/or start their career pathway in childhood education.

Courses:	Credits: 0
PRNT 559 Business Practices in Family Child Care	0
VBUS 590 Introduction to How to Start a Small Business	0
PRNT 558 Early Childhood Care and Development For Family Child Care Providers	0
PRNT 562 Health Education for Family Child Care Providers	0
VBUS 400 Employability Skills	0
–or–	
ESL 520 VESL: English for Work 2	0
Total: 0	

Customer Service Representative: Certificate of Completion

Program Code: CEC.CSRC.CC

Program Control Number: 24364

Customer service representatives interact with customers to handle complaints, process orders, and provide information about an organization's products and services. This series of courses prepares students to work in a wide variety of business settings, with the focus being on attending to and meeting the customer's needs and requests. Students will have the opportunity to strengthen or improve their current customer service, interpersonal, communication, listening, patience, and problem-solving qualities. In addition, students will attain the typing and computer skills necessary to be efficient workers. Customer service representatives typically need a high school diploma or equivalent so students are recommended to earn a diploma/certificate to increase the probability of obtaining a position in this profession. High school elective credits may be given for completing VBUS 118, VBUS 124, VBUS 243, VBUS 258, VBUS 270, and VBUS 400 if the student achieves the attendance and proficiency requirements to pass these classes. Customer service representatives are employed in nearly every industry, with many working in telephone call centers, credit and insurance agencies, banks, and retail stores.

Learning Outcome(s):

1. Apply knowledge and skills gained to obtain employment as a customer service representative and/or start their career pathway in administrative support.

Students must pass the following TWO courses: Credits: 0

VBUS 124	Introduction to Keyboarding I	0
VBUS 243	Introduction to Customer Service Skills	0

Students must pass ONE of the following courses: Credits: 0

VBUS 400	Employability Skills	0
ESL 520	ESL: English for Work 2	0

Students must pass ONE of the following courses: Credits: 0

VBUS 118	Microsoft Windows Overview	0
VBUS 258	Navigating the Internet	0
VBUS 270	Introduction to Microsoft Outlook	0

Total: 0**Digital Literacy for Office and Administrative Support Worker: Certificate of Completion**

Program Code: CEC.DLOAS.CC

Program Control Number: 39456

This certificate program connects ESL and career education instruction in a way that prepares English language and/or digital literacy learners for further education or training, employment and careers. Students will engage in collaborative projects designed to help the student develop the professional and technical computer skills needed to succeed in today's workforce. Upon completing this program, students will have developed the knowledge, skills, and confidence needed to make an easy transition to the General Office Clerk, Secretary/Administrative Assistant, and/or Customer Service Representative Certificate Programs offered by Santa Ana College School of Continuing Education. The certificate provides students with the foundational digital literacy skills to begin an office and administrative support career pathway.

Learning Outcome(s):

1. Students will apply the fundamental technology skills needed to be digitally literate.

Students must pass ONE of the following courses: Credits: 0

VBUS 259	Orientation to Computers	0
	–or–	
VBUS 500	Digital Literacy for Academic and Professional Success - Tier 1	0

Students must pass ALL of the following courses:

VBUS 501	Digital Literacy for Academic and Professional Success - Tier 2	0
	–and–	

VBUS 502	Digital Literacy for Academic and Professional Success - Tier 3	0
	–and–	

VBUS 503	Digital Literacy for Real World Application – Tier 4	0

	–or–	
VBUS 402	Workforce Power Skills	0
	–or–	
ESL 520	English for Work 2	0

Total: 0

General Office Clerk: Certificate of Completion

Program Code: CEC.GOC.CC

Program Control Number: 24365

General office clerks perform a variety of clerical tasks, including using the computer to prepare documents and interact with staff, clients, and the public. This series of courses offers students the foundation for learning important soft skills, basic office skills, and using the computer software necessary to work in a general office setting. General office clerks typically need a high school diploma or equivalent so students are recommended to earn a diploma/certificate to increase the probability of obtaining a position in this profession. High school elective credits may be given for completing VBUS 118, VBUS 124, VBUS 260, VBUS 262, and VBUS 400 if the student achieves the attendance and proficiency requirements to pass these classes.

Learning Outcome(s):

1. Student use computer software and acquire the soft skills necessary to work in a general office setting.
2. Students apply the knowledge and skills they gained to start their office career pathway.

Students must pass the following TWO courses: Credits: 0

VBUS 260	Introduction to Microsoft Word	0
	–and–	
VBUS 262	MS Excel	0

Students must pass ONE of the following courses: Credits: 0

VBUS 400	Employability Skills	0
	–or–	
ESL 520	English for Work 2	0

Students must pass ONE of the following courses: Credits: 0

VBUS 118	Microsoft Windows Overview	0
	–or–	
VBUS 124	Introduction to Keyboarding I	0

Total: 0**Heating/Ventilation/Air Conditioning/Refrigeration (HVAC-R)****Technology: Certificate of Completion**

Program Code: CEC.VHVAC.CC

Program Control Number: 39745

The Heating/Ventilation/Air Conditioning/Refrigeration (HVAC-R) Technology program develops students for careers or additional education in the HVAC-R field. Students completing the courses in this certificate will have competence in the program areas of safety, basic refrigeration, basic electricity, heating, air-conditioning, ventilation, and soft skills. Students will possess entry-level skills in the repair and servicing of refrigeration, air conditioning, and heating equipment used in residential, industrial, and commercial buildings.

Learning Outcome(s):

1. Students will possess entry-level skills in the repair and servicing of refrigeration, air conditioning, and heating equipment use in residential, industrial, and commercial buildings.

Students must pass the following course: Credits: 0

VNST 630	Heating/Ventilation/Air Conditioning/Refrigeration (HVAC-R) Technology	0

Program Code: CEC.VHOSP.CC

Program Control Number: 38680

The Hospitality Services Certificate allows students to explore careers in hospitality, specifically in food services and hotel/motel/resort front desk; understand the advantages and challenges of each; and use self-assessment tools to determine which is right for them. The program emphasizes customer service and its importance, helping students understand customer behavior and loyalty in a diverse and increasingly global society. Students will also learn techniques and tips for finding work in the hospitality industry. Moreover, in Employability Skills or VESL: English for Work 2, students learn soft skills that are beneficial for working in any hospitality environment.

Learning Outcome(s):

1. Apply the knowledge and skills they gained to obtain entry-level employment and/or start their career pathway in hospitality.

Students must pass the following TWO courses: Credits: 0

VHOSP 201	Career Focus - Hospitality Services	0
VBUS 243	Introduction to Customer Service Skills	0

Students must pass ONE of the following courses: Credits: 0

VBUS 118	Microsoft Windows Overview	0
VFOOD 005	ServSafe Food Handler	0

Students must pass ONE of the following courses: Credits: 0

VBUS 400	Employability Skills	0
ESL 520	ESL: English for Work 2	0

Total: 0

Information Technology (IT) Basics: Certificate of Completion

Program Code: CEC.ITB.CC

Program Control Number: 43764

This certificate prepares students to transition to the Introduction to Information Technology (IT) certificate program at Santa Ana College School of Continuing Education and start their career pathway in IT. Equally important, this certificate ensures that students will not only navigate but also thrive in today's digital world by exploring the fundamentals of computer navigation, utilization, maintenance, and overall technology use. Hands-on training using and applying relevant concepts for today's digital world is applied. Students will also learn essential skills through communication and problem solving.

Learning Outcome(s):

1. Apply knowledge and skills gained to obtain employment and/or start their career pathway in information technology (IT).

Students must pass the following TWO courses: Credits: 0

VBUS 570	Information Technology (IT) Basics Tier 1	0
	–and–	

VBUS 572	Information Technology (IT) Basics Tier 2	0
----------	---	---

Students must pass ONE of the following courses: Credits: 0

VBUS 243	Introduction to Customer Service Skills	0

Total: 0**Introduction to Automotive Technology Systems & Engines: Certificate of Completion**

Program Code: CEC.VATSE.CC

Program Control Number: 43593

This is the second of a three series certificate which prepares students to transition to Santa Ana College's Automotive Technology Program or obtain entry-level employment in the automotive technology field. In addition to learning about the primary automotive systems used in modern vehicles, such as electrical, ignition, fuel, braking, and other systems, students learn about engine tear-down, engine assembly, engine diagnosis, repair of gasoline automotive engines, and accurate engine measurement. Students will be equipped with the skills and theory necessary to perform maintenance on modern vehicle systems and repair engines. The High School Math 190 Math for College and Career Readiness course is designed to help students learn and apply basic math skills in the context of automotive service. In VBUS 243 Introduction to Customer Service Skills, VBUS 400 Employability Skills, or ESL 520 English for Work 2, students learn soft skills that are beneficial in working in any auto technology environment.

Learning Outcome(s):

1. Apply the knowledge and skills they gained to start their career pathway in automotive technology.

Students must pass the following TWO courses: Credits: 0

VAUTO 668	Introduction to Automotive Vehicle Systems	0
	–and–	

VAUTO 672	Engine Repair

HSMTH 190 Math for College and Career Readiness 0

Total: 0**Introduction to Baking & Pastry Tier 1: Certificate of Completion**

Program Code: CEC.VFBP1.CC

Program Control Number: 41954

This hands-on certificate program focuses on the fundamentals of baking and pastry principles and techniques. It prepares students for a career as a baker, pastry cook in hotels, restaurants, bakeries or even their own home business. It covers a broad range of topics ranging from bread, pastries, and cakes and decoration. Students will also be prepared to take the ServSafe Food Handler Exam which is an industry recognized certification that is in demand by employers. In VBUS 400 Employability Skills or ESL 520 English for Work 2, students learn soft skills that are beneficial in working in any culinary environment. In HSMTH 190 Math for College and Career Readiness, students learn culinary math which begins with the basics of addition, subtraction, multiplication and division along with ratios, yields and percentages, as well as how ingredients must be measured and scaled accurately, food production quantities are calculated, and recipes are increased or decreased to scale based on demand. This certificate program is ideal for individuals interested in entering the culinary workforce.

Learning Outcome(s):

1. Students will apply the knowledge and skills they gained to start their career pathway in the culinary arts field; specifically in baking and pastry.

Students must pass TWO of the following courses: Credits: 0

VFOOD 212 Baking & Pastry Basics 0

VFOOD 214 Introduction to Bread Making 0

VFOOD 216 Introduction to Cakes and Decorating 0

Introduction to Biotechnology: Certificate of Completion

Program Code: CEC.VBIOT.CC

Program Control Number: 38684

This training program prepares students to transition to Santa Ana College's Biotechnology Lab Assistant Certificate Program or obtain entry-level employment in the biotechnology field. They will learn how to operate and maintain standard laboratory equipment. After completing these series of courses and the remaining required courses at Santa Ana College, students will have a fundamental overview of the application and underlying principles of biotechnology. The High School Math 190 for College and Career Readiness course is designed to help students learn and apply basic math skills in the context of biotechnology. In VBUS 400 Employability Skills or VESL 520 English for Work 2, students learn soft skills that are beneficial in working in any biotechnological environment. Upon completion of this certificate, students are encouraged to continue their training at Santa Ana College's Biotechnology Program to obtain a more advanced certificate and/or degree.

Learning Outcome(s):

1. Apply knowledge and skills gained to obtain employment and/or start their career pathway in biotechnology.

Students must pass the following THREE courses: Credits: 0

VHLTH 704 Introduction to Biotechnology 0

VHLTH 705 Introductory Biotech Lab 0

Line Cook: Certificate of Completion

Program Code: CEC.VCOOK.CC

Program Control Number: 39746

This training program prepares students to work as a line cook which is an important job in the restaurant industry. Students are presented with the opportunity to master basic cooking techniques which can be used to create an endless variety of dishes. They learn many aspects of food preparations, and the proper methods of presentation and serving. Students will also be prepared to take both the ServSafe Food Handler and Food Protection Manager Exam which are industry recognized certifications that are in demand by employers. In VBUS 400 Employability Skills or ESL 520 English for Work 2, students learn soft skills that are beneficial in working in any culinary arts environment. In addition, the program prepares students to transition to Santa Ana College's Culinary Arts Program to continue their training and earn a more advanced certificate and/or degree.

Learning Outcome(s):

1. Prepare students for employment as line cooks and food preparation workers. In addition, it prepares students for a pathway in culinary careers and transition to Santa Ana College's Culinary Arts Program.

Students must pass the following THREE courses: Credits: 0

VFOOD 200	Line Cook Training	0
	–and–	
VFOOD 005	ServSafe® Food Handler	0
	–and–	
VFOOD 210	ServSafe® Food Protection Manager Certification Exam Preparation, Review, & Practice	0

Total: 0**Nursing Assistant: Certificate of Completion**

Program Code: CEC.VNRNA.CC

Program Control Number: 39748

The Nursing Assistant Certificate is designed to provide students with the clinical and theoretical knowledge to prepare for the Certified Nursing Assistant (CNA) designation. Students will learn to be part of a healthcare team under the supervision of a nurse. The curriculum is based on the professional standards established by regulatory agencies, and it covers essential topics included in the Nurse Assistant Certification Exam.

Moreover, in the Workforce Power Skills course, students learn soft skills that are beneficial for working in any medical environment.

Learning Outcome(s):

1. Prepare students to successfully pass the state certification exam and thus, achieve their CNA license.
2. Help students develop the necessary skills to obtain employment as a Certified Nursing Assistant (CNA).
3. Support students in their nursing career pathway.

Students must pass ALL of the following courses: Credits: 0

VHLTH 101	Overview of the Nursing Assistant Training Program	0
VHLTH 102	Certified Nursing Assistant (CNA) Training	0
VBUS 402	Workforce Power Skills	0

Total: 0**Paraprofessional Mental Health Worker: Certificate of Completion**

Program Code: CEC.NAOA.CC

Program Control Number: 24358

This series of courses provides students with the basic skills to gain employment as a Paraprofessional Mental Health Worker. Students acquire knowledge about the treatment of psychological and behavioral health disorders and the philosophy of delivery of mental health services to improve entry into this field. The certificate program in an open-entry/open-exit environment develops competency for vocational success that allows students to attain skill development in basic delivery of services, documentation and reporting, introduction to human development, principles of case management, working with families, and employability.

Learning Outcome(s):

1. Apply the knowledge and skills they gained to obtain entry-level employment and/or start their career pathway in mental healthcare.

QuickBooks - Tier 1: Certificate of Completion

Program Code: CEC.QBT1.CC

Program Control Number: 40514

The QuickBooks - Tier 1 Certificate helps students discover the power of QuickBooks while learning basic accounting concepts through hands on practice. Upon completion of the certificate program, students gain the skills they need to start their academic and career pathway in accounting.

The certificate prepares students for entry-level clerk jobs that utilize QuickBooks. In addition, for small business owners, students will acquire the necessary skills to manage bookkeeping for their business. Students are encouraged to pursue the QuickBooks - Tier 2 Certificate to further develop their QuickBooks skills and knowledge.

Learning Outcome(s):

1. Gain the knowledge and skills they need to start their academic and/or career pathway in accounting. In addition, for small business owners, manage bookkeeping for their business.

Students must complete and pass the following courses: Credits: 0

VBUS 280	Accounting Terminology	0
	–and–	
VBUS 281	Introduction to QuickBooks	0

Students must complete and pass ONE of the following courses:

		Credits: 0
VBUS 400	Employability Skills	0
	–or–	
ESL 520	ESL: English for Work 2	0

Total: 0

QuickBooks - Tier 2: Certificate of Completion

Program Code: CEC.QBT2.CC

Program Control Number: 40515

This series of courses prepares students to transition to Santa Ana College's Computerized Accounting-QuickBooks Certificate Program to advance their training. After completing these series of courses and the remaining required courses at Santa Ana College, students will have a fundamental overview of the application and underlying principles of QuickBooks. By obtaining this certificate, they will learn accounting theory and obtain practical knowledge of QuickBooks. Moreover, students will have the knowledge and skills necessary to obtain entry-level clerk jobs that utilize QuickBooks. In VBUS 400 Employability Skills or VESL 520 English for Work 2, students learn soft skills that are beneficial in working in any business environment.

Learning Outcome(s):

- Gain the knowledge and skills they need to transition to Santa Ana College's Computerized Accounting-QuickBooks Certificate Program to advance their training in QuickBooks. In addition, for small business owners, to better manage the bookkeeping for their business.

Students must complete and pass ALL of the following courses:

	Credits: 0	
VBUS 280	Accounting Terminology	0
	–and–	
VBUS 281	Introduction to QuickBooks	0
	–and–	
VBUS 282	QuickBooks I	0

Students must complete and pass ONE of the following courses:

	Credits: 0	
VBUS 400	Employability Skills	0
	–or–	
ESL 520	ESL: English for Work 2	0
	Total: 0	

Secretary/Administrative Assistant: Certificate of Completion

Program Code: CEC.SECAD.CC

Program Control Number: 24390

Secretaries and administrative assistants perform routine clerical and administrative duties. They organize files, prepare documents, schedule appointments, and support other staff. Secretaries and administrative assistants work in nearly every industry with many employed in schools, hospitals, and government, legal, and medical offices. This series of courses helps students prepare for office support positions that might require enhanced keyboarding skills and higher-level office management skills. Secretaries/administrative assistants need a high school diploma or equivalent, so students are recommended to earn a diploma/certificate to obtain a position in this profession. High school elective credits may be given for completing VBUS 125, VBUS 244, VBUS 245, VBUS 270, VBUS 304, and VBUS 400 if the student achieves the proficiency requirements to pass these classes.

Learning Outcome(s):

- Student apply knowledge and skills gained to obtain secretarial employment and/or start their office career pathway in administrative support.

Students must pass the following TWO courses: Credits: 0

VBUS 125	Introduction to Keyboarding II	0
	–and–	
VBUS 270	Introduction to Microsoft Outlook	0

Students must complete ONE of the following courses: Credits: 0

VBUS 400	Employability Skills	0
	–or–	
ESL 520	English for Work 2	0

Students must complete ONE of the following courses: Credits: 0

VBUS 244	Introduction to Microsoft Access	0
	–or–	
VBUS 245	Introduction to Microsoft Publisher	0
	–or–	
VBUS 304	MS PowerPoint	0
	Total: 0	

Vocational Construction Technology: Certificate of Completion

Program Code: CEC.VCNST.CC

Program Control Number: 32681

This program is designed to help students with selecting, applying, obtaining, and succeeding in construction apprenticeships and/or employment opportunities that are appropriate for them. In addition to hands-on experience using various hand and power tools to complete projects, students will receive classroom instruction in basic math, Occupational Safety and Health Administration (OSHA) safety standards, CPR & First Aid, and employability skills or workforce power skills.

Learning Outcome(s):

- Prepare students to apply the knowledge and skills to select, obtain, and succeed in construction apprenticeship programs or employment opportunities that are appropriate for them.

Students must complete ALL the following courses: Credits: 0

VBUS 340	Career Exploration	0
VCNST 610	Vocational Construction Technology Module I	0
VCNST 620	Vocational Construction Technology Module II	0

Students must pass ONE of the following courses: Credits: 0

VBUS 400	Employability Skills	0
VBUS 402	Workforce Power Skills	0
	Total: 0	

ENGLISH AS A SECOND LANGUAGE**ESL Core Capstone: Certificate of Competency**

Program Code: CEC.ESLCS.COM

Program Control Number: 36880

The combination of recommended courses in this certificate is designed to help students be proficient in using English in situations that occur at home, school, work, and in the community. These courses emphasize and provide higher-level reading and writing instruction leading to completion of student learning outcomes to prepare students for higher education, career opportunities, and lifelong learning.

Learning Outcome(s):

1. Students will acquire high-intermediate to advanced-level competency and skills to be prepared to take noncredit or credit courses and programs in other subject areas, academic and vocational training programs, as well as at other institutions.

To obtain this certificate, students:**Must pass all three of the following core courses: Credits: 0**

ESL 304	Intermediate High	0
ESL 305	Advanced Low	0
ESL 306	Advanced High	0

Must pass one of the following courses: Credits: 15

ABE 023	Adult Basic Education Reading	0
ABE 024	Adult Basic Education Writing	0
ESL 491	Advanced Grammar Review and Essay Writing	0
ESL 720	ESL Transition to College Class	0
HSGED 031	GED Test Preparation	0
HSRDG 089	Reading Proficiency Development	5

HSS 031	High School Equivalency Test Preparation	0
LRN 750	Intensive Writing and Grammar	5
VBUS 400	Employability Skills	

Total: 15**ESL Core Literacy: Certificate of Competency**

Program Code: CEC.ESLCL.COM

Program Control Number: 37093

This combination of courses is designed to help students develop adequate literacy skills to succeed in the core ESL courses that follow. In this series of courses, students will learn to function at a basic literacy level in reading, writing, listening, and speaking in both English and in their native language.

