GREETINGS FROM THE CHANCELLOR

To the Class of 2026,

Congratulations on this amazing day in your academic career! I understand the number of hours that are required and that you have committed to your studies in order to graduate with a degree or certificate. Many of you have done so while working one or more jobs, maintaining family obligations, or experiencing hardship. However, despite those obstacles, you have accomplished your goal and are here today!

It is my honor to celebrate you during commencement. Your academic excellence is noteworthy and a demonstration of your commitment to your education and your future. You didn't let anything stop you!

We are proud of you and honored to include you on the list of alumni of Santa Ana College. We hope that you valued your time at SAC and continue to feel a part of the SAC family.

We know that there is a bright future for you as you begin the next chapter in your life. As you venture forward, remember fondly your time with us and know that you made a difference here at SAC.

On behalf of the Board of Trustees and all of us at the Rancho Santiago Community College District – Congratulations class of 2026!

A handwritten signature in black ink, appearing to read 'Marvin Martinez', with a long horizontal flourish extending to the right.

Marvin Martinez
Chancellor

GREETINGS FROM THE PRESIDENT

Welcome to Santa Ana Stadium! On behalf of Santa Ana College, it is my honor and privilege to extend my heartfelt congratulations to the graduating class of 2026! Today represents not just the culmination of your academic journey, but also the resilience and determination you have demonstrated to reach this remarkable achievement. Each diploma, certificate, or degree earned today reflects countless hours of dedication, sacrifice, and unwavering focus, supported by the invaluable encouragement from your family, friends, mentors, and peers.

As you embark on the next chapter of your life, know that you leave equipped with knowledge and skills from a nationally acclaimed institution, renowned for its exceptional faculty, groundbreaking programs, and comprehensive student services. Your time at Santa Ana College has prepared you to meet future challenges with confidence, creativity, and a commitment to lifelong learning. Always remember, you are an integral part of our proud Santa Ana College community, bound by a shared pursuit of excellence and a spirit of collaboration.

Congratulations, Class of 2026!

Your accomplishments today inspire us all, and we eagerly look forward to seeing the incredible contributions you will make to the world ahead.

A handwritten signature in black ink, appearing to read 'Annebelle Nery', with a long horizontal flourish extending to the right.

Dr. Annebelle Nery
Santa Ana College President

GREETINGS FROM THE BOARD PRESIDENT

Dear Santa Ana College Class of 2026,

Today is your day. You have earned this moment through long nights, early mornings, and a determination that no obstacle could shake. As President of the RSCCD Board of Trustees, and as someone who found his own footing at a community college, I see in you the same courage and grit that changed the course of my life.

You arrived here with many different stories—first generation students, working parents, recent high school graduates, career changers—and together you built a community that reflects the very best of Santa Ana. You did not simply complete courses; you lifted one another up, asked hard questions, and proved that talent is everywhere when opportunity is real.

On behalf of the Board of Trustees, I want you to know this: your achievement matters. It matters to your families, to this college, and to your future. Whether your next step is a university, a new job, a promotion, or a path you are still discovering, carry with you the confidence that you belong in every room you enter.

Thank you for letting Santa Ana College be part of your journey. God bless you, I am proud of you, and I am excited to see what you do next. Congratulations, Class of 2026!

A handwritten signature in black ink, appearing to read 'P. Yarbrough', written in a cursive style.

Phillip E. Yarbrough

President, RSCCD Board of Trustees

COMMENCEMENT STUDENT SPEAKERS

BACCALAUREATE PROGRAM STUDENT SPEAKER **WENDELL HERNANDEZ**

Wendell Hernandez is graduating from Santa Ana College with a Bachelor of Science Degree in Occupational Studies. The son of Central American immigrants, with roots in Nicaragua and Guatemala, Wendell's journey reflects persistence, growth, and a commitment to finding purpose through education.

