Substance Abuse

Orange County Detox (Clear Detox Center)

Southern California Detox is committed to helping individuals whose lives are currently impacted by addiction, to regain their health, self-esteem and self-confidence, and take their place as happy, sober, productive members of the community. And to assist individuals in learning the tools to maintain long term abstinence by both educational and counseling by working through the past, living in the present, and planning for the future. Assistance is available 24 hours a day, and 7 days a week for detox emergencies.

Consumer Credit Counseling Services

CCCS are given access to a confidential, non-judgmental consultation with a certified counselor. This counseling session takes 45-90 minutes, and involves a comprehensive review of one's debt and personal finances. The counselor offers expert advice along with a workable budget based on the client's unique financial situation. By tailoring our advice to the client's circumstances, we can offer a realistic plan for paying down debt, increasing savings, and improving the client's financial situation. The counseling session is free of charge and carries no obligation.