Learning Outcome(s):

1. Students will learn basic level competencies to be able to take other classes in other programs.

Students must pass this course: Credits: 0

ESL 300	Literacy	0
---------	----------	---

Students must pass one of the following courses: Credits: 0

ABE 111	Spanish Literacy for Adults	0
ABE 112	Beginning Spanish Literacy	0
ABE 113	Intermediate Spanish Literacy	0
ABE 114	Advanced Spanish Literacy	0

Total: 0**ESL Core Beginning: Certificate of Competency**

Program Code: CEC.ESLCB.COM

Program Control Number: 36618

The combination of recommended courses is designed to help students begin to communicate in some of the everyday life situations they will encounter at home, work, reschool, and in the community.

Learning Outcome(s):

1. Students will learn the beginning level competencies to be able to take other classes in other programs.

To obtain this certificate, pass all three courses. Credits: 0

ESL 300	Literacy	0
ESL 301	Beginning Low	0
ESL 302	Beginning High	0

Total: 0**ESL Core Intermediate: Certificate of Competency**

Program Code: CEC.ESLCI.COM

Program Control Number: 36828

The combination of recommended courses in this certificate is designed to help students communicate in many of the everyday life situations they encounter at home, work, school, and in the community. These courses emphasize and provide basic skills instruction leading to completion of student learning outcomes to prepare students for higher education, career opportunities, and lifelong learning.

Learning Outcome(s):

1. Students will acquire intermediate-level competency and skills to be prepared to take noncredit or credit courses in different subject areas, academic and vocational training programs, and at other institutions.

To obtain this certificate, students:**Must pass both of the following courses: Credits: 0**

ESL 303	Intermediate Low	0
ESL 304	Intermediate High	0

Total: 0**ESL Core Advanced: Certificate of Competency**

Program Code: CEC.ESLCA.COM

Program Control Number: 36829

This combination of two advanced-level courses in the certificate is designed to help students communicate successfully in everyday situations at home, school, work and in the community. The courses emphasize advanced-level reading and writing instruction, leading to achieving student learning outcomes to prepare students for higher education, career opportunities, and lifelong learning.

Learning Outcome(s):

1. Students will acquire advanced-level competency and skills to be prepared to take noncredit or credit courses in other subject areas, academic and vocational training programs as well as at other institutions.

To obtain this certificate, Students must pass two of the following core courses:

Credits: 0		
ESL 305	Advanced Low	0
ESL 306	Advanced High	0

Total: 0

ESL Enhanced Civics: Certificate of Competency

Program Code: CEC.ESLEC.COM

Program Control Number: 37095

This combination of courses is designed to help students learn more about civics topics, becoming a U.S. citizen, and being a productive community member.

Learning Outcome(s):

1. Students will achieve the competencies needed from support ESL classes to prepare for other noncredit or credit classes, make progress in a career path, or transition to other programs at public and private institutions.

Students must pass two of the following courses: Credits: 0

ESL 120	ESL for Citizenship	0
ESL 130	Multilevel English as a Second Language	0
ESL 392	Writing and Developing a School Publication	
ESL 398	ESL Lab	0
		Total: 0

English for Work: Certificate of Competency

Program Code: CEC.ESLW.COM

Program Control Number: 37198

This combination of recommended courses in this certificate is designed to help students communicate successfully in an English-speaking workplace.

Learning Outcome(s):

1. Students will achieve the competencies needed for the general workplace and to prepare for noncredit or credit vocational classes and programs in colleges and private or other community-based organizations.

To obtain this certificate, Students must pass both courses.

		Credits: 0
ESL 510	English for Work 1	0
ESL 520	English for Work 2	0
		Total: 0

Enhanced English for Work: Certificate of Competency

Program Code: CEC.ESLWE.COM

Program Control Number: 37238

The combination of recommended courses in this certificate is designed to help students communicate successfully in an English-speaking workplace and develop their writing and digital literacy skills.

Learning Outcome(s):

1. Students will achieve the competencies needed to prepare for noncredit or credit vocational classes and programs in colleges and private or other community-based organizations.

Students must pass one course: Credits: 0

ESL 510	English for Work 1	0
ESL 520	English for Work 2	

Students must pass one course: Credits: 0

ESL 130	Multilevel English as a Second Language	0
ESL 398	ESL Lab	0
ESL 488	Basic Writing	0
		Total: 0

ESL Enhanced Speaking Capstone: Certificate of Competency

Program Code: CEC.ESLES.COM

Program Control Number: 37094

This combination of recommended courses is designed to help students quickly improve their speaking abilities in English by focusing on pronunciation and conversation.

Learning Outcome(s):

1. Students will acquire oral and listening competencies and skills from ESL support courses to prepare for noncredit or credit classes, make progress on a career path, or transition to other programs at public and private institutions.

Students must pass one of the courses: Credits: 0

ESL 570	Conversation 1	0
	Conversation 2	ESL 580

Students must pass one of the courses: Credits: 0

ESL 130	Multilevel English as a Second Language	0
ESL 398	ESL Lab	0
ESL 530	American English Pronunciation	0
		Total: 0

ESL 613 College Reading and Writing II

Total: 0

ANNOUNCEMENT OF COURSES

Each course is designated by a number. A descriptive title and the units allowed for the course follow the course number. Courses numbered 100 and above are university parallel courses and are offered for transfer to colleges.

ADULT BASIC EDUCATION (ABE)

Adult Basic Education 010

Money Matters: Financial Literacy

Credit(s): 2.5 Class Hours: 36.00 Lecture total.

Prepares the student for the adult world of financial management by developing sound decision-making skills in personal and family money matters. Two point five (2.5) high school elective credits may be given for completing ABE 010 if the student achieves the attendance and proficiency requirements to pass the class.

Adult Basic Education 018

Leadership Basics, Part 2

Credit(s): 0.0 Class Hours: 36.00-72.00 Lecture total.

This is the second of a two-part leadership course in which students will refine their knowledge of effective leadership skills to create positive changes in the workplace, home, school, and the community. Students will apply their knowledge of leadership skills to create, direct and facilitate a student-centered event or conference designed to give them hands-on training in leading events. Five high school elective credits may be awarded for completing either ABE 018 or HSS 092. This course is the same as HSS 092. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Adult Basic Education 023

Adult Basic Education Reading

Credit(s): 0.0 Class Hours: 72.00 Lecture total.

Instructs students in basic reading skills. Prepares students to take Adult Secondary Education, High School Equivalency, job training, or college credit classes. Recommended for ESL 305 students or above and/or placement by counselor assessment. Five high school elective credits may be granted for successful completion of this class. Open Entry/Open Exit.

Adult Basic Education 024

Adult Basic Education Writing

Credit(s): 0.0 Class Hours: 72.00 Lecture total.

Instructs students in basic writing skills. Prepares students to take Adult Secondary Education, High School Equivalency, job training, or college credit classes. Recommended for ESL 305 students or above and/or placement by counselor assessment. Five high school elective credits may be granted for successful completion of this class. Open Entry/Open Exit.

Adult Basic Education 025

Adult Basic Education Math

Credit(s): 0.0 Class Hours: 72.00 Lecture total.

Instructs students in basic math skills. Prepares students to take High School Subjects courses, job training, GED Preparation, or college credit classes. Recommended for Intermediate ESL 2 students or above and/or placement by counselor assessment. Five High School elective credits may be granted for successful completion of this class. Open Entry/Open Exit.

Adult Basic Education 027

Academic Vocabulary for Language Arts

Credit(s): 0.0 Class Hours: 15.00 Lecture total.

Instructs and familiarizes entry-level students in academic vocabulary for language arts. Prepares students to take high school subjects in language arts, job training, GED Preparation, or college credit classes. Recommended for Intermediate ESL 2 students or above and/or placement by counselor assessment. One high school elective credit may be granted for successful completion of this class. Open Entry/Open Exit.

Adult Basic Education 028

Academic Vocabulary for Math

Credit(s): 0.0 Class Hours: 15.00 Lecture total.

Instructs and familiarizes entry-level students in academic vocabulary for math courses. Prepares students to take high school subjects in math, job training, high school equivalency preparation, or college credit classes. Recommended for ESL 305 students or above and/or placement by counselor assessment. One high school elective credit may be granted for successful completion of this class. Open entry/open exit. Open Entry/Open Exit.

Adult Basic Education 029

Academic Vocabulary for Science

Credit(s): 0.0 Class Hours: 15.00 Lecture total.

Instructs and familiarizes entry-level students in academic vocabulary for science courses. Prepares students to take high school subjects in science, job training, high school equivalency preparation, or college credit classes. Recommended for Advanced ESL students or above and/or placement by counselor assessment. One high school elective credit may be granted for successful completion of this class. Open entry/open exit. Open Entry/Open Exit.

Adult Basic Education 030

Academic Vocabulary for Social Studies

Credit(s): 0.0 Class Hours: 15.00 Lecture total.

Instructs and familiarizes entry-level students in academic vocabulary for courses in social studies. Prepares students to take high school subjects in social studies, job training, high school equivalency preparation, or college credit classes. Recommended for Advanced ESL students or above and/or placement by counselor assessment. One high school elective credit may be granted for successful completion of this class. Open entry/open exit. Open Entry/Open Exit.

Adult Basic Education 031

Academic Vocabulary for Technology

Credit(s): 0.0 Class Hours: 15.00 Lecture total.

Instructs and familiarizes entry-level students in academic vocabulary for technology-related courses. Prepares students to take high school subjects using technology, job training, high school equivalency preparation, or college credit classes. Recommended for Advanced ESL students or above and/or placement by counselor assessment. One high school elective credit may be granted for successful completion of this class. Open entry/open exit. Open Entry/Open Exit.

Adult Basic Education 036**Effective Writing for the Workplace**

Credit(s): 0.0 Class Hours: 12.00-24.00 Lecture total.

Effective writing in the workplace is an essential skill. The rules are basically the same for any type of writing, however, there are special issues which arise in the business context. Knowing the elements of good business writing can make or break a career. This course addresses basic elements such as knowing your audience, punctuation and grammatical errors, effective use of passive voice, gender-neutral writing, formality, and other recent trends in business writing. Open Entry/Open Exit.

Adult Basic Education 044**Leadership Basics, Part 1**

Credit(s): 0.0 Class Hours: 36.00-72.00 Lecture total.

Provides the first of a two-part leadership course in which students will learn and practice leadership techniques that will help them create effective change in the workplace, home, school, and the community. Students will improve their basic skills through intensive, interactive, student-centered activities. The course requires participation in the four areas of language acquisition: reading, writing, listening, and speaking. Recommended for ABE and ESL Intermediate and above students. Five high school elective credits may be awarded for completing either ABE 044 or HSS 090. This course is the same as HSS 090. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Adult Basic Education 046**Attitudes for Success**

Credit(s): 0.0 Class Hours: 72.00-96.00 Lecture total.

This class provides students with classroom discussion and information about attitudes and behaviors that influence success in their personal, educational, and career development. Students may be awarded five high school elective credits if they complete and pass all course assignments and requirements. Open Entry/Open Exit.

Adult Basic Education 111**Spanish Literacy for Adults**

Credit(s): 0.0 Class Hours: 240-480

This course assists native Spanish-speaking students in acquiring literacy in Spanish in order to facilitate the transition to beginning ESL courses. It focuses on basic reading and writing skills, including phonics decoding and encoding skills, as well as classroom and community engagement. Recommended for non-literate native speakers of Spanish. Taught in Spanish. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Adult Basic Education 112**Beginning Spanish Literacy**

Credit(s): 0.0 Class Hours: 80.00-160.00 Lecture total.

This course assists students in acquiring literacy skills in Spanish to facilitate their transition to Intermediate Spanish Literacy and ESL courses. It focuses on phonetic decoding and encoding skills, basic reading and writing skills, and basic mathematics. Taught in Spanish. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Adult Basic Education 113**Intermediate Spanish Literacy**

Credit(s): 0.0 Class Hours: 80.00-160.00 Lecture total.

This course assists students in acquiring literacy in Spanish to facilitate the transition to Advanced Spanish Literacy and ESL courses. It focuses on reading and writing skills, including phonics, decoding and encoding, natural sciences, social sciences and math skills. Taught in Spanish. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Adult Basic Education 114**Advanced Spanish Literacy**

Credit(s): 0.0 Class Hours: 80.00-160.00 Lecture total.

This course assists students in acquiring literacy in Spanish in order to facilitate the transition to ESL, ABE, high school diploma, and high school equivalency courses. It focuses on higher level reading, writing, mathematics, science, and social science skills. Taught in Spanish. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Adult Basic Education 137**Topics in Adult Basic Education**

Credit(s): 0.0 Class Hours: 72.00 Lecture total.

A specialized course to help students develop their basic reading and writing skills. Open Entry/Open Exit.

CITIZENSHIP (CTZN)**Citizenship 020****Citizenship**

Credit(s): 0.0 Class Hours: 48.00-96.00 Lecture total.

Provides basic knowledge and preparation for the United States Citizenship process and naturalization interview including language usage within the context of American history, government and civics. Grade: Pass/No Pass Only. Open Entry/Open Exit.

COUNSELING (CNLS)**Counseling 303****Educational & Career Assessment**

Credit(s): 0.0 Class Hours: 3.00 Lecture total.

Assist students with appropriate educational placement and/or an overview of student services, career and academic guidance information that is available in Continuing Education as a result of individual and group testing. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Counseling 305**Orientation to College**

Credit(s): 0.0 Class Hours: 8.00 Lecture total.

Introduces college services and programs. Identifies and explores programs and services designed to assist students entering college credit courses. 1.5 high school elective credits may be awarded upon passing the course. Open Entry/Open Exit. (Same as High School Subjects 770)

Counseling 307**College Success Skills**

Credit(s): 0.0 Class Hours: 72.00 Lecture total.

English As a Second Language 301**Beginning Low**

Credit(s): 0.0 Class Hours: 96.00-216.00 Lecture total.

Recommended Preparation: English As a Second Language 300 is Recommended.

For students with some literacy in English. Emphasizes language skills in everyday situations and immediate needs of adult English learners, focusing on listening comprehension and beginning oral production of simple conversations, reading of practiced words and phrases, and completing simple writing tasks in the context of school, work and community. Grade: Pass/No Pass Only. Open Entry/Open Exit.

English As a Second Language 302**Beginning High**

Credit(s): 0.0 Class Hours: 96.00-216.00 Lecture total.

Recommended Preparation: English As a Second Language 301 is Recommended.

Emphasizes comprehending and participating in simple conversations, communicating survival needs, and reading and performing written tasks in the context of college, career readiness, and civic participation. Grade: Pass/No Pass Only. Open Entry/Open Exit.

English As a Second Language 303**Intermediate Low**

Credit(s): 0.0 Class Hours: 96.00-216.00 Lecture total.

Recommended Preparation: English As a Second Language 302 is Recommended.

Emphasizes comprehending and participating in conversations, communicating needs and opinions, reading from academic and informational text, and performing written tasks. Exposes students to authentic spoken and written content to prepare students for college, the workplace, and civic participation. Five high school elective credits may be granted upon passing the course. Grade: Pass/No Pass Only. Open Entry/Open Exit.

English As a Second Language 304**Intermediate High**

Credit(s): 0.0 Class Hours: 96.00-216.00 Lecture total.

Recommended Preparation: English As a Second Language 303 is Recommended.

Emphasizes expanding oral language, critical and creative thinking skills in English, and reading comprehension of authentic academic and informational text. Written tasks focus on academic and workforce preparation, as well as increased community and civic participation. Five high school elective credits may be granted upon passing the course. Grade: Pass/No Pass Only. Open Entry/Open Exit.

English As a Second Language 305**Advanced Low**

Credit(s): 0.0 Class Hours: 96.00-216.00 Lecture total.

Recommended Preparation: English As a Second Language 304 is Recommended.

Emphasizes higher-level language skills, reading more complex passages with increased understanding, analysis, and improving academic and informational writing skills. Prepares students for academic and workforce success and civic participation. Five high school elective credits may be granted upon passing the course. Grade: Pass/No Pass Only. Open Entry/Open Exit.

English As a Second Language 306**Advanced High**

Credit(s): 0.0 Class Hours: 96.00-216.00 Lecture total.

Recommended Preparation: English As a Second Language 305 is Recommended.

Prepares students for academic and workforce success and civic participation. Emphasizes high-level language skills, conversations that convey complex thought patterns, and reading and writing strategies. This course uses authentic academic, informational, and technical reading materials that expand the use of creative and critical thinking skills. Five high school elective credits may be granted upon passing the course. Grade: Pass/No Pass Only. Open Entry/Open Exit.

English As a Second Language 392**Writing & Developing a School Publication**

Credit(s): 0.0 Class Hours: 72.00 Lecture total.

Recommended Preparation: ESL-303 with a minimum grade of P.

This course offers writing, reading, presentation, and interviewing strategies for students in developing a school publication. Students will work in groups on different sections of the publication and perform research. Publication regulations and requirements will be discussed. Five high school elective credits may be awarded if students pass required course posttests/assessments with 80% or higher. Grade: Pass/No Pass Only. Open Entry/Open Exit.

English As a Second Language 398**ESL Lab**

Credit(s): 0.0 Class Hours: 72.00-216.00 Lecture total.

This course provides English language learners of all levels the opportunity to improve their language skills, while increasing knowledge of civics and computer literacy terms/phrases through individualized and small group instruction. Online learning software programs, desktop computer software, web-based instructional programs, and faculty-created OER curriculum are used to support and enhance student learning. Grade: Pass/No Pass Only. Open Entry/Open Exit.

English As a Second Language 488**Basic Writing**

Credit(s): 0.0 Class Hours: 72.00 Lecture total.

This course will introduce beginning level English learners to basic sentence structure and the writing process. Grade: Pass/No Pass Only. Open Entry/Open Exit.

English As a Second Language 489**Intermediate Writing**

Credit(s): 0.0 Class Hours: 72.00 Lecture total.

Recommended Preparation: ESL 488, Basic Writing or equivalent

This course will guide intermediate level English learners to develop their paragraph writing skills and strategies. Grade: Pass/No Pass Only. Open Entry/Open Exit.

English As a Second Language 490**Intermediate Writing and Grammar**

Credit(s): 0.0 Class Hours: 72.00 Lecture total.

This course will strengthen writing skills with a focus on grammatical tenses, grammar and mechanics and the various sentence combining structures for cohesive paragraph writing. Five high school elective credits may be awarded if students pass required course posttests/assessments with 80% or higher. Grade: Pass/No Pass Only. Open Entry/Open Exit.

English As a Second Language 491**Advanced Grammar Review and Essay Writing**

Credit(s): 0.0 Class Hours: 72.00-96.00 Lecture total.

Recommended Preparation: ESL-306 with a minimum grade of P.

This course will provide intensive review and practice on essay writing. It will include topic/thesis statement and organization of complex ideas in body paragraphs by following essay models. The course will review adjective, noun, and adverb clauses, and parallelism in sentences. Five high school elective credits maybe awarded if students pass required course posttests/assessments with 80% or higher. Grade: Pass/No Pass Only. Open Entry/Open Exit.

English As a Second Language 510**English for Work 1**

Formerly: VESL: English for Work 1

Credit(s): 0.0 Class Hours: 96.00-216.00 Lecture total.

Prepares beginning level non-native English-speaking students to enter the workforce for general or specific occupations. Focuses on workplace communication, work-related vocabulary skills, job applications and postings, workplace safety and issues, and vocational readings with emphasis on verbal communication through basic language skills instruction. Grade: Pass/No Pass Only. Open Entry/Open Exit.

English As a Second Language 520**English for Work 2**

Formerly: ESL: English for Work 2

Credit(s): 0.0 Class Hours: 96.00-216.00 Lecture total.

Recommended Preparation: English As a Second Language 510 is Recommended.

Prepares intermediate level non-native English speaking students to enter the workforce or a CE/vocational program for general or specific occupations. Focuses on communicating in the workplace, job safety, work-related vocabulary skills, workplace culture/issues, career pathways, and vocational readings with emphasis on verbal communication through intermediate language skills instruction. Grade: Pass/No Pass Only. Open Entry/Open Exit.

English As a Second Language 530**American English Pronunciation**

Credit(s): 0.0 Class Hours: 96.00-216.00 Lecture total.

Recommended Preparation: English As a Second Language 302 is Recommended.

Develops English language fluency and productive and receptive skills as they relate to sound discrimination, sound inventory, stress, intonation, linking, prominence, and rhythm. The course aims to help students understand English and be understood while functioning within communicative, employment, and academic contexts. Grade: Pass/No Pass Only. Open Entry/Open Exit.

English As a Second Language 570**Conversation 1**

Credit(s): 0.0 Class Hours: 72.00-144.00 Lecture total.