After graduating high school, Wendell initially attended a four year university but faced academic challenges that led him to step away from his studies. During this time, he worked as a medical biller and coder, where he realized he wanted a more hands-on and meaningful career. This ultimately led him to pursue a path in healthcare, where he discovered occupational therapy and its impact beyond traditional clinical settings. After several years away from school, Wendell returned to continue his education, beginning with the prerequisites for the Occupational Therapy Assistant program. Over the course of the next four years at Santa Ana College, he remained committed to his goals. Although his journey included setbacks and pauses, Wendell has now accomplished his goal of earning a bachelor's degree, marking a

significant milestone nearly a decade in the making.

At Santa Ana College, Wendell found renewed direction and inspiration, developing both academically and personally. He is currently working as a Certified Occupational Therapy Assistant (COTA) in early intervention, providing home-based services to infants and toddlers, including children with Autism, Down Syndrome, and those born prematurely.

Through his experiences, Wendell has gained a deeper appreciation for resilience, community, and the value of education.

VALEDICTORIAN CELESTE CASTRO

Celeste Castro is a third-year Chemical Engineering student at Santa Ana College — though she did not start out as one. She originally came in as a Civil Engineering major, until her newfound love for chemistry changed her mind. Switching majors was an easy decision, and it was the first one at SAC that felt completely obvious.

Her dedication to the field did not go unnoticed. Celeste is the recipient of the Orange County Section of the American Chemical Society (OCACS) College Award, an honor presented to the most outstanding chemistry student at SAC. She is also a member of the Phi Theta Kappa Honor Society and the SAC Engineering Club, and has been involved with ULink, MESA, and STEMCore. These programs helped prepare her for internships, research, and the transition to a four-year university.

Some of her most meaningful growth at SAC happened through the people she showed up for. As a Peer Success Coach for the Math Department, she worked with students who were struggling — helping them build study strategies, connect with campus resources, and find their footing. She has since transitioned into her current position as an Instructional Assistant in the Chemistry Lab, where she prepares and sets up organic chemistry labs, deepening her own expertise in the process.

Celeste is transferring to U.C. Berkeley to pursue Chemical Engineering, with hopes of contributing to research that makes a real difference. SAC is where she found her direction and figured out who she wanted to become.

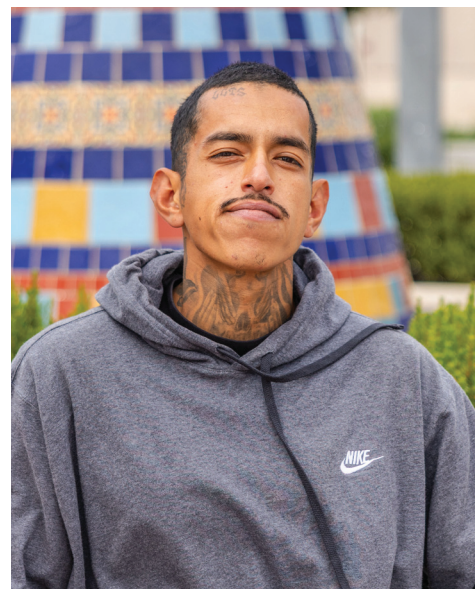

SCHOOL OF CONTINUING EDUCATION STUDENT SPEAKER JASON MORENO

Jason Moreno was born and raised in the city of Santa Ana by a single immigrant parent, his mom. He attended the SAC School of Continuing Education (SCE) at the Centennial Education Center throughout the 2025-2026 academic year. This experience made him realize how important education was for an individual's future and success.

Since he graduated from SCE with a high school diploma, he continued to pursue his dream of getting a degree in Psychology. He is currently enrolled at SAC working towards an Associate Degree.

His experience at the Centennial Education Center was marvelous. Both, faculty and other students were very helpful and kept motivating him to thrive to go to college. It was an encouraging experience to feel that there are people out there that care about you and want you to be successful in life and have a bright future. The teachers were always on time and willing to help every student no matter what the cost.

