**My Name Is Pauli Murray** is a 2021 documentary film that follows the life of lawyer and activist Rev. Pauli Murray whose influence on American legal arguments based on fourteenth amendment protections cannot be overstated. The film also provides a nuanced analysis of Murray's gender identity and their recognition of "in-betweenness." Though an "unsung hero" for too long, this film is a stirring tribute to Murray's life and work. Discussion to follow with light refreshments provided by Guided Pathways.