Recommended Preparation: English As a Second Language 302 is Recommended.

Introduces intermediate conversational strategies in listening, language use, and nonverbal communication. Presents oral skills necessary for initiating, maintaining, and closing conversations. Emphasis on oral skills that assist in social interactions and expansion of listening and speaking skills. Grade: Pass/No Pass Only. Open Entry/Open Exit.

English As a Second Language 580**Conversation 2**

Credit(s): 0.0 Class Hours: 72.00-144.00 Lecture total.

Recommended Preparation: English As a Second Language 304 is Recommended.

Introduces advanced conversational strategies in listening, language use, and nonverbal communication. Presents oral expressions necessary for enhancing conversation and listening skills. Emphasizes differences between formal and informal language based on attitudes and cultures in the United States. Grade: Pass/No Pass Only. Open Entry/Open Exit.

English As a Second Language 610**Grammar for Better Writing I**

Credit(s): 0.0 Class Hours: 54.00 Lecture total.

Recommended Preparation: Completion of EMLS self-guided placement is Recommended. Concurrent enrollment in EMLS 104 is Recommended.

Sentence refining course for multilingual students who can speak English but often make grammar mistakes when writing. Basic grammar including verb tenses, verbals, modals, nouns, pronouns, compound and complex sentences. Revision and editing. Ten high school elective credits (COM) will be awarded if the student passes the class with 80% or higher in multiple measures assessments. Open Entry/Open Exit.

English As a Second Language 611**Grammar for Better Writing II**

Credit(s): 0.0 Class Hours: 54.00 Lecture total.

Sentence refining course for bilingual students who can speak English but often make grammar mistakes when writing. Grammar focus is on sentence level accuracy, including transitions, the passive voice and multi-clause sentences. Revision and editing. Ten high school elective credits (COM) will be awarded if the student passes the class with 80% or higher in multiple measures assessments. Open Entry/Open Exit.

English As a Second Language 612
College Reading and Writing I

Credit(s): 0.0 Class Hours: 90.00 Lecture total.

Reading and paragraph-level writing course for bilingual students who need to develop skills in reading academic material and writing academic paragraphs. Emphasis on connection between reading and writing, responding to reading critically, following the writing process and editing. Fifteen high school elective credits (COM) will be awarded if the student passes the class with 80% or higher in multiple measures assessments. Open Entry/Open Exit.

English As a Second Language 613
College Reading and Writing II

Credit(s): 0.0 Class Hours: 90.00 Lecture total.

Reading and short essay-level writing course for bilingual students who need to improve skills in reading academic material and writing academic essays. Emphasis on connection between reading and writing, responding to reading critically, following the writing process and editing. Fifteen high school elective credits (COM) will be awarded if the student passes the class with 80% or higher in multiple measures assessments. Open Entry/Open Exit.

English As a Second Language 720

ESL Transition to College Class ESL Transition to College Class

Credit(s): 0.0 Class Hours: 72.00-96.00 Lecture total.

This noncredit course prepares students for transition to Santa Ana College by developing language skills, critical reasoning and thinking, academic study skills and student success strategies. Five high school elective credits may be granted upon passing the course. Grade: Pass/No Pass Only. Open Entry/Open Exit.

HS MATH (HSMTH)

HS Math 151

Principles of Mathematics

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

This course consists of addition, subtraction, multiplication, division of whole numbers, fractions, and decimals. Other topics include percentages, geometry, unit conversions, and signed numbers. Open Entry/Open Exit.

HS Math 152

Pre-Algebra

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Introduction to variables, algebraic expressions, solving equations, inequalities, graphs, number and operation sense, estimation skills, and the ability to judge reasonableness of results will be strengthened in the context of practical applications and problem solving. (Recommended for students who have completed Principles of Mathematics or equivalent.). Open Entry/Open Exit.

HS Math 154

Pre-Algebra A

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Covers language, symbolism, and fundamental operations skills required to prepare students for success in Algebra 1. Number and operation sense, estimation skills, and the ability to judge the reasonableness of results will be strengthened in the context of practical applications and problem-solving. Recommended for students who have completed Math Fundamentals 2 or equivalent. This is a BRIDGE course intended for students currently enrolled in Santa Ana Unified District High School. Open Entry/Open Exit.

HS Math 155

Pre-Algebra B

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Covers language, symbolism, and fundamental operations skills required to prepare students for success in Algebra 1 and Geometry. Data analysis, spatial thinking, and the ability to judge the reasonableness of results will be strengthened in the context of practical applications and problem-solving. Recommended for students who have completed Pre-Algebra A or equivalent. This is a BRIDGE course intended for students currently enrolled in Santa Ana Unified District High School. Open Entry/Open Exit.

HS Math 158

Math Fundamentals 1

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Provide instruction in whole numbers, fractions, decimals, percents, geometric formulas, and signed numbers.

HS Math 163

Algebra 1A

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Provides instruction in sets, numbers, formulas, monomials, exponents, square roots, the laws of the sign, binomials, and simultaneous equations. Course content and outcomes align with Santa Ana Unified District high school graduation requirements. Open Entry/Open Exit.

HS Math 164

Algebra 1B

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Recommended Preparation: Algebra 1A or equivalent is Recommended. Provides instruction in co-ordinate systems, graphing of linear equations, simultaneous equations of fractions, ratio, proportion, factoring, formulas, inequalities and square roots. Course content and outcomes align with Santa Ana Unified District high school graduation requirements. Open Entry/Open Exit.

HS Math 165

Algebra 2A

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Provides students with a course of study in equations and inequalities; linear equations and functions; systems of linear equations and inequalities; matrices and determinants; quadratic functions; polynomials and polynomial functions; and powers, roots, and radicals. This is a BRIDGE course intended for students currently enrolled in Santa Ana Unified District High School. Grade: Pass/No Pass Only. Open Entry/Open Exit.

HS Math 166

Algebra 2B

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Recommended Preparation: High School Subjects - Math 165 or equivalent is Recommended.

Provides students with a course of study that includes: exponential and logarithmic functions, rational equations and functions, quadratic relations and conic sections. The course will also cover sequences and series, probability and statistics, trigonometric ratios and functions, and trigonometric graphs. Course content and outcomes align with Santa Ana Unified District high school graduation requirements. Open Entry/Open Exit.

HS Math 167**Geometry A**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

This course covers topics in basic geometry, reasoning and proofs, perpendicular and parallel lines, congruent triangles, properties of triangles, and quadrilaterals. Recommended for students who have completed ten units of Algebra. Course content and outcomes align with Santa Ana Unified District high school graduation requirements. Open Entry/Open Exit.

HS Math 168**Geometry B**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Recommended Preparation: High School Subjects - Math 167 or equivalent is Recommended

This course covers topics in transformations, similarity, right triangles and trigonometry, circles, areas of polygons and circles, and surface area and volume. Course content and outcomes align with Santa Ana Unified District high school graduation requirements. Open Entry/Open Exit.

HS Math 172**Basic Consumer Math 1A**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Provides a comprehensive review of arithmetic skills that apply to personal and vocational opportunities. Topics covered include whole numbers operations, customary and metric units, fractions, decimals, and percents. Skills are then applied to use in earning money, buying food, shopping for clothes, managing a household, buying and maintaining a car, and working with food.

HS Math 173**Basic Consumer Math 1B**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Students will use practical computational skills to solve common problems in a consumer's life including home improvements, traveling costs, budgeting for household expenses, banking and investing, paying real estate and sales taxes, and preparing for careers. Open Entry/Open Exit.

HS Math 190**Math for College and Career Readiness**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Contextualized math course to prepare students for successful transition to college, apprenticeships, and employment. Topics include numeracy, fractions, decimals, unit conversion, ratios, proportions, algebra, measurement, basic geometry and statistics. This course is designed to help students learn and apply basic math skills in the context of their specific career pathway such as automotive, welding, manufacturing, biotechnology, pharmacy technology, construction, and others. Open Entry/Open Exit.

HS SUBJECTS - ARTS (HSART)**HS Subjects - Arts 601****Music Theory 1**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

This class provides a beginning level music course that introduces students to the vocabulary and basic principles of music. The primary emphasis will be on rhythm, pitch, and notation.

HS Subjects - Arts 828**Understanding America Through Art**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Provides an overview of American civilization through arts and crafts from the colonial period through the 20th century, including periods and artistry in their historical context. Open Entry/Open Exit.

HS Subjects - Arts 837**The Film As Art**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Traces the history of film from the recording of a single event through the silent film era to current classic films, and identifies the ways films reflect the values of American culture. Culminates in the use of classic and contemporary literature as a basis for modern film. Open Entry/Open Exit.

HS SUBJECTS - ENGLISH (HSENG)**HS Subjects - English 065****English Fundamentals 1**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Introduces students to basic concepts and skills of building vocabulary, grammar, parts of speech, writing sentences, and paragraphs. Open Entry/Open Exit.

HS Subjects - English 066**English Fundamentals 2**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Reinforces and expands the basic concepts of sentence structure, vocabulary, grammar, parts of speech, and writing skills. Open Entry/Open Exit.

HS Subjects - English 067**English Fundamentals 3**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Provides an intermediate English course that expands upon vocabulary, parts of speech, and grammar to accelerate writing skills. Open Entry/Open Exit.

HS Subjects - English 068**English Fundamentals 4**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Provides an advanced course in English vocabulary, grammar, parts of speech, writing skills, and general proficiency in the English language, both written and spoken. Open Entry/Open Exit.

HS Subjects - English 083**Composition 1**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Provides instruction and practice in the communication of ideas in written form. Emphasis on mastery of sentence and paragraph skills, including organization in terms of unity, support, and coherence in an effective, well-supported, one page composition. Open Entry/Open Exit.

HS Subjects - English 084**Composition 2**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Prepares the student to write well-conceived and well-executed two page essays. Meets the composition proficiency requirement. (Recommended for students who have completed Composition 1 or equivalent.). Open Entry/Open Exit.

HS Subjects - English 096**Building Vocabulary 1**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

A basic vocabulary course that provides practice in using context clues to develop vocabulary, and includes practice in synonyms, antonyms, matching words with meaning, adding words to readings, and sentence writing. Open Entry/Open Exit.

HS Subjects - English 097**Building Vocabulary 2**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

An intermediate vocabulary course that provides practice in using context clues to develop vocabulary and includes practice in synonyms, antonyms, matching words with meaning, adding words to readings, analogies, and sentence writing. Develops vocabulary skills needed to master state standardized tests. Open Entry/Open Exit.

HS Subjects - English 701**English 1**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Facilitates the development of reading and writing skills at the ninth-grade (first semester) level. Focuses on the instruction of literature, writing, vocabulary, research, communication, and study skills. The curriculum for this course is aligned to the California State Standards.

HS Subjects - English 702**English 2**

Credit(s): 5.0 Class Hours: 72.00 Lecture total

Facilitates the development of reading and writing skills at the ninth-grade (second semester) level. Focuses on the instruction of literature, writing, vocabulary, research, communication, and study skills. The curriculum for this course is aligned to the California State Standards.

HS Subjects - English 703**English 3**

Credit(s): 5.0 Class Hours: 72.00 Lecture total

This course is designed to provide students with the language skills needed to prepare them for college and career readiness. These skills are developed through the active reading of literary and informational texts, academic language development of text-embedded vocabulary, oral language practice, and writing of informational, argumentative, and narrative pieces. Students practice critical thinking, comprehension, and application skills through thematic units centered on topics, such as plot and conflict, themes and symbols, argument and persuasion, and drama. This course expands upon proficiencies in the fundamentals of reading and writing with focus on comprehension and mastery of syntax, grammar, punctuation, capitalization, spelling, and usage in written communication. Students are exposed to a variety of literary and informational texts in order to construct coherent writing pieces that help to develop their own position and perspective on a variety of topics.

HS Subjects - English 704**English 4**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

This course is designed to provide students with the language skills needed to prepare them for college and career readiness. These skills are developed through the active reading of literary and informational texts, academic language development of text-embedded vocabulary, oral language practice, and writing of informational, argumentative, and narrative pieces. Students practice critical thinking, comprehension, and application skills through thematic units centered on topics, such as plot and conflict, themes and symbols, argument and persuasion, and drama. This course expands upon proficiencies in the fundamentals of reading and writing with focus on comprehension and mastery of syntax, grammar, punctuation, capitalization, spelling, and usage in written communication. Students are exposed to a variety of literary and informational texts in order to construct coherent writing pieces that help to develop their own position and perspective on a variety of topics.

HS Subjects - English 705**English 5**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

This course is an integrated English course that incorporates both the Common Core State Standards for English/Language Arts and California's Academic Standards for English/Language Arts of the first half of grade 11 into the curriculum. The course is a study of language, literature, composition, and oral communication with a focus on exploring characterization across universal themes, such as the American Dream, and a wide variety of genres. Students use literary interpretation, analysis, comparison, and evaluation to read and to respond to representative works of historical or cultural significance appropriate for English 5. Students read classic and contemporary literature balanced with nonfiction--the major focus are American literature and media literacy regarding non-fiction texts. Students examine and compose various types of writing including, literary analysis, satire, synthesis, and narrative as well as deliver grade-appropriate multimedia presentations and access, analyze, and evaluate online and printed information. Successful completion of this course will prepare students for rigorous senior-level courses focused in critical reading and effective written expression.

HS Subjects - English 706**English 6**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

This course is an integrated English course that incorporates both the Common Core State Standards for English/Language Arts and California's Academic Standards for English/Language Arts into the 11th grade (second half of 11th grade) curriculum. The course is a study of language, literature, composition, and oral communication with a focus on exploring characterization across universal themes, such as the American Dream, and a wide variety of genres. Students use literary interpretation, analysis, comparison, and evaluation to read and to respond to representative works of historical or cultural significance appropriate for English 6. Students read classic and contemporary literature balanced with nonfiction--the major focus are American literature and media literacy regarding non-fiction texts. Students examine and compose various types of writing including, literary analysis, satire, synthesis, and narrative as well as deliver grade-appropriate multimedia presentations and access, analyze, and evaluate online and printed information. Successful completion of this course will prepare students for rigorous senior-level courses focused in critical reading and effective written expression.

HS Subjects - English 707**English 7**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

This 12th grade (first half of 12th grade) course features continued refinement of writing skills, including literary analysis, research-oriented papers and projects, argumentation, exposition, narrative writing, and vocabulary growth. The literary study is a chronological survey of British literature and will include at least two British novels as out-of-class assignments. The purpose of this class is to prepare students to be able to communicate competently (reading, writing, speaking, and listening) in the workplace and in postsecondary educational pursuits.

HS Subjects - English 708**English 8**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

This 12th grade (second half of 12th grade) course features continued refinement of writing skills, including literary analysis, research-oriented papers and projects, argumentation, exposition, narrative writing, and vocabulary growth. The literary study is a chronological survey of British literature and will include at least two British novels as out-of-class assignments. The purpose of this class is to prepare students to be able to communicate competently (reading, writing, speaking, and listening) in the workplace and in postsecondary educational pursuits.

HS SUBJECTS - OTHER (HSOTH)**HS Subjects - Other 740****Spanish 1**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Spanish 1 is an introduction to Spanish Language and focuses on the four key areas of foreign language study: listening, speaking, reading, and writing. The primary purpose of the course is to prepare students with the foundational skills to communicate effectively in Spanish while being aware of the cultural influences of the Spanish language and Latino heritage at home, in their community, and abroad. Students enrolled in this course will learn basic conversational vocabulary, greetings, the alphabet, numbers, time, and conjugation of present tense verbs. As part of the course, students will engage in reading, writing, listening, and Spanish speaking activities.

HS Subjects - Other 742**Spanish 2**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Spanish 2 builds on the fundamental language elements taught in Spanish 1 and continues to focus on the four language skills: reading, writing, speaking, and listening in the target language. Through this course, students broaden their knowledge of Spanish grammatical structures and vocabulary allowing them to communicate ideas using various tenses. Students are challenged to further develop their language skills and their comprehension of Spanish. Students will also analyze and compare cultural practices, products, and perspectives of various Spanish-speaking countries, which allow connections to be made with their own culture.

HS Subjects - Other 743**Spanish 3**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Spanish 3 builds on the fundamental language elements taught in Spanish 2 and expands to focus on the four language skills: reading, writing, speaking and listening in the target language. Students will elaborate on ideas, ask and answer questions, narrate and describe in sentences and understand short oral and written passages. They will extend their language skills, become more accurate in the language they produce, and comprehend a greater variety of texts and, generate responses, and initiate interactions in the language in ways that are more complex. They will recognize the interrelatedness of cultural products, practices, and perspectives of Spanish-speaking Countries.

HS Subjects - Other 744**Spanish 4**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Spanish 4 builds on the fundamental language elements taught in Spanish 3 and expands to focus on the four language skills: reading, writing, speaking, and listening in the target language. This course is designed for students wishing to refine and enhance the language skills and cultural knowledge acquired in the prior years of study. While it is expected that students have been introduced to many of the main concepts of Spanish grammar, we will continue to review and practice these concepts in the context of conversation, reading, and writing. New concepts introduced in level 4 are the Preterite and the Present Progressive tenses.

HS SUBJECTS - READING (HSRDG)**HS Subjects - Reading 089****Reading Proficiency Development**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Enables students to become proficient in practical, content and reference skills as well as to improve general comprehension and vocabulary skills. This course is in preparation for the reading proficiency examination. Open Entry/Open Exit.

HS Subjects - Reading 093**Building Reading Skills 1**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Provides an opportunity for skill development in word recognition, comprehension, study and content reading skills necessary for success in the High School Subjects program. Computer-aided instruction is included. Open Entry/Open Exit.

HS SUBJECTS - SOCIAL SCIENCES (HSSOC)**HS Subjects - Social Sciences 215****Introduction to Economics**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Introduces the basic concepts of economics. Explores the basic questions of every economic system. Examines money, the role of consumers, workers, businesses, and governments. Open Entry/Open Exit.

HS Subjects - Social Sciences 218**U.S. History 1: Colonization to Industrialization**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Surveys events, movements, and personalities in United States history from the colonial period through reconstruction, westward expansion, and industrialization. Includes immigration, plight of Native and African Americans, reform movements, and geographical influences in the history of the United States. Open Entry/Open Exit.

HS Subjects - Social Sciences 219**U.S. History 2: The Shaping of Modern America**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Examines United States history from the beginning of industrialization to present. Emphasizes the emergence of America on the international, economic, geographical, social, and political scene. Open Entry/Open Exit.

HS Subjects - Social Sciences 221**Psychology**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Provides students with knowledge of the basic principles of psychoanalysis, behaviorism, the interpersonal model, humanism, existentialism and phenomenology, as well as other concepts applied to the self. Open Entry/Open Exit.

HS Subjects - Social Sciences 222**Government 1: U.S. Federal Government and Politics**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Examines the development of the federal government from colonial times and the structure of contemporary government. Explores the economic, social, and political influence on American citizens and their civic duties and responsibilities. Open Entry/Open Exit.

HS Subjects - Social Sciences 224**World Geography 1A**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Provides a basic foundation for understanding physical geography and the cultural and economic variables in the relationship with the earth and its history. Introduces Northern America, Latin America, Europe, and Russia. Includes geography skills such as map reading, interpretation of graphs and diagrams, and map identification. Open Entry/Open Exit.

HS Subjects - Social Sciences 225**World Geography 1B**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Provides an overview of certain areas of the world in terms of their physical, cultural, historical, and economic geography. Introduces North Africa, the Middle East, Africa south of the Sahara, the Asian Region, and the Pacific World. Includes geography skills such as map reading, interpreting graphs, and analyzing data from a chart. Open Entry/Open Exit.

HS Subjects - Social Sciences 226**Ethnic Studies**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

This course is designed to broaden students' understanding of the experiences of four groups in American history: Native Americans, Black or African Americans, Asian Americans and Latino Americans. By studying historical and contemporary issues of race, ethnicity, nationality, sexuality, and culture, students will build empathy for individuals, solidarity with these and other historically-marginalized groups of Americans, and become more conscious about their own personal connections to American history. Open Entry/Open Exit.

HS Subjects - Social Sciences 228**World History**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Offers the student a chronological understanding of world history in a sequence of events from the time before hominids became fully human, to the introduction to the new millennium. Addresses culture and geography in the context of world history. Open Entry/Open Exit.

HS Subjects - Social Sciences 231**Modern World History 1**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Provides students with a study of the major events that shaped the modern world, from the eighteenth century through the First World War. Students will trace the rise of democratic ideas and develop an understanding of the historical roots of current world issues.

HS Subjects - Social Sciences 232**Modern World History 2**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Provides students with a study of the major events that shaped the modern world, from the end of the First World War to the present. Students will develop an understanding of current world issues and relate them to their historical, geographic, political, and economic contexts.