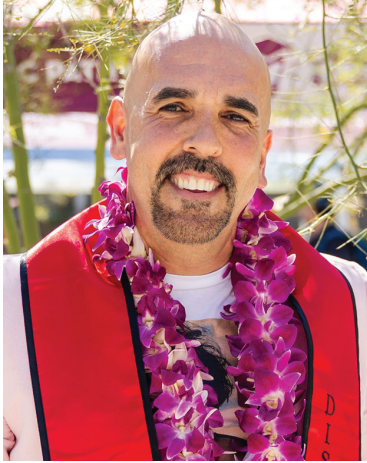

For Jason, one of the best parts of coming to school was meeting new people and networking with them, the experience of not being alone on this journey. Four years from now, Jason envisions himself with a Master's Degree. He encourages people to go to school or at least give it a try. It was the best decision he made in his life.

2026 DISTINGUISHED FACULTY AND CLASSIFIED EMPLOYEE OF THE YEAR

DISTINGUISHED FACULTY AWARD

The Distinguished Faculty Award is the highest honor bestowed upon a full-time faculty member of Santa Ana College and is awarded for teaching excellence.

DR. OSIEL "OZZIE" MADRIGAL

Since 2016, Ozzie has been a cornerstone of Santa Ana College's School of Continuing Education, serving as Career Education Faculty Coordinator, Department Chair, and Vocational Business Professor. Under his leadership, the Career Education Department experienced tremendous growth and expansion of academic programs and industry partnerships. When Dr. Madrigal joined the department, there were six certificate options for students. Today, he has expanded educational opportunities to include 37 Certificate Programs spanning across 11 different vocational departments. Working alongside four new full-time faculty members and five adjunct faculty coordinators, he fosters a strong team and collaborative working environment. Dr. Madrigal has also written grants to procure nearly \$3 million from local, state, and federal organizations in support of noncredit career training programs.

His roots in this community run deep. Not only was he raised in "Santana," he has worked for virtually every major public agency in "Santana," as well as the L.A. Mayor's Gang Reduction and Youth Development Office, always showing up for those who need him most.

Ozzie will tell you he's learned far more from his students than they've ever learned from him. That humility is exactly what makes him extraordinary. In 2013, he founded the M.A.S. Scholarship, named for his parents, to support college-bound seniors at his own alma mater, Century High School. Over \$13,000 has been awarded so far and counting.

At his core, Ozzie is driven by one simple belief: everyone deserves a chance. He strives to be an agent of change, giving others the opportunity to succeed, whether it is their first chance or their umpteenth.

CLASSIFIED EMPLOYEE AWARD

The Classified Employee Award is the highest recognition for an exceptional permanent, full-time employee that exhibits dedication, exemplary skills and traits, and a commitment to excellent work performance.

CHRISTINA MIRANDA

Christina (Tina) Miranda has been with RSCCD for thirteen years. She is a dedicated and highly skilled professional who plays a vital role in keeping the Academic Affairs Dean's Office at Santa Ana College running smoothly. She manages a wide range of responsibilities including budgets, faculty load, scheduling, purchasing, committee support, and daily communications with exceptional organization, accuracy, and care.

Tina oversees the coordination of significant grant and division funds and ensures that processes across multiple areas, such as the library, tutoring centers, and curriculum office, run efficiently. She also supports key college committees and helps maintain essential operations behind the scenes. Beyond her technical expertise, Tina is known for her supportive and thoughtful approach.

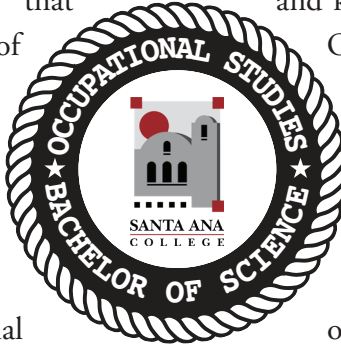

She is always willing to help, anticipate needs, and create a sense of stability for those around her. Her professionalism, strong judgement, and genuine compassion make her a trusted and valued colleague. Tina's unique combination of operational excellence and emotional intelligence makes a lasting impact on the entire Academic Affairs division.

