Support the future, preserve the past . . .**

Since 1915, thousands of athletes have participated in the athletic program at Santa Ana College. It is the goal of the Athletic Hall of Fame to celebrate this legacy.

The Athletic Hall of Fame Committee preserves the college's athletic history while providing new opportunities to transferring student-athletes through scholarships. This privately-funded project is still a "work in progress" with many improvements planned for the future.

With your support, we can continue to honor the past, while at the same time, encourage our present student-athletes to aspire for great futures.

Your generosity will not only help preserve the college's athletic legacy, it will also contribute to future student athletic scholarships. Join the family, friends and alumni of Santa Ana College in this passion for supporting athletic excellence.

This is our mission.  
Thank you for making it yours.