HS SUBJECTS- NATURAL SCIENCES (HSSCI)**HS Subjects- Natural Sciences 170****Biology 1A**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

The course provides instruction in the study of life, the chemical foundation of life, biological macromolecules, the cell, genetics, and evolutionary processes. Open Entry/Open Exit.

HS Subjects- Natural Sciences 171**Biology 1B**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

The course provides instruction in ecology, plant anatomy, diversity of life, and the animal kingdom. Open Entry/Open Exit.

HS Subjects- Natural Sciences 185**Earth Science 2**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Provides instruction in the principles and concepts of earth science. The earth's processes and place in the universe will be examined. Open Entry/Open Exit.

HS Subjects- Natural Sciences 188**Earth Science 1**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Provides instruction in the principles and concepts of earth science. The earth's matter and features will be examined. Open Entry/Open Exit.

HS Subjects- Natural Sciences 190**Physical Science 1**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

The course surveys the principles and concepts of physical science, including matter, atoms, chemical bonds and reactions, solutions, acids, bases, and carbon chemistry. Open Entry/Open Exit.

HS Subjects- Natural Sciences 191**Physical Science 2**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

The course surveys the principles and concepts of physical science, including motion, force, work, energy, sound, and electricity. Open Entry/Open Exit.

HS Subjects- Natural Sciences 192**Basic Science 1**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Surveys basic principles and concepts of general science including Earth, space, and physical science. Examines minerals, rocks, the atmosphere, weather, climate, and the earth in space. Discusses properties and classes of matter, Newton's Laws of Motion, energy, and energy resources. Open Entry/Open Exit.

HS Subjects- Natural Sciences 196**Health Science**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Provides a basic foundation in personal health, nutrition, body functions, first aid and community health. Open Entry/Open Exit.

HEALTH & SAFETY (SAFE)**Health & Safety 877****Health Issues & Concepts**

Credit(s): 0.0 Class Hours: 72.00 Lecture total.

Provides a basic foundation in the issues and concepts of mental health, family and social health, the stages in the life cycle, medicine and drugs, and diseases and disorder. May earn five high school elective credits if student completes all the required assignments with a minimum passing grade of 75%. Open Entry/Open Exit.

Health & Safety 910**Basic Life Support (Adult, Infant, Child)**

Credit(s): 0.0 Class Hours: 18.00-28.00 Lecture total.

This course is designed to provide participants with knowledge and practice of basic life support theory and skills as defined by the American Heart Association, (AHA) along with cardiopulmonary resuscitation (CPR), and automated external defibrillator (AED) procedures for infants, children, and adults. Taught according to the current AHA Guidelines for CPR and Emergency Cardiovascular Care (ECC) for adults, children and infants. Opportunity for American Heart Association CPR and AED certification when the AHA required skills and written test are successfully completed. Grade: Pass/No Pass Only.

HIGH SCHOOL SUBJECTS (HSS)**High School Subjects 031****High School Equivalency Test Preparation**

Credit(s): 0.0 Class Hours: 72.00-96.00 Lecture total.

Provides pre- and post-testing and individualized prescriptive instruction in preparation for the High School Equivalency exam. Covers test-taking strategies and the essentials of reading, writing, mathematics, science, and social studies. Open Entry/Open Exit.

High School Subjects 035**High School Equivalency Test Preparation - Reading**

Credit(s): 0.0 Class Hours: 72.00-96.00 Lecture total.

This course will prepare students for the Reading part of the High School Equivalency Exam. It provides pre- and post-testing individualized prescriptive instruction, direct instructed lessons on the essentials of the exam, and an overview of key test-taking strategies. Open Entry/Open Exit.

High School Subjects 036**High School Equivalency Test Preparation - Writing**

Credit(s): 0.0 Class Hours: 72.00-96.00 Lecture total.

This course will prepare students for the Writing part of the High School Equivalency Exam. It provides pre- and post-testing individualized prescriptive instruction, direct instructed lessons on the essentials of the exam, and an overview of key test-taking strategies. Open Entry/Open Exit.

High School Subjects 037**High School Equivalency Test Preparation - Mathematics**

Credit(s): 0.0 Class Hours: 72.00-96.00 Lecture total.

This course will prepare students for the Mathematics part of the High School Equivalency Exam. It provides pre- and post-testing individualized prescriptive instruction, direct instructed lessons on the essentials of the exam, and an overview of key test-taking strategies. Open Entry/Open Exit.

High School Subjects 038**High School Equivalency Test Preparation - Social Studies**

Credit(s): 0.0 Class Hours: 72.00-96.00 Lecture total.

This course will prepare students for the Social Studies part of the High School Equivalency Exam. It provides pre- and post-testing individualized prescriptive instruction, direct instructed lessons on the essentials of the exam, and an overview of key test-taking strategies. Open Entry/Open Exit.

High School Subjects 039**High School Equivalency Test Preparation - Science**

Credit(s): 0.0 Class Hours: 72.00-96.00 Lecture total.

This course will prepare students for the Science part of the High School Equivalency Exam. It provides pre- and post-testing individualized prescriptive instruction, direct instructed lessons on the essentials of the exam, and an overview of key test-taking strategies. Open Entry/Open Exit.

High School Subjects 090**Leadership Basics, Part 1**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Introduces useful leadership skills. Information will be presented in academic format, but students will be required to demonstrate mastery through participation in student centered, hands-on activities. This course consists of ten stand-alone lessons. Open to HSS students. Open Entry/Open Exit.

High School Subjects 092**Leadership Basics, Part 2**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Provides the student with ten stand-alone leadership training sessions. Continues the leadership training begun in Part 1. Information will be presented in academic format, but students will be required to demonstrate mastery through their participation in student centered, hands-on activities. Open to all HSS students. Open Entry/Open Exit.

High School Subjects 221**Study Skills 1**

Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Develops student's study and test preparation skills. Introductory instruction in basic study skills, organizational skills, goal setting, note taking, report writing, time management, test preparation, learning styles, effective communication skills. Provides learning opportunities for students to develop and master effective study skills for successful academic career achievement. Grade: Pass/No Pass Only. Open Entry/Open Exit.

High School Subjects 222**Study Skills 2**Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Develops the student's study and test preparation skills. Second semester instruction in basic study skills, organizational skills, goal setting, note taking, report writing, time management, test preparation, learning styles, effective communication, and stress management skills. Provides learning opportunities for students to develop and master effective study skills for successful academic and career achievement. Grade: Pass/No Pass Only. Open Entry/Open Exit.

High School Subjects 770**Orientation to College**Credit(s): 1.5 Class Hours: 8.00 Lecture total.

Introduces college services and programs. Identifies and explores programs and services designed to assist students entering college credit courses. 1.5 high school elective credits may be awarded upon passing the course. Open Entry/Open Exit. (Same as CNSL 305)

LEARNING SUPPORT (LRN)**Learning Support 084****Composition 2**Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Prepares the student to write well-conceived and well-executed five-paragraph essays, expository paragraph writing emphasizing various methods including argumentation, reading analysis, and research. Practice in refining sentence skills and grammar. A minimum grade of B (80%) in LRN 84 will serve as a prerequisite to English 101 without support. Meets the High School Composition Proficiency requirement. Students may be awarded 5 high school English core credits if they complete and pass all course assignments and requirements. Open Entry/Open Exit. Open Entry/Open Exit.

Learning Support 095**Supervised Tutoring**Credit(s): 0.0 Class Hours: 72.00 Lecture total.

Supervised individual and group tutoring to assist students in reading, writing, and mathematics, science, business, and software applications for students enrolled at Santa Ana College School of Continuing Education and/or Santa Ana College course(s) for which tutoring is requested. Referral by counselor or instructor based on assessed academic need. Open Entry/Open Exit.

Learning Support 164**Introductory Algebra**Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Provides instruction in basic algebra concepts, math vocabulary, and algebraic operations. This course is intended to be a bridge from basic arithmetic to elementary algebra. Open Entry/Open Exit.

Learning Support 750**Intensive Writing and Grammar**Credit(s): 5.0 Class Hours: 72.00 Lecture total.

Provides intensive review and practice of writing strategies and advanced grammar. Concentrates on the writing process and development of various essay types along with verb tenses, adjective, noun, and adverb clauses. Recommended completion of ESL 707, HS English 067 and 068 or equivalent with a minimum passing grade. Open Entry/Open Exit.

OLDER ADULTS (OAP)**Older Adults 200****Health and Wellness**Credit(s): 0.0 Class Hours: 72.00 Lecture total.

Provides information and discussion related to current and relevant health and wellness topics. Students will research techniques, decision making and communication skills to enhance learning. Open Entry/Open Exit.

Older Adults 457**Music Arts for Older Adults**Credit(s): 0.0 Class Hours: 72.00 Lecture total

Provides a positive framework for developing and enhancing music appreciation, vocal and instrumental skill. Emphasis will be on activities designed to encourage creative expression. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Older Adults 518**Creative Cooking for Older Adults**Credit(s): 0.0 Class Hours: 72.00 Lecture total

Designed to enhance awareness of current cooking techniques. Demonstrations and lectures include information on basic nutrition and consumer awareness. A variety of cooking appliances and methods are utilized. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Older Adults 521**Nutrition to Optimize Mind and Body Functions**Credit(s): 0.0 Class Hours: 72.00 Lecture total.

Provides information and discussion related to current and relevant nutrition research on nutrients that preserve and support brain health and overall wellness topics are covered. Students research cooking and food storage techniques that enhance the bioavailability of these nutrients in foods. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Older Adults 522**Sustainable Cooking in the Southwest and Selected Regions**Credit(s): 0.0 Class Hours: 72.00 Lecture total.

Provides information and discussion related to sustainable agriculture, basic nutrient management, and exploration of the local community food systems. Students research shopping, cooking, and food storage techniques that support a sustainable diet in selected geographical regions. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Older Adults 802**Seminar for Older Adults**Credit(s): 0.0 Class Hours: 72.00 Lecture total

Provides information and a discussion forum related to the examination of concerns common to older adults. Discovers specific needs and interests and examines current news events as interpreted through historical background and current political/regional developments and changes. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Older Adults 823**Manipulative Skills for Older Adults**Credit(s): 0.0 Class Hours: 72.00 Lecture total

Concentrates on maintenance and improvement of motor skills and decision making through utilization of a variety of art media and techniques. Provides opportunities for analysis and decision making skills while exercising basic manipulative skills. Grade: Pass/No Pass Only. Open Entry/Open Exit.

PARENT EDUCATION (PRNT)

Parent Education 151

Building Study & Portfolio Writing Skills for Early Care Educators I

Credit(s): 0.0 Class Hours: 15.00-30.00 Lecture total.

Corequisite: Concurrent enrollment in Parent Education 559.

This course is for students enrolled in the primary course to acquire professional writing and presentation skills necessary to create digital and physical portfolios for their childcare associate credentialing. Grade: Pass/No Pass Only.

Parent Education 152

Building Study & Portfolio Writing Skills for Early Care Educators II

Credit(s): 0.0 Class Hours: 15.00-30.00 Lecture total.

Corequisite: Concurrent enrollment in Parent Education 560.

Provides more advanced instruction for professional writing and industry approved presentations to complete digital and physical portfolios necessary for credentialing in the early educator fields. This is the second of two courses. Grade: Pass/No Pass Only.

Parent Education 527

Pre-Kindergarten

Credit(s): 0.0 Class Hours: 132.00 Lecture total.

Provides the opportunity for parents and others to learn the importance of providing appropriate early childhood experiences and preparing children for a successful kindergarten experience. Topics include school readiness, how to transform children's everyday world into an exciting learning environment, and how to stay positively involved in children's education. Open Entry/Open Exit.

Parent Education 528

Increasing Parent Awareness of U.S. Schools

Credit(s): 0.0 Class Hours: 132.00 Lecture total.

Develops awareness of school systems in the United States. Introduces content standards and expectancies for different grade levels. Includes teaching and learning processes, strategies to support school children at home, pre-collegiate preparation of children, and college options. Open Entry/Open Exit.

Parent Education 557

Early Childhood Education: Principles And Practices

Credit(s): 0.0 Class Hours: 96.00 Lecture total.

Bilingual (Spanish/English) course designed to introduce Spanish speaking students who are considering a career as teachers or aides to the scope of early childhood education. This class meets state licensing requirements for aides and limited-English caregivers in Early Childhood Education programs. May award five elective credits. Open entry/open exit (same as Human Development 070).

Parent Education 558

Early Childhood Care and Development For Family Child Care Providers

Credit(s): 0.0 Class Hours: 84.00 Lecture total.

Provides knowledge about the care and development of young children for family child care providers seeking state licensing. Open Entry/Open Exit.

Parent Education 559

Building Essential Competencies in Health, Education, and Advocacy for Infants, Children, & Families I

Credit(s): 0.0 Class Hours: 50.00 Lecture total.

Corequisite: Concurrent enrollment in Parent Education 151.

This course is designed to provide a comprehensive in-depth study for early professional educators. The focus is on competency standards, building literacy, and practicing working with young children in preparation for being a child development associate as part of the pre-apprenticeship early educators pathway. This is the first of two courses. Grade: Pass/No Pass Only.

Parent Education 560

Building Essential Competencies in Health, Education, and Advocacy for Infants, Children, & Families II

Credit(s): 0.0 Class Hours: 32.00-40.00 Lecture total.

Corequisite: Concurrent enrollment in Parent Education 152.

This course focuses on students demonstrating competence and practice in the functional areas, and understanding the credentialing process for the child development associate as part of the pre-apprenticeship pathway. This is the second of two courses. Grade: Pass/No Pass Only.

Parent Education 562

Health Education for Family Child Care Providers

Credit(s): 0.0 Class Hours: 32.00-60.00 Lecture total.

Provides family child care providers with health and safety information related to licensing. Grade: Pass/No Pass Only. Open Entry/Open Exit.

SECONDARY SUBJECTS GED (HSGED)

Secondary Subjects GED 031

GED Test Preparation

Credit(s): 0.0 Class Hours: 360.00 Lecture total.

Provides pre- and post-testing and individualized prescriptive instruction in preparation for the GED test. Covers test-taking strategies and the fundamentals of social studies, mathematics, science, writing, and reading. Open Entry/Open Exit.

SUBSTANTIAL DISABILITIES (SSD)

Substantial Disabilities 350

Signing Exact English for Parents of Deaf Children

Credit(s): 0.0 Class Hours: 60.00 Lecture total.

Designed as an introductory course to teach Signing Exact English and the manual alphabet. Open Entry/Open Exit.

Substantial Disabilities 400

Developmentally Disabled Adults Job Coach Training

Credit(s): 0.0 Class Hours: 180.00-244.00 Lecture total.

Students will develop knowledge of and acquire the necessary skills to assist developmentally disabled clients in their daily lives. Open Entry/Open Exit.

Substantial Disabilities 495

Personal Development & Grooming for Developmentally Disabled Adults

Credit(s): 0.0 Class Hours: 65.00-95.00 Lecture total.

Assists developmentally disabled adults in acquiring skills necessary to attain interpersonal relationships, social behavioral, grooming, and physical fitness skills. Students will work in groups and independently toward grooming awareness and physical fitness activities. Exercises are tailored to students abilities. Open Entry/Open Exit.

Substantial Disabilities 788**Independent Living Skills for Adults With Developmental Disabilities**

Credit(s): 0.0 Class Hours: 180.00 Lecture total.

Assists adults with developmental disabilities to attain a higher functional level for independent living in these areas: health and nutrition, personal appearance, communication, manners, money management, safety and consumer awareness, transportation, social interaction and practical reading, writing and math skills related to home and community settings. Open Entry/Open Exit.

Substantial Disabilities 792**Handicapped Adults Topics**

Credit(s): 0.0 - 5.0 Class Hours: 72.00-216.00 Lecture total.

Specialized courses on topics related to the needs of students in Handicapped Education.

VOCATIONAL - AUTOMOTIVE (VAUTO)**Vocational - Automotive 668****Introduction to Automotive Vehicle Systems**

Formerly: VBUS 668, Introduction to Automotive Vehicle Systems

Credit(s): 0.0 Class Hours: 72.00 Lecture total.

Introduction to the primary automotive systems used on modern vehicles. Theory, parts nomenclature, and description of system operation are emphasized. This course is intended for students seeking technical knowledge, with hands-on lab work, and future employment in as an automotive service technician. May award five high school elective credits if student completes all the required assignments with a minimum passing grade of 70%. Open Entry/Open Exit. (Same as Automotive Technology 102)

Vocational - Automotive 670**Preventative Maintenance Inspection**

Credit(s): 0.0 Class Hours: 90.00 Lecture total.

Introduction to the primary automotive systems used on modern vehicles. Theory, parts nomenclature, and description of system operation are emphasized. This course is intended for students seeking technical knowledge, with hands-on lab work, and future employment in as an automotive service technician. May award five high school elective credits if student completes all the required assignments with a minimum passing grade of 70%.

Vocational - Automotive 672**Engine Repair**

Credit(s): 0.0 Class Hours: 72.00 Lecture total.

Recommended Preparation: Vocational - Automotive 668 or Automotive Technology 102 is Recommended.

This course deals with tear-down, assembly, diagnosis, and repair of gasoline automotive engines. Accurate engine measurements are highlighted. Hands-on practice of engine repair skills is emphasized. Students must furnish approved safety glasses. This course assists the student in preparation for the A1 (Engine Repair) ASE certification exam. Field trips may be required. Five (5) high school elective credits may be awarded if a student passes the course with a minimum grade of 70%. Open Entry/Open Exit.

Vocational - Automotive 674**Bus Operator/Driver Training Systems**

Credit(s): 0.0 Class Hours: 48.00 Lecture total.

This course prepares students for the California Commercial Learner's Permit (CLP). Students will review information in the California Commercial Driver Handbook, including sample test questions. Moreover, students will receive behind-the-wheel and vehicle inspection training.

Vocational - Automotive 676**Automatic and Manual Transmissions & Transaxles**

Formerly: VBUS 668, Introduction to Automotive Vehicle Systems

Credit(s): 0.0 Class Hours: 144.00 Lecture total.

Recommended Preparation: Vocational - Automotive 668 with a minimum grade of P is Recommended.

This course will cover the theory, operation, diagnosis, and service procedures of automatic and manual transmissions and transaxles. The course also covers four-wheel drive, all-wheel drive, axles, driveshafts, and constant velocity axles. Safe and correct hands-on testing and service procedures are emphasized. Students must furnish approved safety glasses. This course assists the student in preparation for the A2 (Automatic Transmission/Transaxles) and A3 (Manual Drive Train) ASE certification exams. Field trips may be required. Students may be awarded 10 high school elective credits if they complete and pass all course assignments and requirements. Grade: Pass/No Pass Only. Open Entry/Open Exit. (Same as Automotive Technology 102)

VOCATIONAL - BUSINESS (VBUS)**Vocational - Business 035****Generative AI for Small Business**

Credit(s): 0.0 Class Hours: 60.00 Lecture total.

Introductory course on how to employ generative artificial intelligence (GenAI) tools for a small business. Applies use cases for using AI in small businesses, including research, creating tables and schedules, generating images for logos, conducting a SWOT (strengths, weaknesses, opportunities, and threats) analysis, and developing a business plan with the assistance of GenAI tools. Four high school elective credits may be awarded if a student passes the course with a minimum grade of 70%. Open Entry/Open Exit.

Vocational - Business 118**Microsoft Windows Overview***Formerly: Introduction to Windows*Credit(s): 0.0 Class Hours: 60.00 Lecture total.*Recommended Preparation: Vocational Business 259 or Vocational Business 500 or Vocational Business 501 or Vocational Business 502 or Vocational Business 503 is Recommended.*

Provides students with a complete introduction to Microsoft's new operating system and basic computer concepts to ensure students develop the skills they need to effectively use a computer. The beginning of the course focuses on skills and tools that students will use every day, aiding productivity in school and at work. These features include starting and properly shutting down the computer, logging in, using a mouse, navigating the desktop, program controls, working with menus, using the taskbar, basic word processing, switching between apps, working with apps, using email, and email safety. As students advance in the course, file management and organization is reviewed where students save files and create folders both on the local PC and in the cloud. Microsoft's web browser, focusing on effective web searches, how to protect against internet threats, Outlook Online, Word Online, OneDrive, and how to manage setting and preferences within Windows are covered as well. Four high school elective credits may be awarded if a student passes the course with a minimum grade of 70%, or achieves a minimum score of 85% on a challenge course by exam. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Vocational - Business 123**Introduction to Computer Software & Online Applications**Credit(s): 0.0 Class Hours: 12.00-36.00 Lecture Total*Recommended Preparation: Vocational - Business 259 or Vocational - Business 500 or Vocational - Business 501 or Vocational - Business 502 or Vocational - Business 503 is Recommended.*

Provides instruction on the basic skills needed to perform tasks on computer software such as, but not limited to, Microsoft Word, Microsoft Excel, Microsoft PowerPoint, Microsoft Outlook, Adobe Photoshop, and online applications. The standards reviewed in this course reflect basic computer competency benchmarks common to many jobs. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Vocational - Business 124**Introduction to Keyboarding I**Credit(s): 0.0 Class Hours: 32.00 Lecture total.*Recommended Preparation: Vocational Business 259 with a minimum grade of P*

Provides introductory instruction for keyboarding by touch and skill building drills to achieve speed and accuracy. Emphasis is placed on proper posture, typing on a computer without looking at the keyboard, and using proper finger and hand placement. Two high school elective credits may be awarded if a student completes all the required assignments and passes the final exam.