BACHELOR OF SCIENCE DEGREE

OCCUPATIONAL STUDIES

Occupational Therapy is a discipline that focuses on function as well as quality of life. Occupational Therapy Assistants provide service to individuals with physical, mental, or developmental disabilities, across life phases, who need to remediate skills of everyday tasks for work, self-care, and leisure.

The baccalaureate degree in Occupational Studies creates a more highly skilled occupational therapy assistant (OTA) who is better able to understand and utilize research-based evidence for best practice and take on a leadership role. As an additional benefit, it prepares an OTA for entry into an Occupational Therapy (OT) master’s degree program. The upper division course work will provide more in-depth training in specific areas of OT practice, including neurologic rehabilitation, musculoskeletal rehabilitation, pediatrics, geriatrics,

and key practice areas identified by the American Occupational Therapy Association. These courses, together with a capstone project, also provide increased opportunities for critical analysis, research methods, and clinical reasoning.

The program is designed to meet the needs of our community and our students in several

ways:

- Current Certified Occupational Therapy Assistants (COTA) completing the program will have advanced clinical training and hold a bachelor’s degree that can open opportunities for career advancement.
- COTAs will be able to work in settings that require a minimum of a bachelor’s degree.
- COTAs are prepared to move to a graduate degree in OT or related field of study.

**2026 CANDIDATES FOR DEGREE OF
BACHELOR OF SCIENCE IN OCCUPATIONAL STUDIES**

2026 – ACADEMIC HONORS

WITH HIGHEST HONORS: The highest honors designation is placed on the transcript and diploma of the graduate who has an overall grade point average (GPA) of 4.0. The highest honors graduate must have completed at least 30 units of coursework at Rancho Santiago Community College District of which 18 units or more must be letter grades. All letter grades must be A.

WITH HIGH HONORS: The high honors designation is placed on the transcript and diploma of the graduate who has achieved an overall grade point average (GPA) of 3.8. The high honors graduate must have completed at least 30 units of coursework at Rancho Santiago Community College District of which 18 units or more must be letter grades of A, B, or C. All letter grades must be C or better.

WITH HONORS: The honors designation is placed on the transcript and diploma of the graduate who has achieved an overall grade point average (GPA) of 3.5. The honors graduate must have completed at least 30 units of coursework at Rancho Santiago Community College District of which 18 units or more must be letter grades of A, B, or C. All letter grades must be C or better.

PRESIDENT’S SCHOLAR MEDALIST: The President’s Scholar Medalist’s designation is placed on the transcript and diploma of the graduate who has achieved an overall grade point average (GPA) of 3.5 while completing the Honors Program requirements. In addition, the graduate must have completed at least 30 units of coursework at Rancho Santiago Community College District of which 18 units or more are letter grades of A, B, or C. All letter grades must be C or better.

HONORS TRANSFER PROGRAM COMPLETERS

The Honors Transfer Program offers honors sections of transferable general education courses to students with a 3.0 cumulative GPA. These seminar type classes are characterized by close interaction with Honors Program faculty, small size, special projects and activities. Program members are eligible to take advantage of transfer agreements with several four-year institutions that offer, at the least, priority consideration and at best, scholarships to students who complete the Honors Program. In order to complete the program, students must maintain a 3.0 cumulative GPA and complete at least fifteen honors courses with a letter grade of “C” or better. The following students have completed the Honors Transfer Program:

Venus Borroel
 Samuel Choi
 Viridana Cortes Arevalo
 Briseyda Coss
 Katelynn Do
 David Escobedo
 Natalee Espindola
 Ariana Esqueda
 Estefani Eutimio Isidoro
 Emma Flanagan
 Viviana Gonzalez

Natasha Groves
 Tara Hassanian
 Victoria Lopez Olvera
 Cecilia Lorenzo
 Natalia Luna
 Alexandra Molina
 Sharon Mondragon
 Andrew Nguyen
 Ivy Nguyen
 Viviana Pedraza
 Leslie Ramirez

Valeria Rodriguez
 Emmanuel Rodriguez Mejia
 Emily Sanchez
 Abraham Tolliver
 Matias Tomazin
 Jessica Torres
 Daphne Valdez
 Rohan Vasireddy
 Daniel Wong

HONOR SOCIETIES

ALPHA BETA GAMMA

Alpha Beta Gamma is the National Business and Professional Curriculum Honor Society for accredited two-year colleges. The Iota Lambda chapter at Santa Ana College was chartered in 2022; students must have a 3.0 cumulative GPA in at least 12 units and be pursuing a major in one of the Business or Professional areas. Members receive special recognition at commencement.

