All SAUSD students who graduate in spring 2016 (and thereafter) are eligible to participate in the program. An SAUSD student is one who attends a school under the authority of the SAUSD Board of Education. Charter school students can determine if they are eligible by checking the SAUSD website (www.sausd.us/domain/137).

2. What does the tuition scholarship cover?

Tuition at SAC is set by the state at a cost of \$46 per unit. The tuition bill for a full time student who attends SAC for the fall and spring is \$1,104. This will be fully covered by the tuition scholarship.

3. Do students have to pay any other fees to attend Santa Ana College?

4. What are the program requirements?

5. What if the student reduces the number of classes they are taking?

If the student lowers the number of classes they are taking during open registration or during the drop/add period of the academic term (generally the first two weeks of the semester) they will become ineligible for the tuition scholarship and will be billed.

6. How long are students able to receive the SAC Tuition Scholarship?

Students will be eligible to receive the tuition scholarship for their entire freshman year (fall semester, intersession, and spring semester).