Vocational - Business 125**Introduction to Keyboarding II**Credit(s): 0.0 Class Hours: 45.00 Lecture total.*Recommended Preparation: VBUS 124 with a minimum grade of P*

Provides additional practice in keyboarding by touch through the production of business and academic documents and tables. All students learn Microsoft Word as they advance through the course. Extensive accuracy and speed development is offered. Three high school elective credits may be awarded if a student completes all the requirement assignments and passes the final exam. Open Entry/Open Exit.

Vocational - Business 200**Topics in Business Skills***Formerly: Topics in Career Technical Education*Credit(s): 0.0 Class Hours: 12.00-36.00 Lecture total.

Varies according to topic. Specialized courses on topics related to the needs of students in the Vocational Business Skills program. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Vocational - Business 215**Administration I: Programs in Early Childhood Education (DS6)**Credit(s): 0.0 Class Hours: 54.00 Lecture total.*Corequisite: Completion with a Passing grade or Concurrent enrollment in Parent Education 151 and Parent Education 559.*

This course is an introduction to the administration of early childhood programs. Students will learn about program types, budget, management, regulations, laws, development and implementation of policies and procedures. Additionally, they will examine administrative tools, philosophies, and techniques needed to organize, open, and operate an early care and education program.

Vocational - Business 240**Practical Computer & Internet Skills for Parents & Guardians**Credit(s): 0.0 Class Hours: 12.00-24.00 Lecture total.

This course is designed to help parents or guardians learn the computer and internet skills that they will be able to use immediately to help their children, family and themselves succeed in school and with daily tasks. Parents or guardians will learn essential skills like how to navigate popular software and online programs, and internet security. Course sessions are taught in various languages including, but not limited to, English, Spanish, and Vietnamese. Open Entry/Open Exit.

Vocational - Business 243**Introduction to Customer Service Skills**Credit(s): 0.0 Class Hours: 60.00 Lecture total.

Provides basic customer service training in: achieving high customer satisfaction; developing strong listening and communication skills; developing effective telephone skills; handling challenging customer situations; solving and preventing incidents and problems; working in a team; and minimizing stress and avoiding burnout. In short, students will learn how to apply excellent customer service in any work setting. Students may be awarded 4 high school elective credits if they complete and pass all course assignments and requirements. Open Entry/Open Exit.

Vocational - Business 244**Introduction to Microsoft Access***Formerly: Introduction to Databases Using Microsoft Access*Credit(s): 0.0 Class Hours: 60.00 Lecture total.*Recommended Preparation: Vocational - Business 118 and Vocational - Business 262 are Recommended.*

This course is an introduction to Microsoft Access - a database management system. Students will learn how to: design and use databases by creating tables, queries, forms and reports; create relationships between tables; and sort and filter data. Businesses use relational databases to manage their data. This course prepares students to understand and use Microsoft Access and databases in general, thereby assisting them in workforce preparation. Four (4) high school elective credits may be awarded if a student passes the course with a minimum grade of 70% or achieves a minimum score of 85% on a challenge course by exam. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Vocational - Business 245

Introduction to Microsoft Publisher

Credit(s): 0.0 Class Hours: 60.00 Lecture total.

Recommended Preparation: Vocational Business 118 and Vocational Business 260 are Recommended.

This course introduces students to Microsoft Publisher which is a desktop software application. Students obtain the skills to create and produce publications such as flyers, newsletters, brochures, greeting cards, certificates, newsletters, invitations, and other printed publications. Four (4) high school elective credits may be awarded if a student passes the course with a minimum grade of 70%, or achieves a minimum score of 85% on a challenge course by exam. Open Entry/Open Exit.

Vocational - Business 258**Navigating the Internet**

Credit(s): 0.0 Class Hours: 36.00 Lecture total.

Recommended Preparation: Vocational - Business 500 or Vocational - Business 501 or Vocational - Business 502 or Vocational - Business 503 is Recommended.

Provides students with a basic introduction to accessing and using the internet. Topics include basic internet terms and concepts, browsing the Web, searching the Web, and communicating online. Two (2) high school elective credits may be awarded if a student passes the course with a minimum grade of 70%, or achieves a minimum score of 85% on a challenge course by exam. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Vocational - Business 259**Orientation to Computers**

Credit(s): 0.0 Class Hours: 60.00 Lecture total.

This course is designed to familiarize students with the fundamentals of computer hardware and software/applications. It also introduces the Windows operating system, word processing and slides software/applications, email, and internet. Four high school elective credits may be awarded if a student passes the course with a minimum grade of 70%. Open Entry/Open Exit.

Vocational - Business 260**Introduction to Microsoft Word**

Formerly: Introduction to Word Processing Using MS Word

Credit(s): 0.0 Class Hours: 60.00 Lecture total.

Recommended Preparation: Vocational - Business 259 is Recommended.

This course provides instruction in concepts and techniques of Microsoft Word. Students will learn procedures of creating, editing, and formatting office/business documents of varying complexities. They will create business letters and tables, use mail merge, illustrate documents with graphics, and more. Four high school elective credits may be awarded if a student passes the course with a minimum grade of 70%, or achieves a minimum score of 85% on a challenge course by exam. Open Entry/Open Exit.

Vocational - Business 262**MS Excel**

Formerly: Introduction to Microsoft Excel

Credit(s): 0.0 Class Hours: 60.00 Lecture total.

Recommended Preparation: Vocational - Business 118 or Vocational - Business 124 is Recommended.

Provides students with introductory instruction to spreadsheet concepts and software using Microsoft Office Excel. Students will learn how to create a worksheet, use formulas and functions, insert charts and tables, and more. Four high school elective credits may be awarded if a student passes the course with a minimum grade of 70% , or achieves a minimum score of 85% on a challenge course by exam. This course will prepare students for Santa Ana College credit course BA 188 Microsoft Excel and BA 189 Advanced Excel with 2 Microsoft Office Specialist (MOS) industry certifications. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Vocational - Business 270**Introduction to Microsoft Outlook**

Credit(s): 0.0 Class Hours: 60.00 Lecture total.

Recommended Preparation: Vocational - Business 118 is Recommended.

Students learn the basic skills they need to start using Microsoft Outlook to manage their email communications, contact information, calendar events, tasks, and customizing their interface to suit their working style. Email etiquette and avoiding viruses by identifying suspicious emails and attachments is also reviewed. Four high school elective credits may be awarded if a student passes the course with a minimum grade of 70% or achieves an 85% on a challenge course by exam. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Vocational - Business 280**Accounting Terminology**

Credit(s): 0.0 Class Hours: 36.00 Lecture total.

This is a beginning accounting course designed for students with little or no accounting background. It introduces and provides an understanding of accounting terminology to prepare students for accounting occupations and accounting coursework. Two (2) high school elective credits may be awarded if a student passes the course with a minimum grade of 70%. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Vocational - Business 281**Introduction to QuickBooks**

Credit(s): 0.0 Class Hours: 36.00 Lecture total.

Recommended Preparation: VBUS 118 Microsoft Windows Overview, VBUS 262 Introduction to Microsoft Excel, VBUS 280 Accounting Terminology

This course is for students who want to learn how to navigate the basic features of QuickBooks such as creating and paying bills, creating invoices, and more. These skills and knowledge provide the foundation for the study and application of QuickBooks accounting systems. Students who pass this course will be prepared to transition into VBUS 282 QuickBooks I which is equivalent to Santa Ana College's Accounting 035 QuickBooks I course. Two high school elective credits may be awarded if a student passes the course with a minimum grade of 70%. Open Entry/Open Exit.

Vocational - Business 282**QuickBooks I**

Credit(s): 0.0 Class Hours: 108.00 Lecture total.

Prerequisite: Vocational - Business 208 and Vocational - Business 281 with a minimum grade of P.

This is an introductory course on using QuickBooks software in the business environment for preparation of accounting information. The course will cover accounting theory and practical knowledge of QuickBooks on topics that include company file setup, customizing QuickBooks, recording customer and vendor transactions, bank reconciliations, creation of accounting reports and customization. Open Entry/Open Exit.

Vocational - Business 290**Business Terminology**

Credit(s): 0.0 Class Hours: 36.00 Lecture total.

An introductory course to commonly used business terms with the intent of helping students develop a viable business vocabulary and how they can be effectively used in the workplace and for career advancement. Students may be awarded 2 high school elective credits if they complete and pass all course assignments and requirements. Open Entry/Open Exit.

Vocational - Business 292**Global Business Professional (CGBP) Certification Exam Preparation & Practice**

Credit(s): 0.0 Class Hours: 16.00 Lecture total.

NASBITE International's Certified Global Business Professional (CGBP) credential is widely recognized as the standard of excellence in expertise and professionalism in international trade. This course prepares students for the certification exam by reviewing the four primary domains included in the exam: Global Business Management, Global Marketing, Supply Chain Management, and Trade Finance. Students who enroll should have at least 2 years of international business experience or international business education. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Vocational - Business 303**Adobe Photoshop**

Formerly: Introduction to Adobe Photoshop

Credit(s): 0.0 Class Hours: 60.00 Lecture total.

Recommended Preparation: Vocational - Business 118 or Vocational - Business 124 is Recommended.

Provides introductory instruction to electronic imaging using Adobe Photoshop software. Topics include beginning Photoshop features, scanner basics, image and file formats, color, importing/exporting of files, and printing. Four high school elective credits may be awarded if a student passes the course with a 70% or better, or achieves an 85% on a challenge course by exam. This course will prepare students for Santa Ana College credit course BA 164 Adobe Photoshop with Adobe Certified Professional (ACP) industry certification. (Fall2023). Grade: Pass/No Pass Only. Open Entry/Open Exit.

Vocational - Business 304**MS PowerPoint**

Formerly: Introduction to Microsoft PowerPoint

Credit(s): 0.0 Class Hours: 60.00 Lecture total.

Recommended Preparation: Vocational - Business 118 or Vocational - Business 124 is Recommended.

Provides students with introductory instruction on how to use PowerPoint features (e.g., templates, layouts, pictures, graphics, animation, multi-media assets) to create engaging presentations. Students will also discuss best practices for using PowerPoint as a visual aid for any presentation. Four high school elective credits may be awarded if a student passes the course with a minimum grade of 70% or achieves a minimum score of 85% on a challenge course by exam. This course will prepare students for Santa Ana College credit course BA 190 Microsoft PowerPoint with Microsoft Office Specialist (MOS) industry certification. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Vocational - Business 340**Career Exploration**

Credit(s): 0.0 Class Hours: 2.00-5.00 Lecture total.

This is a course designed to assist students in understanding opportunities available to them in different career and educational areas. Students will also learn about and be exposed to existing career education pathways and how to successfully transition into a career education program of study. Students will explore available occupations, careers, educational or training programs using a variety of available sources, such as interviews with business or college representatives, job shadowing, tours, guest speakers, and career and educational fairs/events. Open Entry/Open Exit.

Vocational - Business 400**Employability Skills**

Credit(s): 0.0 Class Hours: 72.00 Lecture total.

Prepares students with the knowledge, work habits, and character traits that are necessary to succeed in the rapidly changing workplace and global economy of the 21st century. Students learn the 21st century soft skills that are critical for the demands of today's work environment. In addition, it teaches workforce preparation such as resume development, cover letter, interview techniques, job search strategies, networking, and elevator speech. Five high school elective credits may be awarded if a student passes the course with a minimum grade of 70%. Open Entry/Open Exit.

Vocational - Business 402**Workforce Power Skills**

Credit(s): 0.0 Class Hours: 12.00-24.00 Lecture total.

This course helps students develop and practice the power skills that they need every day to be effective and stay competitive in today's workforce. These power skills include, but not limited to, problem-solving, communication, collaboration, leadership, and wellness. When combined with industry knowledge and behaviors, mastery of power skills results in higher levels of individual performance and growth. This course is highly recommended for students who are currently in the workforce. Open Entry/Open Exit.

Vocational - Business 450**Basic Computer Repair & COMPTIA A+ Certification Preparation***Formerly: COMPTIA A+ Certification Preparation & Practice*Credit(s): 0.0 Class Hours: 108.00 Lecture total.*Recommended Preparation: Vocational - Business 570 or Vocational - Business 572 is Recommended.*

CompTIA's A+ certification is the industry standard for validating the foundational skills needed by today's computer service technicians. This course prepares students for the certification exam by helping them gain the necessary knowledge of basic computer hardware, operating systems, and networking. Hands-on practice using the latest computer components and operating systems will also provide an opportunity for students to enhance their skills in assembling, disassembling, servicing, troubleshooting, and upgrading computer and networking systems. Students also learn the elements of customer service and communication skills necessary to work with clients. Moreover, practice exams and quizzes are given to reinforce course concepts and exam readiness. Students may be awarded 5 high school elective credits if they complete and pass all course assignments and requirements. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Vocational - Business 500**Digital Literacy for Academic and Professional Success - Tier 1**Credit(s): 0.0 Class Hours: 36.00 Lecture total.

The first of four integrated digital literacy courses that prepare students for academic and workplace success by providing instruction on the fundamental technology skills needed to be digitally literate. Topics covered include: introduction to online conferencing; computing device functionality; introduction to the internet; the internet to find information; applications for language learning; email creation and usage; online forms; video and audio sharing sites for language learning; word processing applications; and introduction to online educational platforms and applications. Students may be awarded 2.5 high school elective credits if they complete and pass all course assignments and requirements. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Vocational - Business 501**Digital Literacy for Academic and Professional Success - Tier 2**Credit(s): 0.0 Class Hours: 36.00 Lecture total.*Recommended Preparation: Vocational - Business 500 is Recommended.*

The second of four integrated digital literacy courses that prepare students for academic and workplace success by providing instruction on the primary technology skills needed to enhance digital literacy. Topics covered include: review of necessary topics covered in VBUS 500 Digital Literacy for Academic and Professional Success - Tier I (recommended course); mobile applications for learning and productivity; etiquette for social media, email, and professional exchanges; engagement; online applications for synchronous communication; use word processing programs for academic and career readiness; online educational platforms and applications for collaboration; and overview of learning management systems (e.g., Canvas). Students may be awarded 2.5 high school elective credits if they complete and pass all course assignments and requirements. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Vocational - Business 502**Digital Literacy for Academic and Professional Success - Tier 3**Credit(s): 0.0 Class Hours: 36.00 Lecture total.*Recommended Preparation: Vocational - Business 500 or Vocational - Business 501 is Recommended.*

The third of four integrated digital literacy courses that prepare students for academic and workplace success by providing in depth instruction on a range of technology skills needed to further enhance digital literacy. Topics covered include: review of necessary topics covered in Digital Literacy for Academic and Professional Success in Tiers I and II (recommended courses); internet safety and one's digital footprint; plagiarism in the Digital Age; introduction to blogging or wikis; expansion and application of online educational programs; and learning management systems - navigation and participation. Students may be awarded 2.5 high school elective credits if they complete and pass all course assignments and requirements. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Vocational - Business 503**Digital Literacy for Real World Application - Tier 4**Credit(s): 0.0 Class Hours: 36.00 Lecture total.*Recommended Preparation: Vocational - Business 500 or Vocational - Business 501 or Vocational - Business 502 is Recommended.*

The final of four integrated digital literacy courses. In this course, students will employ the knowledge and skills acquired in Digital Literacy for Academic and Professional Success Tiers 1 through 3 to create a professional portfolio online. Instruction will focus on the technology and interpersonal skills needed to create an online presence necessary for academic and workplace success in the 21st century. Specifically, the following will be reviewed: topics covered in Tiers 1, 2 and 3; website developer or digital portfolio platform to create a portfolio and build a professional online presence; formatting and design standards for resumes on a social media and/or digital portfolio platform; online professional networking through personal connections; and understanding how to use learning management systems through participation and collaboration. Students may be awarded 2.5 high school elective credits if they complete and pass all course assignments and requirements. Grade: Pass/No Pass Only.

Vocational - Business 559**Business Practices in Family Child Care**Credit(s): 0.0 Class Hours: 36.00 Lecture total.

Provides potential family child care providers with information and skills necessary for successful operation of a family child care business. May earn two high school elective credits if a student passes the course with a minimum grade of 70%. Open Entry/Open Exit.

Vocational - Business 570**Information Technology (IT) Basics Tier 1**Credit(s): 0.0 Class Hours: 60.00 Lecture total.

Provides basic instruction and training for students who have little to no knowledge about technology but have a personal or professional interest in information technology (IT). Topics in the course include navigating operating systems, web browsers, accessing digital environments through the web, identifying input/output devices, software/hardware concepts, installing online software, storage systems, network connection types, digital footprint concepts and online applications. Students may be awarded 4 high school elective credits if they complete and pass all course assignments and requirements. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Vocational - Business 572**Information Technology (IT) Basics Tier 2**

Credit(s): 0.0 Class Hours: 60.00 Lecture total.

Provides basic instruction and training for students who have little to no knowledge about technology but have a personal or professional interest in information technology (IT). Topics in the course include customizing digital environments, digital calendars, automation, cloud computing, hardware adjustments, print set-up, digital devices, digital identities, digital standards, digital citizenship, veracity of search results, data collection, data storage, and creating documents with software and/or online applications. Students may be awarded 4 high school elective credits if they complete and pass all course assignments and requirements. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Vocational - Business 576**Systems and Networking Essentials**

Formerly: Computer Basics: Systems and Networking Essentials

Credit(s): 0.0 Class Hours: 108.00 Lecture Total

Recommended Preparation: Vocational - Business 570 or Vocational - Business 572 is Recommended.

This course prepares students with the fundamentals of networking. This includes: how to install, configure, and troubleshoot computer networks in modern environments, using the best practices of networking protocols, media, and topologies in physical and virtual infrastructure, security, and cloud computing. The course design includes lab exercises which provide students with hands-on practice. Students may be awarded 7 high school elective credits if they complete and pass all course assignments and requirements. Open Entry/Open Exit.

Vocational - Business 590**Introduction to How to Start a Small Business**

Credit(s): 0.0 Class Hours: 72 Lecture Total

Provides an introductory series of classes each designed to teach practical, hands-on small business management skills and focusing on specific topics addressing the needs of individuals desiring to start a small business. Course sessions are taught in various languages including, but not limited to, English, Spanish, and Vietnamese. Five high school elective credits may be awarded if a student passes the course with a minimum grade of 70%. Open Entry/Open Exit.

VOCATIONAL - CONSTRUCTION (VCNST)**Vocational - Construction 101****Introduction to Welding**

Credit(s): 0.0 Class Hours: 126.00 Lecture total.

This is a basic course designed to introduce students to shop safety, the proper use of tools and basic equipment, and basic fundamentals through the introduction of various welding processes currently used in the welding and metal fabrication industry. Processes will include Oxy-fuel cutting, Shielded Metal Arc Welding (SMAW), Gas Metal Arc Welding (GMAW), Flux Cored Arc Welding (FCAW), and Gas Tungsten Arc Welding (GTAW). Eight (8) high school elective credits may be awarded if a student passes the course with a minimum grade of 70%. This course will prepare students for Santa Ana College credit course WELD 125 Intermediate Electric Arc Welding and WELD 181 Pipe Welding Fundamentals.

Vocational - Construction 610**Vocational Construction Technology Module I**

Credit(s): 0.0 Class Hours: 60.00-200.00 Lecture total.

Provides basic introduction to construction technology including Occupational Safety and Health Administration (OSHA) standards, first aid, and the proper use of hand and power tools. Introduces basic theory and tools used with lumber, concrete and electrical work. Students may be awarded 4 high school elective credits if they complete and pass all course assignments and requirements.

Vocational - Construction 620**Vocational Construction Technology Module II**

Credit(s): 0.0 Class Hours: 60.00-200.00 Lecture total.

Recommended Preparation: Vocational - Construction 610 is Recommended.

Provides basic instruction with hands-on activities in, but not limited to, building foundations and framing. This includes completion of such project(s). Recommended for those who have completed and passed Vocational Construction Technology Module I, or those who have the instructor's approval by standard assessment. Students may be awarded 4 high school elective credits if they complete and pass all course assignments and requirements.

