### High School Status Discrepancy—(FAFSA Shows GED)

We have found a discrepancy with the information you submitted on your 2025-2026 Free Application for Federal Student Aid (FAFSA) vs. what resides with Santa Ana College’s Admissions & Records office.

The FAFSA asks: “What will your high school completion status be when you begin college in the 2025-2026 school year?” On the FAFSA, you answered that you have a GED. However, on your Admissions and Records application, you answered that you have one of the following: a) High School Diploma, b) passage of the California High School Proficiency Exam (CHSPE), or c) nothing.

In order to correct this, you must mark and do one of the following:

- If your Admissions and Records application is correct for either a or c, please correct your FAFSA to reflect the information listed on your Admissions and Records application.\* (There is no need to turn in this form as the corrections will be automatically transmitted to Financial Aid.)
- If you passed the CHSPE **and** you were home schooled, please correct your FAFSA to show you were home schooled. (There is no need to turn in this form as the corrections will be automatically transmitted to Financial Aid.)
- If you passed the CHSPE **and** you were not home schooled, please sign below and bring proof of passage of the CHSPE along with this form to our office.
- If you do have a GED, please email your GED along with this form to [admissions@sac.edu](mailto:admissions@sac.edu) , so that Admissions can update your file. After Admissions and Records has signed this form, please upload this form to your self-service portal.

\*Please note that if you do not have a high school diploma or the equivalent, and you did not complete at least six (6) units of college degree applicable work prior to July 1, 2012, you are not eligible for Federal Financial Aid. You may still be eligible for the CCPG\*\*.

**I HEREBY CERTIFY that to the best of my knowledge, all of the information provided is true and complete. I understand that false statements or misrepresentations will be cause for denial or repayment of financial aid.**