ALPHA GAMMA SIGMA

To qualify for membership into the California community college honor society, students must have a GPA of 3.0 or better. Scholarship and community service are the hallmarks of Alpha Gamma Sigma. Look for the gold AGS stole worn over the robe at the commencement ceremony. Permanent Membership is granted to those students who, in the course of one semester, have a GPA of 3.5 or better and earned 25 service points and 60 transferable units. They are awarded a special pin, certificate, and seal.

DELTA PSI OMEGA

This honor society is the national two-year college Honors Theatre Society. To qualify, one must have a 3.0 GPA, taken a minimum of two theatre courses. Look for amber and sky blue cords the commencement ceremony.

LAMBDA EPSILON CHI

The national academic honor society for paralegal students, Φ is sponsored by the American Association for Paralegal Education (AAfPE). Candidates for membership in Lambda Epsilon Chi must be in good academic standing at Santa Ana College and have completed at least two-thirds of their paralegal coursework. Candidates also must have a cumulative GPA of 3.5 or higher in their paralegal coursework.

MU ALPHA THETA

Mu Alpha Theta (MA Θ) is the mathematics honor society for high school and two-year college students in the U.S. Its main goals are to inspire keen interest in mathematics, develop strong scholarship in the subject, and promote the enjoyment of mathematics. Students’

membership may carry over from high school. Members must have at least a 3.0 math grade point in classes at or above College Algebra or PreCalculus.

PHI THETA KAPPA

To qualify for membership into the international honor society, Phi Theta Kappa, students must have a GPA of 3.5 or better. Each year, $\Phi\Theta\Kappa$ provokes debate all over America with their honors topic. Look for the gold $\Phi\Theta\Kappa$ stole or gold and blue cord worn over the robe at the commencement ceremony. Members are awarded a special pin and certificate of membership in this prestigious organization.

PSI BETA

To qualify for Psi Beta, the National Honor Society in Psychology for Community and Junior Colleges, a student must have a cumulative GPA of 3.0 in at least 12 college units and at least a 3.0 GPA in a minimum of one Psychology course. Promoting a greater understanding of Psychology, Psi Beta awards members a special pin and certificate.

SIGMA CHI ETA

Sigma Chi Eta. Sigma Chi Eta is the National Honor Society for Communication Studies, and Santa Ana College hosts the Alpha Tau chapter. Students must have an overall GPA of 3.0 with a 3.25 GPA in at least 9 units of Communication Studies courses. Students receive special recognition at the commencement ceremony.

SIGMA KAPPA DELTA

SAC hosts the Iota Zeta chapter of Sigma Kappa Delta. To qualify for Sigma Kappa Delta, the National English Honor Society for Two-Year Colleges, a student must have a cumulative GPA of 3.0 in at least 12 college units and at least a 3.0 GPA in a minimum of one non-developmental English course, with no grades lower than a “B” in English courses. Students receive a special pin and certificate of membership. Students wear a gold and green cord at commencement.

CERTIFICATES OF ACHIEVEMENT

A Certificate of Achievement is a verification of achievement in a particular academic or occupational area, and is included on the official transcript. Certificate programs normally include only those courses which have a direct bearing upon specialized occupational competency since the certificate has the sole objective of immediate employment in a specialized area.

On behalf of the RSCCD Board of Trustees, Chancellor, President of Santa Ana College, and the administration, we would like to extend our sincere appreciation for the collaborative efforts of so many individuals that participated in the creation of this amazing event and celebration for our students. We also extend a special thank you to the city of Santa Ana.

Without all of YOU, this would not be possible.