Vocational - Construction 630**Heating/Ventilation/Air Conditioning/ Refrigeration (hvac-R) Technology**

Credit(s): 0.0 Class Hours: 288.00 Lecture total.

This course is designed to provide students with entry-level skills in the repair and servicing of heating, ventilating, air-conditioning, and refrigeration (HVAC-R) equipment used in residential, industrial and commercial buildings. Twenty high school elective credits may be awarded if a student passes the course with a minimum grade of 70%.

VOCATIONAL DIGITAL MEDIA ARTS (VDMA)**Vocational Digital Media Arts 302****Web Design Using HTML**

Credit(s): 0.0 Class Hours: 108.00 Lecture total.

This course examines global issues related to internet culture, web ethics, equity, social justice, in addition to rights and trends related to the web. In the context of cultural and social needs, students will be introduced to web design using digital media tools; graphics, illustrations, text, sound, motion, using software programs for the web. Students will also review how web design has been used to impact commerce advancement, global communication, advertising, entertainment, and self-promotion relate to global and local community needs. Students will be able to apply their knowledge in site development and responsive design. Open Entry/Open Exit.

Vocational Digital Media Arts 310**Introduction to Digital Media Arts Using HTML**

Credit(s): 0.0 Class Hours: 72.00 Lecture total.

Foundation-level course designed for graphic designers, artists, photographers, web designers, programmers, and animation artists working in the digital realm. This course includes an overview of industry-standard software, including Adobe Creative Cloud for digital design in montage, vector, layout and time-based media. Students may be awarded 5 high school elective credits if they complete and pass all course assignments and requirements.

Vocational Digital Media Arts 320
Introduction to Drone Pilot Training

Credit(s): 0.0 Class Hours: 60.00 Lecture total.

Learn the ins-and-outs of legally flying a drone. The Drone Pilot Training course covers FAA rules and regulations, settings and features of drones, and supervised hands-on flight instruction with a licensed drone pilot. Drones provided for the class. Grade: Pass/No Pass Only.

VOCATIONAL FASHION DESIGN & MERCHANDISING
(VFDM)

Vocational Fashion Design & Merchandising 100
Introduction to the Fashion Industry

Credit(s): 0.0 Class Hours: 54.00 Lecture total.

Introduction to the development, structure, and interrelationship of the global fashion industry, including: Consumer characteristics, product design, textile and apparel production, retail merchandising, brand marketing, distribution, and promotion. An introduction to apparel business organizations, their commercial processes and career opportunities. Oral, written, and multimedia reports on current topics relevant to the fashion industry. Three (3) high school elective credits may be awarded if a student passes the course with a minimum grade of 70%. This course will prepare students for Santa Ana College credit course FDM 104 - Textile Fibers and Fabrics.

Vocational Fashion Design & Merchandising 105
Beginning Sewing

Credit(s): 0.0 Class Hours: 90.00 Lecture total.

Apparel garment construction techniques including seam finishes, edge finishes, manipulating garment fullness, and applying closures. Students will construct three full-sized garments and a compilation of construction techniques. Students will conduct and document garment fittings, alter patterns, and apply fitting alterations to the sewn projects. Students may be awarded 5 high school elective credits if they complete and pass all course assignments and requirements. Six (6) high school elective credits may be awarded if a student passes the course with a minimum grade of 70%. This course will prepare students for Santa Ana College credit course FDM 105B - Intermediate Sewing.

VOCATIONAL - FOOD (VFOOD)

Vocational - Food 005
ServSafe® Food Handler

Formerly: ServSafe Food Handler

Credit(s): 0.0 Class Hours: 8.00-36.00 Lecture total.

This course prepares students for employment in commercial and institutional food kitchens. It includes employee terminology, responsibilities, and training when preparing, handling, and serving food to the public. The course covers six key areas: basic food safety; good personal hygiene; controlling time and temperature; preventing cross-contamination; cleaning and sanitizing; and detailed food industry safety guidelines. It prepares students for the ServSafe® Food Handler Certification. Students may be awarded 2.5 high school elective credits if they pass the course with a 70% or better. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Vocational - Food 200
Line Cook Training

Credit(s): 0.0 Class Hours: 60.00 Lecture total.

This course provides instruction on the different aspects of food preparation, as well as methods of presenting and serving food properly. Students will also receive training in the following types of cooking stations: grill, pantry, sauté, fry, and preparation. Four high school elective credits may be awarded if a student passes the courses with a minimum grade of 70%. Open Entry/Open Exit.

Vocational - Food 210
ServSafe® Food Protection Manager Certification Exam Preparation, Review, & Practice

Credit(s): 0.0 Class Hours: 36.00 Lecture total.

This course prepares students for the ServSafe® Food Protection Manager Certification Exam. The certification will allow students to obtain employment in commercial and institutional food kitchens. The following areas will be covered: foodborne microorganisms and allergens; purchasing, receiving, and storing food; preparing, cooking, and serving food; cleaning and sanitizing facilities; and learning about pest control methods. Students may be awarded 2.5 high school elective credits if they pass the course with a 70% or better. Open Entry/Open Exit.

Vocational - Food 212
Baking & Pastry Basics

Formerly: Baking & Pastry Master Class

Credit(s): 0.0 Class Hours: 24.00 Lecture total.

Provides instruction on the fundamentals of pastry making. Students are introduced key preparations that become the building blocks of other, finished pastry dishes. The focus is on various types of dough, custards, and soufflés. Students may be awarded 1.5 high school elective credits if they pass the course with a 70% or better. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Vocational - Food 214
Introduction to Bread Making

Formerly: Bread Making Master Class

Credit(s): 0.0 Class Hours: 24.00 Lecture total.

Corequisite: Concurrent enrollment in Vocational - Food 212.

Provides instruction on gluten, flour, yeast, water, and salt and their functions in bread making. Students learn how to correctly identify the anatomy of a grain, bread-making tools, and the stages of bread preparation. Students may be awarded 1.5 high school elective credits if they pass the course with a 70% or better. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Vocational - Food 216
Introduction to Cakes and Decorating

Formerly: Cakes and Decorating Master Class

Credit(s): 0.0 Class Hours: 36.00 Lecture total.

Corequisite: Concurrent enrollment Vocational - Food 212.

Provides instruction on the fundamentals of cake making and decorating. Students are introduced to key preparations that become the building blocks of cake making and cake decorating. The focus is on various types of cakes and decorating techniques. Students may be awarded 2.5 high school elective credits if they pass the course with a 70% or better. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Vocational - Food 220**Introduction to Baking & Pastry & Practice**

Credit(s): 0.0 Class Hours: 90.00 Lecture total.

This course covers fundamental baking skills for students who intend to specialize in baking and pastry making for commercial production. Production of yeast and quick breads, cakes, cookies, pies, and pastries, as well as decorating and icings are undertaken. Gourmet baked items and pastries are produced in a time-restricted quality-minded setting. This course is for students pursuing a career in culinary arts/culinary management, and will prepare students for entry level baking position in the food industry as a baker or pastry chef. Five high school elective credits may be awarded if a student passes the course with a minimum grade of 70%. Open Entry/Open Exit.

VOCATIONAL - HEALTH (VHLTH)**Vocational - Health 101****Overview of the Nursing Assistant Training Program**

Credit(s): 0.0 Class Hours: 3.00-10.00 Lecture total.

This course is designed to provide an introduction to the clinical and theoretical requirements for the Nursing Assistant Training Program. Open Entry/Open Exit.

Vocational - Health 102**Certified Nursing Assistant (CNA) Training**

Credit(s): 0.0 Class Hours: 160.00 Lecture total.

Prerequisite: Vocational-Health 101 with a minimum grade of P. Overview of the Nursing Assistant Training Program.

Designed for students who want to become Certified Nursing Assistants (CNA). This course includes theory and clinical segments designed to prepare them to achieve the CNA state license and potentially seek employment as entry-level healthcare assistants. Upon completion, the student will be prepared to take the California certification license exam. Students must complete all lecture hours and clinical training hours to be eligible to take the certification exam. Ten high school elective credits may be awarded if a student passes the course with a minimum grade of 70%. Open Entry/Open Exit.

Vocational - Health 109**Introduction to Caregiving**

Credit(s): 0.0 Class Hours: 24.00 Lecture total.

This course is designed to prepare students to assist the elderly, convalescents, or persons with disabilities with daily living activities at the person's home or in a care facility. Duties performed at a place of residence may include up keeping the house (e.g., making beds, doing laundry, washing dishes) and preparing meals. Topics covered include methods of advising families, the elderly, convalescents, and persons with disabilities regarding such topics as nutrition, cleanliness, and household activities. One high school elective credit may be awarded if a student passes the course with a minimum grade of 70%. Open Entry/Open Exit.

Vocational - Health 110**Caregiver Training**

Credit(s): 0.0 Class Hours: 34.00 Lecture total.

Prerequisite: Vocational Health 109, Introduction to Caregiving, with a minimum grade of P

This course is designed to provide students with hands-on experience as caregivers. Students will apply caregiver skills in a simulated caregiving environment. Two high school elective credits may be awarded if a student passes the course with a minimum grade of 70%. Open Entry/Open Exit.

Vocational - Health 122**BLS for Healthcare Providers & Heartsaver CPR/ First Aid**

Credit(s): 0.0 Class Hours: 4.00-6.00 Lecture total.

This course, depending on their need, will train students in Basic Life Support (BLS) or Cardiopulmonary Resuscitation (CPR) and First Aid. The American Heart Association designated the BLS training to teach healthcare professionals how to perform high quality CPR individually or as part of a team. BLS skills are applicable for any healthcare setting. BLS students will learn rescue techniques for adults, children, and infants. The Heartsaver CPR and First Aid training is designed to prepare people to provide first aid, CPR, and automated external defibrillator (AED) use in a safe, timely and effective manner. This course is for students who are interested in obtaining their BLS or CPR/First Aid certification for the first time or renewing their certification. Open Entry/Open Exit.

Vocational - Health 704**Introduction to Biotechnology**

Credit(s): 0.0 Class Hours: 50.00 Lecture total.

This course is a general examination of biology as it relates to the field of biotechnology. Topics include the fundamental chemical processes common in prokaryotic and eukaryotic biology, chemistry of bio-molecules (proteins, enzymes, nucleic acids and lipids), cellular and molecular biology, basic immunology, and classical and molecular genetics with an emphasis on gene expression and genetic engineering.

Vocational - Health 705**Introductory Biotech Lab**

Credit(s): 0.0 Class Hours: 54.00 Lecture total.

Corequisite: Completion of Vocational Health 704; minimum grade of P; or concurrent enrollment.

This laboratory is a general examination of biology as it relates to the field of biotechnology. The laboratory addresses basic skills and techniques common to the biotechnology industry. Topics include the measurement of activity and quantity of proteins, growth and manipulation of bacteria, genetic engineering and antibody methods. This course is intended as a laboratory class for students majoring in applied biology and as a general education laboratory option for all students.

Vocational - Health 799**Introduction to Pharmacy Technology**

Credit(s): 0.0 Class Hours: 36.00 Lecture total.

Overview of the SAC Pharmacy Technician training program. Definition of the roles and preview of the opportunities open to pharmacy technicians in various practice settings. Presentation of pharmaceutical dosage forms, the drug development process, and drug classification systems. Introduction to prescription labeling and to the law and ethics of pharmacy practice. May award two high school elective credits if student completes all the required assignments with a minimum passing grade of 70%. (Same as Pharmacy Technology 048)

Vocational - Health 895**Paraprofessional Mental Health Worker I**

Credit(s): 0.0 Class Hours: 96.00 Lecture total.

Designed to provide students with basic skills for employment as a Paraprofessional Mental Health Worker. The course includes 48 hours of practicum training supervised by a community-based behavioral health clinic or mental health center. May earn five high school elective credits if a student passes the course with a minimum grade of 70%. Open Entry/Open Exit.

Vocational - Health 896**Paraprofessional Mental Health Worker II**

Credit(s): 0.0 Class Hours: 128.00 Lecture total.

Provides students with basic case management skills for employment as paraprofessional mental health workers. Recommended completion of Paraprofessional Mental Health Worker I. Recommended English proficiency level to be Intermediate and above. May earn five high school elective credits if a student completes all the required assignments and passes the final exam and/or project with a minimum passing grade of 70%. Grade: Pass/No Pass Only. Open Entry/Open Exit.

Vocational - Health 897**Paraprofessional Mental Health Worker III**

Credit(s): 0.0 Class Hours: 128.00 Lecture total.

Provides students with basic facilitation and counseling skills for employment as paraprofessional mental health workers. Focuses on group and peer counseling. Recommended completion of Paraprofessional Mental Health Worker I. Recommended English proficiency level to be Intermediate and above. May earn five high school elective credits if a student completes all the required assignments and final exam and/or project with a minimum passing grade of 70%. Grade: Pass/No Pass Only. Open Entry/Open Exit.

VOCATIONAL - HOSPITALITY (VHOSP)**Vocational - Hospitality 201****Career Focus - Hospitality Services**

Credit(s): 0.0 Class Hours: 60.00 Lecture total.

This course provides students with an overview of the diverse career opportunities in food and lodging services. Students will develop a personal educational preparation and career plan. Topics include food service operations, management basics, and the hotel and lodging industry. The course also covers aspects of hospitality management, such as business structures and operations, human resources, and workplace safety. Students may be awarded 4 high school elective credits if they complete and pass all course assignments and requirements. Open Entry/Open Exit.

VOCATIONAL - MANUFACTURING (VMFG)**Vocational - Manufacturing 680****Basic Machining Concepts and Operations***Formerly: VBUS 680, Basic Machining Concepts and Operations*

Credit(s): 0.0 Class Hours: 144.00 Lecture total.

Fundamental operations on lathes, milling machines, grinders, and drill presses, including precision measurements and layout. Equips students with skills and theory necessary to enter or upgrade within the machinist trade. Students may be awarded 10 high school elective credits if they complete and pass all course assignments and requirements.

VOCATIONAL - PERFORMING ARTS (VFPA)**Vocational - Performing Arts 150A****Rehearsal and Performance in Production**

Credit(s): 0.0 Class Hours: 88.00 Lecture total.

Practical experience in performance production culminating in a series of public performances. All actors must audition and be cast prior to enrolling. Students may be awarded 6 high school humanities credits if they complete and pass all course assignments and requirements.

Vocational - Performing Arts 150B**Technical Theatre in Production**

Credit(s): 0.0 Class Hours: 88.00 Lecture total.

Students will gain practical experience in the application of production responsibilities in any of the following: stage management, scenery construction, properties, costuming, lighting, or sound. This course culminates into a series of public performances. All student technicians must obtain instructor approval prior to enrolling. Students may be awarded 6 high school humanities credits if they complete and pass all course assignments and requirements.

Vocational - Performing Arts 152**Tour Ensemble**

Credit(s): 0.0 Class Hours: 90.00 Lecture total.

An introduction to theatre performance emphasizing acting techniques as applied to performing a role in multiple venues. Students may be awarded 10 high school humanities credits if they complete and pass all course assignments and requirements.

Vocational - Performing Arts 255**Motion Picture Performance Production**

Credit(s): 0.0 Class Hours: 126.00 Lecture total.

Practical experience in performance production culminating in a fully produced feature film screened to the public. The final movie presentation becomes the basis for developing an actor reel. Students desiring an acting role must audition. Students may be awarded 10 high school humanities credits if they complete and pass all course assignments and requirements.

SANTA ANA COLLEGE ADMINISTRATORS

Blackburn, Kristi (2022)

Dean, Fine & Performing Arts
 B.A., Montana State University
 M.A., New Mexico State University
 Ph.D., Capella University

Burrus, Tanisha L. (2016)

Director, Special Programs, Student Success
 B.A., University of California, Davis

Butler, Timothy (2022)

Director, Fire Technology Education/Fire Academy Commander
 A.A., Los Angeles Harbor College

Chavez, Lorena (2017)

Dean, Instruction & Student Services
 Santa Ana College/School of Continuing Education
 B.A., Loyola Maymount University

 B.S., University of Phoenix
 M.A., National University

Lamb, Jeffrey N (2018)

Vice President, Academic Affairs
 B.A., California State University, Long Beach
 M.A., San Diego State University
 Ph.D., University of California, Los Angeles

Manson, Robert (2006)

Associate Dean, Financial Aid
 B.A., California State University, Fullerton
 M.B.A., Chapman University

Martinez, Daniel (2022)

Associate Dean, College Research
 B.S., Loma Linda University
 M.A., California State University, San Bernardino
 Ph.D., Claremont Graduate University

Miranda, Jesús (2024)

Dean, Instruction & Student Services
 Santa Ana College/School of Continuing Education
 B.A., University of California, Riverside
 M.Ed., San Diego State University
 M.S., San Diego State University
 Ph.D., St. John's University, New York

Nguyen, John (2016)

Director, Thrive Center
 B.S., California State University, Long Beach
 M.S., California State University, Fullerton

Nery, Annebelle (2022)

President
 Ph.D., UC Riverside

Newton, Tina J. (2023)

Director, International Student Program
 B.A., Miami University
 M.A., Miami University
 M.B.A., University of Dayton

Pagán, Anthony (2023)

Dean, Business
 B.S., San Diego State University
 M.S., California State University Los Angeles

Picchi, Andrea (2024)

Dean, Kinesiology, Health & Athletics Santa Ana College/Kinesiology & Athletics
 B.A., Whittier College
 M.A., Azusa Pacific University
 MS. Ed, National University

Pitchford, Antoinette (2023)

Director, Fire Technology Wellness
 B.S., California State University
 M.S., California Baptist University

Reardon, William (2021)

Associate Dean, Fire Technology Department
 A.S., Santa Ana College
 B.S., California State University, Los Angeles
 M.P.A., California State University, Long Beach

Romero, Christina (2003)

Executive Director, College Advancement
 A.A., Santa Ana College
 B.A., California State University, Long Beach
 M.A., University of Redlands

Romero, Deisy C. (2021)

Associate Dean, EOPS, CARE & CalWORKs
 B.A., San Jose State University
 M.S., California State University Long Beach

Sergeyeva, Larisa (2019)

Dean, Human Services and Technology
 B.S., Hope International University
 M.A., Hope International University
 Ed.D., Argosy University

Soto, Armando (2019)

Associate Dean, Counseling
 A.A., Southwestern College
 B.A., University of California, Berkeley
 M.A., San Diego State University
 Ed.D., University of Southern California

Steckler, Mary (2002)

Associate Dean of Health Sciences; Director of Nursing
 A.S.N., Saddleback College
 B.S.N., California State University, Dominguez Hills
 M.S.N., California State University, Dominguez Hills

Steffens, John (2016)

Director, Student Information Support
 A.A., Mississippi Gulf Coast Community College
 B.A., Mississippi College
 M.S., The University of Florida
 M.B.A., Loyola Marymount University

Taylor, Krystle (2023)

Interim Associate Dean of DSPS
 B.S., University of Maryland
 M.S., San Diego State University
 Ed.D., San Diego State University

Toya, Gregory (2023)

Dean, Student Affairs
 B.A., University of Irvine
 M.A., University of Maryland
 Ed.D., University of California San Diego, California State University San Marcos

Valerius, Matthew P. (2022)

Interim Dean, Academic Affairs
 B.A., Marquette University
 M.P.P., University of Minnesota
 M.B.A., Chapman University

Wagner, Christina Kim (2022)

Director, Special Programs Career Center/Counseling Div.
 B.A., University of California, Los Angeles
 M.A., Columbia University, Teachers College
 M.SC. Oxford University

Winchell, Timothy (2018)

Associate Dean, Criminal Justice Academies
 Graduate - Northwestern School of Police Staff and Command M.P.A.,
 University of Washington
 Ph.D., Portland State University

SANTA ANA COLLEGE FACULTY

Abbey, Troy (2001)

Professor, Kinesiology
 B.A., California State University, Long Beach
 M.A., Azusa Pacific University

Andrade, Philippe (2007)

Associate Professor, Political Science
 B.A., California State University, Long Beach
 Ph.D., Claremont Graduate University

Aguilar Beltran, Maria (2008)

Counselor/Coordinator, Assessment Center
 B.A., California Polytechnic State University, Pomona
 M.S.W., California State University, Long Beach
 L.D., Certificate, California State University, Sacramento

Arazi, Heather (2019)

Assistant Professor, American Sign Language
 B.A., Gallaudet University
 M.A., California State University, Northridge
 M.A., University of Phoenix

Axtell, Christina (2014)

Professor, English
 A.A., Santiago Canyon College
 B.A., University of California, Los Angeles
 M.A., California State University, Fullerton

Barnard, Rebecca (2012)

Coordinator, Health and Wellness Center
 B.S.N., Point Loma Nazarene University
 M.S.N., Azusa Pacific University
 D.N.P., Azusa Pacific University

