**Members Present:** Cher Carrera, Monica Collins, Allen Dooley, Susan Gaer, Yolanda Garcia, Gina Giroux, Madeline Grant, Shelly Jaffray, Bonnie Jaros, Elliott Jones, Jim Kennedy, Sara Lundquist, Becky Miller, Jeff McMillan, Linda Rose, Lilia Tanakeyowma, John Zarske

- I. Review Timelines**—The updated Timeline and Activity Matrix was disseminated. The External Evaluation Team Visit dates have not yet been determined; however, it is known the visit will occur during one of the following: the week of September 22<sup>nd</sup>, September 29<sup>th</sup>, or October 6<sup>th</sup>.
- II. Report Board of Trustees Presentation**—Bonnie Jaros and Aracely Mora presented an update on the status of the accreditation process for SAC and SCC respectively at the September 23, 2013 Board of Trustees meeting. Trustees John Hanna and Claudia Avila have been designated BOT designees to accreditation; they would like to be invited to a Standard IV meeting.
- III. SharePoint Update**—Bonnie demonstrated the Accreditation Repository and the Program Review website on SharePoint. Adjustments are still being made, but access has been given to those who need to upload documents. There was a request to include Student Services and Administrative Services on the Program Review site. Once documents are received, Bonnie will discuss this with Vincent Nunez.
- IV. Teams Update**—Drafts have been received from the co-chairs of the standards. Questions related to how to infuse SCE into the report, evidentiary documentation, and responses to specific recommendations from the 2008 Visiting Team were discussed.
- V. Role of IE&A**—The role of the IE&A committee will be discussed at President Martinez’s participatory governance retreat in January. Due to changes that have been made in the governance structure (e.g., the Planning and Budget Committees have been combined), the role of the IE&A committee has changed over time. It is time to review this to avoid duplication of efforts. For now, it will continue to serve as the Accreditation Oversight Committee.
- VI. Other**
  - a. Survey**—There was discussion about conducting a faculty and staff survey and a student survey in November. The SCC survey will be used as a base for the staff survey; questions will be added to amplify it as needed. In addition, the annual Student Success Survey S13 will be released in a couple of weeks. We need to determine how this will be used and if an additional survey needs to be created. Linda will work with Nga this coming week.

- b. Assessment of Institutional Learning Outcomes**—There will need to be a mechanism developed to assess ILOs.