Barrios, Andrew (2018)

Assistant Professor, Biology
 B.S., California State University, Fullerton
 M.S., California State University, Fullerton

Bass, Stacey (2006)

Professor, Nursing
 B.S.N., Loma Linda University
 M.S.N., California State University, Long Beach
 D.N.P., Western University of Health Sciences

Bassett, Dana (2001)

Professor, English
 B.A., M.A., California State University, Fullerton

Bautista, Steve (2001)

Counselor/Coordinator, Center for Teacher Education
 B.A., M.S., California State University, Fullerton
 Ed.D., California State University, Fullerton

Baquero, Jaymie (2014)

Assistant Professor, Kinesiology
 B.A., Loyola Marymount University
 M.A., California State University, Long Beach

Becerra, Christopher (2023)

Assistant Professor, Child Development and Education Studies
 Ed.D, Northcentral University
 B.A., M.A., Chapman University

Beltran, Jennie (2014)

Associate Professor, Biology
 B.S., M.S., University of California, Irvine

Bennett, Gary (1998)

Professor, English
 B.A., M.A., California State University, Fullerton
 Ph.D., University of Nevada at Las Vegas

Bennett, Sarah (2016)

Assistant Professor, Journalism and Media Studies
 B.A., M.A., University of Southern California

Benson, Kyla (2013)

Associate Professor, Fashion Design Merchandising
 B.S., University of California, Davis
 M.A., Trident University International

Beyersdorf, Matthew A. (2006)

Professor, English
 A.A., Saddleback College
 B.A., M.A., Chapman University
 J.D., Chapman University School of Law Member of the California State Bar

Bittner, Matthew (2019)

Associate Professor, Automotive Technology
 A.S., Cypress College
 B.A., California State University, San Bernardino

Bootman, Ashly (2015)

Associate Professor, English
 B.A., University of California, Riverside
 M.A., California State University, Fullerton

Bradley, Kyle (2014)

Associate Professor, Mathematics
 B.A., M.A., California State University, Fullerton

Breig, David B. (2002)

Professor, Kinesiology
 A.A., Cerritos College
 B.A., Seattle Pacific University
 C.C.T.C., California State University, Dominguez Hills
 M.S., California State University, Fullerton

Brocatto, Carlos (2018)

Associate Professor, Philosophy
 B.A., University of California, Riverside
 M.A., California State University, Los Angeles

Brown, Angela T. (2001)

Professor, Counseling
 A.A., Citrus College
 B.S., University of California, Riverside
 M.A., California State University, San Bernardino

Buechler, Michael (2014)

Professor, Manufacturing Technology
 A.S., Fullerton College
 B.A., California State University, Fullerton

Bui, Annette (2017)

Professor, Counseling
 A.A., Santa Ana College
 B.A., California State University, Fullerton
 M.A., California State University, Dominguez Hills

Busch Michael (2023)

Assistant Professor, Fire Technology
 A.S., Santa Ana College
 B.A., California State University, Long Beach

Campbell, Alondo C. (2013)

Associate Professor, Sociology
 A.A., Golden West College
 B.A., California State University, Long Beach
 M.A., California State University, Fullerton
 Ph.D., Purdue University

Campos-Robledo, Joanna (2013)

B.S., California State University, Fullerton
 M.A., Claremont Graduate University
 M.S., University of La Verne

Cannon, Chris (2011)

Professor, Theatre Arts
 B.A., Southeastern University
 M.F.A., University of Virginia

Canzona, Paula (1998)

Professor, Counseling
 B.S., University of Redlands
 M.A., California State University, Dominguez Hills

Carriger, Lisa (2017)

Professor, RN, MSN
 A.D.N., Saddleback College
 B.S.N., University of Texas Arlington
 M.S.N., University of Texas Arlington
 D.N.P., Chamberlain University

Cass, Ann (2019)

Professor, Counseling
 B.A., California State University, Long Beach
 M.S., National University

Castaneda, Veronica (2023)

Assistant Professor, Career Education
 B.A., California State University, Northridge
 M.A., Argosy University

Castillo, Ricardo (2011)

Professor, Psychology
 B.A., California State University, Bakersfield
 M.A., California State University, Fullerton

Chamberlain, Amberly (2017)

Faculty Professional Development Coordinator Associate Professor,
 Theatre Arts
 A.A., Fullerton College
 B.A., California State University, Fullerton

 M.S.N. CSUF
 D.N.P. Grand Canyon University

Delaby, Michael (2020)

Assistant Professor, Nursing A.D.N., Golden West College
 B.S.N., M.S.N., University of Texas, Arlington
 D.N.P., University of Texas, Arlington

Deluna, Daniel (2014)

Associate Professor, History
 A.A., Saddleback College
 B.A., University of California, Los Angeles
 M.A., California State University, Northridge

Dermody, Michael (2016)

Assistant Professor, Digital Media
 B.S., California State University, Sacramento
 M.S., Ithaca College
 M.F.A., National University

Derr, Laura (2023)

Assistant Professor, Nursing
 A.S., Santa Ana College
 B.S.N, California State University, Fullerton
 M.S.N., Walden Universit

Diamond, Zachary (2019)

Associate Professor, Welding Technology
 B.S. University of Rhode Island
 Los Angeles Structural Welding Certified Divers Academy International
 Certified

Dibb, Patrick (2015)

Professor, EMT
 A.A., Santa Ana College
 B.S., University of California, Irvine

Diller, Jeffrey (2014)

Professor, English
 A.A., Riverside City College
 B.A., M.A., California State University, Fullerton

Dinh-Mahavongtrakul, Minhan (2016)

Assistant Professor, Biology
 B.S., University of California, Davis
 M.S., Ph.D., University of California, Irvine

Dufala, Christopher (2016)

Assistant Professor, Studio Art B.F.A., Rowan University
 M.F.A., California State University, San Jose

Dumon, Dori (2017)

Associate Professor, Business Applications & Technology
 A.A., Santa Ana College

Emley, Catherine (1998)

Professor, Medical Assisting
 A.A., B.S.N., Mount St. Mary's College, Los Angeles
 M.N., Psychiatric Mental Health Nursing University of California, Los Angeles

Estrada, Maria (2016)

A.A., Orange Coast College
 B.A., University of California, Los Angeles
 M.A., San Diego State University

Everett, Mike (2002)

Professor, Mathematics
 B.A., B.S., M.A., California State University, Fullerton

Fish, Zachary (2004)

Professor, Philosophy
 B.A., M.A., University of New Orleans
 M.A., University of California, Riverside

Fondren, Stephanie R. (1996)

Professor, Communication Studies
 A.A., Long Beach City College
 B.A., M.A., California State University, Long Beach

Freeman, Suzanne (1993)

Professor, Fire Technology
 B.A., California State University, Long Beach

Gillette, Heather (1999)

Professor, Dance
 B.F.A., California State University, Long Beach
 M.F.A., University of Utah
 Certified Laban Movement Analyst

Gonis, Andy (2005)

Professor, Criminal Justice
 B.S., California State University, Long Beach
 M.S., California State University Long Beach
 Ph.D., Northcentral University
 Graduate, FBI National Academy

Gonzaga-Siguenza, Patricia (1996)

Professor, Counseling
 B.A., M.S., California State University, Fullerton

Gonzalez, Adrianna (2014)

Associate Professor, Adult Basic Education /GED / HiSET
 B.A., University of California, Irvine
 M.A., California State University, Long Beach
 TESOL Certificate, University of Anaheim

Gonzales, Gregory (2019)

Associate Professor, Welding Technology Los Angeles City Certified Welder
 Certified Welding Inspector/Education, American Welding Society (AWS)

Gonzalez, Haydee (2015)

Professor, Counseling
 A.A., Los Angeles Harbor College
 B.A., University of California, Los Angeles
 M.S., California State University, Long Beach

Gonzalez, Jaime (2023)

Assistant Professor, Automotive Technology
 A.S., Citrus College
 A.A., Golden West College
 B.A., California State University, San Bernardino

Grant, Madeline A. (2001)

Professor, Global Business & Entrepreneurship
 B.A., University of San Diego,
 M.B.A., Claremont Graduate School

Guerrero-Phlaum, Martha (2005)

Professor, Spanish
 B.A., M.A., Ph.D., University of California, Irvine

Guzmán, Kristen (2006)

Professor, History
 B.A., University of California, Santa Cruz
 Ph.D., University of California, Los Angeles

Ha, Michael (2017)

Associate Professor, Counseling
 B.A., Divine Word College,
 M.A., Chapman University

Hager, Benjamin (2013)

Associate Professor, Mathematics
 B.A., M.A., California State University, Fullerton

Hampton, Jubal (2001)

Professor, Biology
 B.S., University of California, Irvine
 M.A., California State University, Fullerton

Harman, James (2024)

Assistant Professor, Legal Studies
 Juris Doctor, University of San Diego School of Law
 Member of California State Bar

Hassel, Elissa A. (1996)

Professor, ESL
 B.S., University of California, Davis
 M.A., Biola University

Hanson, Maria Yamilet (2023)

Professor, Counseling
 A.A., Saddleback College
 B.A., Chapman University
 M.S., University of La Verne

Henley, Paige (2023)

Professor, Counseling

Professor, English
B.A., M.A., Chapman University

Jang, Charles (2014)

Associate Professor, Biology
B.S., California State University, Fullerton
M.S. Equiv., University of California, Riverside

Janio, Jarek (2007)

Professor/Coordinator, English as a Second Language
B.A., California State University, Long Beach
M.A., California State University, Dominguez Hills
Ph.D., Walden University
TESOL Certificate, Seattle Pacific University

Janus, Louise (2011)

Professor, Learning Disability Specialist
B.A., University of San Diego
M.Ed., Argosy University
L.D. Certificate, California State University, Sacramento

Jenkins, Crystal (2004)

Professor, Chemistry
B.A., M.S., University of California, San Diego
M.S., California State University, Long Beach

Jin, Jungwon (2011)

Associate Professor, Music
B.M., The Manhattan School of Music
M.M., D.M.A., University of Southern California

Jones, Elliott (2000)

Professor, Music
B.A., M.M., Arizona State University D.
M.A., University of Miami

Jones, Geoff (2004)

Professor, Kinesiology
B.A., Chapman University
M.A., Azusa Pacific University

Jones, Louise (2014)

Associate Professor, Nursing
A.D.N., Santa Ana College
B.S., M.S.N., California State University, Fullerton
D.N.P., Grand Canyon University

Kapil, Jill (2019)

Psychologist
B.A., University of California, Irvine
Psy.D., California School of Professional Psychology

Kehlenbach, E. Brian (1990)

Professor, Music
B.S., M.M., University of Connecticut D.
M.A., University of Southern California

Kelley, Sara A. (2016)

Associate Professor, English
B.A., M.A., California State University, Fullerton

Khalid, Donna Sir (2016)

Associate Professor/Coordinator ASE Science
B.S., University of California, Irvine
M.B.A., University of Texas Permian Basin
Ph.D., University of Southern California

Kim, Henry (2001)

Professor, ESL
B.A., University of Hawaii at Manoa
M.A., California State University, Long Beach

Kimmel, Michelle (2018)

Associate Professor, Child Development and Education Studies
B.A., M.A., California State University, Long Beach
Ed.D., University of Southern California

King, Jaki (2016)

Associate Professor/Librarian
B.S., Art Institute of Portland
M.L.I.S., Emporia State University

Klein, Marlowe (2022)

Assistant Professor, Nursing
B.S.N., University of Texas, Arlington
M.S.N., University of Texas, Arlington

Knight, Annie (2014)

B.A., California State University, San Bernardino
M.L.I.S., California State University, San Jose

Kowsari, Ali (2016)

Associate Professor, Global Business and Entrepreneurship
B.S., Tehran University, Iran
M.S., National University,
M.B.A., University of California, Irvine

LaBreau, Katie (2019)

Associate Professor, Child Development and Education Studies, SEAP
Coordinator
Communication Studies
B.A., California State University, Long Beach
M.A., California State University, Long Beach

Lamourelle, Chantal (2016)

Associate Professor, Child Development and Education Studies, SEAP
Coordinator
B.A., University of California, Los Angeles
M.S., Nova University

Lange, Megan (2017)

Associate Professor, History
B.A., North Park University
M.A., University of California, Santa Barbara
M.A., California State University, Los Angeles

Leafblad, Robin (2023)

Assistant Professor, Fire Academy
A.S., Crafton Hills College
B.A., Point Loma University
M.A., Asuza Pacific University

Lechuga, Janet (2013)

Associate Professor, Mathematics
B.A., M.A., California State University, Fullerton

Leeds, Kelvin (1997)

Professor, Mathematics
B.A., Southern California College
M.A., California State University, Fullerton

Littlejohn, Stacey (2014)

Associate Professor, Chemistry
B.S., Kansas Wesleyan University
M.S., University of California, Irvine

Lockhart, Ann (2011)

Professor, Counseling/Coordinator, Puente Program
B.S.W., M.S.W., California State University, Long Beach

Lockwood, Lance (2005)

Professor, Communication Studies
A.A., Victor Valley College
B.A., M.A., Chapman University

Lopez, Jorge (2007)

Professor, Biology
 B.S., University of California, Davis
 M.S., University of Chicago
 Ph.D., Indiana University

Lopez-Garcia, Luciano Jaime (2022)

Assistant Professor, Diesel and Automotive Technology
 A.A., Santa Ana College
 A.S., Santa Ana College
 B.S., California State University, Fullerton

Lopez Mercedes, Jose (2017)

Associate Professor, ESL/Distance Education & Professional Development
 Coordinator
 A.A., Santa Ana College,
 B.A., California State University, Fullerton,
 M.A., TESOL Certificate, California State University, Fullerton

Lui, Rachel (2015)

Associate Professor, Mathematics
 A.A., Fullerton College
 B.A., University of California, Los Angeles
 M.A., California State University, Fullerton

Luppani, Flo (2004)

Professor, Kinesiology
 B.A., Chapman University,
 M.A., California State University, Humboldt

Luu, Vivian (2022)

Associate Professor, Buisness Applications and Technology
 B.A., Babson College
 M.B.A., University of Masseurhusses - Boston

Macafee, Lisa (2023)

Professor, Counseling
 A.A., Saddleback College,
 B.A., University California, Irvine
 M.S., National University

Macintyre, Michelle (2015)

Professor, Counseling
 B.A., University of Hawaii
 M.A., Concordia University
 M.A., California Polytechnic State University, San Luis Obispo

Madrigal, Osiel R. (2016)

Associate Professor, Workforce Development Coordinator
 B.S., M.P.A., San Diego State University
 Ed.D., University of La Verne

Marquez, Phil (2011)

Associate Professor, Art
 B.A., California State University, Fullerton
 M.F.A., Claremont Graduate University

Marr, John (2014)

Associate Professor, Music
 B.A., M.M., California State University, Fullerton

Martin, James (2023)

Assistant Professor, Automotive Technology
 A.S., Santa Ana College

Martinez, Donato (1996)

Professor, English
 B.A., California Polytechnical State University, Pomona
 M.A., California State University, Fullerton

Mathis, Jane (2005)

Professor, Counseling
 B.A., University of California, Irvine
 M.S., California State University, Long Beach

Mathot, Sarah (2015)

Associate Professor, Nutrition & Foods
 B.S., California Polytechnic State University, San Luis Obispo
 M.S., R.D.N., California State University, Long Beach

Mayer, Quynh (2019)

Associate Professor, Nursing
 A.D.N., Glendale Community College
 B.S.N., M.S.N., California State University, Fullerton

McAdam, Jennifer (2019)

Assistant Professor, Chemistry
 B.S., Loyola Marymount University
 M.S., University of California, Irvine

McCallick, Mark (2014)

Associate Professor, Accounting and Buisness Administration
 B.S. Accounting - Loyola Marymount Univ
 M.S. Education- Online Teaching and Learning - CSU - East Bay

McKenna-Sallade, Dawn (2017)

Associate Professor/Coordinator, Occupational Therapy Assistant
 Occupational Studies Bachelor Degree Program
 B.S., Tufts University
 M.A., University of Southern California

McKowan-Bourguignon, Lisa (2011)

Professor, Mathematics
 A.A., Santa Ana College
 B.S., M.S., California State University, Long Beach

Meckes, Ana M. (2015)

Professor, Counseling
 B.A., M.S., California State University, Long Beach

Medina, Moises (2014)

Associate Professor, History
 B.A., California State University, Northridge
 M.A., University of California, Riverside

Meloni, Jennifer (2015)

Associate Professor, Fire Technology, Physical Fitness and Wellness
 B.S. University of California, Los Angeles
 M.S. California State University, Fullerton

Millet, Joi (2024)

Assistant Professor, Legal Studies
 B.A. California Coast University ACP, CAS

Mishal, Amit (2015)

Associate Professor, Mathematics
 B.A., M.A., University of California, Los Angeles
 M.A., California State University, Fullerton
 Ed.D., University of Southern California

Mixer, Dale (2004)

Professor, Nursing
 A.D.N., Cerritos College
 B.S.N., California State University, Fullerton
 M.S.N., University of Phoenix

Montes, Agustin (1998)

Professor, Economics
 B.A., M.A., California State University, Long Beach

Moreno, Alejandro (2016)

Assistant Professor, Counseling
 B.A., University of California, Irvine
 M.A., Azusa Pacific University

Morgan, Adam (2018)

Associate Professor, Business Applications and Technology
 A.A., Irvine Valley College
 B.A., California State University, Fullerton
 M.S., California State University, Fullerton

Morris, A. Kimo (2011)

Associate Professor, Biology
 B.A., University of California, Santa Barbara
 M.Sc., Oregon State University
 Ph.D., University of California, Los Angeles

Mowrer, Melanie (2002)

Professor, ESL
 B.A., Moravian College
 M.A., United States International University, Irvine
 TESOL Certificate, University of California, Irvine

Muir, Shannon (2016)

Professor, Counseling
 B.A., University of California, Los Angeles
 M.A., California Graduate Institute
 M.Ed., University of Southern California

Murphy, Tim (2000)

Professor, Political Science
 B.S., M.A., Ball State University
 Ph.D., University of Cincinnati

Nair, Arjun (2018)

Assistant Professor, Biology
 B.S., University of California, Davis
 M.S., University of California, Irvine
 Ph.D., University of California, Irvine

Naman, Trudy (2022)

Assistant Professor, Child Development and Education Studies
 B.A., Life Bible College
 M.A., Southern California College
 M.A., Concordia University
 Ed.D., Pepperdine University

Nardi, Nicholas (2019)

Assistant Professor, Psychology
 A.A., Pierce College, Woodland Hills
 B.A., California State University, Northridge
 M.A., California State University, Chico
 Ph.D., Pepperdine University

Natale, Alexander (2020)

Assistant Professor Physics B.S., University of Idaho
 Ph.D., University of California, Riverside

Nguyen, Hugh (2018)

Associate Professor, Computer Science
 B.S., California State University, Long Beach
 M.S., Boston University

Nguyen, Kelly K. (2016)

Assistant Professor, Mathematics
 B.A., California State University, Long Beach
 M.A., California State University, Fullerton

Nguyen, Madeleine (1996)

Professor, Counseling
 B.A., California State University, Fullerton
 M.A., California State University, Dominguez Hills

Nguyen, Thu T. (2014)

Professor, Counseling
 B.A., University of California, Irvine
 M.S., California State University, Long Beach

Nguyen, Van Thi (1995)

Professor, Counseling
 B.A., M.S., California State University, Long Beach

Nguyen, William (2003)

Professor, Chemistry
 A.S., Santa Ana College
 B.S., Ph.D., University of California, Los Angeles

Nilles, Tom (2015)

Assistant Professor, Kinesiology
 A.A., Laney College
 B.A., University of California, Davis
 M.A., St. Mary's College of California

Nutter, Kim (1991)

Professor, Kinesiology
 B.S., California Polytechnic State University, Pomona
 M.A., California State University, Dominguez Hills

Nyssen, Adam (2013)

Assistant Professor, Kinesiology
 M.A., Azusa Pacific University
 M.A., San Diego State University

Oertel, Patricia (2008)

Professor, Biology
 B.S., California State University, Long Beach
 Ph.D., University of California, Irvine

Oh, Suanne (2017)

Associate Professor, Mathematics
 M.S., California State University, Northridge
 B.S., University of California, Irvine.

Orona, Anthony "Ajay" (2022)

Assistant Professor, Journalism & Media Studies
 A.A., Mount San Antonio College
 B.A., California State University, Los Angeles
 M.A., University of Southern California

Orr, Estelle C. (1970)

Professor, Art
 B.A., M.A., University of California, Berkeley

Ortiz, Fernando D. (1996)

Professor, Psychology
 A.A., Santa Ana College
 B.A., California State University, Fullerton
 M.A., Ph.D., University of California, Riverside

Ortiz, Rebecca Vasquez (2017)

Assistant Professor, Psychology
 B.A., University of California, Riverside
 M.A., University of California, Riverside
 Ph.D., University of California, Riverside

Padilla, Jessica (2019)

Associate Professor/Academic Fieldwork Coordinator, Occupational
 Therapy Assistant
 B.S., Santa Ana College

Papa, Elenor (2016)

Associate Professor, Nursing
 B.S., University of California, Riverside
 M.S.N., California Baptist University
 D.N.P., Chamberlain University

Parayno, Jeanell (2023)

Professor, Counseling
 B.A., California State University, Long Beach
 M.S., Azusa Pacific University

Pastrana, Leo (2014)

Counselor/Coordinator, University Transfer Center
 A.A., Orange Coast College
 B.A., California State University, Dominguez Hills
 M.A., Azusa Pacific University

Patch, Nicole (2019)

Associate Professor, Librarian B.A., Smith College
M.A., University of California-Los Angeles
M.L.I.S., University of California, Los Angeles

Patton, Carrie (2013)

Associate Professor, High School Subjects
B.A., St. Mary's College
M.A., National University

Pedroza, Jeffrey (2001)

Professor, Psychology
B.S., M.S., Eastern Michigan University

Pedroza, Luis (1994)

Professor, Librarian
B.A., California State University, Long Beach
M.L.I.S., University of California, Berkeley

Peraza, Daniel (2017)

Professor, Counseling
B.A., California Polytechnic State University, Pomona
M.S., California State University, Long Beach

Pierce, Cathryn (2014)

Associate Professor, Communication Studies
B.A., California State University, Long Beach
M.A., New York University
Ed.D., Northeastern University

Pineda, Maribel (2016)

Professor, Counseling
A.A., Santa Ana College
B.A., University of California, San Diego
M.S.W., California State University, Dominguez Hills

Quach, Nguyen (Nicholas) (2015)

Associate Professor, Computer Science
B.S., M.S., California State University, Fullerton

Ramirez, Adriana (2017)

Associate Professor, History
A.A., Santa Ana College
B.A., University of California, Irvine
M.A., University of California, Irvine

Ramshaw, Charles (2001)

Professor, English
B.A., California State University, Fullerton
M.A., Chapman University

Rehm, David (2019)

Assistant Professor, Communication Studies
A.A., Santiago Canyon College
B.A., California State University, Long Beach
M.A., California State University, Long Beach

Ro, Kelly (2015)

Associate Professor, Mathematics
B.S., University of California, Los Angeles
M.A., University of Phoenix
M.A., California State University, Fullerton

Robertson, Mario C.S. (2006)

Professor, Anthropology
B.A., M.A., California State University, Fullerton

Robinson, Kristen (2011)

Professor, Legal Studies
A.S., Snow College
B.A., Southern Utah University
J.D., Brigham Young University
Member of California State Bar

Robledo, Rey (2005)

Professor, Counseling
B.S., California State University, Fullerton
M.S., University of La Verne

Rocke, Brandon (2014)

Professor, English
B.A., California State University, Long Beach
M.A., Chapman University
M.A., California State University, Fullerton

Romero, Martin (2014)

Associate Professor, Mathematics
B.S., University of California, Los Angeles
M.S., California State University, Los Angeles
Ph.D., University of California, Los Angeles

Roper, David (2018)

Associate Professor, Automotive Technology
A.A., Cerritos College
B.A., California State University, Los Angeles
M.A., Arizona State University
Ed.D., University of La Verne

Ross, Kris (2006)

Professor/Coordinator, Fire Technology, Physical Fitness and Wellness
B.A., M.A., California State University, Long Beach

Rudd, James (2014)

Professor, Automotive Technology
A.A., Cerritos College

Ruiz, Dan (2022)

Counselor/Coordinator, MESA
A.A., Cerritos College
B.A., California State University, Long Beach
M.A., California State University, Dominguez Hills

Russo, Stacy (2011)

Professor, Librarian
A.A., Cypress College
B.A., University of California, Berkeley
M.L.I.S., California State University, San Jose
M.A., Chapman University

Ruvalcaba, Tomas (2023)

Assistant Professor, Fire Technology
B.S., California State University, Fullerton
M.S., California State University, Fullerton

Sabzevary, Mohammadreza Mirbeik (2016)

Assistant Professor, Mathematics
B.S., M.A., Iran-University of Tehran

Sanabria, Reina (2001)

Professor, Counseling
A.A., Fullerton College
B.S., California State University, Fullerton
M.A., Chapman University

Saterfield, Kalonji (2016)

Professor, Communication Studies
B.A., California State University, Stanislaus
M.A., California State University, Fullerton

Sauber, David (2023)

Assistant Professor, Legal Studies
B.A., California State University, Northridge
J.D. Law, Loyola Law School, Los Angeles
Member of California Bar

Schlossman, Jacqueline (2019)

Assistant Professor, Photography
 B.A., Sarah Lawrence College
 M.F.A., Maryland Institute College of Art

Seitz Carol (2016)

Associate Professor, Medical Assisting
 B.A., University of California, Irvine

Shahbazian, Roy (2007)

Professor, Mathematics
 B.S., M.S., University of California, Irvine
 M.S., University of California, Los Angeles

Shweiri, Gabriel (2011)

Professor, Global Business and Entrepreneurship
 B.A., The George Washington University
 M.IM, Thunderbird American Graduate School of International Management

Sim, Jason (2018)

Associate Professor, Computer Science
 B.A., Kean University
 M.B.A., Saint Peters University
 M.B.A., Northeastern University
 M.S. Computer Science, City University of Seattle

Simmerman, Stacy (2016)

Associate Professor, English
 A.A., Santiago Canyon College
 B.A., University of California, Irvine
 M.A., Claremont Graduate University

Singh, Nirbhai (Nick) (1999)

Professor, Manufacturing Technology
 B.S., University of Punjab, India

Slay, Kevin (2022)

Assistant Professor, Technical Theater
 B.A., Life Pacific University
 M.F.A., California State University, Fullerton

Smith, Elizabeth (2019)

Assistant Professor of American Sign Language
 B.A., Biola University
 M.A, Biola University

Smith, Kimberly, Esq. (2016)

Associate Professor, Legal Studies
 B.A., California Polytechnic State University, Pomona
 J.D. California Northwestern University School of Law

Smith, Sean (2017)

Assistant Professor, Mathematics
 B.S., M.S., California Polytechnic State University, Pomona

Solheid, Christa (2000)

Professor, Mathematics
 A.A., Fullerton College
 B.A., M.A., California State University, Fullerton
 Ed.D., Argosy University, Orange County

Soriano, Irene (1994)

Professor, Art History
 B.A., University of Texas at El Paso
 M.A., Boston College
 M.A., Ph.D., Boston University

Sos, Brian (2011)

Associate Professor, Kinesiology/DSPS
 B.S., M.A., San Diego State University
 Ph.D., Florida State University

Sosta, Rachel (2011)

Professor, English
 B.A., Occidental College
 M.A., California State University, Fullerton

Stevens, Hayley (2019)

Associate Professor, Physical Fitness, Wellness and Criminal Justice
 B.S., California State University, Fullerton
 M.S., California State University, Fullerton

Strong, Tommy (2015)

Associate Professor, Accounting & Business Administration
 B.S. Accounting and Information Systems, University of Texas at Dallas
 M.S. Accounting and Information Systems, University of Texas at Dallas

Stucken, Robert (2006)

Professor, Nursing
 A.D.N., Golden West College
 B.A., California State University, Long Beach
 M.S.N., University of Phoenix

Sung, Linda (2016)

Associate Professor, Accounting & Business Administration
 B.S. Cal Poly Pomona
 J.D. California Northwestern University School of Law

Sweeney, George (2011)

Associate Professor, Mathematics
 B.A., University of California, Los Angeles
 M.S., California Polytechnic State University, Pomona
 Ph.D., San Diego State University

Takahashi, Craig (2006)

Professor, Engineering
 B.S., M.S., Ph.D., University of California, Irvine

Takahashi, Kathleen (2005)

Professor, Biology
 B.S., University of California, Irvine
 M.S., California State University, Long Beach
 Ph.D., University of California, Los Angeles

Tashima, John (2014)

Associate Professor/Coordinator, Adult Secondary Education
 B.A., University of California, Santa Cruz
 M.A., California State University, Long Beach

Taylor, Michael (2015)

Associate Professor, Digital Media
 B.A., California State University, Fullerton

Tolentino, Justin (2016)

Assistant Professor, Mathematics
 B.A., M.A., California State University, Fullerton

Trone, Jinhee (1999)

Professor, Accounting & Business Administration
 B.S. Business Administration with Emphasis in Accounting, CSULA
 M.Ed. Higher Education with Emphasis in Community Colleges, UCR

Turner, Mark (2014)

Learning Disability Specialist, Associate Professor
 B.A., University of California, Irvine
 M.A., California School of Professional Psychology (Alliant University)

Uffelman, Taylor (2020)

Assistant Professor, Nursing
 A.D.N., Santa Ana College
 B.S.N., M.S.N., Western Governors University

Ursuy, Craig (2023)

Assistant Professor, Global Business & Entrepreneurship
 B.S.B.A., Hawaii Pacific University
 M.A., Management Center Innsbruck

Valles, Rodrigo (2016)

Assistant Professor, Ethnic Studies
 A.A., East Los Angeles College
 B.A., California State University, Dominguez Hills
 M.A., California State University, Los Angeles

Valtairo, Rowena (2007)

Professor, Nursing
 B.S.N., M.S.N., California State University, Fullerton
 D.N.P., Western University of Health Sciences

Vasquez, Michelle (2015)

Associate Professor, Nursing
 A.A., Golden West College
 B.S.N., California State University, Fullerton
 M.S.N., California State University, Long Beach
 D.N.P., Chamberlain University

Vazquez, Candice (2023)

Assistant Professor, Coordinator - Allied Health
 B.A., California State University, Fullerton
 B.S.N., Concordia University, Irvine

Viera, Violeta (2016)

Associate Professor, Counseling
 B.A., California State University, Fullerton
 M.A., University of San Diego

Villa, Beatriz (2020)

Assistant Professor, English
 B.A., M.A., California State University, Long Beach

Vu, Dahlia (2006)

Professor, Mathematics
 B.S., M.A., University of California, Riverside

Vu, Emily (2023)

Assistant Professor, Career Education
 B.A., California State University, Long Beach
 M.A. California State University, Fullerton
 Ed.D., Oregon State University

Walczak, Katharine (2014)

Associate Professor, Learning Center Coordinator
 B.A., Earlham College
 M.Ed., Cleveland State University
 M.B.A., Baldwin-Wallace University

Wang, Wendy (2019)

Associate Professor, Occupational Therapy Assistant Occupational Studies
 Bachelor Degree Program
 B.S., University of California, Davis
 M.A., University of Southern California

Weber, Merari L. (2016)

Associate Professor, ESL Coordinator
 B.A., M.A., California State University, Los Angeles
 Ed.D., University of Southern California

Yamada, Ted K. (1993)

Professor, Chemistry
 B.S., Ph.D., University of Southern California

Yimenu, Betty (2019)

Assistant Professor, Psychology
 B.A., California State University, Fullerton
 M.A., California State University, Fullerton
 Ph.D., Case Western Reserve University

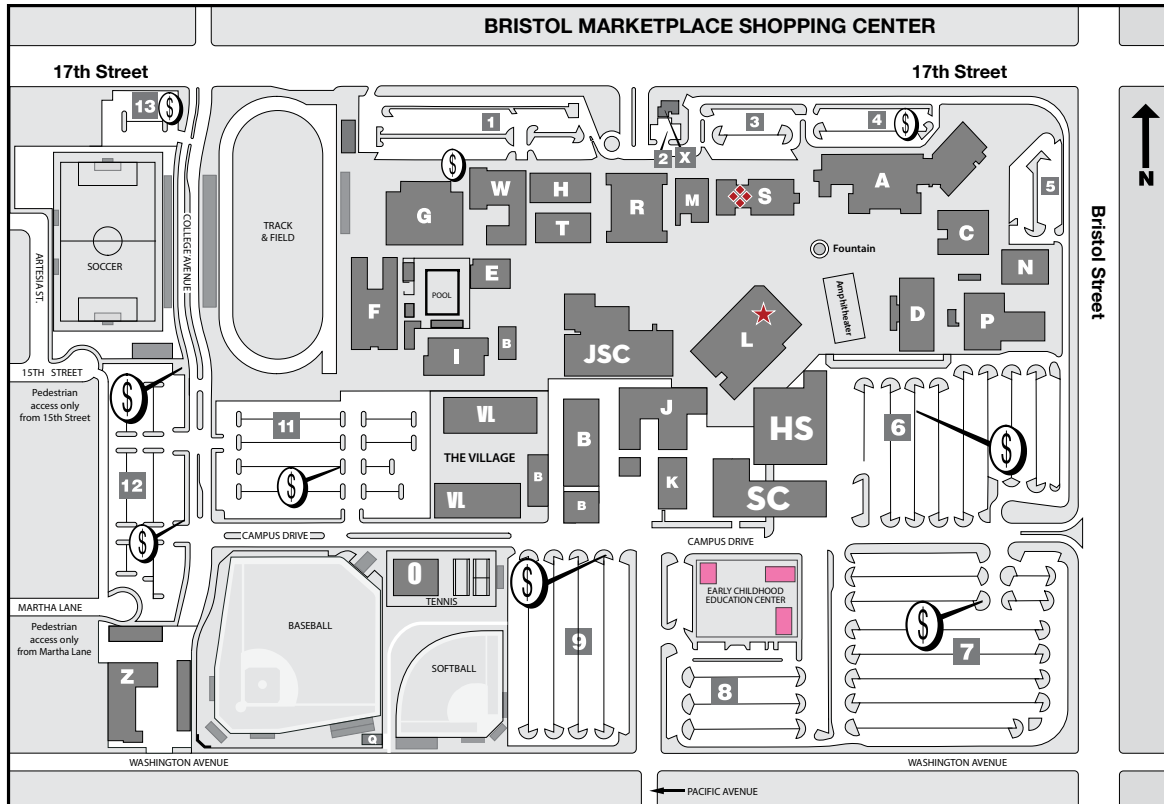

Zarske, John (1996)

Professor, Mathematics
 A.A., Golden West College
 B.A., California State University, Long Beach
 M.S., University of Southern California

Zarske, Monica S. (2005)

Professor/Coordinator, Speech Language Pathology Assistant Program
 B.A., San Diego State University
 M.A., San Diego State University

MAP - Santa Ana College

PARKING

\$ Daily Permit Dispenser (\$2.00 for 8 hours)

1 STAFF
2 SECURITY
3 VISITOR
4 - 5 STAFF
6 - 13 STUDENT (except as posted)

CAUTION!

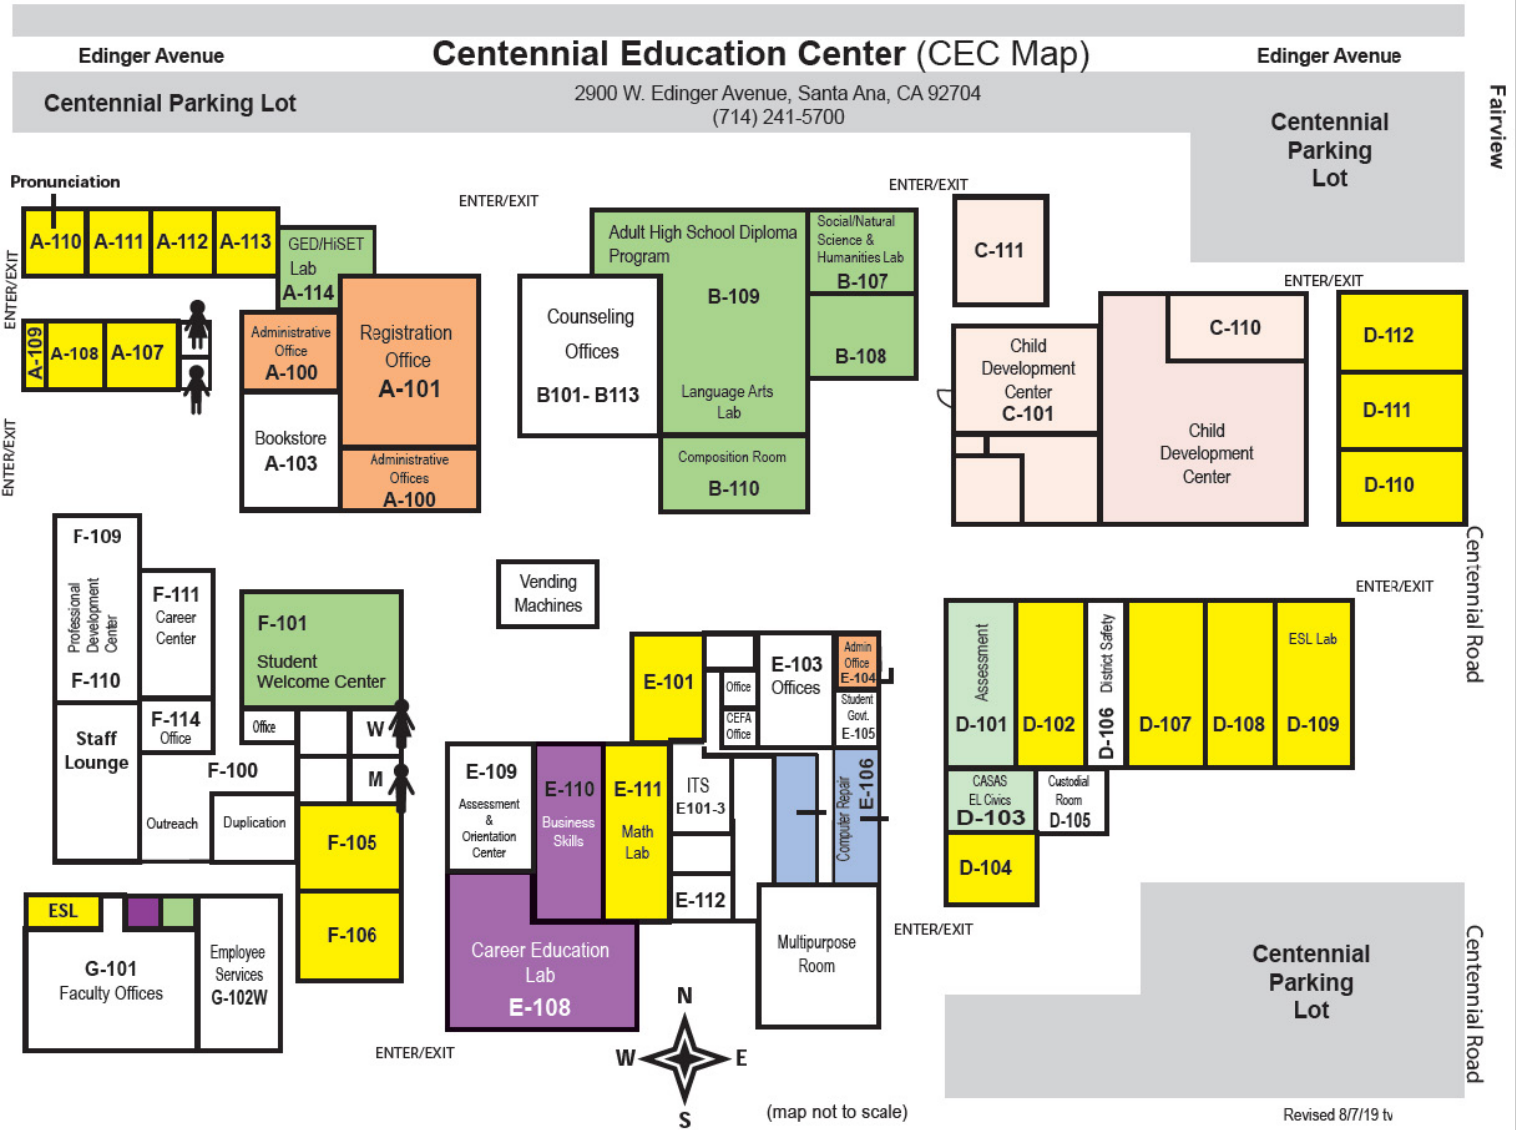

Parking in Bristol Marketplace, across the street from Santa Ana College, is not allowed. Violations will result in tow-aways. RSCCD requires parking permits for student and staff lots at Santa Ana College and Santiago Canyon College. Semester Parking Permits may be purchased at time of registration for \$30.00 in the Student Business Office in the Johnson Student Center (JSC-202) at Santa Ana College, as well as in the Cashier's Office at Santiago Canyon College. The purchase of your permit funds parking services and vehicle security when parked on campus.
